**Kansas Development Finance Authority**

**Notice of Hearing**

A public hearing will be conducted at 9:00 a.m. Thursday, October 4, 2018, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

(continued)

**Project No. 001022 Maximum Principal Amount: \$179,892.50.** Owner/Operator: Brent and Jennifer Turnquist; Description: Acquisition of 153.1 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes the "Project". The Project is being financed by the Lender for Brent and Jennifer Turnquist (the "Beginning Farmer") and is located at the Northeast Quarter of Section 10, Township 18, Range 4, McPherson County, Kansas, approximately 4 miles south then 4 miles west of Lindsborg, Kansas at the intersection of Rainbow Road and 10th Avenue.

The bond, when issued, will be a limited obligation of the K DFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the K DFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the K DFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the K DFA.

### Wichita State University

#### Notice of Intent to Lease Land and/or Building Space

Public notice is hereby given that Wichita State University (WSU) intends to lease available land and building space. The university will consider leasing such property and/or space to those whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. Because tenant use must be a good fit with the university's educational mission and available space, please be prepared to provide the following information: (1) name; (2) square footage of space needs; (3) equipment, design, or other special needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students, and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). The university will consider serious offers and inquiries from any financially qualified individual, group, organization, or company. If interested, please contact Vice President for Research and Technology Transfer Dr. John Tomblin, [john.tomblin@wichita.edu](mailto:john.tomblin@wichita.edu), or Property Manager Crystal Deselms, [crystal.deselms@wichita.edu](mailto:crystal.deselms@wichita.edu). This publication is being published pursuant to K.S.A. 75-430a(d) to the extent applicable.

### Wichita State University

#### Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, approximately 100,000 to 165,000 square feet of real property located on the Wichita State University main campus for the private development and operation of a partnership building or buildings. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. The university intends to lease such space for any period of time up to sixty years, but extended terms and renewal options would be considered. Interested ten-

ants must be willing to be a good fit with the university’s educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Interested tenants will be required to construct adjacent and adequate surface parking that will not be included in the leased ground. Rental rate shall be assessed per leased or leasable square foot of the building but is negotiable based on term of lease and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company for up to thirty (30) days from date of publication. If interested, please contact Vice President for Research and Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or University Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

**Notice Concerning Kansas/Federal Water  
Pollution Control Permits and Applications**

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) October 17, 2018. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 SW Harrison, Topeka, Kansas, at 1:30 p.m. (CST) October 17, 2018. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid non-responsive and not eligible for award consideration.

### State of Kansas

## Department of Transportation

### Request for Letters of Interest

#### Description

Bridge replacement project 166B-10 KA-4997-01.

#### Schedule and Deadlines

Technical Proposals are due on or before 12:00 p.m. (CST) October 5, 2018 to be delivered via email to David. Nagy@ks.gov.

#### Anticipated Schedule for Subsequent Events

Evaluation and ranking of technical proposals on or about October 19, 2018 after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about November 2, 2018. Agreement/Work Order in place and in effect November 16, 2018.

#### Request for Proposal (Technical)

##### Background and Purpose of Project

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide road and bridge services for the replacement bridge #009 (Deer Creek) located just west of Sedan. This project to be designed is currently only scheduled for Field Check in January 2020, at that point the project will reviewed for viability.

##### Scope of Services to be Performed

Consultant shall complete the following tasks and produce the deliverables described below:

- Visit the project site location
- Perform preliminary road and bridge design for

(continued)

plans to field check, which will include determining the size, type, and location of the proposed bridge.

- Final Plans (if viable).
- Additional deliverables in the final plan stage will include information for environmental permitting, final electronic plans, and Control CADD indexed DGN files.
- Provide Construction cost estimates bi-annually as well as at every major project milestone.

**Evaluation Factors**

Technical proposals will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors: 1) the quality and completeness of the response to this request; 2) qualifications and experience of consultant personnel/manager proposed for services; 3) proposed approach for design; and 4) past performance history for similar projects/services for KDOT. The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

**Contract Terms and Conditions**

A work order may be utilized under your existing on-call agreement (if available) or a new four (4) phase contract with special attachments for the Kansas "Tax Clearance Certificate", the "Certification of Final Indirect Costs," and the "Policy Regarding Sexual Harassment."

**Instructions for Technical Proposal**

Note: No costs shall be contained in the technical proposal. Technical Proposals will consist of the technical proposals and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a completed and signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). All these forms are attached to the original email announcement.

The main text of consultant's technical proposal must not exceed 3 pages (including cover sheets, indexes, etc.) to address the topics listed. Describe processes and procedures proposed by consultant to meet the project completion deadline listed above. Describe processes and procedures, including best practices, that will be used to perform tasks and produce deliverables described above under "Scope of Services to be Performed." Include in the technical proposal items such as:

- Project manager/engineer in charge.
- History of projects with similar tasks.
- Availability of staff to meet schedule without overtime.
- Cost-effective or cost-reduction practices, processes or procedures used by consultant, if any;
- Any sub-consultant and their role (if any) that will be performing services on the project. All sub-consultants must complete Special Attachment No. 7 ("Certificate of Final Indirect Costs"), the Special Attachment No. 8 ("Tax Clearance Certificate"), and

a completed and signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment").

An Exhibit B work order will be eventually included as an attachment and will be part of the contract when requested. Questions about this request for proposals shall be sent to KDOT by proposers via email to David.Nagy@ks.gov.
