Department of Health and Environment**Notice of Proposed Kansas Air Quality Class I Operating Permit Renewal**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. City of Emporia – Transfer Station has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

City of Emporia – Transfer Station, 1220 Hatcher, Emporia, KS 66801, owns and operates an air curtain incinerator. The air curtain incinerator is equipped with a 150-hp diesel engine that will provide power to supply the manifold with sufficient overfire air to contain smoke and fly ash pollutants. The air curtain incinerator is used

to burn only tree trimmings, yard waste, and clean untreated lumber. It is located at 3100 W. South Ave., Emporia, Lyon County, KS 66801.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Southeast District Office, 308 W. 14th St., Chanute, KS 66720. To obtain or review the proposed permit and supporting documentation, contact Matthew Reynolds at the central office of KDHE at 785-296-1719, or Ryan Jack at the Southeast District Office at 620-860-7235. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <http://www.kdheks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Matthew Reynolds, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, April 8, 2024.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Matthew Reynolds, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, April 8, 2024, in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency (EPA) has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Keith Johnson, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, phone 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Notice of Proposed Kansas Air Quality Construction Permit

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality construction permit. Beloit Municipal Power Plant has applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300. Emissions of volatile organic compounds (VOC), particulate matter (PM), particulate matter with less than or equal to 10 microns in aerodynamic diameter (PM₁₀), particulate matter with less than or equal to 2.5 microns in aerodynamic diameter (PM_{2.5}), carbon monoxide (CO), oxides of nitrogen (NO_x), oxides of sulfur (SO_x), and hazardous air pollutants (HAPs) were evaluated as part of the review process.

Beloit Municipal Power Plant, 215 S. Chestnut St., Beloit, KS 67420, owns and operates a municipal power plant located at 215 S. Chestnut St., Beloit, Mitchell County, KS 67420, at which the facility is electing to take federally enforceable limits regarding operations in order to stay below the major source thresholds, thereby, allowing the facility to apply for Class II status when the current Class I Operating Permit expires.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review from the date of publication during normal business hours at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the North Central District Office, 3040 Enterprise Dr., Salina, KS 67401. To obtain or review the proposed permit and supporting documentation, contact Meaghan Conant at the central office of KDHE at 785-296-8142, or Jessica Fair at the North Central District Office at 785-515-6706. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, at charge, at the KDHE BOA Public Notice website at <http://www.kdheks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Meaghan Conant, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, April 8, 2024.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall

be in writing and set forth the basis for the request. The written request must be submitted to Meaghan Conant, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, April 8, 2024, in order for the Secretary of Health and Environment to consider the request.

The preceding notice refers to the air permit for Beloit Municipal Power Plant located at 215 S. Chestnut St., Beloit, Mitchell County, KS 67420. If you want more information or you have other questions, please contact the KDHE Non-Discrimination coordinator and call 785-296-5156 or send an email to KDHE.NonDiscrimination@ks.gov.

Notice of Proposed Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Las acciones propuestas con respecto a los documentos preliminares se basan en la revisión del personal, aplicando los estándares, regulaciones y limitaciones de efluentes apropiados del estado de Kansas y de la Agencia de Protección Ambiental de Estados Unidos. La acción final resultará en la emisión de una Autorización Federal del Sistema Nacional de Eliminación de Descargas de Contaminantes y un permiso de Control de Contaminación del Agua de Kansas, sujeto a ciertas condiciones, revocación y reemisión del permiso designado o terminación del permiso designado. Legal Description: NE¼, Section 29, Township 12S, Range 20E, Douglas County, Kansas

Facility Location: 38.98093, -95.21091

The proposed action consists of modifying the existing Kansas/ NPDES Water Pollution Control permit. The Phosphorus limits will be removed due to the TMDL, which the limit was based on, being applied 5 years earlier than intended. This permit corrects that error. Arsenic monitoring was also removed, due to non-detect for Arsenic over the previous permit cycle. In lieu of a phosphorus limit, the permittee will monitor for phosphorus and be placed on a schedule of compliance to meet the future phosphorus limit. The permit has limits for Residual Chlorine, pH, and Total Suspended Solids; and monitors for Phosphorus, and Nitrogen.

The Deffenbaugh Industries Johnson County landfill operates under KDHE Solid Waste Permit 263 and is located at 17955 Holliday Dr., Shawnee, Kansas. The facility covers approximately 850 acres with approximately 478 acres permitted for solid waste disposal. The permittee is authorized to inject non-hazardous liquid waste generated at this facility consisting of landfill leachate, contaminated ground-

water and vehicle washwater from washing conducted at this facility of only the exterior of vehicles owned by Deffenbaugh Industries, Inc. This permit is for one UIC Class I well Deffenbaugh WWDW #3 (KS-01-091-003) which has not been drilled. The permittee currently operates one UIC Class I well, WWDW #2 (KS-01-091-002).

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before April 6, 2024, will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-24-054/062, KS-AG-R-24-005, KS-Q-24-024/025) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Casey Guccione, Livestock Waste Management Section at the KDHE, Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Andrew Bowman at the KDHE, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Jada Martin at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone 785-296-0076 or email at kdhe.feedlots@ks.gov. Las preguntas o comentarios por escrito deben dirigirse a Erich Glave, Director, Bureau of Environmental Field Services en KDHE: 1000 SW Jackson St., Suite 430, Topeka, KS 66612-1367; por correo electrónico: kdhe.feedlots@ks.gov; por teléfono: 785-296-6432. For all other proposed permits or actions an appointment can be scheduled, or copies requested by contacting Jamie Packard, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612, telephone 785-296-4148 or email at Jamie.Packard@ks.gov. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdhe.ks.gov/livestock>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to 1.22 acres of real property located on the northwest corner of the intersection of Fountain Avenue and 21st Street North, directly adjacent to the Wichita State University campus. This location would be designated for private development committed to supporting broadband

infrastructure and Internet exchanges. The university is interested in leasing such ground to any individual, organization, or entity whose presence would advance WSU’s vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. WSU intends to lease such space for a mutually agreeable period of time, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with WSU’s educational mission and identify anticipated benefits to the university, its students, and the surrounding community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, community benefit commitments, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU and the surrounding community, design concepts, financial stability, and proposed use. Interested tenants will be responsible for all costs associated with the development and ongoing maintenance costs of any improvements. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of the improvement, and benefit to WSU. WSU will consider serious offers and inquiries from any financially qualified individual, group, organization. If interested, please contact Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Notice of Commencement of Negotiations for Construction Manager At-Risk Services

Notice is hereby given for the seeking of interest and qualifications for Construction Management At-Risk (CMAR) services for the Strong Complex Remodeling Project, Kansas State University (KSU), Manhattan, Kansas. The total project budget is \$32,000,000 with a construction budget of \$24,000,000.

The Strong Complex Community, comprised of Boyd, Van Zile and Putnam buildings, are a strong anchor for residential life at KSU, and are the oldest residence halls on campus. These buildings were designed in gothic style and are located on the east end of campus, south of the Derby Complex. The goal of this project is to reimagine the use of these buildings to create a distinctive learning/living community that will serve as a home to the honors program, and foster leadership, engagement, and service activities, where high-achieving students are inspired to thrive academically and personally. This reimagined complex will include office spaces, conference rooms, seminar rooms, a dining hall, and residential halls with lounge spaces.

The construction manager at-risk will provide for each phase cost estimating, scheduling, constructability reviews, and value engineering studies; procure equipment, prequalify subcontractors, and take bids; review bids with the design team and owner to determine bids to accept; prepare cost estimate(s) for the un-bid portion(s); provide a guaranteed maximum price and a bond; and manage construction and track all costs for the design team and owner's review.

An architectural/engineering program is available at <https://admin.ks.gov/offices/ofpm/dcc/arch-eng-programs>. Questions about the proposed scope of services should be submitted to Skyler Harper at harper@ksu.edu or telephone at 785-532-8840.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051, 052, 053 and 054, inclusive, and information regarding similar projects. Forms may be found at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/forms-and-documents>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each SOQ (statement of qualification) submittal. Please include your firm name, agency abbreviation, and an abbreviated project name in the title of the PDF document. Submittals of SOQ forms should be less than 5b and follow the current State Building Advisory Commission guidelines for Phase I of the Construction Management at Risk process, which can be found in Part B – Chapter 7 of the Building Design and Construction Manual at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/building-design-and-construction-manual-bdcm>.

Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions about the proposal submissions, please contact Randy Riveland at randy.riveland@ks.gov or call 785-296-0749. Proposals shall be emailed to professional.qualifications@ks.gov to the attention of the State Building Advisory Commission by 2:00 p.m. on or before March 22, 2024.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. If prospective bidders/vendors/contractors have any policies or participate in any initiatives that discourage human trafficking, the prospective bidder/vendor/contractor is encouraged to submit same as part of their bid response.

South Kansas & Oklahoma Railroad

Request for Proposals

Interested parties are invited to submit a proposal to complete the below scope of repairs for the South Kansas & Oklahoma (SKOL) Railroad.

Scope of Work

This project consists of the replacement of three switches and the realignment of the rail to reduce wear and tear in the SKOL's Winfield, Kansas Yard. The current switches consist of 90lb rail and will be upgraded to 115lb. Switch schematics will be provided upon award. Provide all necessary labor, equipment, and logistical services to

supply all installation/changeout services called for to complete this project.

Minimum Requirements

MSA and Roadway Worker Protection

- Contractors must complete, and have on file, a current Master Services Agreement with SKOL Railroad prior to starting work. Prior to submitting a proposal.
- Contractors shall always comply with all parts of 49 CFR Part 214 and 219 regarding FRA Roadway Worker Safety. Workers and equipment shall remain clear of the track unless they have gained Roadway Worker Protection from a qualified person.
- Contractor, contractor employees, agents, and/or subcontractors must be enrolled and comply with the FRA 219 approved drug testing program.
- Any subcontracted work will need to be approved by the SKOL Railroad prior to any work starting.
- All contractors will be required to complete WATCO Contractor Orientation at <https://watcocontractor.com/>. Any contractor who was previously enrolled in e-SHORTLINE with WATCO in the past, will be required to complete the WATCO Contractor Orientation. A RWIC qualified roadway worker must be on site at all times. This qualification can be obtained through the WATCO contractor website.

Work Windows

Impact to current railroad operations must be kept to a minimum. When work must take place that causes an active track to be taken out of service for the purposes of performing work that pertains to the project, the contractor must pre-arrange a defined work window with the railroad. Contractor can anticipate a maximum work window of ten hours between the hours of 0900 and 1900. Work windows may be arranged seven days a week, if desired. The SKOL will not be operating trains over the weekend in this area. This topic will be further discussed during the pre-proposal meeting, as operations may change.

Standards

All standards referenced by the project plans and specifications, as well as all applicable AREMA standards must be upheld during all phases of the project work, unless certain standards are excluded from the project with written approval by the SKOL Railroad. All rails shall be replaced at standard gauge of 56-1/2". Switches must meet FRA 213 standard for guard check gauge for Class 2 at 54-1/4."

Submittals

The following documents shall be submitted by the contractor as part of the project at the times listed:

- Schedule of Work – Submitted with proposal.
- Certificate of Insurance – Submitted prior to construction.
- Safety Plan – Submitted prior to construction.
- Proof of Roadway Worker Training – Submitted prior to construction.

Other Responsibilities

- Permits – Contractor is responsible for all federal, state, and local permits required for the work. Ad-

ditional permit information will be covered at the pre-proposal meeting.

- Utilities – Contractor is responsible to locate and protect site utilities.
- Site Clean-up – Contractor is responsible for proper site restoration and proper disposal of materials, trash, containers, etc., must be disposed of in accordance with all local, state, and federal laws.

Insurance

Contractor shall purchase required coverage and submit for verification a Certificate of Insurance.

Materials

All materials shall meet the requirements found in the project plans and/or specifications as well as applicable AREMA requirements. Material storage is granted on railroad right of way to the contractor. However, no materials shall be stored closer than 15 feet from the centerline of any active track at any time. Material and equipment laydown areas and reclaimed materials stockpiling locations shall be discussed and further clarified at the pre-proposal meeting. All removed materials will be disposed of accordingly by the contractor unless otherwise arranged with the SKOL Railroad.

Non-Project Areas

The SKOL Railroad has secured access to the project through the railroad right of way. Other access may be obtained by the contractor if he/she so chooses. All areas (public, private and railroad right of way) that are used for access to the project, including parts of the railroad right of way which have no proposed work, shall be maintained and/or remediated, incidental to the project, by the contractor to the satisfaction of the property owner if any damage to these areas occurs.

Pre-Proposal Meeting

The SKOL Railroad (Watco) shall hold a pre-proposal meeting at 10:30 a.m. March 26, 2024, to address any questions or clarify any portions of the project tasks. Please reach out to Mike Mulnix for specific meeting details.

Project Completion

It is expected the contractor must start construction no later than 60 days after being awarded the bid (dependent upon material deliveries) and complete the project within an agreed upon timeline. Prior to the completion of the project there will be a 3rd party final inspection. If there are any issues with the quality of work, the contractor will be responsible for fixing any issues found at cost to them. A NTP is in effect on this project – planned construction timeline is slated for completion in May 2024.

Submission of a Proposal

All proposals must be submitted no later than 4:00 p.m. April 19, 2024. All submitted proposals shall be reviewed by the SKOL Railroad. Please ensure your proposal includes all required information. All incomplete proposals shall be rejected. The structure of your proposal must be able to be clearly understood, all proposals shall provide the following line items and provide costs as required below:

- Provide a total sum of all Line Items on the proposal.

(continued)

- Mobilization and Demobilization – Lump sum.
- Labor (Install) for each line item; include all applicable taxes.
- RRPL Insurance – Lump sum.

For further information or questions regarding the Request for Proposals or submittal of a proposal, please contact:

- Mike Mulnix, SKOL Roadmaster, phone 620-330-7415, email mmulnix@watco.com
- Jerod Gofourth, SKOL Assistant Roadmaster, phone 620-515-1809, email jgofourth@watco.com
- Cody McGee, Division Engineer, phone 217-855-4107, email cody.mcgee@watco.com

Work Reporting

Daily work reports must be filled out and submitted to Mike Mulnix – SKOL Roadmaster, Jerod Gofourth – SKOL Assistant Roadmaster, and Cody McGee – Division Engineer. Those reports should include updates to project schedules, any delays, and/or changes in the scope of work. A detailed summary report must be submitted upon the completion of the project.

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to supply personnel to perform professional services as described below. Interested consultants must upload a proposal by 12:00 p.m. (Central Time) March 15, 2024 to the Bid Express page to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in the following category(s):

- Category 241 Construction Inspection and Testing

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Anticipated Consultant Scope

KDOT anticipates the following to be included in the consultant’s scope: Construction inspection/testing in the

form of full time, in-house, technical and construction contract administration assistance to KDOT’s District 5, Area 5 Wichita, Kansas Construction Office. Scope will include assistance with construction project supervision, inspection staffing, and contract administration. Consultant staff may serve as project supervisor of complex construction projects and/or multiple smaller projects. See Attachment for additional details.

Consultant staff will be utilized a minimum of 40/60 hours per week excluding holidays. Hours may be split between two employees of the firm. Contract period will be one year with an optional one-year extension.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) March 15, 2024.
2. Ranking of proposals is expected to occur on or around March 18, 2024. Negotiations with the most highly ranked firm are expected to begin on or around April 4, 2024. An executed agreement is anticipated shortly thereafter.
3. Anticipated Start Date: As soon as under contract.

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.)
3. A PDF (2MB maximum size) of the proposal must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:
 - a. “FC-5001-24–EmbedConstInsp.Admin in D5A5 Wichita FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”), No. 10 (“Policy Regarding Sexual Harassment”), and No. 12 (“Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. All attachments are required for every firm involved in a multi-consultant team. Upload these files as instructed in Bid Express.
6. The outline in Table 1 below describes the expected proposal organization and content sections.
7. Table 2 lists the evaluation criteria and associated weights which will be used to make a selection.
8. Although not anticipated at this time, KDOT reserves the right to interview for the requested services associated with any of the listed projects prior to making final selections.

Table 1: Proposal Content

Section	Description of Intent
Cover Letter	(no more than 1 page)
Project Approach	Describe how your firm will meet the fluctuating needs of the project.

Approach to Quality Control	Describe methods or procedures your firm will use to provide all services with professional quality and technical accuracy.
Qualifications and Experience	For key personnel to be assigned to the project provide names, qualifications, education, training, and expertise. Identify their area(s) of responsibility and percent of their time dedicated to the project. List work for which you do not have in-house capability and name the firm you propose to subcontract with.
Past Performance	Describe team’s past performance with respect to ability to meet project schedules; quality of work; and ability to control costs on similar transportation projects, especially those performed for KDOT. Include three references and contact information.
Familiarity with KDOT and Project Area	Describe team’s familiarity with KDOT’s processes and standards. Describe familiarity with the project area and any identified special site conditions.

Table 2: Evaluation Factors

Evaluation Factor	Weight
The quality and completeness of the response	10%
Availability to respond to the work	20%
Qualifications and experience of key project team members proposed for services	20%
Past performance history for similar projects/services for KDOT	20%
Understanding of the District and Area	10%
Understanding of KDOT contract administration and closeout procedures	20%

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for professional services projects. The following special attachments will need to be provided by the selected consultant and all subconsultants with the signed work order following negotiations and will become attachments to the contract:

- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)
- Special Attachment No. 12 (“Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems”)

Questions

All questions regarding this Request for Proposals shall be submitted via Q&A section of bid form in Bid Express.

Questions can be submitted until March 6, 2024; answers will be provided to all prequalified consultants on March 12, 2024.

Additional Details

The KDOT District 5 Area 5 construction offices located in Wichita, Kansas, are requesting an embedded consultant to provide full time, in-house, technical and construction contract administration expertise.

This is expected to be a full-time (40-60 hours per week excluding holidays) assignment based at the District 5 Area 5 Wichita West Office. The hours will be allocated to a primary person with up to two delegates. The delegates are intended to be used when the primary person is on leave, un-

available or the workload has created a need for additional staff for a short period of time. The contract period will be one calendar year with an optional one-year extension.

Construction Project Supervision and Contract Administration

Under the direction of the Metro Engineer (ME), Field Engineering Administrator (FEA), or Construction Engineer (CE), assist with construction project supervision, inspection staffing, and contract administration. The consultant may serve as project supervisor of complex construction projects and/or multiple smaller projects. Duties include, but are not limited to:

- Provide recommendations to the ME, FEA, and CE regarding project actions, staffing and any other project related matters.
- Responsible for the review or compilation of project documentation for all phases of work performed to substantiate the contract payments. This documentation includes daily diaries, weekly recaps, test reports, final papers, and AASHTOWare.
- Make determination on the charges of working days and other similar contract issues.
- Represent KDOT in project-related meetings and conferences.
- Provide guidance to the construction staff in the review of construction plans such as verifying steel quantities, grade computations and earthwork quantities.
- Maintain contact with the contractor’s project manager on the project.
- Advise the KDOT on construction project related decisions.

Mentoring Resource

The consultant will serve as a mentor and provide effective leadership and training to less experienced technicians and engineering associates. The consultant will identify and recommend areas of additional training needed within the construction office. This information will be used to assist the ME, FEA, or CE to organize effective training programs for the construction office.

Provides other project related construction assistance to the ME, FEA, and CE as directed.

Construction Plan Development

Reviews or prepares documents for field-designed projects such as 1R projects, bridge set-aside projects, culvert set-aside projects and 3R major modifications. This includes field measuring, quantity computations, drafting of plan sheets and field surveys. This also includes participation in field checks and plan reviews as necessary.

Qualifications

- A minimum of five years of experience managing large or complex KDOT construction projects.
- CIT certifications in basic inspection, asphalt paving inspection, concrete paving inspection, structures inspection, ACI concrete field testing technician, and aggregate field technician.
- Proficiency with AASHTOWare Project.

Request for Proposals

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to support our Statewide Communication and Integration. Interested consultants must submit a proposal as laid out herein by 12:00 p.m. (Central Time) March 27, 2024, to be considered for selection.

Consultant Prequalification

Interested consulting firms must be pre-qualified by KDOT or otherwise demonstrate qualification in the following category(s):

- 163 – Congestion Management/ITS

If a firm is not currently prequalified by KDOT, the firm may still submit a proposal but must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form KDOT 1050–Consultant Qualification Questionnaire to provide this documentation. The KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Project Background

KDOT Bureau of Intelligent Transportation Systems (ITS) has statewide ITS devices such as Dynamic Message Signs (DMS), CCTV Cameras, and traffic sensors/detectors. Many of these devices use KDOT’s statewide fiber optic network to communicate with traffic management centers (TMCs) in Wichita, Kansas and Kansas City, Kansas. Some devices use cellular modem communications instead of fiber. KDOT also maintains an OSP database to map the location of devices, fiber, and power connections to devices.

This is a yearly contract which may be extended for up to four additional years.

Anticipated Consultant Scope

The project scope includes statewide support on an as-needed basis via phone, email and on-site to troubleshoot problems with cameras, signs, detectors, modems, and radios that prevent communication with central software and operations of those devices. Consultant will assist with installation of test devices, inspection of field locations, evaluation of products, configuration of existing devices, evaluation of interoperability needs, and other project support as needed. Consultant will also assist Bureau of ITS with as-built documentation and maintaining our OSP database/evaluating other database platforms.

Provide a scope of services/proposal to perform the following tasks:

1. ITS troubleshooting services.
2. Fiber optic network as-built drawings.

3. Fiber optic network database OSP updates, support, and other database evaluations.
4. Project management with monthly updates/meetings.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) March 27, 2024.
2. Anticipated Start Date: July 1, 2024.
3. Anticipated Calendar Completion Date: June 30, 2025.
4. Ranking of proposals is expected to occur on or around April 10, 2024.
5. Negotiations with the most highly ranked firm are expected to begin on or around April 15, 2024. An executed agreement is anticipated around May 31, 2024.

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A single PDF (10MB maximum size) of the proposal including all attachments must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
4. The PDF file name must read:
 - a. “KA-1833-25 Statewide Communication Integration Support FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”); No. 10 (“Policy Regarding Sexual Harassment”), and No. 12 (“Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. All attachments are required for every firm involved in a multi-consultant team. Upload these files as instructed in Bid Express.
6. The outline in Table 1 below describes the expected proposal organization and content sections.
7. Table 2 lists the evaluation criteria and associated weights which will be used to make a selection.
8. Depending on the number and quality of responses received, KDOT anticipates shortlisting (based on proposals) and holding interviews prior to final selection (which may be based on both proposals and interview content). If KDOT deems them necessary, evaluation criteria for interviews will be distributed to shortlisted consultant teams in advance.

Project Background

KDOT Bureau of Intelligent Transportation Systems (ITS) has approximately 150 ITS devices such as Dynamic Message Signs (DMS), CCTV Cameras, and traffic sensors/detectors in the Wichita, Kansas area. Many of these devices use KDOT’s fiber optic network to communicate with the traffic management center (TMC) in Wichita. Some devices use cellular modem communications instead of fiber. KDOT requires troubleshooting assistance for communication and hardware issues. In addition, KDOT operates a truck parking availability system that uses IRIS software to communicate with truck parking signs and updates and maintains construction specifications for consistency and to reduce future maintenance issues.

This is a yearly contract which may be extended for up to four additional years.

Anticipated Consultant Scope

The project scope includes support on an as-needed basis via phone, email, and on-site to troubleshoot problems with cameras, signs, detectors, modems, and radios that prevent communication with central software and operations of those devices. Consultant will also assist with installation of test devices, inspection of field locations, evaluation of products, configuration of existing devices, evaluation of interoperability needs, and other project support as needed. Consultant will assist with monitoring and troubleshooting KDOT’s Truck Parking Information Management System (TPIMS) and IRIS soft-

(continued)

ware maintenance. Consultant will also maintain and update ITS construction specifications as needed.

Provide a scope of services/proposal to perform the following tasks:

1. ITS troubleshooting services.
2. ITS construction support.
3. Truck parking information management system support.
4. Construction specification maintenance.
5. Project management with bi-weekly updates/meetings.

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to support and manage operations of the WICHway Statewide Traffic Management Center (TMC). Interested consultants must submit a proposal as laid out herein by 12:00 p.m. (Central Time) March 27, 2024, to be considered for selection.

Consultant Prequalification

Interested consulting firms must be pre-qualified by KDOT or otherwise demonstrate qualification in the following category(s):

- 163 – Congestion Management/ITS
- 231 – Traffic Control Analysis and Design

If a firm is not currently prequalified by KDOT, the firm may still submit a proposal but must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form KDOT 1050–Consultant Qualification Questionnaire to provide this documentation. The KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Project Background

The Wichita TMC is located in Wichita, Kansas, co-located with Sedgwick County 911, and provides TMC functions such as sign and camera control, for both statewide devices and in the Wichita (WICHway) metro area. This contract is for engineering operations support and providing sufficient TMC operator positions (a minimum of one per shift) to provide 24/7 operator coverage and meet the operations objectives outlined in the scope below.

The contract will cover all operator staffing, training, management, and support (including up to four hours of support per month by a senior level engineer/principal). Workstations, phones, and computers will be supplied by KDOT, thus a field overhead rate would be expected for operators.

This is a yearly contract which may be extended for up to four additional years.

Anticipated Consultant Scope

Duties will be under the direction of the Bureau Chief of ITS and will include TMC operator staffing and management, day-to-day operations management, 24/7 phone support, Traffic Incident Management (TIM) training and coordination, performance measure reporting, assistance and coordination with ITS device/software integration and maintenance, and other functions necessary for efficient TMC operations to provide consistent sign messages and traveler information to the public.

Provide a scope of services/proposal to perform the following tasks:

1. Provide and train TMC operators for 24/7 coverage.
2. Manage TMC operators and day-to-day operations.
3. Provide 24/7 TMC 800 phone number.
4. Provide Traffic Incident Management (TIM) training and coordination with emergency responders (monthly and annual meetings) in the Wichita area.
5. Maintain TMC procedures to provide an efficient incident management program for the Wichita metro area.
6. Provide performance measure reports, cost/benefit analysis, annual reports and other TMC reporting as needed.
7. Support statewide road condition and incident data entry and monitor truck parking system as well as KDOT public websites including KanDrive.gov.
8. Provide ITS support for KDOT district staff as needed.
9. Assist with communication integration and troubleshooting to ensure functionality of statewide and Wichita ITS devices and coordination with KDOT maintenance contractor.
10. Provide guest/partner tours.
11. Represent KDOT at industry meetings.
12. Attend meetings, review plans, and provide integration support for KDOT's ATMS software and support of ongoing software updates.
13. Perform other functions necessary for efficient TMC operation.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) March 27, 2024.
2. Anticipated Start Date: July 1, 2024.
3. Anticipated Calendar Completion Date: June 30, 2025.
4. Ranking of proposals is expected to occur on or around April 10, 2024.
5. Negotiations with the most highly ranked firm are expected to begin on or around April 15, 2024. An executed agreement is anticipated around May 31, 2024.

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant's proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5" x 11"). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A single PDF (10MB maximum size) of the proposal including all attachments must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
4. The PDF file name must read:

Request for Proposals

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm, or team of firms, to perform construction inspection services on multiple projects in various counties. Summary information for each project is provided below in Table 1.

Interested consultants must upload a proposal by 12:00 p.m. (Central Time) March 27, 2024, to the Bid Express page to be considered for selection.

Consultant Prequalification

Consulting firms interested in providing service on any project listed below must be prequalified by KDOT in the following category(s):

- 241 – Construction Inspection and Testing

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Projects

With this single solicitation, KDOT is requesting consulting services for construction inspections on the projects listed in Table 1. This table provides summary infor-

mation for each project. One consultant will be selected to perform services associated with each group listed. Firms can express interest in the groups for which they

would like to be considered by submitting a response as indicated below. There is no guarantee that a firm which has expressed interest will be selected for any project(s).

Additional project information including construction scope to be inspected, a detailed description of the project location, and resources and inspection scope specifically requested from consultants in this request can be viewed in an online table at <https://ike.ksdot.gov/about/construction-inspection-rfps>. Upon publication of this Request for Proposals, KDOT anticipates each of these inspection efforts will require full teams (project manager and inspectors, as opposed to single role staff augmentation as is occasionally request) for various types of construction inspection except as noted in the table. Watch the website linked above for updated information. Tabulated information (both in this Request for Proposals and on the website) shall not be relied upon during inspections. It is provided for the convenience of consultants, specifically to aid in making decisions about which projects they are interested in performing.

Specific project needs are subject to modification and/or cancellation at KDOT's discretion.

Anticipated Consultant Scope

The scope of construction inspection services and certifications required will vary for each project and are listed in the table available on the website noted above. Inspection efforts will be managed out of the offices listed. Also included for the convenience of consultants are indications of which grouped projects are currently slated to be performed by the same contractors.

Anticipated Schedule and Key Dates

- Proposals are due by or before 12:00 p.m. (Central Time) March 27, 2024.
- Ranking of proposals is expected to occur on or around March 28, 2024. Negotiations with the most highly ranked firm are expected to begin on or around April 4, 2024. An executed agreement is anticipated shortly thereafter.
- Anticipated scope starts dates and working days or anticipated calendar completion dates are shown in the table. All dates are subject to change.

Instructions for Proposal

- No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
- The consultant's proposal must not exceed the page limit laid out in Table 2 below (including any cover letter, index, etc.). All pages shall be standard letter size (8.5" x 11"). Any page larger than standard letter size will be counted as two or more pages depending on size.

- A single PDF (10MB maximum size) of the proposal including all attachments must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
- The proposal PDF file name must read:
 - "ConstInsp Multiple Projects_2024.03 Release FIRM NAME"
- The proposal must be accompanied by Special Attachments No. 8 ("Tax Clearance Certificate"), No. 10 ("Policy Regarding Sexual Harassment"), and No. 12 ("Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems"). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. All attachments are required for every firm involved in a multi-consultant team. Upload these files as instructed in Bid Express.
- The outline in Table 2 below describes the expected proposal organization, content sections, and limits on number of pages.
 - Each team is limited to a single, one-page cover letter.
 - Consultants may indicate interest in any and all projects, indicate preference (s) for up to three projects, and shall both indicate interest and preferences on the "February 2024 Construction Inspections Interest & Preference Form is provided on the Bid Express page to complete and upload. Also, consultants are to use the bottom of that form to indicate any capacity limitations that need to be taken into account when making selections.
 - Thereafter, each team is limited to two pages per project in which they express interest. In these pages, consultants shall:
 - Describe the approach they plan to execute to deliver success on the project.
 - Present the relevant qualifications and experience of the people they are proposing will provide the services.
 - Provide the firm's familiarity with KDOT and the project area.
 - Finally, consultants are limited to a single, on-page descriptions of general qualifications ("Past Performance" selection plus "Approach to Quality Control" section) regardless of the number of projects in which they are expressing interest.
- Table 3 lists the evaluation criteria and associated weights which will be used to make a selection.

- 8. Although not anticipated at this time, KDOT reserves the right to interview for the requested services associated with any of the listed projects prior to making final selections.

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be held at 9:00 a.m. March 22, 2024, in the conference room of Kansas Development Finance Authority (the "Authority"), 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposed issuance by the Authority in one or more series of revenue bonds (the "Bonds") in a principal amount not to exceed \$38,000,000. The Bonds will be issued pursuant to K.S.A. 74-8901 *et seq.* (the "Act") to finance a portion of the costs of the acquisition and construction of an approximately 212-unit qualified residential rental project under Section 142 of the Internal Revenue Code, to be located on approximately 17 acres of currently vacant land in the City of Lenexa, Kansas and generally bordered on the south by Kansas Highway 10, on the north by West 99th Street and the right-of-way for the proposed extension of West 100th Street, and on the west by Canyon Creek Boulevard, to be known as Canyon Creek Apartments (the "Project"), the principal user of which will be Lenexa Housing Partners, LP, a Kansas limited partnership (the "Borrower").

The Bonds will be limited obligations of the Authority, payable solely from revenues pledged by the Borrower, and will not constitute a general obligation or indebtedness of the State of Kansas or any political subdivision thereof, nor will the Bonds constitute an indebtedness for which the faith and credit and taxing powers of the State of Kansas are pledged, but the Bonds will be payable solely from revenues pledged by the Borrower in amounts sufficient to pay the principal of, interest and redemption premium, if any, on the Bonds.

Interested individuals may participate in the public hearing in person or via conference call. Please call toll free 844-621-3956 and use access code 145 880 8929 followed by # to join the conference.

At the time and place fixed for the hearing, all individuals who appear will be given an opportunity to express their views for or against the proposal to issue the Bonds

(continued)

for the Project, and all written comments previously filed with the Authority at its above referenced offices will be considered. Additional information regarding the project may be obtained by contacting the Authority at the address of its offices shown above.

Notice of Hearing

A public hearing will be conducted at 9:00 a.m. Friday, March 22, 2024, in the offices of the Kansas Development Finance Authority (K DFA), 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposal for the K DFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the K DFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 001132 Maximum Principal Amount: \$272,000. Owner/Operator: Logan R. and Jenna M. Henry; Description: Acquisition of 135.65 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Logan R. and Jenna M. Henry (the "Beginning Farmer") and is located at the East Half of the Southeast Quarter, and the East Half of the Northwest Quarter of the Southeast Quarter, and the Southwest Quarter of the Southeast Quarter of Section 20, Township 9, Range 14, Jackson County, Kansas, approximately 16 miles south of Holton, Kansas on US-75 Highway then 8 miles west on 110th Road to J Road.

The bond, when issued, will be a limited obligation of the K DFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the K DFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

Interested individuals may participate in the public hearing in person or via conference call. Please call 844-621-3956 and use conference identification number 145 880 8929 followed by # to join the conference.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the K DFA at its

offices at 534 S. Kansas Ave., Suite 800, Topeka, KS 66603, will be considered. Additional information regarding the project may be obtained by contacting the K DFA.

Department of Revenue Division of Alcoholic Beverage Control

Notice of the Right to Request a Hearing

Pursuant to K.S.A. 77-440, the Kansas Department of Revenue, Division of Alcoholic Beverage Control (“ABC”) submitted a report to the Joint Committee on Administrative Rules and Regulations summarizing ABC’s review of its administrative regulations and identifying regulations that are not necessary for the implementation and administration of state law. Pursuant to K.S.A. 77-426(d), the Department of Revenue proposes to revoke three of the regulations identified in that report by filing a notice of revocation with the Secretary of State. Pursuant to K.S.A. 77-426(d)(2)(A), the department will schedule a public hearing on the proposed notice of revocation only upon the written request of a member of the public. This Notice of the Right to Request a Hearing serves as at least 30 days’ notice of the right to make that written request.

The following regulations are proposed for revocation because they duplicate existing statute:

K.A.R. 14-7-10. Beer distributors must provide designated geographic territory.

K.A.R. 14-7-11. Change or modification of geographic territory.

K.A.R. 14-7-12. Beer distributor selling outside his designated geographic territory.

Members of the public may send written requests for a public hearing to Taylor Murray, Office of Policy and Research, Mills Building, 109 SW 9th St., Topeka, Kansas 66601-3506 or via email at taylor.murray@ks.gov. Please direct any requests for additional information to Taylor Murray at taylor.murray@ks.gov or at 785-296-6093. Individuals with hearing and/or speech disabilities may contact the Kansas Relay Center at 1-800-766-3777 for communication accommodations.

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 1:00 p.m. May 7, 2024, in the first floor conference room of Memorial Hall, 120 SW 10th Ave., Topeka, Kansas, regarding the amendment of 18 election regulations: Kansas Administrative Regulations 6-1-1, 6-1-2, 7-21-1, 7-21-2, 7-23-2, 7-23-4,

7-24-2, 7-25-1, 7-26-1, 7-26-2, 7-27-1, 7-28-1, 7-36-1, 7-36-2, 7-36-3, 7-36-6, 7-38-1, 7-47-1.

Amendments to K.A.R. 7-21-1 and 7-21-2 require substantial upgrades to the physical and cyber security requirements for counties. To defray costs, the Secretary of State offered grants to cover 90% of the costs to the counties. The grants will total about \$1.9 million.

Amendments to K.A.R. 7-47-1, 7-24-2, 7-28-1, 7-36-6, 6-1-1, 6-1-2, 7-23-2, 7-27-1, 7-36-1, 7-36-2, 7-36-3, and 7-38-1 make incremental updates, improvements, or clarifications to existing regulations. Amending these regulations imposes no economic burdens on county election staff and imposes no environmental impact.

Amendments to K.A.R. 7-23-4, 7-25-1, 7-26-1, and 7-26-2 modify approved certificate formats. Amending these regulations imposes no economic burdens on county election staff and imposes no environmental impact.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. Comments may be submitted prior to the hearing to Clay Barker, General Counsel, Office of the Secretary of State, Memorial Hall, 120 SW 10th Ave., Topeka, KS 66612-1594, or to clay.barker2@ks.gov. All interested parties will be given a reasonable opportunity at the hearing to present their views. Additionally, interested parties wanting to participate remotely may contact Clay Barker at clay.barker2@ks.gov to obtain remote access information. It may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five days in advance of the hearing by contacting Clay Barker at 785-296-3483 or the Kansas Relay Center at 1-800-766-3777.

The proposed regulations are also available on the Secretary of State’s website at https://www.sos.ks.gov/publications/pubs_kar_inprocess.aspx. Copies of the full text of the regulations and economic impact statements may be obtained at the address above for the Office of the Secretary of State, or by contacting Lara Murphy, Director of Administrative Regulations and Publications, at 785-296-0082 or lara.murphy@ks.gov.
