State of Kansas

**Kansas Housing Resources Corporation  
Emergency Solutions Grants Program (ESG)**

**Notice of Draft Substantial Amendment to the  
2012 State of Kansas Consolidated Plan**

The Kansas Housing Resources Corporation (KHRC) has prepared a Draft Substantial Amendment to the 2012 State of Kansas Consolidated Plan (Annual Action Plan) in accordance with the state’s citizen participation plan and the requirements of 24 CFR part 91, as amended by the Interim Rule.

**1. SF-424 — signed and including DUNNS (to be submitted with amendment)**

**2. Summary of Consultation Process**

KHRC collaborates on a recurring basis with the Balance of State CoC and the Johnson County COC. All funds from the State’s ESG funding are made available to the non-ESG entitlement continuums. During regular COC meetings in March and April, surveys were completed that identified which activities ESG should prioritize. During recent COC discussions, the following performance standards for ESG were identified: A) Reduce the average length of time persons are homeless, B) Improve employment rate and income amount of families and individuals who are homeless, and C) reduce number of families and individuals who become homeless (first time homeless). The need for HMIS data quality improvement is identified as a priority.

**3. Summary of Citizen Participation Process**

KHRC will provide for a 30-day public comment period of the Draft Substantial Amendment to the FY 2012 Consolidated Plan (Annual Action Plan). The public input process will include notification through a notice published in the Kansas Register, by posting the document on KHRC’s website, [www.kshousingcorp.org](http://www.kshousingcorp.org) and posting on the Kansas Statewide Homeless Coalition’s website, [www.kshomeless.com](http://www.kshomeless.com). After public comments are received, KHRC will summarize the public comments or views received as well as the comments or views not accepted, including the reasons for not accepting those comments or views. Public comment period ends June 1, 2012. All comments should be sent to:

James Chiselom, Program Manager, ESG  
Kansas Housing Resources Corporation  
611 S. Kansas Ave.  
Topeka, KS 66603  
[jchiselom@kshousingcorp.org](mailto:jchiselom@kshousingcorp.org)

**4. Match**

At this time, KHRC has not obligated FY 2012 ESG funds and therefore does not have actual match figures by types of match. KHRC will require all sub-recipients to make matching contributions to supplement the ESG program in an amount that equals the amount of ESG funds provided by KHRC. The sub-recipient must identify the source of match at the time of applying for ESG. Matching contributions may be

obtained from any source, including any federal source other than the ESG program, as well as state, local, and private sources.

**5. Proposed Activities and Overall Budget**

KHRC anticipates using FY 2012 ESG funds for Street Outreach, Emergency Shelters, Homelessness Prevention, Rapid Re-Housing, HMIS, and administrative activities. These activities will be targeted to households whose income is 0-30% of Area Median Family Income and to individuals and families that are in the following at-risk homeless categories: Chronically Homeless, HIV/AIDS, Elderly, Veterans, Mental Health, Youth, Domestic Violence Victims and Substance Abuse.

KHRC anticipates serving both persons who meet the definition of homeless and at risk of homelessness.

KHRC estimates FY 2012 ESG will serve a total of 3000 individuals.

The table below is an estimate on how FY 2012 ESG funds will be allocated to the eligible activities. KHRC anticipates that the final amounts budgeted, once FY 2012 allocation ESG contracts are executed, will be different than the proposed allocations indicated in the following table. KHRC will share administrative funds with all subrecipients.

FY 2012 Detailed Budget Table		
Grant Amount	\$1,618,260.00	
Total Administration	\$121,369.50	
		Total Fiscal Year 2012
	Eligible Activities	Activity Amount
Emergency Solutions Grants Program	Emergency Shelter	\$771,641.00
	Renovation	\$50,000.00
	Operation	\$370,000.00
	Essential Service	\$301,641.00
	URA Assistance	\$0.00
	Street Outreach - Essential Services	\$50,000.00
	HMIS	\$50,250.00
	Rapid Re-housing	\$400,000.00
	Housing Relocation and Stabilization Services	\$100,000.00
	Tenant-Based Rental Assistance	\$300,000.00
	Project-Based Rental Assistance	\$0.00
	Homelessness Prevention	\$275,000.00
	Housing Relocation and Stabilization Services	\$75,000
	Tenant-Based Rental Assistance	\$200,000
	Project-Based Rental Assistance	\$0.00
	Administration	\$121,369.00
<b>Emergency Solutions Grants Subtotal</b>	<b>\$1,618,260.00</b>	

KHRC will emphasize objectives by prioritizing applicants whose projects propose to achieve the follow-  
*(continued)*

ing outcomes: exiting to permanent housing destination, diverting shelter enrollments, receiving case management, maintaining permanent housing, persons with higher incomes at program exit, persons with more non-cash benefits at program exit, and increased employment rates upon service exits. Applications whose proposed projects meet these objectives will rank more competitively. Kansas is a state with many rural areas which have limited service providers addressing the needs of homeless persons and those at risk of homelessness. To address this need, KHRC's ESG scoring criteria for 2012 will provide preference for applicants serving persons in rural counties.

ESG funds received for FY 2012 will be obligated within 180 days of receipt of the HUD grant agreement. The State ESG contracts for FY 2012 funds are anticipated to begin on September 1, 2012 and will end March 31, 2014. However, the contract period will be dependent upon the date that the HUD grant agreement is executed. Any unexpended funds will be redistributed in the following ESG program year in separate contracts.

#### 6. Written Standards for Provision of ESG Assistance

KHRC will require FY 2012 ESG awardees to establish and implement written standards for providing emergency shelter and street outreach activities of the ESG program prior to executing contracts.

KHRC will require awardees to establish written standards that include:

a) Standard policies and procedures for evaluating individuals' and families' eligibility for assistance under Emergency Solutions Grant (ESG).

b) Policies and procedures for coordination among emergency shelter providers, essential service providers, homelessness prevention and rapid re-housing assistance providers, other homeless assistance providers, and mainstream service and housing providers.

c) Policies and procedures for determining and prioritizing which eligible families and individuals will receive homelessness prevention assistance and which eligible families and individuals will receive rapid re-housing assistance.

d) Standards for determining the share of rent and utilities costs that each program participant must pay, if any, while receiving homelessness prevention or rapid re-housing assistance.

e) Standards for determining how long a particular program participant will be provided with rental assistance and whether and how the amount of that assistance will be adjusted over time.

f) Standards for determining the type, amount, and duration of housing stabilization and/or relocation services to provide a program participant, including the limits, if any, on the homelessness prevention or rapid re-housing assistance that each program participant may receive, such as the maximum amount of assistance, maximum number of months the program participants receives assis-

tance; or the maximum number of times the program participants may receive assistance.

#### 7. Describe Process for Making Sub-awards

KHRC will continue to utilize the application process used with our Emergency Solutions Grant program. KHRC will sub-grant ESG funds to cities and counties in non-ESG entitlement funded areas. We recognize the importance of individual cities and counties to identify subrecipients and coordinate the specific services outlined in ESG for their individual jurisdictions. KHRC will also accept applications and provide direct funding to agencies and organizations that serve at-risk homeless populations and are capable of providing ESG services on a statewide level for that at-risk homeless population.

KHRC will announce the NOFA for the ESG funds and begin to accept and receive applications as described above. Depending on when HUD signs the grant agreement, deadlines for receipt of applications will be established. An Application Review Committee will rank applications received in response to the NOFA. The scoring criteria will include Project Description, Identified Need, Coordination of Potential Local Homeless Assistance and Housing Programs, Past Performance and Administrative Capacity. In addition, the Competitive Application Process will allow additional ESG funding in entitlement cities, which have the highest concentration of potentially eligible families and individuals.

#### 8. Homeless Participation Requirement

The requirement is not applicable to states.

#### 9. Performance Standards

KHRC recognizes that performance standards will evolve over the next few years as the ESG Interim Rule is implemented and as ESG subrecipients improve their program outcomes through the evaluation of HMIS data and through integration of ESG services into their local Continuum of Care. This first year of implementation of the Emergency Solutions Grant will allow KHRC to gain baseline data about specific performance measures and performance standards. Baseline information from FY second round 2011 and FY 2012 will be used to further refine measures and standards for the FY 2013 ESG funds.

#### 10. Certifications (to be submitted with amendment) Requirements for Optional Changes to the FY 2012 Annual Action Plan

##### 1. Centralized or Coordinated Assessment System

If the recipient's jurisdiction, or a portion of the recipient's jurisdiction, currently has a centralized or coordinated assessment system and the recipient or subrecipients utilize the centralized or coordinated assessment system, the recipient should describe the assessment system in the substantial amendment.

As part of the BER's Monitored Natural Attenuation (MNA) policy, the air stripper was deactivated and all discharges were eliminated since October 2005. Under the contingency plan, the air stripper is maintained, in case it needs to be quickly brought back on line in the event future groundwater sampling shows sustained contamination levels. The permit is being renewed for such contingency discharge at a flow rate of 0.432 million gallons/day. The proposed permit contains limits for vinyl chloride, cis-1,2 dichloroethylene, trans-1,2 dichloroethylene and pH, as well as monitoring for biochemical oxygen demand and total suspended solids, ammonia, alpha-terpineol, benzoic acid, p-cresol, total recoverable zinc, total phosphorus and chlorides.

**4-15-4. Live plant definition: exclusions.** The following shall be excluded from the definition of live plant in K.S.A. 2-2113, and amendments thereto: (a) Field and forage crops;

(b) seeds of any kind;

(c) cut flowers and cut greenery not used for propagation; and

(d) fruits and vegetables used for food or feed. (Authorized by K.S.A. 2010 Supp. 2-2126, as amended by L. 2011, ch. 72, sec. 11; implementing K.S.A. 2010 Supp. 2-2113, as amended by L. 2011, ch. 72, sec. 1; effective Oct. 18, 2002; amended May 18, 2012.)

**4-15-7. Live plant dealer licensing exemptions.** (a) Any live plant dealer who does not import live plants from outside the state of Kansas, does not export live plants from the state of Kansas, and has annual gross receipts from the distribution of live plants that are less than \$10,000 shall be exempt from the licensing requirements.

(b) Each live plant dealer seeking to claim the licensing exemption shall submit annually on a form furnished by the department an application specifying the applicant's basis for claiming exemption from licensing requirements. If the secretary finds that an applicant meets the criteria specified in subsection (a), the applicant shall be exempt from licensing requirements.

(c) Each live plant dealer exempt from licensing requirements shall be subject to all quarantines and the regulated nonquarantine pest freedom standards established in K.A.R. 4-15-10. (Authorized by K.S.A. 2010 Supp. 2-2126, as amended by L. 2011, ch. 72, sec. 11; implementing K.S.A. 2010 Supp. 2-2120, as amended by L. 2011, ch. 72, sec. 6; effective Oct. 18, 2002; amended May 6, 2005; amended May 18, 2012.)

**4-15-8. Fees for the inspection of live plants, plant products, bees, beekeeping equipment, and regulated articles.** (a) Inspection services may be provided upon request to any person who owns or possesses live plants, plant products, bees, beekeeping equipment, or regulated articles. The person shall pay inspection fees of \$30 per

hour plus mileage expenses. Inspection fees shall include hourly fees for travel time and time spent on-site.

(b) On-site hourly fees shall be calculated from the inspector's time of arrival until completion of the inspection, excluding breaks, meals, and any time not directly associated with conducting the inspection. A quarter-hour minimum shall be assessed, and the total on-site inspection time shall be rounded to the nearest quarter-hour.

(c) Hourly fees for travel time shall consist of actual driving time, excluding breaks, meals, and any time not directly associated with traveling to and from the inspection site. The total travel time shall be rounded to the nearest quarter-hour. If multiple inspections are completed at different locations, travel time shall be apportioned between inspections using the method for calculating and apportioning mileage fees specified in this regulation. If mileage fees are reduced to reflect a distance less than the distance actually travelled, travel time shall be reduced by a percentage equal to the percentage of reduction in the number of miles actually travelled.

(d) Mileage to the inspection site shall be calculated from one of the following locations as applicable on the date the inspection is conducted, whichever is less:

- (1) The inspector's official station;
- (2) the last location at which a requested inspection was conducted; or
- (3) the last location at which the inspector incurred lodging expenses.

(e) The person for which the last requested inspection is conducted on any day shall pay mileage fees for the return trip to the inspector's official station or the location at which the inspector incurs lodging expenses, whichever is less.

(f) Mileage fees shall be calculated using the actual miles driven by the inspector or the adjusted miles if reduced pursuant to this regulation. The rate per mile shall be the private vehicle mileage reimbursement rate fixed by the secretary of administration.

(g) Any inspection, certification, diagnostic, or identification fee may be waived if the fee would be assessed against a state or local government agency. (Authorized by K.S.A. 2010 Supp. 2-2126, as amended by L. 2011, ch. 72, sec. 11; implementing K.S.A. 2010 Supp. 2-2118, as amended by L. 2011, ch. 72, sec. 5; effective Oct. 18, 2002; amended May 6, 2005; amended May 18, 2012.)

**4-15-9. Fees for the certification of live plants, plant products, bees, beekeeping equipment, and regulated articles.**

(a) If a state certificate is required for the entry of an inspected article into another state or a foreign country, the person needing certification shall pay one or more of the following, as applicable:

- (1) \$20 for a certificate for a commodity or article certified for domestic shipment;
- (2) \$50 for a certificate for a commodity or article certified for international shipment; or
- (3) 20 cents for each bale tag provided to satisfy a weed-free forage requirement.

(b) If a federal certificate is also required for the entry of an inspected article into another state or a foreign country, the associated fee shall be added to the amount spec-

ified in subsection (a). (Authorized by K.S.A. 2010 Supp. 2-2126, as amended by L. 2011, ch. 72, sec. 11; implementing K.S.A. 2010 Supp. 2-2118, as amended by L. 2011, ch. 72, sec. 5; effective Oct. 18, 2002; amended Feb. 2, 2007; amended May 18, 2012.)

**4-15-9a. Live plant dealer; certificate of inspection.**

(a) Any live plant dealer may request a certificate of inspection to establish that the live plant dealer's live plants meet pest freedom standards.

(b) Each inspection pursuant to this regulation shall be conducted at a time chosen by the secretary to permit adequate inspection for the presence of plant pests giving consideration to the type of live plants inspected. If necessary due to the diversity of the live plants or for other reasons, multiple inspections may be conducted by the secretary.

(c) If the live plants inspected meet pest freedom standards, a certificate of inspection may be issued by the secretary.

(d) Each certificate of inspection shall be valid for one of the following:

(1) A period beginning on October 1 of the year the inspection was conducted through September 30 of the following calendar year; or

(2) a lesser period that the secretary may determine based upon the request of the live plant dealer due to the growing season and distribution schedule for the live plants.

(e) Any request for a certificate of inspection may be denied and any certificate of inspection may be revoked by the secretary upon finding any of the following:

(1) An adequate inspection cannot be conducted.

(2) The live plant dealer's live plants do not meet pest freedom standards.

(3) Denial of the request for a certificate of inspection or revocation of the certificate of inspection is necessary to prevent or retard the spread of a plant pest that could cause economic or environmental harm. (Authorized by K.S.A. 2010 Supp. 2-2126, as amended by L. 2011, ch. 72, sec. 11; implementing K.S.A. 2010 Supp. 2-2118, as amended by L. 2011, ch. 72, sec. 5; effective May 18, 2012.)

As used in this regulation, "possessed" shall include being grown, sold, distributed, planted, transported, moved, or given away.

(b) Live plants on which quarantine pests are present shall be prohibited from entering the state or being possessed within the state by live plant dealers or any live plant dealer's designated agent.

(c) Live plants on which regulated nonquarantine pests are present shall be prohibited from entering the state or being possessed within the state by live plant dealers or any live plant dealer's designated agent unless the live plants are within the limits as specified in this regulation.

(d) Live plants on which plant pests that are neither quarantine pests nor regulated nonquarantine pests are present may enter the state and be possessed by live plant

*(continued)*

dealers. These live plants shall remain subject to regulatory action if the secretary finds that action is necessary to prevent or retard the spread of a plant pest that could cause economic or environmental harm.

(e) Only live plants free of quarantine pests and within the limits for the presence of regulated nonquarantine pests may be certified as meeting pest freedom standards. When necessary for export, standards more stringent than those specified in this regulation may be utilized by the secretary to ensure compliance with all applicable quarantines and regulated nonquarantine pest freedom standards.

(f) The classes of regulated nonquarantine pests shall be the following, with the limits specified:

(1) For insects and arachnids that bore into live plants, scarab beetles, scale insects, and weevils, the number of infested plants shall be zero percent of the total number of plants in the lot, cultivar, or group of a single species of plant.

(3) For diseases known to cause wilts, galls, cankers, root rot, and crown rot, the number of infected plants shall be less than five percent of the total number of plants in the lot, cultivar, or group of a single species of plant.

(4) For plant parasitic nematodes, the number of infected plants with foliage affected or root systems stunted or underdeveloped shall be less than five percent of the total number of plants in the lot, cultivar, or group of a single species of plant.

(5) For foliar diseases of plants other than evergreens, the number of infected plants with more than 10 percent of the foliage affected shall be less than 15 percent of the total number of plants in the lot, cultivar, or group of a single species of plant.

(6) For foliar diseases of evergreens, the number of infected plants with more than one percent of the foliage affected shall be less than five percent of the total number of plants in the lot, cultivar, or group of a single species of plant. (Authorized by K.S.A. 2010 Supp. 2-2126, as amended by L. 2011, ch. 72, sec. 11; implementing K.S.A. 2010 Supp. 2-2117, as amended by L. 2011, ch. 72, sec. 4; effective Oct. 18, 2002; amended May 18, 2012.)

**4-15-13. Criteria to determine dollar amount of civil penalty.** (a) A civil penalty of at least \$100.00 but not more than \$2,000.00 may be assessed by the secretary for each violation of the plant pest and agriculture commodity certification act, K.S.A. 2-2112 et seq., and amendments thereto, and the implementing regulations.

(b) In determining the amount of any civil penalty, the gravity of the violation shall be considered by the secretary. Factors to be considered shall include the following:

(2) the severity of actual or potential harm or injuries;

(3) the respondent's history of compliance with the plant pest and agriculture commodity certification act, and amendments thereto, and the implementing regulations;

(4) any action taken by respondent to remedy the specific violation or to mitigate any adverse effects of the violation on public health, cultivated or native plant resources, or the environment as a result of the violation; and

(5) any misrepresentation or fraud involved in the violation. (Authorized by K.S.A. 2011 Supp. 2-2126; implementing K.S.A. 2011 Supp. 2-2125; effective Oct. 18, 2002; amended July 18, 2008; amended May 18, 2012.)
