The certificate of revival must be submitted with all past due information reports along with all fees for each document. Documents cannot be submitted separately and must be paid at the time of filing.

How to complete the certificate of revival for a corporation or business trust:

Each of the numbered instructions below corresponds to a section on the form.

1. List the business's ID number issued by the Kansas Secretary of State (This is not a tax ID number). ID numbers may be found by searching for the name online at <https://www.sos.ks.gov/eforms/BusinessEntity/Search.aspx>.
2. Provide the complete legal business name, including words of formation (e.g., Inc., Corp., etc.)

Check to see if the name of the business is in use by any other business already registered with our office online at <https://www.sos.ks.gov/eforms/BusinessEntity/NameAvailability.aspx>.

Foreign corporations and business trusts only:

If the business is a foreign corporation or foreign business trust and the name is currently in use, the corporation or business trust will need to choose one of three options:

- a. Submit the certificate of revival with a Written Consent to Use of Similar Business Name.

Written Consent to Use of Similar Business Name: Pursuant to K.S.A. 17-7918, the business may submit a Written Consent to Use of Similar Business Name (Form CN), completed by the business registered with the Secretary of State's office and found at https://www.sos.ks.gov/forms/business_services/CN.pdf.

- b. Submit the certificate of revival with a letter of advertising.

Letter of advertising: Pursuant to K.S.A. 17-7933, a letter of advertising must indicate that, in all means of identification and advertising, the business will identify as a business out of their foreign (non-Kansas) state. If the current business is domesticated in the same foreign state, a letter of advertising can't be used and a letter of consent from the current business must be provided.
