Legislative Administrative Services

Interim Committee Schedule

The Legislative Research Department gives notice that the following legislative committees plan to meet on the dates listed below based on current information and subject to change. Requests for accommodation to participate in committee meetings should be made at least two working days in advance of the meeting by contacting Legislative Administrative Services at 785-296-2391 or TTY 711, or email legserv@las.ks.gov.

Date	Room	Time	Committee	Agenda
Dec. 7	346-S	1:30 p.m.	Special Committee on Economic Recovery	Review of Unemployment Fraud and Fraud Mitigation Strategies (Closed Session).
Dec. 8	346-S	9:00 a.m.	Special Committee on Economic Recovery	Review of Unemployment Issues, Broadband Issues, CRF Expenditures, Department of Commerce Programs.
Dec. 9	346-S	9:00 a.m.	Special Committee on Economic Recovery	Discussion and Recommendations.
Dec. 9	112-N	9:00 a.m.	Joint Committee on Home and Community Based Services/KanCare Oversight	Presentations on KanCare from individuals, providers, and organizations; KanCare Ombudsman presentation; Office of Medicaid Inspector General presentation; Responses from State agencies and managed care organizations (MCOs) on unresolved issues; Overview of Human Services Consensus Caseload Estimates and Fall Estimates; 340B Drug Pricing Program concerns; Home and Community Based Services Appendix K Flexibility for Individual Education Plan services; Update on KanCare Meaningful Measures Collaborative; Kansas Department of Health and Environment KanCare update; Kansas Department for Aging and Disability Services Update; MCO presentations; Discussion and recommendations for Joint Committee's Report to the 2021 Legislature.
Dec. 10	112-N	9:00 a.m.	Special Committee on Kansas Mental Health Modernization and Reform	Working Group Report Overview and Discussion.
Dec. 11	112-N	9:00 a.m.	Special Committee on Kansas Mental Health Modernization and Reform	Discussion and recommendations for the Special Committee's Report to the 2021 Legislature.
Dec. 14	112-N	9:00 a.m.	House Health and Human Services	Pediatric Acute-Onset Neuropsychiatric Syndrome and Pediatric Autoimmune Neuropsychiatric Disorders Associated with Streptococcal Infections.
Dec. 15	112-N	9:00 a.m.	Joint Committee on Home and Community Based Services/KanCare Oversight	Overview of the Program of All-Inclusive Care for the Elderly, Integrated Care, and COVID-19 and Long-Term Care.
Dec. 15	548-S	TBD	Legislative Budget Committee	TBD
Dec. 16	112-N	TBD	Joint Committee on Information Technology	TBD

Wichita State University

Notice of Intent to Lease Land and/or Building Space

Beginning Publication Date: Vol. 39, No. 43, October 22, 2020
Ending Publication Date: Vol. 40, No. 4, January 28, 2021

Public notice is hereby given that Wichita State University intends to lease available land and building space located on WSU’s main campus, WSU’s Innovation Campus and on property owned by WSU adjacent to the main campus on 17th and Hillside streets. The university will consider leasing such property and/or space to those whose presence on campus would advance the university’s applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, or otherwise provide supporting services and amenities to the campus community. Such projects could include, but not be limited to: (1) development of a part-

nership building to provide office and/or laboratory space to support education and research, advance innovation, foster microenterprises, and/or lease to industry partnerships in any market that aligns with University programs; (2) child care facilities; (3) adult living and retirement facilities; (4) restaurants; (5) retail, grocery, or pharmacy establishments; (6) financial institutions; (7) event and/or performance center; and (8) parking garage. Because tenant development and/or use must be a good fit with the university’s educational mission and available space, please be prepared to provide the following information: (1) name; (2) square footage of space needs and desired lease term and location; (3) equipment, design, or other special needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). Additional information such as renderings, architectural and design plans, project timeline, and subcontractor list is encouraged. The university will consider serious proposals and inquiries from any financially qualified individual, group, organization, or company. If interested, please contact Wichita State University Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Notice of Requested “On-Call” Architectural Services

Notice is hereby given of the commencement of the selection process for “on-call” architectural services for the Kansas Department for Aging and Disability Services. Work will be required at the Larned State Hospital, Parsons State Hospital and Training Center, Osawatometie State Hospital, and the Kansas Neurological Institute, Topeka. Services are required for restricted (small) projects with a project budget of \$1 million or less. Multiple firms will be selected. The contracts will be for three years.

For more information, contact John Golightley at john.golightley2@ks.gov, phone 785-296-3772. Firms interested in providing these services should be familiar with the requirements which can be found in Part B-Chapter 4 of the Building Design and Construction Manual at the website below.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <http://admin.ks.gov/offices/ofpm/dcc/f-and-d>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation, and an abbreviated project name in the title of the PDF document. Proposals should be less than 5 Mb and follow the current State Building Advisory Commission guidelines which can be found in Part B – Chapter 2 of the Building Design and Construction Manual at <http://www.admin.ks.gov/offices/ofpm/dcc/>

[bdcm](http://www.admin.ks.gov/offices/ofpm/dcc/). Paper copies and flash drives containing copies of the proposals are not required.

Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions, please call 785-296-0749. Proposals shall be emailed to professional.qualifications@ks.gov to the attention of Randy Riveland by 2:00 p.m. on or before December 28, 2020.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. If prospective bidders/vendors/contractors have any policies or participate in any initiatives that discourage human trafficking, then the prospective bidder/vendor/contractor is encouraged to submit same as part of their bid response.

Doc. No. 048672

State of Kansas

Department of Health and Environment

Notice Concerning Proposed Kansas Air Quality PSD Construction Permit and Public Hearing

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality construction permit. Cargill, Inc. has applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300 to increase maximum annual soybean processing throughput at their soybean processing plant located 1425 N. Mosley, Wichita, Sedgwick County, KS 67214. Emission of particulate matter (PM), PM with equal to or less than 10 microns in aerodynamic diameter (PM_{10}), PM with equal to or less than 2.5 microns in aerodynamic diameter ($PM_{2.5}$), volatile organic compounds (VOCs), oxides of nitrogen (NO_x), sulfur oxides (SO_x), carbon monoxide (CO), and greenhouse gases (GHG), as carbon dioxide equivalent (CO_2e), were evaluated during the permit review process.

The proposed permit is to be issued in accordance with the provisions of K.A.R. 28-19-350, *Prevention of Significant Deterioration* (PSD), which adopt the federal standards, procedures and requirements of 40 CFR 52.21 by reference. These air quality regulations apply to major stationary emission sources located in areas designated as "attainment" under the federal Clean Air Act (CAA). Attainment areas are areas where the air quality meets or is better than the national ambient air quality standards (NAAQS).

The PSD regulations require evaluation of emission reduction techniques to identify the best available control technology (BACT) for each regulated pollutant, including GHG, for which the emission rate exceeds the PSD significant level. The purpose of BACT is to affect the maximum degree of reduction achievable, taking into account energy, environmental, and economic impacts for each pollutant under review. Evaluation of the estimated emissions increase for the proposed project indicates that only the emission rate of VOC exceeds the significance levels. Since VOC is precursor for Ozone (O_3), BACT for VOC will be considered BACT for O_3 . Cargill, Inc. conducted the required BACT analyses and KDHE concurs with their findings.

An ambient air quality impact analysis was performed on the air emissions of Ozone (O_3) from the project using the EPA's 2019 guidance entitled, "Guidance on the Devel-

opment of Modeled Emission Rates for Precursors (MERPs) as a Tier 1 Demonstration Tool for Ozone and $PM_{2.5}$ under the PSD Permitting Program (MERP Guidance)." The analysis demonstrated no significant impact on ambient air quality for O_3 , with VOC as precursor. This project did not consume any PSD increment.

No assessment of visibility impacts at a Class I area was performed by the facility because there are no Federal Class I areas located within 300 km of the proposed facility. The facility did not conduct a visibility impact analysis for a local Class II area because the proposed project only triggers PSD for VOC, and the VOC emissions are not expected to impact visibility.

A public comment period has been established to allow citizens the opportunity to express any concerns they may have about this proposed permitting action. The public comment period is to begin on Thursday, December 10, 2020 and end on Monday, January 11, 2021. All comments should be submitted in writing to Josephine Boac, KDHE/Bureau of Air, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 or presented at the public hearing.

Any member of the public may request to hold a public hearing to receive comments on the proposed issuance of the draft air quality construction permit. Written request to hold a public hearing should be sent to the attention of Josephine Boac, KDHE/Bureau of Air, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 or by fax to 785-559-4256 and must be received by 12:00 p.m. Monday, January 11, 2021.

If a request is received, a public hearing is tentatively scheduled at the Sedgwick County Health Department 1900 E. 9th St., Wichita, KS 67214 on Tuesday, January 12, 2021, beginning at 2:00 p.m. and continue until audience members have an opportunity to submit comments. If no requests to hold the public hearing are received by 12:00 p.m. Monday, January 11, 2021, the public hearing will be cancelled. A notice of the cancellation will be posted at the KDHE website at <http://www.kdheks.gov/bar/publicnotice.html>.

If a hearing is conducted, all interested parties will be given a reasonable opportunity to present their views orally or by submission of written materials during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to limit oral presentations to a specific time limit. Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed materials in an accessible format. Requests for accommodation must be made no later than Monday, December 29, 2020 by contacting the Bureau of Air at 785-296-6024.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review for a period of 30 days from the date of publication during normal business hours (8:00 a.m. to 5:00 p.m.) at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. Also, a copy of the proposed permit only can be reviewed, at the South Central District Office, 300 W. Douglas, Suite 700, Wichita, KS 67202-2921. To obtain or review the proposed permit and supporting documentation, contact

(continued)

Josephine Boac, 785-296-6281, at the central office of the KDHE and to review the proposed permit only, contact David Butler, 316-337-6020, in the South Central District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Department of Health and Environment

Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Chemtrade Phosphorus Specialties, LLC has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Chemtrade Phosphorus Specialties, LLC, 440 B N. Ninth St., Lawrence, KS 66044, owns and operates a phosphorus pentasulfide plant located at 440 B N. Ninth St., Lawrence, KS 66044.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Northeast District Office, 800 W. 24th St., Lawrence, KS 66046. To obtain or review the proposed permit and supporting documentation, contact Allan Ddamulira, 785-296-6024, at the central office of the KDHE or Pat Simpson, 785-330-8611, at the Northeast District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Allan Ddamulira, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, January 11, 2021.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Allan Ddamulira, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, January 11,

2021 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Keith Johnson, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Doc. No. 048664

State of Kansas

Department of Health and Environment

Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Southern Star Central Gas Pipeline – Hugoton Compressor Station has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Southern Star Central Gas Pipeline – Hugoton Compressor Station, PO Box 20010, Owensboro KY 43204-0010, owns and operates a natural gas compressor station located at S3-T29S-R35W, Grant County, Kansas.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Southwest District Office, 302 W. McArtor Rd., Dodge City, KS 67801-6098. To obtain or review the proposed permit and supporting documentation, contact Christy Thurman, 785-296-6024, at the central office of the KDHE or Ethel Evans, 620-682-7940, at the Southwest District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit,

accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Christy Thurman, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, January 11, 2021.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Christy Thurman, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, January 11, 2021 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Keith Johnson, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Doc. No. 048668

State of Kansas

Department of Health and Environment

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency.

The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Public Notice No. KS-AG-20-294/298

Pending Permits for Confined Feeding Facilities

Name and Address of Applicant	Legal Description	Receiving Water
Oak Creek Farms, LLC Jeffrey R. Koops 429 N. 30th Rd. Cawker City, KS 67430	SE/4 of Section 17 T05S, R10W Jewell County	Solomon River Basin

Kansas Permit No. A-SOJW-S020

This is a permit modification and reissuance for an existing facility with the maximum capacity of 1,910 head (764 animal units) of swine weighing greater than 55 pounds, and 940 head (94 animal units) of swine weighing 55 pounds or less; for a total of 858 animal units of swine. The facility consists of six enclosed swine buildings with underground concrete pits, a mortality composting area and an earthen wastewater retention structure. There has been no change in animal units from the previous permit.

Name and Address of Applicant	Legal Description	Receiving Water
Gosselin Feeders Gaylen Gosselin 3520 Q Rd. Bogue, KS 67625	SE/4 of Section 6 T08S, R21W Graham County	Solomon River Basin

Kansas Permit No. A-SOGH-B006

This is a renewal permit for an existing facility with a maximum capacity of 990 head (990 animal units) of cattle more than 700 pounds. There has been no change in the permitted animal units from the previous permit.

Name and Address of Applicant	Legal Description	Receiving Water
ZHX Trucking, LLC Manuel Martinez 5042 US-54 Hwy. Liberal, KS 67901	SW/4 of Section 14 T35S, R34W Seward County	Cimarron River Basin

Kansas Permit No. A-CISW-T001

This is a renewal permit for a facility to washout livestock transport trailers. The facility will be a private washout; all trailers will be owned or leased by the facility. An average of 35 washouts per week is expected.

Name and Address of Applicant	Legal Description	Receiving Water
Wentz Farms, LLC PO Box 97 Norcatour, KS 67653	NE/4 of Section 4 T03S, R27W Decatur County	Upper Republican River Basin

Kansas Permit No. A-URDC-B001

This is a renewal permit for an existing facility with a maximum capacity of 980 head (980 animal units) of cattle more than 700 pounds. There has been no change in the permitted animal units.

Name and Address of Applicant	Legal Description	Receiving Water
Kevin Benfer 244 2nd Rd. Longford, KS 67458	N/2 of Section 32 T10S, R01E Clay County	Smoky Hill River Basin

Kansas Permit No. A-SHCY-S010

(continued)

The proposed action is to reissue an existing state permit for an existing facility for 900 head (360 animal units) of swine weighing more than 55 pounds, 600 head (60 animal units) of swine weighing 55 pounds or less, and 300 head (150 animal units) of cattle weighing 700 pounds or less, for a total 570 animal units. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Waste Management Plan on file with KDHE.

Public Notice No. KS-Q-20-209

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g), and Federal Surface Water Criteria.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Winfield, City of PO Box 646 Winfield, KS 67156	Walnut River via Timber Creek via Unnamed Tributary	Process Wastewater

Kansas Permit No. I-WA17-PO03
Federal Permit No. KS0097071

Legal Description: SW¼, SW¼, NW¼, S14, T32S, R43E, Cowley County, Kansas

Facility Name: Winfield Water Treatment Plant

Facility Location: 15250 101st Rd., Winfield, KS 67156

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This is an existing potable water treatment plant consisting of a pre-mixing basin, a pre-sedimentation basin, two solid contact basins, four filters, ozone disinfection and a clearwell and three sludge basins. The proposed permit contains limits for total suspended solids, total residual chlorine, and pH.

Public Notice No. KS-NQ-20-006/007

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g).

Name and Address of Applicant	Legal Location	Type of Discharge
Basehor-Linwood USD #458 2008 N. 155th St. Basehor, KS 66007	SE¼, SE¼, SW¼ S32, T11S, R22E, Leavenworth County	Non-Overflowing

Kansas Permit No. M-KS36-NO03
Federal Permit No. KSJ000705

Facility Location: K-32 and Stillwell Rd., Linwood, KS 66502

The proposed action is to issue a new State/NPDES permit for a new, non-discharging facility. The current facility is a two-cell wastewater stabilization lagoon system that will serve a new elementary school in the Basehor-Linwood School District. The proposed permit contains a schedule of compliance stating the facility shall have a KDHE-certified operator.

Name and Address of Applicant	Legal Location	Type of Discharge
Galva, City of 208 S. Main Galva, KS 67443	N½, SE¼, NW¼, S28, T19S, R2W, McPherson County	Non-Overflowing

Kansas Permit No. M-LA03-NO01
Federal Permit No. KSJ000709

The proposed action is to issue a new State/NPDES permit for a new, non-discharging facility. This facility is a three-cell wastewater stabilization lagoon system with two storage cells.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367.

All comments regarding the draft documents or application notices received on or before January 9, 2021, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-20-294/298, KS-Q-20-209, KS-NQ-20-006/007) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Doc. No. 048669

State of Kansas

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a consulting firm for each of the project groups listed below. Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in category 212 Highway Design – Minor Facility. A PDF (2Mb maximum size) of the response must be emailed to kdot.designcontracts@ks.gov. Proposal responses are limited to eight pages; the subject line of the reply email and the PDF file name must read "2024-Shoulder Widening_FIRM NAME". The proposal is required and must be received by 12:00 p.m. January 15, 2021 for the consulting firm to be considered.

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed

in this notice for the project. Firms may use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification category definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Projects

The shoulder widening projects including either pavement rehabilitation or reconstruction have been identified in the Eisenhower Legacy Transportation Program Expansion Pipeline. These projects are scheduled for letting in FY 2024 (July 2023 – June 2024). KDOT intends to select the most highly qualified firms to perform professional services associated with the design of these expansion projects. The projects are packaged into groups, each group includes one project. Project groups and KDOT project numbers are included in Table 1. Firms can submit on one or both groups and may express preference(s) for each group; however, there is no guarantee that a firm will be selected for any group or any expressed preference(s). Questions and available as-built plans and previously developed bridge replacement field check plans for each project can be obtained by contacting David Lutgen, P.E. at kdot.designcontracts@ks.gov.

Table 1: 2024 Shoulder Widening Bundles

Group/ Project Numbers	Route and Scope	Length	Project Termini
Group A			
25-97 KA-6021-01	K-25 Thomas County Reconstruct and Widen Shoulders	8.00 mi	County Line I north to I-70
Includes	Bridge Replacement	(041)	3-12' x 8' RFB (Embedded)
Group B			
177-64 KA-6017-01	K-177 Morris County Rehabilitate and Add Shoulders	3.33 mi	Approximately 500' north of S 850 Road North to Velie Street in Council Grove
Includes	Bridge Replacement	(025)	2-12'x12' RFB (Embedded)
Includes	Bridge Replacement	(026)	45'-2@63'-45' Reinf. Deck Girder Haunched

KDOT is seeking consultant services to provide full design survey and prepare construction drawings for widening for the addition of shoulders for the projects listed above. Each project includes pavement rehabilitation or reconstruction and bridge replacements. Each bridge replacement has been developed to approximately field check stage. The scope of the services will vary for each project and may include additional culvert extensions, traffic engineering, hydrology/hydraulics, designer construction services, and permitting assistance for some projects. Safety Analysis may be required to validate the shoulder width based on traffic and crash histories for each location.

The consultant is to provide a full survey of each project. Project 25-97 KA-6021-01 only is to include building the existing right of way. Both projects have previous surveys completed for bridge replacements noted in Ta-

ble 1. The survey is to include field work for areas to supplement the bridge surveys. The deliverables shall incorporate the full project including the roadway and bridge surveys and will be provided in the Kansas Regional Coordinate System. The acceptable survey complete date for the projects is April 30, 2021 for KA-6017-01 and May 28, 2021 for KA-6021-01. Geotech will be provided by KDOT early in the project development.

The project scopes include:

- Provide a full design survey
- Build existing Right of Way (KA-6021-01 only)
- Visit the project site location
- Perform preliminary road and bridge design for plans to field check, to include determining the size, type, and location of any bridges located within the project limits
- Develop final plans
- Provide electronic plan files compliant with KDOT Graphic Standards Manual, including CAD conformance checks and ControlCAD indexed DGN files with ProjectWise attributes
- Provide construction cost estimates bi-annually as well as at every major project milestone

Special Conditions

These projects are being managed by a Project Manager Consultant (PMC) on behalf of KDOT. The PMC will be the primary contact for the selected firms.

Project schedules will be developed during project negotiation. A basic schedule template, prepared by the PMC, will be reviewed and specific dates will be defined by the consultant in order to achieve the critical milestones. Monthly schedule progress reports and updates will be required throughout the project from the consultants and reviewed with the PMC to track progress for KDOT.

Consultants will be required to provide a Quality Control (QC) plan at project kick-off. QC audits will be conducted by the PMC throughout the project. The audits will check compliance with the consultant’s QC plan.

Schedule

These projects are scheduled to be let in FY 2024; therefore, the design activities must be scheduled to deliver complete plans between July 2023 and December 2023. These projects may follow an accelerated delivery schedule with some submittals required earlier than a typical KDOT design project to meet the letting requirements.

Instructions for Proposal

The main text of consultant’s proposal must not exceed eight (8) pages (not including the cover letter) to address the topics listed in Table 2 below. The following outline is the required submittal organization, content, and page length for the technical proposals for each group. Duplication of content in technical proposals is expected.

(continued)

Table 2: Proposal Content

	Content	Pages
Cover Letter	Within the cover letter, indicate project group preferences	1 page
Overview	<ul style="list-style-type: none"> • Qualifications and Experience <ul style="list-style-type: none"> ◦ Project manager for the group ◦ Names, qualifications, education, training, and expertise of proposed team members • Past performance on similar projects, including references and contact information • Group Delivery Process <ul style="list-style-type: none"> ◦ Approach to schedule ◦ Quality control process 	4 pages
Project Approach	Highlight concepts for cost-effective and optimized solutions for projects in each group of projects on which the consultant is proposing. Include unique qualifications or experience that may inform the selection of firms and assignment of project groups.	1-2 pages per group

Selection Process

No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will not be considered in the selection process to rank proposals. Per standard KDOT consultant selection process, consultants will be selected from the technical proposal submitted for each project group. Selected consultants will proceed quickly through scoping, fee negotiation, and NTP. Each project group will be contracted separately. Fee negotiation will include estimates for preliminary engineering and final design; there will not be a contract pause for final design negotiation after field check.

Technical proposals will be evaluated based on the factors listed in Table 3 below to select the most qualified firms.

Table 3: Evaluation Factors

Evaluation Factor
Qualifications and Experience
Past Performance
Group Delivery Process: Approach to Schedule
Group Delivery Process: Approach to Quality Control
Project Group Approach: Unique Qualifications and Solutions
Familiarity with KDOT Design Standards and Project Area

The KDOT Consultant Selection Committee will select the most highly qualified firms expressing interest based on Qualifications and Experience, Past Performance, Group Delivery process, Project Group Approach, and Familiarity with KDOT design standards and project area. The PMC will not be on the KDOT Consultant Selection Committee.

The selected firms will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with a selected firm, it will terminate negotiations and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for these projects. Special attachments for the Kansas “Tax Clearance Certificate,” the “Certification of Final Indirect Costs,” and the Special Attachment No. 10 (“Policy Regarding Sexual Harassment”) will also eventually become attachments to the contract.

The firm’s accounting systems must have the following capabilities before the firm may be awarded a contract.

- Valid, reliable, and current costs must be available within the system to support actual costs and pricing data.
- Capability to provide a means of measuring the reasonableness of incurred costs.
- Capability to identify and accumulate allowable costs by contract or project records which will reconcile with the general ledger.
- Ability to provide supporting documentation of actual expenditures for each billing, based on costs.

Questions can be sent to kdot.designcontracts@ks.gov.

Kris Norton, P.E., PMC Coordinating Engineer

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a consulting firm for the project listed below. Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in category 211 Highway Design – Major Facility. A PDF (2Mb maximum size) of the response must be emailed to kdot.designcontracts@ks.gov. Proposal responses are limited to six pages; the subject line of the reply email and the PDF file name must read “68-61 KA-2373-04 4-Lane Expressway _FIRM NAME.” The proposal is required and must be received by 12:00 p.m. January 29, 2021 for the consulting firm to be considered.

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms may use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification category definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Project

The K-68 4-Lane Expressway project in Miami County has been identified in the Eisenhower Legacy Transportation Program Expansion Pipeline. This project is scheduled for letting in FY 2024 (July 2023 – June 2024). KDOT intends to select the most highly qualified firm to perform professional services associated with the design of this ex-

pansion project. A project summary is provided in Table 1. Questions and available as-built plans and previously developed field check plans can be obtained by contacting David Lutgen, P.E. at kdot.designcontracts@ks.gov.

Table 1: 2024 K-68 4-Lane Expressway

Project Number	Route and Scope	Length	Project Termini
68-61 KA-2373-04	K-68 Miami County	6.8 mi	US-169 east approximately 6.8 miles to 0.8 mile west of US-69
Includes	New Bridge	(TBD)	62'-82'-62' Post Tensioned Haunched Slab Spans

KDOT is seeking consultant services to prepare construction drawings for the K-68 4-Lane Expressway project. Project 68-61 KA-2373-04 is a continuation of a T-Works project and has been developed to approximately field check phase under KDOT project 68-61 KA-2373-01. The roadway is being expanded to a 4-lane expressway to address increasing traffic volumes and crash history. Continued stakeholder engagement activities are anticipated. The designer shall include a review of the horizontal and vertical alignments, frontage roads, sideroads, and entrance locations to identify any plan updates prior to stakeholder engagement activities. The scope of services may include culvert extensions or replacements, traffic engineering, hydrology/hydraulics, designer construction services, and permitting assistance. Survey was completed under the previous project and will be available upon notice to proceed. Geotech will be provided by KDOT early in the project development.

The project scope includes:

- Visit the project site location
- Develop final plans
- Provide electronic plan files compliant with KDOT Graphic Standards Manual, including CAD conformance checks and ControlCAD indexed DGN files with ProjectWise attributes
- Provide construction cost estimates bi-annually as well as at every major project milestone

Special Conditions

This project is being managed by a Project Manager Consultant (PMC) on behalf of KDOT. The PMC will be the primary contact for the selected firms.

Project schedule will be developed during project negotiation. A basic schedule template, prepared by the PMC, will be reviewed and specific dates will be defined by the consultant in order to achieve the critical milestones. Monthly schedule progress reports and updates will be required throughout the project from the consultant and reviewed with the PMC to track progress for KDOT.

Consultant will be required to provide a Quality Control (QC) plan at project kick-off. QC audits will be conducted by the PMC throughout the project. The audits will check compliance with the consultant’s QC plan.

Schedule

This project is scheduled to be let in FY 2024; therefore, the design activities must be scheduled to deliver complete plans between July 2023 and December 2023. This project may follow an accelerated delivery schedule with some submittals required earlier than a typical KDOT design project to meet the letting requirements.

Instructions for Proposal

The main text of consultant’s proposal must not exceed six (6) pages (not including the cover letter) to address the topics listed in Table 2 below. The following outline is the required submittal organization, content, and page length for the technical proposal.

Table 2: Proposal Content

	Content	Pages
Cover Letter		1 page
Overview	<ul style="list-style-type: none"> • Qualifications and Experience <ul style="list-style-type: none"> ◦ Project manager for the project ◦ Names, qualifications, education, training, and expertise of proposed team members • Past performance on similar projects, including references and contact information • Delivery Process <ul style="list-style-type: none"> ◦ Approach to schedule ◦ Quality control process 	4 pages
Project Approach	Highlight concepts for cost-effective and optimized solutions for the project. Include unique qualifications or experience that may inform the selection of a firm.	1-2 pages

Selection Process

No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will not be considered in the selection process to rank proposals. Per standard KDOT consultant selection process, consultant will be selected from the technical proposal submitted for the project. Selected consultant will proceed quickly through scoping, fee negotiation, and NTP. Fee negotiation will include estimate for final design only.

Technical proposals will be evaluated based on the factors listed in Table 3 below to select the most qualified firms.

Table 3: Evaluation Factors

Evaluation Factor
Qualifications and Experience
Past Performance
Delivery Process: Approach to Schedule
Delivery Process: Approach to Quality Control
Project Approach: Unique Qualifications and Solutions
Familiarity with KDOT Design Standards and Project Area

The KDOT Consultant Selection Committee will select the most highly qualified firm expressing interest based on Qualifications and Experience, Past Performance, Delivery process, Project Approach, and Familiarity with KDOT design standards and project area. The PMC will not be on the KDOT Consultant Selection Committee.

The selected firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the selected firm, it will terminate negotiations and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a consulting firm for the project listed below. Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in category 212 Highway Design – Minor Facility. A PDF (2Mb maximum size) of the response must be emailed to kdot.designcontracts@ks.gov. Proposal responses are limited to six pages; the subject line of the reply email and the pdf file name must read “4-85 KA-3230-02 Offset Reconstruction _FIRM NAME.” The proposal is required and must be received by 12:00 p.m. January 29, 2021 for the consulting firm to be considered.

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms may use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification category definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Projects

The K-4 reconstruction project in Saline County has been identified in the Eisenhower Legacy Transportation Program Expansion Pipeline. This project is scheduled for letting in FY 2024 (July 2023 – June 2024). KDOT intends to select the most highly qualified firm to perform professional services associated with the design of this expansion project. A project summary is provided

in Table 1. Questions and available as-built plans and previously developed materials and research plans can be obtained by contacting David Lutgen, P.E. at kdot.designcontracts@ks.gov.

Table 1: 2024 K-4 Reconstruction on Offset Alignment

Project Number	Route and Scope	Length	Project Termini
4-85 KA-3230-02	K-4 Saline County	5.03 mi	North City Limits of Girard to the Crawford/Bourbon County Line
Includes	New Bridge replacing Culvert 500	(500)	3-10' x 6' RCB (Embedded)

KDOT is seeking consultant services to perform Phase II Preliminary and Phase III Final Design services for the K-4 Reconstruction project. Project 4-85 KA-3230-02 has been developed to approximately plans to materials and research phase and is being reconstructed on an offset alignment to address vertical alignment improvements while carrying traffic through construction. The scope of services shall include validation of horizontal and vertical geometry previously developed including identification of measures to minimize right of way acquisitions. The scope of services may include culvert extensions, traffic engineering, hydrology/hydraulics, designer construction services, and permitting assistance. Survey and Geotech will be provided by KDOT early in the project development.

The project scope includes:

- Visit the project site location
- Perform preliminary road and bridge design for plans to field check, to include determining the size, type, and location of any bridges located within the project limits
- Develop final plans
- Provide electronic plan files compliant with KDOT Graphic Standards Manual, including CAD conformance checks and ControlCAD indexed DGN files with ProjectWise attributes
- Provide construction cost estimates bi-annually as well as at every major project milestone

Special Conditions

This project is being managed by a Project Manager Consultant (PMC) on behalf of KDOT. The PMC will be the primary contact for the selected firms.

Project schedule will be developed during project negotiation. A basic schedule template, prepared by the PMC, will be reviewed and specific dates will be defined by the consultant in order to achieve the critical milestones. Monthly schedule progress reports and updates will be required throughout the project from the consultants and reviewed with the PMC to track progress for KDOT.

Consultant will be required to provide a Quality Control (QC) plan at project kick-off. QC audits will be conducted by the PMC throughout the project. The audits will check compliance with the consultant’s QC plan.

Schedule

This project is scheduled to be let in FY 2024; therefore, the design activities must be scheduled to deliver complete plans between July 2023 and December 2023. This project may follow an accelerated delivery schedule with

some submittals required earlier than a typical KDOT design project to meet the letting requirements.

Instructions for Proposal

The main text of consultant’s proposal must not exceed six (6) pages (not including the cover letter) to address the topics listed in Table 2 below. The following outline is the required submittal organization, content, and page length for the technical proposal.

Table 2: Proposal Content

	Content	Pages
Cover Letter		1 page
Overview	<ul style="list-style-type: none"> • Qualifications and Experience <ul style="list-style-type: none"> ◦ Project manager for the project ◦ Names, qualifications, education, training, and expertise of proposed team members • Past performance on similar projects, including references and contact information • Delivery Process <ul style="list-style-type: none"> ◦ Approach to schedule ◦ Quality control process 	4 pages
Project Approach	Highlight concepts for cost-effective and optimized solutions for the project. Include unique qualifications or experience that may inform the selection of a firm.	1-2 pages

Selection Process

No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will not be considered in the selection process to rank proposals. Per standard KDOT consultant selection process, consultants will be selected from the technical proposal submitted for the project. Selected consultant will proceed quickly through scoping, fee negotiation, and NTP. Fee negotiation will include estimates for preliminary engineering and final design; there will not be a contract pause for final design negotiation after field check.

Technical proposals will be evaluated based on the factors listed in Table 3 below to select the most qualified firms.

Table 3: Evaluation Factors

Evaluation Factor
Qualifications and Experience
Past Performance
Delivery Process: Approach to Schedule
Delivery Process: Approach to Quality Control
Project Approach: Unique Qualifications and Solutions
Familiarity with KDOT Design Standards and Project Area

The KDOT Consultant Selection Committee will select the most highly qualified firm expressing interest based on Qualifications and Experience, Past Performance, Delivery process, Project Approach, and Familiarity with KDOT design standards and project area. The PMC will not be on the KDOT Consultant Selection Committee.

The selected firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the selected firm, it will terminate negotiations and commence negotiations with

the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for this project. Special attachments for the Kansas “Tax Clearance Certificate,” the “Certification of Final Indirect Costs,” and the Special Attachment No. 10 (“Policy Regarding Sexual Harassment”) will also eventually become attachments to the contract.

The firm’s accounting systems must have the following capabilities before the firm may be awarded a contract.

- Valid, reliable, and current costs must be available within the system to support actual costs and pricing data
- Capability to provide a means of measuring the reasonableness of incurred costs
- Capability to identify and accumulate allowable costs by contract or project records which will reconcile with the general ledger
- Ability to provide supporting documentation of actual expenditures for each billing, based on costs

Questions can be sent to kdot.designcontracts@ks.gov.

Kris Norton, P.E., PMC Coordinating Engineer
Division of Program and Project Management

Doc. No. 048658

State of Kansas

Department of Transportation

Notice to Consulting Firms

Background and Purpose of Project

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for project 24-15 KA 3239-02. The project is located on US-24 beginning from one mile east of 220th Road (County Road 801) east to Cloud/Clay County line in Cloud County.

Schedule/Deadlines

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) December 30, 2020, to be delivered via email to kdot.designcontracts@ks.gov. Evaluation and ranking of submissions will occur on or about January 13, 2021, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about January 27, 2021. An agreement should be in place on or about February 17, 2021. The contractor is expected to start the project in March of 2021.

Scope of Services to be Performed

The project manager/inspectors must be capable inspecting the whole project, which includes grading, subgrade/base, concrete, HMA roadway, HMA plant, bridge(s), RC box, traffic control, seeding, erosion control, CMS or AASHTOWare data entry, all project records, all project paperwork, and final paperwork, etc. Project records and paperwork including but not limited

(continued)

to: diary, pay quantities, certifications, sample identifications, change orders, pay estimates, monitoring subcontractor payments, and monitoring contractor's payrolls, etc. Records and paperwork must be submitted accurately and timely. Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the contractor's schedule and how they pursue the work. Submit the name and information of the project manager and HMA plant inspector. Construction is anticipated to be completed by a calendar completion date of December 18, 2021. Provide all the equipment necessary to inspect and test materials.

Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the technical proposal and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Completed Special Attachments do not count against the four-page technical proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant's ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under "Scope of Services to be Performed." The RFP shall also include items such as:

- Project manager
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT standards and specifications
- Any subconsultant and their role in performing the services on the project
- Names, certifications, and experience of all inspectors that will be assigned to the project
- Anticipated time to close out project paperwork

Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection needs of the project;
2. Employee names (Project manager and HMA plant inspector), certifications, and qualifications proposed for services;
3. Past performance history on similar projects (list project numbers) for KDOT;
4. Anticipated time to close out project paperwork;
5. Proximity of inspectors to project;
6. Types of direct expenses anticipated (lodging, mileage, etc.).

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this Technical Proposal Request

- Special Attachment No. 7 ("Certificate of Final Indirect Costs")
- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment")

Contract Terms and Conditions

A standard KDOT project inspection agreement will be used for this project. Current rate factors will be used for compensation, and Special Attachments for the Kansas "Tax Clearance Certificate," the "Certificate of Final Indirect Costs," and the "Policy Regarding Sexual Harassment" will become attachments to the contract.

Questions about this request for proposals shall be sent via email to kdot.designcontracts@ks.gov.

David Lutgen, P.E.
Division of Engineering and Design

Doc. No. 048677

State of Kansas

Department of Transportation

Notice to Consulting Firms

Background and Purpose of Project

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for projects 24-62 KA 3950-01 and 24 62 KA 3963-01 which are state tied. Both projects are in Mitchell County on US-24. Project 24-62 KA 3950-01 is Bridge #49 (Brown Creek) located 7.61 miles east of K-128 and project 24 62 KA 3963-01 is Bridge #48 (Mulberry Creek) located 11.15 miles east of K-128.

Schedule/Deadlines

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) December 30, 2020, to be delivered via email to kdot.designcontracts@ks.gov. Evaluation and ranking of submissions will occur on or about January 13, 2021, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about January 27, 2021. An agreement should be in place on or about February 17, 2021. The contractor is expected to start the project in May-July of 2021.

Scope of Services to be Performed

The project manager/inspectors must be capable inspecting the whole project, which includes grading, subgrade/base, concrete, PCCP roadway, HMA roadway, bridge(s), RC box, traffic control, seeding, erosion control, CMS or AASHTOWare data entry, all project records, all project paperwork and final paperwork, etc. Project records and paperwork including but not limited to: diary, pay quantities, certifications, sample identifications,

change orders, pay estimates, monitoring subcontractor payments, and monitoring contractor's payrolls, etc. Records and paperwork must be submitted accurately and timely. Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the contractor's schedule and how they pursue the work. Submit the name and information of the project manager. Construction is anticipated to be completed within 180 working days. Provide all the equipment necessary to inspect and test materials.

Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the technical proposal and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Completed Special Attachments do not count against the four-page technical proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant's ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under "Scope of Services to be Performed." The RFP shall also include items such as:

- Project manager
- History of providing inspection services on similar projects

Division of Engineering and Design

Doc. No. 048678

State of Kansas

Department of Transportation

Notice to Consulting Firms

Background and Purpose of Project

The Kansas Department of Transportation is seeking a consultant to provide construction inspection services for project 33-30 KA 3951-01. The project is to replace Bridge #064 (ATSF Railway) on K-33 located 0.79 miles north of the I-35/K-33 junction, in the City of Wellsville, in Franklin County.

Schedule/Deadlines

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) December 30, 2020, to be delivered via email to kdot.designcontracts@ks.gov. Evaluation and ranking of submissions will occur on or about January 13, 2021, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about January 27, 2021. An agreement should be in place on or about February 17, 2021. The contractor is expected to start the project in early April of 2021.

Scope of Services to be Performed

The project manager/inspectors must be capable inspecting the whole project, which includes grading, subgrade/base, concrete, HMA roadway, HMA plant, bridge(s), traffic control, seeding, erosion control, CMS or AASHTOWare data entry, all project records, all project paperwork, and final paperwork, etc. Project records and paperwork including but not limited to: diary, pay quantities, certifications, sample identifications, change orders, pay estimates, monitoring subcontractor payments, and monitoring contractor's payrolls, etc. Records and paperwork must be submitted accurately and timely.

(continued)

Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the contractor's schedule and how they pursue the work. Submit the name and information of the project manager, HMA plant inspector and primary inspector. Construction is anticipated to be completed in 315 working days and cleanup days. Work may be suspended for the winters and resume in springs. Provide all the equipment necessary to inspect and test materials.

Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the technical proposal and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking qualified consulting engineering firm(s) for the project listed below. Interested consulting firms must: (a) be prequalified by KDOT or otherwise demonstrate qualification in the following category: Category 222 Standard Span Bridge Design. A PDF must be emailed to David Lutgen, P.E., Contracts Engineer at kdot.designcontracts@ks.gov. Responses are to be limited to eight pages, the subject line of the reply email and the file name must read "Bridge Redecks – Firm Name." Request for Proposals (RFPs) must be received by 12:00 p.m. December 30, 2020 for the consulting firm to be considered. Indicate in the proposal which projects the firm wants to be considered for. Projects will be awarded individually.

If a firm is not currently prequalified by KDOT a response may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms may use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification category definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules and regulations.

Scope of Services to be Performed

Project No. 10-46 KA-6085-01 (176)

The KDOT is seeking a consultant to provide a set of bridge design/plans for the redeck of the following struc-

ture: 10-46-4.87(176) carrying WB K-10 over Lexington Avenue in Johnson County.

Background and Purpose of Project

Federally Funded Project ACNHP-A608(501)
 Documents: <https://secftp.ksdot.org/public/file/iETE7VEa30qd5VxlKULyG/A/KA-6085-01%20Exist%20Info.zip>.

- Route:** K-10
- Dist.–Area–Sub:** 1–2–4
- County:** Johnson (46)
- Serial Number:** 176
- Structure Type:** SWGR
- State Ref. Point:** 25.01
- County Ref. Point:** 4.87
- Feature Carried:** K-10 HWY, WB
- Feature Crossed:** LEXINGTON AVENUE, ABAND RR
- Location:** 4.45 MI E DOUGLAS COL, WB
38.96082, -94.98322
- Scope:** Replace Deck and Rails, Paint Super, Add Shear Studs, Replace Approach Slabs
- Designer:** Consultant
- Project Manager:** John Culbertson
- Letting:** February 2022
- Bridge Squad:** Karen Peterson
- Road Squad:** Debbie Tanking

A bridge site scoping meeting is required. Include the project manager on all project correspondence. Project scope will not be expanded with federally funded projects. Develop the traffic control plan sheets with valuable input from the area. Full TMP is required for this project.

Project No. 635-105 KA-6086-01 (152)

The KDOT is seeking a consultant to provide a set of bridge design/plans for the redeck of the following structure: 635-105-4.17(152) carrying WB I-70 to SB I-635 over NB I-635 and I-70 in Wyandotte County.

Background and Purpose of Project

Federally Funded Project ACNHP-A608(601)
 Documents: <https://secftp.ksdot.org/public/file/i7jx7uhWtE64Id0-3Kn9mQ/KA-6086-01%20Exist%20Info.zip>.

- Route:** I-70
- Dist.–Area–Sub:** 1–3–2
- County:** Wyandotte (105)
- Serial Number:** 152
- Structure Type:** SWGC
- State Ref. Point:** 418.99
- County Ref. Point:** 4.17
- Feature Carried:** I-70 WB TO I-635 SB
- Feature Crossed:** I-635 NB, AND I-70 HIGHWAYS
- Location:** I-70 / I-635 INTERCHANGE
39.1043, -94.67794
- Scope:** Replace Deck and Rails, Paint Super, Repair Piercaps, Add Shear Studs
- Designer:** Consultant
- Project Manager:** John Culbertson
- Letting:** March 2022
- Bridge Squad:** Karen Peterson
- Road Squad:** Debbie Tanking

A bridge site scoping meeting is required. Include the project manager on all project correspondence. Project scope will not be expanded with federally funded projects. Develop the traffic control plan sheets with valuable input from the area. Full TMP is required for this project.

Project No. 635-105 KA-6087-01 (032)

The KDOT is seeking a consultant to provide a set of bridge design/plans for the redeck of the following structure: 635-105-0.67(032) carrying Shawnee Drive over I-635 in Wyandotte County.

Background and Purpose of Project

Federally Funded Project ACNHP-A608(701)
 Documents: https://secftp.ksdot.org/public/file/yw409gYLuUCjli84xW_QUg/KA-6087-01%20Exist%20Info.zip.

- Route:** I-635
- Dist.–Area–Sub:** 1–3–2
- County:** Wyandotte (105)
- Serial Number:** 032
- Structure Type:** SWGC
- State Ref. Point:** 1.43
- County Ref. Point:** 0.67
- Feature Carried:** SHAWNEE DRIVE
- Feature Crossed:** I-635 HIGHWAY
- Location:** 1.02 MILES N I-35
39.05314, -94.6793
- Scope:** Replace Deck and Rails, Add Shear Studs, Paint Super, Replace Approach Pavement, Reset Bearings
- Designer:** Consultant
- Project Manager:** John Culbertson
- Letting:** December 2021
- Bridge Squad:** Paul Kulseth
- Road Squad:** Debbie Tanking

A bridge site scoping meeting is required. Include the project manager on all project correspondence. Project scope will not be expanded with federally funded projects. Develop the traffic control plan sheets with valuable input from the area. Full TMP is required for this project.

Project No. 54-87 KA-6088-01 (113)

The KDOT is seeking a consultant to provide a set of bridge design/plans for the redeck of the following structure: 54-87-0.97(113) carrying WB US-54/US-400 over K-251 in Sedgwick County.

Background and Purpose of Project

Federally Funded Project ACNHP-A608(801)
 Documents: <https://secftp.ksdot.org/public/file/4gLq94JmkUewjwSXwhRKHA/KA-6088-01%20Exist%20Info.zip>.

- Route:** US-54
- Dist.–Area–Sub:** 5–5–2
- County:** Sedgwick (87)
- Serial Number:** 113
- Structure Type:** SWGH
- State Ref. Point:** 190.69
- County Ref. Point:** 0.97
- Feature Carried:** US-54/US-400 HWY WB
- Feature Crossed:** RS0556, K-251 HWY

(continued)

Location: JCT K-251/US-54, WB
37.669, -97.78906

Scope: Replace Deck and Rails, Add
Shear Studs, Paint Super, Replace
Approach Pavement, Steel Repair

Designer: Consultant

Letting: January 2022

Bridge Squad: Brad Rognlie

Road Squad: Debbie Tanking

A bridge site scoping meeting is required. Include the project manager on all project correspondence. Project scope will not be expanded with federally funded projects. Develop the traffic control plan sheets with valuable input from the area. Full TMP is not required for this project.

Anticipated Schedule for Subsequent Events

RFPs are due by 12:00 p.m. (CST) December 30, 2020. Evaluation and ranking of technical proposals on or about January 20, 2021 after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firms to commence on or about February 3, 2021. Agreement in place and in effect February 24, 2021. RFPs are to be delivered via email to kdot.designcontracts@ks.gov.

Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed eight (8) pages total to address the pertinent topics. Indicate in your proposal the projects for which the firm wants to be considered. Please use the following naming convention for submittal... "Bridge Redecks RFP – Firm Name." RFP's submitted will consist of the proposal and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a completed and signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Subconsultants will need to complete these attachments as well. All these forms are attached to the original email announcement.

RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce deliverables described above under "Scope of Services to be Performed." Also, include items such as:

- Project manager/engineer in charge.
- History of projects with similar tasks.
- Availability of staff to meet schedule without overtime.
- Familiarity with KDOT standards and content.
- Any subconsultant and their role (if any) that will be performing services on the project

Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors: 1) the quality and completeness of the response; 2) qualifications and experience of consultant design personnel/manager proposed for services; 3) proposed project approach; 4) availability to respond to the work; and 5) past performance history for similar projects/ser-

vices for KDOT. The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this RFP

- Special Attachment No. 7 ("Certificate of Final Indirect Costs")
- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment")

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for this project. Special Attachments for the Kansas "Tax Clearance Certificate," the "Certification of Final Indirect Costs," and the Special Attachment No. 10 "Policy Regarding Sexual Harassment" will also eventually become attachments to the contract.

Questions about this RFP shall be sent by email to KDOT at kdot.designcontracts@ks.gov.

Calvin E. Reed, P.E. Director
Division of Engineering and Design

Doc. No. 048680

State of Kansas

Department of Agriculture

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10:00 a.m. February 16, 2021, by the Kansas Department of Agriculture to consider the adoption of proposed regulations. The public hearing will be conducted only via video conferencing system due to concerns posed by the COVID-19 pandemic. Members of the public will not be permitted to attend the public hearing in person. Anyone desiring to participate in the public hearing via video conference must pre-register at: https://kansasag.zoom.us/meeting/register/tj0sfu-oqjsuGNQdMDAmKyym_oUwhjZryJZ9.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. Prior to the hearing, all interested parties may submit written comments by mail to the Secretary of Agriculture, 1320 Research Park Dr., Manhattan, KS 66502, or by email to ronda.hutton@ks.gov. All interested parties will also be given a reasonable opportunity to orally present their views on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes. These regulations are proposed for adoption on a permanent basis. A summary of the proposed regulations and their economic impact follows:

The Kansas Department of Agriculture ("KDA") is proposing these rules and regulations to list the species of weeds designated as noxious weeds in Kansas and

to set out the control methods that are to be applied to those weed species as required by the Noxious Weed Act, K.S.A. 2-1313a *et seq.* The provisions of the Kansas Noxious Weed Law that set out the species of weeds currently designated noxious weeds in the state will expire on December 31, 2020. Consequently, revisions to some existing regulations, as well as several new regulations and the revocation of some existing regulations, are necessary to ensure continued appropriate management of noxious weeds throughout Kansas. The proposed new regulations, proposed revisions to existing regulations, and proposed revocation of existing regulations are set out in detail below.

These proposed rules and regulations will not significantly change the landscape of the Kansas Noxious Weed Law or the economic implications of that law because the weed species designated noxious weeds by these proposed rules and regulations are the same species currently designated noxious in the Kansas Noxious Weed Law. Likewise, the control methods set out in these proposed rules and regulations do not differ substantively from the control methods currently prescribed.

K.A.R. 4-8-13 – This regulation provides for the ways that landowners may be served with the legal notices and statements required by the Kansas Noxious Weed Law. The amendment to this regulation provides that, if a landowner is unable to be served with such a statement or notice by personal service or certified mail, valid service may be made by posting the notice or statement at the property referenced in the notice or statement.

K.A.R. 4-8-14a – This regulation adopts by reference a document that provides that certain herbicides approved for the control of noxious weeds in Kansas are available to landowners for cost-share. The document to be adopted by reference does not significantly change KDA's current policy regarding herbicides available for cost-share.

K.A.R. 4-8-27 – This regulation adopts by reference a document that establishes control methods for musk thistle in Kansas. It also provides that, in any given year, a local weed supervisor may give legal notice requiring that fall treatment be used in a given year to control musk thistle within that weed supervisor's jurisdiction if the local weed supervisor determines that the usual control methods will not be effective to control musk thistle within that jurisdiction. The document this regulation proposes to adopt by reference does not significantly change the control methods KDA has currently adopted for musk thistle.

K.A.R. 4-8-28 – This regulation adopts by reference a document that establishes control methods for Johnsongrass in Kansas. It does not significantly change KDA's currently adopted control methods for Johnsongrass.

K.A.R. 4-8-29 – This regulation adopts by reference a document that establishes control methods for field bindweed in Kansas. It does not significantly change KDA's currently adopted control methods for field bindweed.

K.A.R. 4-8-30 – This regulation adopts by reference a document that establishes control methods for hoary cress in Kansas. It does not significantly change KDA's currently adopted control methods for hoary cress.

K.A.R. 4-8-31 – This regulation adopts by reference a document that establishes control methods for Russian knapweed in Kansas. It does not significantly change KDA's currently adopted control methods for Russian knapweed.

K.A.R. 4-8-32 – This regulation adopts by reference a document that establishes control methods for bur ragweed in Kansas. It does not significantly change KDA's currently adopted control methods for bur ragweed.

K.A.R. 4-8-33 – This regulation adopts by reference a document that establishes control methods for Canada thistle in Kansas. It does not significantly change KDA's currently adopted control methods for Canada thistle.

K.A.R. 4-8-34 – This regulation adopts by reference a document that establishes control methods for leafy spurge in Kansas. It does not significantly change KDA's currently adopted control methods for leafy spurge.

K.A.R. 4-8-35 – This regulation adopts by reference a document that establishes control methods for quackgrass in Kansas. It does not significantly change KDA's currently adopted control methods for quackgrass.

K.A.R. 4-8-36 – This regulation adopts by reference a document that establishes control methods for pignut in Kansas. It does not significantly change KDA's currently adopted control methods for pignut.

K.A.R. 4-8-37 – This regulation adopts by reference a document that establishes control methods for kudzu in Kansas. It does not significantly change KDA's currently adopted control methods for kudzu.

K.A.R. 4-8-38 – This regulation governs the employment of weed department supervisors. The amendment to this regulation requires that individuals newly hired as weed supervisors be hired as employees and not as independent contractors and that a weed supervisor currently serving as an independent contractor can only continue as such until the expiration of the current term of their existing contract. This regulation further provides that the Secretary may conditionally approve the employment of a weed supervisor who has education, training, or experience sufficient to allow them to carry out their job duties. It also provides that final approval of the employment of a weed supervisor shall be issued when the individual has obtained the required pesticide applicator certification and successfully completed the noxious weed basic short course offered by KDA's plant protection and weed control program and provides that the individual's employment shall be renewed as long as they retain their employment and the required certification, and timely file all required reports. The regulation also provides that the approval of a weed supervisor's employment may be withdrawn if they fail to remain in compliance with the requirements of the regulation without just cause.

K.A.R. 4-8-39 – This regulation adopts by reference a document that establishes control methods for multiflora rose in Kansas. KDA is proposing the revocation of this regulation because the statutory provision that gives individual counties the option to declare multiflora rose
(continued)

a noxious weed will expire on December 31, 2020, and multiflora rose populations are not present in Kansas to an extent sufficient to deem multiflora rose a statewide noxious weed.

K.A.R. 4-8-40 – This regulation adopts by reference a document that establishes control methods for sericea lespedeza in Kansas. The document to be adopted by reference does not significantly change KDA's currently adopted control methods for sericea lespedeza.

K.A.R. 4-8-41 – This regulation sets out the requirements for a biological control plan for musk thistle. KDA is proposing the revocation of this regulation because the agency believes the control of musk thistle can be appropriately accomplished by K.A.R. 4-8-27 and the control document for musk thistle that regulation adopts by reference.

K.A.R. 4-8-42 – This regulation adopts by reference a document that establishes control methods for bull thistle in Kansas. KDA is proposing the revocation of this regulation because the statutory provision that gives individual counties the option to declare bull thistle a noxious weed will expire on December 31, 2020, and bull thistle populations are not present in Kansas to an extent sufficient to deem bull thistle a statewide noxious weed.

K.A.R. 4-8-43 – This regulation provides for the declaration of a sericea lespedeza disaster area. KDA is proposing the revocation of this regulation because the agency believes the control of sericea lespedeza can be appropriately accomplished by K.A.R. 4-8-40 and the control document for sericea lespedeza that regulation adopts by reference.

K.A.R. 4-8-44 – This new regulation establishes the species of plants designated noxious weeds in Kansas. This regulation divides the weeds designated noxious in Kansas into three categories: category A noxious weeds, which are weed species that are generally not found in the state or that have limited distribution throughout the state; category B noxious weeds, which are weed species with discrete distributions throughout the state; and category C noxious weeds, which are weed species that are well-established within the state and known to exist in larger or more extensive populations in the state. This regulation establishes that category A noxious weeds shall be subject to exclusion from the state or active eradication wherever detected statewide, category B noxious weeds shall be subject to control wherever populations have become established within the state and subject to active eradication wherever populations are not established, and category C noxious weeds shall be subject to control efforts directed at reducing or eliminating those populations, and known and established populations of category C noxious weeds shall be managed by any approved control method. This regulation establishes that category A noxious weeds shall include hoary cress, leafy spurge, quackgrass, Russian knapweed, kudzu, and pignut; category B noxious weeds shall include Canada thistle; and category C noxious weeds shall include field bindweed, musk thistle, sericea lespedeza, Johnsongrass, and bur ragweed. This regulation also establishes that the control methods contained in the documents

KDA has adopted by reference shall be used to control noxious weeds in Kansas and provides that a local weed supervisor may require the use of more stringent control measures if they determine it is necessary to do so.

K.A.R. 4-8-45 – This new regulation sets out the requirements for official control plans. It establishes that, with the exception of chemical control methods, each control method adopted as part of an official control plan for perennial species that includes more than one control method shall not be used alone and any local weed supervisor may, at their discretion, allow the use of any integrated weed management technique alone.

K.A.R. 4-8-46 – This new regulation sets out the requirements for annual reports. It provides that the annual weed eradication progress report required by the Kansas Noxious Weed Law be submitted to the Secretary not later than March 15 each year and include the approximate acreage and location of each noxious weed infestation in the county; the dollar amount of all expenditures made during the year to purchase materials, chemicals, and other equipment for control of noxious weeds; the dollar amount of all sales made during the year, of materials, chemicals, and other equipment for control of noxious weeds; the dollar amount of all charges and receipts made during the year for use of equipment owned by each county, city, township, or district on public or private land; the approximate acreage of land treated for each species of noxious weed during the year and the control methods used for treatment; and any other information the Secretary deems necessary.

K.A.R. 4-8-47 – This new regulation requires that each local weed supervisor submit a management plan to the Secretary no later than March 15 each year that details the presence of noxious weeds in each local jurisdiction and sets out goals and a plan for eradicating those noxious weeds, as well as the costs associated with such.

K.A.R. 4-8-48 – This new regulation sets out the requirements for the contents of legal notices and statements given to the owner of noxious weed infested land. It provides that such notices or statements must contain, in addition to the requirements set out in K.S.A. 2-1331, the legal description of the land; the name of the owner, operator, or supervising agent; the approximate acreage of the infestation; a timeframe within which control must be implemented, which shall not be fewer than five days after the mailing of the notice; a statement that if the owner, operator, or supervising agent fails to implement the required control methods within the specified time provided in the notice pursuant to K.S.A. 2-1331, the weed supervisor may enter the land to eradicate or control the infestation; and a statement that the owner, operator, or supervising agent may be prosecuted pursuant to K.S.A. 2-1323 and amendments thereto and, if convicted, fined as established by law.

Economic Impact Statement:

The proposed rules and regulations are not mandated by federal law. Colorado and Nebraska approach the required control of noxious weeds similarly to Kansas. Oklahoma and Missouri have adopted less restrictive rules and regulations.

Because the proposed rules and regulations do not add any species of weeds to the existing list of noxious weeds and do not significantly change the existing framework for controlling noxious weeds, KDA does not anticipate the proposed rules and regulations will significantly enhance or restrict business activity or growth in Kansas.

Because the proposed rules and regulations do not add any species of weeds to the existing list of noxious weeds and do not significantly change the existing framework for controlling noxious weeds, KDA does not anticipate the proposed rules and regulations will present significant implementation and compliance costs to any of the state's businesses, sectors, public utility ratepayers, individuals, or local governments. These proposed rules and regulations will have no effect or a very minimal effect on the state economy as a whole.

Any direct impact on Kansas businesses as a result of these proposed rules and regulations would be minimal. The economic situation for producers or businesses directly linked to noxious weed control is not likely to change as a result of these proposed rules and regulations, for the same reasons set out in the preceding paragraph.

The benefits of these proposed rules and regulations significantly outweigh the costs. The control of noxious weeds will improve the quality, biodiversity and value of the state's agricultural lands, providing both environmental and economic benefits for agricultural producers.

The proposed rules and regulations provide that certain herbicides approved for the control of noxious weeds are available from county weed departments at cost-share rates. This will lessen the burden of implementation and compliance costs on individual landowners responsible for monitoring and controlling noxious weeds on their land.

The estimated total annual implementation, total implementation and compliance costs that are expected to be incurred by or passed along to businesses, local governments, or members of the public is expected to be zero.

Because the proposed rules and regulations do not substantially change the framework for the control of noxious weeds in Kansas, the implementation of these regulations will not impose any significant new costs.

KDA does not anticipate the proposed rules and regulations will significantly increase or decrease revenues of cities, counties or school districts, or impose functions or responsibilities on cities, counties or school districts that will increase their expenditures or fiscal liability. Letters of request were sent to the League of Kansas Municipalities, the Kansas Association of School Boards and the Kansas Association of Counties. No responses were received from those entities.

In developing these proposed rules and regulations, KDA sought input from a Noxious Weed Advisory Board, whose establishment was mandated by the Kansas Noxious Weed Law. That advisory board was required to consist of: two weed specialists from Kansas State University's College of Agriculture or Kansas State University Research and Extension, appointed at the recommendation of the dean of the College of Agriculture or the director of Research and Extension, one of whom had knowledge of non-chemical control methods for noxious weeds; one Kansas county commissioner, appointed at the recommen-

ation of the Association of Kansas Counties; four Kansas landowners engaged in agricultural production, one a producer of traditional crops, one a producer of non-traditional crops, and one a certified organic producer; two county weed supervisors, appointed at the recommendation of the County Weed Director's Association of Kansas; one member appointed at the recommendation of the Kansas Agribusiness Retailer's Association; one member appointed at the recommendation of the Kansas Biological Survey; and one member appointed at the recommendation of the Board of Directors of the Kansas Cooperative Council. KDA also sought input regarding the proposed rules and regulations from the Kansas Rural Center and the Kansas chapter of the Sierra Club. Additionally, letters of request were sent to the League of Kansas Municipalities, the Kansas Association of Counties, and the Kansas Association of School Boards, inquiring whether the proposed regulations will have an economic effect on those organizations. These letters requested a statement of quantified costs associated with implementation and compliance, an estimate of the total annual implementation and compliance costs, a statement of whether implementation and compliance costs will exceed \$3,000,000 over any two-year period, a statement of whether the draft regulations will increase or decrease the organizations' revenue, and a statement of whether the draft regulations will impose functions or responsibilities on the organizations that will increase their fiscal expenditures or fiscal liability.

If the regulations are not adopted, Kansas may see an increase in noxious weed infestations throughout the state, which would lead to poorer quality of agricultural land and reduced returns for agricultural producers.

Any individual with a disability may request accommodations to participate in the public hearing and may request the proposed regulations and impact statement in an accessible format. Requests for accommodations should be made at least five working days in advance of the hearing by contacting Ronda Hutton at 785-564-6715 or fax at 785-564-6777.

Copies of the regulations and their economic impact statement may be obtained by contacting the Department of Agriculture, Ronda M. Hutton, 1320 Research Park Dr., Manhattan, KS 66502 or 785-564-6715 or by accessing the department's website at <http://www.agriculture.ks.gov>. Comments may also be made through our website at <https://www.agriculture.ks.gov/document-services/public-comment>.

Mike Beam
Secretary

Doc. No. 048667

State of Kansas

Department of Wildlife, Parks and Tourism

Permanent Administrative Regulations

Article 1.—DEFINITIONS

115-1-1. Definitions. (a) Except as specified in subsection (b), the following definitions shall apply to all of the department's regulations:

(continued)

(1) "Arrow" means a missile shot from a bow or a crossbow.

(2) "Artificial lure" means a man-made fish-catching device used to mimic a single prey item. Artificial lures may be constructed of natural, nonedible, or synthetic materials. Multiple hooks, if present, shall be counted as a single hook on an artificial lure.

(3) "Bag limit" means the maximum number of any species, except fish and frogs, that may be taken by a person in a calendar day.

(4) "Bait fish" means a member of the minnow or carp family (*Cyprinidae*), sucker family (*Catostomidae*), top minnows or killifish family (*Cyprinodontidae*), shad family (*Clupeidae*), and sunfish family (*Centrarchidae*), but excluding black basses and crappie. The fish listed in K.A.R. 115-15-1 and in K.A.R. 115-15-2 shall not be considered as bait fish.

(5) "Bird dog" means a dog used to point, flush, or retrieve game birds, migratory birds, or both.

(6) "Bow" means a handheld device with a cord that connects both of its two ends and that is designed to propel an arrow. This term shall include long, recurve, and compound bows.

(7) "Bridle path" means an established, maintained, and marked pathway for the riding of animals.

(8) "Camping" means erecting a shelter or arranging bedding, or both, or parking a recreation vehicle or other vehicle for the purpose of remaining overnight.

(9) "Camping unit" means any vehicle or shelter specifically used for sleeping upon a portion of department lands or waters.

(10) "Cast net" means a circular or conical weighted net designed to be cast mouth-downward by hand and withdrawn by lines attached to its margin.

(11) "Creel limit" means the maximum total number of any species of fish or frogs that may be taken by a person in a calendar day.

(12) "Crossbow" means a transverse-mounted bow with a cord that connects the two ends and that is designed to propel an arrow, including compound crossbows. The arrow is released by a mechanical trigger.

(13) "Culling" means replacing one live fish held by an angler for another live fish of the same species if the daily creel limit for that species of fish has not been met.

(14) "Department lands and waters" means state parks, state lakes, recreational grounds, wildlife areas, sanctuaries, fish hatcheries, natural areas, historic sites, and other lands, waters, and facilities that are under the jurisdiction and control of the secretary through ownership, lease, license, cooperative agreement, memorandum of understanding, or other arrangement.

(15) "Depth finder" means an electronic device used to locate fish or determine underwater structures.

(16) "Dip net" means a handheld net that has rigid support about the mouth and is used to land fish.

(17) "Draft livestock" means horses, mules, donkeys, and oxen used singly or in tandem with other horses, mules, donkeys, and oxen for pulling purposes.

(18) "Drag event" means a competitive event in which hounds pursue a scent trail. The event may involve a caged, pen-raised furbearer that is not released from the cage during the event.

(19) "Dryland set" means any trapping device that is placed or set on land or is not in contact with water.

(20) "Eyass" means a young of the year raptor not yet capable of flight.

(21) "Falconer" means the holder of a falconry permit.

(22) "Falconry" means the taking of wildlife with a trained raptor.

(23) "Field trial event for dogs" means a competitive event involving at least six dogs that are judged on hunting or running ability.

(24) "Firearm" means a rimfire or centerfire rifle, handgun, or shotgun; a muzzleloading shotgun, rifle, or handgun; or a cap-and-ball pistol.

(25) "Fire ring" means an open-topped, man-made, fire-retaining device.

(26) "Fireplace" means an enclosed, man-made, fire-retaining device.

(27) "Fishing line" means any hand-operated string or cord, utilizing hooks that may be used in conjunction with rods, poles, reels, bows, or spearguns.

(28) "Fish trap" means a device for catching fish consisting of a net or other structure that diverts the fish into an enclosure arranged to make escape more difficult than entry.

(29) "Fully automatic firearm" means a firearm capable of firing more than one round with a single trigger pull.

(30) "Gaff" means a hook attached to a rigid pole.

(31) "Gig" means a hand-operated spear with one or more prongs with or without barbs.

(32) "Group camping area" means any area within a state park designated by posted notice for camping by organized groups.

(33) "Haggard" means an adult raptor in mature plumage.

(34) "Hook" means a device with a single shaft and one or more points with or without barbs, used for catching fish and frogs.

(35) "Imping" means the repair of damaged feathers.

(36) "Kill site" means the location of the wildlife carcass as positioned in the field immediately after being harvested.

(37) "Length limit" means the minimum length of a fish allowed in order to take it and not release it to the water immediately. For the purpose of this paragraph, the length of the fish shall be measured from the tip of the snout to the end of the tail, with the mouth closed and the tail lobes pressed together.

(38) "Moorage site" means a location designated for the fastening or securing of a vessel.

(39) "Nonsport fish" means common carp, silver carp, bighead carp, black carp, grass carp, drum, threadfin and gizzard shad, goldfish, gar, suckers including carpsuckers and buffalo, eel, sturgeon, goldeye, white perch, and bowfin.

(40) "Orthopedic device" means a device that attaches to the body and is required to enable a handicapped person to walk.

(41) "Overflow camping area" means an area in a state park that is separate from the designated overnight camping area and that may be used for a maximum of 24 continuous hours of camping if no alternative camping facilities are available within reasonable driving distances.

(42) "Passage" means an immature raptor on first fall migration still in immature plumage.

(43) "Pen-raised wildlife" means any wildlife raised in captivity.

(44) "Pets" means domesticated wildlife, including dogs and cats.

(45) "Possession limit" means the maximum total number of a species that can be retained per person at any one time.

(46) "Prime camping site" means any site within a state park so designated by posted notice of the secretary and subject to an additional charge.

(47) "Raptors" means members of the order Falconiformes or Strigiformes and specifically falcons, hawks, and owls.

(48) "Raw pelt" means the undressed skin of an animal with its hair, wool, or fur in its natural state, without having undergone any chemical preservation converting the skin to a leather condition.

(49) "Recreational vehicle" means a vehicle or trailer unit that contains sleeping or housekeeping accommodations, or both.

(50) "Running" means the pursuing or chasing of furbearers or rabbits with hounds. This term shall not include the capturing, killing, injuring, or possessing of furbearers or rabbits or having a firearm or other weapon in possession while running, except during established furbearer or rabbit hunting seasons.

(51) "Sanctioned or licensed coyote field trial" means a competitive event that involves only sight or trail hounds and that has been advertised in one of the national foxhound journals at least 30 days before the event.

(52) "Sanctioned or licensed furbearer field trial" means a competitive event in which dogs pursue unrestrained furbearers and that is sanctioned or licensed by any of the national kennel or field dog organizations for the express purpose of improving the quality of the breed through the awarding of points or credits toward specific class championships or other national recognition.

(53) "Seine" means a net with a float line and lead line designed to be pulled through the water for the purpose of catching fish.

(54) "Set line" means a string or cord that is anchored at one point by an anchor weighing at least 25 pounds or is attached to a fixed and immovable stake or object, does not have more than two hooks, and is not associated with a hand-operated mechanical reel.

(55) "Sight hound" means a dog used to pursue furbearers, rabbits, hares, or coyotes by sight.

(56) "Skin and scuba diving" means swimming or diving while equipped with a face mask or goggles, allowing underwater vision and possibly involving an underwater breathing apparatus.

(57) "Snagging" means the hooking of a fish in any part of its anatomy other than the inside of the mouth.

(58) "Speargun" means a device used to propel a spear through the water by mechanical means or compressed gas.

(59) "Sport fish" means northern pike, walleye, saugeye, sauger, yellow perch, striped bass, white bass, black bass including largemouth, spotted, and smallmouth bass, striped bass hybrid, trout, muskellunge, ti-

ger muskie, channel catfish, blue catfish, flathead catfish, paddlefish, and panfish including bullhead, black and white crappie, bluegill, redear sunfish, green sunfish, warmouth, and rock bass.

(60) "State fishing lake" means a department facility that contains the words "state fishing lake" in the name of the area.

(61) "Tip-up" means an ice fishing device designed to signal the strike of a fish.

(62) "Trail hound" means a dog used to trail furbearers, rabbits, hares, or coyotes by scent.

(63) "Transfer" means any of the following:

(A) To reassign one's license, permit, or other issue of the department to another individual;

(B) to exchange any license, permit, or other issue of the department between individuals; or

(C) to carry another individual's license, permit, or other issue of the department when that individual is not present.

(64) "Trot line" means a string or cord anchored at one or more points that does not have more than 25 hooks and is not associated with a hand-operated mechanical reel.

(65) "Turkey" means wild turkey.

(66) "Unattended fishing line" means any fishing line set to catch fish that is not marked or tagged as required by K.A.R. 115-7-2 or K.A.R. 115-17-11 and not immediately attended by the operator of the fishing line.

(67) "Wake" means the waves thrown by a vessel moving on water.

(68) "Water race" means a competitive event in which hounds pursue a scent device or a caged, pen-raised furbearer through water. The furbearer is not released during the event.

(69) "Water set" means any trapping device that has the gripping portion at least half-submerged when placed or set in flowing or pooled water and remains at least half-submerged in contact with the flowing or pooled water.

(b) Exceptions to the definitions in this regulation shall include the following:

(1) The context requires a different definition.

(2) The defined term is specifically defined differently within the department's other regulations. (Authorized by and implementing K.S.A. 2019 Supp. 32-807; effective Dec. 26, 1989; amended June 8, 1992; amended Sept. 19, 1997; amended Nov. 21, 2003; amended July 22, 2011; amended Nov. 26, 2012; amended Nov. 30, 2015; amended Dec. 25, 2020.)

Article 2.—FEES, REGISTRATIONS AND OTHER CHARGES

115-2-1. Amount of fees. The following fees and discounts shall be in effect for the following licenses, permits, and other issues of the department: (a) Hunting licenses and permits.

Resident hunting license (valid for one year from date of purchase)	\$25.00
Resident hunting license (valid for five years from date of purchase)	100.00
Resident disabled veteran hunting license (valid for one year from date of purchase, 30 percent or more service-connected disabled)	12.50

(continued)

Resident senior hunting license (valid for one year from date of purchase, 65 years of age through 74 years of age)..... 12.50

Resident youth hunting license (one-time purchase, valid from 16 years of age through 20 years of age, expiring at the end of that calendar year)..... 40.00

Nonresident hunting license (valid for one year from date of purchase) 95.00

Nonresident junior hunting license (under 16 years of age) 40.00

Resident big game hunting permit:

- General resident: either-sex elk permit 300.00
- General resident: antlerless-only elk permit..... 150.00
- General resident youth (under 16 years of age): either-sex elk permit 125.00
- General resident youth (under 16 years of age): antlerless-only elk permit 50.00
- Landowner/tenant: either-sex elk permit..... 150.00
- Landowner/tenant: antlerless-only elk permit..... 75.00
- Hunt-on-your-own-land: either-sex elk permit 150.00
- Hunt-on-your-own-land: antlerless-only elk permit 75.00
- General resident: deer permit 40.00
- General resident youth (under 16 years of age): deer permit 10.00
- General resident: antlerless-only deer permit 20.00
- General resident youth (under 16 years of age): antlerless-only deer permit 7.50
- Landowner/tenant: deer permit 20.00
- Hunt-on-your-own-land: deer permit 20.00
- Special hunt-on-your-own-land: deer permit 85.00
- General resident: antelope permit..... 50.00
- General resident youth (under 16 years of age): antelope permit 10.00
- Landowner/tenant: antelope permit 25.00
- Antelope preference point service charge..... 10.00
- Any-deer preference point service charge 10.00
- Application fee for elk permit..... 10.00

Wild turkey permit:

- General resident: turkey permit (1-bird limit) 25.00
- General resident youth (under 16 years of age): turkey permit (1-bird limit) 5.00
- Resident landowner/tenant: turkey permit (1-bird limit)..... 12.50
- Nonresident: fall turkey permit (1-bird limit) 50.00
- Nonresident tenant: fall turkey permit (1-bird limit)..... 25.00
- Nonresident: spring turkey permit (1-bird limit) 60.00
- Nonresident tenant: spring turkey permit (1-bird limit) 30.00
- Nonresident youth (under 16 years of age): turkey permit (1-bird limit) 10.00
- Resident: turkey preference point service charge 5.00

Wild turkey game tag:

- Resident: turkey game tag (1-bird limit) 15.00
- Resident youth (under 16 years of age): turkey game tag (1-bird limit) 5.00
- Nonresident: turkey game tag (1-bird limit) 30.00
- Nonresident youth (under 16 years of age): turkey game tag (1-bird limit) 10.00

Spring wild turkey permit and game tag combination (2-bird limit, must be purchased before April 1 of year of use):

- General resident: turkey permit and game tag combination (2-bird limit)..... 35.00
- General resident youth (under 16 years of age): turkey permit and game tag combination (2-bird limit) 10.00
- Resident landowner/tenant: turkey permit and game tag combination (2-bird limit) 17.50
- Nonresident: turkey permit and game tag combination (2-bird limit)..... 85.00
- Nonresident tenant: turkey permit and game tag combination (2-bird limit)..... 42.50
- Nonresident youth (under 16 years of age): turkey permit and game tag combination (2-bird limit)..... 20.00

Nonresident big game hunting permit:

- Nonresident hunt-on-your-own-land: deer permit..... 85.00
- Nonresident tenant: deer permit 85.00
- Nonresident: deer permit (antlered deer)..... 400.00
- Nonresident youth (under 16 years of age): deer permit (antlered deer) 75.00
- Nonresident: deer permit (antlerless only)..... 50.00
- Nonresident: combination 2-deer permit

- (antlered deer and antlerless white-tailed deer) 415.00
- Nonresident youth (under 16 years of age): combination 2-deer permit (antlered deer and antlerless white-tailed deer) 90.00
- Nonresident: antelope permit (archery only)..... 300.00
- Nonresident tenant: antelope permit..... 85.00
- Nonresident youth (under 16 years of age): antelope (archery only) 100.00
- Nonresident tenant: either-sex elk permit 300.00
- Nonresident tenant: antlerless-only elk permit 150.00
- Nonresident: deer permit application fee 25.00
- Nonresident: mule deer stamp 150.00
- Field trial permit: game birds..... 20.00
- Lifetime hunting license..... 500.00
- or eight quarterly installment payments of 67.50
- Migratory waterfowl habitat stamp 8.00
- Sandhill crane hunting permit: validation fee 5.00
- Disabled person hunt-from-a-vehicle permit 0

(b) Fishing licenses and permits.

- Resident fishing license (valid for one year from date of purchase) 25.00
- Resident fishing license (valid for five years from date of purchase) 100.00
- Resident disabled veteran fishing license (valid for one year from date of purchase, 30 percent or more service-connected disabled) 12.50
- Resident senior fishing license (valid for one year from date of purchase, 65 years of age through 74 years of age) 12.50
- Resident youth fishing license (one-time purchase, valid from 16 years of age through 20 years of age, expiring at the end of that calendar year)..... 40.00
- Nonresident fishing license (valid for one year from date of purchase) 50.00
- Resident calendar day fishing license 3.50
- Nonresident calendar day fishing license 7.50
- Three-pole permit (valid for one year from date of purchase)..... 6.00
- Tournament bass pass (valid for one year from date of purchase) 12.00
- Paddlefish permit (six carcass tags)..... 10.00
- Paddlefish permit youth (under 16 years of age) (six carcass tags)..... 5.00
- Hand fishing permit 25.00
- Lifetime fishing license..... 500.00
- or eight quarterly installment payments of 67.50
- Five-day nonresident fishing license..... 25.00
- Institutional group fishing license 100.00
- Special nonprofit group fishing license 50.00
- Trout permit (valid for one year from date of purchase) 12.00
- Youth trout permit (under 16 years of age, valid for one year from date of purchase) 4.50

(c) Combination hunting and fishing licenses and permits.

- Resident combination hunting and fishing license (valid for one year from date of purchase) 45.00
- Resident combination hunting and fishing license (valid for five years from date of purchase)..... 180.00
- Resident disabled veteran combination hunting and fishing license (valid for one year from date of purchase, 30 percent or more service-connected disabled)..... 22.50
- Resident senior combination hunting and fishing license (valid for one year from date of purchase, 65 years of age through 74 years of age) 22.50
- Resident combination youth hunting and fishing license (one-time purchase, valid from 16 years of age through 20 years of age, expiring at the end of that calendar year)..... 70.00
- Resident lifetime combination hunting and fishing license or eight quarterly installment payments of 130.00
- Resident senior lifetime combination hunting and fishing license (one-time purchase, valid 65 years of age and older) 40.00
- Nonresident combination hunting and fishing license (valid for one year from date of purchase) 135.00

(d) Furharvester licenses.

Resident furharvester license (valid for one year from date of purchase)	25.00
Resident junior furharvester license (valid for one year from date of purchase)	12.50
Lifetime furharvester license	500.00
or eight quarterly installment payments of	67.50
Nonresident furharvester license (valid for one year from date of purchase)	250.00
Nonresident bobcat permit (1-bobcat limit per permit)	100.00
Resident fur dealer license	100.00
Nonresident fur dealer license	400.00
Field trial permit: furbearing animals	20.00

(e) Commercial licenses and permits.

Controlled shooting area hunting license (valid for one year from date of purchase)	25.00
Resident mussel fishing license	75.00
Nonresident mussel fishing license	1,000.00
Mussel dealer permit	200.00
Missouri river fishing permit	25.00
Game breeder permit	10.00
Controlled shooting area operator license	200.00
Commercial dog training permit	20.00
Commercial fish bait permit (three-year permit)	50.00
Commercial prairie rattlesnake harvest permit (without a valid Kansas hunting license)	20.00
Commercial prairie rattlesnake harvest permit (with a valid Kansas hunting license or exempt from this license requirement)	5.00
Commercial prairie rattlesnake dealer permit	50.00
Prairie rattlesnake round-up event permit	25.00

(f) Collection, scientific, importation, rehabilitation, and damage-control permits.

Scientific, educational, or exhibition permit	10.00
Raptor propagation permit	0
Rehabilitation permit	0
Wildlife damage-control permit	0
Wildlife importation permit	10.00
Threatened or endangered species: special permits	0

(g) Falconry.

Apprentice permit	75.00
General permit	75.00
Master permit	75.00
Testing fee	50.00

(h) Miscellaneous fees.

Duplicate license, permit, stamp, and other issues of the department	0
Special departmental services, materials, or supplies	At cost
Vendor bond	
For bond amounts of \$5,000.00 and less	50.00
For bond amounts of more than \$5,000.00	50.00
plus \$6.00 per additional \$1,000.00 coverage or any fraction thereof.	

(i) Discounts.

Discount for five or more licenses, permits, stamps, or other issues of the department purchased by an individual at the same time	five percent of the total price
--	---------------------------------

This regulation shall be effective on and after January 1, 2021. (Authorized by K.S.A. 2019 Supp. 32-807 and K.S.A. 2019 Supp. 32-988; implementing K.S.A. 2019 Supp. 32-807, K.S.A. 2019 Supp. 32-988, and K.S.A. 2019 Supp. 32-9,100; effective Dec. 4, 1989; amended Sept. 10, 1990; amended Jan. 1, 1991; amended June 8, 1992; amended Oct. 12, 1992; amended April 11, 1994; amended Aug. 29, 1994; amended June 5, 1995; amended Aug. 21, 1995; amended Feb. 28, 1997; amended July 30, 1999; amended Jan. 2, 2002; amended Jan. 1, 2003; amended Jan. 1, 2004; amended Feb. 18, 2005; amended Jan. 1, 2006; amended May 1, 2006; amended Jan. 1, 2007; amended Jan. 1, 2008;

amended Jan. 1, 2009; amended Jan. 1, 2010; amended Aug. 1, 2010; amended Jan. 1, 2011; amended Jan. 1, 2013; amended April 19, 2013; amended Nov. 15, 2013; amended Jan. 1, 2015; amended Jan. 1, 2016; amended Jan. 1, 2018; amended April 26, 2019; amended Sept. 20, 2019; amended Jan. 1, 2021.)

Article 4.—BIG GAME

115-4-4a. Wild turkey; legal equipment and taking methods. (a) Hunting equipment for the taking of wild turkey during a wild turkey archery season shall consist of the following:

(1) Archery equipment.

(A) No bow or arrow shall have any electronic device attached to the bow or arrow that controls the flight of the arrow. Devices that may be attached to a bow or arrow shall include lighted pin, dot, or holographic sights; illuminated nocks; rangefinders; film or video cameras; and radio-frequency location devices.

(B) Each arrow used for hunting shall be equipped with a broadhead point incapable of passing through a ring with a diameter of three-quarters of an inch when fully expanded. A wild turkey hunter using archery equipment may possess non-broadhead-tipped arrows while hunting if the arrows are not used to take or attempt to take wild turkeys.

(2) Crossbows using arrows that are equipped with broadhead points incapable of passing through a ring with a diameter of three-quarters of an inch when fully expanded. A wild turkey hunter using crossbow equipment may possess non-broadhead-tipped arrows while hunting if the arrows are not used to take or attempt to take wild turkeys.

No crossbow or arrow shall have any electronic device attached to the crossbow or arrow that controls the flight of the arrow. Devices that may be attached to a crossbow or arrow shall include lighted pin, dot, or holographic sights; illuminated nocks; rangefinders; film or video cameras; and radio-frequency location devices.

(b) Hunting equipment for the taking of wild turkey during a wild turkey firearm season shall consist of the following:

(1) Archery and crossbow equipment as authorized in subsection (a); and

(2) shotguns and muzzleloading shotguns using only size two shot through size nine shot.

(c) Legal accessory equipment for the taking of wild turkey during any wild turkey season shall consist of the following:

(1) Lures; decoys, except live decoys; and nonelectric calls;

(2) blinds and stands;

(3) range-finding devices, if the devices do not project visible light toward the target; and

(4) optical scopes or sights that project no visible light toward the target and do not electronically amplify visible light or detect infrared light or thermal energy.

(d) Shooting hours for wild turkey during each day of any turkey hunting season shall be from one-half hour before sunrise to sunset.

(e) Each individual hunting turkey shall shoot or at-

(continued)

tempt to shoot a turkey only while the turkey is on the ground or in flight.

(f) Dogs may be used while hunting turkey, but only during the fall turkey season.

(g) Firearm report-suppressing devices may be used.

(h) Handguns may be possessed during all wild turkey seasons. However, no handgun shall be used to take wild turkeys. (Authorized by and implementing K.S.A. 2019 Supp. 32-807 and K.S.A. 2019 Supp. 32-969; effective April 22, 2005; amended April 13, 2007; amended April 11, 2008; amended May 21, 2010; amended April 20, 2012; amended April 19, 2013; amended Dec. 25, 2020.)

Article 7.—FISH AND FROGS

115-7-3. Fish; taking and use of baitfish or minnows.

(a) Baitfish may be taken for noncommercial purposes by any of the following means:

(1) A seine not longer than 15 feet and four feet deep with mesh not larger than ¼ inch;

(2) a fish trap with mesh not larger than ¼ inch and a throat not larger than one inch in diameter;

(3) a dip or cast net with mesh not larger than one inch; or

(4) a fishing line.

(b) Each fish trap shall be tagged with the operator's name and address when the fish trap is in use.

(c) Baitfish taken, except gizzard shad, silver carp, and bighead carp, shall not exceed 12 inches in total length. Silver carp and bighead carp shall not be transported from the water alive.

(d) The possession limit shall be 500 baitfish.

(e) For the species specified in this subsection, the department's applicable creel and possession limits shall apply.

Live baitfish, crayfish, leeches, amphibians, and mussels, except for bluegill and green sunfish from non-designated aquatic nuisance waters and baitfish, crayfish, leeches, amphibians, and mussels from designated aquatic nuisance waters, may be caught and used as live bait only within the common drainage where caught. However, live baitfish, crayfish, leeches, amphibians, and mussels shall not be transported and used above any upstream dam or barrier that prohibits the normal passage of fish. Bluegill and green sunfish collected from non-designated aquatic nuisance waters may be possessed or used as live bait anywhere in the state. Live baitfish, crayfish, leeches, amphibians, and mussels collected from designated aquatic nuisance waters shall be possessed or used as live bait only while on that water and shall not be transported from the water alive.

(f) No person shall import live baitfish that does not meet the requirements of K.A.R. 115-17-2 and K.A.R. 115-17-2a.

This regulation shall be effective on and after January 1, 2021. (Authorized by and implementing K.S.A. 2019 Supp. 32-807; effective Sept. 10, 1990; amended Nov. 20, 2009; amended Jan. 1, 2012; amended Jan. 1, 2013; amended Jan. 1, 2015; amended Jan. 1, 2019; amended Dec. 20, 2019; amended Jan. 1, 2021.)

115-7-10. Fishing; special provisions. (a) A person who takes any fish from a body of water shall not tag, mark, brand, clip any fin of, mutilate, or otherwise dis-

figure any fish in a manner that would prevent species identification, examination of fins, recovery of tags, or determination of sex, age, or length of the fish before releasing the fish back into the body of water, unless a permit authorizing this activity has been issued to that person by the department.

(b) No person may possess any live fish upon departure from any designated aquatic nuisance body of water, except during a department-permitted fishing tournament. During a department-permitted fishing tournament, any individual may possess live fish upon departure from designated aquatic nuisance waters along the most direct route to the weigh-in site if the individual possesses a department authorization certificate as a participant in the tournament. Designated aquatic nuisance species waters shall be those specified in the department's "Kansas aquatic nuisance species designated waters," dated October 16, 2020, which is hereby adopted by reference.

(c) No person may fish or collect bait within, from, or over a fish passage, fish ladder, fish steps, or fishway. "Fish passage, fish ladder, fish steps, or fishway" shall mean a structure that facilitates the natural migration of fish upstream on, through, or around an artificial barrier or dam. (Authorized by and implementing K.S.A. 2019 Supp. 32-807; effective Nov. 20, 2009; amended Jan. 1, 2012; amended Jan. 1, 2013; amended Nov. 15, 2013; amended Nov. 14, 2014; amended Nov. 30, 2015; amended Nov. 28, 2016; amended Dec. 22, 2017; amended Jan. 11, 2019; amended Dec. 20, 2019; amended Dec. 25, 2020.)

Article 18.—SPECIAL PERMITS

115-18-7. This regulation shall be revoked on and after January 1, 2021. (Authorized by K.S.A. 32-807, as amended by L. 2012, Ch. 47, Sec. 25, K.S.A. 2011 Supp. 32-919, as amended by L. 2012, Ch. 154, Sec. 5, and K.S.A. 2011 Supp. 32-932, as amended by L. 2012, Ch. 47, Sec. 48; implementing K.S.A. 2011 Supp. 32-932, as amended by L. 2012, Ch. 47, Sec. 48; effective Oct. 30, 1989; amended, T-115-9-9-97, Sept. 9, 1997; amended Dec. 29, 1997; amended Oct. 1, 1999; amended April 19, 2002; amended Feb. 18, 2005; amended April 11, 2008; amended May 21, 2010; amended April 19, 2013; revoked Jan. 1, 2021.)

115-18-10. Importation and possession of certain wildlife; prohibition, permit requirement, and restrictions. (a) The importation, possession, or release in Kansas of the following live wildlife species shall be prohibited, except as authorized by terms of a wildlife importation permit issued by the secretary:

- (1) Walking catfish (*Clarias batrachus*);
- (2) silver carp (*Hypophthalmichthys molitrix*);
- (3) bighead carp (*Hypophthalmichthys nobilis*);
- (4) black carp (*Mylopharyngodon piceus*);
- (5) snakehead fish (all members of the family Channidae);
- (6) round goby (*Neogobius melanostomus*);
- (7) white perch (*Morone americana*);
- (8) zebra mussel (*Dreissena polymorpha*);
- (9) quagga mussel (*Dreissena bugensis*);
- (10) New Zealand mudsnail (*Potamopyrgus antipodarum*);
- (11) diploid grass carp (*Ctenopharyngodon idella*);

- (12) marbled crayfish (*Procambarus virginalis*);
- (13) monk parakeet (*Myiopsitta monachus*);
- (14) Asian raccoon dog (*Nyctereutes procyonoides*);
- (15) crucian carp (*Carassius carassius*);
- (16) largescale silver carp (*Hypophthalmichthys harmandi*);
- (17) Prussian carp (*Carassius gibelio*);
- (18) wels catfish (*Silurus glanis*);
- (19) Eurasian minnow (*Phoxinus phoxinus*);
- (20) stone moroko (*Pseudorasbora parva*);
- (21) European perch (*Perca fluviatilis*);
- (22) Nile perch (*Lates niloticus*);
- (23) roach (*Rutilus rutilus*);
- (24) amur sleeper (*Perccottus glenii*);
- (25) zander (*Sander lucioperca*); and
- (26) common yabby (*Cherax destructor*).

(b) Any live member of a wildlife species listed in subsection (a) and possessed before the following dates may be retained in possession, in closed confinement, by making application to the secretary that provides information detailing the circumstances, including the location, by which the animal came into the applicant's possession:

- (1) February 1, 1978 for fish and bird species other than black carp, snakehead fish, round goby, white perch, zebra mussel, quagga mussel, New Zealand mudsnail, and diploid grass carp;
- (2) February 1, 1986 for mammal species;
- (3) October 1, 2000 for black carp;
- (4) May 1, 2003 for snakehead fish;
- (5) August 1, 2004 for round goby, quagga mussel, and zebra mussel;
- (6) May 15, 2005 for New Zealand mudsnail;
- (7) February 15, 2007 for white perch;
- (8) January 1, 2008 for diploid grass carp;
- (9) January 30, 2019 for marbled crayfish; and
- (10) January 1, 2021 for crucian carp, largescale silver carp, Prussian carp, wels catfish, Eurasian minnow, stone moroko, European perch, Nile perch, roach, amur sleeper, zander, and common yabby.

The manner in which the animal is to be used shall be identified in the application.

(c) Any wildlife importation permit for the importation or possession of live members of the wildlife species listed in subsection (a) may be issued by the secretary for experimental, scientific, display, or other purposes subject to any conditions and restrictions contained or referenced in the wildlife importation permit.

(d) Each individual wanting to import or possess live members of the wildlife species listed in subsection (a) shall apply to the secretary for a wildlife importation

permit. The application shall be submitted on forms provided by the department and shall contain the following information:

- (1) The name, address, and telephone number of applicant;
- (2) the wildlife species to be imported or possessed and the number of wildlife involved;
- (3) the purpose or purposes for importation or possession;
- (4) a description of the facilities for holding and using the wildlife species;
- (5) a description of plans to prevent the release of the wildlife species; and
- (6) other relevant information as requested by the secretary.

(e) Each wildlife importation permit, once issued, shall be valid during the time period specified on the permit.

(f) In addition to other penalties prescribed by law, any wildlife importation permit may be refused issuance or revoked by the secretary if any of the following conditions is met:

- (1) The application is incomplete or contains false information.
- (2) Issuance of a permit would not be in the best interest of the public or of the natural resources of Kansas.
- (3) The permittee fails to meet permit requirements or violates permit conditions. (Authorized by K.S.A. 2019 Supp. 32-807 and K.S.A. 32-956; implementing K.S.A. 32-956; effective Dec. 27, 1993; amended Sept. 22, 2000; amended April 18, 2003; amended July 23, 2004; amended May 20, 2005; amended Feb. 9, 2007; amended Nov. 16, 2007; amended Dec. 21, 2018; amended Dec. 25, 2020.)

115-18-12. Trout permit; requirements, restrictions, and permit duration. (a) Each individual who wants to fish or to fish for and possess trout during those periods of time on those bodies of water established by K.A.R. 115-25-14 shall be required to have a trout permit.

(b) Each trout permit shall be valid statewide for one year from the date of purchase.

(c) Each trout permit shall be validated by the signature of the permit holder written across the face of the permit. A trout permit shall not be transferable. (Authorized by and implementing K.S.A. 2019 Supp. 32-807; effective Nov. 15, 1993; amended Jan. 30, 1995; amended July 24, 1998; amended Nov. 27, 2006; amended Nov. 16, 2007; amended Dec. 22, 2017; amended Dec. 25, 2020.)

Brad Loveless
Secretary

Doc. No. 048676

INDEX TO ADMINISTRATIVE REGULATIONS

This index lists in numerical order the new, amended, and revoked administrative regulations and the volume and page number of the *Kansas Register* issue in which more information can be found. Temporary regulations are designated with a (T) in the Action column. This cumulative index supplements the 2009 Volumes of the *Kansas Administrative Regulations* and the 2019 Supplement of the *Kansas Administrative Regulations*. Regulations can also be found at http://www.sos.ks.gov/pubs/pubs_kar.aspx.
