Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU) intends to directly lease, and indirectly sublease through its affiliate corporation Wichita State Innovation Alliance, Inc., subject to all required state approvals, an approximate ground area consisting of 150,000 square feet or less with the potential for expansion for parking, for the private development of one or more partnership buildings. This private development shall be located west of Oliver, between 17th and 18th streets, on the Wichita State University main campus. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, and specifically an emphasis on supporting and growing advanced laboratories for research, testing, and innovation in data infrastructure/storage, video surveillance storage, IOT, security, analytics, visualization/modeling, and machine learning/AI. The university intends to lease such ground for any period of time up to sixty-five years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's

(continued)

educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Rental rate shall be assessed per leased or leasable square foot of the building but is negotiable based on term of lease and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will be considered until a selection is made or this notice is withdrawn. If interested, please contact Vice President for Research and Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or University Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU) is interested in entering into a long-term ground lease, subject to all required state approvals, for approximately 1.4 acres of property located at 1741 and 1755 N. Hillside. The university is interested in leasing such property to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good and providing retail, restaurant, and service centers that would be desirable and beneficial to the international student community. The university intends to lease this property for any period of time up to 65 years, but extended terms and renewal options would be considered. Interested tenants must be willing to provide the university an option to lease back improved office/classroom/lab space up to 11,000 square feet. Interested tenants must be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: financial stability and strength, proposal terms, demonstrated benefit to WSU and the community, design concepts, and proposed use. Rental rate may be negotiated based on square foot of leased ground or leasable square foot of the building. The university will consider serious of-

fers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will be considered until a selection is made or this notice is withdrawn. Notice of Intent to Lease Land and/or Building Space

Public notice is hereby given that Wichita State University (WSU) intends to lease available land and building space. The university will consider leasing such property and/or space to those whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, or otherwise provide supporting services and amenities to the campus community (such as restaurants, retail establishments, financial institutions, etc.). Because tenant use must be a good fit with the university's educational mission and available space, please be prepared to provide the following information: (1) name; (2) square footage of space needs and desired lease term and location; (3) equipment, design, or other special needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students, and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). The university will consider serious offers and inquiries from any financially qualified individual, group, organization, or company. Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

The proposed action is to reissue an existing pretreatment permit for an existing facility. This facility operates a small job shop and performs zinc electroplating and chromating operations in two buildings on-site. Examples of the parts plated include nuts, bolts and washers made of steel. The proposed permit contains pretreatment limits for pH, total toxic organics, cadmium, chromium, copper, lead, nickel, silver, zinc and cyanide.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of

Health and Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367.

All comments regarding the draft documents or application notices received on or before December 21, 2019, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-19-352/359, KS-AG-R-19-026, KS-Q-19-302/309, KS-PT-19-009/010) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdheks.gov/feedlots>. **Notice Concerning Proposed
Phase II Acid Rain Permit**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is proposing to issue a five-year permit to the Emporia Energy Center, 1685 200th Rd., Emporia, KS 66801, pursuant to Title IV (Acid Deposition Control) of the Federal Clean Air Act and implementing regulations found at 40 CFR Parts 72 through 78. The effective date of the permit is from January 1, 2020 through December 31, 2024.

Seven (7) simple cycle combustion turbines affected by this permit action, identified as EEC1 through EEC7, are located at 1685 200th Rd., Emporia, KS 66801, operated by Evergy, Inc., PO Box 889, Topeka, KS 66601, would receive 0 allowances, respectively, for each year from 2020 through 2024. Each allowance authorizes the affected unit(s) to emit up to one ton of sulfur dioxide during or after each of the years specified above. Emporia Energy Center proposes to comply with the Acid Rain Program emission requirements by holding enough allowances to cover all sulfur dioxide emissions. Issuance of this permit would not affect the responsibility of Emporia Energy Center to meet all other existing local, state, and federal sulfur dioxide emission requirements.

The designated representative for Emporia Energy Center is John T. Bridson.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Southeast District Office, 308 W. 14th St., Chanute, KS 66720. To obtain or review the proposed permit and supporting documentation, contact Matthew Reynolds, 785-296-1719, at the central office of the KDHE or Caitlin Brown, 620-431-2390, at the Southeast District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE, BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Matthew Reynolds, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. (Published in the Kansas Register November 21, 2019.)

City of Lenexa, Kansas

Notice to Bidders

Sealed bids for 95th Street and Santa Fe Trail Drive intersection improvements (KDOT: 46N-0665-01, CMS: 17196001) will be accepted by the City of Lenexa, Kansas at the Community Development Department, Lenexa City Hall, 17101 W. 87th St. Pkwy., Lenexa, KS 66219, until 10:00 a.m. (CST) December 11, 2019, at which time bids will be publicly opened and read aloud. Any bid received after the designated closing time will not be considered and will be returned unopened.

All bids shall be submitted to the Community Development Department Customer Service Staff (Main Level) in sealed envelopes addressed to the City of Lenexa, Kansas, Attn: City Clerk, and marked "Bid for: 95th Street and Santa Fe Trail Drive Intersection Improvements. KDOT: 46N-0665-01. CMS: 17196001.

Bidder desiring contract documents for use in preparing bids, as well as copies of plans, specifications, bidding documents, and other contract documents are on file and may be obtained at Drexel Technologies, Inc., 10840 W. 86th St., Lenexa, KS 66214, or <http://planroom.drexeltech.com/>. Note: Davis Bacon Wage Rates apply to this project

Each bidder will be responsible for ensuring that it has received any and all addenda issued by city in accordance with IB-10 of the instructions to bidders. Contractors should read and be fully familiar with all contract documents including addenda before submitting a bid. In submitting a bid, the bidder warrants that it has read the contract documents and is fully familiar therewith and that it has visited the site of the work to fully inform itself as to all existing conditions and limitations and shall include in its bid a sum to cover the cost of all items of the work as specified in the contract documents.

No oral telegraphic, telephonic proposals, or alterations will be considered. Facsimile transmissions will not be accepted.

The following items must be included in the sealed envelope with the bid:

- a. Bid form;
- b. 5% bid security—bid bond, cashier’s check or certified check (see below); and
- c. Acknowledgment of addenda issued by the city.

Each bidder shall file with its bid a bid bond, a cashier’s check, or a certified check drawn on an acceptable bank, made payable to City of Lenexa, Kansas, in an amount equal to five percent (5%) of the total bid, which shall be retained by City of Lenexa, Kansas until a contract for the project has been executed. Bid bonds will be returned to the bidders, with the exception of the best and lowest and second best and second lowest responsible bidders, within twenty-one (21) days after their bids are rejected. The bid deposit of the lowest and the second lowest responsible bidders will be returned when the performance bond, maintenance bond, and statutory bond, each in an amount equal to 100% of the contract amount; required insurance certificates and other required documents shall have been furnished and the contract documents have been executed by the successful bidder.

In the event the low bidder is unable to execute the contract, for whatever reason, within the time provided in the Notice of Award, the city may annul the Notice of Award and the bid deposit may be forfeited and the city shall exercise its legal prerogatives, including, but not limited to, enforcement of its rights as to the bid security or specific performance.

The city reserves the right to accept or reject any and all bids and to waive any technicalities or irregularities therein. Bids may be modified or withdrawn by written request of the bidder received in the office of City Clerk, prior to the time and date for bid opening.

From and after the release of this notice, any party intending to bid on the above referenced project, including their officers, employees, agents, or contractors are specifically prohibited from communicating with any elected or appointed official of the city, directly or indirectly, with regard to the award of the contract for the project listed above, except as specifically authorized by the instructions to bidders. Any such unauthorized communication may result in the automatic disqualification of such bidder.

All bidders agree that rejection shall create no liability on the part of the city because of such rejection, and the filing of any bid in response to this notice shall constitute an agreement of the bidder to these conditions.

If this section is completed, a pre-bid conference will be held at 10:00 a.m. December 4, 2019, in the Lenexa City Hall Prairie Star Conference Room, 17101 W. 87th St. Pkwy., Lenexa, KS 66219.

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included
(continued)

cluded on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic Internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) December 18, 2019. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 SW Harrison, Topeka, Kansas, at 1:30 p.m. (CST) December 18, 2019. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

State of Kansas

Department of Transportation

Request for Proposals

Background and Purpose of Project

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for Project 54-88 KA-2385-03. The project is located on U.S. 54 in Seward County, Kansas from 0.11 miles southwest of U.S. 54/R Park Road intersection, northeast to 0.56 miles northeast of U.S. 54/Panhandle Road/Davies Road intersection.

Schedule/Deadlines

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) December 2, 2019, to be delivered via email to kdot.designcontracts@ks.gov. Evaluation and ranking of submissions will occur on or about December 16, 2019, after which time all firms that submitted will be notified

of the ranking. Negotiations with the most highly ranked firm to commence on or about December 30, 2019. An agreement should be in place on or about January 30, 2020. The contractor should start around March 2020.

Scope of Services to be Performed

KDOT will provide the project manager. The primary inspector provided is expected to work with and mentor the new KDOT project manager. They will assist with staffing needs to cover all construction operations. The inspector(s) must be capable and possess the required certifications to inspect any work on the project, which includes grading, PCCP, PCCP patching, concrete work, traffic control, bridges, pipes, subgrade, base, seeding, erosion control, SWPPP inspections, CMS or AASHTOWare data entry, and final paperwork, etc. Anticipated staffing needs: KDOT may need additional full time or intermittent inspectors estimated at two, that will fluctuate throughout the project depending on the project needs. Construction has a calendar completion date of June 24, 2022. Construction is expected to span 2020, 2021, and part of the 2022 construction seasons. There may not be a need for inspection over the 2020-2021 and 2021-2022 winters.

Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the Letter of Interest and a completed and signed Special Attachment No. 7 (“Certificate of Final Indirect Costs”), a completed and signed Special Attachment No. 8 (“Tax Clearance Certificate”), and a signed Special Attachment No. 10 (“Policy Regarding Sexual Harassment”). Completed Special Attachments do not count against the four-page technical proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant’s ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under “Scope of Services to be Performed.” The RFP shall also include items such as:

- Main project manager mentor
- Two additional inspectors
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT Standards and Specifications
- Any subconsultant and their role in performing the services on the project
- Names, certifications, and experience of all inspectors that will be assigned to the project

Evaluation Factors

Letters of Interest will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection needs of the project;

2. Employee names (1 full-time project manager mentor, 2 additional inspectors), certifications and qualifications proposed for services;
3. Proximity of inspectors to project;
4. Past performance history on similar projects (list project numbers) for KDOT;
5. Types of direct expenses anticipated (lodging, mileage, etc.);
6. Computer, nuclear gauge and mentoring experience in assisting a new engineer for KDOT.

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this Technical Proposal Request

- Special Attachment No. 7 (“Certificate of Final Indirect Costs”)
- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”).

Contract Terms and Conditions

A standard KDOT project inspection agreement will be used for this project. Current rate factors will be used for compensation, and special attachments for the Kansas “Tax Clearance Certificate,” the “Certificate of Final Indirect Costs,” and the “Policy Regarding Sexual Harassment” will become attachments to the contract.

Questions about this request for proposals shall be sent via email to kdot.designcontracts@ks.gov.

State of Kansas

Department of Transportation

Request for Proposals

Background and Purpose of Project

The City of Wichita, in coordination with the Kansas Department of Transportation, completed an improvement project in June of 2018 at the 111th Street West intersection on West Kellogg Avenue (U.S. 54/U.S. 400). The project removed a traffic signal and eradicated the 111th Street West intersection. Traffic now circulates between area businesses and the U.S. 54/U.S. 400 corridor by utilizing the existing frontage road network; additionally, vehicles traveling southbound on 111th Street West to eastbound U.S. 54/U.S. 400 traffic must now travel westbound and perform a U-turn at 119th Street West. The city’s project included additional pavement at the 119th Street West intersection to facilitate U-turn maneuvers for heavy-commercial truck traffic. Area businesses have questioned the effectiveness of the improvement project since completion; more recently, a business owner ex-

(continued)

pressed interest with restoring (limited) direct access from U.S. 54/U.S. 400 to 111th Street West by means of a westbound right-turn exit from U.S. 54/U.S. 400 to go north onto 111th Street West.

Scope of Services to be Performed

The Kansas Department of Transportation (KDOT) is seeking a consultant, prequalified in category 231 Traffic Control Analysis and Design, to provide a third-party, objective assessment of the city's improvement project (Project 54-87 KA-5562-01) and determine to what degree the project has improved the overall safety and operational experience for the traveling public. The consultant will also evaluate the request to construct a westbound right-turn from U.S. 54/U.S. 400 to go north onto 111th Street West from a safety and operational standpoint, including any impacts to the westbound on-ramp from Maize Road and the north frontage road.

Anticipated Schedule for Subsequent Events

Request for Proposals (RFPs) are due by 12:00 p.m. (CST) December 6, 2019. Evaluation and ranking of technical proposals on or about December 20, 2019 after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about January 6, 2020. Agreement in place and in effect January 20, 2020. RFP's are to be delivered via email to kdot.designcontracts@ks.gov.

Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total to address the pertinent topics. Please use the following naming convention for submittal...FirmName-54-87 KA-5562-01. RFP's submitted will consist of the proposal and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a completed and signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Subconsultants will need to complete these attachments as well.

RFP's shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce deliverables described above under "Scope of Services to be Performed." Also, include items such as:

- Project manager/engineer in charge.
- History of projects with similar tasks.
- Availability of staff to meet schedule without overtime.
- Familiarity with KDOT standards and content.
- Any subconsultant and their role (if any) that will be performing services on the project.

Evaluation Factors

RFP's will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors:

1. the quality and completeness of the response;
2. qualifications and experience of consultant design personnel/manager proposed for services;
3. proposed approach for review and analysis;
4. availability to respond to the work;
5. degree to which the firm can provide an objective review and analysis;

6. local input; and
7. past performance history for similar projects/services for KDOT.

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to Request for Proposals

- Special Attachment No. 7 ("Certificate of Final Indirect Costs")
- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment")

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for this project. Special attachments for the Kansas "Tax Clearance Certificate," the "Certification of Final Indirect Costs," and the Special Attachment No. 10 ("Policy Regarding Sexual Harassment") will also eventually become attachments to the contract.

Questions about this RFP shall be sent by email to KDOT at kdot.designcontracts@ks.gov.

(Published in the Kansas Register November 21, 2019.)

Watco Transportation Services, LLC

Request for Proposals

Watco Transportation Services, LLC is seeking proposals to perform new construction and other ancillary railroad work for the proposed Gavilon Grain project near Silica, Kansas.

Scope

Provide all necessary labor, equipment, and logistical services to supply all materials called for, complete all railroad turnout and track construction work, grade work, seeding, silt fence, and complete other ancillary railroad work required for the Gavilon Grain project. The scope is further described as follows:

- Provide and install approximately 1,585 feet – 115# jointed rail; new 7inch crossties; all needed OTM bolts, angle bars, plates, spikes, and anchors; apply box every 3rd ties; and solid anchor all fixed structures.
- Provide and install one AREMA #10 Turnouts/115# with Sampson points (insulated) and switch ties; approximately 1,585 feet of number 1 relay (tested) rail; one directional flip over derail with flag.
- Provide and install subgrade materials, silt fence, seeding, ballast, tamp and regulate.
- Provide and install 220 ties in existing track along with OTM.

Minimum Requirements

- I. MSA and Roadway Worker Protection: Contractors must complete, and have on file, a current Master Services Agreement with Watco Transportation Services, LLC prior to submitting a proposal.
 - A. Contractor shall comply with all parts of 49 CFR Part 214 regarding FRA Roadway Worker Safety at all times. Men and equipment shall remain clear of the track unless they have gained Roadway Worker Protection from a qualified person.
 - B. Contractor must complete registration of all workers for this project at www.contractororientation.com
- II. Work Windows: Impact to current railroad operations must be kept to a minimum. When work must take place that causes an active track to be taken out of service for the purposes of performing work that pertains to the project, the contractor must pre-arrange a defined work window with the railroad. A minimum of 72 hours of notification is required to the railroad to arrange this window.
 - Work windows shall consist of daily eight-hour windows which shall be granted at anytime in a period of 10 hours between the hours of 07:00 and 17:00. Work windows may be arranged seven days a week, if desired. Current railroad operations consist of at least one train per day through the work area. This train operates in the evening hours; however, this schedule is subject to change at any time. This topic will be further discussed and clarified during the pre-proposal meeting.
- III. Standards: All standards referenced by the Project Plans and Specifications, as well as all applicable AREMA standards, must be upheld during all phases of the project work, unless certain standards are excluded from the project with written approval by Watco Transportation Services, LLC. All rail shall be replaced at standard gauge of 56-1/2."
- IV. Submittals: The following documents shall be submitted by the contractor as part of the project – at the times listed:
 - A. Schedule of Work – Submitted with proposal
 - B. Certificate of Insurance – Submitted prior to construction
 - C. Safety Plan – Submitted prior to construction
 - D. Proof of Roadway Worker Training – Submitted prior to construction
 - E. Rail Testing (If AREMA #1 Relay Rail is Used) – Submitted prior to construction
 - F. "Buy America" Documentation – **Not required**
 - G. Rail Weld UT Test Requirements (All Rail Comp Welds) – Submitted with billing
- V. Insurance: Contractor shall purchase required coverage and submit for verification a Certificate of Insurance. Insurance must comply with requirements found in Exhibit B.
- VI. Materials: All materials shall meet the requirements found in the project plans and/or specifications as well as applicable AREMA requirements. Material

storage is granted on railroad right of way to the contractor. However, no materials shall be stored closer than 15' from the centerline of any active track at any time. Material and equipment laydown areas and reclaimed materials stockpiling locations shall be discussed and further clarified at the pre-proposal meeting. All removed materials remain property of the KO Railroad, to be stockpiled as directed by a railroad representative.

VII. Rail Relay and Turnout Construction: Contractor shall relay all rail, replace all turnouts and install other special trackwork per the Project Plans and Specifications. All materials used shall meet AREMA requirements, as well as requirements shown in the Project Plans and Specifications.

Non-Project Areas

Watco Transportation Services, LLC has secured access to the project through the railroad right of way. Other access may be obtained by the contractor if he so chooses. All areas (public, private, and railroad right of way) that are used for access to the project, including parts of the railroad right of way which have no proposed work, shall be maintained and/or remediated, incidental to the project, by the contractor to the satisfaction of the property owner if any damage to these areas occurs.

Project Completion

All work pertaining to this project shall be completed by May 30, 2020. Failure to complete work by May 30, 2020 may result in the contractor's removal from the property or charges of \$2500 a day until completed to satisfaction.

Pre-Proposal Meeting

Watco Transportation Services, LLC shall hold a pre-proposal meeting at the project site at 11:00 a.m. (CST) January 7, 2020 at Gavilon Grain, Silica, Kansas. Contractors **are required** to be present at this meeting to submit a proposal or proposal can be rejected.

Submission of a Proposal

All proposals must be submitted no later than January 24, 2020. All submitted proposals shall be reviewed by Watco Transportation Services, LLC. Please ensure your proposal includes all required information. All incomplete proposals shall be rejected. Contractors who wish to submit a proposal **must attend** the pre-proposal meeting. The structure of your proposal must be able to be clearly understood and shall provide the following line items and provide costs as required below:

1. Provide a total sum of all line items on the proposal
2. Mobilization and demobilization – lump sum
3. Construct new grade work
4. Construct 1,585 feet of new track
5. Construct one new complete turnouts

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9:00 a.m. Monday, December 9, 2019, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 001049 Maximum Principal Amount: \$130,000. Owner/Operator: Eric S. and Kelsey Wilson; Description: Acquisition of 155 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Eric S. and Kelsey Wilson (the "Beginning Farmer") and is located at the Northwest Quarter of Section 9, Township 15, Range 01, Dickinson County, Kansas, approximately 3 miles west of Holland, Kansas on 1200 Avenue.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.
