

# **VoteKansas Mobile Voter App**

## Instructions for iPhones

### **SET UP**

- ⇒ Go to the Apple App Store and search “VoteKansas.”
- ⇒ Download the VoteKansas app onto an iPhone, or newer versions of iPod.
- ⇒ For iPads, in the search results switch the device category from “iPad Only” to “iPhone Only,” then download the VoteKansas app.

### **OPERATE**

- ⇒ Open the VoteKansas app.
- ⇒ Enter your voter registration address.
- ⇒ Select “GO!”

### **BOTTOM BAR OPTIONS**

- ⇒ “Ballot” Lists the offices and/or questions on the ballot
- ⇒ “Details” State and local general information
- ⇒ “Where to Vote” Maps and directions to all sites, early voting sites, and assigned polling site
- ⇒ “About” Description of the application, Terms of Use, and Privacy Policy

### **VIEW BALLOT INFORMATION**

- ⇒ On the bottom bar, select “Ballot.”
- ⇒ View the list of offices and/or questions on your ballot.
- ⇒ Select any office to view the candidates for that office.
  - To go back, select “Ballot” on the upper left of the screen.
- ⇒ Select any candidate to view political party, campaign website, phone, email, and social media channels, as available.
  - To go back select “Contest” on the upper left of the screen.
- ⇒ To go back to the list of offices, select “Ballot” on the upper left of the screen.
  - To go back to the home screen select the house icon on the upper left of the screen.

### **FIND YOUR POLLING PLACE**

- ⇒ On the bottom bar, select “Where to Vote” to find a map and directions from your voter registration address (home) to your polling site.
- ⇒ On the Polling Sites page, the top bar options are:
  - “All Sites” Multiple places to vote in your area
  - “Early Voting” Early voting sites
  - “Polling Sites” Your assigned polling place
- ⇒ Toggle between a map and a list of polling places by selecting “List” on the upper right of the screen when on the maps page, and selecting “Map” on the upper right of the screen when on the “List” page.
- ⇒ On the “List” page, select the polling site for which you would like directions.
- ⇒ On the “Directions” page:
  - The top bar options are: “Driving,” “Transit,” “Cycling,” and “Walking.”
  - To open directions on a map, select the arrow-in-a-box icon on the upper right of the screen, then select “Open in Apple Maps.”
  - To close directions on a map, double click the button on the iPhone below the screen.
  - To exit the “Directions” page, select “Done” on the upper left of the screen.

### **SPANISH**

- ⇒ Those who have selected Spanish in their phone’s language settings will view Spanish in the VoteKansas app.
