Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, May 22, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the K DFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the K DFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 000894 – Maximum Principal Amount: \$248,000. Owner/Operator: Ted Smith. Description: Acquisition of 320 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Ted Smith and is located at the North Half of Section 19, Township 27, Range 34, Haskell County, Kansas, approximately 7 miles north of Ulysses on Highway 25 then 15 miles east on Road 5, and .5 mile north on Road AA.

The bond, when issued, will be a limited obligation of the K DFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the K DFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the K DFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the K DFA.

Kansas Lottery

Temporary Administrative Regulations

**Article 301.—SPECIFIC LOTTERY FACILITY GAMES
AT LOTTERY GAMING FACILITIES**

111-301-22. General provisions. (a) Boot Hill Casino & Resort may offer a payout for one or more pre-designated, high-value poker hands when such a hand is held by a player as a losing hand in a round of play (a “bad beat”).

(b) A bad beat payout shall be made from a separate fund created from pot contributions required at live poker tables where a bad beat payout is offered.

(c) Boot Hill Casino & Resort shall affix a bad beat drop box to each live poker table participating in the bad beat promotion. This box shall be used solely for the collection of bad beat jackpot contributions.

(d) Boot Hill Casino & Resort shall post an initial contribution of \$1,000.00 to the bad beat primary jackpot fund.

(e) Boot Hill Casino & Resort shall extract a prescribed contribution to the bad beat jackpot from each pot at a participating poker table. Prior to distributing the pot to a winning patron and after the dealer has extracted the rake, the amount from each pot to be contributed to a bad beat jackpot fund shall be determined, segregated from the pot, and deposited into the bad beat drop box.

(f) The bad beat jackpot money will be collected at the end of each gaming day to coincide with the table games drop by the drop team. The bad beat jackpot boxes will be emptied into a locking bag and secured on the trolley cart with the table game drop boxes.

(g) Boot Hill Casino & Resort shall post at each live poker table that offers a bad beat payout a notice advising patrons of eligibility for such payout. Additionally, Boot Hill Casino & Resort shall post its bad beat payout rules in a conspicuous location within its poker room which, at a minimum, shall address:

(1) The maximum amount that can be contributed from each pot and the method of calculation for any contributed amount;

(2) The minimum pot amount required for a contribution to a bad beat payout; and

(3) Qualifying bad beat requirements and payouts.

(h) Boot Hill Casino & Resort will conspicuously display the amount of the current primary jackpot.

(i) The “Live Poker — Bad Beat Jackpot” shall not apply to any tournament games of any kind. Only live poker games where revenue is generated from extracting rakes from each pot will participate in the “Live Poker — Bad Beat Jackpot” promotion. (Authorized by K.S.A. 2013 Supp. 74-8710 and 74-8748; implementing K.S.A. 2013 Supp. 74-8710; effective, T-111-7-14-11, June 15, 2011; amended, T-111-4-14-14, Jan. 15, 2014.)

111-301-26. Additional rules for promotion play and verification. (a) A Boot Hill Casino & Resort table games supervisor or higher ranking casino employee must verify every qualifying poker hand before any prize

(continued)

money will be awarded. In the event that a qualifying hand is not verified before a new hand is dealt, then that hand shall be declared null and void for participation in this promotion.

(b) If a player has a qualifying hand, the dealer will immediately count down the deck to make sure the exact number of cards and the proper suits and rank are in compliance with a standard deck. Should there be a deviation from the standard deck, then that particular jackpot hand shall be declared null and void.

(c) If, upon inspection, markings on individual cards indicate to management that the deck in question has been compromised, then the jackpot hand shall be declared null and void.

(d) If, in Boot Hill Casino & Resorts judgment, there is communication among players, whether verbal or otherwise, indicating that one player already has a jackpot hand or is drawing to such a hand, or makes remarks or signs that lead other players to believe that this is the time to attempt to play for such a hand, the jackpot hand shall be declared null and void.

(e) All winners must provide valid identification as required by Boot Hill Casino & Resort.

(f) Winnings are non-transferable. Patrons may not substitute another person or another person's name to claim their winnings.

(g) All applicable taxes are the sole responsibility of the winner. (Authorized by K.S.A. 2013 Supp. 74-8710 and 74-8748; implementing K.S.A. 2013 Supp. 74-8710; effective, T-111-7-14-11, June 15, 2011; amended, T-111-4-14-14, Jan. 15, 2014.)

111-301-28. Jackpot funding. (a) Except for the initial funding of \$1,000.00 from Boot Hill Casino & Resort as provided in the general provisions, the bad beat jackpot shall be funded in its entirety by qualifying daily contributions.

(b) Beginning with the first bad beat contribution, two funds shall be established: a "primary jackpot fund" and a "secondary fund." A primary jackpot shall be awarded out of the primary jackpot fund to a qualifying bad beat hand and all other qualifying players. The secondary fund shall be used to replenish the primary jackpot after

it has been awarded and for special hand jackpots or other poker promotional activities.

(c) The initial contribution from Boot Hill Casino & Resort of \$1,000.00 shall be applied to the primary jackpot fund only.

(d) For each additional contribution to the bad beat jackpot, seventy percent (70%) of the contribution shall be applied to the primary jackpot fund, and thirty percent (30%) shall be applied to the secondary fund.

(e) The primary bad beat jackpot fund shall be capped at \$225,000, at which time one hundred percent (100%) of the additional contributions shall be applied to the secondary fund.

(f) When the qualifying hand has been verified and the primary bad beat jackpot has been awarded, up to thirty percent (30%) of the secondary fund, not to exceed \$225,000, may be applied to establish the new primary bad beat jackpot. (Authorized by K.S.A. 2013 Supp. 74-8710 and 74-8748; implementing K.S.A. 2013 Supp. 74-8710; effective, T-111-7-14-11, June 15, 2011; amended, T-111-4-14-14, Jan. 15, 2014.)

111-301-29. Prize distribution. (a) If the qualifications for the jackpot are met, the following percentages based on the primary jackpot amount will be awarded:

(1) The patron with the second highest hand shall receive fifty percent (50%) of the primary jackpot total.

(2) The patron with the highest hand shall receive twenty-five percent (25%) of the primary jackpot total.

(3) All other active players that were dealt into the hand that qualified for the bad beat jackpot shall split equally the remaining twenty-five percent (25%) of the primary jackpot total.

(b) Immediately upon verification of a qualifying bad beat hand, the floor supervisor or higher ranking casino employee shall adjust the signage for the primary bad beat jackpot. (Authorized by K.S.A. 2013 Supp. 74-8710 and 74-8748; implementing K.S.A. 2013 Supp. 74-8710; effective, T-111-7-14-11, June 15, 2011; amended, T-111-4-14-14, Jan. 15, 2014.)
