**Notice of Requested Architectural Services**

Notice is hereby given of the commencement of the selection process for architectural services for the programming phase of the remodel of Morse Central Hall at Emporia State University. Emporia State University (ESU) is seeking architectural services for the programming phase of a planned move of its nursing program into a building to be remodeled. ESU plans to relocate the Department of Nursing from a leased off-campus facility (Cora Miller Hall) into a portion of an existing building on-campus (Morse Central). Aside from the fiscal optimization, this relocation will reconnect nursing students' and faculty's experiences to the main campus, an opportunity not leveraged due to their current off-campus location. This move allows campus consolidation of space and programming, creates state-of-the-art learning spaces for our students, and will enable a more focused and deliberate investment in interdisciplinary program technologies, such as healthcare cybersecurity, forensic science, and pre-med programs. The priority for this space is to build capacity and enhance our Department of Nursing program(s). The use of the remaining space will be determined as the space optimization review of campus continues. A successful programming phase may lead to the firm being retained for design and construction phase services. The construction budget is \$5,695,000.

**Request for Qualifications**

The Kansas Department of Transportation (KDOT) will release a Request for Qualifications (RFQ) Thursday, April 28, 2022, for the US-54/US-400 – Sedgwick and But-

ler County progressive design-build project. The RFQ will be available at <https://eastkellogg.ksdotike.org>.

Prospective design-build teams must submit their Statement of Qualifications (SOQs) by 2:00 p.m. (CDT) Monday, July 11, 2022. The SOQ presents, in general terms, the design-build teams' qualifications for the project. KDOT will evaluate the SOQs and announce the shortlisted teams by Thursday, July 28, 2022.

KDOT will use a two-step process to select a design-build team. This RFQ to solicit SOQs is the first step KDOT will use to evaluate which teams are most qualified to successfully deliver the project. KDOT will shortlist up to four teams based on the SOQs. The second step, a Request for Proposals (RFP), is anticipated to be released by KDOT to the shortlisted teams Friday, July 29, 2022. It is anticipated that shortlisted teams will submit proposals Tuesday, September 20, 2022 for KDOT's evaluation and that KDOT will select a winning team Monday, October 10, 2022.

The US-54/US-400 – Sedgwick and Butler County project has received approval to move forward as Kansas' first progressive design-build project. The project will follow the existing alignment of US-54/US-400 from the intersection of K-96 to just east of the North 159th St. E. intersection and expand the existing facility to become a controlled-access freeway facility with additional travel lanes, frontage roads, and a reconfigured K-96 interchange.

If you are interested in submitting a Statement of Qualifications, please examine the RFQ posted April 28, 2022 on the project website at <https://eastkellogg.ksdotike.org>. The project website also contains additional information about the project and the progressive design build delivery method.

If you have problems accessing the RFQ, please contact [eastkellogg@ksdotike.org](mailto:eastkellogg@ksdotike.org).

**Notice of Hearing**

A public hearing will be conducted at 9:00 a.m. Tuesday, May 31, 2022, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposal for the KDFA to issue its Agricultural Development Revenue Bonds for the projects numbered below in the respective maximum principal amounts. The bonds will be issued to assist the borrowers named below (who will be the owners and operators of the projects) to finance the cost in the amount of the bonds, which are then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The projects shall be located as shown:

**Project No. 001099 Maximum Principal Amount: \$118,300.** Owner/Operator: Kyle Bloom; Description: Acquisition of 80 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the “Project”). Bloom (the “Beginning Farmer”) and is located at the East Half of the Northwest Quarter of Section 36, Harrison Township, Nemaha County, Kansas, approximately ½-mile east of Goff, Kansas on 56th Rd and R Rd.

The bonds, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will they be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bonds will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bonds when they become due.

Interested individuals may participate in the public hearing in person or via conference call. Please call 415-655-0001 and use conference identification number 145 880 8929 followed by # to join the conference.

(b) An offender who is required to register pursuant to K.S.A. 22-4906(k), and amendments thereto, because of an out-of-state conviction or adjudication may not petition for relief from registration requirements in this state if the offender would be required to register under the law of the state or jurisdiction where the conviction or adjudication occurred. If the offender would no longer be required to register under the law of the state or jurisdiction where the conviction or adjudication occurred, the offender may file a verified petition pursuant to subsection (a).

(c) Any period of time during which an offender is incarcerated in any jail or correctional facility or during which the offender does not substantially comply with the requirements of the Kansas offender registration act shall not count toward the duration of registration required in subsection (a).

(2) Any risk assessment ordered under this subsection shall be performed by a professional agreed upon by the parties or a professional approved by the court. Such risk assessment shall be performed at the offender's expense.

(f) The court shall order relief from registration requirements if the offender shows by clear and convincing evidence that:

In the Cash in a Flash game, the player will scratch the play area to reveal three “WINNING SYMBOLS” and 10 “YOUR SYMBOLS” with a prize amount shown below each “YOUR SYMBOL.” If the player matches any of the “YOUR SYMBOLS” to the “WINNING SYMBOLS,” the player wins the amount shown below the matching “YOUR SYMBOL.”

In the prize doubler area, if the player reveals a symbol of a 2X, the player wins double the total winning prize of both games.

(g) Each ticket in this game may win up to 20 times.

(h) Approximately 1,400,000 tickets shall be ordered initially for this instant game. Additional ticket orders shall have the same prize structure, the same number of prizes per prize pool of 200,000 tickets, and the same odds as were contained in the initial ticket order.
