Summaries of the proposed regulation and the economic impact follow. Copies of the proposed regulation and the economic impact statement for the proposed reg-

ulation can be viewed at the following website: <http://www.kansas.gov/krec/>.

K.A.R. 86-1-5. Fees. The purpose of the proposed regulation is to update the fees for broker and salesperson licensure following the passage of 2015 Senate Bill 108, which increased the statutory cap on licensure fees. The proposed regulation also lowers fees for background checks due to lower pass through costs to the commission. Finally, the proposed regulation clarifies the calculation method for pro-rated license application fees. In order to ensure proper implementation of the proposed changes the commission is proposing a delayed effective date of December 1, 2015. The economic impact will be borne solely by applicants for licensure and current licensees who renew their license.

Doubler Puzzle Play Symbols: A - B - C - D - E - F - G - H - I - J - K - L - M - N - O - P - Q - R - S - T - U - V - W - X - Y - Z - and symbol of a money bag.

App Play Code Symbols: 0 - 1 - 2 - 3 - 4 - 5 - 6 - 7 - 8 - 9 - C - D - F - G - H - I - J - K - M - N - O - P - R - T - V - W - Y - Z.

There are no "play symbol captions" in this game puzzle.

(c) The "\$100,000" Crossword ticket features four separate play areas, "YOUR LETTERS," "DOUBLER PUZZLE," "MEGA PUZZLE," and a "BONUS WORD," plus a code that allows the player to play Crossword online or with a smartphone.

In the "CROSSWORD" games, the player will scratch the "YOUR LETTERS" play area to reveal 20 "YOUR LETTERS." Each "YOUR LETTER" may be used in both crossword puzzles, ("DOUBLER PUZZLE" and "MEGA PUZZLE") and the "BONUS WORD." A player matches the corresponding letters in both crossword puzzles and the "BONUS WORD" by removing the translucent scratch-off material covering the matching letter. A player wins according to the prize legend associated with each puzzle. Each puzzle plays separately.

In the "DOUBLER PUZZLE," if the player scratches three or more completed words, the player wins the corresponding prize in the prize legend. If one of the winning combinations shown in the prize legend has a completed word with a "MONEY BAG" symbol, the player wins double the prize amount shown in the prize legend. Only the highest corresponding prize can be won. A player can win up to one time on this puzzle.

In the "MEGA PUZZLE," if the player scratches five or more completed words, the player wins the corresponding prize in the prize legend. Only the highest corresponding prize can be won. A player can win up to one time on this puzzle.

In the "BONUS WORD" play area, if the player completely uncovers the "BONUS WORD" using "YOUR LETTERS," the player wins \$15 instantly.

In "CROSSWORD APP," the player plays online or with a smartphone. The player saves his or her non-winning ticket and visits www.kslottery.com to play crossword online for a chance to win entries into the second-chance drawing. The player will download the kscrossword app and play on his or her smartphone by scanning the code on the ticket back or the player can visit the app store.

(d) For this game, a play symbol shall appear in each of 20 play spots within the "YOUR LETTERS" play area, in each of five play spots within the "BONUS WORD" play area, and a variable number of times within the crossword puzzle grids.

(e) The ticket numbers in each book of tickets in this game shall start with 000 and end with 029.

If a managed care organization pays a portion of a claim within the time limits specified in the act, then only the unpaid portion of that claim shall be subject to the interest provisions of the act. (Authorized by and implementing K.S.A. 2014 Supp. 39-709f and 75-7403; effective Aug. 28, 2015.)

129-5-17. Resubmitted claims. For each corrected claim resubmitted by a provider due to a provider error on the initial submission of the claim, the applicable 30-day or 90-day time limit for processing and full payment of the allowed amount or for processing and denial shall begin on receipt of the corrected claim by the managed care organization. (Authorized by and implementing K.S.A. 2014 Supp. 39-709f and 75-7403; effective Aug. 28, 2015.)

129-5-18. Date claim is deemed to be paid. Each claim shall be deemed paid on one of the following dates:

(a) The date on which the managed care organization issued a check for payment and any corresponding explanation of benefits to the provider; or

(b) the date on which the managed care organization electronically transmitted a notice of payment to the provider. (Authorized by and implementing K.S.A. 2014 Supp. 39-709f and 75-7403; effective Aug. 28, 2015.)

129-5-19. Interest on unpaid claims. (a) The principal amount due on which the interest payment shall be calculated shall be the allowed amount due but unpaid at the contracted rate for the service. All interest due under the act shall be applied only to the principal amount due as specified in this subsection and not to any unpaid interest. Interest calculated under the act shall not be compounded.

(b) Each managed care organization shall keep accurate and sufficient records for each interest payment and its corresponding claim documentation and shall provide a detailed report to the state upon request. (Authorized by and implementing K.S.A. 2014 Supp. 39-709f and 75-7403; effective Aug. 28, 2015.)

129-5-20. Retroactive rate, program, and policy changes and clarifications. A claim shall not be deemed to be an unpaid claim if a retroactive rate, program, or policy change creates an unpaid balance on a claim that the managed care organization has previously paid. (Authorized by and implementing K.S.A. 2014 Supp. 39-709f and 75-7403; effective Aug. 28, 2015.)

129-5-21. Retroactive eligibility. If a provider submits a request for payment to a managed care organization before the patient is determined by the state to be eligible for medicaid, then the request shall not be deemed a claim under the act until the date on which the managed care organization is notified by the state that the patient was medicaid-eligible on the date of service. (Authorized by and implementing K.S.A. 2014 Supp. 39-709f and 75-7403; effective Aug. 28, 2015.)
