The county will use contract goals to meet any portion of the overall goal that the recipient does not project being able to meet using RN means. Contract goals are established so that, over the period to which the overall goal applies, they will cumulatively result in meeting any portion of the recipient's overall goal that is not projected to be met through the use of RN means.

The county will establish contract goals only on those DOT-assisted contracts that have subcontracting possibilities. It need not establish a contract goal on every such contract, and the size of the contract goals will be adapted to the circumstances of each such contract (e.g., type and location of work and availability of DBEs to perform the particular type of work).

The county will express its contract goals as a percentage of the total amount of a DOT-assisted contract.

Governmental Ethics Commission

Opinion No. 2015-05

Written April 15, 2015, to Assistant Attorney General Whitney L. Casement, Secretary, Tower Mental Health Foundation of Kansas, Topeka.

Synopsis: Under the state governmental ethics law, Tower Mental Health Foundation directors and officers (including non-voting officers) do not meet the K.S.A. 2014 Supp. 46-247 definitions of individuals required to file statements of substantial interest, thus they are not required file, as a matter of law, unless otherwise required to do so.

Cited herein: K.S.A. 2014 Supp. 46-247 and 46-282.

Dear Ms. Casement:

This opinion is in response to your request for an opinion from the Kansas Governmental Ethics Commission (Commission), concerning application of the state conflict of interest laws, K.S.A. 46-215 *et seq.* We note at the outset that the Commission's jurisdiction is limited to the applicability of K.S.A. 46-215 *et seq.*, and the Commission's opinion does not address whether some other statutory system, common law theory, or agency rule or regulation applies to your inquiry.

Factual Statement

We understand that you have requested this opinion in your capacity as a Kansas assistant attorney general and as the secretary for Tower Mental Health Foundation of Kansas (Tower Foundation). Your opinion request is in regard to whether directors and officers of the Tower Foundation are required to file statements of substantial interest, as a matter of law, pursuant to K.S.A. 2014 Supp. 46-247. The following facts were provided in your request:

The Tower Foundation is a tax-exempt, private foundation. As part of a settlement agreement between the Kansas Attorney General and the Menninger Foundation, the Tower Foundation was formed in 2007 to manage certain charitable assets retained in the State of Kansas when the Menninger Clinic relocated to Houston, Texas. A board of directors is authorized to act on behalf of the Tower Foundation. The board of directors is authorized, according to the Tower Foundation's bylaws, to award funding in the form of grants to qualified not-for-profit entities for charitable, educational, and scientific purposes. The directors are appointed by the Kansas Attorney General and are not paid, except that they may be reimbursed for reasonable expenses incurred in attending the affairs of the corporation. Officers are elected by the board of directors and are not required to be members of the board of directors, although in nearly all instances the officers are also directors. It has been the practice of the board to elect an assistant attorney general as a non-voting secretary. The bylaws authorize payment of salaries to the officers, including to non-voting officers, if fixed by the board of directors. However, no officer is or has ever been paid a salary. The bylaws of the Tower Foundation provide that directors and officers for the Foundation shall file Statements of Substantial Interest. However, since inception, only the Attorney General as sole member and in some instances the non-voting secretary has filed SSIs.

Question

Are the directors and officers of the Tower Foundation, including non-voting officers, required to file statements of substantial interests, as a matter of Kansas law, pursuant to K.S.A. 2014 Supp. 46-247?

Analysis and Opinion

The state governmental ethics law, K.S.A. 46-215, *et seq.*, specifically K.S.A. 2014 Supp. 46-247, requires certain individuals to file written statements of substantial interests. Such individuals are mostly state officers and candidates for state office (including legislators and executive branch elective and nominative office), and certain state employees. State employees required to file are either designated by an agency head, appointed subject to senate confirmation, general counsel for state agencies, faculty of a state education institution receiving an annual salary of \$150,000 or more (excluding adjunct faculty), or employees of a postsecondary educational institution providing consulting services which promote or oppose governmental action or non-action.

The statute does require some individuals who are not state officers or employees to file statements of substantial interests. Individuals whose appointment is subject to senate confirmation, certain administrators whose organizations are specifically listed in K.S.A. 2014 Supp. 46-247(f), and private consultants under state contract to evaluate bids are among them.

Under the facts provided, individuals serving as directors or officers of the Tower Foundation do not meet any of the statutory definitions of individuals required file. Authority for Tower Foundation bylaws, which require its directors and officers to file, is not found in statute. A few of the Tower Foundation's officers and directors have filed statements of substantial interests, not because the by-laws have required them to do so, but because they otherwise meet the statutory definitions requiring certain individuals to file.

Going beyond the facts, assume the Kansas attorney general, in his capacity as an agency head, designates Tower Foundation directors and officers to file statements of substantial interests pursuant to K.S.A. 2014 Supp. 46-247(c), which provides:

[s]tate officers, employees and members of boards councils and commissions under the jurisdiction of the head of any state agency who are listed as designees by the head of a state agency pursuant to K.S.A. 46-285, and amendments thereto.

Would Tower Foundation directors and officers then be required to file? We conclude they would not. Agency heads' ability to designate is limited to "[a]ny state officer, employee or member of any agency, department, division, bureau or other unit of state government," pursuant to K.S.A. 46-282(a). Because Tower Foundation is a business entity, not a branch of state government, its directors and officers do not qualify as a designee as that term is statutorily defined. Hence, as a matter of Kansas law, pursuant to K.S.A. 2014 Supp. 46-247, directors and officers of the Tower Foundation, including non-voting officers, are not required to file statements of substantial interest.

111-4-3393. Determination of grand prize winner and secondary prize winners. On September 20, 2015, at approximately 4:00 p.m. in conjunction with the tractor pull event at the Kansas state fair in Hutchinson, Kansas, the Kansas lottery will determine the winner of the grand prize and winners of the secondary prizes in the "Corvette Cash Drawings and Giveaway" event as follows:

(a) The 10 finalists of the "Corvette Cash Drawings" described in these rules, or their proxies, will present themselves at a location designated by the executive director of the Kansas lottery at the tractor pull event.

(b) The Kansas lottery will present a treasure chest which encases the keys/key fob which will start the 2015 Chevrolet Corvette grand prize described in these rules. The treasure chest shall be locked with a padlock. The Kansas lottery shall also present a peg board with 10 keys that may or may not unlock the padlock on the treasure chest. One of the 10 keys will unlock the padlock on the treasure chest, while the other nine keys only appear to unlock the treasure chest.

(c) In the consecutive draw date and order drawn, numbers one through 10, and according to these rules, the drawing winners of the "Corvette Cash Drawings" or their designated proxy shall come forward, one-by-one, remove a key from the pegboard and attempt to unlock the treasure chest. The drawing winner who selects the key that unlocks the treasure chest shall be declared the winner of the grand prize described in these rules. Upon opening the treasure chest, the grand prize winner shall be awarded the keys/keyfob to the 2015 Chevrolet Corvette. The remaining nine drawing winners, whose keys failed to open the padlock on the treasure chest or who did not get an opportunity to attempt to open the treasure chest because another drawing winner already selected the matching key that unlocked the treasure chest, shall each receive the secondary prize of \$1,000 as described in these rules.

(d) Following the determination of the grand prize winner and secondary prize winners, a claim form will be

mailed or given to each winner of the respective prize won. Each winner shall then have until 5:00 p.m. on the fourteenth day following the presentation or mailing of a claim form to the winner, whichever is applicable, to present the fully-executed claim form to lottery headquarters. If the fourteenth day following the mailing of a claim form to the winner falls on a weekend or holiday, the fourteenth day shall be extended to the next business day. If the grand prize winner cannot be located or is declared ineligible, or fails to timely present a fully-executed claim form to lottery headquarters, the Kansas lottery shall conduct a special drawing from among the finalists who were determined to be secondary prize winners in the grand prize giveaway event to select an alternate grand prize winner. Such a drawing shall be conducted by the Kansas lottery according to procedures established by the executive director of the Kansas lottery or his designee. In the event the grand prize is awarded to a secondary winner by means of a special drawing, the secondary winner who is determined to be the grand prize winner shall forfeit his or her secondary prize and the secondary prize shall not be awarded.

If a secondary prize winner cannot be located or is declared ineligible, or fails to timely present a fully-executed claim form to lottery headquarters, the prize will be awarded to the next alternate ticket selected in the order drawn and in the same drawing from which the winner who failed to present a fully-executive claim form was selected. An alternate winner shall have until 5:00 p.m. on the fourteenth day following mailing of a claim form to an alternate winner to present the fully-executed claim form to lottery headquarters. If the fourteenth day following the mailing of a claim form to an alternate winner falls on a weekend or holiday, the fourteenth day shall be extended to the next business day. If an alternate prize winner cannot be located or is declared ineligible, or fails to timely present a fully-executed claim form to lottery headquarters, the prize will be awarded to the next alternate ticket selected in the order drawn and in the same drawing from which the winner was selected. The alternate winner process shall be repeated until the prize is properly claimed or until such time as no alternate winners remain, whichever occurs first.

(e) A drawing winner and finalist in the grand prize giveaway event shall be the winner of whatever prize is determined by his or her proxy during the grand prize giveaway event.

(f) Any person representing a drawing winner by proxy shall not be entitled to any prize. (Authorized by and implementing K.S.A. 2014 Supp. 74-8710; effective, T-111-3-31-15, March 11, 2015.)

(a) Each "Corvette Cash Drawing" shall be personally observed by a member of the Kansas lottery security department and a member of the Kansas lottery marketing department serving as the event manager or other person or persons designated by the executive director of the lottery as the event manager.

(b) Prior to the grand prize giveaway event on September 20, 2015, Kansas lottery security personnel shall record and certify, in writing, the name of any individual

serving as proxy on a drawing winner's behalf at the grand prize giveaway event. Such record shall be verified by the event manager, also prior to the grand prize giveaway event, to confirm that the drawing winner's name correctly matches the designated proxy individual's name.

(c) Upon completion of the drawings and grand prize giveaway event, the security official and the event manager shall issue a report to the executive director, certifying that the names of the prize winners are correct, and that to the best of their knowledge the procedures required by these rules were followed in selecting the prize winner. (Authorized by and implementing K.S.A. 2014 Supp. 74-8710; effective, T-111-3-31-15, March 11, 2015.)

inclusive cost, shall not exceed 5%. The bonds, and interest thereon, issued pursuant to this section shall be payable from moneys appropriated by the state for such purpose. The bonds, and interest thereon, issued pursuant to this section shall be obligations only of the authority and in no event shall such bonds constitute an indebtedness or obligation of the Kansas public employees retirement system or an indebtedness or obligation for which the faith and credit or any assets of the system are pledged. Neither the state nor the department of administration shall have the power to pledge the full faith and credit or taxing power of the state for debt service on any bonds issued pursuant to this section, and any payment by the department for such purpose shall be subject to and dependent on appropriations by the legislature. Any obligation of the state or the department for payment of debt service on bonds issued pursuant to this section shall not be considered a debt or obligation of the state for the purpose of section 6 of article 11 of the constitution of the state of Kansas.

(b) As used in this section, "unfunded actuarial pension liability" means the unfunded actuarially accrued liability of the state for the state of Kansas' and participating employers', under K.S.A. 74-4931, and amendments thereto, portion of such liability of the Kansas public employees retirement system, determined as of the later of December 31, 2013, or the end of the most recent calendar year for which an actuarial valuation report is available and certified to the Kansas development finance authority by the executive director of the Kansas public employees retirement system.

(c) (1) The authority may pledge the contract or contracts authorized in subsection (d), or any part thereof, for the payment or redemption of the bonds, and covenant as to the use and disposition of moneys available to the authority for payment of the bonds. The authority is authorized to enter into any agreements necessary or desirable to effectuate the purposes of this section.

(2) The proceeds from the sale of the bonds, other than refunding bonds, issued pursuant to this section, after payment of any costs related to the issuance of such bonds, shall be paid by the authority to the Kansas public employees retirement system to be applied to the payment, in full or in part, of the unfunded accrued pension liability as directed by the Kansas public employees retirement system.

(3) The state hereby pledges and covenants with the holders of any bonds issued pursuant to the provisions of this section that it will not limit or alter the rights or powers vested in the authority by this section, nor limit or alter the rights or powers of the authority, the department of administration or the Kansas public employees retirement system, in any manner which would jeopardize the interest of the holders or any trustee of such holders or inhibit or prevent performance or fulfillment by the authority, the department of administration or the Kansas public employees retirement system with respect to the terms of any agreement made with the holders of the bonds or agreements made pursuant to this section, except that the failure of the legislature to appropriate moneys for any purpose shall not be deemed a violation of this pledge and covenant. The department of administration is hereby specifically authorized to include this pledge and covenant in any agreement with the authority. The authority is hereby specifically authorized to include this pledge and covenant in any bond resolution, trust indenture or agreement for the benefit of holders of the bonds.

(4) Revenue bonds may be issued pursuant to this section without obtaining the consent of any department, division, commission, board or agency of the state, other than the approvals of the state finance council required by this section, and without any other proceedings or the occurrence of any other conditions or other things other than those proceedings, conditions or things which are specifically required by the Kansas development finance authority act.

(d) The department of administration and the authority are authorized to enter into one or more contracts to implement the payment arrangement that is provided for in this section. The contract or contracts shall provide for payment of the amounts required to be paid pursuant to this section and shall set forth the procedure for the transfer of moneys for the purpose of paying such moneys. The contract or contracts shall contain such terms and conditions, including principal amount, interest rates and final maturity, as shall be approved by resolution of the state finance council and shall include, but not be limited to, terms and conditions necessary or desirable to provide for repayment of and to secure any bonds of the authority issued pursuant to this section.

(e) The approvals by the state finance council required by subsections (a) and (d) are hereby characterized as matters of legislative delegation and subject to the guidelines prescribed in K.S.A. 75-3711c(c), and amendments thereto. Such approvals may be given by the state finance council when the legislature is in session.

Sec. 2. K.S.A. 2014 Supp. 74-4914d is hereby amended to read as follows: 74-4914d. Any additional cost resulting from the normal retire-

Sec. 3. K.S.A. 2014 Supp. 74-4920 is hereby amended to read as follows: 74-4920. (1) (a) Upon the basis of each annual actuarial valuation and appraisal as provided for in ~~subsection (3)(a) of~~ K.S.A. 74-4908(3)(a), and amendments thereto, the board shall certify, on or before July 15 of each year, to the division of the budget in the case of the state and to the agent for each other participating employer an actuarially determined estimate of the rate of contribution which will be required, together with all accumulated contributions and other assets of the system, to be paid by each such participating employer to pay all liabilities which shall exist or accrue under the system, including amortization of the actuarial accrued liability as determined by the board. The board shall determine the actuarial cost method to be used in annual actuarial valuations, to determine the employer contribution rates that shall be certified by the board. Such certified rate of contribution, amortization methods and periods and actuarial cost method shall be based on the standards set forth in ~~subsection (3)(a) of~~ K.S.A. 74-4908(3)(a), and amendments thereto, and shall not be based on any other purpose outside of the needs of the system.

(b) (i) For employers affiliating on and after January 1, 1999, upon the basis of an annual actuarial valuation and appraisal of the system conducted in the manner provided for in K.S.A. 74-4908, and amendments thereto, the board shall certify, on or before July 15 of each year to each such employer an actuarially determined estimate of the rate of contribution which shall be required to be paid by each such employer to pay all of the liabilities which shall accrue under the system from and after the entry date as determined by the board, upon recommendation of the actuary. Such rate shall be termed the employer's participating service contribution and shall be uniform for all participating employers. Such additional liability shall be amortized as determined by the board. For all participating employers described in this section, the board shall determine the actuarial cost method to be used in annual actuarial valuations to determine the employer contribution rates that shall be certified by the board.

(ii) The board shall determine for each such employer separately an amount sufficient to amortize all liabilities for prior service costs which shall have accrued at the time of entry into the system. On the basis of such determination the board shall annually certify to each such employer separately an actuarially determined estimate of the rate of contribution which shall be required to be paid by that employer to pay all of the liabilities for such prior service costs. Such rate shall be termed the employer's prior service contribution.

(2) The division of the budget and the governor shall include in the budget and in the budget request for appropriations for personal services the sum required to satisfy the state's obligation under this act as certified by the board and shall present the same to the legislature for allowance and appropriation.

(3) Each other participating employer shall appropriate and pay to the system a sum sufficient to satisfy the obligation under this act as certified by the board.

(4) Each participating employer is hereby authorized to pay the employer's contribution from the same fund that the compensation for which such contribution is made is paid from or from any other funds available to it for such purpose. Each political subdivision, other than an instrumentality of the state, which is by law authorized to levy taxes for other purposes, may levy annually at the time of its levy of taxes, a tax which may be in addition to all other taxes authorized by law for the purpose of making its contributions under this act and, in the case of cities and counties, to pay a portion of the principal and interest on bonds issued under the authority of K.S.A. 12-1774, and amendments thereto, by cities located in the county, which tax, together with any other fund available, shall be sufficient to enable it to make such contribution. In lieu of levying the tax authorized in this subsection, any taxing subdivision may pay such costs from any employee benefits contribution fund established pursuant to K.S.A. 12-16,102, and amendments thereto. Each participating employer which is not by law authorized to levy taxes as described above, but which prepares a budget for its expenses for the ensuing year and presents the same to a governing body which is authorized by law to levy taxes as described above, may include in its budget an amount sufficient to make its contributions under this act which may be in addition to all other taxes authorized by law. Such governing body to which the budget is submitted for approval, may levy a tax sufficient to allow the participating employer to make its contributions under this act, which tax, together with any other fund available, shall be sufficient to enable the participating employer to make the contributions required by this act.

(5) (a) The rate of contribution certified to a participating employer as provided in this section shall apply during the fiscal year of the participating employer which begins in the second calendar year following the year of the actuarial valuation.

(b) (i) Except as specifically provided in this section, for fiscal years commencing in calendar year 1996 and in each subsequent calendar year, the rate of contribution certified to the state of Kansas shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than 0.2% of the amount of compensation upon which members contribute during the period.

(ii) Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to the state of Kansas and to the participating employers under K.S.A. 74-4931, and amendments thereto, shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (A) For the fiscal year commencing in calendar years 2010 through 2012, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2013, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (C) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (D) for the fiscal year commencing in calendar year 2015, the employer rate of contribution shall be 10.91%, except that if bonds issued pursuant to section 1, and amendments thereto, have debt service payments that are fully or partially financed through the use of capitalized interest, or have capitalized interest-only debt service payments, the employer rate of contribution shall be an amount not to exceed more than 1.1% of the amount of the immediately preceding fiscal year; and (E) for the fiscal year commencing in calendar year 2016, the employer rate of contribution shall be 10.81%, except that if bonds issued pursuant to section 1, and amendments thereto, have debt service payments that are fully or partially financed through the use of capitalized interest, or have capitalized interest-only debt service payments, the employer rate of contribution shall be an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year; and (F) in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year. As used in this subsection, "capitalized interest" means interest payments on the bonds that are pre-funded or financed from bond proceeds as part of the issue for a specified period of time in order to offset one or more initial debt service payments.

(iii) Except as specifically provided in this section, for fiscal years commencing in calendar year 1997 and in each subsequent calendar year, the rate of contribution certified to participating employers other

than the state of Kansas shall in no event exceed such participating employer's contribution rate for the immediately preceding fiscal year by more than 0.15% of the amount of compensation upon which members contribute during the period.

(iv) Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to participating employers other than the state of Kansas shall in no event exceed the contribution rate for such employers for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (A) For the fiscal year commencing in calendar years 2010 through 2013, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (C) for the fiscal year commencing in calendar year 2015, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (D) for the fiscal year commencing in calendar year 2016, an amount not to exceed more than 1.1% of the amount of the immediately preceding fiscal year; and (E) for the fiscal year commencing in calendar year 2017, and in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year.

(v) As part of the annual actuarial valuation, there shall be a separate employer rate of contribution calculated for the state of Kansas, a separate employer rate of contribution calculated for participating employers under K.S.A. 74-4931, and amendments thereto, a combined employer rate of contribution calculated for the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto, and a separate employer rate of contribution calculated for all other participating employers.

(vi) There shall be a combined employer rate of contribution certified to the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto. There shall be a separate employer rate of contribution certified to all other participating employers.

(vii) If the combined employer rate of contribution calculated for the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto, is greater than the separate employer rate of contribution for the state of Kansas, the difference in the two rates applied to the actual payroll of the state of Kansas for the applicable fiscal year shall be calculated. This amount shall be certified by the board for deposit as additional employer contributions to the retirement benefit accumulation reserve for the participating employers under K.S.A. 74-4931, and amendments thereto.

(6) The actuarial cost of any legislation enacted in the 1994 session of the Kansas legislature will be included in the June 30, 1994, actuarial valuation in determining contribution rates for participating employers.

(7) The actuarial cost of the provisions of K.S.A. 74-4950i, and amendments thereto, will be included in the June 30, 1998, actuarial valuation in determining contribution rates for participating employers. The actuarial accrued liability incurred for the provisions of K.S.A. 74-4950i, and amendments thereto, shall be amortized over 15 years.

(8) Except as otherwise provided by law, the actuarial cost of any legislation enacted by the Kansas legislature, except the actuarial cost of K.S.A. 74-49,114a, and amendments thereto, shall be in addition to the employer contribution rates certified for the employer contribution rate in the fiscal year immediately following such enactment. Such actuarial cost shall be determined by the qualified actuary employed or retained by the system pursuant to K.S.A. 74-4908, and amendments thereto, and reported to the system and the joint committee on pensions, investments and benefits.

(9) Notwithstanding the provisions of subsection (8), the actuarial cost of the provisions of K.S.A. 74-49,109 et seq., and amendments thereto, shall be first reflected in employer contribution rates effective with the first day of the first payroll period for the fiscal year 2005. The actuarial accrued liability incurred for the provisions of K.S.A. 74-49,109 et seq., and amendments thereto, shall be amortized over 10 years.

(10) The cost of the postretirement benefit payment provided pursuant to the provisions of K.S.A. 2014 Supp. 74-49,114b, and amendments thereto, for retirants other than local retirants as described in subsection (11) or insured disability benefit recipients shall be paid in the fiscal year commencing on July 1, 2007.

(11) The actuarial accrued liability incurred for the provisions of K.S.A. 2014 Supp. 74-49,114b, and amendments thereto, for the KPERS local group and retirants who were employees of local employers which affiliated with the Kansas police and firemen's retirement system shall be amortized over 10 years.

(continued)

(12) The cost of the postretirement benefit payment provided pursuant to the provisions of K.S.A. 2014 Supp. 74-49,114c, and amendments thereto, for retirants other than local retirants as described in subsection (13) or insured disability benefit recipients shall be paid in the fiscal year commencing on July 1, 2008.

(13) The actuarial accrued liability incurred for the provisions of K.S.A. 2014 Supp. 74-49,114c, and amendments thereto, for the KPERs local group and retirants who were employees of local employers which affiliated with the Kansas police and firemen's retirement system shall be amortized over 10 years.

(14) The board with the advice of the actuary may fix the contribution rates for participating employers joining the system after one year from the first entry date or for employers who exercise the option contained in K.S.A. 74-4912, and amendments thereto, at rates different from the rate fixed for employers joining within one year of the first entry date.

(15) Employer contributions shall in no way be limited by any other act which now or in the future establishes or limits the compensation of any member.

(16) Notwithstanding any provision of law to the contrary, each participating employer shall remit quarterly, or as the board may otherwise provide, all employee deductions and required employer contributions to the executive director for credit to the Kansas public employees retirement fund within three days after the end of the period covered by the remittance by electronic funds transfer. Remittances of such deductions and contributions received after such date are delinquent.
