Doc. No. 050684

State of Kansas

Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to 1.22 acres of real property located on the northwest corner of the intersection of Fountain Avenue and 21st Street North, directly adjacent to the Wichita State University campus. This location would be designated for private development committed to supporting broadband infrastructure and internet exchanges. The university is interested in leasing such ground to any individual, organization, or entity whose presence would advance WSU's vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. WSU intends to lease such space for a mutually agreeable period of time,

but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with WSU's educational mission and identify anticipated benefits to the university, its students, and the surrounding community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, community benefit commitments, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU and the surrounding community, design concepts, financial stability, and proposed use. Interested tenants will be responsible for all costs associated with the development and ongoing maintenance costs of any improvements. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of the improvement, and benefit to WSU. WSU will consider serious offers and inquiries from any financially qualified individual, group, organization. If interested, please contact Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

State of Kansas

Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to four acres of real property located on the Wichita State University's campus designated as the "Innovation Campus," for the private development and operation of a partnership building or buildings. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. The university intends to lease such space for a mutually agreeable period of time up to sixty years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Interested tenants will be required to construct adjacent and adequate surface parking that will not be included in the leased ground. Rental rate shall be based on fair market value and nego-

tiable based on term of lease, purpose/use of building improvement, and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization. If interested, please contact Senior Vice President for Industry and Defense Programs, Dr. John Tomblin at john.tomblin@wichita.edu or Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Richard Beattie, Director
Office of Procurement and Contracts

Doc. No. 050691

(Published in the Kansas Register November 24, 2022.)

City of Lenexa, Kansas

Notice to Bidders

Sealed bids for 2022 CDBG Street Lighting Project: 77th Street – Quivira to city limit; Cedar Valley/Holmberg Estates Subdivisions; Barton Street – north of 79th Street, will be accepted until 11:00 a.m. (CST) December 1, 2022, by the City of Lenexa, Kansas at the Community Development Department, Lenexa City Hall, 17101 W. 87th St. Pkwy., Lenexa, KS 66219, at which time bids will be publicly opened and read aloud at the Lenexa City Hall. Any bid received after the designated closing time will not be considered and will be returned unopened.

All bids shall be submitted to the Community Development Department Customer Service Staff (Main Level) in sealed envelopes addressed to the City of Lenexa, Kansas, Attention: City Clerk, and marked "Bid for: 2022 CDBG Street Lighting Project." Copies of plans, specifications, bidding documents, and other contract documents are on file at Drexel Technologies, Inc., 10840 W. 86th St., Lenexa, KS 66214.

Bidders desiring contract documents for use in preparing bids may obtain a set of such documents at the address above. Plans and specifications may be downloaded at <http://planroom.drexeltech.com/>. Note: Davis Bacon Wage Rates apply to this project

Each bidder will be responsible for ensuring that it has received any and all addenda issued by the city in accordance with IB-10 of the instructions to bidders.

Contractors should read and be fully familiar with all contract documents including addenda before submitting a bid. In submitting a bid, the bidder warrants that it has read the contract documents and is fully familiar therewith and that it has visited the site of the work to fully inform itself as to all existing conditions and limitations and shall include in its bid a sum to cover the cost of all items of the work as specified in the contract documents.

No oral telegraphic, telephonic proposals, or alterations will be considered. Facsimile transmissions will not be accepted.

The following items must be included in the sealed envelope with the bid:

- a. Bid form

- b. 5% bid security—bid bond, cashier’s check, or certified check (see below); and
- c. Acknowledgment of addenda Issued by the city

Each bidder shall file with its bid a bid bond, a cashier’s check, or a certified check drawn on an acceptable bank, made payable to the City of Lenexa, Kansas, in an amount equal to five percent (5%) of the total bid, which shall be retained by the City of Lenexa, Kansas until a contract for the project has been executed. Bid bonds will be returned to the bidders, with the exception of the best and lowest and second best and second lowest responsible bidders, within twenty-one (21) days after their bids are rejected. The bid deposit of the lowest and the second lowest responsible bidders will be returned when the performance bond, maintenance bond, and statutory bond, each in an amount equal to 100% of the contract amount; required insurance certificates and other required documents shall have been furnished and the contract documents have been executed by the successful bidder.

In the event the low bidder is unable to execute the contract, for whatever reason, within the time provided in the Notice of Award, the city may annul the Notice of Award and the bid deposit may be forfeited and the city shall exercise its legal prerogatives, including, but not limited to, enforcement of its rights as to the bid security or specific performance.

The city reserves the right to accept or reject any and all bids and to waive any technicalities or irregularities therein. Bids may be modified or withdrawn by written request of the bidder received in the office of the city clerk, prior to the time and date for bid opening.

From and after the release of this notice, any party intending to bid on the above referenced project, including their officers, employees, agents, or contractors are specifically prohibited from communicating with any elected or appointed official of the city, directly or indirectly, with regard to the award of the contract for the project listed above, except as specifically authorized by the instructions to bidders. Any such unauthorized communication may result in the automatic disqualification of such bidder.

All bidders agree that rejection shall create no liability on the part of city because of such rejection, and the filing of any bid in response to this notice shall constitute an agreement of the bidder to these conditions.

Jennifer Martin
City Clerk

Doc. No. 050633

State of Kansas

Department of Health and Environment

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notic-

es to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Public Notice No. KS-AG-22-297/302

Pending Permits for Confined Feeding Facilities

| Name and Address of Applicant | Legal Description | Receiving Water |
|---|---|----------------------|
| J-Six Farms – North Farm Jennifer Gerety 1829 Q Rd. Oneida, KS 66522 | SE/4 of Section 03 T03S, R13E Nemaha County | Missouri River Basin |

Kansas Permit No. A-MONM-S048

The proposed action is to modify and reissue an existing state permit for a facility for 1,629 head (651.6 animal units) of swine weighing greater than 55 pounds, and 3,200 head (320 animal units) of swine weighing 55 pounds or less; for a total of 971.6 animal units of swine. The only modification is completion of a new farrowing addition, previously approved, to an existing building. There is no change in the permitted number of animal units from the previous permit. This facility has an approved Waste Management Plan on file with KDHE.

| Name and Address of Applicant | Legal Description | Receiving Water |
|--|---|----------------------------|
| Kohman Dairy, LLC George Kohman 8300 E. US-50 Hwy. Syracuse, KS 67878 | NW/4 of Section 21 T24S, R39W Hamilton County | Upper Arkansas River Basin |
| Kansas Permit No. A-UAHM-D002 | Federal Permit No. KS0115592 | |

The proposed action is to modify and reissue the existing NPDES permit for a facility for a facility for 5,000 head (7,000 animal units) of mature dairy cattle, 7,000 head (3,500 animal units) of cattle weighing less than 700 pounds, and 7,000 head (7,000 animal units) of cattle weighing more than 700 pounds for a total of 17,500 animal units. This represents an increase in the permitted animal units from the previous permit. This permit is also being modified to add 45-acres of pens, two settling channels, and one new retention control structure. This facility has an approved Nutrient Management Plan on file with KDHE.

| Name and Address of Applicant | Legal Description | Receiving Water |
|--|---|----------------------------|
| Deerfield Dairy, LLC Willen Vanderknaap 2401 Road X Deerfield, KS 67838 | SE/4 of Section 05 T23S, R35W Kearny County | Upper Arkansas River Basin |

Kansas Permit No. A-UAKE-D002
Federal Permit No. KS0094641

The proposed action is to reissue an existing NPDES permit for an existing facility for 2,500 head (3,500 animal units) of mature dairy cows and 4,000 head (4,000 animal units) of dairy cattle weighing more than 700 pounds for a total of 7,500 animal units of dairy cattle. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Federal Permit No. KS0100684

The proposed action is to reissue an existing NPDES permit for an existing facility for 1,100 head (1,100 animal units) of cattle weighing more than 700 pounds and 1,400 head (700 animal units) of cattle weighing less than 700 pounds for a total of 1,800 animal units. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Public Notice No. KS-Q-22-113/114

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g), and Federal Surface Water Criteria.

| Name and Address of Applicant | Receiving Stream | Type of Discharge |
|---|------------------|-------------------|
| El Dorado, City of 220 E. 1st El Dorado, KS 67042 | Walnut River | Stormwater |

Kansas Permit No. M-WA09-SN01
Federal Permit No. KSR440004

County: Butler

District: South Central

The proposed action is to issue a modified individual NPDES Municipal Separate Storm Sewer System (MS4) permit from an existing MS4 general permit. The proposed MS4 permit requires the permittee to develop, implement, and enforce a stormwater management program designed to reduce the discharge of pollutants from the MS4 to the maximum extent practicable, to protect water quality, and to satisfy the appropriate water quality requirements of the Clean Water

(continued)

Act and Kansas surface water quality statutes and regulations. The proposed permit requires the permittee to update the Stormwater Management Program document, implement six minimum control measures and implement best management practices to reduce any identified total maximum daily load (TMDL) regulated pollutants. If there is an identified TMDL regulated pollutant, surface water monitoring may be required on the impaired water body to evaluate performance of the best management practices. The permittee may establish an alternative offsite pollution reduction program (offsite program) to invest and install Best Management Practices (BMPs) in rural lands above El Dorado Lake or along the Walnut River and its tributaries in Butler County. Monitoring of industrial stormwater discharges and oversight of construction activities within the MS4 may be required if it is applicable. The proposed permit requires the submittal of an annual report that addresses all compliance requirements for the previous year.

Name and Address of Applicant Receiving Stream Type of Discharge

Emporia, City of Cottonwood River Processed Wastewater
 2910 W. 24th
 Emporia, KS 66801
 Kansas Permit No. I-NE24-PO06
 Federal Permit No. KS0099244

Legal Description: SE¼ of Section 21, Township 19S, Range 11E of Lyon County, KS

Facility Location:

| Feature Name | Latitude | Longitude |
|-----------------|----------|-----------|
| Facility Center | 38.42909 | -96.21814 |
| Outfall 001A1 | 38.37630 | -96.19221 |

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This is a public, lime softening water treatment plant that is designed to treat 15 MGD. Raw water from the Neosho River is treated using pre-sedimentation basins, clarifiers, an ozone unit for primary disinfection and filters before being sent to the Clearwell. Water is then pumped to storage, prior to distribution. The raw water is treated using chlorine, lime, alum, fluoride, ammonia, carbon dioxide and various polymers. Discharges from the primary and secondary clarifiers (86,234 gpd) and filter backwash (142,376 gpd) and miscellaneous floor drains are pumped to the three cell lagoons for treatment, which are located on the south end of Emporia. Domestic wastes are sent to the city sanitary sewer. Outfall 001A consists of the discharge from either of the three lagoons, which is pumped to the Cottonwood River, via an underground pipeline. The proposed permit contains limits for total residual chlorine and total suspended solids, as well as monitoring for pH and total phosphorus.

The proposed action is to reissue 10 Class III Injection Well permits for the wells listed above. These wells are authorized to mine salt from the Hutchinson Salt Member of the Wellington Formation by solution mining methods or as otherwise specified within the permit. The wells are part of two existing salt solution mining systems consisting of the Parsons 4 and Parsons 5 Galleries in Section 30, Township 29 South, Range 2 West, Sedgwick County, Kansas. The wells are hydraulically connected and must operate with a minimal pressure differential to prevent additional subsurface hydraulic connection. This area permit is for the Parsons 4 Gallery and Parsons 5 Gallery, with area permit number KS-03-173-OPS45. These wells were formerly under Kansas Permit Numbers KS-03-173-315 through KS-03-173-319, and KS-03-173-OPS5. Injection is to be made into the Hutchinson Salt member of the Wellington formation. The top of the cavity shall be no shallower than 250 feet below land surface. Mining shall not extend into the upper 50 feet of the salt deposit. The maximum operational injection pressure is not to exceed 130 pounds per square inch at the wellhead. The Wellington Formation consists of inter-bedded salt and shale deposits with minor amounts of gypsum. The upper portion of the formation is primarily clayey shale with small amounts of gypsum present. The lower portion, which is known as the Hutchinson Salt member, is mainly salt with inter-bedded shale deposits. The salt deposits beneath Occidental Chemical Corporation's salt mining operations described herein are first encountered about 200 feet below ground surface and extended to a depth of about 460 feet. All construction, monitoring and operation of these wells will meet the requirements that apply to Class III injection wells under Kansas Administrative Regulations (K.A.R.) 28-46-1 through 28-46-45, and other requirements of KDHE.

Public Notice No. KS-EG-22-016

In accordance with K.A.R. 28-46-7 and the authority vested with the State by the administrator of the U.S. Environmental Protection Agency, draft permits have been prepared for the use of the well(s) described below within the State of Kansas.

Name and Address of Applicant

Occidental Chemical Corporation
 6200 S. Ridge Rd.
 Wichita, KS 67215

Permit No. KS-03-173-OLNI

Legal Description: Sec 30, T29S, R2W, Sedgwick County, Kansas

Well Number

Location

| | |
|--------------|--|
| Parsons 4-1: | Latitude: 37.497008" Longitude: -97.575469" |
| Parsons 4-2: | Latitude: 37.497008" Longitude: -97.574436" |

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before December 24, 2022 will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-22-297/302, KS-Q-22-113/114, KS-EG-22-018) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing

must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Paige Drury, Livestock Waste Management Section at the KDHE, Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Michael Beezhold at the KDHE, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Mirina Landry at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone 785-296-0076 or email at kdhe.feedlots@ks.gov. For all other proposed permits or actions an appointment can be scheduled, or copies requested by contacting Neal Niceswanger, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612, telephone 785-296-6804 or email at Neal.Niceswanger@ks.gov. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdhe.ks.gov/livestock>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Department of Health and Environment

Notice of Hearing

The Kansas Department of Health and Environment (KDHE) has prepared a modified Kansas Water Pollution Control Permit, A-URPL-H007 for Husky Hogs LLC, located in Long Island, Kansas.

This is a new permit for the construction and operation of a confined feeding facility with a maximum capacity of 6,750 head (2,700 animal units) of swine weighing more than 55 pounds and 10,240 head (1,024 animal units) of swine weighing less than 55 pounds, for a total of 3,724 animal units. This represents no change in head count or animal units. A new mortality composting structure is proposed. The facility is located in parts of Section 34, Township 1 South, Range 20 West in Phillips County, Kansas. A notice in the Kansas Register dated November 10, 2022, informed the public of the availability of the proposed water pollution control permit for Husky Hogs, LLC.

Copies of the permit application, draft permit, and other documents may be viewed in person at the Topeka, Kansas office by scheduling an appointment, or requested by writing to: KDHE, Livestock Waste Management Section, 1000 SW Jackson St., Suite 430, Topeka, KS 66612 or via telephone at 785-296-6432 or fax at 785-

559-4258. A copy of the permit application can be found at <http://www.kdhe.ks.gov/livestock>. Appropriate copying charges will be assessed for each request. The public hearing has been scheduled in conformance with Kansas Administrative Regulation 28-16-61.

A public hearing on the Husky Hogs, LLC proposed permit has been scheduled:

- Date: Thursday, January 5, 2023
- Time: 6:00 p.m. to 7:00 p.m. (CST)
- Location: Almena Community Center, 421 Main, Almena KS 67622

The purpose of the public hearing is to inform the public, stakeholders, and regulated community about the proposed Water Pollution Control Permit. The hearing will consist of outlining the proposed facility and proposed permit, then the hearing will be open for public comment. Any individual with a disability may request accommodation to participate in the public hearing process and may request the provided documents in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting KDHE.

Questions, or written comments should be directed to Paige Drury, BEFS-Livestock Waste Management Section of KDHE at: 1000 SW Jackson St., Suite 430, Topeka, KS 66612-1367; by email at kdhe.feedlots@ks.gov; by telephone at 785-296-6432.

Individuals are also encouraged to participate during the public comment period by submitting written comments by email, postal mail, or fax to the addresses specified on this notice before the close of the public comment period that will conclude December 24, 2022, or at the end of the public hearing on January 5, 2023.

Doc. No. 050688

State of Kansas

Department of Health and Environment

Notice of Rescheduled Hearing

The Kansas Department of Health and Environment (KDHE) has prepared a modified Kansas Water Pollution Control Permit, A-URNT-H008 for Calvert Swine LLC, located in Almena, Kansas.

This is a new permit for the construction and operation of a confined feeding facility with a proposed 6,800 head (2,720 animal units) of swine weighing more than 55 pounds, 10,000 head (1,000 animal units) of swine weighing less than 55 pounds for a maximum total of 16,800 head (3,720 animal units) of swine. This represents an increase in head count, but no change in total animal units. A new farrowing barn and a mortality composting structure are proposed. Currently two swine buildings, and a three cell wastewater storage and treatment system exists. The facility is located in the Southwest Quarter of Section 19, Township 2 South, Range 21 West in Norton County, Kansas. A notice in the Kansas Register dated October 27, 2022, informed the public of the availability of the proposed water pollution control permit for Calvert Swine.

(continued)

Copies of the permit application, draft permit, and other documents may be viewed in person at the Topeka, Kansas office by scheduling an appointment, or requested by writing to: KDHE, Livestock Waste Management Section, 1000 SW Jackson St., Suite 430, Topeka, Kansas 66612 or via telephone at 785-296-6432 or fax at 785-559-4258. A copy of the permit application can be found at <http://www.kdhe.ks.gov/livestock>. Appropriate copying charges will be assessed for each request. The public hearing has been scheduled in conformance with Kansas Administrative Regulation 28-16-61.

A public hearing on the Calvert Swine, LLC proposed permit has been scheduled:

- Date: Thursday, January 5, 2023
- Time: 5:00 p.m. to 6:00 p.m. (CST)
- Location: Almena Community Center, 421 Main, Almena KS 67622

The purpose of the public hearing is to inform the public, stakeholders, and regulated community about the proposed Water Pollution Control Permit. The hearing will consist of outlining the proposed facility and proposed permit, then the hearing will be open for public comment. Any individual with a disability may request accommodation to participate in the public hearing process and may request the provided documents in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting KDHE.

Questions, or written comments should be directed to Paige Drury, BEFS-Livestock Waste Management Section of KDHE at: 1000 SW Jackson St., Suite 430, Topeka, KS 66612-1367; by email at kdhe.feedlots@ks.gov; by telephone at 785-296-6432.

Individuals are also encouraged to participate during the public comment period by submitting written comments by email, postal mail, or fax to the addresses specified on this notice before the close of the public comment period that will conclude December 24, 2022, or at the end of the public hearing on January 5, 2023.

State of Kansas

Department of Transportation

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to

reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) December 14, 2022. The KDOT bid letting will be conducted remotely by audio broadcast only at 3:00 p.m. (CST) Wednesday, December 14, 2022. To join the conference call, dial 866-620-7326 and enter conference code 5895748207. KDOT has tested the process, but in the event of an unforeseen issue, KDOT will provide updates.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

District One – Northeast

Jefferson – 92-44 KA-5413-01 – K-92, from K-16 to Meredith Lane in McLouth, surfacing, 0.3 mile. (Federal Funds)

Osage – 75-70 KA-3899-01 – US-75, bridge #093 over Dragoon Creek at Pomona Reservoir located 2.7 miles north of the US-75/K-31 junction, bridge removal. (Federal Funds)

Osage – 75-70 KA-3900-01 – US-75, bridge #125 over Dragoon Creek Drainage located 3.9 miles north of the US-75/K-268 junction, bridge removal. (Federal Funds)

Wyandotte – 69-105 KA-6676-01 – US-69, from Merriam Lane north to the north radius of Pacific Avenue, overlay, 3.2 miles. (State Funds)

Wyandotte – 70-105 KA-6800-01 – I-70, from the east approach pavement of Quarry Road bridges #158 and #172 to the change in pavement approximately 285 feet east of the edge wearing surface of the Park/Kaw Drive bridges #096 and #167, overlay, 0.9 mile. (Federal Funds)

Wyandotte – 35-105 KA-6801-01 – I-35, at various sections and ramps from the County line to the state line, overlay, 3.7 miles. (Federal Funds)

Statewide – 106 KA-6695-01 – K-110, from the K-110/US-36 junction north to the south city limits of Axtell; K-178, from the US-36/K-178 junction north to the south city limits of St. Benedict; K-187, from the K-9/K-187 junction north to the US-36/K-187 junction; and, K-236, from the US-36/K-236 junction north to the south city limits of Oneida, milling and overlay, 14.8 miles. (State Funds)

District Two – North Central

Ellsworth – 70-27 KA-6538-01 – Light tower #1 (027L0001), Light tower #2 (027L0007), Light tower #3 (027L0012), Light tower #4 (027L0002), Light tower #5 (027L0009) and Light tower #6 (027L0010), lighting. (State Funds)

Geary – 31 TE-0498-01 – K-18, from Karns Drive to Spring Valley Road, pedestrian and bicycle paths, 0.5 mile. (Federal Funds)

Ottawa – 81-72 KA-6057-01 – US-81, from 9.6 miles north of the Saline/Ottawa County line north to 18.5 miles north of the Saline/Ottawa County line, overlay, 8.9 miles. (Federal Funds)

Statewide – 232-106 KA-6658-01 – K-232, from the Old US-40/K-232 junction north to the Ellsworth/Lincoln County line and from the Ellsworth/Lincoln County line north to the Lincoln/Russell County line, sealing, 8.3 miles. (State Funds)

Statewide – 70-106 KA-6806-01 – I-70, from approximately 876 feet east of mile marker #210 to the Ellsworth/Lincoln County line includes bridges #003, #004, #014, #015, #016 and #017; from the Ellsworth/Lincoln County line to the Lincoln/Saline County line includes bridges #002 and #003; and from the Lincoln/Saline County line east to 0.435 mile west of mile marker #245 includes bridges #044, #045, #053 and #054, grading and surfacing, 28.4 miles. (State Funds)

District Three – Northwest

Graham – 24-33 KA-6720-01 – US-24, bridge #043 over Sand Creek located 3.75 miles east of K-84, bridge repair. (State Funds)

District Four – Southeast

Crawford – 69-19 KA-3928-01 – US-69, bridge #004 over First Cow Creek Drainage located 2.25 miles north of the north junction of US-69/US-69 Alternate in the City of Frontenac, bridge replacement. (Federal Funds)

Greenwood – 400-37 KA-5790-01 – US-400, from 11.2 miles east of the Butler/Greenwood County line east for 1.9 miles, grading and surfacing, 1.9 miles. (Federal Funds)

Linn – 152-54 KA-6318-01 – K-152, from the K-7/K-152 junction to the US-69/K-152 junction, milling and overlay, 12.9 miles. (Federal Funds)

Neosho – 169-67 KA-5788-01 – US-169, from 0.7 mile north of the US-169/K-47 junction north for 1.8 miles, grading and surfacing, 1.8 miles. (Federal Funds)

Neosho – 169-67 KA-5789-01 – US-169, from 1.2 miles north of the Labette/Neosho County line north 2.3 miles, grading and surfacing, 2.3 miles. (Federal Funds)

Neosho – 169-67 KA-5789-02 – US-169, from the Labette/Neosho County line north 7.05 miles to the south city limits of Thayer at the Portland cement concrete pavement excluding from 1.2 miles north of the Labette/Neosho County line north 2.3 miles covered by the passing lane project 169-67 KA-5789-01, grading and surfacing, 4.8 miles. (Federal Funds)

District Five – South Central

Edwards – 24 C-5076-01 – Bridge over Rattlesnake Creek located 13.0 miles south and 2.5 miles west of Belpre, bridge replacement, 0.1 mile. (Federal Funds)

Harvey – 40 C-5075-01 – Bridge over Gypsum Creek located 2.5 miles east of Annelly, bridge replacement, 0.1 mile. (Federal Funds)

Kiowa – 54-49 KA-6636-01 – US-54, from a mile east of the east city limits of Greensburg east to the Kiowa/

Pratt County line, milling and overlay, 13.7 miles. (Federal Funds)

Pratt – 54-76 KA-6637-01 – US-54, from the Kiowa/Pratt County line east to the west city limits of Pratt, ultra-thin bonded asphalt surfacing, 14.2 miles. (Federal Funds)

Statewide – 106 KA-6263-01 – Routes K-96 and K-14 in the counties of Sedgwick, Reno and Butler, signing. (Federal Funds)

District Six – Southwest

Ford – 29 KA-6526-01 – Intersections at US-56/US-400 and 112th Road, US-283 and Outlaw Road, and 112th Road and Outlaw Road; 112th Road from Outlaw Road north to US-56/US-400 junction and Outlaw Road from US-283 junction east to 112th Road, grading and surfacing. (State Funds)

Ford – 56-29 KA-6526-02 – Intersection at US-56/US-400/US-283 and 2nd Avenue south of Dodge City, intersection improvement. (State Funds)

Ford – 400-29 KA-6630-01 – US-400, from the east US-50/US-400 junction east to the west US-56/US-400 junction, milling and overlay, 3.2 miles. (State Funds)

Ford – 56-29 KA-6633-01 – US-56, from the Ford/Gray County line east to US-283/US-56 junction, milling and overlay, 12.2 miles. (State Funds)

Gray – 56-35 KA-6631-01 – US-56, from the east city limits of Montezuma east to the Ford/Gray County line, milling and overlay, 12.7 miles. (Federal Funds)

Secretary

Doc. No. 050673

State of Kansas

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the project(s) described in Table 1 below. Interested consultants must email a proposal to KDOT.DesignContracts@ks.gov by 12:00 p.m. (CST) December 7, 2022, to be considered for selection.

Depending on the number of responses received, KDOT may elect to shortlist (based on proposals) to no more than 3-5 firms and hold in-person interviews prior to final selection (which may be based on both proposal and interview content). If KDOT deems them necessary, interview evaluations criteria will be distributed to short-listed consultant teams in advance.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in category(s):

- 201–Location and Design Concept Studies/Corridor Studies (PE)
- 181 – Corridor Enhancement/Scenic Byways
- 161 – Corridor/Project Feasibility Studies

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must
(continued)

also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Table 1: Background and Scope of Project

| Project Number | Background and Scope of Project |
|----------------|---|
| KA-6829-01 | K-15 (aka the Eisenhower Memorial Highway) is a north-south highway in Kansas, which originates at the Oklahoma state line and continues northward to the Nebraska border. This highway is a principal arterial throughout the State of Kansas and the segment between the cities of Wichita and Derby experiences significant daily traffic volumes. KDOT recently agreed to study this segment and partner in the development of the K-15 Corridor Management Plan. The successful consultant will set forth an overall land-use and access management strategy and identify various transportation improvements to keep traffic moving safely and efficiently as development occurs. This study is intended to help make informed transportation decisions over the next 20 years. |

Table 2: Project Summary

| Project Number | Route and Scope | Length (mi) | Project Termini |
|----------------|--|--|---|
| KA-6829-01 | 15-08 K-15 from I-135 in Wichita to East 95th Street South. | Approximately 9 miles and within ½ mile either side. | K-15 from I-135 in Wichita to East 95th Street South. |
| Project Number | Type | | |
| KA-6829-01 | KDOT, in collaboration with Sedgwick County, the cities of Wichita and Derby, and the Wichita Area Metropolitan Planning Organization, is seeking a consultant to develop a Corridor Management Plan for the K-15 Corridor, from I-135 in Wichita to East 95th Street South in Derby. This will be a comprehensive planning effort and we are seeking and encouraging innovative ideas for delivery of the plan. | | |

Anticipated Consultant Scope

KDOT and the study partners anticipate the following may be included in the consultant’s scope:

- Public and stakeholder involvement.
- Traffic safety review.
- Existing and future land-use and traffic.
- Market analysis of various trends and opportunities for growth and economic development.
 - Deliverables shall help inform future growth and travel demand estimates.
- Corridor mobility analysis (multimodal, freight, O/D, roadway capacity, traffic operations, etc.)
 - Must consider adjacent railway, rail crossings, and impacts to corridor intersections.
- High-level scan for potential utility, environmental, and historical property impacts.
- Consideration of previous studies within the corridor planning area and applicable local and regional plans (i.e., Reimagined MOVE 2040, K-15 Area Plan, ARC95, etc.).

- This planning process shall consider the Regional Transportation Systems Management & Operations (TSMO) Plan and provide strategic recommendations along the corridor.
- Corridor improvement recommendations and cost estimates for:
 - Immediate.
 - Midterm.
 - Ultimate improvements/facility-type.
- Recommendations shall include potential triggers or thresholds for improvements, such as safety or traffic volume thresholds, and shall consider future/planned KDOT projects in the area that could influence (or accelerate) construction timelines.
- Implementation strategies for the plan, which shall include, but may not be limited to, funding opportunities and strategies under state and federal programs, such as the Bipartisan Infrastructure Law (BIL), among others.

Note: A scoping meeting(s) will follow consultant selection to better define the project scope.

Anticipated Schedule and Key Dates

1. Proposals are due by or before: 12:00 p.m. (CST) December 7, 2022
2. Anticipated Start Date: First of February 2023
3. The program fiscal year for this project is FY 2023 (July 2022–June 2023)
4. Ranking of proposals is expected to occur on or around December 9, 2022
5. Negotiations with the most highly ranked firm are expected to begin on or around December 23, 2022
6. An executed agreement is anticipated around January 9, 2023
7. Important dates in Phase:
 - a. Bstdy: February 1, 2023
 - b. Drafft rept: December 1, 2023
 - c. Estdy: February 1, 2024

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be count as two or more pages depending on size.
3. A single PDF (2MB maximum size) of the proposal including all attachments must be emailed to KDOT.DesignContracts@ks.gov by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:
 - a. “KA-6829-01, K-15 Corridor Management Plan, Sedgwick County._FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”) and No. 10 (“Policy Regarding Sexual Harassment”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing.

6. The outline in Table 3 below describes the expected proposal organization and content sections.
7. Table 4 lists the evaluation criteria and associated weights which will be used to make a selection.

Table 3: Proposal Content

| Section | Description of Intent | Page Limit |
|--|---|------------|
| Cover Letter | | 1 Page |
| Project Approach | Demonstrate a unique approach to accomplish the plan and to a high standard. Include cost-effective and optimized solutions to address the anticipated improvements. Include unique qualifications or experience related to the plan approach. | |
| Approach to Schedule | Describe the approach to accomplish the scope within the schedule requirements. Include anticipated key milestone dates and availability of staff. | |
| Approach to Quality Control | Describe methods or procedures your firm will use to provide all drawings, reports and other services with professional quality and technical accuracy. | |
| Qualifications and Experience | For key personnel to be assigned to the project provide names, office location, qualifications, education, training, and expertise. Identify their area(s) of responsibility and percent of their time dedicated to the project. List work for which you do not have in-house capability and name the firm you propose to subcontract with. | |
| Past Performance | Describe team’s past performance with respect to ability to meet project schedules; quality of work; and ability to control costs on similar transportation projects, especially those performed for KDOT. Include three references and contact information. | |
| Familiarity with KDOT and Project Area | Describe team’s familiarity with KDOT’s design process and standards. Describe familiarity with the project area and any identified special site conditions. | |

Table 4: Evaluation Factors

| Evaluation Factor | Weight |
|---|--------|
| Qualifications and experience of project manager and other key project team members proposed for services | 25% |
| Past performance history for similar project/ services for the project partner | 20% |
| Approach and Commitment to meet advertised schedule | 10% |
| Project approach | 10% |
| Familiarity of the project area | 15% |
| Demonstrated understanding of nature and scope of project | 20% |

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for professional services projects. The following special attachments will need to be provided by the selected consultant and all subconsultants with the signed work order following negotiations and will become attachments to the contract.

- Special Attachment No. 8 (“Tax Clearance Certificate”)

- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

Questions

All questions regarding this Request for Proposals shall be emailed to KDOT.DesignContracts@ks.gov.

Questions can be submitted until November 23, 2022; answers will be provided to all prequalified consultants on November 30, 2022.

Marcia Turner, P.E. Contracts Manager
Division of Engineering and Design

Doc. No. 050678

State of Kansas

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the project(s) described in Table 1 below. Interested consultants must email a proposal to KDOT.DesignContracts@ks.gov by 12:00 p.m. (CST) December 16, 2022, to be considered for selection.

Depending on the number of responses received, KDOT may elect to shortlist (based on proposals) to no more than 3-5 firms and hold in-person interviews prior to final selection (which may be based on both proposal and interview content). If KDOT deems them necessary, interview evaluation criteria will be distributed to short-listed consultant teams in advance.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in the categories:

- 161 Corridor/Project Feasibility Studies
- 162 Long Range Planning
- 201 Location and Design Concept Studies/Corridor Studies
- 211 Highway Design Major Facility OR 411 Pedestrian and Bicycle Facility Design
- 325 Hydraulic and Hydrologic Studies

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

The consultant must be staffed with experienced planning and engineering professionals with experience in immediate and long-range planning concerning the systemic resilience of the surface transportation system. The selected consultant shall have a licensed engineer within the state of Kansas who is part of the project team, as well as one or more persons with experience in

(continued)

highway/local road design on major and minor facilities and experience in addressing pedestrian, bicycle, and multi-modal facilities.

Table 1: Background and Scope of Project

| Project Number | Background and Scope of Project |
|----------------|--|
| P-1794-23 | <p>The Infrastructure Investment and Jobs Act (IIJA), also known as the Bipartisan Infrastructure Law (BIL), was signed by the President on November 15, 2021, and has been codified at 23 United States Code (U.S.C.) 175. BIL established the Promoting Resilient Operations for Transformative, Efficient, and Cost-Saving Transportation (PROTECT) Formula Program to help make surface transportation more resilient to natural hazards and weather events including, but not limited to, climate change, severe storms, flooding, drought, extreme heat, erosion of waterways, extreme wind, seismic events, and wildfires. To fulfill this purpose, BIL asks each state to develop a Resilience Improvement Plan (RIP) and to fund projects designed to increase the resiliency of the state’s multi-modal transportation network. The planning process and subsequent funding through BIL are intended to protect surface transportation assets on the State Highway System and Local Major Collector Road system. Through this process, the state will be better able to avoid future damage, maintenance, and reconstruction of infrastructure due to current and future weather events and natural disasters. Through resilience improvements and strategies, the state and its communities will be prepared for the continued operation or rapid recovery of surface transportation systems.</p> <p>KDOT’s Resilience Improvement Plan (RIP) will include all content requirements per Section 176e of the IIJA and federal guidance. It shall include, but not be limited to, the following: development of a statewide risk based multimodal vulnerability assessment that considers current and future events; development and identification of proposed short, medium and long range resilience solutions; development of a data-driven project prioritization framework to prioritize resilience investments; development of a stakeholder involvement and public participation plan that includes traditionally underserved individuals and communities related to the USDOT’s Justice 40 initiative; development of RIP should be informed by the TAMP and the State Freight Plan and be consistent with the State’s LRTP and the State and local emergency and hazard plans; and development of a GIS tool to identify impacts of extreme weather to multimodal transportation system. The RIP will be developed as part of the State and MPO planning processes. The RIP will consider probability and likelihood. The planning period for the RIP will include the years 2023 to 2032. It is expected that the RIP will assist KDOT in demonstrating a systemic approach to resilience through our maintenance, operations, project implementation, and policy decision-making processes.</p> <p>For further information, please refer to the latest guidance from the U.S. Department of Transportation – Federal Highway Administration Memorandum of July 29, 2022, pertaining to the PROTECT Program can be found at https://www.fhwa.dot.gov/environment/sustainability/resilience/policy_and_guidance/protect_formula.pdf.</p> |

Table 2: Project Summary

| Project Number | Route and Location | Length (mi) | Project Termini |
|----------------|--|-----------------------------------|---|
| P-1794-23 | 106 – Statewide All Federal and State Highways | Not relevant to this project | KDOT is seeking proposals from qualified firms to develop the KDOT Resilience Improvement Plan. |
| Project Number | | Type | |
| P-1794-23 | | KDOT Resilience Improvement Plan. | |

Additional Detail of Services

The KDOT Resilience Improvement Plan (RIP) must be structured to meet all requirements of Section 176e of the IIJA. It is expected that the selected qualified firm will identify opportunities that support both planning and project implementation processes simultaneously.

The RIP will meet the FHWA requirement from the Program Guidance that ensures the reduction of the non-federal match for federal projects funded under the Promoting Resilient Operations for Transformative, Efficient, and Cost Saving Transportation (PROTECT) program.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (CST) December 16, 2022
2. Anticipated Start Date: February 2023
 - a. Draft Plan due December 2023
 - b. Final Plan due February 2024
3. The program fiscal year for this project is SFY 2023-SFY 2024 (June 2022 – July 2024)
4. Ranking of proposals is expected to occur on or around December 23, 2022
5. Negotiations with the most highly ranked firm are expected to begin on or around January 2, 2023
6. An executed agreement is anticipated around January 20, 2023

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals, including cost or pricing information, will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than the standard letter size will count as two or more pages, depending on the size.
3. A single PDF (2MB maximum size) of the proposal, including all attachments, must be emailed to KDOT.DesignContracts@ks.gov by the proposal’s due date and time.
4. The subject line of the email and the PDF file name must read:
 - a. “P-1794-23, KDOT Resilience Improvement Plan., statewide_FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”) and No. 10 (“Policy Regarding Sexual Harassment”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing.
6. The outline in Table 3 below describes the expected proposal organization and content sections.

7. Table 4 lists the evaluation criteria and associated weights which will be used to make a selection.

Table 3: Proposal Content

| Section | Description of Intent | Page Limit |
|--|---|------------|
| Cover Letter | | 1 Page |
| Project Approach | Demonstrate a unique and innovative approach to accomplish the plan to a high standard. Include cost-effective and optimized solutions to address the anticipated scope of work. Include unique qualifications or experience related to the planned approach. | |
| Approach to Schedule | Describe the approach to accomplish the scope within the schedule requirements. Include anticipated key milestone dates and availability of staff. | |
| Approach to Quality Control | Describe methods or procedures your firm will use to provide all drawings, reports, and other services with professional quality and technical accuracy. | |
| Qualifications and Experience | For key personnel to be assigned to the project, provide names, office locations, qualifications, education, training, and expertise. Identify their area(s) of responsibility and the percentage of their time dedicated to the project. List work for which you do not have in-house capability and name the firm you propose to subcontract. | |
| Past Performance | Describe the team’s past performance concerning the ability to meet project schedules; quality of work; and ability to control costs on similar transportation projects, especially those performed for KDOT. Include three references and contact information. | |
| Familiarity with KDOT and Project Area | Describe the team’s familiarity with KDOT’s design process and standards. Describe familiarity with the project area and any identified special site conditions. | |

Table 4: Evaluation Factors

| Evaluation Factor | Weight |
|---|--------|
| Qualifications and experience of project manager and other key project team members proposed for services | 20% |
| Proposed approach for review and analysis | 30% |
| Past performance history for similar projects/services for KDOT | 15% |
| Availability to respond to the work | 10% |
| The quality and completeness of the response | 15% |
| Familiarity with applicable federal regulations and guidance | 10% |

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for professional services projects. The following special attachments will need to be provided by the selected consultant and all subconsultants with the signed work order following negotiations and will become attachments to the contract.

- Special Attachment No. 8 (“Tax Clearance Certificate”)

- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

Questions

All questions regarding this Request for Proposals shall be emailed to KDOT.DesignContracts@ks.gov.

Questions can be submitted until December 5, 2022; answers will be provided to all prequalified consultants on December 9, 2022.

Sedgwick County, Kansas

Summary Notice of Bond Sale
\$2,680,000*
General Obligation Bonds
Series A, 2022

(General Obligation Bonds Payable
from Unlimited Ad Valorem Taxes)

Bids

Subject to the Notice of Bond Sale dated November 16, 2022 (the “Notice”), facsimile and electronic bids will be received on behalf of the Chief Financial Officer of Sedgwick County, Kansas (the “Issuer”) in the case of facsimile bids, at the address set forth below, and in the case of electronic bids, through PARITY® until 1:00 p.m. (CST) December 6, 2022, for the purchase of the above-referenced bonds (the “Bonds”). No bid of less than 98.5% of the principal amount of the Bonds and accrued interest thereon to the date of delivery will be considered.

Bond Details

The Bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. The Bonds will be dated December 29, 2022, and will become due on August 1 in the years as follows:

Table with 5 columns: Year, Principal Amount*, Year, Principal Amount*. Rows for years 2023-2026 with corresponding principal amounts.

| | | | |
|------|---------|------|---------|
| 2027 | 160,000 | 2037 | 115,000 |
| 2028 | 160,000 | 2038 | 100,000 |
| 2029 | 160,000 | 2039 | 100,000 |
| 2030 | 160,000 | 2040 | 105,000 |
| 2031 | 165,000 | 2041 | 110,000 |
| 2032 | 165,000 | 2042 | 115,000 |

Dated November 16, 2022.

Lindsay Poe Rousseau
 Chief Financial Officer

The Bonds will bear interest from the date thereof at rates to be determined when the Bonds are sold as hereinafter provided, which interest will be payable semiannually on February 1 and August 1 in each year, beginning on August 1, 2023.

Book-Entry-Only System

The Bonds shall be registered under a book-entry-only system administered through DTC.

Paying Agent and Bond Registrar

Treasurer of the State of Kansas, Topeka, Kansas.

Good Faith Deposit

Each bid shall be accompanied (in the manner set forth in the Notice) by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States of America or a wire transfer in Federal Reserve funds immediately available for use by the Issuer in the amount of \$53,600.

Delivery

The Issuer will pay for preparation of the Bonds and will deliver the same properly prepared, executed, and registered without cost to the successful bidder on or about December 29, 2022, to DTC for the account of the successful bidder.

Assessed Valuation and Indebtedness

The Equalized Assessed Tangible Valuation for Computation of Bonded Debt Limitations for the year 2022 is \$6,555,782,399. The total general obligation indebtedness of the Issuer as of the Dated Date, including the Bonds being sold, is \$40,505,000.

Approval of Bonds

The Bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., Wichita, Kansas, Bond Counsel to the Issuer, whose approving legal opinion as to the validity of the Bonds will be furnished and paid for by the Issuer, printed on the Bonds, and delivered to the successful bidder as and when the Bonds are delivered.

Additional Information

Additional information regarding the Bonds may be obtained from the undersigned, or from the Municipal Advisor at the addresses set forth below:

(Published in the Kansas Register November 24, 2022.)

Coffey County, Kansas

**Summary Notice of Bond Sale
 \$9,920,000***

General Obligation Bonds, Series 2022

**(General Obligation Bonds Payable
 from Unlimited Ad Valorem Taxes)**

Bids

Subject to the Notice of Bond Sale dated on or about November 25, 2022 (the "Notice of Sale") bids will be received by the County Treasurer of Coffey County, Kansas (the "County"), on behalf of the Board of County Commissioners, at 110 S. 6th St., Burlington, KS 66839, by facsimile at 620-364-8975, or, in the case of electronic proposals, via PARITY® Electronic Bid Submission System ("PARITY") until 10:00 a.m. (CST) December 5, 2022, for the purchase of \$9,920,000* principal amount of General Obligation Bonds, Series 2022 (the "Bonds"). No bid of less than 100% of the par value of the Bonds, plus accrued interest to the date of delivery, will be considered. Bidders may be required to be qualified in a manner established by the County before submitting a bid.

Bond Details

The Bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. The Bonds will be dated December 22, 2022 (the "Dated Date"), and will become due September 1 in the years as follows:

| Year | Principal Amount* | Year | Principal Amount* |
|------|-------------------|------|-------------------|
| 2023 | \$410,000 | 2033 | \$495,000 |
| 2024 | 325,000 | 2034 | 515,000 |
| 2025 | 340,000 | 2035 | 535,000 |
| 2026 | 360,000 | 2036 | 555,000 |
| 2027 | 375,000 | 2037 | 580,000 |
| 2028 | 395,000 | 2038 | 600,000 |
| 2029 | 415,000 | 2039 | 625,000 |
| 2030 | 435,000 | 2040 | 650,000 |
| 2031 | 455,000 | 2041 | 675,000 |
| 2032 | 475,000 | 2042 | 705,000 |

The Bonds will bear interest from the Dated Date at rates to be determined when the Bonds are sold as provided in the Notice of Sale, which interest will be payable semiannually on March 1 and September 1 in each
(continued)

year, beginning on March 1, 2023. A bidder may elect to have all or a portion of the Bonds scheduled to mature in consecutive years issued as term bonds subject to the requirements set forth in the Notice of Sale.

Paying Agent and Bond Registrar

Treasurer of the State of Kansas, Topeka, Kansas.

Good Faith Deposit

The bidder for the Bonds shall provide the County with a cashier’s or certified check drawn on a bank located in the United States of America or a wire transfer of same day funds in accordance with the requirements set forth in the Notice of Sale in the amount of \$198,400 (2% of the principal amount of the Bonds).

Delivery

The County will pay for preparation of the Bonds and will deliver the same properly prepared, executed, and registered without cost to the successful bidder on or about December 22, 2022, through the facilities of The Depository Trust Company, New York, New York.

Assessed Valuation and Indebtedness

The County’s equalized assessed tangible valuation for computation of bonded debt limitations for the year 2021 is \$622,496,237. The total general obligation indebtedness of the County as of the date of issuance of the Bonds, including the Bonds being sold, is \$9,920,000*.

Approval of Bonds

The Bonds will be sold subject to the legal opinion of Kutak Rock LLP, Kansas City, Missouri, Bond Counsel, whose approving legal opinion as to the validity of the Bonds will be furnished and paid for by the County and delivered to the successful bidder as and when the Bonds are delivered.

Additional Information

Additional information regarding the Bonds may be obtained from the County Treasurer, phone 620-364-5532; the County’s Municipal Advisor, Raymond James & Associates, Inc., Attn: Greg Vahrenberg, 11551 Ash St., Suite 250, Leawood, KS 66211, phone 816-391-4120; or from Kutak Rock LLP, Attn: Joe Serrano, Bond Counsel, 2300 Main St., Suite 800, Kansas City, MO 64108-2416, phone 816-960-0090.

Permanent Administrative Regulation

Article 12.—BATTERER INTERVENTION PROGRAM REQUIREMENTS AND CERTIFICATION

16-12-4. Program requirements. Each holder of a temporary permit, initial certification, renewal certification, or certification reinstatement shall perform the following:

(a) Adopt and follow the standards, elements, and other program requirements described in the document titled “the essential elements and standards of batterer intervention programs in Kansas,” revised on July 12, 2022, by the Kansas attorney general’s office, which is hereby adopted by reference except for the acknowledgements, table of contents, philosophy and purpose, and theoretical overview of batterer intervention programs; and

(b) submit the attorney general’s document titled “certified batterer intervention program statistical report” with the required information. This document, revised on July 12, 2022, is hereby adopted by reference. The “certified batterer intervention program statistical report” shall be completed and submitted to the attorney general on or before January 5 and July 5 in each year of certification or the first business day following these deadlines if the deadlines fall on a weekend or state or federal holiday. (Authorized by and implementing K.S.A. 75-7d01, 75-7d05, and 75-7d11; effective, T-16-6-28-12, June 28, 2012; effective, T-16-10-25-12, Oct. 26, 2012; effective Jan. 25, 2013; amended Dec. 9, 2022.)
