## Notice to Contractors

Electronic copies of the letting proposals and plans are available on the KDOT website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "NonBid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CDT) March 21, 2018. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 SW Harrison, Topeka, Kansas, at 1:30 p.m. (CDT) March 21, 2018. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid non-responsive and not eligible for award consideration.

## Notice of Hearing

A public hearing will be conducted at 9:00 a.m. Thursday, March 15, 2018, in the offices of the Kansas Development Finance Authority (KDFFA), 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposal for the KDFFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

**Project No. 001004 Maximum Principal Amount: \$130,000.** Owner/Operator: Gerard E. Enneking; Description: Acquisition of 78.5 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Gerard E. Enneking (the "Beginning Farmer") and is located at Section 16, Granada Township, Nemaha County, Kansas, approximately 5 miles northeast of Goff, Kansas at the intersection of 72nd and U Roads.

The bond, when issued, will be a limited obligation of the KDFFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFFA.

**State of Kansas**

**Department of Health and Environment**

**Notice of Hearing on Proposed  
 Administrative Regulations**

The Kansas Department of Health and Environment (KDHE), Division of Public Health, Bureau of Family Health, will conduct a public hearing at 10:00 a.m. Wednesday, May 9, 2018, in Room 530, Curtis State Office Building, 1000 SW Jackson, Topeka, Kansas, to consider the adoption of proposed amended maternal and child health regulations K.A.R. 28-4-125, 28-4-584, and 28-4-705. The proposed amended regulations apply to various child care facilities, school-age programs, and drop-in programs, respectively. They were developed cooperatively with the Kansas Department for Children and Families (DCF) to implement federal requirements pertaining to the Child Care and Development Fund (CCDF) State Plan.

A summary of the proposed amended regulations and estimated economic impact follows:

**Summary of Regulations:**

**K.A.R. 28-4-125. Background checks.** This general child care regulation applies to licensed day care homes, group day care homes, child care centers, and preschools. It lists requirements for criminal history and child abuse registry checks for individuals affiliated with a child care facility. The proposed amendments describe changes to the requirements, including fingerprint-based checks.

**K.A.R. 28-4-584. Background checks.** This regulation applies to licensed school-age programs. It lists requirements for criminal history and child abuse registry checks for individuals working or volunteering in a program. The proposed amendments describe changes to the requirements, including fingerprint-based checks.

**K.A.R. 28-4-705. Background checks.** This regulation

applies to drop-in programs. It lists requirements for individuals working or volunteering in a program. The proposed amendments describe changes to the requirements, including fingerprint-based checks.

**Economic Impact:**

**Cost to the agency:** The primary additional costs to the agency pertain to enhancements of the existing KDHE Child Care Licensing and Registration Information System (CLARIS). As part of implementing the new fingerprint background check activities, there will be a CLARIS interface with the KanCheck system, a system being developed and implemented by the Kansas Department of Aging and Disability Services (KDADS) to assist the various state agencies to implement background checks in an efficient and timely manner. The associated costs are covered in a Memorandum of Agreement with DCF, utilizing Child Care Development Block Grant (CCDBG) funds. These are federal funds received from the U.S. Department of Health and Human Services to subsidize child care for low-income working families and to improve child care quality. Costs will be absorbed in the ongoing KDHE budget.

**Cost to licensees:** Costs to each individual for background checks will be based on the fees charged by the Kansas Bureau of Investigation and the Federal Bureau of Investigation that is anticipated to be approximately \$50. It is anticipated that some licensees will choose to cover these costs for individuals associated with their facilities. 45 CFR 98.43(f) states that "Fees that a State, Territory, or Tribe may charge for the costs of processing applications and administering a criminal background check as required by this section shall not exceed the actual costs for the processing and administration."

**Costs to other governmental agencies or units:** KDADS has received federal grant funding from the Centers for Medicare and Medicaid Services to develop and maintain KanCheck. CLARIS will interface with KanCheck to enable KDHE to receive the results of the background checks required in the three amended regulations. This will not require additional costs to other government agencies.

(continued)

**K.A.R. 14-13-1: Definitions.** The proposed amendment to this regulation coincides with the implementation of K.S.A. 2017 Supp. 41-212 (2017 House Sub. for SB 13), which shall be effective on or after April 1, 2019. The definition for “cereal malt beverage” is added to the existing regulation. There will be no foreseeable economic impact from defining this term.

**K.A.R. 14-13-2: Application for retail liquor license; requirements, conditions, and restrictions on issuance of license.** The proposed amendment to this regulation coincides with the implementation of K.S.A. 2017 Supp. 41-212 (2017 House Sub. for SB 13), which shall be effective on or after April 1, 2019. The proposed amendment to this regulation requires the application for renewal of a retailer’s license to include a statement of gross receipts from the previous 12-month period showing the sale of all goods and services other than cereal malt beverage and alcoholic liquor is not more than 20% of the retailer’s total gross sales. The potential economic impact for this regulation is that retail liquor storeowners may have the ability to expand their sales. This may help to off-set the shift of some sales of beer from retail liquor stores to grocery and convenience stores holding a cereal malt beverage retailer license.

**K.A.R. 14-13-10: Records of purchases and sales; retention of records; reports.** The proposed amendment to this regulation coincides with the implementation of K.S.A. 2017 Supp. 41-212 (2017 House Sub. for SB 13). The proposed amendment to this regulation requires each retailer to keep all sales receipts involving the sale to any customer of all alcoholic liquor, cereal malt beverage and any other good or service, excluding the sales of lottery tickets and cigarette and tobacco products. There will be no foreseeable economic impact from defining this term.

**K.A.R. 14-13-13: Prohibited conduct of retailer.** The proposed amendment to this regulation is to not allow a retailer’s manager or employee to *be* intoxicated while on duty for the licensee. Presently the regulation prohibits the retailer’s manager or employee to *become* intoxicated while on duty for the licensee. There is no economic impact related to this proposed amendment.

**K.A.R. 14-25-1 to K.A.R. 14-25-6: Off-Premise Cereal Malt Beverage Retailers.** These are proposed new regulations related to the implementation of K.S.A. 2017 Supp. 41-212 (2017 House Sub. for SB 13). Specifically, that the Director of the Alcoholic Beverage Control Division promulgate rules and regulations making applicable to cereal malt beverage retailers selling beer containing not more than 6% alcohol by volume such provision of the existing rules and regulations concerning industry trade practices as are necessary and appropriate. Effective April 1, 2019, off-premise cereal malt beverage retailers will also be able to expand their inventory to sell beer containing not more than 6% alcohol by volume in addition to the cereal malt beverage they currently sell.

**K.A.R. 14-25-1: Definitions.** This is a proposed new regulation to provide definitions for off-premise cereal malt beverage retailers.

**K.A.R. 14-25-2: Trade practices; applicability.** This proposed new regulation relates to the trade practices of

off-premise cereal malt beverage retailers and adopts by reference K.A.R. 14-10-17.

**K.A.R. 14-25-3: Retailer’s responsibility for conduct of business and employees.** This is a proposed new regulation to identify the responsibilities of any person selling cereal malt beverage or beer containing not more than six percent alcohol by volume. This regulation is consistent with K.A.R. 14-13-5, which provides the responsibility for each retail liquor dealer.

**K.A.R. 14-25-4: Recordkeeping.** This is a proposed new regulation to provide notice of the required receipts and other documentation that shall be maintained for any retailer purchasing or selling cereal malt beverage or beer containing not more than six percent alcohol by volume. This regulation is consistent with K.A.R. 14-13-10, which provides notice of the required receipts and other documentation for each retail liquor dealer.

**K.A.R. 14-25-5: Transfer of retailer’s inventory; application for permission; seizure and sale of abandoned inventory.** This is a proposed new regulation to provide any person selling cereal malt beverage or beer containing not more than six percent alcohol by volume with guidance on the transfer of their stock of alcoholic liquor. This regulation is consistent with K.A.R. 14-13-8, which provides each retail liquor dealer with guidance on the transfer of his or her stock of alcoholic liquor.

**K.A.R. 14-25-6: Prohibited conduct of retailer.** This is a proposed new regulation to identify prohibited acts by any person selling cereal malt beverage or beer containing not more than six percent alcohol by volume. This regulation is consistent with K.A.R. 14-13-13, which identifies the prohibited acts for each retail liquor dealer.

**K.A.R. 14-26-1 to K.A.R. 14-26-8: On-Premise Cereal Malt Beverage Retailers.** These are proposed new regulations related to the implementation of K.S.A. 2017 Supp. 41-212 (2017 House Sub. for SB 13). **K.A.R. 14-26-1: Definitions.** This is a proposed new regulation to provide definitions for on-premise cereal malt beverage retailers.

**K.A.R. 14-26-2: Trade practices; applicability.** This proposed new regulation relates to the trade practices of on-premise cereal malt beverage retailers and adopts by reference K.A.R. 14-10-17.

**K.A.R. 14-26-3: Retailer’s responsibility for conduct of business and employees.** This is a proposed new regulation to identify the responsibilities of any person selling cereal malt beverage or beer containing not more than six percent alcohol by volume. This regulation is consistent with K.A.R. 14-21-11, which provides the responsibility for each retailer.

**K.A.R. 14-26-4: Refusal of right to enter or inspect licensed premises prohibited.** This is a proposed new regulation to allow the inspection of the licensed premises of any drinking establishment selling cereal malt beverage or beer containing not more than six percent alcohol by volume.

**K.A.R. 14-26-5: Minimum prices for drinks; acquisition cost.** This is a proposed new regulation to prohibit a retailer from selling any drink to any person for less than the acquisition cost of that drink to the retailer selling cereal malt beverage or beer containing not more than six percent alcohol by volume. This regulation is consistent with K.A.R. 14-21-15, which prohibits a drinking establishment from selling any drink to any person for less than the acquisition cost of that drink to the retailer.

**K.A.R. 14-26-6: Recordkeeping.** This is a proposed new regulation to provide notice of the required receipts and other documentation that shall be maintained for any retailer purchasing or selling cereal malt beverage or beer containing not more than six percent alcohol by volume. **K.A.R. 14-26-7: Storage of cereal malt beverage or beer containing not more than six percent alcohol by volume; removal from licensed premises.** This is a proposed new regulation that requires each retailer to store its cereal malt beverage or beer containing not more than six percent alcohol by volume on the licensed premises, unless there is prior approval from the director to do otherwise.
