Note: All documents filed by the Secretary of State's office are considered public record and may be viewable online.

How to complete the certificate of revocation of dissolution for a domestic (Kansas) corporation:

Before proceeding, the certificate of revocation of dissolution may only be filed for domestic (Kansas) corporations and is only filed if a dissolution has been filed within the last three years.

Each of the numbered instructions below corresponds to a section on the form.

1. List the business entity's ID number issued by the Kansas Secretary of State (This is not a tax ID number). ID numbers may be found by clicking on Business Entity Database at <https://www.sos.ks.gov/eforms/BusinessEntity/Search.aspx>.

2. Provide the complete legal business entity name, including words of formation (e.g., Inc., Corp., etc.)

Check to see if the name of the covered business entity is in use by any other business entity already registered with our office online at <https://www.sos.ks.gov/eforms/BusinessEntity/Search.aspx>.

If the name is currently in use, either a letter of consent from the current business entity must be submitted with the document, or a different name must be used. If a new name must be used, provide the current name, indicate the name is changing, and provide the new name.

Letter of consent: Pursuant to K.S.A. 17-7933, the letter of consent must include an indication that the current business entity consents to the use of the name. This letter must be executed by an authorized person for the current business entity registered.

3. Provide the name of the resident agent.

Resident agent: This is either an individual or a business entity registered in Kansas (may be the business entity the certificate of revocation of dissolution is for) who will receive any legal documents (e.g., subpoenas, court orders, summons, etc.) for the business entity named in section 2. If the resident agent is a business entity, search for the legal name of the business at <https://www.sos.ks.gov/eforms/BusinessEntity/Search.aspx>.

4. Provide the registered office for the resident agent.

Registered office: Must be an address in Kansas where the resident agent may be regularly present. The address must include the building number, street, city, state, and zip code. This can't be a PO box.

5a. Each name of the officer of the corporation must be listed and the address where they may be regularly located.

5b. Provide each name of the directors of the corporation along with the address where they may be regularly located. The directors may be omitted if the officers are the same individuals.

6. An authorized person on behalf of the business entity must sign.
