**Request for Comments**

The Kansas Department of Transportation (KDOT) requests comments on the amendment of the Statewide Transportation Improvement Program (STIP) FY 19-22. The comprehensive list of project(s) being amended to the STIP may be viewed online at: <http://www.ksdot.org/bureaus/burProgProjMgmt/stip/stip.asp>. The project list includes projects for counties, cities, and projects on the State Highway System.

The amendment of the STIP requires a public comment period of 14 days. To make comment on this STIP amendment, contact KDOT's Bureau of Program and Project Management, 2nd Floor Tower, 700 SW Harrison, Topeka, KS 66603-3754, phone 785-296-2252, fax 785-296-8168.

This information is available in alternative accessible formats. To obtain an alternative format, contact the KDOT Office of Public Affairs, 785-296-3585 (Voice/Hearing Impaired-711).

The comment period regarding the STIP amendment for these projects will conclude October 31st, 2018.

**Notice to Contractors**

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic Internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. local time November 14, 2018. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 SW Harrison, Topeka, Kansas, at 1:30 p.m. local time November 14, 2018. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each bidder shall certify that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

#### Notice of Hearing Postponement

In the matter of the City of Wichita's phase II aquifer storage and recovery project in Harvey and Sedgwick Counties, Kansas, the Chief Engineer of the Division of Water Resources, Kansas Department of Agriculture, previously announced that a public hearing concerning proposed changes and additions to the City of Wichita's project was scheduled to be held on October 22, 2018. That public hearing is postponed until December 11, 2018. The City of Wichita has withdrawn several applications that were to be considered and therefore the scope of the hearing has been narrowed and will only consider the other proposed changes to the existing project.

The hearing will commence at 9:00 a.m. December 11, 2018, at American Ag Credit, 4105 N. Ridge Rd., Wichita, KS 67205. If the hearing cannot be completed in one day, the proceedings will continue at 9:00 a.m. December 12, 2018, at the same location. The public and all interested parties are encouraged to submit oral comments at the hearing or written comments prior to 5:00 p.m. January 11, 2019. Written testimony may be submitted by mailing a copy to Ronda Hutton, Kansas Department of Agriculture, 1320 Research Park Dr., Manhattan, KS 66502, Attn: Wichita ASR Project Testimony or an electronic copy may be submitted via email to [ronda.hutton@ks.gov](mailto:ronda.hutton@ks.gov). More information on the proposed changes are available online at <http://www.agriculture.ks.gov/WichitaASR>.

### Department of Health and Environment

#### Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. WTG Hugoton, LP – Tate Compressor Station has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

WTG Hugoton, LP, 211 N. Colorado, Midland, TX 79701, owns and operates a compressor station located at Section 32, T26S, R36W, Kearny County, Kansas.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS

66612-1366 and at the Southwest District Office (SWDO), 302 W. McArtor Rd., Dodge City, KS 67801. To obtain or review the proposed permit and supporting documentation, contact Rick Bolfig, 785-296-1576, at the central office of the KDHE or Ethel Evans, 620-356-1075 at the SWDO. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Rick Bolfig, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than noon Monday, November 19, 2018.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Rick Bolfig, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than noon Monday, November 19, 2018 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

**Notice Concerning Kansas/Federal Water  
Pollution Control Permits and Applications**

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been pre-

pared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.
