### Wildlife, Parks and Tourism Commission

#### Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted by the Wildlife, Parks and Tourism Commission at 7 p.m. Thursday, October 17, at the Kansas Cosmosphere and Space Center, 1100 N. Plum, Hutchinson, to consider the approval and adoption of proposed regulations of the Kansas Department of Wildlife, Parks and Tourism.

A general discussion and workshop meeting on business of the Wildlife, Parks and Tourism Commission will begin at 1:30 p.m. October 17 at the location listed above. The meeting will recess at approximately 5:30 p.m., then resume at 7 p.m. at the same location for the regulatory hearing and more business. There will be public comment periods at the beginning of the afternoon and evening meeting for any issues not on the agenda, and additional comment periods will be available during the meeting on agenda items. Old and new business also may be discussed at this time. If necessary to complete business matters, the commission will reconvene at 9 a.m. October 18 at the same location.

Any individual with a disability may request accommodation in order to participate in the public meeting and may request the meeting materials in an accessible format. Requests for accommodation should be made at least five working days in advance of the meeting by contacting Sheila Kemmis, commission secretary, at 620-672-5911. Persons with a hearing impairment may call the Kansas Commission for the Deaf and Hard of Hearing at 800-432-0698 to request special accommodations.

This 60-day notice period prior to the hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed administrative regulations. All interested parties may submit written comments prior to the hearing to the chairman of the commission, Kansas Department of Wildlife, Parks

and Tourism, 1020 S. Kansas Ave., Suite 200, Topeka, 66612, or to sheila.kemmis@ksoutdoors.com if electronically. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to the adoption of the proposed regulations. During the hearing, all written and oral comments submitted by interested parties will be considered by the commission as a basis for approving, amending and approving, or rejecting the proposed regulations.

The regulations that will be heard during the regulatory hearing portion of the meeting are as follows:

**K.A.R. 115-2-1.** This permanent regulation sets fees for various issues of the department. The proposed amendments would reduce resident and nonresident youth turkey, antelope and deer permit prices.

**Economic Impact Summary:** The proposed fee structure will result in a reduction to the wildlife fee fund of approximately \$191,430. However, it is anticipated that there will be an increase in youth participation that will offset part of the fee fund reduction but any amount is purely speculative at this point. Otherwise, the amendments will not have any negative economic impact on other agencies, small businesses or the public.

**K.A.R. 115-7-10.** This permanent regulation sets special provisions for fishing. The proposed amendments would prohibit fishing or collection of bait within a fish passage, as defined in the regulation, in order to reduce user conflicts.

**Economic Impact Summary:** The proposed amendments will not have any appreciable negative economic impact on the department, other agencies, small businesses or the public.

**K.A.R. 115-25-6.** This exempt regulation establishes the bag limits, permits, and game tags for the spring turkey season. The proposed changes would change opening dates beginning in 2015, splitting the youth season opening date away from the archery season and moving back the firearms season opening date back by one week.

**Economic Impact Summary:** The proposed version of the regulation is not anticipated to have any appreciable negative economic impact on the department, other agencies, small businesses or the public.

**K.A.R. 115-25-14.** This exempt regulation establishes creel limits, size limits, possession limits, and open seasons for fishing. The proposed version of the regulation would update the reference document related to creel limits and size limits at various bodies of water throughout the state.

**Economic Impact Summary:** The proposed version of the regulation is not anticipated to have any appreciable negative economic impact on the department, other agencies, small businesses or the public.

Copies of the complete text of the regulations and their respective economic impact statements may be obtained by writing the chairman of the commission at the address above, electronically on the department's website at [www.kdwpt.state.ks.us](http://www.kdwpt.state.ks.us), or by calling 785-296-2281.

a designee that a water purchase contract or a request to negotiate a water purchase contract relating to the same reservoir has been authorized by the authority. Notice shall be given, by first-class mail with postage prepaid, to the last address provided by each applicant. (d) If, after review, the director determines that the application does not meet the statutory requirements for an easement or that the comments and responses received from those receiving the notice of intent to grant easement raise questions or issues that need to be resolved before an easement should be granted, a notice of cancellation of the intent to grant easement that provides the cooperating landowner with information about the concerns raised or problems to be addressed shall be issued by the director. The notice of cancellation shall indicate that the notice of intent to grant easement will be cancelled on a date certain, but not less than 15 business days after the date of the notice to cancel. (c) For this booklet, a play/prize symbol shall appear in multiple play spots within the play area or areas.

(d) The ticket numbers in each book of tickets in this game shall start with 000 and end with 014.

(e) The price of instant tickets sold by a retailer for this game shall be \$20.00 each.

(f) The "Instant Scratch Game Book" is a ticket with six different games over six pages. Game 1 is Bingo, page 1 of 6. A player will scratch the "CALLERS CARD" and "BONUS NUMBERS" to reveal 30 Bingo numbers. The player will then scratch the corresponding numbers on

Cards 1 through 5. If a player completes a horizontal, vertical, or diagonal line, all four corners, or an "X" pattern (eight numbers plus FREE space), the player wins the corresponding prize for that card. The player will then scratch the multiplier area and multiply the "YOUR WINNING PRIZE" by the number revealed in the multiplier box to determine the "TOTAL WINNING PRIZE." A player can win up to five times in Game 1, but only one time per "GAME CARD."

Game 2 is Wild Cherry Doubler Crossword, page 2 of 6. A player will scratch the entire "YOUR LETTERS" area to reveal 20 "YOUR LETTERS." For each letter revealed in the "YOUR LETTERS" area, the player will scratch the same letter each time it is found in the "PUZZLE 1" and "PUZZLE 2" grids. If the player scratches four or more completed words in the same "PUZZLE," the player wins the corresponding prize found in the prize legend. If a completed word in a winning combination contains a "CHERRY" symbol, the player wins double the prize amount. A player can win up to two times in Game 2, but only one time in each "PUZZLE."

Game 3 is Money Maze, page 3 of 6. A player will scratch the square marked "HERE." The arrow revealed in the legend area will indicate which square is to be scratched next. A player will continue to scratch the play area following the arrows until the player exits the maze. If a player exits directly on a prize, the player wins that prize. A player can win up to three times in Game 3.

Game 4 is Dominoes, page 4 of 6. A player will scratch the "YOUR DOMINOES" and the "BONUS" play areas to uncover Dominoes. The player will then scratch any Dominoes in the "DOMINOES GRID" that exactly match "YOUR DOMINOES" and the "BONUS" Dominoes. If the player matches all of the Dominoes in any one horizontal line in the "DOMINOES GRID," the player wins the corresponding prize for that line. A player can win up to three times in Game 4.

Game 5 is Gold Rush, page 5 of 6. A player will scratch the "YOUR NUMBERS" play area and then scratch all of the numbers in Games 1 and 2 that match any of the "YOUR NUMBERS." If the player matches all of the numbers in a horizontal or vertical line in any game, the player wins the corresponding prize for that line. A player can win up to four times in Game 5.

Game 6 is Horseshoes, page 6 of 6. A player will scratch the "YOUR THROWS" play area to reveal the grid locations (letter-number combination). A player will then scratch all of the grid locations in the "HORSESHOE GRID" which exactly match the "YOUR THROWS" grid locations. If a player matches all of the grid locations on any one complete straight horizontal line in the "HORSESHOE GRID" with the "YOUR THROWS" grid locations, the player wins the corresponding prize amount pointing to that line. If the player completely matches the "RINGER" (grid locations C2, C3, C4, D4, E4, E3, and E2) with the "YOUR THROWS" grid locations, the player wins \$10,000. A player can win up to four times in Game 6.
