DEPARTMENT OF HEALTH  
AND ENVIRONMENTNOTICE CONCERNING VARIANCE REQUEST  
FROM HAZARDOUS WASTE REGULATIONS

The Kansas Department of Health and Environment (KDHE), Forbes Field, Topeka, is providing public notice that on December 23, 1988, the Directorate of Engineering and Housing, Fort Riley, submitted a request for renewal of a variance from specific hazardous waste regulations previously granted to Fort Riley. The request for a variance was submitted in accordance with K.A.R. 28-31-13(a).

The variance is requested from K.A.R. 28-31-8, which adopts by reference 40 CFR 265.37 and 40 CFR 264.37. This regulation requires that a facility establish coordination agreements with local emergency response groups and hospitals.

Fort Riley operates a hazardous waste storage facility that is used to manage wastes generated both on-post and from other military facilities throughout the region. Fort Riley has its own fire department, police department, emergency response teams and hospital. Contingency plans and procedures have been created and distributed among these groups for use in an emergency. The variance is requested because these resources are sufficient to respond to any anticipated emergency presented by management of hazardous waste on-post. KDHE has reviewed this request and has concluded that the variance is justified. Therefore, KDHE has made a tentative decision to grant renewal of the variance.

In accordance with K.A.R. 28-31-13(b), public notice is being provided of this decision. Copies of the variance request will be available for public review until February 24 from 8 a.m. to 4:30 p.m. weekdays at the KDHE, Building 730, Forbes Field, Topeka, and at the KDHE district office, 2501 Market Place, Suites D and E, Salina.

Comments concerning this variance request may be directed to John Goetz, Hazardous Waste Section, KDHE, Building 730, Forbes Field, Topeka 66620. Comments must be submitted in writing prior to February 24. Requests for additional information may be made by contacting Goetz at (913) 296-1607.

Upon the written request of any interested person, a public meeting may be held to consider comments on this tentative decision. The person requesting a meeting shall state the issues to be raised and shall explain why written comments would not suffice to communicate the person's views. If a decision is made to conduct a public meeting, a separate public notice detailing the date and place of a public meeting will be issued.

After evaluating all public comments, a final decision will be made by the secretary and a notice of the final decision will be published in the *Kansas Register*. If approved, any conditions or time limitations needed to comply with all applicable state or federal laws or to protect human health or safety or the environment shall be specified by the secretary. A date upon which the variance

will no longer be valid will be prescribed in the final decision.

**Place of Payment and Bond Registration**

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar), to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day of the month preceding each interest payment date. Whenever the city is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat such \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the city shall elect to call any bonds for redemption and payment prior to the maturity thereof, the city shall give written notice of its intention to call and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States registered or certified mail addressed to the registered owners of said bonds, to the Kansas State Treasurer, Topeka, Kansas, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

**Authority, Purpose and Security**

The bonds are being issued pursuant to K.S.A. 12-6a02 *et seq.*, as may be amended, for the purpose of paying the cost of certain street improvements, payable partly from special assessments. The bonds and the interest thereon will constitute general obligations of the city, if not so paid, then will be paid from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the city.

**Submission of Bids**

Bids must be submitted in sealed envelopes addressed to the undersigned clerk and marked "Bond Bid." Bids may be submitted by mail or delivered in person to the undersigned at the office of the city clerk and must be received by the undersigned prior to noon C.S.T. on February 15, 1989.

**Bid Forms**

All bids must be made on forms which may be procured from the clerk or the bond counsel. No additions or alterations in such forms shall be made and any erasures

may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any and all bids.

**Conditions of Bids**

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds, of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No interest rate may exceed a rate equal to the index of treasury bonds published by *Credit Markets* in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No bid of less than the entire par value of the bonds and accrued interest thereon to the date of delivery will be considered and no supplemental interest payments will be authorized. Each bid shall specify the total interest cost to the city during the life of the bonds on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid—all certified by the bidder to be correct—and the city will be entitled to rely on the certificate of correctness of the bidder. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid.

**Basis of Award**

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city's governing body shall determine which bid, if any, shall be accepted, and its determination shall be final. The city reserves the right to reject any and all bids and to waive any irregularities in a submitted bid. Any bids received after noon C.S.T. on the date the bids are due will be returned to the bidder unopened.

**Good Faith Deposit**

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America equal to 2 percent of the total amount of the bid payable to the order of the city. If a bid is accepted, said check, or the proceeds thereof, will be held by the city until the bidder shall have complied with all of the terms and conditions of this notice. If a bid is accepted by the city and the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check, or the proceeds thereof, will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the city as and for liquidated damages. No interest will be paid upon the successful bidder's good faith check.

**Delivery and Payment**

The city will pay for printing the bonds and will deliver

the same properly prepared, executed and registered without cost to the successful bidder on or before March 31, 1989, at such bank or trust company in the state of Kansas, or Kansas City, Missouri, as may be specified by the successful bidder. The successful bidder also will be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the city.

**CUSIP Numbers**

It is anticipated that CUSIP identification numbers will be printed on certificated bonds or assigned to uncertificated bonds, but neither the failure to print such number on or assign such number to any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the purchase contract. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

**Assessed Valuation and Indebtedness**

The total assessed valuation of the taxable tangible property within the city, for the year 1988, is as follows:

Equalized assessed valuation of taxable tangible property .....	\$27,622,321.00
Tangible valuation of motor vehicles .....	6,331,186.00
Equalized assessed valuation for computation of bonded debt limitations .....	33,953,507.00

The total general obligation indebtedness of the city as of the date of the bonds is \$3,840,000, plus this issue, and there are no notes outstanding at this time.

**Opinion and Tax Exemption**

The bonds will be sold subject to the legal opinion of William P. Timmerman, Wichita, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

All matters incidental to the authorization and issuance of the bonds are subject to the approval of the bond counsel.

In the opinion of bond counsel, under existing law, the interest on the bonds: (a) is excludable from gross income for federal income tax purposes, and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. The opinion set forth in clause (a) above is subject to the condition that the city comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the bonds in order that interest thereon be (or continue to be) excluded from gross income for federal income tax purposes.

(continued)

Failure to comply with certain of such requirements could cause the interest on the bonds to be so includable in gross income retroactive to the date of issuance of the bonds. The city has covenanted to comply with all such requirements.

Prospective purchasers of the bonds should be aware that: (i) Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the bonds, except with respect to certain financial institutions (within the meaning of Section 265(b)(5) of the code); (ii) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31, 1986, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the bonds; (iii) for taxable years beginning after December 31, 1986, and prior to January 1, 1992, interest on the bonds earned by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (iv) for taxable years beginning after December 31, 1986, interest on the bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the code; (v) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year, if greater than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (vi) Section 86 of the code requires recipients of certain Social Security and certain railroad retirement benefits to take into account in determining gross income, receipts or accruals of interest on the bonds.

The bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the code, and in the case of certain financial institutions (within the meaning of Section 265(b)(5) of the code), a deduction is allowed for 80 percent of that portion of such financial institution's interest expense allocable to interest on the bonds.

Bond counsel expresses no opinion regarding other federal tax consequences with respect to the bonds.

The bonds are exempt from intangible personal property taxes levied by Kansas counties, cities or townships and interest on same are now exempt from Kansas income taxes.

110,000	1996
110,000	1997
110,000	1998
110,000	1999

The bonds shall bear interest from the dated date at the rates which shall be specified by the successful bidder for the bonds, which interest shall be payable semiannually on May 1 and November 1 of each year, commencing May 1, 1990, until the bonds are paid in full.

#### Payment of Principal and Interest; Registration

The principal of the bonds shall be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, the city's designated paying agent and bond registrar (herein called the paying agent), to the registered owners of the bonds upon the presentation of the bonds for payment and cancellation at the paying agent's principal office in the city of Topeka, Kansas. Interest on the bonds shall be payable in lawful money of the United States of America by check or draft of the paying agent mailed to the registered owners as their names appear on the registration books maintained by the paying agent as of the 15th day of the month next preceding the interest payment dates.

The fees of the paying agent for the registration and transfer of the bonds shall be paid by the city, and the city shall, at its expense, provide the paying agent with an inventory of "blank" printed bonds for that purpose. Any additional costs or fees that might be incurred in the secondary market, except the paying agent's fees, shall

be the responsibility of the registered owners of the bonds.

#### Initial Registration

The number and denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the initial registered owners of the bonds shall be submitted in writing to the paying agent by the successful bidder not later than Monday, February 13, 1989. In the event this information is not furnished by such date, the bonds shall be delivered one bond per maturity registered in the name of the successful bidder.

An original purchaser's certificate, which sets forth the initial reoffering price to the public on the bonds, shall be furnished to the successful bidder by bond counsel, and such certificate must be completed and returned no later than the date of delivery of the bonds.

#### Redemption of Bonds

The bonds shall become due and payable on their respective maturity dates without the option of prior call for redemption and payment.

#### Conditions of Bidding

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidder, subject to the conditions of this paragraph. The same rate of interest shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of  $\frac{1}{8}$  or  $\frac{1}{20}$  of 1 percent. No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being equal to the index of treasury bonds published by *Muniweek* in New York, New York, on the Monday next preceding the date on which the bonds are sold, plus 2 percent. No bid of less than the entire par value of the bonds and accrued interest thereon from the dated date to the delivery date shall be considered, and no supplemental interest payments shall be authorized. Each bid must state the total interest cost to the city during the life of the bonds on the basis of the bid, the premium, if any, offered by the bidder for the bonds, the net interest cost to the city on the basis of the bid, and the average annual interest rate on the basis of the bid. Each bid shall be certified by the bidder to be correct, and the governing body shall be entitled to rely on such certificate of correctness.

#### Bid Form; Good Faith Deposit

Bids shall be submitted on an official bid form, which may be obtained from the city or its financial advisor, and shall be submitted in sealed envelopes, plainly marked "Bond Bid," and be addressed to the Governing Body, City Hall, 6th and School Streets, Augusta, KS 67010. Bids may be submitted by mail or may be delivered in person, but must be received at the city not later than the date, time and place hereinbefore specified.

Each bid shall be accompanied by a good faith deposit in the form of a certified or cashier's check payable to the order of the city in an amount equal to 2 percent of the principal amount of the bonds. If a bid is accepted, the good faith deposit shall be held by the city until the bidder shall have complied with all of the terms and conditions of this notice and of the bid. In the event a bidder whose bid is accepted shall default in the performance of any of the terms and conditions of this notice

or of the bid, its good faith deposit shall be retained by the city as and for liquidated damages. If a bid is accepted, but the city shall fail to deliver the bonds in accordance with the terms and conditions hereof, the successful bidder's good faith deposit shall be returned to it. No interest shall be paid upon the successful bidder's good faith deposit. The good faith deposit checks of the unsuccessful bidders shall be promptly returned.

#### Award of Bonds

The bonds shall be awarded to the bidder whose proposal results in the lowest net interest cost to the city, which shall be determined by deducting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more identical bids for the lowest net interest cost are received, the governing body shall determine which bid, if any, shall be accepted, and such determination shall be final. The governing body reserves the right to reject any and all bids and to waive any irregularities in any submitted bid.

#### Delivery of Bonds

The bonds, duly printed, executed and registered, shall be furnished and paid for by the city and shall be delivered to the successful bidder on or about Thursday, February 16, 1989, at any bank in the state of Kansas or in the city of Kansas City, Missouri, at the expense of the city. Delivery elsewhere shall be made at the expense of the successful bidder. The successful bidder shall be furnished with a transcript of proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, including a certificate that there is no litigation pending or threatened at the time of the delivery of the bonds affecting their validity. Payment for the bonds shall be made in Federal Reserve funds, immediately available for use by the city.

#### CUSIP Identification Numbers

The CUSIP Service Bureau will be requested to assign CUSIP identification numbers to the bonds, and it is expected that such numbers shall be printed on the bonds; however, neither the failure to assign any such number to or print any such number on any bond, nor any error with respect thereto, shall constitute cause for the failure or refusal by the successful bidder to accept delivery of and to make payment for the bonds in accordance with the terms of this notice and of the bid. All expenses in relation to the printing of the CUSIP numbers and the expenses of the CUSIP Service Bureau for the assignment thereof shall be the responsibility of and shall be paid for by the city.

#### Official Statement

The city shall prepare an official statement relating to the bonds, copies of which may be obtained from the city. Upon the sale of the bonds, the city shall furnish the successful bidder with a reasonable number of copies of the official statement, without cost, upon request. Copies in excess of a reasonable number may be ordered at the successful bidder's expense.

(continued)

### Authority, Purpose and Security for Bonds

The bonds shall be issued under the authority of K.S.A. 10-101 *et seq.*, as amended and supplemented, and K.S.A. 12-6a01 *et seq.*, as amended and supplemented. The bonds shall be authorized and issued under a bond ordinance which will be adopted by the governing body immediately after the awarding of the bonds.

The proceeds of the bonds shall be used to pay the cost of constructing various internal improvements in the city.

The bonds and the interest thereon shall constitute general obligations of the city and shall be payable as to both principal and interest from the collection of special assessment taxes that have been levied against certain properties in the city, and if not so paid, then said principal and interest shall be payable from ad valorem taxes that may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city.

### Legal Opinion and Tax Exemption

All matters relating to the authorization and issuance of the bonds are subject to the approving opinion of Hinkle, Eberhart & Elkouri, Wichita, Kansas bond counsel. Bond counsel's opinion shall be printed on the bonds, and a manually signed original copy of bond counsel's opinion will be furnished without expense to the successful bidder concurrently with the delivery of the bonds. All fees and expenses of bond counsel will be paid by the city.

In the opinion of bond counsel, assuming continued compliance by the city with the terms of the bond ordinance, under existing law, the interest on the bonds: (i) is excludable from gross income for federal income tax purposes, and (ii) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. However, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. The exclusion mentioned in the preceding clause (i) is subject to compliance by the city with all requirements of the Internal Revenue Code of 1986, as amended, which must be satisfied subsequent to issuance of the bonds in order for the interest on the bonds to qualify for such exclusion. Failure to comply with certain of such requirements could cause the interest on the bonds to be so included in federal gross income retroactive to the date of issuance of the bonds. The city will covenant to comply with all such requirements. Bond counsel expresses no opinion regarding other federal tax consequences arising with respect to the bonds.

The bonds are exempt from intangible personal property taxes levied by Kansas counties, cities and townships, and the interest on the bonds is excludable from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

### Related Federal Tax Matters

Prospective bidders for purchase of the bonds should be aware that: (i) Section 265 of the code denies a de-

duction for interest on indebtedness incurred or continued to purchase or carry obligations other than qualified tax-exempt obligations (as described in the next paragraph, or, in the case of a financial institution within the meaning of Section 265(b)(5) of the code, that portion of a bondholder's interest expense allocable to the interest on such obligations; (ii) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31, 1986, Section 832(b)(5)(B)(i) of the code reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the bonds; (iii) for taxable years beginning after December 31, 1986, and prior to January 1, 1992, interest on the bonds earned by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (iv) for taxable years beginning after December 31, 1986, interest on the bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the code; (v) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if more than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (vi) Section 86 of the code requires recipients of certain Social Security and railroad retirement benefits to take into account in determining gross income, receipts or accruals of interest on the bonds. The foregoing categories of prospective bondowners should consult their own tax advisors as to the applicability of any of these consequences.

### Qualified Tax-Exempt Obligations

The city will covenant to take such actions as are necessary to designate the bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the code; and, in the case of certain financial institutions within the meaning of Section 265(b)(5) of the code, a deduction is allowed for 80 percent of that portion of such financial institution's interest expense allocable to interest on the bonds.

### Assessed Valuation and Bonded Indebtedness

The city's equalized assessed tangible valuation for the computation of bonded debt limitations, for the year 1988, is \$21,226,280.

At the date hereof, the city has outstanding general obligation bonded indebtedness totaling \$2,160,000. The city also has temporary notes outstanding in the total amount of \$1,135,691, all of which will be redeemed and paid upon the issuance of the bonds described herein.

### Additional Information

Additional information regarding the bonds may be obtained from the city or from the city's bond counsel, Hinkle, Eberhart & Elkouri, 2000 Epic Center, 301 N. Main, Wichita, KS 67202, (316) 267-2000.
