Kansas Governor’s Grants Program

Notice of Available Grant Funding

The Kansas Byrne State Crisis Intervention Program Advisory Board (SCIP Advisory Board) establishes the guidelines for the Federal Byrne State Crisis Intervention Program (SCIP) grant program. The SCIP Solicitation outlines the funding priorities for organizations applying for SCIP grant funds. The funds are intended to assist state, local, and tribal efforts to prevent or reduce gun violence and violent crime. Eligible applicants for SCIP funding include units of state and local government; Courts, Native American Tribes; and nonprofit, com-

munity, and faith-based organizations, including underserved and culturally specific populations.

Priority will be given to applications clearly supporting the Kansas SCIP Plan (Plan) and submitting a complete application. A copy of the Plan and the SCIP Solicitation, may be downloaded at <https://grants.ks.gov/grant-programs/federal-byrne-state-crisis-intervention-program-scip>.

All grant applications must be submitted by email to kggpapp@ks.gov by 11:59 p.m. November 7, 2023. For more information, contact the Kansas Governor’s Grants Program at 785-291-3205 or at kggp@ks.gov.

Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to four acres of real property located on the Wichita State University's campus designated as the "Innovation Campus," for the private development and operation of a partnership building or buildings. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. The university intends to lease such space for a mutually agreeable period of time up to sixty years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Interested tenants will be required to construct adjacent and adequate surface parking that will not be included in the leased ground. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of building improvement, and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization. If interested, please contact Senior Vice President for Industry and Defense Programs, Dr. John Tomblin at john.tomblin@wichita.edu or Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Las acciones propuestas con respecto a los documentos preliminares se basan en la revisión del personal, aplicando los estándares, regulaciones y limitaciones de efluentes apropiados del estado de Kansas y de la Agencia de Protección Ambiental de Estados Unidos. La acción final resultará en la emisión de una Autorización Federal del Sistema Nacional de Eliminación de Descargas de Contaminantes y un permiso de Control de Contaminación del Agua de Kansas, sujeto a ciertas condiciones, revocación y reemisión del permiso designado o terminación del permiso designado. The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility strip mines slab rock used in landscaping lawns, retaining walls and for other purposes. Outfall 001A and 002A consists of stormwater runoff. The proposed permit contains generic language to protect the waters of the state.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before November 4, 2023 will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-23-282/290, KS-Q-23-176) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Casey Guccione, Section Chief, Livestock Waste Management Section at the KDHE Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Andrew Bowman at the KDHE Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Mirina Landry at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone (785) 296-0076 or email at kdhe.feedlots@ks.gov. Las preguntas o comentarios por escrito deben dirigirse a Erich Glave, Director, Bureau of Environmental Field Services en KDHE: 1000 SW Jackson St., Suite 430, Topeka, Kansas 66612-1367; por correo electrónico: kdhe.feedlots@ks.gov; por teléfono: 785-296-6432. For all other proposed permits or actions an appointment can be scheduled, or copies requested

by contacting Neal Niceswanger, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612, telephone 785-296-6804 or email at Neal.Niceswanger@ks.gov. These documents are available upon request at the copying cost assessed by KDHE. Department of Transportation

Request for Applications

The Kansas Department of Transportation (KDOT) Office of Public Transportation is now accepting applications for the following Federal Transit Administration (FTA) programs:

- U.S.C. 49-5310 – Specialized Transportation for the Elderly and Disabled
- U.S.C. 49-5311 – General Public Transportation in Non-urbanized Areas
- U.S.C. 49-5311(f)- Intercity Bus

This application is to fund agency needs for State Fiscal Year 2025 (July 1, 2024, through June 30, 2025). The application is required annually from all KDOT funded 5310, 5311 transit provider agencies including those not requesting capital and/or operating expenses.

U.S.C. 49-5310 – Specialized Transportation for the Elderly and Disabled

The purpose of the U.S.C. 49-5310 program is to provide funds to support private non-profit corporations and authorized governments to provide transportation services to meet the special needs of the elderly and persons with disabilities. Federal funding under this program is available for capital expenditures only. State funding is available for operating expenses with the maximum award set by KDOT. Operating reimbursements will be made at a 70% state and 30% local share. Capital awards are supported 80% federal and 20% local.

U.S.C. 49-5311 – General Public Transportation in Non-urbanized Areas

The purpose of the U.S.C. 49-5311 program is to provide funds to support rural and non-urbanized (cities less than 50,000 population) public transportation projects. The goal of the U.S.C. 49-5311 program is to provide services to the general public on an equal opportunity basis. Funds can be used for either operating, administrative, or capital expenses. Operating costs are supported 50% federal, 20% state, and 30% local. Administrative expenses are supported 80% federal and 20% state. Capital awards are supported 80% federal and 20% local.

U.S.C. 49-5311(f)- Intercity Bus

The purpose of the U.S.C. 49-5311(f) program is to provide funds to support the intercity bus system and its purpose as a vital link between isolated rural communities and the rest of the nation. The goal of the U.S.C. 49-5311(f) program is to support the connection between nonurbanized areas and the larger regional or national system, meet the intercity travel needs of residents in nonurbanized areas, and support the infrastructure of the intercity bus network.

Awards for federal ICB operating assistance require a 50% local match. If in-kind match of unsubsidized intercity routes is proposed, documentation of availability must be included. Proposals for capital purchases should include all appropriate bid documents, vehicle specifications, associated routes and justification for purchase, a

(continued)

capital investment plan (including information on vehicles that will be replaced), and any additional supporting documents.

Application Process

All applications are to be submitted via KDOT's on-line grant management portal at <https://secure.blackcat.grants.com/Login.aspx?site=ksdot>. New applicants will need to request access by contacting Taylor Zortman via email at Taylor.L.Zortman@ks.gov.

KDOT has developed selection criteria to be used by the Kansas Coordinated Transit District Council (KCTDC) in evaluating the 5310 and 5311 capital request applications. The applications will be ranked by the KCTDC in January 2024. After the application ranking by the KCTDC, KDOT staff will use the selection criteria in their evaluation of the applications. It should be noted that all items on the application must be completed. Points will be deducted in the ranking process for missing or incomplete information.

Questions can be directed to KDOTtransit@ks.gov.

All application materials must be submitted to KDOT online by 3:00 p.m. Thursday, November 16, 2023. Applications received after the deadline will not be accepted.

(B) complete a preceptor orientation that includes information about the pedagogical aspects of the student-preceptor relationship and course information.

(3) Each nursing program shall have a written plan that includes the method of selection of preceptors, the roles of the faculty members and preceptors, and the methods of contact between faculty members and preceptors during the preceptorship.

(4) Each nurse faculty member shall have academic preparation and experience as follows:

(A) Each nurse faculty member who is assigned the responsibility of a course shall hold a baccalaureate degree. Each person who is hired as a nurse faculty member shall have a baccalaureate or higher degree in nursing, except for any person whose degree was conferred on or before July 1, 2001.

(B) Each nurse faculty member responsible for clinical instruction shall possess a baccalaureate degree or provide to the board a faculty degree plan that projects completion of a baccalaureate degree. Each person who is hired as a nurse faculty member responsible for clinical instruction shall meet one of the following requirements:

(i) Have a baccalaureate or higher degree in nursing, except for any person whose degree was conferred on or before July 1, 2001; or

(ii) provide to the board a faculty degree plan that projects completion of a baccalaureate or higher degree in nursing.

(c)(1) For each nursing program, each nursing program administrator shall submit to the board the following:

(A) A faculty qualification report for each faculty member newly employed. Faculty with a continuing appointment shall have an appropriate degree;

(B) a faculty degree plan reflecting completion of the degree within six years for each instructor without the appropriate degree. Upon completion of the degree, a transcript showing completion of the nursing program shall be submitted to the board; and

(C) notification and a rationale for each faculty member who is not following the degree plan as submitted.

(2) The nursing program administrator may request a faculty hire exception to be approved by the board's professional staff, if faculty meeting the criteria specified in this regulation are not available, by providing documentation of the following:

(A) A lack of qualified applicants;

(B) a rationale for the need to hire the applicant;

(C) the applicant's qualifications; and

(D) a plan for faculty recruitment. (Authorized by K.S.A. 65-1129; implementing K.S.A. 65-1119; effective April 4, 1997; amended Jan. 24, 2003; amended Jan. 1, 2022; amended Oct. 20, 2023.)
