Wichita State University

Notice of Intent to Lease Land and/or Building Space

Public notice is hereby given that Wichita State University (WSU) intends to lease available land and building space. The university will consider leasing such property and/or space to those whose presence on campus

would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, or otherwise provide supporting services and amenities to the campus community (such as restaurants, retail establishments, financial institutions, etc.). Because tenant use must be a good fit with the university's educational mission and available space, please be prepared to provide the following information: (1) name; (2) square footage of space needs and desired lease term and location; (3) equipment, design, or other special needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students, and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). The university will consider serious offers and inquiries from any financially qualified individual, group, organization, or company. If interested, please contact Vice President for Research & Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

## Department of Transportation

## Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "NonBid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) March 20, 2019. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 SW Harrison, Topeka, Kansas, at 1:30 p.m. (CST) March 20, 2019. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

### State of Kansas

## Department of Transportation

### Request for Letters of Interest

The Kansas Department of Transportation (KDOT) is seeking the services of a consulting firm to update the state's Long-Range Transportation Plan (LRTP). The last LRTP was published in June 2008. The LRTP will be a policy plan intended to set forth a practical vision of how to maintain and improve the state's transportation system between now and 2045.

#### Requirements

Interested consulting firms must: (a) be pre-qualified by KDOT in category 162—Long Range Planning and (b) submit a Letter of Interest on or before close of business March 1, 2019, to Ron Seitz, Director of Engineering and Design for KDOT, by email to Ron.Seitz@ks.gov with the subject line reading "Long Range Transportation Plan [Firm Name]." Letters of Interest in the form of a PDF document (maximum size 4 pages) should express interest in the project and describe particular qualifications for the professional services sought by KDOT, including any special expertise, skill, experience or knowledge of the firm, its employees, and any subconsultant the firm

intends to utilize. If a firm is not currently pre-qualified by KDOT but is interested in obtaining pre-qualification, then please view the requirements and categories at <http://www.ksdot.org/divengdes/prequal/default.asp>. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas and comply with applicable state and federal laws, rules, and regulations.

**Qualifications-Based Selection Process**

Based on the qualifications submitted in the Letter of Interest and other information available to KDOT, on or about March 8, 2019, KDOT will shortlist three firms and notify all firms submitting Letters of Interest of the names of the shortlisted firms by return email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. Shortlisted firms will also be interviewed in person, tentatively scheduled for March 22, 2019. The highest ranked firm will be asked to enter into negotiations with KDOT to update the Long-Range Transportation Plan. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Please do not call or write KDOT staff for information regarding the services in this RFQ. Email all inquiries/questions to [Ron.Seitz@ks.gov](mailto:Ron.Seitz@ks.gov).

**State of Kansas**

**Department of Transportation**

**Request for Letters of Interest**

The Kansas Department of Transportation (KDOT) is seeking the services of a consulting engineering firm for the KDOT project listed below. Interest and experience responses are limited to four pages, the subject line of the reply email and the pdf file name must read "Project Name/Number LOI-Firm Name." The Letter of Interest is required and must be emailed to [james.richardson@ks.gov](mailto:james.richardson@ks.gov) James Richardson, P.E., Division of Engineering and Design by 12:00 p.m. March 14, 2019, for the consulting firm to be considered.

**Project Description**

U.S. 24 in Graham County. Antelope Creek Drainage bridge #002, located 3.56 miles east of the Graham/Sheridan County Line (24-33 KA-3930-01), South Fork Solomon River Drainage bridge #005, located 3.47 miles east of K-85 (24-33 KA-3960-01), and South Fork Solomon River Drainage bridge #006, located 4.79 miles east of K-85 (24-33 KA-3961-01).

The above three projects include bridge replacement, grading and surfacing and will be designed under one contract. These projects have undergone some preliminary design. Project milestones include Plans to Materials and Research (January 2019, have not been submit-

ted), Field Check (October 2019), and Plans complete (May 2021).

**Requirements**

Interested consulting firms must be pre-qualified by KDOT. Letters of Interest should express interest in the project and describe particular qualifications for the professional services sought by KDOT, including any special expertise, skill, experience or knowledge of the firm, its employees, and any subconsultant the firm intends to utilize. If a firm is not currently pre-qualified by KDOT but is interested in obtaining pre-qualification, then please view the requirements and categories at the website address of <http://www.ksdot.org/divengdes/prequal/default.asp>. For licensure and other requirements applicable to the practice of technical professions within the State of Kansas, please consult the website of the Kansas Board of Technical Professions at <http://www.ksbtp.ks.gov>. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas and comply with applicable state and federal laws, rules and regulations.

**Qualifications-Based Selection Process**

Based on the qualifications submitted in the Letter of Interest and other information available to KDOT, on or about March 14, 2019, KDOT will shortlist not less than three nor more than five firms and notify all firms submitting Letters of Interest of the names of the shortlisted firms by return email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. At KDOT's option, shortlisted firms may be interviewed by telephone conference call or asked to attend meetings or participate in other discussions with KDOT. Technical proposals will be evaluated on the basis of the following factors, evenly weighted, to rank the most qualified firm in order of preference as first, second, and third, etc. Evaluation factors: 1) the quality of the response to the RFP; 2) qualifications and experience of consultant personnel proposed for services; 3) proposed approach to performance of services; and 4) past performance history. The highest ranked firm will be asked to enter into negotiations with KDOT resulting in a cost plus fixed fee agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

If questions, email queries to [james.richardson@ks.gov](mailto:james.richardson@ks.gov).

**State of Kansas**

**Kansas Turnpike Authority**

**Notice to Consulting Engineers**

The Kansas Turnpike Authority (KTA), as the lead in a partnered project with the Unified Government of Wyandotte County and Kansas City Kansas (UG) and *(continued)*

the Kansas Department of Transportation (KDOT), is seeking a qualified consulting engineering firm KDOT prequalified in Category 211 – Highway Design-Major Facility – for a project manager consultant (PMC) for a design-build (D-B) project as listed below. A PDF (3 MB maximum size) of the interest response must be emailed to Rex A. Fleming, P.E., at [rfleming@ksturnpike.com](mailto:rfleming@ksturnpike.com). Interest responses are limited to six pages, with a project history appendix (design-build experience) up to six pages on projects more than \$20 million of construction; the subject line of the email and the PDF file name must read “70-105 KA-4323-03–Firm Name;” and must be received by 12:00 p.m. March 15, 2019, for the consulting engineering firm to be considered.

### Project

70-105 KA-4323-03–Project Manager Consultant Project.

### Scope of Services

The scope of the services is to be the KTA’s Project Manager Consultant for the Design-Build “Turner Diagonal” Project at the I-70/Turner Diagonal interchange, Wyandotte County, Kansas (Project 70-105 KA-4323-03), currently estimated at \$20 million for construction, and is scheduled for an April 2019 start date. A partial listing of the services will include working with the partner team to prepare baseline plans, reviewing prepared plans through construction of the project, and finalization of project. The consultant will develop all materials including the RFQ and RFP for selection of the D-B contractor; assist the efforts in the D-B contractor selection; develop scoring system; assist with alternative technical concepts (ATCs) and additional requested elements (AREs); provide PI efforts; develop/provide effective project management systems to meet Federal/State aid requirements and project development issues; prepare and review estimates; and develop the construction package for D-B Project. In addition, the PMC will assist the KTA with the determination, assessment, and mitigation of project risk factors such as project schedule, design criteria, and utilities.

A conditionally approved break in access request has been completed. The PMC is to be hired by April 2019, and the D-B is anticipated to be selected by October 2019, project construction substantial completion by November 2020, with the anticipated end of PMC services being June 2021.

The selected consultant will be precluded from proposing as a member of an interested D-B team for the construction project. For more information or details regarding the PMC’s duties contact Rex Fleming at [rfleming@ksturnpike.com](mailto:rfleming@ksturnpike.com).

The Consultant Shortlist Committee will select three to five of the most highly qualified firms expressing interest and schedule an individual interview. The consulting firms can more thoroughly discuss their experience related to the project at the interview and will be expected to discuss their approach to this project in detail and the personnel to be assigned to this project. Firms not selected to be short-listed will be notified. Categories may be viewed at <http://www.ksdot.org/divengdes/prequal>.

The Consultant Selection Committee, consisting of project partner representatives, will conduct the discussions with the firms invited to the individual interview

conferences. The committee will select one firm to perform the professional services required for completing the advertised project. After the selection, the firms not selected will be notified of the outcome.

The partner team will use the following criteria as the basis for selection of the consulting engineering firm:

1. Professional qualifications.
2. Experience of staff assigned to the project.
3. Work load of firm.
4. Firm’s performance record.

The firm’s accounting systems must have the following capabilities before the firm may be awarded a contract:

- Valid, reliable, and current costs must be available within the system to support cost and pricing data.
- Capability to provide a means of measuring the reasonableness of incurred costs.
- Capability to identify and accumulate allowable costs by contract or project records that will reconcile with the general ledger.
- Ability to provide supporting documentation of actual expenditures for each billing, based on costs.

State of Kansas

Department of Health and Environment

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

**Corporation Commission**

**Notice of Hearing on Proposed  
Administrative Regulations**

The State Corporation Commission (Commission) will conduct a public hearing at 10:00 a.m. Tuesday, May 14, 2019, in the First Floor Hearing Room at the office of the State Corporation Commission, 1500 SW Arrowhead Rd., Topeka, Kansas, to consider the adoption of the proposed rules and regulations of the State Corporation Commission of the State of Kansas on a permanent basis.

This notice exceeds the 60-day notice requirement of the pending public hearing and shall constitute the beginning of the public comment period for the purpose of receiving written public comments on the proposed rules and regulations. A complete copy of the proposed regulations and economic impact statements may be found on the Kansas Corporation Commission website: <http://kcc.ks.gov>, or by contacting Ahsan Latif: [a.latif@kcc.ks.gov](mailto:a.latif@kcc.ks.gov).

All interested parties may submit written comments prior to the hearing to Ahsan Latif, Litigation Counsel, State Corporation Commission, 1500 SW Arrowhead Rd., Topeka, KS 66604, or by email to [a.latif@kcc.ks.gov](mailto:a.latif@kcc.ks.gov). All interested parties will be given a reasonable opportunity to present their views orally regarding the adoption of the proposed regulations during the public hearing. In order to provide all parties an opportunity to present their views, it may be necessary to ask that each participant limit any oral presentation to five (5) minutes.

Any individual with a disability may request an accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation to participate in the hearing should be made at least five (5) working days in advance of the hearing by contacting Sandra Rak at 785-271-3136 or the Kansas Relay Center at 1-800-766-3777. The main entrance located on the southwest side of the building is handicapped accessible. Handicapped parking is located on the southwest side of the State Corporation Commission's parking lot.

A summary of the proposed regulations and their economic impact are as follows: (Note: Statements indicating that a regulation is "not anticipated to have any economic impact" are intended to indicate that no economic impact on the State Corporation Commission, other state agencies, state employees, or the general public has been identified.)

**K.A.R. 82-4-1 – Definitions.**

The proposed amendments to this regulation, which defines the terms used in "Article 4 – Motor Carriers of Persons and Property," includes the removal of certain definitions to prevent variation from the federal definitions. Additionally there are edits to reflect minor

grammatical and form corrections and recent updates to Federal Motor Carrier Safety Administration (FMCSA) regulations. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-2a – Authority of agents, employees, or representatives authorized by commission.**

This regulation grants special agents, employees and representatives of the Commission certain authorities which are required by the federal government for enforcement of motor carrier rules and regulations. The amendment to this regulation would update a reference to another regulation. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-3b – Procedures for transportation workplace drug and alcohol testing programs.**

This regulation adopts portions of the FMCSA regulations (49 C.F.R. Part 40) governing the procedures for workplace drug and alcohol testing programs relevant to motor carriers. The proposed amendments seek to prevent the creation of a parallel state program and instead allow the Commission to simply enforce compliance with the federal program. Subparts D-N, P-Q and Appendices A-H are now deleted because they deal with the regulation of entities beyond the control of the Kansas Corporation Commission. The proposed amendments also include edits to reflect minor grammar and form corrections as well as the most recent updates to FMCSA regulations. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-3c – Testing for controlled substances and alcohol use.**

This regulation adopts portions of the FMCSA regulations (49 C.F.R. Part 382) governing the procedures involved in testing for controlled substances and alcohol use. The proposed amendments seek to prevent the creation of a parallel state program and instead allow the Commission to simply enforce compliance with the federal program. Additionally, the amendments include edits to reflect minor grammar and form corrections and the most recent updates to FMCSA regulations. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-3d – Safety fitness procedures.**

This regulation adopts portions of the FMCSA regulations (49 C.F.R. Part 385) governing motor carrier safety fitness procedures. The proposed amendments to this regulation include edits to reflect minor grammar and form corrections and the most recent updates to FMCSA regulations. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-3f – General motor carrier safety regulations.**

This regulation adopts portions of the FMCSA regulations (49 C.F.R. 390) which establish the minimum safety requirements to be followed by motor carriers and their employees, the safety standards for commercial motor vehicles and intermodal equipment. The proposed amendments to this regulation include removal of certain variances from the federal regulations, as well as edits to reflect minor grammar and form corrections and the most recent updates to FMCSA regulations. The

proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-3g – Qualifications of drivers.**

This regulation adopts relevant portions of the FMCSA regulations (49 C.F.R. 391) which establish the minimum duties of motor carriers with respect to the qualifications of their commercial motor vehicle drivers. This regulation also establishes the minimum qualifications for those drivers who own and operate commercial motor vehicles. The proposed amendments to this regulation include edits to reflect minor grammar and form corrections and the most recent updates to FMCSA regulations. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-3h – Driving of commercial motor vehicles.**

This regulation adopts portions of the FMCSA regulations (49 C.F.R. 392) which establish the minimum duties and procedures for the driving of commercial motor vehicles. The proposed amendments to this regulation include edits to reflect minor grammar and form corrections and the most recent updates to FMCSA regulations. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-3i – Parts and accessories necessary for safe operation.**

This regulation adopts portions of the FMCSA regulations (49 C.F.R. Part 393) governing the parts and accessories necessary for the safe operation of commercial motor vehicles. The proposed amendments to this regulation include edits to reflect minor grammar and form corrections, deletions and additions required to reflect the most recent updates to FMCSA regulations. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-3j – Inspection, repair, and maintenance.**

This regulation adopts portions of the FMCSA regulations (49 C.F.R. Part 396) governing the inspection, repair and maintenance of commercial motor vehicles. The proposed amendments to this regulation include minor grammar and form corrections, deletions and additions required to reflect the most recent updates to FMCSA regulations. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-3k – Transportation of hazardous materials; driving and parking rules.**

This regulation adopts portions of the FMCSA regulations (49 C.F.R. Part 397) governing the transportation of hazardous materials with specific respect to driving and parking rules. The proposed amendments to this regulation reflect minor grammar and form corrections, deletions and additions required to reflect the most recent updates to FMCSA regulations. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-3l – Transportation of migrant workers.**

This regulation adopts portions of the FMCSA regulations (49 C.F.R. Part 398) governing the transportation of migrant workers. The proposed amendments to this regulation include edits to reflect minor grammar and form corrections, deletions and additions required to re-

*(continued)*

flect the most recent updates to FMCSA regulations. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-3m – Employee safety and health standards.**

This regulation adopts portions of the FMCSA regulations (49 C.F.R. Part 399) establishing motor carrier employee safety and health standards. The proposed amendments to this regulation include edits to reflect minor grammar and form corrections, deletions and additions required to reflect the most recent updates to FMCSA regulations. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-3n – Minimum levels of financial responsibility for motor carriers.**

This regulation adopts portions of the FMCSA regulations (49 C.F.R. Part 387) establishing requirements for the minimum levels of financial responsibility for motor carriers. The proposed amendments to this regulation include edits to reflect minor grammar and form corrections and deletions and additions required to reflect the most recent updates to FMCSA regulations. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-3o – Imminent hazard.**

This regulation adopts portions of the FMCSA regulations (49 C.F.R. Part 386, Subpart F) establishing procedures relevant to imminent hazard with respect to motor carriers. The proposed amendments to this regulation include edits to reflect minor grammar and form corrections and deletions and additions required to reflect the most recent updates to FMCSA regulations. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-20 – Transportation of hazardous materials by motor vehicles.**

This regulation establishes the minimum requirements and standards to be observed in the transportation of hazardous materials by motor carriers and operators of commercial motor vehicles. The proposed edits to this regulation include edits to achieve consistency with federal requirements including adopting the federal definition of “commercial motor vehicle” and “motor vehicle” instead of using a state specific definition. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-21 – Requiring insurance.**

This existing regulation establishes the type of carriers that are required to file an insurance policy in compliance with K.S.A. 66-1,128. The proposed amendment would remove language referring to private motor carriers of household goods, which are an unregulated category of motor carriers. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-22 – Intrastate insurance requirements.**

This existing regulation establishes the type of carriers that are required to maintain an insurance policy in compliance with K.S.A. 66-1,128. The proposed amendment adds language allowing carriers to file certain documents online and would remove language referring to private motor carriers of household goods, which are an unreg-

ulated category of motor carriers. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-24a – Standard insurance forms.**

This regulation addresses the Commission’s standards relating to the forms used by motor carriers to report the liability and property insurance for intrastate motor carriers. The proposed change removes an obligation to file a specific form in order to mirror a federal change which already achieved the same result. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-27 – Applications for certificates of convenience and necessity and certificates of public service.**

This regulation establishes the procedures for filing applications for certificates of convenience and necessity and certificates of public service. The proposed change to this regulation changes a reference from the form MCS-150 to form MCSA-1 because the form was changed on the federal level. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-30a – Applications for interstate registration.**

This regulation adopts federal regulations for Unified Carrier Registration that allow the State to collect registration fees under the revised Federal Unified Carrier Registration Agreement. Kansas is required to adopt by reference the UCR fee schedule to remain in compliance with the Unified Carrier Registration System. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-40 – Passengers on property-carrying vehicles.**

This regulation prohibits passengers on property carrying vehicles. The KCC proposes revoking it because K.A.R. 82-4-40 duplicates the effect of FMCSR 49 C.F.R. 392.60, adopted by K.A.R. 82-4-3h. This revocation would have no anticipated economic impact.

**K.A.R. 82-4-42 – Emergency and occasional equipment.**

This regulation outlines the Commission’s procedures for obtaining emergency and occasional equipment certificates, permits and licenses. The proposed updates remove a portion of the regulation which is duplicative of FMCSR 49 C.F.R. 390.23, already adopted by 82-4-3f, which deals with emergency relief from regulations. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-44 – Discontinuing service.**

This regulation states that common carriers discontinuing service without approval of the KCC shall be deemed in forfeiture of their certificate. The proposed change revokes this regulation because it was enacted at a time when obtaining and holding certificates was much more contentious. Common carriers no longer need Commission approval to discontinue service. This revocation would have no anticipated economic impact.

**K.A.R. 82-4-46 – Uniform system of accounts and annual reports.**

This regulation requires intrastate common motor carriers of household goods to maintain and file a uniform system of accounts and annual reports with the KCC. The proposed change revokes this regulation because it was enacted at a time when such a regulation was nec-

essary. Intrastate common motor carriers of household goods are not required to file any such information with the Commission currently and the regulation is not enforced. This revocation would have no anticipated economic impact.

**K.A.R. 82-4-48 – Bills of lading, waybills, and freight bills.**

This regulation requires intrastate common motor carriers of household goods to maintain and file a uniform system of accounts and annual reports with the KCC. The proposed change revokes this regulation because it was enacted at a time when such a regulation was necessary. Intrastate common motor carriers of household goods are not required to file any such information with the Commission currently and the regulation is not enforced. This revocation would have no anticipated economic impact.

**K.A.R. 82-4-48a – Motor carriers of property other than household goods carriers electing to be subject to uniform bills of lading and antitrust immunity regulations.**

This regulation prescribes rules regarding “bills of lading” and “anti-trust immunity regulations.” This regulation is no longer enforced. The proposed amendment would revoke this rule. This will allow Kansas to remove an antiquated and unused regulation. This revocation would have no anticipated economic impact.

**K.A.R. 82-4-50 – Passenger waiting rooms.**

The regulation prescribes rules requiring “passenger waiting rooms.” K.A.R. 82-4-50 is no longer enforced. Instead the proposed change replaces the current regulation with an adoption of the applicable federal standard from FMCSR 49 C.F.R. Part 374. This will allow Kansas to end a variance from the federal rules on treatment of passengers. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-51 – Treatment of passengers by common carrier.**

The regulation prescribes rules requiring “treatment of passengers by common carrier” K.A.R. 82-4-51 as well as K.A.R. 82-4-50 are no longer enforced. The adoption of FMCSR 49 C.F.R. Part 374 in the proposed amendment to K.A.R. 82-4-50 renders K.A.R. 82-4-51 unnecessary. Thus the proposed amendment would revoke K.A.R. 82-4-51. This will allow Kansas to remove two antiquated and unused regulations and end a variance from the federal rules on treatment of passengers. This revocation would have no anticipated economic impact.

**K.A.R. 82-4-53 – Common motor carrier rates and charges.**

This regulation provides rules regarding common motor carrier rates and charges. The proposed change clarifies that it is for carriers of household good and passengers and removes certain language and requirements for such tariffs because they are no longer applicable. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-56a – Common motor carrier tariffs.**

This regulations provides rules regarding common motor carrier tariffs. The proposed change clarifies that it is for carriers of household good and passengers and

removes certain language and requirements for such tariffs because they are no longer applicable. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-57 – Powers of attorney and concurrences.**

This regulation provides rules regarding common motor carriers who wish to grant power of attorney to an agent to issue and file tariffs on their behalf. The proposed change simply clarifies that “common” carriers are actually household good and passenger carriers and replaces the word “desire” with “want.” The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-58d – Financial filings requirements for abandonment of motor carrier passenger service.**

This regulation prescribes rules for financial filings requirements for abandonment of motor carrier passenger service. The proposed amendment revokes this regulation because it was enacted at a time when regulation of motor carriers was territory based and the ability to provide motor carrier passenger service was a highly coveted licensure to acquire. This revocation would have no anticipated economic impact.

**K.A.R. 82-4-63 – Contested and uncontested motor carrier hearings.**

This regulation deals with contested and uncontested motor carrier hearings. The proposed change removes hearings regarding “abandonment of a motor carrier certificate” from the types of motor carrier hearings that take place because it was enacted at a time when obtaining and holding certificates was much more contentious. Common carriers no longer need Commission approval to discontinue service, therefore such hearings do not take place. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-65 – Protestants.**

This regulation deals with “protests” of Transportation Division permitting actions. The proposed change removes hearings regarding “abandonment” of a motor carrier certificate from the types of motor carrier hearings that take place because it was enacted at a time when obtaining and holding certificates was much more contentious. Common carriers no longer need Commission approval to discontinue service, therefore such hearings do not take place. This revocation would have no anticipated economic impact.

**K.A.R. 82-4-66 – Intrastate carriers serving specified incorporated or specified unincorporated municipalities.**

The regulation states that intrastate carriers must serve within certain incorporated or unincorporated municipalities. The proposed change revokes this regulation because it was enacted at a time when the KCC regulated general commodity carriers with regards to territories. This is no longer the case. This revocation would have no anticipated economic impact.

**K.A.R. 82-4-68 – Collective rate-making agreements.**

This existing regulation establishes the rules regarding collective rate-making agreements. The changes to the rule remove some outdated language and clarify  
*(continued)*

the types of carriers to which the rule applies. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-85 – Rate applications filed by carriers party to a collective rate-making agreement.**

This existing regulation establishes the rules regarding rate applications filed by carriers that were party to collective rate-making agreements. The changes to the rule update the language for clarity and allow such applications to be filed by electronic mail. The proposed amendments are not anticipated to have an economic impact.

**K.A.R. 82-4-86 – Vehicle inspection stations.**

The regulation deals with vehicle inspection stations. The proposed change revokes this regulation because it was enacted at a time when such stations were in use. This is no longer the case. This revocation would have no anticipated economic impact.

**Article 9.—MEDICAL AND HOSPITAL**

**51-9-17. Release 3.1 standards for trading partner profiles; submission of data; first reports of injury.** (a) Each insurer, group-funded workers compensation pool, and self-insured employer shall participate in the electronic data interchange (EDI) program and shall submit to the director a completed EDI trading partner profile at least 30 days before submitting claim information pursuant to the international association of industrial accident boards and commissions’ (IAIABC’s) release 3.1 standards, as provided in K.S.A. 44-557a and amendments thereto. The EDI trading partner profile shall be com-

pleted according to the “Kansas EDI release 3.1 guide for reporting first (FROI) and subsequent (SROI) reports of injury” as revised on July 16, 2018 by the Kansas department of labor and hereby adopted by reference. This document shall be referred to as the “Kansas EDI release 3.1 guide” in this regulation.

(b) Each insurer, group-funded workers compensation pool, and self-insured employer shall report to the director within five days any changes to information submitted in the EDI trading partner profile.

(c) All claim information submitted pursuant to K.S.A. 44-557a, and amendments thereto, by electronic data interchange shall be submitted according to the Kansas EDI release 3.1 guide.

(d) All claim information submitted pursuant to K.S.A. 44-557a, and amendments thereto, and the Kansas EDI release 3.1 guide’s first report of injury, commonly called “FROI 00,” shall be considered the filing of an accident report pursuant to K.S.A. 44-557, and amendments thereto. This information shall not be open to public inspection, except as provided in K.S.A. 44-550b and amendments thereto.

(e) All claim information submitted pursuant to K.S.A. 44-557a, and amendments thereto, shall be considered a medical record to the extent that the information refers to an individual worker’s identity. No references in the claim information to an individual worker’s identity shall be open to public inspection, except as provided in K.S.A. 44-550b and amendments thereto. For purposes of this regulation, the claim number used by an insurance carrier, self-insured employer, or group-funded workers compensation pool to identify an individual worker’s claim shall be considered a reference to the individual worker’s identity.

(f) On or before the compliance date specified in subsection (g), each insurer shall file claim information for all “lost time/indemnity” and “denied” cases through EDI rather than by submitting paper forms. The insurer shall file the electronic form in accordance with the Kansas EDI release 3.1 guide.

(g) Each insurer shall comply on or before the implementation date of November 29, 2018 for reporting electronic FROI or SROI. Each claim administrator submitting claims as EDI filings in production status using the IAIABC’s release 3 national standard shall convert to release 3.1 and shall be in production status by the implementation date.
