Notice of Proposed Kansas Air Quality Construction Permit

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality construction permit. The Kansas Bureau of Investigation has applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300. Emissions of volatile organic compounds (VOC), particulate matter (PM), particulate matter with less than or equal to 10 microns in aerodynamic diameter (PM₁₀), particulate matter with less than or equal to 2.5 microns in aerodynamic diameter (PM_{2.5}), carbon monoxide (CO), oxides of nitrogen (NO_x), oxides of sulfur (SO_x), and hazardous air pollutants (HAPs) were evaluated during the permit review process.

The Kansas Bureau of Investigation, 1620 SW Tyler, Topeka, KS 66612 operates an agency that provides statewide criminal investigative (e.g., drug enforcement), laboratory, and criminal justice information services to local law enforcement and the courts, located at 1620 SW Tyler, Topeka, Shawnee County, KS 66612, at which a portable incinerator is to be operated to combust illegal or prohibited goods such as illegal drugs or seized narcotics.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review from the date of publication during normal business hours at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Northeast District Office, 800 W. 24th St., Lawrence, KS 66046. To obtain or review the proposed permit and supporting documentation, contact Cassidy Goyette at the central office of KDHE at 785-296-8142, or Byron Dotson at the Northeast District Office at 785-330-8611. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Cassidy Goyette, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, October 20, 2025.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Cassidy Goyette, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, October 20, 2025, in order for the Secretary of Health and Environment to consider the request.

Notice of Proposed Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Las acciones propuestas con respecto a los documentos preliminares se basan en la revisión del personal, aplicando los estándares, regulaciones y limitaciones de efluentes apropiados del estado de Kansas y de la Agencia de Protección Ambiental de Estados Unidos. La acción final resultará en la emisión de una Autorización Federal del Sistema Nacional de Eliminación de Descargas de Contaminantes y un permiso de Control de Contaminación del Agua de Kansas, sujeto a ciertas condiciones, revocación y reemisión del permiso designado o terminación del permiso designado. This permit contains limits for Total Suspended Solids. This permit contains generic language to protect water quality.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before October 18, 2025, will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-25-250/263, KS-Q-25-153/154) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Casey Guccione, Livestock Waste Management Section at the KDHE, Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Andrew Bowman at the KDHE, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Jada Martin at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone 785-296-0076 or email at kdhe.feedlots@ks.gov. Las preguntas o comentarios por escrito deben dirigirse a Erich Glave, Director, Bureau of Environmental Field Services en KDHE: 1000 SW Jackson St., Suite 430, Topeka, KS 66612-1367; por correo electrónico: kdhe.feedlots@ks.gov; por teléfono: 785-296-6432. For all other proposed permits or actions an appointment can be scheduled, or copies requested by contacting Jamie Packard, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612, telephone 785-296-4148 or email at Jamie.Packard@ks.gov. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdhe.ks.gov/livestock>. The Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Notice of Requested On-Call Architectural Services

Notice is hereby given of the commencement of the selection process for on-call historic preservation architectural services for the Kansas Department of Administration, Office of Facilities and Property Management (OFPM). Services are required for restricted (small) projects with a project budget of \$1,500,000 or less for use on buildings on the Kansas and National Historic Preservation Lists. Additionally, these services can be used by any state agency. One or more firms will be selected. The contracts will be for three years with two one-year renewal options.

For more information, contact Barbara Schilling at Barb.Schilling@ks.gov or 785-291-3695.

Firms interested in providing these services should be familiar with the requirements which can be found in Part B-Chapter 4 of the Building Design and Construction Manual at the website below.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/forms-and-documents>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation, and an abbreviated project name in the title of the PDF document. Proposals should be less than 5 Mb and follow the current State Building Advisory Commission guidelines which can be found in Part B – Chapter 2 of the Building Design and Construction Manual at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/building-design-and-construction-manual-bdcm>. Paper copies and flash drives containing copies of the proposals are not required.

Proposals should be sent to professional.qualifications@ks.gov. Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions about the proposal submissions, please contact Randy Riveland at randy.riveland@ks.gov or 785-296-0749. The PDF proposal submissions shall be delivered to the attention of State Building Advisory Commission by 2:00 p.m. on or before October 3, 2025.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. If prospective bidders/vendors/contractors have any policies or participate in any initiatives that discourage human trafficking, then the prospective bidder/vendor/contractor is encouraged to submit same as part of their bid response.

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the “Bid Holders List,” or to be included on the “Non-Bid Holders List” as a subcontractor/supplier. KDOT’s approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation Standard Specifications for State Road and Bridge Construction.

KDOT will only accept electronic internet proposals using the Bid Express website at <https://bidx.com/ks/main> until 1:00 p.m. (Central Time) on letting day. The KDOT bid letting will be conducted remotely by audio broadcast only at 3:00 p.m. (Central Time) on letting day. For the conference call information see <https://www.ksdot.org/bureaus/burconsmain/lettinginfo.asp>. KDOT has tested the process, but in the event of an unforeseen issue, KDOT will provide updates.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

Request for Proposals

FC-1001-26-Embedded Construction Inspector(s)/Administrator(s) for District 1, Area 4-r2

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to supply personnel to perform professional services as described below. Interested consultants must upload a proposal by 12:00 p.m. (Central Time) September 25, 2025, to the Bid Express page to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in the following category(s):

- 241 – Construction Inspection and Testing

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <https://www.ksdot.gov/doing-business/design-consultants/design-consultant-prequalification>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Anticipated Consultant Scope

KDOT anticipates the following to be included in the consultant's scope: Construction inspection/testing in the form of full time, in-house, technical and construction contract administration assistance to KDOT's District 1, Area 4 Topeka, Kansas Construction Office. Scope will include assistance with construction project supervision, inspection staffing, and contract administration. Consultant staff may serve as project supervisor of complex construction projects and/or multiple smaller projects. See Attachment for additional details.

Consultant staff will be utilized a minimum of 40 hours/week excluding holidays. Hours may be split between two employees of the firm. Contract period will be one year with an optional one-year extension.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) September 25, 2025.
2. Ranking of proposals is expected to occur on or around September 26, 2025. Negotiations with the most highly ranked firm are expected to begin on or around September 29, 2025. An executed agreement is anticipated shortly thereafter.
3. Anticipated Start Date: As soon as under contract.

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant's proposal must not exceed 4 pages total (including any cover letter, index, etc.)
3. A single PDF (10MB maximum size) of the proposal including all attachments must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:

Attachment: Additional Details

Embedded Consultant for KDOT's District 1 Area 4 Construction Office in Topeka, Kansas

The KDOT District 1, Area 4 construction office located in Topeka, Kansas, is requesting an embedded consultant to provide full time, in-house, technical and construction contract administration expertise.

Construction Office Contract Administration

Under the direction of the Metro Engineer (ME, Field Engineering Administrator (FEA) or Construction Engineer (CE), assist with construction project contract administration. The consultant may work on measurement and computations for 402 projects and finalizing documentation. Will assist the Office Coordinator to ensure documentation, estimates and reports are completed in a timely manner.

Duties include, but are not limited to:

- Deep reviews of DWRs, postings, certifications, estimates, payroll, and deviation reports. Create correspondence to get corrections made for this documentation and work directly with the lead inspectors to determine what is need and how to make the corrections.
- Responsible for the review or compilation of project documentation for all phases of work performed to substantiate the contract payments. This documentation includes daily diaries, weekly recaps, test reports, final papers, and data entered into AASHTOWare.
- Review working day charged documentation and documentation on liquidated damages.
- Represent the Kansas Department of Transportation in all project-related meetings and conferences and take notes at these meetings.
- Provide guidance and instruction to the construction staff in the review of construction plans such as verifying steel quantities, grade computations, earthwork quantities and computations for change orders.
- Create Advance Requests, change orders and have proper documentation including comps, emails and letters.
- Represent the Kansas Department of Transportation on construction project related decisions.

Mentoring Resource

The consultant will serve as a mentor and provide effective leadership to less experienced Technicians and Engineering Associates on AWP and creation of 402s. This training will be used to assist the ME, FEA or CE to create a more effective inspection staff for the construction office.

Provides other project related construction assistance to the ME, FEA and CE as directed.

Construction Plan Development

Reviews or prepares documents for field-designed projects such as 1R projects, bridge set-aside projects, culvert set-aside projects and 3R major modifications. This includes field measuring, quantity computations, drafting of plan sheets and field surveys. This also includes participation in field checks and plan reviews as necessary.

Qualifications

- As stated above, the firm must be prequalified by KDOT and otherwise demonstrate qualification in Category 241 Construction Inspection and Testing.
- Current CIT certifications in Basic Inspection, Asphalt Paving Inspection, Concrete Paving Inspection, Structures Inspection, ACI Concrete Field-Testing Technician, Aggregate Field Technician.
- Strong communication and interpersonal skills to represent the Kansas Department of Transportation.
- Expert proficiency with KDOT's construction management software AASHTOWare for both roles as Projman and Estimation.
- Has a strong background in completing projects finals timely, correcting exceptions for insufficient testing entries, insufficient certifications and payroll insufficiencies.

This is expected to be a full-time 40 hours / week excluding holidays plus potential approved overtime hours as the workload fluctuates) assignment based at the District 1, Area 4 Office in Topeka. The hours will be through one main person with two delegates. The delegates will meet the same qualifications as the main person and are intended to be used when the main person is on leave, unavailable or the workload has created a need for additional staff for a short period of time. The contract period will be one calendar year with an option for KDOT to add two one-year extensions.

Request for Proposals

Construction Inspection Services; Released September 2025

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm, or team of firms, to perform construction inspection services on multiple projects in various counties. Summary information for each project is provided below in Table 1.

Interested consultants must upload a proposal by 12:00 p.m. (Central Time) October 1, 2025, to the Bid Express page to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in the following category(s):

- 241 – Construction Inspection and Testing

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <https://www.ksdot.gov/doing-business/design-consultants/design-consultant-prequalification>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope:

With this single solicitation, KDOT is requesting consulting services for construction inspections on the projects listed in Table 1. This table provides summary information for each project. One consultant will be selected to perform services associated with the group listed.

Table 1: Summary of Project Information

Group	RT-CO	Project #	Scope, County	Anticipated Start	Working Days or CCD	Office	Comments
25555	U054-106	KA-6535-04	Grading, Bridge and Surfacing, Multiple	November 5, 2025	1100	Wichita Hillside	KDOT is seeking an experienced PM to oversee a complex project and mentor KDOT inspectors who have 0-5 years experience. Also, 1 bridge and 1 road lead that will oversee respective activities while mentoring KDOT inspectors with 0-5 years experience.

Additional project information including construction scope to be inspected, a detailed description of the project location, and resources and inspection scope specifically requested from consultants in this request can be viewed in an online table at <https://ike.ksdot.gov/about/construction-inspection-rfps>. Upon publication of this Request for Proposals, KDOT anticipates the inspection efforts will require full teams (project manager

and inspectors, as opposed to single role staff augmentation as is occasionally request) for various types of construction inspection except as noted in the table. Watch the website linked above for updated information. Tabulated information (both in this Request for Proposals and on the website) shall not be relied upon during inspections. It is provided for the convenience of consultants, specifically to aid in making decisions about which projects they are interested in performing.

Specific project needs are subject to modification and/or cancellation at KDOT's discretion.

Anticipated Consultant Scope

The scope of construction inspection services and certifications required for this project are listed in the table available on the website noted above. Inspection efforts will be managed out of the offices listed above in Table 1.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) October 1, 2025.
2. Ranking of proposals is expected to occur on or around October 3, 2025. Negotiations with the most highly ranked firm are expected to begin on or around October 10, 2025. An executed agreement is anticipated shortly thereafter.
3. Anticipated scope start date and working days or anticipated calendar completion dates are shown in the table. All dates are subject to change.

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant's proposal must not exceed the page limit laid out in Table 2 below (including any cover letter, index, etc.). All pages shall be standard letter size (8.5" x 11"). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A single PDF (10MB maximum size) of the proposal including all attachments must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
4. The proposal PDF file name must read:
 - a. "ConstInsp Projects_2025.09 Release FIRM NAME"
5. The proposal must be accompanied by Special Attachments No. 8 ("Tax Clearance Certificate"); No. 10 ("Policy Regarding Sexual Harassment") and No. 12 ("Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems"). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. All attachments are required for every firm involved in a multi-consultant team. Upload these files as instructed in Bid Express.
6. The outline in Table 2 below describes the expected proposal organization, content sections, and limits on number of pages.
 - a. Each team is limited to a single, one-page cover letter.
 - b. Each team is limited to two pages per project in which they express interest. In these pages, consultants shall:
 - i. Describe the approach they plan to execute to deliver success on the project.
 - ii. Present the relevant qualifications and experience of the people they are proposing will provide the services.
 - iii. Provide the firm's familiarity with KDOT and the project area.
 - c. Finally, consultants are limited to a single, on-page descriptions of general qualifications ("Past Performance" selection plus "Approach to Quality Control" section) regardless of the number of projects in which they are expressing interest.
7. Table 3 lists the evaluation criteria and associated weights which will be used to make a selection.
8. Although not anticipated at this time, KDOT reserves the right to interview for the requested services associated with any of the listed projects prior to making final selections.

Notice of Hearing

A public hearing will be held at 9:00 a.m. October 3, 2025, in the offices of Kansas Development Finance Authority, 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposal for the Kansas Development Finance Authority to issue its Agricultural Development Revenue Bonds for the Project(s) numbered below, in the respective maximum principal amounts. The Bond(s) will be issued to assist the respective Borrower (the "Beginning Farmer") named below (who will be the owner and operator of the respective Project) to finance the cost in the amount of the Bond, which is then typically purchased by a lender bank ("Lender") who then through Kansas Development Finance Authority, loans the bond proceeds to the Borrower for the purposes of acquiring the respective Project(s) as described below. Each Project shall be located as shown:

Project No. 001180 Maximum Principal Amount: \$97,500. Owner/Operator: Dana and Jacob Hess; Description: Acquisition of 106+/- acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Dana and Jacob Hess (the "Beginning Farmer") and is located at the North Half of Section 1, Township 3 South, Range 26, Decatur County, Kansas, approximately ½ mile south of Norcatur, Kansas along Highway 36.

Each Bond when issued, will be a limited obligation of the Kansas Development Finance Authority and will not constitute a general obligation or indebtedness of the State of Kansas or any political subdivision thereof, including the Authority, nor will it be an indebtedness for which the faith and credit and taxing powers of the State of Kansas are pledged, but each Bond will be payable solely and only from amounts received from the respective Borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on each Bond as and when it shall become due.

Interested individuals may participate in the public hearing in person or via conference call. Please call 844-621-3956 and use conference identification number 145 880 8929 followed by # to join the conference.

At the time and place fixed for the hearings, all individuals who appear will be given an opportunity to express their views for or against the proposal to issue any specific Bond for the purpose of financing the respective Project, and all written comments previously filed with the Authority at its offices at Suite 800, 534 S. Kansas Ave., Topeka, KS 66603, will be considered. Additional information regarding any of the projects described above may be obtained by contacting the Authority at the address of its offices shown above.
