Notice to Contractors

Electronic copies of the letting proposals and plans are available on the KDOT website at <http://www.ksdot.org/burconsmain/contracts/proposal.asp>. Board of Barbering

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10 a.m. Thursday, January 29, in the Senate Room, located off the main lobby, Jayhawk Tower, 700 S.W. Jackson, Topeka, to consider adoption of the proposed amendments to K.A.R. 61-3-7 and K.A.R. 61-3-22 as permanent regulations of the Kansas Board of Barbering.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed adoption of amendments to K.A.R. 61-3-7 and K.A.R. 61-3-22. All parties may submit written comments prior to the hearing to Bob Zook, administrative officer, State Board of Barbering, 700 S.W. Jackson, Suite 1002, Topeka, 66603, or to kbob@kbob.ks.gov. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of amendments to K.A.R. 61-3-7 and K.A.R. 61-3-22 during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the regulations and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Bob Zook at bob.zook@kbob.ks.gov or 785-296-2211.

Amendments to K.A.R. 61-3-7 and K.A.R. 61-3-22 are proposed for permanent adoption. A summary of the proposed amendments and the estimated economic impact statement follows:

K.A.R. 61-3-7. Minimum requirements for opening a school or college of barbering. This regulation is amended to include definitions of the minimum requirements for opening a barber school or barber college housed in an existing establishment teaching or conducting other trades, professions or businesses, and updates regulatory style.

K.A.R. 61-3-22. Schools and colleges ineligible for a permit to operate a barber school or college. This regulation is amended to delete language that prohibits the board from licensing a barber school or barber college housed in an establishment that teaches or conducts any other trade, profession or business.

(continued)

Economic Impact. The adoption of these amendments will not have an economic impact on any other government entity or the general public. It is anticipated that there will be an economic impact to the board as it will need to increase the number of yearly barber license examinations conducted, resulting from an increase in barber school graduates should the number of approved barber schools increase. The increase in expenditure to the board to cover costs of conducting these examinations will be covered by the examination and licensing fees charged by the board. There is no environmental impact.

Copies of the regulations and the economic impact statement may be obtained by contacting the Board of Barbering, Suite 1002, Jayhawk Tower, 700 S.W. Jackson, Topeka, 66603, 785-296-2211 or kbob@kbob.ks.gov.
