## State of Kansas

### Governmental Ethics Commission

#### Opinion No. 2021-01

Written July 28, 2021, to Ms. Judith A. Taylor, General Counsel, Kansas Gaming and Racing Commission, Eisenhower State Office Building, 700 SW Harrison St., Suite 500, Topeka, KS 66603.

**Synopsis:** A state employee with two separate state positions may accept compensation from each.

Cited herein: K.S.A. 46-221(a), 75-3223, 74-8803(j) and 46-235.

Dear Ms. Taylor:

We understand you request our opinion concerning application of the state governmental ethics laws, K.S.A. 46-215 *et seq.*, as general counsel for the Kansas Racing and Gaming Commission. Our opinion in response to the request is limited in its applicability. This opinion does not address whether some other statutory system, common law theory, or agency rule or regulation applies to your inquiry.

#### Factual Statement

The opinion request provides the following facts:

Our commissioner is employed by the Kansas Department of Transportation (KDOT). Her position had been full-time, unclassified, non-exempt and hourly. She has recently reduced her hours and is now working as a part-time, unclassified, non-exempt, hourly employee, working approximately twenty hours per week, typically five days per week. Her duties for the commission require her to, among other things, attend commission meetings, review licensee background reports, analyze complex financial documents, review and approve contracts related to gaming, and review disciplinary case documentation in preparation for meetings and hearings. Her duties as a [Kansas Racing and Gaming Commission (KRGC)] commissioner do not involve approving KDOT contracts or performing *any* duties related to KDOT.

#### Question

Would it be an ethics violation for a commissioner to accept per diem compensation for work on the commission that is performed on the same day that the commissioner works part-time hours for the Kansas Department of Transportation (KDOT), but during the time that she is not on the schedule working for KDOT (i.e. during the "free," non-paid portion of her working day?)

#### Analysis and Opinion

"State officer or employee" is defined by K.S.A. 46-221, which provides in pertinent part:

(a) ... (2) any individual who is in the classified service or unclassified service of the Kansas civil service act, ...and (4) any individual who receives monthly or semimonthly compensation for services from the state or any state agency. ...Also, state officer or employee does not include any appointed member of an advisory council, commission or board, who serves without compensation other than amounts for expense allowances or reimbursement of expenses as provided for in subsection (e) of K.S.A. 75-3223 and amendments thereto, when such member is engaged in performing a function or duty for such council commission or board.

From the facts provided, we find the commissioner in question is a state employee based upon her KDOT employment. We further find that she is a state employee as a KRGC commissioner based upon the receipt of a per diem as provided in K.S.A. 74-8803(j), in addition to the amounts for allowances and reimbursements provided for in K.S.A. 75-3223(e).

We cannot opine regarding K.S.A. 75-3223(a), since that provision is not involved in interpreting the K.S.A. 46-221(a) definition of "state officer or employee." However, it does contain the same language as subsection (e): "whenever it is provided by law." We see no reference in K.S.A. 74-8803(j) to 75-3223(a) which would make it apply to KRGC commissioner per diems.

We next consider K.S.A. 46-235, which provides:

No state officer or employee shall accept compensation for performance of official duties, other than that to which such person is entitled for such performance. No person shall pay or offer to pay any state officer or employee performing official duties, except a state officer or employee performing official duties in making payments to state officers and employees. The receipt of wages or salary from an individual's non-state employer during a period of service as a state officer or employee shall not be construed as compensation for performance of official duties.

The facts demonstrate no overlaps between commissioner's schedule and official duties at KRGC and those at KDOT. Consequently, the respective compensation received for each position could not be for the performance of official duties at the other. Under these circumstances a violation of K.S.A. 46-235 does not occur.

#### Conclusion

We concur with your conclusion that K.S.A. 46-235 "would not prohibit a commissioner from accepting part time pay from KDOT and a per diem from KRGC when working in both positions on the same day because the official duties performed for the KRGC have no overlap with the official duties performed for KDOT, and the work performed for KRGC would not be performed during time compensated by KDOT."

Sincerely,

Nicholas Hale, Chairman  
By Direction of the Commission

**\*Adjustment of Issue Size**

The Issuer reserves the right to increase or decrease the total principal amount of the Bonds, depending on the purchase price and interest rates bid and the offering prices specified by the Successful Bidder and savings generated in connection with the refunding of certain general obligation bonds of the Issuer (the "Refunded Bonds"). The principal amount of any maturity may be adjusted by the Issuer in order to properly size the Bond, structure certain funds and accounts and substantially obtain debt service parameters determined by the Issuer. In formulating bids, bidders should consider that bids generating significant premium may lead to post-bid revisions by the Issuer as described above, resulting in greater prin-

cipal amortization in later years, and bids generating significant discount may lead to post-bid revisions by the Issuer as described above, resulting in greater principal amortization in earlier years. The Successful Bidder may not withdraw its bid or change the interest rates bid as a result of any changes made to the principal amount of the Bonds or principal of any maturity as described herein. If there is an increase or decrease in the final aggregate principal amount of the Bonds or the schedule of principal payments as described above, the Issuer will notify the Successful Bidder by means of telephone or facsimile transmission, subsequently confirmed in writing, no later than 12:00 p.m. (CST) on the Sale Date. The actual purchase price for each series of Bonds shall be calculated by applying the percentage of par value bid by the Successful Bidder against the final aggregate principal amount of such series of Bonds, as adjusted. If the principal amounts are modified, the Issuer will seek to modify the maturity schedule, or make other mutually agreeable changes, in a way that will neither increase nor reduce the Successful Bidder's spread as a percentage of the principal amount of the Bonds issued, after taking into account such adjustments.

**Book-Entry-Only System**

The Bonds shall be registered under a book-entry-only system administered through DTC.

**Paying Agent and Bond Registrar**

Treasurer of the State of Kansas, Topeka, Kansas.

**Good Faith Deposit**

Each bid shall be accompanied by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States of America or a wire transfer in Federal Reserve funds immediately available for use by the Issuer in the amount of \$420,900 for the Bonds.

**Delivery**

The Issuer will pay for preparation of the Bonds and will deliver the same properly prepared, executed, and registered without cost to the successful bidder on or about September 14, 2021, to DTC for the account of the successful bidder.

**Assessed Valuation and Indebtedness**

The total assessed valuation of the taxable tangible property within the Issuer as of 2020 is \$1,303,411,607. The total general obligation indebtedness of the Issuer as of the Dated Date, including the Bonds being sold, but excluding the Refunded Bonds to be retired with a portion of the proceeds of the Bonds being sold on the Sale Date, is \$161,122,172.

**Approval of Bonds**

The Bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., Wichita, Kansas, Bond Counsel to the Issuer, whose approving legal opinion as to the validity of the Bonds will be furnished and paid for by the Issuer, printed on the Bonds, and delivered to the successful bidder as and when the Bonds are delivered.

**Kansas Development Finance Authority**

**Notice of Hearing**

A public hearing will be conducted at 9:00 a.m. Tuesday, August 24, 2021, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

**Project No. 001082 Maximum Principal Amount: \$344,300.** Owner/Operator: Cole R. Renner; Description: Acquisition of 640 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Cole R. Renner (the "Beginning Farmer") and is located at Section 17, Township 12, Range 34, Logan County, Kansas, approximately seven miles south of Monument, Kansas on County Road 350 then five miles west on Road Vista.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing

powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

As part of ongoing efforts to limit the spread of novel coronavirus in Kansas, interested individuals may participate in the public hearing via conference call. Please call toll free number 866-620-7326 and use conference identification number 159 722 1260 followed by # to join the conference.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

**Notice of Hearing on Proposed  
 Administrative Regulation**

A public hearing will be conducted at 1:00 p.m. Wednesday, October 6, 2021, in the board room at the Kansas State Board of Healing Arts, 800 SW Jackson, Lower Level – Suite A, Topeka, Kansas, to consider a proposed regulation related to applications for licensure pursuant to K.S.A. 48-3406.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the regulation. All interested parties may submit comments prior to the hearing to Courtney Cyzman, General Counsel, at the Board of Healing Arts at the address above, or via email to [KSBHA\\_HealingArts@ks.gov](mailto:KSBHA_HealingArts@ks.gov). All interested parties will be given a reasonable opportunity to present their views, orally or in writing, concerning the proposed regulation during the public hearing. In order to provide all parties with an opportunity to present their views, it may be necessary to request each participant limit any oral presentations to five minutes.

Copies of the proposed regulation and the Economic Impact Statement for the proposed regulation may be obtained from the Kansas State Board of Healing Arts, 800 SW Jackson, Lower Level – Suite A, Topeka, Kansas 66612, on the agency website at <http://www.ksbha.org/publicinformation/publicinformation.shtml>, by contacting LeeAnn Hunter-Roach at 785-296-4502, or by emailing the agency at [KSBHA\\_HealingArts@ks.gov](mailto:KSBHA_HealingArts@ks.gov).

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation being considered and the economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Sheila Rice at 785-296-

8558 or at [Sheila.Rice@ks.gov](mailto:Sheila.Rice@ks.gov). Individuals with hearing and/or speech disabilities may contact the Kansas Relay Center at 800-766-3777 for communication accommodations. Handicapped parking is located on 8th Street and in the building's parking garage. From the street, both the west entrance to the building on Jackson Street and the north entrance on 8th Street are accessible.

A summary of the proposed regulation and the economic impact follows:

**K.A.R. 100-6-7 (Application for licensure pursuant to K.S.A. 48-3406.)**

This proposed regulation enumerates the application requirements for applicants who qualify for licensure pursuant to 2021 HB 2066, and amendments thereto.

The proposed regulation is a measure taken by the agency to minimize the cost and impact of the regulation on business and economic development by only enumerating requirements that are necessary, while maintaining a high standard of public protection.

This proposed regulation was first discussed in an open Board Meeting of which members of the public, businesses, and stakeholders could attend. The agency has also been in continual communication with state associations, stakeholders, and others regarding our application requirements to be sure we are requiring what is statutorily mandated and what will protect the public, while not including any unnecessary and ineffective requirements. Further, it should be noted that the Board of Healing Arts is comprised of medical practitioners, business owners, and members of the public. The Board of Healing Arts intends to comply with all public hearing requirements involved in the regulation promulgation process.

Although the agency does not employ an economist, the lay opinion of the agency staff is that the economic effect on the affected businesses and business sector would be positive.

Although applicants who qualify for licensure pursuant to 2021 HB 2066 are the only parties that would be directly affected, businesses that employ the healthcare professions licensed and regulated by the Kansas Board of Healing Arts would be indirectly affected.
