Board of Regents**Public Notice**

The Kansas Board of Regents and Kansas State Department of Education propose to revise the state determined levels of performance as originally set in the Kansas State Plan for Career Technical Education. This action is pursuant to section 113(b)(3)(A)(iii) of the Carl D. Perkins Career and Technical Education Act of 2006, as amended by the Strengthening Career and Technical Education of the 21st Century Act (Public Law 115-224).

The unanticipated circumstances of the COVID-19 pandemic provide states the opportunity to revise the state determined performance levels. The proposed levels of performance and supporting documentation are available at www.kansasregents.org/CTE and written comments may be submitted beginning February 22, 2021 through April 24, 2021. All comments will be responded to in the State plan.

Notice of Intent to Lease Land and/or Building Space

Beginning Publication Date: Vol. 41, No. 5, February 4, 2021
Ending Publication Date: Vol. 41, No. 17, April 29, 2021

Public notice is hereby given that Wichita State University (WSU) intends to lease available land and building space located on WSU's main campus, WSU's Innovation Campus and on property owned by WSU adjacent to the main campus along both Hillside and 17th streets. The university will consider leasing such property and/or space to those whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, or otherwise provide supporting services and amenities to the campus community. Such projects could include, but not be limited to: (1) development of a partnership building to

provide office and/or laboratory space to support education and research, advance innovation, foster micro-enterprises, and/or lease to industry partnerships in any market that aligns with University programs; (2) child care facilities; (3) adult living and retirement facilities; (4) restaurants; (5) retail, grocery, or pharmacy establishments; (6) financial institutions; (7) event and/or performance center; and (8) parking garage. Because tenant development and/or use must be a good fit with the university's educational mission and available space, please be prepared to provide the following information: (1) name; (2) square footage of space needs and desired lease term and location; (3) equipment, design, or other special needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students, and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). Additional information such as renderings, architectural and design plans, project timeline, and subcontractor list is encouraged. The university will consider serious proposals and inquiries from any financially qualified individual, group, organization, or company. If interested, please contact Wichita State University Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Department of Health and Environment

**Notice Concerning Proposed Kansas Air
Quality Class I Operating Permit Renewal**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Osborne Industries, Inc. has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Osborne Industries, Inc., PO Box 388, Osborne, KS 67473, owns and operates a plastic product manufacturing facility located at 120 N. Industrial Ave., Osborne, Osborne County, KS 67473.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Northwest District Office, 2301 E. 13th St.,

Hays, KS 67601. To obtain or review the proposed permit and supporting documentation, contact Rumela Bhadra, 785-296-6024, at the central office of the KDHE or Wendi Kessler, 785-261-6117 or 785-261-6100 at the Northwest District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Rumela Bhadra, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, March 22, 2021.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Rumela Bhadra, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, March 22, 2021 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Keith Johnson, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for

discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Legal Description: S½, S34, T29S, R19E, Neosho County, Kansas

Facility Name: Galesburg Quarry

The proposed action is to issue a new State/NPDES permit for a new facility. This facility is engaged in a limestone quarrying operation with some washing. Outfall 001A1 consists of treated wash-water, storm-water runoff and pit water. Outfalls 002A1, 003A1, 004A1 and 005A1 consist of pit water and storm-water runoff only. In compliance with Kansas and federal law, KDHE has approved an antidegradation review for this new facility for increased concentrations and mass of some pollutants to the receiving stream. The water quality of the receiving stream will not be lowered below the quality necessary to support existing designated users. The proposed permit contains limits for total suspended solids.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Glen Elder, City of PO Box 17 Glen Elder, KS 67446	Solomon River	Process Wastewater

Kansas Permit No. I-SO18-PO01
Federal Permit No. KS0101460

Legal Description: SW¼, S34, T6S, R9W, Mitchell County, Kansas

Outfall Location: SW¼, S27, T6S, R9W, Mitchell County, Kansas

Facility Name: Mitchell County RWD #2

The proposed action is to issue a new State/NPDES permit for a new facility. This is a public water supply treatment plant. Raw water for the treatment comes from Waconda Lake. After the grit removal, sodium permanganate is added to address manganese, iron, taste and odor issues prior to treatment. Water then goes to a pulsating clarifier. Effluent is then injected with ammonium sulfate and sodium hypochlorite prior to entering gravity sand filters. In compliance with Kansas and federal law, KDHE has approved an antidegradation review for this new facility for increased concentrations and mass of some pollutants to the receiving stream. The water quality of the receiving stream will not be lowered below the quality necessary to support existing designated users. The proposed permit contains limits for total residual chlorine, total suspended solids, and pH, as well as monitoring for flow, chloride, total recoverable selenium, sulfate and total phosphorus.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367.

All comments regarding the draft documents or application notices received on or before March 20, 2021, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-21-067/081, KS-Q-21-008/009) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdheks.gov/feedlots>. Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to

(continued)

request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) March 17, 2021. The KDOT bid letting will be conducted remotely by audio broadcast ONLY at 3:00 p.m. (CST) Wednesday, March 17, 2021. To join the conference call, dial 866-620-7326 and enter conference code 5895748207. KDOT has tested the process, but in the event of an unforeseen issue, KDOT will provide updates.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid non-responsive and not eligible for award consideration.

Notice to Consulting Firms

Background and Purpose of Project

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for project 70-84 KA 5687-01. The project is on I-70 and is for repairs of Bridge #026 located 13.06 miles east of US-281 and Bridge #030 located 14.58 miles east of US-281 in Russell County.

Schedule/Deadlines

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) March 5, 2021, to be delivered via email to kdot.designcontracts@ks.gov. Evaluation and ranking of submissions will occur on or about March 12, 2021, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about March 19, 2021. The contractor is expected to start the project in early April of 2021.

Scope of Services to be Performed

The project manager/inspectors must be capable inspecting the whole project, which includes concrete, bridge repair, pavement marking, traffic control, CMS or AASHTOWare data entry, all project records, all project paperwork, and final paperwork, etc. Project records and paperwork including but not limited to: diary, pay quantities, certifications, sample identifications, change orders, pay estimates, monitoring subcontractor payments, and monitoring contractor’s payrolls, etc. Records and paperwork must be submitted accurately and timely. Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and

material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the contractor’s schedule and how they pursue the work. Submit the name and information of the project manager. Construction is anticipated to be completed in 90-working days and cleanup days. Provide all the equipment necessary to inspect and test materials.

Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the technical proposal and a completed and signed Special Attachment No. 7 (“Certificate of Final Indirect Costs”), a completed and signed Special Attachment No. 8 (“Tax Clearance Certificate”), and a signed Special Attachment No. 10 (“Policy Regarding Sexual Harassment”). Completed Special Attachments do not count against the four-page technical proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant’s ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under “Scope of Services to be Performed.” The RFP shall also include items such as:

- Project manager
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT standards and specifications
- Any subconsultant and their role in performing the services on the project
- Names, certifications, and experience of all inspectors that will be assigned to the project
- Anticipated time to close out project paperwork

Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection needs of the project;
2. Employee names (project manager), certifications, and qualifications proposed for services;
3. Past performance history on similar projects (list project numbers) for KDOT;
4. Anticipated time to close out project paperwork;
5. Proximity of inspectors to project;
6. Types of direct expenses anticipated (lodging, mileage, etc.).

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a

(continued)

satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this Technical Proposal Request

- Special Attachment No. 7 (“Certificate of Final Indirect Costs”)
- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

Contract Terms and Conditions

A standard KDOT project inspection agreement will be used for this project. Current rate factors will be used for compensation, and Special Attachments for the Kansas “Tax Clearance Certificate,” the “Certificate of Final Indirect Costs,” and the “Policy Regarding Sexual Harassment” will become attachments to the contract.

Questions about this request for proposals shall be sent via email to kdot.designcontracts@ks.gov.

Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the technical proposal and a completed and signed Special Attachment No. 7 (“Certificate of Final Indirect Costs”), a completed and signed Special Attachment No. 8 (“Tax Clearance Certificate”), and a signed Special Attachment No. 10 (“Policy Regarding Sexual Harassment”). Completed Special Attachments do not count against the four-page technical proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant’s ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under “Scope of Services to be Performed.” The RFP shall also include items such as:

- Project manager
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT standards and specifications
- Any subconsultant and their role in performing the services on the project
- Names, certifications, and experience of all inspectors that will be assigned to the project
- Anticipated time to close out project paperwork

Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection needs of the project;
2. Employee names (project manager and HMA plant inspector), certifications, and qualifications proposed for services;
3. Past performance history on similar projects (list project numbers) for KDOT;
4. Anticipated time to close out project paperwork;
5. Proximity of inspectors to project;
6. Types of direct expenses anticipated (lodging, mileage, etc.).

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Flint Hills Area Transportation Agency**Request for Qualifications.**

The Flint Hills Area Transportation Agency (FHATA) is seeking a well-qualified architecture and engineering firm (A&E Professional) to provide architecture, engineering, and design related services (Services), as further described in this Request for Qualifications (RFQ) and Attachments. FHATA is seeking a firm with experience in transit storage and maintenance facilities, multi-modal planning, bus transit infrastructure, architecture, engineering, and pre-construction. Firms submitting a Statement of Qualifications (SOQ) must demonstrate

comparable project-type experience. The contract(s) that may be awarded following this RFQ process will be based upon, without limitation, FHATA’s professional service procurements and related applicable laws. A&E Professional’s responsibilities will be determined on a per project scope basis. Construction budgets are not currently identified.

Any individual(s) or firm(s) proposing to perform architectures, engineering services, environmental services, pre-construction, and construction services must be appropriately licensed/registered in the State of Kansas at the time of submission of the RFQ.

Complete details of the RFQ, as well as any future addendums are posted at <https://rileycountyks.gov/1773/Bid-Postings>. Bids must be received in the FHATA office at 5815 Marlatt Ave., Manhattan, KS 66503 by 1:00 p.m. (CST) March 9, 2021.

Pre-Submittal Conference and Inquiries

Proposers may submit questions or inquiries for clarification due by February 24, 2021 and must be submitted in writing to Melanie Tuttle, Finance Director, at mtuttle@fhata.org, and will anticipate having an answer by close of business March 1, 2021. If required, FHATA’s response to these submissions will be in the form of an addendum.

A pre-submittal conference will be held at 2:00 p.m. (CST) February 24, 2021, as a virtual meeting via Zoom. Details on how to join the Zoom meeting are in Section C of this RFQ. It is not required to attend the conference; however, it is strongly suggested. FHATA staff will discuss the scope of work, general contract issues, and respond to questions and inquiries from attendees and those received in writing prior to the meeting. FHATA staff will not be available to respond to individual inquiries regarding the project outside of the pre-submittal conference, it is strongly recommended that interested firms attend the pre-submittal conference.

FHATA will be unable to entertain conversation outside of the process outlined in this document nor will be able to entertain onsite visits. Neither offerors, nor members of their teams, shall communicate concerning this project with selection committee members, employees of FHATA, except as stipulated above. Failure to abide by this requirement may result in rejection of the offeror’s SOQ.

Sealed SOQs Closing and Submission

Sealed SOQs must be received with all required submittals as stated in the RFQ, no later than 1:00 p.m. (CST) March 9, 2021. Qualifications received after the time specified shall not be considered for award. Qualifications received via facsimile (fax) or electronic mail (email) shall not be considered. Qualifications not meeting specified delivery and method of submittal will not be opened nor considered responsive.

SOQs submitted must be addressed and delivered to FHATA at the following address. This is also the address to be used for all communication in connection with this RFQ:

Flint Hills Area Transportation Agency
Procurement Department
5815 Marlatt Ave.
Manhattan, Kansas 66503

Submission of a SOQ shall constitute a firm offer to FHATA for ninety (90) days from the date of the RFQ closing.
