Department of Transportation**Request for Comments**

In accordance with Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) requirements, the Kansas Department of Transportation (KDOT) requests comments on the draft Federal Fiscal Year (FFY) 2018-2021 Statewide Transportation Improvement Program (STIP) for Kansas.

The STIP is a project specific publication that lists KDOT administered projects, regardless of funding source, including projects for counties and cities as well as projects on the state highway system for a four-year period (October 1, 2017 to September 30, 2021). In addition, an index of projects being advance constructed, summarizing the conversion year(s), and conversion amount by phase for each project listed, is provided. Projects that are developed or revised after the preparation of this STIP document will use the STIP amendment process.

Supplementing the project information is a narrative that briefly describes KDOT's public involvement process, project selection process, program financing and fiscal constraint anticipated for the STIP, and an overview of KDOT's public transportation program. Also, included within the STIP narrative are brief descriptions of the programs administered by entities other than KDOT. These programs which are required by federal law to be

(continued)

included in the STIP are: the Federal Lands and Tribal Transportation programs administered by the Office of Federal Lands Highway and the Bureau of Indian Affairs; Recreational Trails, administered by Kansas Wildlife, Parks & Tourism; and the Transportation Improvement Programs (TIPs) administered by each of the Metropolitan Planning Organizations (MPOs) for the six urbanized areas of Kansas. The six state MPOs are: the Mid-America Regional Council (MARC) for the Kansas City area; the Lawrence-Douglas County Metropolitan Planning Office; the Wichita Area Metropolitan Planning Organization (WAMPO) that serves Sedgwick County and the cities of Andover and Mulvane; the Metropolitan Topeka Planning Organization, the Flint Hills Metropolitan Planning Organization that serves the cities of Manhattan, Ogden, Junction City, and Wamego, and the St. Joseph Area Transportation Study Organization that serves Doniphan County in the cities of Wathena and Ellwood.

Owner/Operator: Nathan and Stacie LaBarge; Description: Acquisition of 46 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Nathan and Stacie LaBarge (the "Beginning Farmer") and is located at Section 4, Township 6, Range 2, Cloud County, Kansas, approximately 3 miles east of Concordia, Kansas on Hwy 9, 1 mile south and 1/2 mile west. description of property

The bonds, when issued, will be a limited obligation of the K DFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the K DFA, nor will they be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bonds will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bonds when they become due.

(continued)
