**Article 17.— SPECIFIC ONLINE DRAWING RULES**

**111-17-36. Holiday dash collect and win shopping spree.** (a) The Kansas lottery shall conduct the "Holiday Dash Collect and Win" shopping spree on Wednesday, December 21, 2016, at the Sears Store, 1781 Southwest Wanamaker Road, Topeka, Kansas 66604, for three participants who were selected as winners in the fifth "Holiday Dash Collect and Win" drawing pursuant to K.A.R. 111-17-34. Each shopping spree participant will be entitled to a 45-minute shopping spree to select merchandise up to and including a total value of \$15,000.

The shopping spree participants shall arrive at the store location designated in subsection (a) at approximately 7:00 a.m. on the date of the shopping spree, and will participate in a walkthrough and final explanation of the event beginning at approximately 7:30 a.m. The shopping spree shall begin at approximately 8:00 a.m. The Kansas lottery shall provide each shopping spree participant and one guest with hotel accommodations, if needed, to be selected by the Kansas lottery for the night of December 20, 2016.

(b) Each shopping spree participant shall be entitled to be accompanied by one guest who is at least 18 years of age. The shopping spree participant and guest shall be referred to as a shopping "team." Each shopping "team" will be accompanied by a Sears employee/personal shopper who will electronically scan items selected by the shopping spree participants. There will be a total of three shopping "teams." Each "team" will shop simultaneously throughout the Sears store.

(c) Each shopping team will have a shopping cart in which to place selected items. Only the shopping spree participant shall be permitted to select items off the shelves and place items in the shopping cart. The guest member of the shopping team shall only be allowed to push the cart. The guest member shall not remove items from the shelves and shall not place items in the shopping cart, including items which may have fallen to the ground. Only items in the shopping cart, as well as items scanned electronically by the Sears personal shopper, will be included in the participant's prize package. The shopping sprees are subject to the requirements of federal and state accessibility laws.

(d) The shopping teams shall be allowed to preview the merchandise during the walkthrough period in the Sears store. All teams shall walk through the Sears store simultaneously.

(e) A lottery auditor, designated by the executive director of the Kansas lottery, shall operate a stopwatch. Another lottery employee, designated by the executive director of the Kansas lottery, shall sound an air horn to signal the beginning and end of each shopping spree. The lottery auditor shall signal to the lottery employee when to sound the air horn. The stop watch shall run for 45 minutes as the designated time period for the shopping spree.

(f) At the conclusion of the shopping spree, each shopping spree participant shall proceed to a cash register with their Sears personal shopper to calculate the total value of items selected. The merchandise shall be calculated by a Sears employee, under the supervision of the Kansas lottery's finance director, or a designee of the executive director of the Kansas lottery. The total value of merchandise shall include the price of the item, sales tax, and any applicable warranties or extended care plans. Extended care plans, if available, are added at the discretion of the winner.

(g) Any merchandise item that is in stock or represented by a floor model at the Topeka Sears store is eligible to be selected by a shopping spree participant. Catalog items, online merchandise, or items not considered to be stock items at the Topeka Sears store cannot be selected by a shopping spree participant. There is no limit to the number of items, including identical items, selected by a shopping spree participant.

(h) The total value of merchandise as described in these rules shall not exceed \$15,000. If the total value of merchandise selected is less than \$15,000, any remaining value between the merchandise prize value and \$15,000 shall be awarded to the shopping spree participant on a Sears gift card(s). If the total value of merchandise exceeds \$15,000, the shopping spree participant can either remove an item(s) from the merchandise selected until the total value is \$15,000 or less, or the shopping spree participant may personally pay for any amount exceeding \$15,000, including all applicable taxes for the amount over \$15,000, and retain the merchandise.

(i) The Kansas lottery will pay estimated federal and state withholding taxes up to and including the prize value of \$15,000, but not sales tax.

(j) The participants have the option to take home prize merchandise in their personal vehicles or they may have any and all items shipped directly to their home address. Any shipping costs will be paid by Sears. Shipping times will be estimated.

(k) A shopping spree participant will be permitted to exchange any item for a specific color or size of the same item, if available, providing a substitute item is a stock item at the Topeka Sears store.

(l) If, for any reason, the shopping spree participant selected in the fifth and final drawing pursuant to K.A.R. 111-17-34 is unable to participate in the shopping spree, the participant will be permitted to designate an individual, who is at least 18 years of age, to be his or her proxy in the shopping spree. A proxy must submit a valid state-issued photo ID, and sign a release form and a proxy form indicating that he or she will not receive any of the merchandise selected or be responsible for any applicable taxes. New Sec. 2. (a) A person shall apply to be an administrator in its home state and shall receive a license from the regulatory authority of its home state prior to performing any function of an administrator in this state.

(b) A person applying to Kansas as its home state shall apply for licensure by submitting to the commissioner an application in the form prescribed by the commissioner that shall include or be accompanied by the following information and documents:

(1) All basic organizational documents of the applicant, including any articles of incorporation, articles of association, partnership agreement, trade name certificate, trust agreement, shareholder agreement, certificate of existence from the Kansas secretary of state and other applicable documents and all amendments to such documents;

(3) NAIC biographical affidavits for the individuals who are directly or indirectly responsible for the conduct of affairs of the applicant, including all members of the board of directors, board of trustees, executive committee or other governing board or committee, the principal officers in the case of a corporation or the partners or members in the case of a partnership, association or limited liability company, any shareholders or members holding directly or indirectly 10% or more of the voting stock, voting securities or voting interest of the applicant and any other person who directly or indirectly exercises control or influence over the affairs of the applicant;

(4) audited annual financial statements or reports for the two most recent fiscal years that demonstrate that the applicant has a positive net worth. If the applicant has been in existence for less than two fiscal years, the uniform application shall include financial statements or reports, certified by at least two officers, owners or directors of the applicant and prepared in accordance with GAAP, for any completed fiscal years and for any month during the current fiscal year for which such financial statements or reports have been completed. An audited annual financial report prepared on a consolidated basis shall include a columnar consolidating or combining worksheet that shall be filed with the report and include the following:

(A) Amounts shown on the consolidated audited financial report shown on the worksheet;

(B) amounts for each entity stated separately; and

(C) explanations of consolidating and eliminating entries included.

The applicant shall also include such other information as the commissioner may require in order to review the current financial condition of the applicant;

(5) in lieu of submitting audited financial statements, and upon written application by an applicant and good cause shown, the commissioner may grant a hardship exemption from filing audited financial statements and allow the submission of unaudited financial statements. Acceptable formats for unaudited financial statements, that shall include notes, are:

(A) Reports compiled or reviewed by a certified public accountant; or

Administrators of self-funded plans in Kansas are subject to the mandatory surety bond requirement found in subsection (h), regardless of whether they file audited or unaudited financial reports;

(c) An administrator licensed or applying for licensure under the provisions of this section shall make available for inspection by the commissioner, copies of all contracts with payors or other persons utilizing the services of the administrator.

(d) An administrator licensed or applying for licensure under the provisions of this section shall produce its accounts, records and files for examination, and makes its officers available to give information with respect to its affairs, as often as reasonably required by the commissioner.

(e) The commissioner may refuse to issue a license if the commissioner determines that the applicant or any individual responsible for the conduct of affairs of the applicant is not competent, trustworthy, financially responsible or of good personal and business reputation, or has had an insurance or an administrator certificate of authority or license denied or revoked for cause by any jurisdiction, or if the commissioner determines that any of the grounds set forth in K.S.A. 40-3810, and amendments thereto, exist with respect to the applicant.

(f) A license issued under this section shall remain valid, unless surrendered, suspended or revoked by the commissioner, for so long as the administrator continues in business in this state and remains in compliance with the provisions of this act and any applicable rules and regulations.

(g) An administrator licensed or applying for licensure under the provisions of this section shall immediately notify the commissioner of any material change in its ownership, control or other fact or circumstance affecting its qualification for a license in this state.

(h) An administrator licensed or applying for a home state license that administers or will administer governmental or church self-insured plans in this state or any other state shall maintain a surety bond for the use and benefit of the commissioner to be held in trust for the benefit and protection of covered persons and any payor or self-funded plan against loss by reason of acts of fraud or dishonesty. The bond shall be in the greater of the following amounts:

(1) \$100,000; or

(2) an amount equal to 10% of the aggregate total amount of self-funded coverage under church plans or governmental plans handled in this state and all additional states in which the administrator is authorized to do business.

New Sec. 3. (a) Unless an administrator has obtained a home state license in this state, any administrator who performs duties as an administrator in this state shall obtain a nonresident administrator license in accordance with the provisions of this section by filing with the commissioner the uniform application, accompanied by a letter of certification. In lieu of requiring an administrator to file a letter of certification with the uniform application, the commissioner may verify the nonresident administrator's home state certificate of authority or license status through an electronic database maintained by the NAIC, its affiliates or subsidiaries.

(b) An administrator shall not be eligible for a nonresident administrator license under the provisions of this section if it does not hold a license in a home state that has adopted a substantially similar law governing administrators.

(c) Except as provided in subsections (b) and (h) the commissioner shall issue to the administrator a nonresident administrator license promptly upon receipt of a complete application.

(d) Each nonresident administrator shall file biennially, as a part of its application for renewal of its license, a statement that its home state administrator license remains in force and has not been revoked or suspended by its home state during the preceding years.

(h) The commissioner may refuse to issue a nonresident administrator license, or delay the issuance of a nonresident administrator license, if the commissioner determines that, due to events or information obtained subsequent to the home state's licensure of the administrator, the nonresident administrator cannot satisfy the requirements of this act or that grounds exist for the home state's revocation or suspension of the administrator's home state certificate of authority or license.

New Sec. 4. (a) Each administrator licensed under the provisions of this act shall file an annual report for the preceding calendar year with the commissioner on or before July 1 of each year, or within such extension of time as the commissioner may grant for good cause. (2) In lieu of submitting an audited financial statement, and upon written application by an administrator and good cause shown, the commissioner may grant a hardship exemption from filing audited financial statements and allow the submission of unaudited financial statements. Acceptable formats for unaudited financial statements, that shall include notes, are:

(A) Reports compiled or reviewed by a certified public accountant; or

(B) internal financial reports prepared in accordance with GAAP, certified by at least two officers, owners or directors of the administrator.

If unaudited financial statements are submitted, the administrator must secure and maintain a surety bond in a form prescribed by the commissioner for the use and benefit of the commissioner to be held in trust for the benefit and protection of covered persons and any payor or self-funded plan against loss by reason of acts of fraud or dishonesty, for the greater of 10% of funds handled for the benefit of Kansas residents or \$20,000.

(b) The annual report shall be in the form and contain such matters as the commissioner prescribes and shall be verified by at least two officers, owners or directors of the administrator.

(c) The annual report shall include the complete names and addresses of all payors and for self-funded plans, all employers and trusts, with which the administrator had agreements during the preceding fiscal year. The report shall also include the number of Kansas residents covered by each of the plans.

(1) Is in an unsound financial condition;

(2) is using such methods or practices in the conduct of its business so as to render its further transaction of business in this state hazardous or injurious to insured persons or the public; or

(3) has failed to pay any judgment rendered against it in this state within 60 days after the judgment has become final.

(continued)
