City of Lenexa, Kansas

Notice to Bidders

Sealed bids for Old Town – Area 1 Street Lighting Project 2020 CDBG will be accepted by the City of Lenexa, Kansas at the Community Development Department, Lenexa City Hall, 17101 W. 87th St. Pkwy., Lenexa, KS 66219 until 10:00 a.m. (CST) March 10, 2020, at which time bids will be publicly opened and read aloud at the Lenexa City Hall. Any bid received after the designated closing time will not be considered and will be returned unopened.

All bids shall be submitted to the Community Development Department Customer Service Staff (Main Level) in sealed envelopes addressed to the City of Lenexa, Kansas, Attention: City Clerk, and marked “Bid for: Old Town – Area 1 Street Lighting Project 2020 CDBG. Copies of plans, specifications, bidding documents and other

contract documents are on file at Drexel Technologies, Inc., 10840 W. 86th St., Lenexa, KS 66214.

Bidders desiring contract documents for use in preparing bids, as well as copies of plan, specification, bidding documents, and other contract documents are on file and may be obtained at Drexel Technologies, Inc., 10840 W. 86th St., Lenexa, KS 66214, or <http://planroom.drexeltech.com/>. Note: Davis Bacon Wage Rates apply to this project.

Each bidder will be responsible for ensuring that it has received any and all addenda issued by the city in accordance with IB-10 of the instructions to bidders. Contractors should read and be fully familiar with all contract documents including addenda before submitting a bid. In submitting a bid, the bidder warrants that it has read the contract documents and is fully familiar therewith and that it has visited the site of the work to fully inform itself as to all existing conditions and limitations and shall include in its bid a sum to cover the cost of all items of the work as specified in the contract documents.

No oral telegraphic, telephonic proposals, or alterations will be considered. Facsimile transmissions will not be accepted.

The following items must be included in the sealed envelope with the bid:

- a. Bid Form;
- b. 5% bid security – bid bond, cashier’s check or certified check (see below); and
- c. Acknowledgment of addenda issued by the city.

Each bidder shall file with its bid a bid bond, a cashier’s check, or a certified check drawn on an acceptable bank, made payable to the City of Lenexa, Kansas, in an amount equal to five percent (5%) of the total bid, which shall be retained by the City of Lenexa, Kansas until a contract for the project has been executed. Bid bonds will be returned to the bidders, with the exception of the best and lowest and second best and second lowest responsible bidders, within twenty-one (21) days after their bids are rejected. The bid deposit of the lowest and the second lowest responsible bidders will be returned when the performance bond, maintenance bond, and statutory bond, each in an amount equal to 100% of the contract amount, required insurance certificates and other required documents shall have been furnished and the contract documents have been executed by the successful bidder.

In the event the low bidder is unable to execute the contract, for whatever reason, within the time provided in the Notice of Award, the city may annul the Notice of Award and the bid deposit may be forfeited and the city shall exercise its legal prerogatives, including, but not limited to, enforcement of its rights as to the bid security or specific performance.

The city reserves the right to accept or reject any and all bids and to waive any technicalities or irregularities therein. Bids may be modified or withdrawn by written request of the bidder received in the office of City Clerk, prior to the time and date for bid opening.

From and after the release of this notice, any party intending to bid on the above referenced project, including their officers, employees, agents, or contractors are

(continued)

specifically prohibited from communicating with any elected or appointed official of the city, directly or indirectly, with regard to the award of the contract for the project listed above, except as specifically authorized by the instructions to bidders. Any such unauthorized communication may result in the automatic disqualification of such bidder.

All bidders agree that rejection shall create no liability on the part of city because of such rejection, and the filing of any bid in response to this notice shall constitute an agreement of the bidder to these conditions.

If this section is completed, a pre-bid conference will be held at 10:00 a.m. March 3, 2020, in the Lenexa City Hall Prairie Star Conference Room, 17101 W. 87th St. Pkwy., Lenexa, KS 66219.

Wichita State University

Notice of Intent to Lease Land and/or Building Space

Public notice is hereby given that Wichita State University (WSU) intends to lease available land and building space. The university will consider leasing such property and/or space to those whose presence on campus would advance the university’s applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, or otherwise provide supporting services and amenities to the campus community (such as restaurants, retail establishments, financial institutions, etc.). Because tenant use must be a good fit with the university’s educational mission and available space, please be prepared to provide the following information: (1) name; (2) square footage of space needs and desired lease term and location; (3) equipment, design, or other special needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students, and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). The university will consider serious offers and inquiries from any financially qualified individual, group, organization, or company. If interested, please contact Vice President for Research & Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU) intends to directly lease, and indirectly sublease through its affiliate corporation Wichita State Innovation Alliance, Inc., subject to all required state approvals, an approximate ground area consisting of 150,000 square feet or less with the potential for expansion for parking, for the private development of one or more partnership buildings. This private development shall be located west of Oliver, between 17th and 18th streets, on the Wichita State University main campus. The university is interested in leasing such ground to any individual, organization, or entity whose presence on

campus would advance the university’s applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, and specifically an emphasis on supporting and growing advanced laboratories for research, testing, and innovation in data infrastructure/storage, video surveillance storage, IOT, security, analytics, visualization/modeling, and machine learning/AI. The university intends to lease such ground for any period of time up to sixty-five years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university’s educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Rental rate shall be assessed per leased or leasable square foot of the building but is negotiable based on term of lease and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will be considered until a selection is made or this notice is withdrawn. If interested, please contact Vice President for Research and Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or University Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU) is interested in entering into a long-term ground lease, subject to all required state approvals, for approximately 1.4 acres of property located at 1741 and 1755 N. Hillside. The university is interested in leasing such property to any individual, organization, or entity whose presence on campus would advance the university’s applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good and providing retail, restaurant, and service centers that would be desirable and beneficial to the international student community. The university intends to lease this property for any period of time up to 65 years, but extended terms and renewal options would be considered. Interested tenants must be willing to provide the university an option to lease back improved office/classroom/lab space up to 11,000 square feet. Interested tenants must be a good fit with the university’s

educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: financial stability and strength, proposal terms, demonstrated benefit to WSU and the community, design concepts, and proposed use. Rental rate may be negotiated based on square foot of leased ground or leasable square foot of the building. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will be considered until a selection is made or this notice is withdrawn. State of Kansas

Department of Health and Environment

Notice of Hearing

The Kansas Department of Health and Environment (KDHE) announces a public hearing on the 2020 Kansas 303(d) List of Impaired Waters. Section 303(d) of the Clean Water Act requires states to biennially prepare a list of waters failing to meet state water quality standards. Such waters are required to have Total Maximum Daily Loads (TMDLs) prepared by the state to restore their water quality. A TMDL is the maximum amount of the impairing pollutant that can enter the water without causing a violation of its water quality standards.

Since 1999, Kansas has developed TMDLs for impaired surface waters in each of the state’s 12 river basins. KDHE develops and revises TMDLs for selected impairments identified in the current Section 303(d) list by prioritizing watersheds or waters for restoration and protection. In accordance with the Kansas TMDL development cycle, TMDLs will be developed for the Lower Arkansas River during this listing cycle. The draft 2020 Kansas 303(d) List will emphasize waters in these basins, including an initial designation of TMDLs to be developed over the next two years. The list and its methodology will be made available prior to the hearing at <http://www.kdheks.gov/tmdl/methodology.htm>.

The public hearing will open with a brief summary of the list and its methodology as it pertains to the waters of the state. Public testimony will then be taken after the presentation. Please provide a written copy of any testimony at the hearing. Written testimony will be accepted by KDHE any time prior to the close of business March 20, 2020. KDHE will prepare a response to all public com-

(continued)

ments and revise the draft list as necessary. KDHE will submit the list, the methodology, and any public comments with KDHE's response to Region 7 of the U.S. Environmental Protection Agency on March 30, 2020.

The public hearing will take place from 11:00 a.m. to 12:00 p.m. Tuesday, March 10, 2020, in the Curtis State Office Building Room 530, 1000 SW Jackson St., Topeka, KS 66612-1367.

Any individual with a disability may request accommodation in order to participate in the public hearing process. Requests for accommodation to participate in the hearing process should be made at least five working days in advance of the hearing by calling 785-296-8229. Other inquiries regarding this notice should be directed to Michelle Probasco at michelle.probasco@ks.gov or 785-296-8229.

Notice Concerning Proposed Kansas Air Quality Construction Permit

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality construction permit. Seaboard Energy Kansas, LLC has applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300. Emissions of NO_x, SO₂, CO, PM, PM₁₀, PM_{2.5}, VOC, and HAPs were evaluated during the permit review process.

Seaboard Energy Kansas, LLC, 9000 W. 67th St., Suite 200, Shawnee Mission, Kansas, owns a former ethanol production facility located at 1043 Road P, Hugoton, Stevens County, Kansas, at which they plan to install a new 6,500-barrel per day renewable diesel unit with an integrated 21 million standard cubic feet per day hydrogen generation plant.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review from the date of publication during normal business hours at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the KDHE Southwest District Office, 302 W. McArtor Rd., Dodge City, KS 67801-6098. To obtain or review the proposed permit and supporting documentation, contact Dean Williams, 785-296-5231, at the central office of the KDHE or Ethel Evans, 620-682-7940, at the KDHE Southwest District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

A public comment period has been established to allow citizens the opportunity to express any concerns they may have about this proposed permitting action. The public comment period is to begin Thursday, Feb-

ruary 27, 2020 and end at 12:00 p.m. Monday, March 30, 2020. Written comments should be submitted to Dean Williams, Kansas Department of Health and Environment (KDHE), Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366.

Any member of the public may request to hold a public hearing to provide comments on the proposed issuance of the draft air quality construction permit. A written request to hold a public hearing should be sent to the attention of Dean Williams at the address listed above or by fax to 785-559-4256, and must be received by 12:00 p.m. Monday, March 30, 2020. If a request is received, a public hearing is tentatively scheduled at the Stevens County Memorial Hall, 200 E. 6th St., Hugoton, KS 6795, Tuesday, March 31, 2020, beginning at 5:00 p.m. and continuing until audience members have an opportunity to submit comments. If no requests to hold the public hearing are received by 12:00 p.m. Monday, March 30, 2020, the public hearing will be cancelled. A notice of the cancellation will be posted at the KDHE website at <http://www.kdheks.gov/bar/publicnotice.html>.

If a hearing is conducted, all interested parties will be given a reasonable opportunity to present their views orally or by submission of written materials during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to limit oral presentations to a specific time limit. Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed materials in an accessible format. Requests for accommodation must be made no later than Tuesday, March 24, 2020 by contacting the Bureau of Air at 785-296-5231.

Facility Description: The proposed action is to reissue two existing Class III Injection Well permits for the wells listed above. Injection of fresh water and unsaturated brine is to be made into the Hutchinson Salt member of the Wellington formation. Mining shall not extend into the upper 40 feet of the salt deposit. The maximum operational injection pressure is not to exceed 250 pounds per square inch at the wellhead. The Wellington formation consists of inter-bedded salt and shale deposits with minor amounts of gypsum. The upper portion of the formation is primarily clayey shale with small amounts of gypsum present. The lower portion, which is known as the Hutchinson Salt member, is mainly salt with inter-bedded shale deposits. The salt deposits beneath Compass Minerals' salt mining operations described herein are first encountered about 698 feet below ground surface and extend to a depth of about 972 feet. All construction, monitoring, and operation of these wells shall meet the requirements that apply to Class III Injection wells under the Kansas UIC Regulations, K.A.R. 28-46-1 through 28-46-45 and other requirements of KDHE.

KS-05-079-004

Facility Description: The proposed action is to issue new Class V Non-Hazardous Waste Injection Well permits for the wells listed above. The permittee shall be authorized to inject groundwater,

which has been recovered from bank storage extraction wells located along the Little Arkansas River during periods when the river has been above base flow conditions, into the Equus Beds Aquifer. The injected water will increase the groundwater in storage in the aquifer forming a hydraulic barrier to a known brine plume and provide groundwater for future recovery. Injection is into the Equus Beds alluvial aquifer through screens ranging from approximately 65' to 265' with intermittent blank casing at clay zones. The maximum wellhead injection pressure limit for the project is 5 psig. The maximum rate of flow for the project is 1200 gallons per minute per well. The Equus Beds Aquifer is part of the high Plains aquifer and consists of Quaternary age unconsolidated alluvial deposits of clay alternating with thicker layers of fine to coarse sands which ranges in thickness from 50 to 300 feet. The construction, monitoring, and operation of the injection wells will meet requirements that apply to Class V injection wells under KAR 28-46-1 through 28-46-42 and KAR 28-30-1 through KAR 28-30-10. The applicant must agree to all conditions stated in the final permit.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367.

All comments regarding the draft documents or application notices received on or before March 28, 2020, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-20-062/065, KS-Q-20-024/027, KS-PT-20-004/006, KS-EG-20-014/015) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) March 25, 2020. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 SW Harrison, Topeka, Kansas, at 1:30 p.m. (CST) March 25, 2020. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid non-responsive and not eligible for award consideration.

State of Kansas

Department of Transportation

Notice to Contractors

February 19, 2020 Letting Moved to March 10, 2020

On February 14, 2020, the Kansas Department of Transportation (KDOT) learned that the General Wage Deci-

sions of the U.S. Department of Labor prescribing minimum prevailing wages on highway projects in Kansas that KDOT had included in proposal forms for the February 19, 2020 letting had expired. Both state law (K.S.A. 68-2317) and federal law (23 U.S.C. 113) require contractors to pay current prevailing wage rates on federal and state-funded highway projects. Pursuant to 23 C.F.R. 635.309(f), KDOT is unable to let projects with expired prevailing wage rates. To incorporate the correct wage rates into the proposal forms and give bidders time to adjust their bids for the current prevailing rates, KDOT cancelled the February 19, 2020 letting and is moving the projects in that letting (identified below) to a special letting March 10, 2020. In the interest of fairness, only prime contractors identified as a bid holder on a project as of February 17, 2020 (pursuant to Subsection 102.4b of the KDOT *Standard Specifications for State Road and Bridge Construction* (2015 Edition) ("Approved Bid Holders") will be eligible to bid on that project in the March 10, 2020 special letting. On February 24, 2020, KDOT notified all Approved Bid Holders of the special letting date and new proposal forms incorporating the correct, current prevailing wage rates on the KDOT website at <https://kdotapp.ksdot.org/ProposalDelayed/Proposal.aspx>.

In the March 10, 2020 special letting, the Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

In the March 10, 2020 special letting, KDOT will only accept electronic internet proposals from Approved Bid Holders using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) March 10, 2020. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 SW Harrison, Topeka, Kansas, at 1:30 p.m. (CST) March 10, 2020. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each Approved Bid Holder submitting a bid shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

Doc. No. 047951

State of Kansas

Department of Transportation

Request for Proposals

Background and Purpose of Project

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for project 14-80 KA 5286-01 and project 56-80 KA 5287-01. The project is located on K-14 in Rice County, beginning at the north city limits of Lyons thence north to the Rice/Ellsworth County line and U.S. 56 in Rice County, beginning at the Lyons east city limits thence east to the McPherson/Rice County line.

Schedule/Deadlines

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) March 6, 2020, to be delivered via email to kdot.designcontracts@ks.gov. Evaluation and ranking of submissions will occur on or about March 20, 2020, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about March 27, 2020. An agreement should be in place on or about April 13, 2020. The contractor should start around the middle of May 2020.

Scope of Services to be Performed

KDOT will provide the all project staff except the HMA plant inspector. The plant inspector must be capable and possess the required certifications to inspect and test all plant work on the project, which includes CMS or AASHTOWare data entry, and final paperwork, etc. KDOT will provide testing equipment for the HMA plant, which the plant inspector must pick up and set up. Construction has 30 working days on the K-14 project and 35 working days on the U.S. 56 project and then cleanup time.

Instructions for Letter of Interest

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the technical proposal and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certifi-

cate"), and a signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Completed Special Attachments do not count against the four-page technical proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant's ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under "Scope of Services to be Performed." The RFP shall also include items such as:

- Project HMA plant inspector
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT standards and specifications
- Any subconsultant and their role in performing the services on the project
- Names, certifications, and experience of all inspectors that will be assigned to the project

Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. Employee names (one full time project HMA plant inspector), certifications, and qualifications proposed for services;
2. Proximity of inspectors to project;
3. Past performance history on similar projects (list project numbers) for KDOT;
4. Types of direct expenses anticipated (lodging, mileage, etc.);

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this Technical Proposal Request

- Special Attachment No. 7 ("Certificate of Final Indirect Costs")
- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment")

Contract Terms and Conditions

A standard KDOT project inspection agreement will be used for this project. Current rate factors will be used for compensation, and Special Attachments for the Kansas "Tax Clearance Certificate," the "Certificate of Final Indirect Costs," and the "Policy Regarding Sexual Harassment" will become attachments to the contract.

Request for Proposals

Background and Purpose of Project

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for project 53 KA 5298-01. The project is located on K-18 in Lincoln County, beginning at the east city limits of Lincoln east to the Lincoln/Ottawa County line; K-252 in Lincoln County, beginning at the north city limits of Beverly north to the junction of K-18.

Schedule/Deadlines

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) March 6, 2020, to be delivered via email to kdot.designcontracts@ks.gov. Evaluation and ranking of submissions will occur on or about March 20, 2020, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about March 27, 2020. An agreement should be in place on or about April 13, 2020. The contractor should start the project around early June 2020.

Scope of Services to be Performed

The project manager/inspectors must be capable inspecting the whole project, which includes traffic control, surface recycle, sealing, CMS or AASHTOWare data entry, all project records, all project paperwork, and final paperwork, etc. Project records and paperwork including but not limited to: diary, pay quantities, certifications, sample identifications, change orders, pay estimates, monitoring subcontractor payments, and monitoring contractor's payrolls, etc. Records and paperwork must be submitted accurately and timely. Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the project needs. Submit the names and information of the project manager, along with one more inspector that will be supplemented as needed. Construction is anticipated to be completed within 70 working days; this is expected to be completed in the 2020 construction season. Provide all the equipment necessary to inspect and test materials.

Instructions for Letter of Interest

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the technical proposal and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Completed Special Attachments do not count against the four-page technical proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant's ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best prac-

tics, that will be used to perform tasks and to produce the desired results described above under "Scope of Services to be Performed." The RFP shall also include items such as:

- Project manager
- Supplemental project inspector
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT standards and specifications
- Any subconsultant and their role in performing the services on the project
- Names, certifications, and experience of all inspectors that will be assigned to the project
- Anticipated time to close out project paperwork

Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection needs of the project;
2. Employee names (project manager, one intermittent inspectors), certifications, and qualifications proposed for services;
3. Proximity of inspectors to project;
4. Past performance history on similar projects (list project numbers) for KDOT;
5. Types of direct expenses anticipated (lodging, mileage, etc.);
6. Anticipated time to close out project paperwork.

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this Technical Proposal Request

- Special Attachment No. 7 ("Certificate of Final Indirect Costs")
- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment")

Contract Terms and Conditions

A standard KDOT project inspection agreement will be used for this project. Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection needs of the project;
2. Employee names (project manager, HMA plant inspector, one intermittent inspectors), certifications, and qualifications proposed for services;
3. Proximity of inspectors to project;
4. Past performance history on similar projects (list project numbers) for KDOT;
5. Types of direct expenses anticipated (lodging, mileage, etc.);
6. Anticipated time to close out project paperwork.

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this Technical Proposal Request

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9:00 a.m. Friday, March 13, 2020, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 001054 Maximum Principal Amount: \$126,500. Owner/Operator: Anthony J. Bruna; Description: Acquisition of 80 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Anthony J. Bruna (the "Beginning Farmer") and is located at the West Half of the Northwest Quarter of Section 12, Township 3, Range 5, Washington County, Kansas, approximately 5.5 miles south and 2 miles east of Hanover, Kansas at the Intersection of 17th Rd and Cross Creek.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

State of Kansas

Bureau of Investigation

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9:00 a.m. Tuesday, April 28, 2020, in the Headquarters Main Conference Room at the Kansas Bureau of Investigation (KBI), 1620 SW Tyler, Topeka, Kansas, to consider the adoption of proposed rules and regulations of the Kansas Bureau of Investigation (KBI), on a permanent basis.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Kansas Bureau of

Investigation, 1620 SW Tyler, Topeka, KS 66612, or by email to Kelly.McPherron@kbi.state.ks.us. All interested parties will be given a reasonable opportunity to present their views orally regarding the adoption of the proposed regulations during the public hearing. In order to provide all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request an accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Kelly McPherron at 785-296-8200, (or TTY 1-800-766-3777). Handicapped parking is located on the south end of the KBI building, off of Tyler Street.

Summaries of the proposed regulations and their economic impact follow. (Note: Statements indicating that a regulation is “not anticipated to have any economic impact” are intended to indicate that no economic impact on the KBI, other state agencies, state employees, or the general public has been identified.)

Copies of the proposed regulations and the Economic Impact Statement for the proposed regulations can be requested from: Kelly.McPherron@kbi.state.ks.us, or by writing to Kansas Bureau of Investigation, 1620 SW Tyler, Topeka, KS 66612, Attn: Kelly McPherron.

K.A.R. 10-24-1 – Definitions. This is a new regulation that defines the following terms: “KBI”; “Repository”; “Seller”; and “Transaction.” These definitions serve to assist in understanding the terms as they are used in K.A.R. 10-24-2 and 10-24-3. This regulation will have no economic impact.

K.A.R. 10-24-2 – Information to be submitted. This is a new regulation that sets forth what information scrap metal dealers shall submit to the KBI for entry into the repository. An economic impact on scrap metal dealers is possible and potentially could result from staff time spent inputting or submitting the required information. Any possible economic impact would depend on the manner of submission utilized (as set forth in K.A.R. 10-24-3).

K.A.R. 10-24-3 – Manner of submission. This is a new regulation that identifies how information needs to be submitted to the Kansas scrap metal data repository maintained at the KBI. The regulation identifies two manners of submission: an electronic form online or a standard software interface that electronically transfers the information from the scrap metal dealer’s transaction storage system to the repository. This regulation may have an economic impact on scrap metal dealers, as one of the manners of submission includes using a standard software interface. If scrap metal dealers opt to utilize an interface, there would be costs associated with building and implementing such an interface.
