State of Kansas

Department of Health
and EnvironmentNotice of Hearing on Proposed
Administrative Regulations

The Kansas Department of Health and Environment, Division of Health, Bureau of Family Health, will conduct a public hearing at 10 a.m. Wednesday, November 20, in the Santa Fe Trail Conference Room, Suite 200 of the Curtis State Office Building, 1000 S.W. Jackson, Topeka, to consider the adoption of proposed new regulation K.A.R. 28-4-573; amendments to regulations K.A.R. 28-4-550, 28-4-564, 28-4-565, 28-4-568 and 28-4-569; and the revocation K.A.R. 28-4-552 and 28-4-556, pertaining to Kansas Infant-Toddler Services (KSITS), part C early intervention program.

A summary of the proposed regulations and the estimated economic impact follows:

Summary of Regulations:

K.A.R. 28-4-550. Definitions. Provides the definition of terms used in the Kansas infant toddler services (KSITS) regulations, and includes new and revised definitions.

K.A.R. 28-4-552. Screening activities. Revoked. The term screening process defined in K.A.R. 28-4-550 is now used to select the appropriate screening tool to determine the need for evaluation.

K.A.R. 28-4-556. Family service coordination. Revoked. The term family service coordination is now defined in the terms family service coordinator and family service coordination services in K.A.R. 28-4-550. K.A.R. 28-4-564 specifies the personnel requirements for a family service coordinator.

K.A.R. 28-4-564. Personnel requirements. Updates current requirements for state licensing oversight and personnel standards for early intervention service providers.

K.A.R. 28-4-565. Local tiny-k program responsibilities. Updates language to use the term local tiny-k program and specifies its responsibilities. Also adds language regarding the payor of last resort for early intervention services.

K.A.R. 28-4-568. Surrogate parents. Updates the definition of surrogate parents, also known as child advocates under KSITS, and specifies the methods for assigning child advocates.

K.A.R. 28-4-569. Resolution of complaints. Updates language to meet the requirements of federal regulations regarding resolution of complaints, mediation and due process hearing.

K.A.R. 28-4-573. System of payments. Defines a system of payments for the KSITS program.

Economic Impact:

Cost to the agency: It is anticipated that the costs incurred by KDHE to implement these regulations will be minimal and will be within the current budget. To decrease costs associated with continued implementation of the KSITS program, KDHE will provide oversight to the program. Current staff within the KSITS program will be utilized to support implementation of these regulations.

Cost to consumers: There is no known cost to consumers of this program. Services to children and families in the KSITS program are provided at no cost to families. Local tiny-k programs will see minimal or no costs added to daily activities, as most of the updates provide clarification and will not require an increase in resources.

Costs to other governmental agencies or units: There is no known increase in costs to other governmental agencies or units. Having local tiny-k programs that provide early intervention services across the state will improve outcomes for young children and their families. KSITS seeks to minimize potential developmental delay and reduce costs for special education services when children with disabilities reach school age. High quality early intervention programs for vulnerable infants and toddlers can reduce the incidence of future problems in their learning, behavior and health status. Intervention is more effective and less costly when it is provided earlier in life rather than later.

The time period between publication of this notice and the scheduled hearing serves as the required public comment period of at least 60 days for the purpose of receiving written public comments on the proposed new, amended and revoked regulations. At any time during the public comment period any interested parties may submit written comments to Sarah Walters, Kansas Department of Health and Environment, Bureau of Family Health, 1000 S.W. Jackson, Suite 220, Topeka, 66612-1274, by fax at 785-296-8626, or by e-mail to walters@kdheks.gov. During the hearing, all interested parties will be given a reasonable opportunity to present their views orally on the proposed regulations as well as an opportunity to submit their written comments. In order to give each individual an opportunity to present their views, it may be necessary for the hearing officer to request that each presenter limit any oral presentation to an appropriate time frame.

Complete copies of the proposed regulations and the corresponding economic impact statement may be obtained on the Kansas Infant-Toddler Services website at www.ksits.org or by contacting Sarah Walters at the address above, 785-296-6135 or fax 785-296-8626.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Sarah Walters.
