Notice of Hearing on Proposed Administrative Regulation

The Kansas Department of Health and Environment, Division of Health, Bureau of Epidemiology and Public Health Informatics (BEPHI), will conduct a public hearing at 1:30 p.m. Tuesday, February 25, in the Flint Hills Conference Room, Room 3A (third floor), Curtis State Office Building, 1000 S.W. Jackson, Topeka, to consider the adoption of proposed new regulation K.A.R. 28-1-23, pertaining to management of occupational exposures. This regulation is being proposed as both a temporary and a permanent regulation.

A summary of the proposed regulation and the estimated economic impact follows:

Summary of Regulation:

K.A.R. 28-1-23. The proposed regulation pertains to the management of occupational exposure to infectious or contagious diseases, blood, or other potentially infectious materials; defines terms used in the regulation; establishes notification requirements when a suspected occupational exposure occurs; and specifies the requirements for management of occupational exposures, including laboratory testing of a source person.

Economic Impact:

Cost to the agency: There is no additional cost to the agency. Costs, including staff time needed to develop electronic guidance documents and provide technical assistance to entities and persons affected by the regulation, will be absorbed in the current budget.

Cost to entities and persons affected by the proposed regulation: K.S.A. 2013 Supp. 65-128 expands the authority of the Kansas Department of Health and Environment to adopt regulations for management and testing for a broad array of specified infectious or contagious diseases and source persons and to cover additional types of workers. The proposed regulation requires that, based on the nature of incidents of occupational exposure to infec-

tious and contagious diseases or to blood or other potentially infectious materials, a source person be tested for certain infectious and contagious diseases. In practice, when an exposed person is a worker such as an emergency services employee, health care provider, law enforcement or corrections officer, or firefighter the employer typically pays for the appropriate tests. The costs for the tests can vary widely depending on which tests are needed.

Costs to other governmental agencies or units: The employer typically pays for appropriate tests for source persons when a worker is exposed to blood or other potentially infectious materials. In circumstances in which an employee is the source person, the employer would likely pay for baseline testing of the exposed person, such as a patient in health care or in an emergency transport setting, as needed. Many of the employers that will be affected by this regulation include city fire departments, county emergency services agencies, and other similar agencies. The costs for tests vary widely depending on which tests are needed. For example, antibody tests for human immunodeficiency virus (HIV) or hepatitis B virus may be less than \$20, while complex molecular tests such as tests to detect viral nucleic acid (DNA or RNA) may exceed \$150.

The time period between publication of this notice and the scheduled hearing serves as the required public comment period of at least 60 days for the purpose of receiving written public comments on the proposed new regulation. At any time during the public comment period, which ends at 5 p.m. on the day of the hearing, any interested parties may submit written comments to D. Charles Hunt, MPH, state epidemiologist and director, BEPHI, Kansas Department of Health and Environment, Suite 110, Curtis State Office Building, 1000 S.W. Jackson, Topeka, 66612-2221, by fax at 785-296-8869 or by email to chunt@kdheks.gov. During the hearing, all interested parties will be given a reasonable opportunity to present their views orally on the proposed regulation as well as an opportunity to submit their written comments. In order to give each individual an opportunity to present their views, it may be necessary for the hearing officer to request that each presenter limit any oral presentation to an appropriate time frame.

Complete copies of the proposed regulation and the corresponding economic impact statement may be obtained on the BEPHI website at www.kdheks.gov/bephi or by contacting D. Charles Hunt at the address above, 785-296-1415 or fax 785-296-8869.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting D. Charles Hunt.

(k) The physician or an inspector may, at any time, inspect the contents of the chief second's first-aid kit.

(l) If any second commits a violation of any regulation relating to seconds, the referee shall issue a warning to that second. If, after that warning, the second continues to violate any applicable regulation, the referee shall apply the penalties specified in K.A.R. 128-6-1(x), 128-6-2(o), or 128-6-4(o). (2) The timekeeper shall keep accurate time for each bout. The timekeeper shall keep an exact record of each time-out taken at the request of a referee for an examination of a contestant by the physician, the replacement of a glove, or the adjustment of any equipment during a round. The timekeeper shall report the exact time at which a bout is stopped for a time-out.

(c) Each timekeeper shall be impartial. No timekeeper shall signal to any contestant or second at any time during a bout. Any timekeeper who fails to meet the requirements of this subsection may be subject to discipline by the commission.

Material that tends to gather in lumps or ridges shall not be used for the floor, padding, or covering.

(c) The platform of each fenced-in area shall not be more than four feet above either the floor on which the

(d) Except for fencing, the fenced-in area shall be secure with no openings or space to allow any body part of a contestant to fit or pass through the area between the platform floor and fence.

(e) Each fence post and all metal components shall be padded and shall be inspected and approved by an inspector.

(f) The fencing used to enclose the fenced-in area shall be made of chain-link fencing that is coated with vinyl or a similar material and that prevents contestants from falling out of the fenced-in area or breaking through the fenced-in area onto the floor of the building or onto the spectators. The metal portion of the fencing shall not be abrasive to the contestants. The top and bottom rails of the fencing shall have at least one-inch foam padding and shall be covered in vinyl or another nonabrasive material.

(g) The corner padding of each platform shall be covered in vinyl or another nonabrasive material. No Velcro may be used on the platform area. The corner pads shall be secured to the fencing and platform.

(h) Each fenced-in area shall have at least one entrance. Each entrance shall be inspected and approved by the commission.

(i) No objects or materials shall be attached to any part of the fence surrounding the platform on which the contestants are to be competing.

(j) The final determination of whether a cage meets safety standards shall rest with the commission. (Authorized by K.S.A. 2012 Supp. 74-50,187; implementing K.S.A. 2012 Supp. 74-50,186 and 74-50,187; effective April 4, 2008; amended Dec. 20, 2013.)

(a) Each nationally recognized amateur sanctioning organization seeking approval by the commission shall submit an application on a form provided by the commission. The application shall include information outlining the organization's operational structure, governing rules, the name of a person responsible for communicating with the commission, and any other information deemed necessary by the commission. The applicant may be required by the commission to appear before it for a hearing on the application.

(b) Each nationally recognized amateur sanctioning organization approved to supervise an amateur event shall meet the following requirements:

(1) Demonstrate that all contestants are tested for HIV, hepatitis BsAG, and hepatitis Cab within 12 months of the date of any scheduled contest;

as the result of injuries received in the match and a policy in the amount of at least \$50,000 to be paid to the estate of the deceased contestant if the contestant dies as a result of participating in a match. The organization shall also demonstrate that the premiums on the policies are paid by the promoter and the terms of the insurance coverage do not require the contestant to pay a deductible for the medical, surgical, or hospital care for injuries that the contestant sustains while engaged in a contest;

(4) demonstrate that the organization requires shin guards for any striking or kicking;

(5) demonstrate that the organization does not enter into any exclusivity agreements with any promoters, contestants, or officials that prevent the promoters, contestants, or officials from working with other organizations; and

(6) demonstrate that the organization requires at least six-ounce gloves to be worn by the contestants.

(c) Before sanctioning any amateur events, each approved nationally recognized amateur sanctioning organization shall file with the commission a copy of the governing rules. The organization may be directed by the commission to amend its governing rules at any time. Failure to enforce the submitted and approved governing rules may be grounds for revocation of the organization's approval. The approval of any organization may be revoked or suspended by the commission, after a hearing. (Authorized by K.S.A. 2012 Supp. 74-50,187; implementing K.S.A. 2012 Supp. 74-50,186, 74-50,187, and 74-50,195; effective Dec. 20, 2013.)

(h) Each contestant shall be weighed by the boxing commissioner or the boxing commissioner's designee within 48 hours before the contest. The contestant shall have all weights stripped from the contestant's body before the contestant is weighed in, but any female contestant may wear shorts and a top. If a contestant's weight does not fall within the range for the weight classification of the contested weight in which the contestant is scheduled to compete in that contest, the contestant shall be reweighed within two hours. If the contestant's weight still does not fall within the range for that weight category, the contestant shall be disqualified by the boxing commissioner.

(i) Any contestant may be required by the commission to be reweighed one additional time if doubt concerning the contestant's actual weight exists.

(j) For each boxer whose weight exceeds the maximum amount, one or more of the following shall be determined by the commission:

(1) The boxer shall be allowed to lose up to two pounds of the boxer's existing weight.

(2) The boxer shall forfeit a portion of the purse.

(3) The boxer shall forfeit the contest.

(k) Each subsequent weigh-in shall be conducted at the venue of the event, before the commencement of the event, as directed by the commission. Any boxer, or the boxer's designee, may be present to witness the weigh-in of the opponent.

(l) No boxing contest or exhibition may be scheduled, and no boxer may engage in a boxing contest or exhibition, without the approval of the commission if the difference in weight between both boxers exceeds the allowance shown in the following schedule:

(8) over 195 lbs.	no limit

(m) After the time of the weigh-in, weight loss in excess of two pounds of the weight that the contestant had at the weigh-in shall not be permitted and shall not occur later than one hour after the boxer's initial weigh-in.

(n) Contestants scheduled to compete against one another may mutually agree to waive the requirements of subsection (j). This agreement shall be evidenced by a provision in the respective bout agreement and initialed by the contestants. The provision shall also provide notice to the contestants that there will be no restriction as to the amount of weight that the opponent may put on after the initial weigh-in and before the scheduled match.

(o) A one-pound allowance in the weight agreed upon in the bout agreement may be allowed by the commission. The one-pound allowance shall still be within the weight limits specified in subsection (l). No allowance shall be made for a championship bout.

(p) Any contestant who fails to appear at the appointed place and at the specified time to be examined and weighed or who leaves the designated area without permission of the commission before the weigh-in or the physical examination is completed may be subject to discipline by the commission, including suspension of license.

(q) For each failure to make weight as specified in this regulation, the contestant may be subject to penalties and sanctions, a fine, and a suspension or revocation of the contestant's license.

(r) Except as otherwise provided by this regulation, during the two hours following the time of weighing in, if a contestant is able to make the weight or weighs one pound or less outside the agreed limits, no forfeit may be imposed or fine assessed upon the contestant.

(s) If a contestant is unable due to illness to take part in a contest or exhibition in which the contestant has agreed to fight, the contestant shall immediately report the fact to the commission and, if requested by the commission, shall submit to an examination by a physician. The fee for the physician's examination shall be paid by the promoter if an examination is requested. Otherwise, the fee shall be paid by the contestant.

(t) The weight of each contestant or the classification in which each contestant will compete, or both, shall be announced at ringside.

(u) Each contestant's equipment shall meet the following requirements:

(1) Bandages on the hand of a contestant shall not exceed one winding of surgeon's adhesive tape, which shall not be over two inches wide, placed directly on the hand to protect the part of the hand near the wrist. The tape shall cross the back of the hand twice, but shall not extend within $\frac{3}{4}$ inch of the knuckles when the hand is clenched to make a fist.

(2) Each contestant shall use soft surgical bandage not over two inches wide, held in place by not more than 10 feet of surgeon's adhesive tape for each hand. Up to one 15-yard roll of gauze bandage shall be used to complete the wrappings for each hand. Strips of tape may be used between the fingers to hold down the bandages.

(3) Each bandage of the contestant shall be applied in the presence of both an inspector and the other contestant.

(4) Each hand wrapping placed on a contestant shall be examined and approved by an inspector. Each approved hand wrap shall be initialed by the inspector who examined it. The opponent may be present.

(5) Either contestant may witness the bandage and hand wrapping of the contestant. A contestant may waive the witnessing the bandaging or hand wrapping of the opponent's hands.

(6) The weight of each glove shall be at least eight ounces and not more than 16 ounces, and each glove shall have the thumb attached.

(7) Each contestant shall be gloved only in the presence of an inspector. The tape around the string of each approved glove shall be initialed by the inspector.

(8) No contestant or second shall twist or manipulate that contestant's gloves in any way. If a glove breaks or a string becomes untied during the bout, the referee shall instruct the timekeeper to signal a time-out while the glove is being adjusted.

(9) Each contestant's gloves shall be inspected by the referee of each bout. The referee shall ascertain that no foreign substances detrimental to an opponent have been applied to the gloves of any contestant. If the referee detects a problem with the gloves or any other equipment, the problem shall be fixed to the satisfaction of the referee and the inspector before the bout continues.

(10) Each contestant shall wear boxing-appropriate attire and protective devices, including a dental appliance or mouthpiece that has been individually fitted and approved by the boxing commissioner. Each male contestant shall wear a protective cup. Each contestant shall wear an abdominal protector, which shall protect the contestant against injury from a foul blow. The abdominal protector shall not cover or extend above the umbilicus. Each female contestant shall wear a protective pelvic girdle and either a plastic breast protector or a sport bra.

(11) The belt of the shorts shall not extend above the waistline. Shorts shall be without pockets or openings and shall be subject to approval by the chief inspectors.

(12) For each bout, male contestants shall not wear the same colors in the ring or, if the contest or exhibition is being held in a fenced area, without the approval of the chief inspector. Female contestants shall have two uniforms in contrasting colors, with each uniform consisting of a body shirt, blouse, and shorts.

(13) Contestants shall not use any cosmetic when competing.

(14) The inspector shall determine whether head or facial hair presents any hazard to the safety of a contestant or contestant's opponent or will interfere with the supervision of the contest or exhibition. A contestant shall not compete in the contest or exhibition unless the circum-

stances creating the hazard or potential interference are corrected to the satisfaction of the inspector.

(15) A contestant shall not wear any jewelry or any piercing accessories when competing in the contest or exhibition.

(16) The contestants' fingernails and thumbnails shall not extend past the tip of the fingers and thumbs.

(17) Only Vaseline[®] or a similar petroleum-based product may be lightly applied to the face, arms, or any other exposed part of a contestant's body.

(v) Before starting a bout, the referee shall ascertain from each contestant the name of the contestant's chief second. Before each bout, the referee shall call together both of the contestants and their chief seconds for final instructions.

(w) No person other than the contestants and the referee shall enter the ring during a bout. A second or manager shall not stand or engage in any distracting actions while the bout is in progress. For each contestant's seconds and manager, a combined total of two warnings for violating any requirement of this subsection shall result in the removal of the seconds and manager from the ring-side area, all of whom may be subject to discipline by the commission.

(x) Each preliminary contestant shall be ready to enter the ring immediately after the end of the preceding bout. Any contestant who is not ready to immediately proceed when called and, as a result, causes a delay may be subject to discipline by the commission.

(y) Before the referee requests the physician to aid or examine a contestant, the referee shall direct the timekeeper to stop the clock until otherwise directed by the referee.

(z) Any serious cuts or injuries to either contestant shall be treated by the physician. The physician shall determine whether to continue the bout as follows:

(1) The physician may enter the ring if requested by the referee to examine an injury to a contestant.

(2) If serious cuts or injuries to either contestant occur, the referee shall summon the physician, who shall aid the contestant and decide if the bout will be stopped. The final authority to determine whether to continue the bout shall rest with the physician.

(3) If the physician determines that a contestant who is cut or injured by legal blows cannot continue, the referee shall announce that contestant loses by a technical knockout.

(4) The referee may request that the attending physician examine a contestant during the bout. The physician may order the referee to stop the bout. The referee shall then render the appropriate decision regarding the outcome of the bout in accordance with K.A.R. 128-4-7.

(5) Except at the request of the physician, no manager or second shall be permitted to aid a stricken contestant.

(aa) If a contestant loses a dental appliance or mouthpiece during a round, the referee may call a time-out. If the referee calls a time-out for this reason, the referee shall direct the contestant's second to replace the dental appliance or mouthpiece.

(bb) Before a contestant may resume competing after having been knocked down or having fallen or slipped

(continued)

to the floor of the ring, the referee shall wipe the gloves of the contestant with a damp towel or the referee's shirt.

(cc) A boxer shall be deemed to be down when either of the following occurs:

(1) Any part of the boxer's body other than the feet is on the floor.

(2) The boxer is hanging over the ropes without the ability to protect that boxer, and the boxer cannot fall to the floor.

(dd) When a boxer is knocked down, the referee shall order the opponent to retire to the farthest neutral corner of the ring, by pointing to the corner, and shall immediately begin the count over the contestant who is down. The referee shall audibly announce the passing of the seconds and accompany the count with motions of the referee's arm, with the downward motion indicating the end of each second.

(ee) The timekeeper, by signaling, shall give the referee the correct one-second interval for the referee's count. The referee's count shall be the official count. Once the referee picks up the count from the timekeeper, the timekeeper shall cease counting. No boxer who is knocked down may be allowed to resume competing until the referee has finished counting to 10. The boxer may take the count either on the floor or standing.

(ff) If the opponent fails to stay in the farthest corner, the referee shall cease counting until the contestants are returned to their corners and shall then resume the count from the point at which the count was interrupted. If the boxer who is down arises before the count of 10, the referee may step between the contestants long enough to assure the referee that the contestant who has just arisen is in a condition to continue. If so assured, the referee shall, without loss of time, order both contestants to go on with the contest or exhibition. During the intervention by the referee, the striking of a blow by either contestant may be ruled a foul.

(gg) When a boxer is knocked out, the referee shall perform a full 10-second count unless, in the judgment of the referee, the safety of the boxer would be jeopardized by such a count. If the boxer who is knocked down is still down when the referee calls a count of 10, the referee shall wave both arms to indicate that the downed contestant has been knocked out.

(hh) If both contestants go down at the same time, the count shall continue as long as one contestant is still down. If both contestants remain down until the count of 10, the contest or exhibition shall be stopped and the decision shall be a technical draw.

(ii) If a boxer is down and the referee is in the process of counting at the end of a round, the bell indicating the end of a round shall not be sounded, but the bell shall be sounded as soon as the downed contestant stands up.

(jj) When a contestant has been knocked down before the normal termination of a round and the round is terminated before the contestant has arisen from the floor of the ring, the referee's count shall continue. If the contestant who is down fails to arise before the count of 10, the contestant shall be considered to have lost the contest or exhibition by a knockout in the round that just concluded.

(kk) If a legal blow struck in the final seconds of a round causes a contestant to go down after the bell has

sounded, that knockdown shall be regarded as having occurred during the round just ended and the appropriate count shall continue.

(ll) If a knockdown occurs before the normal termination of a round and the contestant who is down stands up before the count of 10 is reached and then falls down immediately without being struck, the referee shall resume the count from the point at which the count was left off.

(mm) A contest or exhibition may be adjudged a technical knockout to the credit of the winner if the contest or exhibition is terminated because a boxer meets any of the following conditions:

- (1) Is unable to continue;
- (2) is not honestly competing;
- (3) is injured; or
- (4) is disqualified.

(nn) Each contest or exhibition that is won by other than a full count of 10 or the scoring of the judges shall be adjudged a technical knockout to the credit of the winner.

(oo) A referee may count a contestant out if the contestant is on the floor or being held up by the ropes.

(pp) Each contestant who has been knocked out shall be kept lying down until the contestant has recovered. If a contestant is knocked out, no one other than the referee and the physician shall touch the contestant. The referee shall remove the injured contestant's mouthpiece and stay with the contestant until the ringside physician enters the ring, personally attends to the contestant, and issues any necessary instructions to the contestant's second.

(qq) Each of the following tactics or actions shall be an intentional foul:

- (1) Hitting the opponent below the belt;
- (2) hitting an opponent who is down or is getting up after being down;
- (3) holding the opponent with one hand and hitting the opponent with the other hand;
- (4) holding the opponent or deliberately maintaining a clinch;
- (5) wrestling or kicking the opponent;
- (6) striking an opponent who is helpless as the result of blows but is supported by the ropes and does not fall;
- (7) butting the opponent with the head, shoulder, or knee;
- (8) hitting the opponent with the open glove, with the butt of the hand, with the wrist or the elbow, or with backhand blows;
- (9) going down without being hit;
- (10) striking the opponent's body over the kidneys;
- (11) hitting the opponent on the back of the head or neck;
- (12) jabbing the opponent's eyes with the thumb of the glove;
- (13) using abusive language in the ring;
- (14) hitting during a break, which is signaled by the referee's command or physical act to separate two contestants;
- (15) hitting the opponent after the bell has sounded, ending the round;

(16) using the ropes to gain an advantage over the opponent;

(17) pushing the opponent around the ring or into the ropes;

(18) spitting out the mouthpiece;

(19) biting the opponent; and

(20) engaging in any other action not described in this subsection that is deemed an intentional foul by the referee on the basis that the action poses a danger to the safety of either contestant, impedes fair and competitive play, or is unsportsmanlike.

(rr)(1) If a boxer fouls the opponent during a contest or exhibition or commits any other infraction, the referee may penalize the boxer by deducting points from boxer's score, whether or not the foul or infraction was intentional. The referee may determine the number of points to be deducted in each instance and shall base the determination on the severity of the foul or infraction and its effect upon the opponent.

(2) If the referee determines that it is necessary to deduct a point or points because of a foul or infraction, the referee shall warn the offender of the penalty to be assessed.

(3) The referee shall, as soon as is practical after the foul, notify the judges and both boxers of the number of points, if any, to be deducted from the score of the offender.

(4) Each point to be deducted for any foul or infraction shall be deducted in the round in which the foul or infraction occurred. These points shall not be deducted from the score in any subsequent round.

(ss) A contestant shall not be declared the winner of a contest or exhibition on the basis of that contestant's claim that the opponent committed a foul by hitting the contestant below the belt. If a contestant falls to the floor of the ring or otherwise indicates that the contestant is unwilling to continue because of an overruled claim of a low blow, the contest or exhibition shall be declared to be a technical knockout in favor of the boxer who is willing to continue.

(tt) Any boxer guilty of a foul in a contest or exhibition may be disqualified by the referee, and the boxer's purse may be ordered withheld by the commission. Disposition of the purse and the penalty to be imposed upon the boxer shall be determined by the commission.

(uu) If the referee determines that a contest or exhibition shall not continue because of an injury caused by an intentional foul, the boxer who committed the intentional foul shall lose by disqualification.

(vv) If the referee determines that a contest or exhibition may continue despite an injury caused by an intentional foul, the boxer who committed the intentional foul shall lose by disqualification.

(ww) If an injury caused by an intentional foul results in the contest or exhibition being stopped in a later round, one of the following shall apply:

(1) The injured contestant shall win by technical decision if that individual is ahead on the scorecards.

(2) The contest or exhibition shall be declared a technical draw if the injured boxer is behind or even on the scorecards.

(xx) If a boxer is injured while attempting to foul the boxer's opponent, the referee shall not take any action in the boxer's favor and the injury shall be treated the same as an injury produced by a fair blow.

(yy) If a contest or exhibition is stopped because of an accidental foul, the referee shall determine whether the boxer who has been fouled can continue. If the boxer's chance of winning has not been seriously jeopardized as a result of a foul and if the foul did not involve a concussive impact to the head of the contestant who was fouled, the referee may order the contest or exhibition to be continued after a reasonable interval. Before the contest or exhibition resumes, the referee shall inform the commission of the referee's determination that the foul was accidental.

(zz) If the referee determines that a contest or exhibition shall not continue because of an injury suffered as a result of an accidental foul, the contest or exhibition shall be declared a no-contest decision if the foul occurs during either of the following:

(1) The first three rounds of a contest or exhibition that is scheduled for six rounds or less; or

(2) the first four rounds of a contest or exhibition that is scheduled for more than six rounds.

(aaa) The outcome of a contest or exhibition shall be determined by scoring the completed rounds and the round during which the referee stops the contest or exhibition if an accidental foul renders a boxer unable to continue the contest or exhibition after either of the following:

(1) The completed third round of a contest or exhibition that is scheduled for six rounds or less; or

(2) the completed fourth round of a contest or exhibition that is scheduled for more than six rounds.

(bbb) If an injury inflicted by an accidental foul later becomes aggravated by fair blows and the referee orders the contest or exhibition stopped because of the injury, the outcome shall be determined by scoring the completed rounds and the round during which the referee stops the contest or exhibition.

(ccc) A contestant shall not leave the ring or, if the contest or exhibition is being held in a fenced area, the fenced area, during any period of rest that follows each round. If any contestant fails or refuses to resume competing when the bell sounds signaling the commencement of the next round, the referee shall award a decision of technical knockout to the contestant's opponent at the round that has last been finished, unless the circumstances indicate to the commission the need for investigation or punitive action, in which case the referee shall not give a decision and shall recommend that the purse or purses of either or both contestants be withheld.

(ddd) If a contestant has been knocked or has fallen through the ropes and over the edge of the ring platform during a contest or exhibition, both of the following shall apply:

(1) The contestant may be helped back by anyone except the contestant's seconds or manager. The referee shall stop the clock, assess the contestant's condition, and resume time once the contestant is able to safely reenter the ring.

(continued)

(2) The contestant shall be given 20 seconds to return to the ring.

(eee) For a contestant who has been knocked or has fallen on the ring platform outside the ropes but not over the edge of the ring platform, both of the following shall apply:

(1) The contestant shall not be helped back by anyone, including the contestant's second and manager. The referee may stop the clock and assess the situation until the contestant is able to return to the ring.

(2) The contestant shall be given 10 seconds to regain the contestant's feet and get back into the ring.

(fff) If the second or manager of a contestant who has been knocked down or has fallen helps the contestant back into the ring, this help may be cause for disqualification.

(ggg) If one contestant has fallen through the ropes, the other contestant shall retire to the farthest corner and stay there until ordered by the referee to continue the contest or exhibition.

(hhh) Any contestant who deliberately wrestles or throws an opponent from the ring or who hits an opponent when the opponent is partly out of the ring and is prevented by the ropes from assuming a position of defense may be penalized.

(iii) At the termination of each contest or exhibition, the announcer shall announce the winner and the referee shall raise the hand of the winner.

(jjj) A decision rendered at the end of any contest or exhibition shall not be changed by the commission, unless one of the following occurs:

(1) The commission determines that there was collusion affecting the result of the contest or exhibition.

(2) The compilation of the scorecards of the judges discloses an error showing that the decision was given to the wrong contestant.

(3) The referee has rendered an incorrect decision as the result of an error in interpreting a provision of these regulations.

(kkk) Each judge of a boxing contest shall score the contest and determine the winner through the use of the ten-point must system as follows:

(1) The better boxer of each round shall receive 10 points and the opponent proportionately less.

(2) If the round is even, each boxer shall receive 10 points.

(3) No fraction of a point may be given.

(4) Points for each round shall be awarded immediately after the end of the round.

(lll)(1) After the end of the boxing contest or exhibition, the announcer shall pick up the scores of the judges from the commission's desk. The majority opinion shall be con-

clusive and, if there is no majority opinion, the decision shall be a draw.

(2) When the inspector has checked the scores, the inspector shall inform the announcer of the decision, and the announcer shall inform the audience of the decision over the speaker system.

(3) Incomplete rounds shall be scored by the judges. If the referee penalizes either contestant in an incomplete round, the appropriate points shall be deducted.
