**Criminal Justice Coordinating Council**

**Notice of Available Grant Funding**

The Kansas Criminal Justice Coordinating Council (KCJCC) establishes the guidelines for the Federal Edward Byrne Memorial Justice Assistance Grant (JAG). The KCJCC and the JAG program guidelines establish eligibility criteria for all organizations receiving JAG funds. Eligible applicants for JAG funding include units of state and local government; Native American Tribes; and nonprofit, community, and faith-based organizations, including underserved and culturally specific populations.

(continued)

Priority will be given to applications clearly supporting the objectives of the current Kansas Statewide Strategic Plan and submitting a complete application. A copy of the Strategic Plan, as well as a copy of the JAG solicitation, may be downloaded at [https://grants.ks.gov/opportunities/edward-j-byrne-memorial-justice-assistance-grant-\(jag\)](https://grants.ks.gov/opportunities/edward-j-byrne-memorial-justice-assistance-grant-(jag)). The solicitation is also available on the Kansas Governor's Grant Portal at <https://www.kansas.gov/grants/index.do>.

All grant applications must be submitted via the Kansas Governor's Grant Portal by 11:59 p.m. August 11, 2022. To quickly locate the solicitation in the grant portal, use "JAG" for the keyword in your search. For more information, contact the Kansas Governor's Grants Program at 785-291-3205 or at [kggp@ks.gov](mailto:kggp@ks.gov).

## State of Kansas

### Kansas Housing Resources Corporation

#### Notice of Hearing

The Kansas Housing Resources Corporation (KHRC) will conduct a needs hearing for citizens to have input into amending its 2019-2023 Consolidated Plan and the development of the 2023 Annual Action Plan. This plan is the state's policy framework for federal community development and housing programs.

Resources available in 2023 are approximately \$15,111,118 from the Community Development Block Grant (CDBG), \$7,040,310 from HOME Investment Partnerships (HOME), \$3,000,000 from National Housing Trust Fund (HTF), \$1,662,075 from the Emergency Solutions Grant (ESG), and \$691,970 from Housing Opportunities for Persons with AIDS (HOPWA) programs.

The needs hearing will be held virtually at 10:00 a.m. July 26, 2022. Please register at <https://attendee.gotowebinar.com/register/2757965913336810252>.

Individuals with disabilities or limited English proficiency are welcome to attend and participate in the public hearing. If you are in need of a sign language interpreter, an assistive listening device, large print, Braille material, or other accommodation to attend this meeting, please notify KHRC at least five days prior to the meeting. Re-

quests may be addressed to Kansas Housing Resources Corporation, 611 S. Kansas Ave., Suite 300, Topeka, KS 66603-3803 or by phone at 785-217-2001 via the Kansas relay service.

**State of Kansas**

**Wichita State University**

**Notice of Intent to Lease Real Property**

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to four acres of real property located on the Wichita State University's campus designated as the "Innovation Campus," for the private development and operation of a partnership building or buildings. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. The university intends to lease such space for a mutually agreeable period of time up to sixty years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Interested tenants will be required to construct adjacent and adequate surface parking that will not be included in the leased ground. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of building improvement, and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization. If interested, please contact Senior Vice President for Industry and Defense Programs, Dr. John Tomblin at [john.tomblin@wichita.edu](mailto:john.tomblin@wichita.edu) or Property Manager Crystal Stegeman at [crystal.stegeman@wichita.edu](mailto:crystal.stegeman@wichita.edu). This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Administration and Finance

Doc. No. 050070

(Published in the Kansas Register July 14, 2022.)

**Cimarron Valley Railroad**

**Notice to Bidders**

The Cimarron Valley Railroad (CVR) is seeking bids to install seven (7) Hotstart Auxiliary Power Units (APU) on their fleet of GE Dash 8 locomotives. The selected install-

er must have extensive locomotive mechanical experience and must have previously installed EPA Smartway certified idle reduction systems on locomotives.

The APUs must be installed per the following guidelines:

- Mounted on conductors' side walkway, under the dynamic brake grids.
- Have a steel box with removable side covers constructed around the APU.
- The control panel will be mounted inside the cab in a suitable location.
- Minimum hose diameters maintained per the installation kit and Hotstart instructions.
- All exposed hoses will be covered with pipe insulation and protected from the elements.
- Main engine oil pickup will be pulled from the bottom of the sump and returned to the engine at the oil filter or oil cooler housing.
- Main engine water will be pulled from the GURU plug or drain valve and return to the engine at the following 3 locations: 1" plug at the main upper water manifold between L8 and R8 power assemblies; 3/4" weld on fitting in the top of the turbo charger/after cooler crossover pipe; and at the 3/4" plug at the top of the water expansion tank.
- Fuel lines installed per Hotstart instructions.
- All hoses and wires must be zip tied and insulated appropriately to prevent chafing.
- Exhaust system installed to direct exhaust flow away from the locomotive.
- Battery charging circuit tied into locomotive battery knife switch.

APUs will come equipped with Hotstart install kits.

Additional installation material will be provided by CVR or at an additional cost to CVR if procured by installation contractor.

APUs must be tested for proper working order before installation is considered complete.

Locomotives will be available in Satanta, Kansas. A CVR provided forklift will be available as needed if scheduled in advanced. Contractor to provide all tooling required. One locomotive will be available at a time. The unit must be suitable for FRA service before another unit can be made available. If weather conditions permit, shop space will be allocated for the contractor to continue progress on the installations.

The APUs will be available for installation beginning September 5, 2022. All seven (7) APU installations must be completed by December 31, 2022.

All questions, comments, and concerns will be directed to the project manager. Weekly project updates will be required by the contractor once installation begins. Submit bids and expected timelines to the project manager to:

## State of Kansas

**Department of Health and Environment**

**Notice Concerning Proposed Kansas Air  
Quality Class I Operating Permit Renewal**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Henke Manufacturing Corporation has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Henke Manufacturing Corporation, 3070 Wilson Ave., Leavenworth, KS 66048, owns and operates a snow plow manufacturing facility located at 3070 Wilson Ave., Leavenworth, Leavenworth County, KS 66048.

A copy of the proposed permit, permit application, all supporting documentation, and all information re-

lied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Northeast District Office, 800 W. 24th St., Lawrence, KS 66046. To obtain or review the proposed permit and supporting documentation, contact Matthew Reynolds, 785-296-1719, at the central office of the KDHE or Wendi Kessler, 785-842-4600, at the Northeast District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Matthew Reynolds, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, August 15, 2022.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Matthew Reynolds, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, August 15, 2022, in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency (EPA) has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Keith Johnson, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

**Department of Health and Environment**

**Notice Concerning Proposed Kansas Air  
Quality Class I Operating Permit Renewal**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating

permit. Everyg–Hutchinson has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Everyg–Hutchinson, 818 S. Kansas Ave., PO Box 889, Topeka, KS 66601, owns and operates a power generation facility located at 3200 E. 30th Ave., Hutchinson, KS 67502.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the South Central District Office, 300 W. Douglas, Suite 700, Wichita, KS 67202. To obtain or review the proposed permit and supporting documentation, contact Eric Parker, 785-296-4174, at the central office of the KDHE or Allison Herring, 316-337-6020, at the South Central District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Eric Parker, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, August 15, 2022.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The U.S. Environmental Protection Agency (EPA) has a 45-day review period, which will start concurrently with

*(continued)*

the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Keith Johnson, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

### Department of Health and Environment

#### Notice Concerning Proposed Kansas Air Quality Construction Permit

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality construction permit. Crestwood, Inc. has applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300. Emissions of volatile organic compounds (VOC), particulate matter (PM), particulate matter with less than or equal to 10 microns in aerodynamic diameter (PM<sub>10</sub>), particulate matter with less than or equal to 2.5 microns in aerodynamic diameter (PM<sub>2.5</sub>), and hazardous air pollutants (HAP's) were evaluated during the permit review process.

Crestwood, Inc., 601 E. Water Well Rd., Salina, KS 67401, owns and operates a wood kitchen cabinet and countertop manufacturing facility located at 601 E. Water Well Rd., Salina, Saline County, KS 67401, at which two new spray booths are to be installed.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review from the date of publication during normal business hours at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the North Central District Office, 3040 Enterprise Dr., Salina, KS 67401. To obtain or review the proposed permit and supporting documentation, contact Josephine Boac, 785-296-6281, at the central office of the KDHE or Jessica Fair, 785-827-9639, at the North Central District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Josephine Boac, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, August 15, 2022.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Josephine Boac, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, August 15, 2022, in order for the Secretary of Health and Environment to consider the request.

Janet Stanek  
Secretary

Doc. No. 050323

## State of Kansas

### Department of Health and Environment

#### Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

#### Public Notice No. KS-AG-22-168/169

##### Pending Permits for Confined Feeding Facilities

Name and Address of Applicant	Legal Description	Receiving Water
Lee and Joyce Bracken 9811 Edwards Rd. Fredonia, KS 66736	NW/4 of Section 21 T29S, R14E Wilson County	Verdigris River Basin

Kansas Permit No. A-VEWL-S019

The proposed action is to reissue an existing state permit for an existing facility for 1,320 head (528 animal units) of swine weighing more than 55 pounds and 900 head (90 animal units) of swine weighing less than 55 pounds for a total of 618 animal units. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Waste Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Beaver Creek Pork, LLC 2457 15th Rd. Barnes, KS 66933	SE/4 of Section 13 T03S, R04E & SW/4 & SE/4 of Section 18 T03S, R05E Washington County	Big Blue River Basin

Kansas Permit No. A-BBWS-H012  
Federal Permit No. KS0100692

The proposed action is to approve an update to the Nutrient Management Plan (NMP) received for this existing facility currently permitted for 6,200 head (2,480 animal units) of swine weighing greater than 55 pounds, and 1,980 head (198 animal units) of swine weighing 55 pounds or less; for a total of 2,678 animal units. The facility's NMP was updated to include the application rate limitation changes. The application rate limitation for five fields have become less restrictive than the previous NMP. There are no changes to the permit or in the permitted number of animal units. Only the updated portion of the Nutrient Management Plan is subject to comment. This facility has an approved Nutrient Management Plan on file with KDHE.

**Public Notice No. KS-Q-22-060**

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g), and Federal Surface Water Criteria.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Basehor, City of PO Box 406 Basehor, KS 66007	Stranger Creek via Hog Creek	Treated Domestic Wastewater

Kansas Permit No. M-KS04-0007  
Federal Permit No. KS0094382

Legal Description: SW¼, NW¼, SE¼, S34, T10S, R22E, Leavenworth County, Kansas

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This is a mechanical treatment facility consisting of headworks with odor control system, dual unit activated sludge Biological Nutrient Removal (BNR) system, two final clarifiers, UV disinfection, cascade aeration, aerated sludge holding tank, and sludge belt filter press. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, ammonia, pH, E. coli, and dissolved oxygen, as well as monitoring for nitrate + nitrite, total Kjeldahl nitrogen, total nitrogen, total phosphorus, and flow.

**Public Notice No. KS-EG-22-017**

In accordance with K.A.R. 28-46-7 and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, draft permits have been prepared for the use of the well(s) described below within the State of Kansas.

**Name and Address of Applicant**

Underground Cavern Stabilization, LLC  
7513 S. K-14 Hwy.  
Hutchinson, KS 67501

Operator: Advantek Cavern Solutions, LLC (ACS)

Facility: ACS South Hutchinson Facility

Permit No: KS-05-155-002

Legal Description: S14, T24S, R6W, Reno County, Kansas

Well Number	Location
SW-12	Latitude: 37.96601" Longitude: -97.94781"

SW-13

Latitude: 37.96603"  
Longitude: -97.94652"

The proposed action is to reissue two Class V chloride/salt/mineral impacted and mineral based material emplacement well/salt caverns for the owner/operator listed above. The emplacement of material is into a salt cavern solutioned mined in the Hutchinson Salt Interval. The Hutchinson Salt interval consists of mostly salt with shale interbeds. The Hutchinson Salt is encountered at a depth of approximately 455 feet. Approximate emplacement depths within the cavern are from 530 feet to 755 feet. Emplacement is by means of pump pressure not to exceed 80 psig and not to exceed 0.75 psi/ft. pressure gradient as calculated at the cavern roof. The maximum rate of emplacement is 12,000 barrels per day (504,000 gallons per day) per well. Well SW-13 is considered full and is in monitoring status. All construction, monitoring, and operation of these wells shall meet the requirements that apply to Class V Injection wells under the Kansas UIC Regulations, K.A.R. 28-46-1 through 28-46-44, appropriate Federal Regulations and the requirements of KDHE.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before August 13, 2022, will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-22-, KS-Q-22-060, KS-EG-22-017) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Paige Drury, Livestock Waste Management Section at the KDHE, Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Michael Beezhold at the KDHE, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Mirina Landry at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone 785-296-0076 or email at [kdhe.feedlots@ks.gov](mailto:kdhe.feedlots@ks.gov). For all other proposed permits or actions an appointment can be scheduled, or copies requested by contacting Christopher Zwiener, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612, telephone 785-296-3056 or email at [Christopher.Zwiener@ks.gov](mailto:Christopher.Zwiener@ks.gov). These documents are available upon request at *(continued)*

the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdhe.ks.gov/livestock>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Janet Stanek  
Secretary

Doc. No. 050326

State of Kansas

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the project(s) described in Table 1 below. Interested consultants must email a proposal to [KDOT.DesignContracts@ks.gov](mailto:KDOT.DesignContracts@ks.gov) by 12:00 p.m. (CDT) July 29, 2022, to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT but not in a particular category. Firms must demonstrate qualifications that include required staff and equipment to provide the services needed to gather samples and analyze samples for testing.

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Table 1: Background and Scope of Project

Project Number	Background and Scope of Project
KA-5727-01	The overall scope this project is to replace the bridge over the Neosho River on US-59 located 2.4 miles north of the K-47/US-59 junction. The project work will include construction activities within the wetted channel of the Neosho River. During consultation with the Kansas Department of Wildlife and Parks (KDWP) for project impacts to state listed threatened and endangered species it was determined that the project work had the potential to impact designated critical habitat for six mussel species and one fish species (Ouachita Kidneyshell <i>Ptychobranchius occidentalis</i> , Western Fanshell <i>Cyprogenia aberti</i> , Butterfly <i>Ellipsaria lineolata</i> , Flutedshell <i>Lasmigona costata</i> , Rabbitsfoot <i>Quadrula cylindrica</i> , Neosho Mucket <i>Lampsilis rafinesqueana</i> , and Neosho Madtom <i>Noturus placidus</i> ). KDWP has requested a survey of the project area to characterize the substrate to determine if critical habitat for the above listed species is present within the project area.

Table 2: Project Summary

Project Number	Route and Location	Length (mi)	Project Termini
KA-5727-01	59-67 KDOT Bridge #004 on US-59 over the Neosho River located 2.4 miles north of the K-47/US-59 junction. (Latitude: 37.549391°, Longitude: -95.264383°) (Map 1)	approximately require a 20-meter wide (upstream to downstream distance) work area	KDOT is seeking a qualified consultant to conduct the substrate characterization at the project location, analyze the data collected, and create a report for submittal to KDWP.
Project Number	Type		
KA-5727-01	Neosho River Substrate Characterization		

Anticipated Consultant Scope

Consultant staff performing work should have a biologist, environmental scientist, or geologist on staff with experience performing substrate characteristics, stream surveys, habitat assessments, or mussel habitat evaluations.

Sampling Plan

- The consultant will create a sampling plan using the protocol described by the Kansas Department of Wildlife and Parks Environmental Services Section (Appendix 1). The sampling plan will need to include the accurate number of transects and sampling points.

Field Sampling

- The consultant will complete the onsite survey of the streambed substrate following the KDWP protocol for sampling the project area. Each sample point will be required to have the substrate physically sampled, characterized, depth of sample, percent embeddedness of substrate, and location recorded. Notify KDOT of the proposed onsite sampling dates.

Final Report

- The consultant will be required to create a report for submittal and review by KDWP. The report will need to describe the sampling location, sampling activities, analysis of the data collected, and summary of the results.
- The final report should include the following:
  - Introduction: General overview of the project work and purpose of the project.
  - Site Description/Overview: Location of the project and sampling conditions.
  - Sampling Methods: Who performed the sampling work, techniques, description of transects, sampling points, and equipment used.
  - Results: General description of all the substrate characterized.
  - Conclusion: Analysis of the data collected and determination of mussel habitat if present.
  - References: Literature cited, websites, and other media used.
  - Maps: Showing project location.
  - Figures: Diagrams, aerial map overlays, or plans sheets showing locations of transect and sampling points within the evaluated area.
  - Tables: Show data collected including transects, sample locations, depth of samples, substrate

size classification, and percent embeddedness of substrate.

- J. Graphs: (optional) Visually represent the amount of each size class of substrate sampled.

**Anticipated KDOT Scope**

- **Field Check Plans**
  - KDOT Environmental Services Section (ESS) will provide the consultant with the most recent field check plans.
- **Sampling Plan**
  - KDOT ESS staff will be available to assist the consultant with interpretation of field check plans in developing the sampling plan for the project area and help with clarification of KDWP sampling guidance information.
- **Final Report**
  - KDOT ESS can provide examples of past substrate reports for reference. Staff will review the final draft of the report for comprehensiveness of required information and approval for final submittal to KDWP.

**Anticipated Schedule and Key Dates**

1. Proposals are due by or before 12:00 p.m. (CDT) July 29, 2022
2. The program fiscal year for this project is FY 2024 (July 2023–June 2024)
3. Important dates in Phase:
  - a. Field Work: August–December 2022
  - b. Final Report: December 16, 2022

**Instructions for Proposal**

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be count as two or more pages depending on size.
3. A single PDF (2MB maximum size) of the proposal including all attachments must be emailed to [KDOT.DesignContracts@ks.gov](mailto:KDOT.DesignContracts@ks.gov) by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:
  - a. “KA-5727-01, Neosho River Substrate Survey, Neosho County, FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”) and No. 10 (“Policy Regarding Sexual Harassment”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing.
6. The outline in Table 3 below describes the expected proposal organization and content sections.
7. Table 4 lists the evaluation criteria and associated weights which will be used to make a selection.

Table 3: Proposal Content

Section	Description of Intent
Cover Letter	1 page

<b>Project Approach</b>	Demonstrate a unique approach to accomplish the plan and to a high standard. Include cost-effective and optimized solutions to address the anticipated improvements. Include unique qualifications or experience related to the plan approach.
<b>Approach to Schedule</b>	Describe the approach to accomplish the scope within the schedule requirements. Include anticipated key milestone dates and availability of staff.
<b>Approach to Quality Control</b>	Describe methods or procedures your firm will use to provide all drawings, reports and other services with professional quality and technical accuracy.
<b>Qualifications and Experience</b>	For key personnel to be assigned to the project provide names, office location, qualifications, education, training, and expertise. Identify their area(s) of responsibility and percent of their time dedicated to the project. List work for which you do not have in-house capability and name the firm you propose to subcontract with.
<b>Past Performance</b>	Describe team’s past performance with respect to ability to meet project schedules; quality of work; and ability to control costs on similar transportation projects, especially those performed for KDOT. Include three references and contact information.
<b>Familiarity with KDOT and Project Area</b>	Describe team’s familiarity with KDOT’s design process and standards. Describe familiarity with the project area and any identified special site conditions.

Table 4: Evaluation Factors

Evaluation Factor	Weight
Qualifications and experience of project manager and other key project team members proposed for services	20%
Project approach	15%
Approach and commitment to meet advertised schedule	20%
Past performance history for similar projects/services for KDOT	10%
Understanding of the project area	10%
Innovation/Creativity in solutions	10%
Demonstrated understanding of nature and scope of project	15%

**Contract Terms and Conditions**

A standard KDOT agreement for engineering and technical services will be used for professional services projects. The following special attachments will need to be provided by the selected consultant and all subconsultants with the signed work order following negotiations and will become attachments to the contract.

- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

**Questions:**

All questions regarding this Request for Proposals shall be emailed to [KDOT.DesignContracts@ks.gov](mailto:KDOT.DesignContracts@ks.gov).

Questions can be submitted until July 20, 2022; answers will be provided to all pre-qualified consultants on July 25, 2022.

**Map 1: Project Location**

US-59 in Neosho County (Latitude: 37.549391°, Longitude: -95.264383°)

(continued)

<https://earth.google.com/web/search/37.549391,+95.264383/@37.549391,-95.264383,263.03020894a,886.91207018d,35y,0h,0t,0r/data=CigiJgokCf-uF6zIKUVAEf6uF-6zIKUXAGeK-UhQVcUXAIaKSKaOUyGPA>

**Appendix 1: KDWP Substrate Characterization**

Project sponsor or representative must characterize the substrate within the project area, including a 10-meter buffer upstream and downstream of work area.

The general guidelines for substrate characterizations require a minimum total of five cross section transects be analyzed: at least two within the proposed work area, one within a 10-meter buffer upstream of the project area, and two within a 10-meter buffer downstream of the project area. Cross section transects should be separated by no more than five meters.

Example: A proposed project will approximately require a 20-meter wide (upstream to downstream distance) work area. This would require a minimum of eight total cross section transects: five within the work area, one within 10 meters of the upstream work area boundary, and two within 10-meters of the downstream work area boundary.

Along each cross section transect, a total of nine evenly spaced substrate samples should be collected and recorded by category. Samples 1 and 9 will occur at the water’s edge on either side of the river and point 5 will be taken in the center of the river. Please see below for substrate categories.

RS = BEDROCK (SMOOTH) *(LARGER THAN A CAR)
RR = BEDROCK (ROUGHT) *(LARGER THAN A CAR)
BL = BOULDER (250 TO 4000 MM) *(BASKETBALL TO CAR)
CB = COBBLE (64 TO 250 MM) *(TENNIS BALL TO BASKETBALL)
GC = COARSE GRAVEL (16 TO 64 MM) *(MARBLE TO TENNIS BALL)
GF = FINE GRAVEL (2 TO 16 MM) *(LADYBUG TO MARBLE)
SA = SAND (0.06 TO 2 MM) *(GRITTY-UP TO LADYBUG SIZE)
FN = SILT/CLAY, MUCH (NOT GRITTY, FEELS LIKE LOTION)
WD = WOOD (ANY SIZE)
OT = OTHER (PLEASE DESCRIBE)

Once a substrate characterization report has been delivered to KDWP, we will determine if a mussel survey is necessary, and if warranted, issue an Action Permit with Special Conditions detailing mussel survey, collection, and translocation protocols.

Marcia Turner, P.E., Contracts Manager  
Division of Engineering and Design

Doc. No. 050331

(Published in the Kansas Register July 14, 2022.)

**Midland Marketing Co-op, Inc.**

**Request for Proposals**

Interested parties are invited to submit a proposal to upgrade the electric railcar puller winch for the proposed Midland Marketing Co-op, Inc. (MMC) project at Toulon, Kansas under the Kansas Department of Transportation (KDOT) Rail Service Improvement Fund (RSIF).

**Scope of Work**

MMC at Toulon, Kansas project to upgrade the electric railcar puller winch designed to safely move up to nine loaded 286K railcars. The proposal is to provide all necessary labor, equipment, and materials called for to complete the project. The scope of work is further described as follows:

- Remove the existing electric railcar puller winch from the existing concrete base.
- The removed electric railcar puller winch will be left on-site at a designated site by the owner.
- Replace the existing concrete base, unless a certified engineer determines the existing base is of adequate size, weight, and soil capable to safely support the new car puller winch.
- Any waste materials including concrete must be removed and disposed of according to all local, state, and federal regulations.
- The new railcar puller winch to include safety protection for the operator.

**Minimum Requirements**

1. A certified engineer to determine if the existing concrete base is of adequate weight and size, soil capable of supporting loads of 4,000 lbs. per square foot before replacement.
2. Car puller winch with estimated line pull of minimum 22,000 lbs.
3. The car puller unit should be rated at minimum total pulling weight of 2.5 million lbs. in one direction on a relatively flat rail tract with a 1% down-hill slope.
4. Car puller winch should have a manual clutch for free spooling of cable.
5. Car puller winch should be configured with not less than 400’ of properly sized high quality cable.

**Other Requirements**

Insurance

Contractor shall have required coverage and submit for verification to MMC that meets state requirements for:

1. Commercial General Liability
2. Workers Compensation and Employer’s Liability
3. Builders Risk Insurance on materials and/or equipment furnished.

**Non-Project Areas**

All areas (public, private, and railroad right of way) that are used for access to the project, including parts of the railroad right of way which have no proposed work, shall be maintained and/or remediated, and incidentals to the project by the contractor to the satisfaction of the property owner if any damage to these areas occurs.

**Project Completion**

All work pertaining to this project shall be completed by February 28, 2023.

**Submission of a Proposal**

All proposals must be submitted no later than September 9, 2022. All submitted proposals shall be reviewed by MMC. Please ensure your proposal includes all required information. All incomplete or late proposals shall be

subject to rejection. The structure of your proposal must be clearly understood.

For further information or questions regarding the Request for Proposals and submission of a proposal, contact Steven Fenton, Midland Project Manager at [sfenton@midlandmarketing.org](mailto:sfenton@midlandmarketing.org), phone 620-200-1982; or Kevin Royer, Midland Chief Executive Officer at [kroyer@midlandmarketing.org](mailto:kroyer@midlandmarketing.org), phone 785-628-3221.

## Midland Marketing Co-op, Inc.

### Request for Proposals

Interested parties are invited to submit a proposal to rehabilitate the existing railcar siding for the proposed Midland Marketing Co-op, Inc. (MMC) project at Toulon, Kansas under the Kansas Department of Transportation (KDOT) Rail Service Improvement Fund (RSIF).

#### Scope of Work

MMC at Toulon, Kansas project to rehabilitate approximately 1,365 feet of existing siding. Provide all necessary labor, equipment, and logistical services to supply all materials called for, to complete all rehabilitation and track construction work, ties, rail, ballast, OTM, etc. The scope of work is further described as follows:

- Provide and install approximately 300 new 7x9x8'.6" G5 (industrial grade) or equivalent cross-ties for existing siding at required AREMA center to center spacing.
- Provide and install approximately 62.5 tons of 136# RE #1 rail and needed OTM – plates, spikes, anchors, bolt/washer/nut assemblies, and 136# bars.
- Provide and install approximately 350 tons of 1½"–2" AREMA No.4 ballast, lifting the siding approximately four inches with tamping and regulating.
  - Ballast shoulders should be dressed at the end of each workday to prevent thermal deviation in track due to disturbed roadbed.
  - From center of loadout spout to west switch should be flat with a 1% down-hill grade.
- Any waste materials, packaging, straps, cross ties, spikes, anchors, bars, and rail must be removed and disposed of according to all local, state, and federal regulations.
- MMC will retain four full length sticks of removed rail.
- Additional details concerning the scope of work will be addressed at a pre-bid meeting.

#### Minimum Requirements

1. The awarded contractor is to adhere to Roadway Worker Safety Protection and clothing.
2. Any subcontracted work will need to be approved by MMC prior to any work starting. If approved, MMC prefers support of local 3rd-party contractors when appropriate.
3. Work interruption of MMC business of receiving and shipping grain during all phases of the project,

should be kept at a minimum to insure the public and worker safety.

4. Standards: All standards referenced by the project plan and specification, as well as all applicable AREMA standards must be upheld during all phases of the project work.
  - a. All rail shall be at standard gauge of 56-1/2" with proper slope and drainage.
  - b. All technical professionals involved in the project are required to meet the applicable licensing and/or certification requirements as stated in K.S.A. 74-7001, *et seq.*
5. Design standards shall conform to state and federal design criteria appropriate for the project to satisfy FRA Track Safety Class I level requirements.
6. Submittals: The following documents shall be submitted by the awarded contractor as part of the project:
  - a. Schedule of Work Plan – Submitted with proposal
  - b. Certificate of Insurance – Submitted prior to construction
  - c. Safety Plan – Submitted prior to construction
  - d. Rail Testing (If AREMA #1 Relay Rail is Used) – Submitted prior to installation
  - e. MMC requires copy of all material Bill of Ladings
7. Other Responsibilities:
  - a. Permits – Contractor is responsible for all state and local permits required for the work.
  - b. Contractor is responsible for any all notifications including FRA requirements for safety to public, railroad workers, including use of UP flagman.
  - c. Utilities – Contractor is responsible to locate and protect site utilities, including buried electrical and fiberoptic.
  - d. Site Clean-up – Contractor is responsible for proper site restoration and proper disposal of materials removed in accordance with all local, state, and federal laws.
8. Insurance: Contractor shall purchase required coverage and submit for verification to MMC that meets state requirements for:
  - a. Commercial General Liability
  - b. Automobile Liability
  - c. Workers Compensation and Employer's Liability
9. Materials: All materials shall meet the requirements found in the project plans and/or specifications as well as applicable AREMA requirements. Material storage is granted on railroad right of way to the contractor. However, no materials shall be stored closer than 15' from the centerline of any active track, at any time. Material and equipment lay-down areas and reclaimed materials stockpiling locations shall be discussed and further clarified at the pre-proposal meeting.

#### Non-Project Areas

All areas (public, private, and railroad right of way) that are used for access to the project, including parts of the railroad right of way which have no proposed work, shall be maintained and/or remediated, and incidentals to the project by the contractor to the satisfaction of the property owner and tenant if any damage to these areas occurs.

(continued)

**Pre-Proposal Meeting**

MMC shall hold a pre-proposal meeting at the project site at 9:00 a.m. (CDT) Tuesday, August 16, 2022. The meeting shall be held at the MMC office in Toulon, Kansas. Contractors are required to be present at this meeting to submit a proposal.

**Project Completion**

All work pertaining to this project shall be completed by February 28, 2023 and signed off after approval of FRA Inspector.

**Submission of a Proposal**

All proposals must be submitted no later than September 9, 2022. All submitted proposals shall be reviewed by MMC. Please ensure your proposal includes all required information. All incomplete or late proposals shall be subject to rejection. The structure of your proposal must be clearly understood.

**Work Reporting**

Weekly Progress reports should include updates to project schedules, any delays to the project, or any changes in the scope of work. Weekly progress reports must be emailed to Steven Fenton at [sfenton@midlandmarketing.org](mailto:sfenton@midlandmarketing.org) or Wesley Martin at [wmartin@midlandmarketing.org](mailto:wmartin@midlandmarketing.org).

For further information or questions regarding the Request for Proposals and submission of a proposal, contact Steven Fenton, Midland Project Manager at [sfenton@midlandmarketing.org](mailto:sfenton@midlandmarketing.org), phone 620-200-1982; or Kevin Royer, Midland Chief Executive Officer at [kroyer@midlandmarketing.org](mailto:kroyer@midlandmarketing.org), phone 785-628-3221.

Doc. No. 050304

(Published in the Kansas Register July 14, 2022.)

**City of Topeka, Kansas**

**Summary Notice of Bond Sale  
\$16,995,000\*  
General Obligation Bonds  
Series 2022-B**

**(General Obligation Bonds Payable  
from Unlimited Ad Valorem Taxes)**

**Bids**

Subject to the Notice of Bond Sale dated July 7, 2022, (the "Notice"), facsimile and electronic bids will be received on behalf of the Director of Administrative and Financial Services of the City of Topeka, Kansas (the "Issuer") in the case of facsimile bids, at the fax number set forth below, and in the case of electronic bids, via [www.columbiacapitalauction.com](http://www.columbiacapitalauction.com) (the "Columbia Capital Auction"), until 10:00 a.m. (CDT) for the General Obligation Bonds, Series 2022-B, (the "Bonds"), on August 2, 2022, for the purchase of the Bonds. No bid of less than 99.0% of the principal amount of the Bonds and accrued interest thereon to the date of delivery will be considered.

**Bond Details**

The Bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof.

The Bonds will be dated August 30, 2022. The Bonds will become due August 15 in the years as follows:

Year	Principal Amount*	Year	Principal Amount*
2023	\$975,000	2031	\$1,290,000
2024	990,000	2032	1,330,000
2025	1,030,000	2033	1,040,000
2026	1,070,000	2034	1,075,000
2027	1,115,000	2035	1,115,000
2028	1,155,000	2036	1,155,000
2029	1,205,000	2037	1,200,000
2030	1,250,000		

The Bonds will bear interest from the date thereof at rates to be determined when the Bonds are sold as hereinafter provided, which interest will be payable semiannually on February 15 and August 15 in each year, beginning on February 15, 2023.

**\*Adjustment of Issue Size**

The Issuer reserves the right to increase or decrease the total principal amount of the Bonds or the schedule of principal payments described above, depending on the purchase price and interest rates bid and the offering prices specified by the Successful Bidder and the amount, if any, of prepaid special assessments. The Successful Bidder may not withdraw its bid or change the interest rates bid as a result of any changes made to the principal amount of the Bonds or the schedule of principal payments as described herein. If there is an increase or decrease in the final aggregate principal amount of the Bonds or the schedule of principal payments as described above, the Issuer will notify the Successful Bidder by means of telephone or facsimile transmission, subsequently confirmed in writing, no later than 2:00 p.m. applicable Central Time, on the Sale Date. The actual purchase price for the Bonds shall be calculated by applying the percentage of par value bid by the Successful Bidder against the final aggregate principal amount of the Bonds, as adjusted, plus accrued interest from the Dated Date to the Closing Date (as hereinafter defined).

If the principal amounts are modified, the Issuer will seek to modify the maturity schedule, or make other mutually agreeable changes, in a way that will neither increase nor reduce the Successful Bidder's spread as a percentage of the principal amount of the Bonds issued, after taking into account such adjustments.

**Book-Entry-Only System**

The Bonds shall be registered under a book-entry-only system administered through DTC.

**Paying Agent and Bond Registrar**

Treasurer of the State of Kansas, Topeka, Kansas.

**Good Faith Deposit**

Each bid shall be accompanied by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States of America or a wire transfer in Federal Reserve funds immediately available for use by the Issuer in the amount of \$339,900.

**Delivery**

The Issuer will pay for preparation of the Bonds and will deliver the same properly prepared, executed, and registered without cost to the successful bidder on or about August 30, 2022, to DTC for the account of the successful bidder.

**Assessed Valuation and Indebtedness**

The total assessed valuation of the taxable tangible property within the Issuer as of December 31, 2021 is \$1,354,782,081. The total general obligation indebtedness of the Issuer as of the Dated Date, including the Bonds being sold, but excluding temporary notes to be retired with a portion of the proceeds of the Bonds and including temporary notes being sold on the Sale Date, is \$155,895,098.

**Approval of Bonds**

The Bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., Wichita, Kansas, Bond Counsel to the Issuer, whose approving legal opinion as to the validity of the Bonds will be furnished and paid for by the Issuer, printed on the Bonds, and delivered to the successful bidder as and when the Bonds are delivered.

**Additional Information**

Additional information regarding the Bonds may be obtained from the undersigned, or from the Financial Advisor at the addresses set forth below:

\* Denotes lots or buildings that will be used for purposes other than a dwelling unit.

in the City of Salina, Kansas, to be collectively known as Salina RAD Homes (the “Project”), the principal user of which will be Salina RAD Homes, LP, a Kansas limited partnership (the “Borrower”).

The Bonds will be limited obligations of the Authority, payable solely from revenues pledged by the Borrower, and will not constitute a general obligation or indebtedness of the State of Kansas or any political subdivision thereof, nor will the Bonds constitute an indebtedness for which the faith and credit and taxing powers of the State of Kansas are pledged, but the Bonds will be payable solely and only from revenues pledged by the Borrower in amounts sufficient to pay the principal of, interest and redemption premium, if any, on the Bonds.

Interested individuals may participate in the public hearing in person or via conference call. Please call toll free 844-621-3956 and use access code 145 880 8929 followed by # to join the conference.

(continued)

At the time and place fixed for the hearing, all individuals who appear will be given an opportunity to express their views for or against the proposal to issue the Bonds, and all written comments previously filed with the Authority at its above referenced offices will be considered. Additional information regarding the project may be obtained by contacting the Authority at the address of its offices shown above.

Rebecca E. Floyd  
President

Doc. No. 050324

## State of Kansas

### Kansas Commission on Peace Officers' Standards and Training

#### Permanent Administrative Regulations

#### Article 1.—PEACE OFFICERS' STANDARDS AND TRAINING

**106-1-9. Continuing education or training.** The annual continuing education or training required by K.S.A. 74-5607a(b), and amendments thereto, shall be obtained during the period from July 1 of the year in which the requirement arises through June 30 of the following year. (Authorized by K.S.A. 74-5607; implementing K.S.A. 74-5607a; effective, T-106-5-26-22, June 1, 2022; effective July 29, 2022.)

#### Article 2.—DEFINITIONS

**106-2-1. General definitions.** Each of the following terms, as used in the commission's regulations and the Kansas law enforcement training act, shall have the meaning specified in this regulation:

(a) "Applicant" means a person seeking certification as an officer.

(b) "Appointing authority" means a person or group of persons empowered by a statute, local ordinance, or other lawful authority to make human resource decisions that affect the employment of officers. A sheriff shall be deemed to be that individual's own appointing authority.

(c) "Basic training course" means a curriculum of instruction that meets the training requirements for certification as an officer.

(d) "Criminal history record information" has the meaning specified for that term in K.S.A. 22-4701, and amendments thereto.

(e) "Legitimate law enforcement purpose" means a goal within the lawful authority of an officer that is to be achieved through methods or conduct condoned by the officer's appointing authority.

(f) "Officer" means a "police officer" or "law enforcement officer," as defined in K.S.A. 74-5602 and amendments thereto, who has been granted any certification by the commission.

(g) "Official document or official communication" means information created or transferred, in any medium, in the course of performing the duties of an officer required by law or by policies or procedures of an appointing authority or in response to an internal or crimi-

nal investigation conducted by a law enforcement agency or training school.

(h) "Other training authority" means an organization or individual with a curriculum of instruction and assessments in firearms or emergency vehicle operation that the director of police training has determined may provide training equivalent to instructor courses offered at the training center.

(i) "Public safety concern" means reason to believe that the health, safety, or welfare of the public at large would be adversely affected as a result of the reduced availability of law enforcement officers.

(j) "Trainee" means a person who is enrolled in a basic training course at a training school.

(k) "Training school" means a training organization operated by a law enforcement agency to provide basic training courses. This term shall include the training center. (Authorized by K.S.A. 74-5603 and K.S.A. 74-5607; implementing K.S.A. 74-5603, K.S.A. 74-5604a, K.S.A. 74-5607, and K.S.A. 74-5616; effective, T-106-6-28-12, July 1, 2012; effective Oct. 12, 2012; amended July 29, 2022.)

**106-2-2b. Reporting criminal offenses.** Each individual who holds a certification from the commission shall report to the commission if the individual is arrested, cited, or charged with a criminal offense that would be grounds for discipline pursuant to K.S.A. 74-5616(b)(5), and amendments thereto. The individual shall report the event to the commission, on a form provided by the director, within 10 days after arrest or discovery of the filing of the criminal proceeding. (Authorized by K.S.A. 74-5607; implementing K.S.A. 74-5616; effective July 29, 2022.)

**106-2-3. Unprofessional conduct.** "Unprofessional conduct," pursuant to K.S.A. 74-5616 and amendments thereto, shall mean any of the following:

(a) Willfully or repeatedly violating one or more regulations promulgated by the commission;

(b) having had a license, certification, or other credential to act as an officer denied, revoked, conditioned, or suspended; having been publicly or privately reprimanded or censured by the licensing authority of another state, agency of the United States government, territory of the United States, or country; or having had other disciplinary action taken against the applicant or licensee by a licensing authority of another state, agency of the United States government, territory of the United States, or country. A certified copy of the record or order of public or private reprimand or censure, denial, suspension, condition, revocation, or other disciplinary action of the licensing authority of another state, agency of the United States government, territory of the United States, or country shall constitute prima facie evidence of such a fact for purposes of this subsection;

(c) willfully failing to report to the appointing authority or its designee knowledge gained through observation that another officer engaged in conduct that would be grounds for discipline by the commission;

(d) willfully disclosing criminal history record information or other information designated as confidential by statute or regulation, except for a legitimate law enforcement purpose or when required by order of a court or agency of competent jurisdiction;

(e) taking, threatening to take, or failing to take action as an officer if the action is or reasonably would appear to be motivated by a familial, financial, social, sexual, romantic, physical, intimate, or emotional relationship;

(f) using excessive physical force in carrying out a law enforcement objective. As used in this subsection, physical force shall be deemed excessive if it is greater than what a reasonable and prudent officer would use under the circumstances;

(g) exploiting or misusing the position as an officer to obtain an opportunity or benefit that would not be available but for that position;

(h) exploiting or misusing the position as an officer to establish or attempt to establish a financial, social, sexual, romantic, physical, intimate, or emotional relationship;

(i) failing to report, in the manner required by the revised Kansas code for care of children, reasonable suspicion that a child has been harmed as a result of physical, mental, or emotional abuse or neglect;

(j) engaging in any of the following conduct, except for a legitimate law enforcement purpose:

(1) Intentionally using a false or deceptive statement in any official document or official communication;

(2) committing conduct likely to endanger the public;

(3) performing duties as an officer while using or under the influence of alcohol;

(4) using any prescription-only drug, as defined by K.S.A. 65-1626 and amendments thereto, that impairs the officer's skill or judgment in performance of duties as an officer; or

(5) using any controlled substance that is unlawful to possess, as defined by K.S.A. 2021 Supp. 21-5706 and amendments thereto;

(k) intentionally using a false or deceptive statement to gain employment or certification as a law enforcement official; or

(l) engaging in academic misconduct while attending a basic training course or any other course conducted at a training school. Academic misconduct shall include cheating on examinations, engaging in plagiarism, and providing or receiving unauthorized assistance on individual assignments and exercises. (Authorized by and implementing K.S.A. 74-5616; effective, T-106-6-28-12, July 1, 2012; effective Oct. 12, 2012; amended July 29, 2022.)

## State of Kansas

### Department of Wildlife and Parks

#### Permanent Administrative Regulation

#### Article 4.—BIG GAME

**115-4-6. Deer; management units.** Each of the following subsections shall designate a deer management unit:

(a) High Plains; unit 1: that part of Kansas bounded by a line from the Nebraska-Kansas state line south on federal highway US-283 to its junction with interstate highway I-70, then west on interstate highway I-70 to the Colorado-

Kansas state line, then north along the Colorado-Kansas state line to its junction with the Nebraska-Kansas state line, then east along the Nebraska-Kansas state line to its junction with federal highway US-283, except federal and state sanctuaries.

(b) Smoky Hill; unit 2: that part of Kansas bounded by a line from the Colorado-Kansas state line east on interstate highway I-70 to its junction with state highway K-147, then south on state highway K-147 to its junction with state highway K-4, then west on state highway K-4 to its junction with federal highway US-83, then south on federal highway US-83 to its junction with state highway K-96, then west on state highway K-96 to its junction with the Colorado-Kansas state line, then north along the Colorado-Kansas state line to its junction with interstate highway I-70, except federal and state sanctuaries.

(c) Kirwin-Webster; unit 3: that part of Kansas bounded by a line from the Nebraska-Kansas state line south on state highway K-8 to its junction with federal highway US-36, then east on federal highway US-36 to its junction with federal highway US-281, then south on federal highway US-281 to its junction with interstate highway I-70, then west on interstate highway I-70 to its junction with federal highway US-283, then north on federal highway US-283 to its junction with the Nebraska-Kansas state line, then east along the Nebraska-Kansas state line to its junction with state highway K-8, except federal and state sanctuaries.

(d) Kanopolis; unit 4: that part of Kansas bounded by a line from the interstate highway I-70 and state highway K-147 junction, then east on interstate highway I-70 to its junction with federal highway US-81, then south on federal highway US-81 to its junction with state highway K-4, then west on state highway K-4 to its junction with state highway K-147, then north on state highway K-147 to its junction with interstate highway I-70, except federal and state sanctuaries.

Smoky Hill Air National Guard Range; subunit 4a. The following described area shall be designated a subunit of unit 4, and, with approval of air national guard command, the area shall be open for the taking of deer during the firearm season: United States government land lying entirely within the boundaries of the Smoky Hill Air National Guard Range. Each person hunting in this subunit during the firearm deer season shall be in possession of any permits and licenses required by the air national guard.

(e) Pawnee; unit 5: that part of Kansas bounded by a line from the state highway K-4 and state highway K-14 junction, then south on state highway K-14 to its junction with Sego Road, then south on Sego Road to its junction with federal highway US-50, then west on federal highway US-50 to its junction with federal highway US-183, then northeast and north on federal highway US-183 to its junction with state highway K-156, then west on state highway K-156 to its junction with federal highway US-283, then north on federal highway US-283 to its junction with state highway K-4, then east on state highway K-4 to its junction with state highway K-14, except federal and state sanctuaries.

(f) Middle Arkansas; unit 6: that part of Kansas bounded by a line from the state highway K-4 and federal high-

(continued)

way US-77 junction, then south on federal highway US-77 to its junction with federal highway US-50, then west on federal highway US-50 to its junction with Segoe Road, then north on Segoe Road to its junction with state highway K-14, then north on state highway K-14 to its junction with state highway K-4, then east on state highway K-4 to its junction with federal highway US-77, except federal and state sanctuaries.

(g) Solomon; unit 7: that part of Kansas bounded by a line from the Nebraska-Kansas state line south on federal highway US-81 to its junction with interstate highway I-70, then west on interstate highway I-70 to its junction with federal highway US-281, then north on federal highway US-281 to its junction with federal highway US-36, then west on federal highway US-36 to its junction with state highway K-8, then north on state highway K-8 to its junction with the Nebraska-Kansas state line, then east along the Nebraska-Kansas state line to its junction with federal highway US-81, except federal and state sanctuaries.

(h) Republican; unit 8: that part of Kansas bounded by a line from the Nebraska-Kansas state line south on federal highway US-77 to its junction with federal highway US-24, then south on federal highway US-24 to its junction with state highway K-177, then south on state highway K-177 to its junction with interstate highway I-70, then west on interstate highway I-70 to its junction with federal highway US-77, then south on federal highway US-77 to its junction with state highway K-4, then west on state highway K-4 to its junction with federal highway US-81, then north on federal highway US-81 to its junction with the Nebraska-Kansas state line, then east along the Nebraska-Kansas state line to its junction with federal highway US-77, except federal and state sanctuaries.

Fort Riley; subunit 8a. The following described area shall be designated a subunit of unit 8, and, with approval of Fort Riley command, the area shall be open for the taking of deer during the firearm deer season: United States government land lying entirely within the boundaries of the Fort Riley military reservation. Each person hunting in this subunit during the firearm deer season shall be in possession of any permits and licenses required by Fort Riley.

(i) Tuttle Creek; unit 9: that part of Kansas bounded by a line from the Nebraska-Kansas state line, south on federal highway US-75 to its junction with interstate highway I-70, then west on interstate highway I-70 to its junction with state highway K-177, then north on state highway K-177 to its junction with federal highway US-24, then north on federal highway US-24 to its junction with federal highway US-77, then north on federal highway US-77 to its junction with the Nebraska-Kansas state line, then east along the Nebraska-Kansas state line to its junction with federal highway US-75, except federal and state sanctuaries.

(j) Kaw; unit 10: that part of Kansas bounded by a line from the Nebraska-Kansas state line south on federal highway US-75 to its junction with interstate highway I-35, then northeast on interstate highway I-35 to its junction with Johnson County 135 Street, then east on Johnson County 135 Street to the Missouri-Kansas state line, then north along the Missouri-Kansas state line to its junction

with the Nebraska-Kansas state line, then west along the Nebraska-Kansas state line to its junction with federal highway US-75, except federal and state sanctuaries.

Fort Leavenworth urban; subunit 10a. The following described area shall be designated a subunit of unit 10, and, with approval of Fort Leavenworth command, the area shall be open for the taking of deer during the firearm deer season: United States government land lying entirely within the boundaries of the Fort Leavenworth military reservation. Each person hunting in this subunit during the firearm deer season shall be in possession of any permits and licenses required by Fort Leavenworth.

(k) Osage Prairie; unit 11: that part of Kansas bounded by a line from the Oklahoma-Kansas state line north on federal highway US-169 to its junction with state highway K-47, then west on state highway K-47 to its junction with federal highway US-75, then north on federal highway US-75 to its junction with interstate highway I-35, then northeast on interstate highway I-35 to its junction with Johnson County 135 Street, then east on Johnson County 135 Street to its junction with the Missouri-Kansas state line, then south along the Missouri-Kansas state line to its junction with the Oklahoma-Kansas state line, then west along the Oklahoma-Kansas state line to its junction with federal highway US-169, except federal and state sanctuaries.

(l) Chautauqua Hills; unit 12: that part of Kansas bounded by a line from the Oklahoma-Kansas state line north on federal highway US-169 to its junction with state highway K-47, then west on state highway K-47 to its junction with federal highway US-75, then north on federal highway US-75 to its junction with federal highway US-54, then west on federal highway US-54 to its junction with state highway K-99, then south on state highway K-99 to its junction with federal highway US-160, then west on federal highway US-160 to its junction with state highway K-15, then east and south on state highway K-15 to its junction with the Oklahoma-Kansas state line, then east along the Oklahoma-Kansas state line to its junction with federal highway US-169, except federal and state sanctuaries.

(m) Lower Arkansas; unit 13: that part of Kansas bounded by a line from the Oklahoma-Kansas state line north on federal highway US-81 to its junction with state highway K-53, then east on state highway K-53 to its junction with state highway K-15, then southeasterly on state highway K-15 to its junction with the Oklahoma-Kansas state line, then west along the Oklahoma-Kansas state line to its junction with federal highway US-81, except federal and state sanctuaries.

(n) Flint Hills; unit 14: that part of Kansas bounded by a line from the junction of interstate highway I-70 and federal highway US-75, then south on federal highway US-75 to its junction with federal highway US-54, then west on federal highway US-54 to its junction with state highway K-99, then south on state highway K-99 to its junction with federal highway US-160, then west on federal highway US-160 to its junction with federal highway US-77, then north on federal highway US-77 to its junction with interstate highway I-70, then east on interstate highway I-70 to its junction with federal highway US-75, except federal and state sanctuaries.

(o) Ninnescah; unit 15: that part of Kansas bounded by a line from the Oklahoma-Kansas state line north on state highway K-179 to its junction with state highway K-14, then continuing north on state highway K-14 to its junction with state highway K-42, then west on state highway K-42 to its junction with federal highway US-281, then north on federal highway US-281 to its junction with federal highway US-50, then east on federal highway US-50 to its junction with federal highway US-77, then south on federal highway US-77 to its junction with state highway K-15, then west and northwest on state highway K-15 to its junction with state highway K-53, then west on state highway K-53 to its junction with federal highway US-81, then south on federal highway US-81 to the Oklahoma-Kansas state line, then west along the Oklahoma-Kansas state line to its junction with state highway K-179, except federal and state sanctuaries.

(p) Red Hills; unit 16: that part of Kansas bounded by a line from the Oklahoma-Kansas state line north on federal highway US-283 to its junction with federal highway US-54, then east on federal highway US-54 to its junction with federal highway US-183, then north on federal highway US-183 to its junction with federal highway US-50, then east on federal highway US-50 to its junction with federal highway US-281, then south on federal highway US-281 to its junction with state highway K-42, then east on state highway K-42 to its junction with state highway K-14, then south on state highway K-14 to its junction with state highway K-179, then south on state highway K-179 to the Oklahoma-Kansas state line, then west along the Oklahoma-Kansas state line to its junction with federal highway US-283, except federal and state sanctuaries.

(q) West Arkansas; unit 17: that part of Kansas bounded by a line from the Colorado-Kansas state line east on state highway K-96 to its junction with federal highway US-83, then north on federal highway US-83 to its junction with state highway K-4, then east on state highway K-4 to its junction with federal highway US-283, then south on federal highway US-283 to its junction with state highway K-156, then east on state highway K-156 to its junction with federal highway US-183, then south on federal highway US-183 to its junction with federal highway US-54, then southwest on federal highway US-54 to its junction with federal highway US-283, then north on federal highway US-283 to its junction with federal highway US-56, then southwest on federal highway US-56 to its junction with state highway K-144, then west on state highway K-144 to its junction with federal highway US-160, then continuing west on federal highway US-160 to the Colorado-Kansas state line, then north along the Colorado-Kansas state line to its junction with state highway K-96, except federal and state sanctuaries.

(r) Cimarron; unit 18: that part of Kansas bounded by a line from the Colorado-Kansas state line east on federal highway US-160 to its junction with state highway K-144,

then east on state highway K-144 to its junction with federal highway US-56, then east on federal highway US-56 to its junction with federal highway US-283, then south on federal highway US-283 to its junction with the Oklahoma-Kansas state line, then west along the Oklahoma-Kansas state line to its junction with the Colorado-Kansas state line, then north along the Colorado-Kansas state line to its junction with federal highway US-160, except federal and state sanctuaries.

(s) Kansas City urban; unit 19: that part of Kansas bounded by a line from the Missouri-Kansas state line west on Johnson County 199 Street to its junction with interstate highway I-35, then southwest on interstate highway I-35 to its junction with federal highway US-75, then north on federal highway US-75 to its junction with South Topeka Avenue, then north on South Topeka Avenue to its junction with Shawnee County SW 93 Street, then west on Shawnee County SW 93 Street to its junction with Shawnee County SW Auburn Road, then north on Shawnee County SW Auburn Road to its junction with interstate highway I-70, then west on interstate highway I-70 to its junction with NW Carlson-Rossville Road, then north on NW Carlson-Rossville Road to its junction with Shawnee County NW 62 Street, then east on Shawnee County NW 62 Street to its junction with Shawnee County NW Hoch Road, then north on Shawnee County NW Hoch Road to its junction with Shawnee County NW 66 Street, then east on Shawnee County NW 66 Street to its junction with Shawnee County NW Humphrey Road, then south on Shawnee County NW Humphrey Road to its junction with Shawnee County NW 62 Street, then east on Shawnee County NW 62 Street to its junction with state highway K-4, then north on state highway K-4 to its junction with state highway K-92, then east on state highway K-92 to its junction with Leavenworth County 207 Street, then north on Leavenworth County 207 Street to its junction with state highway K-192, then northeast on state highway K-192 to its junction with federal highway US-73, then east on federal highway US-73 to its junction with state highway K-92, then east on state highway K-92 to its junction with the Missouri-Kansas state line, and then south on the Missouri-Kansas state line to Johnson County 199 Street, except federal and state sanctuaries and department-owned or -managed properties. (Authorized by K.S.A. 32-807; implementing K.S.A. 32-807 and K.S.A. 32-937; effective April 30, 1990; amended June 8, 1992; amended June 1, 1993; amended June 13, 1994; amended May 30, 1995; amended June 6, 1997; amended July 21, 2000; amended April 18, 2003; amended July 25, 2003; amended Feb. 18, 2005; amended April 14, 2006; amended Feb. 8, 2008; amended April 16, 2010; amended May 22, 2020; amended April 23, 2021; amended July 29, 2022.)

Brad Loveless  
Secretary

Doc. No. 050334

**INDEX TO ADMINISTRATIVE REGULATIONS**

This index lists in numerical order the new, amended, and revoked administrative regulations and the volume and page number of the *Kansas Register* issue in which more information can be found. Temporary regulations are designated with a (T) in the Action column. This cumulative index supplements the 2009 Volumes of the *Kansas Administrative Regulations* and the 2021 Supplement of the *Kansas Administrative Regulations*. Regulations can also be found at [http://www.sos.ks.gov/pubs/pubs\\_kar.aspx](http://www.sos.ks.gov/pubs/pubs_kar.aspx).

**AGENCY 1: DEPARTMENT OF ADMINISTRATION**

Reg. No.	Action	Register
1-18-1a	Amended	V. 40, p. 1490
1-18-2	Revoked	V. 40, p. 1490

**AGENCY 4: DEPARTMENT OF AGRICULTURE**
