Doc. No. 051319

State of Kansas**Kansas Governor's Grants Program****Notice of Available Grant Funding**

Grant funds are available from the Federal Victim Assistance of Crime Act (VOCA) Victim Assistance grant program for the funding period of October 1, 2023, through September 30, 2024, to eligible applicants. The purpose of this grant program is to fund public agencies, American Indian tribe/organizations, nonprofit, community, and faith-based organizations, including underserved and culturally specific populations providing direct assistance to crime victims. For the purpose of these grant program guidelines, direct services are defined as those efforts that (1) respond to the emotional and physical needs of crime victims; (2) assist primary and secondary victims of crime to stabilize their lives after a victimization; (3) assist victims to understand and participate in the criminal justice system; and (4) provide victims of crime with a measure of safety such as boarding up broken windows and replacing or repairing locks. A crime victim is a person who has suffered physical, sexual, financial, or emotional harm as a result of the commission of a crime.

All grant applications must be submitted via the Kansas Governor's Grant Portal by 11:59 p.m., August 22, 2023.

To quickly locate the solicitation in the Grant Portal, use "CRIMEVICTIM" for the keywords in your search or access the 2024 VOCA Solicitation at https://grants.ks.gov/docs/librariesprovider22/voca/2024-voca-new-solicitation.pdf?sfvrsn=1432bb15_3. For more information, contact the Kansas Governor's Grants Program at 785-291-3205 or kggp@ks.gov.

Doc. No. 051339

State of Kansas**Department of Administration
Office of Facilities and Property Management****Notice of Requested Architectural
and Engineering Services**

Notice is hereby given of the commencement of the selection process for architectural and engineering services for the Wichita State University McKnight Art Center Printmaking Ventilation Project.

This project scope will improve the ventilation in the printmaking classrooms in the McKnight Art Center building. The project is needed to improve health and safety for students and faculty in the classrooms and to meet the accreditation requirements for the printmaking program. The existing layout of the second-floor printmaking classrooms is not conducive to an efficient exhaust and ventilation system configuration. The classrooms will be reconfigured with new walls to provide a more efficient layout for equipment and printmaking processes. New ventilation (DOAS units and associated exhaust) will be provided to remove the contaminants in the space associated with the printmaking processes. The existing HVAC system serving the second floor is at the end of the equipment service life. The system will be updated on the second floor to accommodate the remodeled configuration as well as addressing a deferred maintenance item for the building. The project construction budget is \$1,600,000.

An architectural/engineering program is available at <http://admin.ks.gov/offices/ofpm/dcc/arch-eng-programs>. For more information contact Emily Patterson at emily.patterson@wichita.edu or 316-978-5829.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <https://admin.ks.gov/offices/facilities-property-management/design-construction-compliance/forms-and-documents>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation, and an abbreviated project name in the title of the PDF document. Proposals should be less than 5 Mb and follow the current State Building Advisory Commission guidelines which can be found in Part B – Chapter 2 of the Building Design and Construction Manual at <https://admin.ks.gov/offices/facilities-property-management/design-construction-compliance/build->

ing-design-and-construction-manual-bdcm. Paper copies and flash drives containing copies of the proposals are not required.

Proposals should be sent to professional.qualifications@ks.gov. Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions, call 785-296-0749. The PDF proposal submissions shall be delivered to the attention of the State Building Advisory Commission by 2:00 p.m. on or before August 4, 2023.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. If prospective bidders/vendors/contractors have any policies or participate in any initiatives that discourage human trafficking, then the prospective bidder/vendor/contractor is encouraged to submit same as part of their bid response.

**Notice of Requested On-Call Civil-
Structural Engineering Services**

Notice is hereby given of the commencement of the selection process for on-call civil-structural engineering services for the University of Kansas. Services are required for restricted (small) projects with a project budget of \$1,500,000 or less. Multiple firms will be selected. The contracts will be for three years with two one-year renewal options.

For more information, contact Mark Reiske at dcmmlr@ku.edu or 785-864-3431. Firms interested in providing these services should be familiar with the requirements which can be found in Part B-Chapter 4 of the Building Design and Construction Manual at the website below.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/forms-and-documents>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Doc. No. 051331

(Published in the Kansas Register July 20, 2023.)

City of Overland Park, Kansas

Notice to Bidders

Bids for electric vehicle charging stations – Scheels Overland Park Soccer Complex and Deanna Rose Children’s Farmstead (Overland Park Project no. ST-2543, KDOT Project No. 46 N-0736-01) will be received by the City of Overland Park, Kansas, online through QuestCDN until 2:00 p.m. (Central Time) August 22, 2023. At that time all bids will be publicly opened and read aloud in the City Council Chamber, City Hall. Any bid received after the designated closing time will not be accepted.

In order to be considered a qualified bidder, the online bid must be completed and submitted, all addenda acknowledged, all KDOT certifications uploaded to the site, and a copy of the bid bond or Surety2000 authorization code uploaded to the site.

The prime contractor selected to perform the work, shall be on KDOT’s latest qualification list for class of work. Contractors desiring the contract documents for use in preparing bids may obtain a set of such documents from QuestCDN. Bid documents can be downloaded electronically for a non-refundable fee of \$20 by providing QuestCDN Project Number 8590605 on the Project Search Page on the QuestCDN website at <http://www.questcdn.com>. You can contact QuestCDN at 1-952-233-1632 or info@questcdn.com for assistance with membership registration, downloading, electronic bidding, and working with digital documents. For questions regarding the bid documents or for project information, please call Brian Geiger at 913-895-6020.

No oral, facsimile, or telephonic bids or alterations will be considered.

The following required KDOT certifications must be signed and submitted through QuestCDN at the time bids are submitted. The City of Overland Park will reject bids that fail to contain these certifications:

- Certification for e-Bid

(continued)

- Certification – Noncollusion and History of Debarment
- Declaration – Limitations on Use of Federal Funds for Lobbying
- Required Contract Provision – DBE Contract Goal
- Certification–Contractual Services with a Current Legislator or a Current Legislator’s Firm
- Tax Clearance Certificate

Each bidder shall submit with its bid a PDF copy of the original bid bond in an amount of not less than five percent (5%) of the total bid, or the bidder may choose to provide a bid bond authorization code provided to them by Surety2000, which the bidder shall keep in effect until the city gives written notice that it may be released. If the bidder provides a PDF copy of a bid bond, the original must be provided to the city after the bid opening and by the end of business of the second business day after the bid opening. The bid security shall be retained by the City of Overland Park until a contract for the project has been executed. Bid bonds will be returned or written notice of release will be given to the unsuccessful bidders, with the exception of the second qualifying bidder, at such time as their bids are rejected. In the event the successful bidder is unable to execute the contract, for whatever reason, the city may exercise its legal prerogatives, including, but not limited to, enforcement of its rights as to the bid security.

The city reserves the right to accept or reject any and all bids and to waive any technicalities or irregularities therein. Bids may be modified or withdrawn through the QuestCDN site, prior to the time and date for bid opening; provided, however, that no bidder may withdraw its bid for a period of thirty (30) days from the date set for the opening thereof. All bidders agree that rejection shall create no liability on the part of the city because of such rejection. It is understood by all bidders that an unsuccessful bidder has no cause of action against the city for bid preparation costs. The filing of any bid in response to this invitation shall constitute an agreement of the bidder to these conditions.

A pre-bid conference will be held in-person at 2:00 p.m. Thursday, August 3, 2023, at the City of Overland Park Myron E. Scafe Building, Multi-Purpose Room, 8500 Antioch Rd., Overland Park, KS 66202, and virtually via Google Meet at <http://meet.google.com/unf-ynsj-twv> and/or by phone at 1-803-567-3318; meeting pin: 627072370#.

Doc. No. 051324

State of Kansas**Wichita State University****Notice of Intent to Lease Real Property**

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to 1.22 acres of real property located on the northwest corner of the intersection of Fountain Avenue and 21st Street North, directly adjacent to the Wichita State University campus. This location would be designated for private development committed to supporting broadband infrastructure and internet exchanges. The university is interested in leasing such ground to any individual, organization, or entity whose presence would advance WSU's vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. WSU intends to lease such space for a mutually agreeable period of time, but extended terms and re-

newal options would be considered. Interested tenants must be willing to be a good fit with WSU's educational mission and identify anticipated benefits to the university, its students, and the surrounding community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, community benefit commitments, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU and the surrounding community, design concepts, financial stability, and proposed use. Interested tenants will be responsible for all costs associated with the development and ongoing maintenance costs of any improvements. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of the improvement, and benefit to WSU. WSU will consider serious offers and inquiries from any financially qualified individual, group, organization. If interested, please contact Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Doc. No. 051201

State of Kansas**Wichita State University****Notice of Intent to Lease Real Property**

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to four acres of real property located on the Wichita State University's campus designated as the "Innovation Campus," for the private development and operation of a partnership building or buildings. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. The university intends to lease such space for a mutually agreeable period of time up to sixty years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Interested tenants will be required to construct adjacent and adequate surface parking that will not be included in the leased ground. Rental rate shall

be based on fair market value and negotiable based on term of lease, purpose/use of building improvement, and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization. If interested, please contact Senior Vice President for Industry and Defense Programs, Dr. John Tomblin at john.tomblin@wichita.edu or Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Doc. No. 051304

State of Kansas

Department of Health and Environment

Notice Concerning Proposed Kansas Air Quality Construction Permit

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality construction permit. Eagle Railcar Services has applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300. Emissions of volatile organic compounds (VOCs), particular matter (PM), particulate matter less than or equal to 10 microns in aerodynamic diameter (PM₁₀), particular matter less than or equal to 2.5 microns in aerodynamic diameter (PM_{2.5}), carbon monoxide (CO), oxides of nitrogen (NO_x), oxides of sulfur (SO_x), and hazardous air pollutants were evaluated during the permit review process.

Eagle Railcar Services, 9701 E. I-20, Eastland, TX 76448, owns and operates a railcar washing and refurbishing facility located at 1206 Hoover Rd., Junction City, Geary County, KS 66441, at which a new elevated flare is to be installed and new facility-wide VOC/HAP emission limits are to be established.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review from the date of publication during normal business hours at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the North Central District Office, 3040 Enterprise Dr., Salina, KS 67401. To obtain or review the proposed permit and supporting documentation, contact Matthew Reynolds, 785-296-1719, at the central office of the KDHE or Jessica Fair, 785-827-9639, at the North Central District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Matthew Reynolds, KDHE, BOA,

1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, August 21, 2023.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Matthew Reynolds, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, August 21, 2023, in order for the Secretary of Health and Environment to consider the request.

Notice Concerning Amendment to Kansas Air Quality Construction Permit

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding the amendment of a previously issued air quality construction permit. Coffeyville Resources Refining & Marketing, LLC, 400 N. Linden St., Coffeyville, KS 67337, owns and operates the stationary source located at 400 N. Linden St., Coffeyville, Montgomery County, KS 67337. Certain requirements were found to no longer be appropriate in the construction permit dated October 14, 2022. These requirements are being modified.

A copy of the modification is available for public inspection, from the date of publication, during normal business hours, at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, and at the Southeast District Office, 308 W. 14th St., Chanute, KS 66720. To obtain or review the modification, contact Stephen Bartels, 785-296-6421, at the central office of the KDHE, and to review the proposed permit only, contact Ryan Jack, 620-860-7235, at the Southeast District Office. The standard departmental cost will be assessed for any copies requested.

Please direct written comments or questions regarding the proposed modification to Stephen Bartels, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than the 12:00 p.m. Monday, August 21, 2023.

A person may request a public hearing be held on the proposed modification. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Stephen Bartels, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, August 21, 2023, in order for the Secretary of Health and Environment to consider the request.

Department of Health and Environment

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Public Notice No. KS-AG-23-212/222

Pending Permits for Confined Feeding Facilities

Name and Address of Applicant	Legal Description	Receiving Water
J-Six Enterprises, LLC - EB South Finish 2445 280th St. Robinson, KS 66532	NW/4 of Section 01 T02S, R18E Brown County	Missouri River Basin

Kansas Permit No. A-MOBR-H004
Federal Permit No. KS0101435

The proposed action is to modify and reissue an existing State/NPDES permit for a facility for 9,000 head (3,600 animal units) of swine weighing more than 55 pounds. This permit is being modified to include run-off from constructed feed aprons and feed hoppers in the operation of the retention control structure and the addition of one mortality storage bin. There is no change in the permitted number of animal units from the previous permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Mike Ellis 801 Cedar Dr. Scott City, KS 67871	NE/4 & SE/4 of Section 12 T17S, R33W Scott County	Smoky Hill River Basin

Kansas Permit No. A-SHSC-W001

The proposed action is to issue a new state permit for a facility with an earthen livestock waste storage lagoon only, no livestock. The facility will consist only of a single earthen waste storage lagoon with imported wastewater from a nearby dairy. This facility has an approved Waste Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Gardiner Angus Ranch, Inc. 1182 CR Y Ashland, KS 67831	NE/4 of Section 10 & All of Section 11 T34S, R24W Clark County	Cimarron River Basin

Kansas Permit No. A-CICA-C005
Federal Permit No. KS0100773

The proposed action is to modify and reissue the existing NPDES permit for a facility for a proposed maximum capacity of 9,000 head (9,000 animal units) of cattle weighing greater than 700 pounds. This represents an increase in the permitted animal units from the previous permit. This permit is also being modified to include the construction of approximately 17.5 acres of new cattle pens and related structures as well as two new extraneous drainage channels to divert runoff around the R & D center system. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Sumner Land & Cattle Derek Sumner 1489 RD W14 Norcatur, KS 67653	NE/4 of Section 08 T01S, R25W Norton County	Upper Republican River Basin

Kansas Permit No. A-URNT-B015

The proposed action is to issue a state permit for an existing facility for a proposed maximum capacity of 999 head (999 animal units) of cattle weighing more than 700 pounds. This represents a decrease in the permitted animal units from the previous permit. This facility has an approved Waste Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Seaboard Foods, LLC - Light Nursery #106 02210 Blvd. U Richfield, KS 67953	SW/4 of SW/4 of Section 15 T32S, R40W Morton County	Cimarron River Basin

Kansas Permit No. A-CIMT-H007
Federal Permit No. KS0096351

The proposed action is to reissue an existing state permit for an existing facility for 12,000 head (1,200 animal units) of swine weighing 55 pounds or less. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Waste Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Maple Creek Farms, LLC - Southwest Pork #665-668 2502 Road 5 Ingalls, KS 67853	SW/4 of Section 11 T24S, R30W Gray County	Upper Arkansas River Basin

Kansas Permit No. A-UAGY-H001
Federal Permit No. KS0093319

The proposed action is to reissue an existing NPDES permit for an existing facility for total maximum capacity, not to exceed 76,800 head (7,680 animal units) of swine weighing 55 pounds or less or a total maximum capacity, not to exceed 38,400 head (15,360 animal units) weighing more than 55 pounds. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Linn Willow Creek Dairy, LLC Andrew Tiemeyer 1510 10th Rd. Linn, KS 66953	NW/4 of Section 16 T04S, R03E Washington County	Lower Republican River Basin

Kansas Permit No. A-LRWS-D001
Federal Permit No. KS0094595

The proposed action is to reissue an existing NPDES permit for an existing facility for 2,000 head (2,800 animal units) of mature dairy cattle. There will be no change in the operation or permitted number of animal units from the previous permit. This permit is also being reapproved to include the addition of 8.3 acres of open lot pens, and the modification of existing storage structures. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
F&R Swine, Inc. - McNeal Facility Kenneth Penner 6240 Humboldt Creek Rd. Dwight, KS 67154	SW/4 of Section 01 & E/2 of Section 13 T13S, R07E Geary County	Kansas River Basin
Kansas Permit No. A-KSGE-H002 Federal Permit No. KS0116378		

The proposed action is to reissue an existing NPDES permit for an existing facility for 5,500 head (2,200 animal units) of swine weighing more than 55 pounds and 8,000 head (800 animal units) of swine weighing 55 pounds or less for a total of 13,500 head (3,000 animal units) of swine. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
J-Six Enterprises, LLC - Bancroft Site T106 470 S Rd. Goff, KS 66428	S/2 of Section 18 T05S, R14E Nemaha County	Kansas River Basin
Kansas Permit No. A-KSNM-S044		

The proposed action is to reissue an existing state permit for an existing facility for 2,490 head (996 animal units) of swine weighing greater than 55 pounds. There will be no change in the operation or permitted number of animal units from the previous permit. Construction plans have been reapproved. This facility has an approved Waste Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Doug Claassen - King Site 10794 NW Hunter Rd. Potwin, KS 67123	NW/4 of Section 10 T24S, R04E Butler County	Walnut River Basin
Kansas Permit No. A-WABU-S018		

The proposed action is to reissue an existing state permit for an existing facility for 2,496 head (998.4 animal units) of swine weighing greater than 55 pounds. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Waste Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
D&S Cattle Co., LLC 158 All American Rd. Barnes, KS 66933	W/2 of Section 27 T05S, R05E Washington County	Big Blue River Basin
Kansas Permit No. A-BBWS-C009 Federal Permit No. KS0100251		

An update to the Nutrient Management Plan (NMP) was received for this existing facility currently permitted for 3,000 head (3,000 animal units) of cattle weighing more than 700 pounds and 2,999 head (1,499.5 animal units) of cattle weighing 700 pounds or less for a total maximum capacity of 5,999 head (4,999.5 animal units) of cattle. The NMP was updated to add two fields, Pivot and Arlens, to the NMP. There are no changes to the permit or in the permitted number of animal units. Only the updated portions of the Nutrient Management Plan are subject to comment. This facility has an approved Nutrient Management Plan on file with KDHE.

Public Notice No. KS-Q-23-142/146

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g), and Federal Surface Water Criteria.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Allen County Commission 1 N. Washington Iola, KS 66749	Rock Creek	Treated Domestic Wastewater
Kansas Permit No. M-NE37-OO02 Federal Permit No. KS0085201		
Legal Description: SW¼, NW¼, SW¼, Section 30, Township 24S, Range 19E of Allen County, Kansas		
Facility Location: Latitude: 37.92635, Longitude: -95.37129		

The proposed action is to reissue an existing State/NPDES permit for an existing facility. The existing facility is a three-cell wastewater stabilization lagoon system with a minimum of 120 days detention time at the rated flow of 0.063 MGD. The facility receives domestic wastewater from residential areas. The detention time at the rated flow is 120 days. The proposed permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, and Ammonia; as well as monitoring for pH and E. coli.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Chetopa, City of PO Box 203 Chetopa, KS 67336	Neosho River via Town Creek	Treated Domestic Wastewater
Kansas Permit No. M-NE13-OO01 Federal Permit No. KS0031135		

Legal Description: E½, NW¼, NW¼, Section 2, Township 35S, Range 21E of Labette County, Kansas

Facility Location: Latitude: 37.02888, Longitude: -95.08175

The proposed action is to reissue an existing State/NPDES permit for an existing facility. The existing facility is a three-cell wastewater stabilization lagoon system with a minimum of 120 days detention time. The facility receives domestic wastewater from residential and commercial areas. The proposed permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, and Ammonia; as well as monitoring for pH and E. coli. This NPDES discharging lagoon wastewater treatment facility has been reviewed for eligibility for the MDV for ammonia and has been determined to be eligible. Eligibility was determined through analysis of the facility's highest attainable criteria (HAC) for ammonia. The ammonia effluent limit was determined on March 3, 2023 by calculating the 99th percentile ammonia value from the facility's discharge monitoring reports resulting in an ammonia limit of 7.6 mg/L for this facility.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Colony, City of PO Box 68 Colony, KS 66015	Neosho River via Deer Creek via unnamed tributary	Treated Domestic Wastewater
Kansas Permit No. M-NE14-OO01 Federal Permit No. KS0116122		

Legal Description: S½, NE¼, NE¼, Section 6, Township 23S, Range 19E of Anderson County, Kansas

Facility Location: Latitude: 38.07921, Longitude: -95.35597

The proposed action is to reissue an existing State/NPDES permit for an existing facility. The existing facility is a three-cell wastewater stabilization lagoon system with a minimum of 120 days detention time. The facility receives domestic wastewater from residential and commercial areas and industrial wastewater from local manufacturers. The detention time at design flow is 148 days. The proposed permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, Ammonia, and E. coli; as well as monitoring for pH.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Neosho Rapids, City of PO Box 7 Neosho Rapids, KS 66864	Neosho River	Treated Domestic Wastewater

(continued)

Kansas Permit No. M-NE50-001
Federal Permit No. KS0117021

Legal Description: NE¼, SW¼, Section 28, Township 19S, Range 13E of Lyon County, Kansas

Facility Location: Latitude: 38.36474, Longitude: -95.98327

The proposed action is to reissue an existing State/NPDES permit for an existing facility. The existing facility is a four-cell wastewater stabilization lagoon system with a minimum of 120 days detention time. The facility receives domestic wastewater from residential areas. The detention time at design flow is 170 days. The proposed permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, and Ammonia; as well as monitoring for pH, E. coli, and Total Phosphorus.

Name and Address of Applicant	Receiving Stream	Type of Discharge
-------------------------------	------------------	-------------------

Harshman Construction 1632 F P Rd. Cedar Point, KS 66843	Verdigris River via North Caney Creek via Bachelor Creek via Unnamed tributary	Processed Wastewater
--	--	----------------------

Kansas Permit No. I-VE33-PO05
Federal Permit No. KS0099490

Legal Description: W ½ of Section 30, Township 32S, Range 12E of Chautauqua County, Kansas

Facility Location: Latitude: 37.23673, Longitude: -96.14356

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This is a limestone quarrying and crushing operation with no washing. Outfall 001A consists of stormwater runoff and quarry pit water. The proposed permit contains generic language to protect the waters of the state.

Public Notice No. KS-NQ-23-004

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g).

Name and Address of Applicant	Facility Location	Type of Discharge
-------------------------------	-------------------	-------------------

Youngers & Sons Manufacturing Co., Inc. 19223 K-42 Hwy. Viola, KS 67149	Latitude: 37.554136, Longitude: -97.563785	Non-Overflowing
---	---	-----------------

Kansas Permit No. C-AR37-NO05
Federal Permit No. KSJ000177

Facility Name: Youngers & Sons Manufacturing Co., Inc.

Legal Description: NW¼, NE¼, SW¼, Section 5, Township 29S, Range 2W of Sedgwick County, Kansas

The proposed action is to reissue an existing, non-discharging State/NPDES permit for an existing, non-discharging facility. The existing facility is a single cell wastewater lagoon system with a design flow of 1,000 gpd. By September 30, 2023, the facility shall retain a KDHE-certified operator to supervise the operation of this facility in compliance with K.S.A. 65-4501 et seq. and K.A.R. 28-16-30 et seq.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before August 19, 2023, will be considered in the formulation of the final determination regarding this public

notice. Please refer to the appropriate Kansas document number (KS-AG-23-212/222, KS-Q-23-142/146, KS-NQ-23-004) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Casey Guccione, Section Chief, Livestock Waste Management Section at the KDHE Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Andrew Bowman at the KDHE Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Mirina Landry at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone 785-296-0076 or email at kdhe.feedlots@ks.gov. For all other proposed permits or actions an appointment can be scheduled, or copies requested by contacting Neal Niceswanger, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612, telephone 785-296-6804 or email at Neal.Niceswanger@ks.gov. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdhe.ks.gov/livestock>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Notice of Call for Projects

The Kansas Department of Transportation (KDOT) is announcing a call for projects to be submitted to the state's Rail Service Improvement Program. An estimated \$10 million in funding is available to award projects that enhance safety, promote economic efficiency, and sustainability to the state's rail network.

This Call for Projects opens July 13, 2023, and closes September 1, 2023. Awards are expected to be announced in the spring of 2024. Applicants are required to provide

a 30% match of total project cost. There are no minimum or maximum project award amounts. A link to the application can be found on KDOT's website <https://www.ksdot.gov/bureaus/burRail/rail/default.asp>.

Qualified entities include any Surface Transportation board certified Class II or Class III railroad, as defined in 49 C.F.R. § 1201.1-1(a), a port authority established in accordance with Kansas laws, any entity meeting the rules and regulations established by K.S.A. 75-5050, or any owner or lessee industry track, as defined in 49 C.F.R. § 218.93, located on or adjacent to a Class II or Class III railroad in the state of Kansas.

For more information on program details and guideline, contact Michael Espinoza, Freight and Rail Program Manager at 785-296-3228 or Michael.Espinoza@ks.gov.

State of Kansas
Department of Transportation
Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm, or team of firms, to perform construction inspection services on multiple projects in various counties. Summary information for each project is provided below in Table 1.

Table 1: Summary of Project Information

Group	RT-CO	Project #	Scope, County	Anticipated Start	Working Days or CCD	Office	Comments
145	U024-044	KA-3542-01	Grading and Surfacing, Jefferson	August 14, 2023	CCD May 28, 2027	Topeka	
	U024-089	KA-3236-01	Grading and Surfacing, Shawnee	August 14, 2023	CCD May 28, 2027	Topeka	
146	U040-023	KA-2841-02	Grading, Bridge and Surfacing, Douglas	September 1, 2023	CCD November 1, 2024	Topeka	Kings Construction Co., Inc.
608	U083-106	KA-6234-01	ITS, Multiple	October 15, 2023	315	Garden City	

Additional project information including construction scope to be inspected, a detailed description of the project location, and resources and inspection scope specifically requested from consultants in this request can be viewed in an online table at <https://ike.ksdot.gov/about/construction-inspection-rfps>. Upon publication of this Request for Proposals (RFP), KDOT anticipates each of these inspection efforts will require full teams (project manager and inspectors, as opposed to single role staff augmentation as is occasionally request) for various types of construction inspection except as noted in the table. Watch the website linked above for updated information. Tabulated information (both in this RFP and on the website) shall not be relied upon during inspections. It is provided for the convenience of consultants, specifically to aid in making decisions about which projects they are interested in performing.

Specific project needs are subject to modification and/or cancellation at KDOT's discretion.

Interested consultants must email a proposal to [KDOT.DesignContracts@ks.gov](mailto:DesignContracts@ks.gov) by 12:00 p.m. (Central Time) August 2, 2023, to be considered for selection.

Consultant Prequalification

Consulting firms interested in providing service on any project listed below must be prequalified by KDOT in Category 241–Construction Inspection and Testing

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Projects

With this single solicitation, KDOT is requesting consulting services for construction inspections on the projects listed in Table 1. This table provides summary information for each project. One consultant will be selected to perform services associated with each group listed. Firms can express interest in the groups for which they would like to be considered by submitting a response as indicated below. There is no guarantee that a firm which has expressed interest will be selected for any project(s).

Anticipated Consultant Scope

The scope of construction inspection services and certifications required will vary for each project and are listed in the table available on the website noted above. Inspection efforts will be managed out of the offices listed. Also included for the convenience of consultants are indications of which grouped projects are currently slated to be performed by the same contractors.

Anticipated Schedule and Key Dates

- Proposals are due by or before 12:00 p.m. (Central Time) August 2, 2023.
- Ranking of proposals is expected to occur on or around August 9, 2023. Negotiations with the most highly ranked firm are expected to begin on or around August 16, 2023. An executed agreement is anticipated shortly thereafter.
- Anticipated scope start dates and working days or anticipated calendar completion dates are shown in the table. All dates are subject to change.

(continued)

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed the page limit laid out in Table 2 below (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A single PDF (2MB maximum size) of the proposal including all attachments must be emailed to KDOT.DesignContracts@ks.gov by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:
 - a. “ConstInsp Multiple Projects_2023.07 Release FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”) and No. 10 (“Policy Regarding Sexual Harassment”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. Both attachments are required for every firm involved in a multi-consultant team.
6. The outline in Table 2 below describes the expected proposal organization, content sections, and limits on number of pages.
 - a. Each team is limited to a single, one-page cover letter.
 - b. Consultants may indicate interest in any and all projects, indicate preference(s) for up to three projects, and shall both indicate interest and preferences on the “July 2023 Construction Inspections Interest and Preference Form: (available at <https://ike.ksdot.gov/about/construction-inspection-rfps>). Also, consultants are to use the bottom of that form to indicate any capacity limitations that need to be taken into account when making selections.
 - c. Thereafter, each team is limited to two pages per project in which they express interest. In these pages, consultants shall:
 - i. Describe the approach they plan to execute to deliver success on the project.
 - ii. Present the relevant qualifications and experience of the people they are proposing will provide the services.
 - iii. Provide the firm’s familiarity with KDOT and the project area.
 - d. Finally, consultants are limited to a single, on-page descriptions of general qualifications (“Past Performance” selection plus “Approach to Quality Control” section) regardless of the number of projects in which they are expressing interest.
7. Table 3 lists the evaluation criteria and associated weights which will be used to make a selection.
8. Although not anticipated at this time, KDOT reserves the right to interview for the requested ser-

vices associated with any of the listed projects prior to making final selections.

Table 2: Proposal Content

Section	Description of Intent	Page Limit
Cover Letter		1 Page
Consultant Project Interest and Preference	Fill out “July 2023 Construction Inspections Interest and Preference Form” and submit with your proposal.	1 Page
Project Approach	Describe how your firm will meet the fluctuating inspection needs of the project.	2 Pages per project in which team is interested
Qualifications and Experience	For key personnel to be assigned to the project provide names, qualifications, education, training, and expertise. Identify their area(s) of responsibility and percent of their time dedicated to the project. List work for which you do not have in-house capability and name the firm you propose to subcontract with.	
Familiarity with KDOT and Project Area	Describe team’s familiarity with KDOT’s inspection processes and standards. Describe familiarity with the project area and any identified special site conditions.	1 Page total
Past Performance	Describe team’s past performance with respect to ability to meet project schedules; quality of work; and ability to control costs on similar transportation projects, especially those performed for KDOT. Include three references and contact information.	
Approach to Quality Control	Describe methods or procedures your firm will use to provide all services with professional quality and technical accuracy.	

Table 3: Evaluation Factors

Evaluation Factor	Weight
The quality and completeness of the response	10%
Availability to respond to the work	20%
Qualifications and experience of project manager and other key project team members proposed for services	20%
Past performance history for similar projects/services for KDOT	20%
Understanding of the project area	10%
Understanding of KDOT contract administration and closeout procedures	20%

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for professional services projects. The following special attachments will need to be provided by the selected consultant and all subconsultants with the signed work order following negotiations and will become attachments to the contract.

- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

Special Contract Conditions

Batch Request for Proposals.

Questions

All questions regarding this RFP shall be emailed to KDOT.DesignContracts@ks.gov.

Questions can be submitted until July 19, 2023; answers will be provided to all pre-qualified consultants on July 26, 2023.

Marcia Turner, P.E.
Contracts Manager
Division of Engineering and Design
Department of Transportation

Doc. No. 051303

State of Kansas

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the FY28 Priority Bridge Replacement Program (PBRB). Summary information for each project included in the program is provided in Table 1 with additional information available in the file entitled "FY28 PBRP.xlsx" which can be found at the location linked below Table 1.

Interested consultants must email a proposal to KDOT.DesignContracts@ks.gov by 12:00 p.m. (Central Time) August 4, 2023, to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in one of each of ALL the following category bullets:

- 211 Highway Design–Major Facility OR 212 Highway Design – Minor Facility (see "FY28 PBRFP.xlsx") **and**
- 221 Non-Standard Span Bridge Design OR 222 Standard Span Bridge Design (see "FY28 PBRFP.xlsx")

and

- 231 Traffic Control Analysis and Design **and**
- 301 Land Surveying **and**
- 302 Engineering Surveying **and**
- 336 Right of Way Services

Note: The prequalification categories listed above are all required only when the scope associated with the category is to be provided by consultant. See "FY28 PBRP.xlsx" to understand which projects require consultant support for which scopes. If a type of scope is not to be provided by consultant, the corresponding prequalification category is not required.

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Project

As part of KDOT's annual preservation program, the agency selects and commences design for the replacement of a number of bridges. Design for some of those bridges is handled in-house; design for other bridges is solicited to consultants. With this single solicitation, KDOT is requesting consulting services for the latter subset of projects which are programmed to be let for construction in FY28.

Table 1 provides basic information for each project included in the FY28 PBRP. Firms can express interest in the projects for which they would like to be considered by submitting responses for each as indicated below. There is no guarantee that a firm which has expressed interest will be selected for any project.

Table 1: Summary of Project Information

RT-CO	Project #	County	BR #*	Location	Feature Crossed	Feature Carried
470-89	KA-7039-01	Shawnee	089-056	39.01674, -95.7489	Creek	I-470 Hwy, WB

*For clarity, "BR #" is shorthand for "bridge serial number."

**Projects indicated DO require consulting services for the scope pieces noted as "Y" in "FY28 PBRP.xlsx." On previous revisions, these were mistakenly noted as not needing consulting services and were mistakenly removed from on revision. Projects KS-7040-01 and KA-7034-01 do not require consulting services at this time.

***Project letting timing has been removed from this table and is provided for each project in "FY28 PBRP.xlsx."

Additional project information including "FY28 PBRP.xlsx," bridge inspection reports, and old plans can be accessed at <https://ike.ksdot.gov/about/rfp-for-fy28-bridges>. Tabulated information shall not be relied upon in design. It is being provided for the convenience of consultants, specifically to aid in their decision making about which projects they are interested in executing.

Anticipated Consultant Scope

The scope of services required will vary for each project and may include Survey Services, Right of Way Services, Preliminary Design Services, Final Design Services, Environmental Documentation Preparation (Permitting). Initial agreements will be signed for the first required phase of each project. Subsequent phases of any particular project may be added to the selected consultant's scope via supplemental (at KDOT Secretary's discretion), are not guaranteed to progress to subsequent phases, and may be resolicited (at KDOT Secretary's discretion).

Depending on the project, KDOT anticipates some variation of the following will be included in the selected consultant's scope: land and engineering survey to support right of way development, bridge type selection, bridge design, road design, traffic engineering, hydrology/hydraulics, designer construction services, and permitting assistance for some projects. Current expectations for consultant scope and what will be provided by KDOT are detailed below. The scope included herein may not be all-inclusive and is subject to change. A scoping meeting will take place for each project after consultant selection is made.

Project Management

- Develop and communicate Project Management Plan and Quality Assurance Plan.
- Perform quality control checks according to Quality Assurance Plan.
- Provide electronic plan files compliant with KDOT Graphic Standards Manual, including CAD conformance checks and ControlCAD indexed DGN files with ProjectWise attributes.
- Provide bi-annual construction cost estimates and at major project milestones.

Road Design

- Discovery Phase (for projects listed as beginning at that phase).
- Develop plans to Materials and Research.
- Building of the existing right of way.
- Develop Preliminary Plans to Field Check.
- Perform roadway geometric design, drainage design, and roadside safety analysis. Note that, in most cases:
 - The existing horizontal and vertical alignments will be utilized for the proposed condition in most cases.
 - Retaining the existing typical section of the roadway will be a priority so that no new right of way (including temporary easements) will need to be acquired.
- Visit the project site location.

Survey and Right of Way

- Provide a full survey including structures in the existing right of way. The deliverables shall incorporate the full project including the roadway and bridge surveys and will be provided in the Kansas Regional Coordinate System.
- Establish and determine impacts to right of way and utilities.
- Based upon consultant's field survey data and historical KDOT project information, consultant shall establish and compile into a right of way strip map the positions and locations of the existing highway right of way and property lines for the ownership adjacent thereto. Consultant shall perform these activities using coordinate geometry and Bentley Open Site Designer.
- Visit the project site location.

Bridge Design

- For some projects, the consultant will propose and evaluate different (e.g.: skewed) framing layouts for review and acceptance by the KDOT Bridge Office. Focus shall be to minimize disruption to the site and facilitate efficient construction to minimize closures.
- In most cases, the proposed structure will need to match the existing structure's geometry (vertical,

horizontal, and cross-slope). The proposed structure will need to preserve existing vertical clearance windows for feature(s) crossed.

- Bridge hydraulics for stream crossings.
- Develop Preliminary Plans to Field Check for the replacement.

Traffic Engineering

- Development of Traffic Management Plan, including coordination with the local government and KDOT office.
- Develop permanent signing and pavement marking plans.
- Develop Traffic Control Plans.
- Traffic Modeling may be required for projects which begin at Discovery Phase but likely will be performed by KDOT for projects not listed as such. See below for how Traffic Forecasting will likely be handled.

Activities to be performed by KDOT include:

- Traffic forecasting data will be provided by KDOT.
- Environmental services, including lead paint testing and permit application:
 - Note: Technical data to support these activities will be required from the consultant immediately after field check.
- Permits will include NPDES – Storm Water Runoff Permit in which KDOT will require from consultant:
 - Total project site area in acres.
 - Total disturbed area in acres (from Seeding Plans).
 - Impervious area in square feet.
- Utility coordination, if required.
- Geology and geotechnical services including soil investigations, bridge foundation geology, pavement field investigation and design, and surfacing recommendations.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) August 2, 2023.
2. Ranking of proposals is expected to occur on or around August 9, 2023. Negotiations with the most highly ranked firm are expected to begin on or around August 16, 2023. An executed agreement is anticipated around August 24, 2023.
3. KDOT anticipates letting these projects as indicated in “FY28 PBRFP.xlsx.” Design activities must be scheduled in accordance. These projects may follow an accelerated delivery schedule with some submittals required earlier to meet the letting requirements. All dates subject to change.

These projects must be let in Fiscal Year 2028, therefore the design activities must be scheduled to deliver complete plans between July 2027 and December 2027. Approximate letting timeframes are provided in the table above. These projects may follow an accelerated delivery schedule with some submittals required earlier than a typical KDOT design project to meet the letting requirements.

Note: If the table indicates letting may happen “Anytime”, it shall be understood that KDOT anticipates no

construction will occur during the winter months on these projects.

All dates are subject to change.

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed the page limit laid out in Table 2 below (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A single PDF (2MB maximum size) of the proposal including all attachments must be emailed to KDOT.DesignContracts@ks.gov by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:
 - a. “KDOT FY28 Priority BR Rplcmt_FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”) and No. 10 (“Policy Regarding Sexual Harassment”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. Both attachments are required for every firm involved in a multi-consultant team.
6. The outline in Table 2 below describes the expected proposal organization, content sections, and limits on number of pages.
 - a. Each team is limited to a single, one-page cover letter and a single page of general qualifications (“Past Performance” section plus “Familiarity with KDOT and Project Area” section) regardless of the number of projects in which they are expressing interest.
 - b. Consultants may indicate interest in any and all projects and indicate preference(s) for up to three projects and shall do so on the “FY28 Priority Bridge Replacement Program Interest and Preference Form” (available at <https://ike.ksdot.gov/about/rfp-for-fy28-bridges>)
 - c. Thereafter, each team is limited to two pages per project in which they are expressing interest. In these pages, consultants shall:
 - i. Describe the approach they plan to execute to deliver success on the project.
 - ii. Present the relevant qualifications and experience of the people they are proposing will provide the services.
7. Table 3 lists the evaluation criteria and associated weights which will be used to make a selection.

Table 2: Proposal Content

Section	Description of Intent	Page Limit
Cover Letter		1 Page

(continued)

Past Performance	Describe team’s past performance with respect to ability to meet project schedules; quality of work; and ability to control costs on similar transportation projects, especially those performed for KDOT. Include three references and contact information.	1 Page
Familiarity with KDOT and Project Area	Describe team’s familiarity with KDOT’s design process and standards. Describe familiarity with the project area and any special conditions.	
Consultant Project Interest and Preference	Fill out “FY27 Priority Bridge Replacement Program Interest & Preference Form” and submit with your proposal.	1 Page
Project Approach	Demonstrate a unique approach to accomplish the design efficiently and to a high standard. Include cost-effective and optimized solutions to address the anticipated improvements in the design and your plan for addressing any anticipated project constraints. Include unique qualifications or experience related to the project approach.	
Approach to Schedule	Describe the approach to accomplish the scope of services within the schedule requirements. Include anticipated key milestone dates and availability of staff.	2 Pages (Per project in which team is interested)
Approach to Quality Control	Describe methods or procedures your firm will use to provide all drawings, reports and other services with professional quality and technical accuracy.	
Qualifications and Experience	For key personnel to be assigned to the project provide names, office location, qualifications, education, training, and expertise. Identify their area(s) of responsibility and percent of their time dedicated to the project. List work for which you do not have in-house capability and name the firm with which you propose to subcontract.	

Table 3: Evaluation Factors

Evaluation Factor	Weight
Qualifications and experience of project manager and other key project team members proposed for services	25%
Understanding of project constraints and technical approach	25%
Approach and commitment to meet advertised schedule	15%
Past performance history for similar projects/services for KDOT	20%
Understanding of the project area	15%

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for professional services projects. The following special attachments will need to be provided by the selected consultant and all subconsultants with the signed work order following negotiations and will become attachments to the contract.

- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

Questions

All questions regarding this Request for Proposals shall be emailed to KDOT.DesignContracts@ks.gov.

Questions can be submitted until July 19, 2023; answers will be provided to all prequalified consultants on July 26, 2023.

 Secretary of State

Doc. No. 051322

State of Kansas

Office of the Governor

Executive Directive No. 23-572

**Authorizing Personnel Transactions
 and
 Establishment of a Federal Fund**

By virtue of the authority vested in the Governor as the head of the Executive Branch of the State of Kansas, the following transactions are hereby authorized:

The request of Kraig Knowlton, Director of Personnel Services, to establish the attached, updated pay plan for unclassified physicians and medical staff in state facilities under the authority of the Department for Aging and Disability Services is hereby approved, effective June 12, 2022, in accordance with KSA 75-2935c.

I have conferred with the Secretary of Administration, the Director of the Budget, the Director of Personnel Services, and members of my staff, and I have determined that the requested action is appropriate.

Pursuant to the authority of the Secretary of the Kansas Department of Health and Environment to receive and expend federal funds, and pursuant to the authority granted the Governor by Section 193 of Chapter 82 of the *2023 Session Laws of Kansas*, approval is hereby granted to the Kansas Department of Health and Environment for expenditure in FY 2024 of monies in the federal fund entitled the "Adv. Hlth Equity for Diabetes Fund."

I have conferred with the Director of the Budget and members of my staff, and I have determined that the guidelines set forth in KSA 75-3711 and 75-3711c have

been applied and that none of the forgoing actions exceeds the limitations contained therein.

Dated July 7, 2023.

Laura Kelly
 Governor

Doc. No. 051323

(Published in the Kansas Register July 20, 2023.)

Riley County, Kansas

**Notice of Intent to Seek Private Placement
 \$92,500
 General Obligation Bonds
 Series A, 2023**

Notice is hereby given that Riley County, Kansas (the "Issuer"), proposes to seek a private placement of the above-referenced bonds. The maximum aggregate principal amount of the bonds shall not exceed \$92,500. The proposed sale of the bonds is in all respects subject to approval of a bond purchase agreement between the Issuer and the purchaser of the bonds and the adoption of a resolution by the governing body of the Issuer authorizing the issuance of the bonds and the execution of various documents necessary to deliver the bonds.

Rich Vargo
 County Clerk
 Riley County, Kansas

Doc. No. 051325

(Published in the Kansas Register July 20, 2023.)

City of Dodge City, Kansas

**Summary Notice of Bond Sale
 \$6,905,000*
 General Obligation Bonds, Series 2023-A**

**(General Obligation Bonds Payable
 from Unlimited Ad Valorem Taxes)**

Bids

Subject to the Notice of Bond Sale dated July 3, 2023 (the "Notice"), facsimile and electronic bids will be received on behalf of the Director of Finance of the City of Dodge City, Kansas (the "Issuer") in the case of facsimile bids, at the address set forth below, and in the case of electronic bids, through PARITY® until 11:00 a.m. (Central Time) August 7, 2023, for the purchase of the above-referenced bonds (the "Bonds"). No bid of less than 100% of the principal amount of the Bonds and accrued interest thereon to the date of delivery will be considered.

Bond Details

The Bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. The Bonds will be dated August 31, 2023, and will become due on September 1 in the years as follows:

Year	Principal Amount*	Year	Principal Amount*
2024	\$230,000	2034	\$345,000
2025	240,000	2035	355,000

(continued)

Year	Principal Amount*	Year	Principal Amount*
2026	255,000	2036	370,000
2027	265,000	2037	380,000
2028	280,000	2038	395,000
2029	290,000	2039	415,000
2030	300,000	2040	430,000
2031	310,000	2041	445,000
2032	320,000	2042	465,000
2033	330,000	2043	485,000

* Subject to change, see the Notice

The Bonds will bear interest from the date thereof at rates to be determined when the Bonds are sold as hereinafter provided, which interest will be payable semiannually on March 1 and September 1 in each year, beginning on March 1, 2024.

Book-Entry-Only System

The Bonds shall be registered under a book-entry-only system administered through DTC.

Paying Agent and Bond Registrar

Treasurer of the State of Kansas, Topeka, Kansas.

Good Faith Deposit

Each bid shall be accompanied (in the manner set forth in the Notice) by a good faith deposit in the form of a cashier’s or certified check drawn on a bank located in the United States of America or a wire transfer in Federal Reserve funds immediately available for use by the Issuer in the amount of \$138,100.

Delivery

The Issuer will pay for preparation of the Bonds and will deliver the same properly prepared, executed, and registered without cost to the successful bidder on or about August 31, 2023, to DTC for the account of the successful bidder.

Assessed Valuation and Indebtedness

The Equalized Assessed Tangible Valuation for Computation of Bonded Debt Limitations for the year 2022 is \$207,792,274. The total general obligation indebtedness of the Issuer as of the Dated Date, including the Bonds and temporary notes being sold, is \$73,720,000.

Approval of Bonds

The Bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., Wichita, Kansas, Bond Counsel to the Issuer, whose approving legal opinion as to the validity of the Bonds will be furnished and paid for by the Issuer, printed on the Bonds, and delivered to the successful bidder as and when the Bonds are delivered.

Additional Information

Additional information regarding the Bonds may be obtained from the undersigned or from the Municipal Advisor at the addresses set forth below:
