### Notice to Contractors

Electronic copies of the letting proposals and plans are available on the KDOT website at <http://www.ksdot.org/burconsmain/contracts/proposal.asp>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid not later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject a bid. The secretary of transportation reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2007 edition of the Kansas Department of Transportation Standard Specifications for State Road and Bridge Construction.

Sealed proposals for the construction of road and bridge work in the following Kansas counties will be received at the Bureau of Construction and Maintenance, Eisenhower State Office Building, 700 S.W. Harrison, Topeka, until 1 p.m. March 20 and then publicly opened and read at 1:30 p.m.:

**State of Kansas****Department of Transportation****Notice to Consulting Firms**

The Kansas Department of Transportation is seeking qualified consulting firms prequalified in Category 221 — Non-Standard Span Bridge Design for on-call services as described below. A PDF (1Mb maximum size) of the interest response must be emailed to David J. Nagy, P.E., assistant to the bureau chief of design/contracts engineer, at DavidN@ksdot.org. Interest and experience responses are limited to four pages, the subject line of the reply email and the PDF file name must read "On-Call Bridge — Firm Name — LOL." The letter of interest is required and must be received by noon March 14 for the consulting firm to be considered. Categories may be viewed at [www.ksdot.org/divengdes/prequal](http://www.ksdot.org/divengdes/prequal).

**Kansas On-Call Bridge Design Services**

The Kansas Department of Transportation is seeking qualified firms to be on-call for small repair and/or replacement bridge projects, normally short duration or urgent. Typical repairs may include but not limited to: expansion device replacements/repairs, backwall replacements/repairs, bridge rail replacements/repairs, bridge deck replacements/repairs, culvert replacements/repairs, hydraulic studies and other structural designs or repairs.

The Consultant Shortlist Committee will select seven to 10 of the most highly qualified firms expressing interest and schedule an individual interview for the project. The

consulting firms can more thoroughly discuss their experience related to the project at the interview and will be expected to discuss their approach to this project in detail and the personnel to be assigned to this project.

The Consultant Selection Committee, appointed by the secretary of transportation, will conduct the discussions with the firms invited to the individual interview conferences. The committee will select several firms to perform the professional services required for completing the advertised project.

It is KDOT's policy to use the following criteria as the basis for selection of the consulting engineering firms:

1. Size and professional qualifications.
2. Experience of staff.
3. Location of firm with respect to project(s).
4. Work load of firm.
5. Firm's performance record.

The firm's accounting systems must have the following capabilities before the firm may be awarded a contract:

- Valid, reliable and current costs must be available within the system to support cost and pricing data.
- Capability to provide a means of measuring the reasonableness of incurred costs.
- Capability to identify and accumulate allowable costs by contract or project records that will reconcile with the general ledger.
- Ability to provide supporting documentation of actual expenditures for each billing, based on costs.

## Project# TBD

## Kansas Aviation System Plan and Economic Reporter (KASPER)

The Kansas Department of Transportation is seeking proposals from qualified firms to update the Kansas Airport System Plan and Economic Impact Study, a project that will be carried out over two phases, contingent on FAA State System Planning grants. Phase I will specifically address updates to the existing state system plan, including the gathering and updating of data that is compatible to the GIS application used by KDOT. Phase II will address the update to the economic impact study of public-use airports in Kansas. The data from both studies will be depicted in an online GIS tool the same as or similar to the Kansas Airspace Awareness Tool. The total effort should also produce a model that will demonstrate the shift of burden within the system if an airport should close.

The Consultant Shortlist Committee will select three to five of the most highly qualified firms expressing interest and schedule an individual interview for the project. The consulting firms can more thoroughly discuss their experience related to the project at the interview and will be expected to discuss their approach to this project in detail and the personnel to be assigned to this project.

The Consultant Selection Committee, appointed by the secretary of transportation, will conduct the discussions with the firms invited to the individual interview conferences. The committee will select one firm to perform the professional services required for completing the advertised project.

It is KDOT's policy to use the following criteria as the basis for selection of the consulting engineering firm:

1. Size and professional qualifications.
2. Experience of staff.
3. Location of firm with respect to project(s).
4. Work load of firm.
5. Firm's performance record.

The firm's accounting systems must have the following capabilities before the firm may be awarded a contract:

### Article 5.—CONTINUING EDUCATION

**109-5-3. Continuing education approval for long-term providers.** (a) Any sponsoring organization may submit an application to the board requesting approval as a long-term provider of continuing education.

(b) Each sponsoring organization desiring long-term provider approval for continuing education courses shall meet the following requirements:

(1) Submit a complete application packet to the executive director at least 30 calendar days before the first initial course to be offered as part of the long-term provider of continuing education training program. A complete application packet shall include the following:

(A) A complete application form provided by the executive director that includes the signatures of the training program manager and the medical director; and

(B) a long-term continuing education training program management plan that describes how the applicant shall meet the requirements of subsection (b);

(2) appoint a training program manager who will serve as the liaison to the board concerning continuing education training. The term "training program manager," as used in this regulation, shall mean one of the following:

(A) For permitted ambulance services, fire departments, other officially organized public safety agencies, corporations, and professional associations, an instructor-coordinator, educator, mentoring educator, trainer, or training officer, or

(B) for postsecondary educational institutions and hospitals, a healthcare provider whose experience in coordinating educational offerings has been documented by the sponsoring organization;

(3) appoint a physician who will serve as the medical director for the training program;

(4) provide a sufficient number of lab instructors to maintain a student-to-instructor ratio of 6:1 during laboratory training sessions;

(5) provide a sufficient quantity of EMS training equipment to maintain a student-to-equipment ratio of 6:1 during laboratory training sessions;

(6) provide to each student, upon request, the following:

(A) A course schedule that includes the following:

(i) The date and time of each class lesson;

(ii) the title of each lesson; and

(iii) the name of the instructor-coordinator, educator, mentoring educator, trainer, or training officer and that individual's qualifications to teach each lesson; and

(B) a certificate of attendance that includes the following:

(i) The name of the training program;

(ii) a statement that the training program has been approved by the board as a long-term provider of continuing education training;

(iii) the title of the continuing education offering;

(iv) the date and location of the continuing education offering;

(v) the amount of continuing education credit awarded to each participant for the offering;

(vi) the course identification number issued by the board; and

(vii) the printed name and signature of the program manager;

(7) maintain training program records and continuing education course records for at least three years. The following records shall be maintained:

(A) A copy of the application form and all documents required to be submitted with the application for training program approval;

(B) student attendance rosters;

(C) course educational objectives; and

(D) master copies and completed copies of each student's evaluations of the educational offerings;

(8) establish a continuing education program quality management plan that includes the following:

(A) A description of the training needs assessment used to determine the continuing education courses to be conducted;

(B) a description of the training program evaluations to be conducted and a description of how a review and analysis of the completed evaluations by the training program's medical director and the training program manager shall be conducted;

(C) equipment use, maintenance, and cleaning policies; and

(D) training program infection-control policies; and

(9) submit quarterly reports to the executive director that include the following:

(A) The date, title, and location of each EMS continuing education course offered;

(B) the amount of EMS continuing education credit issued for each EMS course offered; and

(C) the printed name and signature of the training program manager; and

(10) a description of how the program will ensure that all education offered under the auspices of the long-term provider approval meets the definition of continuing education as specified in K.A.R. 109-1-1.

(c) Each approved long-term provider desiring to offer continuing education in a distance learning format shall incorporate the following items into the provider's long-term continuing education training program management plan:

(1) A definition of the process by which students can access the instructor-coordinator, educator, mentoring educator, trainer, or training officer during any distance learning offerings;

(2) a definition of the procedures used to ensure student participation in course offerings; and

(3) specification of each learning management system that will be used and how each system is to be used in the course.

(d) Each long-term provider of continuing education courses shall submit any change of program manager or medical director and any change to the long-term continuing education program management plan to the board office no later than 30 calendar days after the change has occurred. Failure to submit any of these changes may result in suspension of approval as a long-term provider of continuing education.

(e) Each approved long-term provider of continuing education training shall provide the executive director with a copy of all training program records and contin-

uing education course records upon the executive director's request. (Authorized by and implementing K.S.A. 2011 Supp. 65-6111; effective, T-88-12, May 18, 1987; amended, T-88-24, July 15, 1987; amended May 1, 1988; amended July 17, 1989; amended Nov. 12, 1999; amended May 15, 2009; amended Sept. 10, 2010; amended March 15, 2013.)

**109-5-5. Retroactive approval of continuing education course.** (a) Any attendant may submit a request to the board for retroactive approval of a continuing education course that was completed not more than 90 days before the request is received in the board office.

(b) Each request shall be submitted on a form provided by the board.

(c) In order for retroactive approval of a continuing education course to be granted, the attendant shall provide the following, in addition to the request form:

(1) (A) A certificate of attendance that includes the name of the attendant, the title of the course, the date and location of the course, the printed name and signature of the provider of the training, and the amount of continuing education credit awarded by the presenter or presenting organization; or

(B) an official college transcript;

(2) documentation of the course objectives; and

(3) one of the following:

(A) The signature of the emergency medical services medical director for the ambulance service serving the emergency medical service response area in which the attendant lives or the emergency medical services medical director for the ambulance service, educational institution, or advisory board for which the attendant is currently employed or a member, on the form provided by the board; or

(B) verification that the objectives of the course meet or exceed the objectives of the national standard curriculum of the federal department of transportation as adopted by reference in K.A.R. 109-10-1 or the Kansas education guidelines for EMR as adopted by reference in K.A.R. 109-10-1a, the Kansas education guidelines for the EMT as adopted by reference in K.A.R. 109-10-1b, the Kansas education guidelines for the AEMT as adopted by reference in K.A.R. 109-10-1c, or the Kansas education guidelines for paramedic as adopted by reference in K.A.R. 109-10-1d, whichever is applicable for the level of certification that the attendant is renewing.

(d) The applicant shall be notified in writing by the board of any errors or omissions in the request for approval. Failure to correct any deficiency cited in the written notice of error or omission within 15 calendar days shall constitute withdrawal of the request. (Authorized by K.S.A. 2011 Supp. 65-6111; implementing K.S.A. 2011 Supp. 65-6129; effective Oct. 31, 2008; amended Sept. 2, 2011; amended March 15, 2013.)
