## House Bill No. 2078

AN ACT concerning criminal procedure; relating to discharge of persons not brought promptly to trial; suspension of statutory deadlines; providing guidelines for prioritizing trials; requiring the office of judicial administration to prepare and submit a report to the legislature in 2022 and 2023; amending K.S.A. 2020 Supp. 22-3402 and repealing the existing section.

*Be it enacted by the Legislature of the State of Kansas:*

Section 1. K.S.A. 2020 Supp. 22-3402 is hereby amended to read as follows: 22-3402. (a) If any person charged with a crime and held in jail solely by reason thereof shall not be brought to trial within 150 days after such person's arraignment on the charge, such person shall be entitled to be discharged from further liability to be tried for the crime charged, unless the delay shall happen as a result of the application or fault of the defendant or a continuance shall be ordered by the court under subsection (e).

(b) If any person charged with a crime and held to answer on an appearance bond shall not be brought to trial within 180 days after arraignment on the charge, such person shall be entitled to be discharged from further liability to be tried for the crime charged, unless the delay shall happen as a result of the application or fault of the defendant, or a continuance shall be ordered by the court under subsection (e).

(c) If any trial scheduled within the time limitation prescribed by subsection (a) or (b) is delayed by the application of or at the request of the defendant, the trial shall be rescheduled within 90 days of the original trial deadline.

(d) After any trial date has been set within the time limitation prescribed by subsection (a), (b) or (c), if the defendant fails to appear for the trial or any pretrial hearing, and a bench warrant is ordered, the trial shall be rescheduled within 90 days after the defendant has appeared in court after apprehension or surrender on such warrant. However, if the defendant was subject to the 180-day deadline prescribed by subsection (b) and more than 90 days of the original time limitation remain, then the original time limitation remains in effect.

(e) For those situations not otherwise covered by subsection (a), (b) or (c), the time for trial may be extended for any of the following reasons:

(1) The defendant is incompetent to stand trial. If the defendant is subsequently found to be competent to stand trial, the trial shall be scheduled as soon as practicable and in any event within 90 days of such finding;

(2) a proceeding to determine the defendant's competency to stand trial is pending. If the defendant is subsequently found to be competent to stand trial, the trial shall be scheduled as soon as practicable and in any event within 90 days of such finding. However, if the defendant was subject to the 180-day deadline prescribed by subsection (b) and more than 90 days of the original time limitation remain, then the original time limitation remains in effect. The time that a decision is pending on competency shall never be counted against the state;

(3) there is material evidence which is unavailable; that reasonable efforts have been made to procure such evidence; and that there are reasonable grounds to believe that such evidence can be obtained and trial commenced within the next succeeding 90 days. Not more than one continuance may be granted the state on this ground, unless for good cause shown, where the original continuance was for less than

90 days, and the trial is commenced within 120 days from the original trial date; or

(4) because of other cases pending for trial, the court does not have sufficient time to commence the trial of the case within the time fixed for trial by this section. Not more than one continuance of not more than 30 days may be ordered upon this ground.

(f) In the event a mistrial is declared, a motion for new trial is granted or a conviction is reversed on appeal to the supreme court or court of appeals, the time limitations provided for herein shall commence to run from the date the mistrial is declared, the date a new trial is ordered or the date the mandate of the supreme court or court of appeals is filed in the district court.

(g) If a defendant, or defendant's attorney in consultation with the defendant, requests a delay and such delay is granted, the delay shall be charged to the defendant regardless of the reasons for making the request, unless there is prosecutorial misconduct related to such delay. If a delay is initially attributed to the defendant, but is subsequently charged to the state for any reason, such delay shall not be considered against the state under subsections (a), (b) or (c) and shall not be used as a ground for dismissing a case or for reversing a conviction unless not considering such delay would result in a violation of the constitutional right to a speedy trial or there is prosecutorial misconduct related to such delay.

(h) When a scheduled trial is scheduled within the period allowed by subsections (a), (b) or (c) and is delayed because a party has made or filed a motion, or because the court raises a concern on its own, the time elapsing from the date of the making or filing of the motion, or the court's raising a concern, until the matter is resolved by court order shall not be considered when determining if a violation under subsections (a), (b) or (c) has occurred. If the resolution of such motion or concern by court order occurs at a time when less than 30 days remains under the provisions of subsections (a), (b) or (c), the time in which the defendant shall be brought to trial is extended 30 days from the date of the court order.

(i) If the state requests and is granted a delay for any reason provided in this statute, the time elapsing because of the order granting the delay shall not be subsequently counted against the state if an appellate court later determines that the district court erred by granting the state's request unless not considering such delay would result in a violation of the constitutional right to a speedy trial or there is prosecutorial misconduct related to such delay.

~~(j) The chief justice of the Kansas supreme court may issue an order to extend or suspend any deadlines or time limitations established in this section pursuant to K.S.A. 2020 Supp. 20-172, and amendments thereto. When an order issued pursuant to K.S.A. 2020 Supp. 20-172, and amendments thereto, is terminated, any trial scheduled to occur during the time such order was in effect shall be placed back on the court schedule within 150 days. The provisions of this section shall be suspended until May 1, 2023, in all criminal cases.~~

(k) When prioritizing cases for trial, trial courts shall consider relevant factors, including, but not limited to, the:

- (1) Trial court's calendar;
- (2) relative prejudice to the defendant;
- (3) defendant's assertion of the right to speedy trial;
- (4) calendar of trial counsel;
- (5) availability of witnesses; and
- (6) relative safety of the proceedings to participants as a result of the response to the COVID-19 public health emergency in the judicial district.

(l) The office of judicial administration shall prepare and submit a report to the senate standing committee on judiciary and the house of representatives standing committee on judiciary on or before January 17, 2022, and January 16, 2023, containing the following information disaggregated by judicial district:

- (1) The number of pending criminal cases on January 1, 2022, and January 1, 2023, respectively;
- (2) the number of criminal cases resolved during fiscal years 2021 and 2022, respectively, and the method of disposition in each case;
- (3) the number of jury trials conducted in criminal cases during fiscal years 2021 and 2022, respectively; and
- (4) the number of new criminal cases filed in fiscal years 2021 and 2022, respectively.

(m) The amendments made to this section by this act are procedural in nature and shall be construed and applied retroactively.

Sec. 2. K.S.A. 2020 Supp. 22-3402 is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the Kansas register.

(Published in the Kansas Register March 31, 2021.)

(i) Individuals not residing in a member state shall continue to be able to apply for a member state's single-state license as provided under the laws of each member state. (d) The audiologist or speech-language pathologist may apply for licensure in advance of a change in primary state of residence.

(f) If an audiologist or speech-language pathologist changes the audiologist's or speech-language pathologist's primary state of residence by moving from a member state to a non-member state, the license issued by the prior home state shall convert to a single-state license, valid only in the former home state.

#### SECTION 6

##### ACTIVE DUTY MILITARY PERSONNEL OR THEIR SPOUSES

Active duty military personnel, or their spouse, shall designate a home state where the individual has a current license in good standing. The individual may retain the home state designation during the period the service member is on active duty. Subsequent to designating a home state, the individual shall only change their home state through application for licensure in the new state.

#### SECTION 7

(a) In addition to the other powers conferred by state law, a remote state shall have the authority, in accordance with existing state due process law, to:

(1) Take adverse action against an audiologist's or speech-language pathologist's privilege to practice within that member state; and

Subpoenas issued by a licensing board in a member state for the attendance and testimony of witnesses or the production of evidence from another member state shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage and other fees required by the service statutes of the state in which the witnesses or evidence are located.

(3) Only the home state shall have the power to take adverse action against an audiologist's or speech-language pathologist's license issued by the home state.

(b) For purposes of taking adverse action, the home state shall give the same priority and effect to reported conduct received from a member state as it would if the conduct had occurred within the home state. In so doing, the home state shall apply its own state laws to determine appropriate action.

(c) The home state shall complete any pending investigations of an audiologist or speech-language pathologist who changes primary state of residence during the course of the investigations. The home state shall also have the authority to take appropriate action and shall promptly report the conclusions of the investigations to the administrator of the data system. The administrator of the coordinated licensure information system shall promptly notify the new home state of any adverse actions.

(d) If otherwise permitted by state law, the member state may recover from the affected audiologist or speech-language pathologist the costs of investigations and disposition of cases resulting from any adverse action taken against that audiologist or speech-language pathologist.

(e) The member state may take adverse action based on the factual findings of the remote state, provided that the member state follows the member state's own procedures for taking the adverse action.

(1) In addition to the authority granted to a member state by its respective audiology or speech-language pathology practice act or other applicable state law, any member state may participate with other member states in joint investigations of licensees.

(2) Member states shall share any investigative, litigation or compliance materials in furtherance of any joint or individual investigation initiated under the compact.

(g) If adverse action is taken by the home state against an audiologist's or speech language pathologist's license, the audiologist's or speech-language pathologist's privilege to practice in all other member states shall be deactivated until all encumbrances have been removed from the state license. All home state disciplinary orders that impose adverse action against an audiologist's or speech language pathologist's license shall include a statement that the audiologist's or speech-language pathologist's privilege to practice is deactivated in all member states during the pendency of the order.

(h) If a member state takes adverse action, it shall promptly notify the administrator of the data system. The administrator of the data system shall promptly notify the home state of any adverse actions by remote states.

(i) Nothing in this compact shall override a member state's decision that participation in an alternative program may be used in lieu of adverse action.

    - (6) If a meeting, or portion of a meeting, is closed pursuant to this provision, the commission's legal counsel or designee shall certify that the meeting may be closed and shall reference each relevant exempting provision.

(7) The commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, and the reasons therefor including a description of the views expressed. All documents considered in connection with an action shall be identified in minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the commission or order of a court of competent jurisdiction.

(8) *Financing of the commission.*

(A) The commission shall pay, or provide for the payment of, the reasonable expenses of its establishment, organization and ongoing activities.

(B) The commission may accept any and all appropriate revenue sources, donations and grants of money, equipment, supplies, materials and services.

(C) The commission may levy on and collect an annual assessment from each member state or impose fees on other parties to cover the cost of the operations and activities of the commission and its staff, which shall be in a total amount sufficient to cover its annual budget as approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the commission, which shall promulgate a rule binding upon all member states.

(9) The commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same, nor shall the commission pledge the credit of any of the member states, except by and with the authority of the member state.

(10) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the commission.

(f) *Qualified immunity, defense and indemnification.*

(1) The members, officers, executive director, employees and representatives of the commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities; provided that nothing in this paragraph shall be construed to protect any person from suit or liability for any damage, loss, injury or liability caused by the intentional or willful or wanton misconduct of that person.

(2) The commission shall defend any member, officer, executive director, employee or representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel, and provided further that the actual or alleged act, error or omission did not result from that person's intentional or willful or wanton misconduct.

(3) The commission shall indemnify and hold harmless any member, officer, executive director, employee or representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities or that the person had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities, provided that the actual or alleged act, error or omission did not result from the intentional or willful or wanton misconduct of that person.

SECTION 9  
DATA SYSTEM

(a) The commission shall provide for the development, maintenance and utilization of a coordinated database and reporting system containing licensure, adverse action and investigative information on all licensed individuals in member states.

(b) Notwithstanding any other provision of state law to the contrary, a member state shall submit a uniform data set to the data system  
(continued)

on all individuals to whom this compact is applicable as required by the rules of the commission, including:

- (1) Identifying information;
  - (2) licensure data;
  - (3) adverse actions against a license or compact privilege;
  - (4) non-confidential information related to alternative program participation;
  - (5) any denial of application for licensure, and the reason for denial; and
  - (6) other information that may facilitate the administration of this compact, as determined by the rules of the commission.
- (c) Investigative information pertaining to a licensee in any member state shall only be available to other member states.
- (d) The commission shall promptly notify all member states of any adverse action taken against a licensee or an individual applying for a license. Adverse action information pertaining to a licensee in any member state shall be available to any other member state.
- (e) Member states contributing information to the data system may designate information that may not be shared with the public without the express permission of the contributing state.

(f) Any information submitted to the data system that is subsequently required to be expunged by the laws of the member state contributing the information shall be removed from the data system.

#### SECTION 10 RULEMAKING

(a) The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

(b) If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact within four years of the date of adoption of the rule, the rule shall have no further force and effect in any member state.

(c) Rules or amendments to the rules shall be adopted at a regular or special meeting of the commission.

(d) Prior to promulgation and adoption of a final rule or rules by the commission, and at least 30 days in advance of the meeting at which the rule shall be considered and voted upon, the commission shall file a notice of proposed rulemaking:

(1) On the website of the commission or other publicly accessible platform; and

(2) on the website of each member state audiology or speech-language pathology licensing board or other publicly accessible platform or the publication in which each state would otherwise publish proposed rules.

(e) The notice of proposed rulemaking shall include:

(1) The proposed time, date and location of the meeting in which the rule shall be considered and voted upon;

(2) the text of the proposed rule or amendment and the reason for the proposed rule;

(3) a request for comments on the proposed rule from any interested person; and

(4) the manner in which interested persons may submit notice to the commission of their intention to attend the public hearing and any written comments.

(f) Prior to the adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions and arguments, which shall be made available to the public.

(g) The commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

(1) At least 25 persons;

(2) a state or federal governmental subdivision or agency; or

(3) an association having at least 25 members.

(h) If a hearing is held on the proposed rule or amendment, the commission shall publish the place, time and date of the scheduled public hearing. If the hearing is held via electronic means, the commission shall publish the mechanism for access to the electronic hearing.

(1) All persons wishing to be heard at the hearing shall notify the executive director of the commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(2) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(3) All hearings shall be recorded. A copy of the recording shall be made available on request.

(4) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.

(i) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

(j) If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

(k) The commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

(l) Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment or hearing, provided that the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

(1) Meet an imminent threat to public health, safety or welfare;

(2) prevent a loss of commission or member state funds; or

(3) meet a deadline for the promulgation of an administrative rule that is established by federal law or rule.

(m) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision shall take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

#### SECTION 11

##### OVERSIGHT, DISPUTE RESOLUTION AND ENFORCEMENT

(a) *Dispute Resolution.*

(1) Upon request by a member state, the commission shall attempt to resolve disputes related to the compact that arise among member states and between member and non-member states.

(2) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

(b) *Enforcement.*

(1) The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

(2) By majority vote, the commission may initiate legal action in the United States district court for the District of Columbia or the federal district where the commission has its principal offices against a member state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of litigation, including reasonable attorney fees.

(3) The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

#### SECTION 12

##### DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR AUDIOLOGY AND SPEECH-LANGUAGE PATHOLOGY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

(a) The compact shall come into effect on the date on which the compact statute is enacted into law in the 10<sup>th</sup> member state. The provisions, which become effective at that time, shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the compact.

(b) Any state that joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

(c) Any member state may withdraw from this compact by enacting a statute repealing the same.

(1) A member state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(2) Withdrawal shall not affect the continuing requirement of the withdrawing state's audiology or speech-language pathology licensing board to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

(d) Nothing contained in this compact shall be construed to invalidate or prevent any audiology or speech-language pathology licensure agreement or other cooperative arrangement between a member state and a non-member state that does not conflict with the provisions of this compact.

(e) This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

SECTION 13

CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any member state or of the United States or the applicability thereof to any government, agency, person or circum-

stance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any member state, the compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

SECTION 14

BINDING EFFECT OF COMPACT AND OTHER LAWS

(a) Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with the compact.

(b) All laws in a member state in conflict with the compact are superseded to the extent of the conflict.

(c) All lawful actions of the commission, including all rules and by-laws promulgated by the commission, are binding upon the member states.

(d) All agreements between the commission and the member states are binding in accordance with their terms.

(e) In the event any provision of the compact exceeds the constitutional limits imposed on the legislature of any member state, the provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state.

Sec. 2. This act shall take effect and be in force from and after its publication in the Kansas register.
