Opinion No. 2012-20

Re: State Boards, Commissions and Authorities—State Lottery—Kansas Expanded Lottery Act; Restrictions on State and Local Officials and Affiliated Persons.

Synopsis: K.S.A. 2011 Supp. 74-8762(b) provides that “[n]o state or local official or affiliated person shall hold, directly or indirectly, an interest in” a casino. This prohibition refers to ownership or control of a legal or equitable interest in a casino; a person does not hold an interest in a casino merely by working for or owning a stake in a company that does business with the casino. For purposes of K.S.A. 2011 Supp. 74-8762(b), a state or local official, or affiliated person, is “employed by” a casino if the person is an “employee” of the casino, a term that does not include independent contractors or individuals who only sell goods to a casino. Cited herein: K.S.A. 2011 Supp. 74-8702; 74-8762; K.S.A. 74-8801; 74-8802; 75-4301 *et seq.*; K.S.A. 2011 Supp. 75-4303a. (Issued September 25, 2012.)

Opinion No. 2012-21

Re: Cities and Municipalities—Franchises—Granting of Franchises; Organized Collection Service Establishment; Application.

Synopsis: The Organized Service Collection Act is triggered by a municipality’s decision to establish an organized collection service as defined by K.S.A. 2011 Supp. 12-2035(b), and does not apply to the renewal or renegotiation of contracts for an existing organized collection service system. K.S.A. 2011 Supp. 12-2001(a)(6) does not prohibit a city or county from contracting for solid waste

collection services in lieu of granting a franchise for such services. Cited herein: K.S.A. 2011 Supp. 12-2001; 12-2034; 12-2035; 12-2036; 12-2037; K.S.A. 19-2676; 19-2677; 75-704. (Issued September 28, 2012.)

Opinion No. 2012-22

Re: Legislature—State Governmental Ethics—Registration of Lobbyists; Fees; Constitutionality.

State Departments; Public Officers and Employees—Secretary of State—Information and Services Fees; Technology Communication Fee Fund; Fees Remitted and Credited; Constitutionality.

Constitution of the United States—Freedom of Religion, Speech and Press; Rights and Immunities of Citizens—Freedom of Speech; Lobbying; Fees; Constitutionality.

Synopsis: Increases in the lobbyist registration fee, the information and services fee, and the technology communication fee may be only in such amounts as are necessary to defray the expense of regulating lobbyists or providing certain services and materials. Failure to associate increases in such fees with the costs of the activities could subject the increases to challenges under the Freedom of Speech Clause of the First Amendment of the United States Constitution. Cited herein: K.S.A. 25-4119; K.S.A. 2011 Supp. 46-265; K.S.A. 75-435; K.S.A. 2011 Supp. 75-438; 75-444; K.A.R. 7-16-1; K.A.R. 7-16-2; L. 2003, ch. 143, § 1; L. 1982, ch. 363, §§ 1, 4; U.S. Const., Amend. I. (Issued September 28, 2012.)

Request for Proposals

The Kansas Department for Children and Families and the Kansas Children's Cabinet and Trust Fund announce the release of a request for proposals for the Kansas Early Childhood Block Grant. This grant is designed to provide early childhood services to at-risk children (age 0-5) and their families to meet specific early childhood outcomes. Eligible applicants are nonprofit agencies/organizations, including faith-based and community organizations, with expertise in serving the at-risk birth to five populations and their families; and unified school districts or county governments. The proposals must reflect evidence-based approaches to achieve outcomes that enhance school readiness for at-risk children. Evidence-based practice (EBP) is the integration of the best available research within the context of the child, family and community characteristics.

Complete proposals should include one original and five copies and be sent to Kansas Children's Cabinet and Trust Fund, Room 152, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612. Department of Transportation

Request for Applications for FTA Program Funding

The Kansas Department of Transportation, Office of Public Transportation is now accepting applications for the Federal Transit Administration (FTA) programs:

- **U.S.C. 49-5310** — Specialized Transportation for the Elderly and Disabled
- **U.S.C. 49-5311** — General Public Transportation in Nonurbanized Areas
- **U.S.C. 49-5311(f)** — Intercity Public Transportation in Nonurbanized Areas
- **U.S.C. 49-5316** — Job Access Reverse Commute (JARC)
- **U.S.C. 49-5317** — New Freedom

The application is to cover applicant agencies' needs for state fiscal year 2014 (July 1, 2013 through June 30, 2014). The application is required annually from all KDOT-funded 5310, 5311, 5316 and 5317 transit provider agencies including those not requesting capital and/or operating expenses.

The application is available on the KDOT Public Transportation website at <http://www.ksdot.org/burTransPlan/pubtrans/index.asp>.

The purpose of the **U.S.C. 49-5310** program is to provide funds to support private nonprofit corporations and authorized governments to provide transportation services to meet the special needs of the elderly and persons with disabilities. Federal funding under this program is available for capital expenditures only. State funding is available for operating expenses up to maximum of \$4,000.

The purpose of the **U.S.C. 49-5311** program is to provide funds to support rural and nonurbanized (cities less than 50,000 population) public transportation projects. The goal of the U.S.C. 49-5311 program is to provide services to the general public on an equal opportunity basis. Funds can be used for either operating or capital expenses.

The purpose of the **U.S.C. 49-5311(f)** program is to support the connection between nonurbanized areas and the larger regional or national system of intercity bus and to support services to meet the intercity travel needs of residents in nonurbanized areas.

The purpose of the **U.S.C. 49-5316** Job Access & Reverse Commute (JARC) program is to improve access to transportation services to employment and employment-related activities for welfare recipients and eligible low income individuals and to transport residents of urbanized and nonurbanized areas to suburban employment opportunities.

The **U.S.C. 49-5317** New Freedom formula grant program aims to provide additional tools to overcome existing barriers facing Americans with disabilities and seeks to reduce the barriers to transportation services and expand the transportation mobility options available to people with disabilities beyond the requirements of the Americans with Disabilities Act (ADA) of 1990.

The state funding for urban and rural public transportation for the state fiscal year 2014 is budgeted at \$11 mil-

lion. With the challenging financial situation facing the state of Kansas, it is possible that state fund availability could be reduced, which may increase the requirement for local match.

Applications for the 5310, 5311, 5316 and 5317 funds must be local units of government, Indian Tribes, or private nonprofit organizations registered with the Kansas secretary of state to do business in Kansas. In addition, all applicants must be an active member in good standing of their Coordinated Transit District (CTD) in order to receive funding. Those agencies applying for funds in the metropolitan areas of Kansas City, Wichita, Lawrence and Topeka need to contact their respective Metropolitan Planning Organization (MPO) to ensure that their application request is included in the MPO's Transportation Improvement Program (TIP).

When downloading the applications from the Internet, potential applicants will need the appropriate application form, application instructions and vehicle cost estimates. The CTD and KDOT contact lists also are available on the website. Any potential applicants that do not have Internet access can request an application by contacting the KDOT Public Transit Office.

The application must indicate whether the request is for replacement vehicles, an expansion of services currently provided, a new start application, or if the application is for the funding of only operating assistance. "New start" is defined as any proposed service that was not previously in existence. "Expansion" is defined as adding transit service to areas not already receiving services (for example, providing services to new locations or adding evening and weekend service).

KDOT has developed selection criteria to be used by the Kansas Coordinated Transit District Council (KCTDC) in evaluating the capital request applications. The applications will be ranked by the KCTDC in January 2013. After the application ranking by the KCTDC, KDOT staff will use the selection criteria in its evaluation of the applications. It should be noted that all items on the application must be completed. Points will be deducted in the ranking process for missing or incomplete information.

All applications must be received by 3 p.m. Friday, November 30, at the KDOT Office of Public Transportation, 2nd Floor (Planning), Eisenhower State Office Building, 700 S.W. Harrison, Topeka, 66603-3745. Applications received after the deadline will not be accepted.

Doc. No. 040979

State of Kansas

Governmental Ethics Commission

Opinion No. 2012-05 – Revised

Written September 19, 2012, to Patricia Long, Topeka.

Synopsis: A state employee may be substantially involved in the preparation of or participate in the making of a contract with any business in which the brother of the employee's husband has a substantial interest. Thus, a state employee is allowed to participate in the review of proposals, the selection of bids and/or the negotiation process for the new contracts resulting from the RFP for child welfare programs delivered by licensed child placing agencies if the company that employs the brother of employee's husband submits a bid.

Cited herein: K.S.A. 46-229; K.S.A. 2011 Supp. 46-233.

Dear Ms. Long:

This opinion is in response to your letter dated July 30, 2012, wherein you request an opinion from the Kansas Governmental Ethics Commission, concerning application of the state conflict of interest laws, K.S.A. 46-215 *et seq.* We note at the outset that the Commission's jurisdiction is limited to the applicability of K.S.A. 46-215 *et seq.*, and the Commission's opinion does not address whether some other statutory system, common law theory, or agency rule or regulation applies to your inquiry.

Factual Statement

You request this opinion in your capacity as a program administrator for the Division of Prevention and Protection Services of the Department for Children and Family Services (DCF). You explain that your responsibilities include administration and oversight of the foster care and adoption programs. Services under these child welfare programs are delivered by licensed child placing agencies under contract with DCF. The contracts are the result of negotiated, competitive bids submitted in response to a request for proposals (RFP). The next RFP is being developed and you are participating in the RFP development process.

You indicate that your husband's brother is employed by TFI Family Services Inc. (TFI). TFI was one of the successful bidders during the last procurement process. You state that whether TFI submits a proposal or not, you would like to participate in the review of proposals, the selection of bids and/or the negotiation process for the new contracts resulting from the RFP.

Question

Do the conflict of interest laws prohibit or limit your participation in the review of proposals, the selection of bids and/or the negotiation process for the new contracts if TFI submits a proposal?

Analysis and Opinion

K.S.A. 2011 Supp. 46-233(a) places restrictions on a state employee's participation in state contracts. That statute states in pertinent part as follows:

(1) No state officer or employee shall in the capacity as such officer or employee be *substantially involved in the preparation of or participate in the making of a contract* with any person or business by which such officer or employee

is employed or in whose business such officer or employee or any member of such officer's or employee's *immediate family* has a substantial interest. . . .¹

"Substantially involved in the preparation or participate in the making of a contract" means "having approved or disapproved a contract or having provided significant factual or specific information or advice or recommendations in relation to the negotiated terms of the contract."² Based on your assertion that you would participate in the review of proposals, the selection of bids and/or the negotiation process for the new contracts resulting from the RFP, you would be substantially involved in the preparation or participation in the making of a contract that resulted from the RFP.

The next issue to consider is whether your husband's brother is a member of your "immediate family," which is not defined in K.S.A. 2011 Supp. 46-233 or anywhere in the state level conflict of interest laws. "Family member" is defined in a regulation concerning nepotism under the state level conflict of interest laws, K.A.R. 19-40-4(b)(1). That definition includes "parent, child, or sibling related by marriage as denoted by the suffix of 'in-law'." It is significant that the nepotism law uses the more general term, "family member," while K.S.A. 2011 Supp. 46-233 uses the qualifier "immediate" before "family." We believe that "immediate family" is more limited than "family member." Black's Law Dictionary defines "immediate family" as a "[t]erm generally referring to one's parents, wife or husband, children, and brothers and sisters."³ It is our opinion that the term "immediate family" as used in K.S.A. 2011 Supp. 46-233 includes parents, children, brothers and sisters, and a spouse, but does not include persons related by marriage as denoted by the suffix of "in-law."

Your husband's brother is thus not a member of your "immediate family."

A final issue to determine is whether a member of your immediate family has a "substantial interest" in TFI, Inc. The answer is found in K.S.A. 46-229(b):

If any individual or an individual's spouse, either individually or collectively, has received during the preceding calendar year compensation which is or will be required to be included as taxable income on federal income tax returns of the individual and spouse in an aggregate amount of \$2,000 from any business or combination of businesses, the individual has a substantial interest in that business or combination of businesses.

The brother of your husband would have a substantial interest in TFI from the time his taxable income from TFI equals or exceeds \$2,000. However, he is not considered to be a member of your immediate family.

Therefore, as a state employee, you may be substantially involved in the preparation of or participate in the making of a contract with any business in which your husband's brother, has a substantial interest. This allows you to participate in the review of proposals, the selection of bids and/or the negotiation process for the new contracts resulting from the RFP for child welfare programs delivered by licensed child placing agencies if TFI, Inc. submits a bid.

If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period.
