Notice of Availability of Environmental Assessment

The City of Topeka Public Works and the Kansas Department of Transportation (KDOT) announce the availability of an Environmental Assessment (EA) for the proposed improvements to I-70 Highway from the MacVicar Avenue interchange to the Adams Street/Braner Trafficway interchange in Topeka, Kansas. The EA was prepared in accordance with the National Environmental Policy Act (NEPA) to determine the potential environmental, cultural, and socioeconomical impacts.

The purpose of the proposed improvements to the I-70 Polk-Quincy Viaduct and surrounding transportation networks is to meet current roadway and bridge design criteria, Manual on Uniform Traffic Control Devices (MUTCD) standards, improve driver and pedestrian safety, increase roadway traffic capacity, balance accessibility, and to support economic development in the downtown Topeka area.

The EA covers the proposed improvements that will reconstruct I-70 to 3-lanes eastbound and westbound from MacVicar Avenue to Topeka Boulevard. Construct split-diamond interchanges between Topeka Boulevard and Kansas Avenue, and 8th Street and 10th Street. Two new viaduct bridges between Topeka Boulevard and Kansas Avenue. New I-70 bridges at 4th Street, 6th Street, 8th Street, 10th Street, and Shunganunga Creek. Reconstruct I-70 from Kansas Avenue to Adams Street. The IKE Transportation Program project funded for final design is the west project beginning at MacVicar and ending at 6th Street.

KDOT is the lead agency under NEPA. FHWA is the lead federal agency. The City of Topeka is a project team member. The EA is required because KDOT will be using federal funds from the Federal Highway Administration to help construct the project.

The EA concludes that no significant impacts to the environment would result, and KDOT is proposing to request a Finding of No Significant Impact (FONSI). The Kansas Department of Transportation intends to request a FONSI following a thirty (30) day comment period in accordance with the Council on Environmental Quality Regulations for implementing NEPA, Section 1508.13 providing there are no substantive comments that warrant further evaluation. You may view the EA at www.polkquincy.org or *(continued)*

in the lobby at the Kansas Department of Transportation Dwight D. Eisenhower State Office Building, 700 SW Harrison Street, Topeka, KS 66603. There will be forms for comments with the hard copy at KDOT. Online comments on the EA should be sent to info@polkquincy.org. Comments will be accepted until July 26, 2021.

(a) The Kansas lottery may conduct a drawing entitled "Powerball First Millionaire of the Year" awarding a \$1,000 cash prize and a semi-finalist position to the 14 players selected as the winners. Entries into the drawing will be accepted beginning at 12:01 a.m. on August 22, 2021 and ending at 11:59 p.m. on October 3, 2021. The

drawing will be conducted sometime after entry into the drawing has closed but before noon on October 7, 2021, at which time the winners will be announced.

(b) The specific ticket eligible for entry into this drawing shall be winning or non-winning Kansas Lottery Powerball and Powerball with Power Play tickets that have not been previously entered into Kansas Lottery PlayOn ("PlayOn") and which have a purchase date 365 days or less prior to the date of entry into the drawing.

(c) Only registered PlayOn members may enter the drawing. PlayOn members must enter themselves into the drawing according to the terms and conditions of PlayOn. Entries shall not be accepted that are submitted by any method other than through PlayOn. The player may enter the required data from the entry ticket manually for entry into the drawing. If the player does not enter the ticket data manually, the player may scan, if available, the ticket to enter data to be used for entry into the drawing using a mobile device and a downloaded Kansas Lottery PlayOn app. After the ticket data is successfully entered either manually or scanned using an app, for each dollar spent on a Powerball ticket without the Power Play option the player shall receive one entry. For each dollar spent on a Powerball ticket with the Power Play option the player shall receive two entries.

(d) The procedures set forth in K.A.R. 111-18-5 for selecting winners and alternate winners shall be followed.

(e) There is no limit on the number of Powerball or Powerball with Power Play tickets a player may enter into the drawing, but a player may win only once in this promotion.

(f) One drawing will be conducted by the Kansas lottery to select 14 semi-finalist winners who will each receive a \$1,000 cash prize and a chance to be a finalist in the Powerball First Millionaire of the Year promotion drawing executed by the Multi-State Lottery Association. Each finalist selected shall receive a prize package provided and fulfilled by, or on behalf of, the Multi-State Lottery Association consisting of the remote participation in the Powerball First Millionaire of the Year event on January 1, 2022 and other amenities as proposed by the Multi-State Lottery Association and approved by the Kansas lottery.

(g) The procedures set forth in K.A.R. 111-18-5 for contacting the winner and the claiming of the prize shall be followed, except that in this promotion the 10-day deadline for the winner to return their claim forms shall commence with the date of the announcement of the winners. The Kansas lottery is not responsible for electronic malfunction or player error.

(h) In the event the prize package awarded for this drawing is postponed, changed, or canceled in whole or in part, no cash prize substitutions shall be provided.

(i) The Kansas lottery retains the right to substitute an alternate prize of approximate equal value.

(j) By entering the drawing, entrant agrees to PlayOn terms and conditions.

(k) Winners are responsible for any state and federal income taxes.

(l) Rules applicable to this promotion are contained in K.A.R. 111-19-109 and K.A.R. 111-18-1 *et seq.* (Authorized
