## Governmental Ethics Commission

## Opinion No. 2010-05

Written May 18, 2010, to all interested persons:

Pursuant to K.S.A. 25-4159, the Kansas Governmental Ethics Commission takes the opportunity to issue its opinion regarding contributions given in the name of another.

**Opinion:**

K.S.A. 25-4154 (a) states:

No person shall make a contribution in the name of another person, and no person shall knowingly accept a contribution made by one person in the name of another.

K.S.A. 25-4143 (j) defines:

“Person” means any individual, committee, corporation, partnership, trust, organization or association.

K.S.A. 25-4157a (c) states in pertinent part:

No candidate or candidate committee shall accept from any other candidate or candidate committee for any candidate for local, state or national office, any moneys received by such candidate or candidate committee as a campaign contribution.

K.S.A. 25-4157a (c) prohibits a candidate from contributing such candidate’s campaign funds to another candidate. It is the Commission’s opinion that a candidate who contributes such candidate’s campaign funds to a party committee with directions that such funds be distributed to other specified candidates is an attempt to circumvent K.S.A. 25-4157a (c) and is prohibited by K.S.A. 25-4154(a).

If a grand prize winner cannot be located or is declared ineligible, or fails to timely present a fully-executed claim form to lottery headquarters, the grand prize will be awarded to the first alternate entry drawn. The alternates will be used, if necessary, in the order drawn. If a winner or an alternate winner for a grand prize cannot be located, is declared ineligible, or fails to present a fully-executed claim form to lottery headquarters as required herein, the alternate winner process shall be repeated until the prize is properly claimed or until such time as no alternate winners remain, whichever occurs first.

(g) The Kansas lottery security official present shall review each entry drawn to determine the validity of the entry into this drawing in accordance with these regulations. If it is a valid entry and the name is legible, the event manager and the security person present shall record the name of the winner and the prize won. The prize winners shall be given or sent a prize claim form to be completed and returned as set forth in subsection (e) herein.

(h) If any entry drawn is determined to be ineligible, it shall be discarded by the security person present and another entry drawn. This procedure will be repeated until the required number of apparently eligible selections is obtained.
