**K.A.R. 7-23-14. Assessing documents submitted as evidence of United States citizenship.**

(a) In assessing documents submitted as evidence of United States citizenship, each election officer shall consider the following factors: first name, middle name or initial, surname, date of birth, place of birth, and sex.

(1) The first name and the middle name or initial, if provided, shall be consistent with the information provided on the person's application for voter registration. Hyphenated names shall be permitted if not inconsistent with the information provided on the person's application for voter registration.

(2) If the name on the document is inconsistent with the applicant's name as it appears on the application for voter registration, the election officer shall perform the following:

(A) Ask the applicant for a second, government-issued document confirming the voter's current name;

(B) if the applicant is unable or unwilling to provide a second, government-issued document, allow the applicant to sign an affidavit pursuant to K.S.A. 25-2309(q) and amendments thereto, stating the inconsistency related to the applicant's name and swearing under oath that, despite the inconsistency, the applicant is the individual reflected in the document provided as evidence of citizenship; and

(C) if the applicant is either unable or unwilling to provide a second, government-issued document and refuses to sign an affidavit, inform the applicant of the applicant's right to appeal to the state election board, pursuant to K.S.A. 25-2309(m) and amendments thereto.

(3) The date of birth indicated on the document submitted as evidence of United States citizenship shall match the date of birth provided on the application for voter registration. If the dates of birth are inconsistent, the election officer shall inform the applicant of the applicant's right to appeal to the state election board, pursuant to K.S.A. 25-2309(m) and amendments thereto.

(4) If the place of birth is indicated on the document submitted as proof of United States citizenship, the place of birth may be used to assess the applicant's status as a United States

citizen. If the document does not contain a place of birth, this fact shall not result in an unsatisfactory assessment.

(5) If the sex indicated on the document does not match the sex indicated on the application for the voter registration, the election officer shall perform the following:

(A) Ask the applicant for a second, government-issued document confirming the voter's sex;

(B) if the applicant is unable or unwilling to provide a second, government-issued document, allow the applicant to sign an affidavit pursuant to K.S.A. 25-2309(q) and amendments thereto, stating the inconsistency related to the applicant's sex and swearing under oath that, despite the inconsistency, the applicant is the individual reflected in the document provided as evidence of citizenship; and

(C) if the applicant is unable or unwilling to provide a second, government-issued document and refuses to sign an affidavit, inform the applicant of the applicant's right to appeal to the state election board, pursuant to K.S.A. 25-2309(m) and amendments thereto.

(6) If a document submitted as evidence of United States citizenship contains an expiration date and this date has passed when the document is submitted for purposes of voter registration, the document shall nonetheless be considered in assessing qualifications to register to vote.

(b) If an applicant for voter registration fails to submit evidence of United States citizenship before the deadline to register to vote before an election, the applicant may submit a valid citizenship document by mail or personal delivery to the county election office by the close of business on the day before the election or a valid citizenship document by electronic means before midnight on the day before the election. "Electronic means" shall include facsimile,

electronic mail, and any other electronic means approved by the secretary of state. For each document received in accordance with this subsection, the county election officer shall perform the following:

- (1) Accept and assess the citizenship document;
- (2) add the applicant's name to the voter registration list as a registered voter; and
- (3) if practicable, include the registrant's name in the poll book for the upcoming

election. If poll books have already been printed, the county election officer shall, if practicable, communicate the registrant's name to the appropriate polling place with instructions to allow the registrant to vote a regular ballot. If the registrant's name is not communicated to the election board at the appropriate polling place by the county election officer before the opening of the polls on election day, the registrant shall be allowed to cast a provisional ballot. If any applicant to whom this subsection applies fails to submit satisfactory evidence of United States citizenship in accordance with this subsection and the applicant casts a provisional ballot, the ballot shall not be counted.

(c) If any registered voter is removed from the voter registration list for any reason consistent with federal or state law and the person submits a new application for voter registration, the person's evidence of United States citizenship shall be assessed.

(d) Each person who meets all of the following conditions shall submit evidence of United States citizenship:

(1) The person was registered to vote before January 1, 2013 and was therefore deemed to have provided satisfactory evidence of United States citizenship pursuant to K.S.A. 25-2309(n), and amendments thereto.

(2) The person has been removed from the voter registration list for any reason in accordance with federal or state law.

(3) The person submits a new application for voter registration.

This regulation shall be effective on and after January 1, 2013. (Authorized by and implementing K.S.A. 2010 Supp. 25-2309, as amended by L. 2011, ch. 56, sec. 8; effective Jan. 1, 2013.)

**Article 36.—Absentee and Advance Voting.**

**K.A.R. 7-36-7. Processing advance voting ballot applications.** This regulation shall govern the processing of each application for an advance voting ballot received by a county election officer if the applicant is registered to vote in that election officer's county and wants to receive the ballot by mail.

(a) If the application does not contain sufficient information or if the information is illegible, the county election officer shall contact the applicant to obtain the information before election day, if practicable.

(b) If the application is not signed or the signature on the application is not consistent with the applicant's signature on the official voter registration list, the election officer shall attempt to contact the applicant by any means to confirm that the applicant intended to apply for an advance voting ballot and shall attempt to obtain an updated signature.

(c) If the application does not contain the number of the applicant's Kansas driver's license or Kansas nondriver's identification card or if the number is illegible, the county election officer shall attempt to contact the applicant by any means to obtain the information. The county election officer shall provide the applicant with the information required by K.S.A. 25-1122(e)(2), and amendments thereto.

(d) The county election officer may collect an applicant's Kansas driver's license number or Kansas nondriver's identification card number by any legal means. If the applicant provides the necessary number and the number is consistent with the number on the voter registration list, the county election officer shall issue a regular advance voting ballot.

(e) If an applicant submits a photocopy of the qualifying photographic identification document and the document contains information that is illegible or inconsistent with the information on the voter registration list, the county election officer shall attempt to contact the applicant by any means to confirm that the applicant intended to apply for an advance voting ballot and shall attempt to obtain a satisfactory photocopy of the qualifying photographic identification document.

(f) If it is not practicable to contact the applicant before the election or if the information, signature, or photocopy provided is incomplete or inconsistent with the voter registration list, the county election officer shall issue a provisional advance voting ballot.

(g) The county election officer shall present each provisional advance voting ballot to the county board of canvassers for a determination of validity. If the voter provided additional information, an updated signature, or an additional photocopy upon request by the county election officer and if the information, signature, or photocopy is consistent with the voter registration list, the ballot shall be counted unless the ballot is determined to be invalid for another reason. If the voter did not provide additional information, an updated signature, or an additional photocopy upon request by the county election officer or if the information, signature, or photocopy is inconsistent with the information on the voter registration list, the ballot shall not be counted. (Authorized by and implementing K.S.A. 2010 Supp. 25-1122, as amended by L. 2011, ch. 56, sec. 2; effective Feb. 24, 2012.)

**K.A.R. 7-36-8. Uniformed and overseas citizens absentee voting act; ballot distribution**

**deadline in local mail ballot elections.** When conducting a local mail ballot election pursuant to K.S.A. 25-431 et seq. and amendments thereto, the county election officer shall transmit a ballot to any person who is qualified to vote under the uniformed and overseas citizens absentee voting act and who has submitted an application for a federal services ballot 45 or more days before the date of the election. If a person submits an application for a federal services ballot less than 45 days before the date of the election, the county election officer shall transmit a ballot to the person within two business days after receipt of the application. (Authorized by K.S.A. 25-440 and 25-1225; implementing K.S.A. 25-435, K.S.A. 25-438, and K.S.A. 2011 Supp. 25-1218; effective Feb. 24, 2012.)

**Article 46: Photographic Identification Requirements**

**K.A.R. 7-46-1. Postelection submission of photographic identification by provisional voter.**

(a) Any voter who has cast a provisional ballot due to a failure or refusal to provide a valid photographic identification document at the time of voting may submit a valid photographic identification document by mail, in person, or by electronic means to the county election office in the county where the voter is registered to vote. “Electronic means” shall include facsimile, electronic mail, and any other electronic means approved by the secretary of state.

(b) If the voter submits a valid photographic identification document to the county election office before the county board of canvassers convenes, the county election officer shall present the document to the board of canvassers to determine the validity of the provisional ballot. If the board of canvassers determines the photographic identification document to be valid and the provisional ballot is not determined to be invalid for any other reason, the ballot

shall be counted. (Authorized by and implementing K.S.A. 2010 Supp. 25-1122, as amended by L. 2011, ch. 56, sec. 2, and K.S.A. 2010 Supp. 25-2908, as amended by L. 2011, ch. 56, sec. 11; effective Feb. 24, 2012.)

**K.A.R. 7-46-2. Election board worker assessment of validity of photographic identification**

**documents.** (a) Each election board worker to whom a photographic identification document is presented by a voter shall assess the sufficiency and validity of that document as follows:

(1) The election board worker shall perform the following:

(A) Verify that the name on the photographic identification document is consistent with the name on the poll book;

(B) allow for abbreviations and nicknames, including “Wm.” or “Bill” for “William”;

(C) if the name of the voter is consistent with the name in the poll book, proceed to paragraph (a)(2); and

(D) if the voter’s name is different from the name in the poll book or the name as stated by the voter due to marriage, divorce, hyphenation, or legal action, issue the voter a provisional ballot on the condition that the voter first completes an application for voter registration.

(2) The election board worker shall compare the photograph to the voter to determine whether the voter is the person depicted in the photograph, considering hair color, glasses, facial hair, cosmetics, weight, age, injury to the voter, and other physical characteristics.

(A) If the election board worker is satisfied that the voter is the person depicted in the photographic identification document and the voter’s name is consistent with the name in the poll book, then the election board worker shall issue the voter a regular ballot.

(B) If the election board worker is unable to determine whether the voter is the person depicted in the photographic identification document because of degradation or insufficient

photograph quality, then the election board worker shall issue a regular ballot to the voter if one of the following conditions is met:

(i) The voter's date of birth on the presented photographic identification document matches the voter's date of birth in the poll book.

(ii) The voter submits a different photographic identification document that contains a photograph that appears to the election board worker to depict the voter.

(iii) An election board worker at the polling place possesses knowledge that the person depicted in the photographic identification document is the voter.

(3) If the election board worker determines that the photographic identification document does not depict the voter, then the election board worker shall issue a provisional ballot unless the voter submits a different photographic identification document that contains a photograph that appears to the election board worker to depict the voter.

(b) The photographic identification document shall not be used to verify the address of the voter if the document contains an address. The photographic identification document shall be used to verify only the name and appearance of the voter. The poll book shall be used to verify the address of the voter by comparing the voter's address in the poll book to the address stated by the voter.

(c) If there is a dispute regarding the application of this regulation to a voter or if the election board worker is unable to determine a voter's eligibility, the supervising judge shall make a decision regarding whether a regular ballot or a provisional ballot shall be issued.

(d)(1) The county election officer shall present all provisional ballots to the county board of canvassers for a determination of validity.

(2) Each provisional ballot issued under this regulation shall be counted if both of the following conditions are met, unless the provisional ballot is determined to be invalid for another reason:

(A) Before the county board of canvassers convenes, the voter provides information to the county officer that remedies each deficiency or inconsistency that led to the issuance of the provisional ballot.

(B) The county board of canvassers determines that the voter's provisional ballot is valid.

(e) Nothing in this regulation shall require an election board worker to issue a regular ballot if the election board worker determines that a voter is attempting to circumvent the photographic identification requirement. Except as specified in K.S.A. 25-2908(i) and amendments thereto, nothing in this regulation shall exempt the voter from providing a photographic identification document. (Authorized by and implementing K.S.A. 2010 Supp. 25-2908, as amended by L. 2011, ch. 56, sec. 11; effective Feb. 24, 2012.)

**K.A.R. 7-46-3. Declarations of religious objection.** (a) Each person who is otherwise entitled to vote and who seeks an exemption from the photographic identification requirement pursuant to K.S.A. 25-2908(i)(5), and amendments thereto, shall sign and submit a declaration form concerning the person's religious beliefs before receiving a ballot in each election in which the person intends to vote. The person may sign and submit the declaration form to the secretary of state or the county election officer before each election or when applying for a ballot.

(b) A voter shall not submit a declaration of religious objection in place of a valid photographic identification document after casting a ballot. (Authorized by and implementing K.S.A. 2010 Supp. 25-2908, as amended by L. 2011, ch. 56, sec. 11; effective Feb. 24, 2012.)
