Notice of Hearing on Proposed  
Administrative Regulations

A public hearing will be conducted from 10-10:30 a.m. Friday, January 31, in the Department of Corrections' conference room, fourth floor, Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of proposed rules and regulations 44-6-120, 44-6-124, 44-6-125 and 44-6-135 of the Kansas Department of Corrections. These regulations will become effective 45 days after their publication in the Kansas Register unless a specific date is contained in the regulation.

All interested parties may submit written comments prior to the hearing to Charles E. Simmons, Chief Legal Counsel, Kansas Department of Corrections, 900 S.W. Jackson, 4th Floor, Topeka 66612. All interested parties will be given a reasonable opportunity at the hearing to present their views orally on the adoption of the proposed regulations. In order to give all parties an opportunity to express their views, it may be necessary to request each participant to limit oral presentation to five minutes.

This 30-day notice constitutes a public comment period for the purpose of receiving written public comments on the proposed regulations.

A summary of the regulations follows:

**44-6-120.** This regulation is amended to clarify that the warden has a role in approving the award of earned good time credits.

**44-6-124.** This regulation is amended to specify that good time credits earned on a prior sentence are not to be applied to a subsequent sentence of that inmate.

**44-6-125.** Clarifies the impact on the sentence computation in the event good time credits are ordered forfeited.

**44-6-135.** Clarifies the process for determining parole eligibility on an aggregate sentence when the earlier sentence was imposed during that period from July 1974 to January 1979.

These regulations involve the department's responsibility to administer sentences imposed against individuals who have been committed to the custody of the Secretary of Corrections. The regulations are not estimated to have any economic impact on governmental units, persons subject to proposed rules and regulations, or the general public. The primary impact of the regulations will be to ensure the public and inmates that sentences are administered in a consistent manner and in accordance with applicable statutes.

Copies of the proposed regulations and economic impact statement may be obtained by contacting Charles E. Simmons at the address above, (913) 296-4508.

Gary Stotts  
Secretary of Corrections

## State of Kansas

## State Banking Board

## Notice of Meeting

The State Banking Board will meet at 9:30 a.m. Friday, January 24, in the conference room of the State Banking Department, Suite 300, 700 S.W. Jackson, Topeka. The board reviews matters relating to its supervisory authority set forth in K.S.A. 9-1801 et seq.

Frank D. Dunnick  
State Bank Commissioner

## State of Kansas

## Kansas Arts Commission

## Notice of Advisory Panel Meetings

Advisory panels for the Kansas Arts Commission will meet January 7-9 to review applications for Kansas Artist Fellowships in fiscal year 1992. The advisory panels will meet in the conference center of the Kaw Area Technical School, 5724 S.W. Huntoon, Topeka. Each panel will select one artist to recommend for the awarding of a \$5,000 fellowship in each of three categories.

The deadline for submitting applications to the Kansas Artist Fellowship Program was October 15. The 1992 fellowships were open to artists who demonstrate exceptional talent and ability in creating original works of art in the performance arts.

Fellowship applications will be reviewed by panels of individuals (a mix of in-state and out-of-state) who are experts in their fields. Each category will have a panel of six persons and will be chaired by a commissioner, who votes only in case of a tie. Members of the commission staff will serve as facilitators to the process but will not be voting members of the panels.

The panel meeting times and dates, by categories, are as follows:

- Music composition, 9 a.m. to 4:30 p.m.,  
Tuesday, January 7
- Choreography, 9 a.m. to 4:30 p.m.,  
Wednesday, January 8
- Film/video, 9 to 4:30 p.m., Thursday,  
January 9

Meetings of the commission and of its advisory panels are open to public observation. Applicants are not required to attend panel meetings, nor do they make presentations in support of their applications to the panels.

For more information, contact the Kansas Arts Commission, Jayhawk Tower, 700 Jackson, Suite 1004, Topeka 66603-3714, (913) 296-3335.

## Human Rights Commission

Notice of Hearing on Proposed  
Administrative Regulations

A public hearing will be conducted at 10 a.m. Thursday, January 30, in Room 108 of the Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of a proposed set of new rules and regulations of the Kansas Human Rights Commission.

This 35-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Kansas Human Rights Commission, Landon State Office Building, Suite 851-S, 900 S.W. Jackson, Topeka 66612-1258.

All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

These regulations are proposed for adoption on a temporary basis and on a permanent basis. A summary of proposed regulations and their economic impact follows.

Article 34.—GUIDELINES ON DISCRIMINATION  
BECAUSE OF DISABILITY

**21-34-1. Definitions.** This regulation defines the following terms, "Covered entity," "Direct threat," "Essential function," "Has a record of such impairment," "Is regarded as having such an impairment," "Illegal use of drugs," "Major life activities," "Physical or mental impairment," "Qualified individual with a disability," "Qualification standards," and "Substantially limits."

**21-34-2. Medical examinations and inquiries; general prohibition.** This regulation provides that the statutory prohibition against employment discrimination on the basis of disability includes medical examinations and inquiries.

**21-34-3. Preemployment medical examinations and inquiries.** This regulation prohibits preemployment medical examination and inquiries. However, an employer is permitted to make preemployment inquiries into the ability of an applicant to perform job-related functions.

**21-34-4. Employment entrance examinations and inquiries; exception.** This regulation permits an employer, subject to specified circumstances and subject to confidentiality rules, to require a medical examination and to make an inquiry after an offer of employment and prior to the commencement of the employment duties of the job applicant. An employer may also condition an offer of employment on the results of the examination or inquiry.

**21-34-5. Prohibited medical examinations and inquiries.** This regulation prohibits an employer from requiring a medical examination of an employee and

from making certain inquiries of an employee regarding the employee's disability, unless the examination or inquiry is shown to be job-related and consistent with business necessity.

**21-34-6. Acceptable medical examinations and inquiries.** This regulation permits an employer to conduct voluntary medical examinations, including voluntary medical histories, which are part of an employee health program available to employees at the work site. An employer may also make inquiries into the ability of an employee to perform job-related functions.

**21-34-7. Regulation of alcohol and drugs.** This regulation provides that an employer may prohibit and regulate the illegal use of drugs and alcohol at the workplace.

**21-34-8. Drug testing.** This regulation provides that a test to determine the illegal use of drugs is not considered a medical examination under the provisions of the Kansas act against discrimination which prohibits discrimination because of disability.

**21-34-9. Transportation employees.** This regulation permits employers subject to the jurisdiction of the U.S. Department of Transportation to regulate the illegal use of drugs or on-duty impairment of alcohol of employees in safety-sensitive positions.

**21-34-10. Information from a drug test.** This regulation provides that any information regarding the medical condition or history of any employee or applicant obtained from a drug test, except information regarding illegal use of drugs, is subject to the requirements of 21-34-4.

**21-34-11. Illegal use of drugs and alcohol; exception to the definition of "qualified individuals with a disability"; policies and procedures.** This regulation provides that the term "qualified individual with a disability" does not include an individual who is engaging in the illegal use of drugs. This exclusion does not include an individual who has successfully completed a supervised drug rehabilitation program and is no longer engaging in the illegal use of drugs, or has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of drugs; or is participating in a supervised rehabilitation program and is no longer engaging in the illegal use of drugs; or is erroneously regarded as engaging in the illegal use of drugs but is not engaging in the illegal use of drugs.

**21-34-12. Regulation of smoking.** This regulation permits an employer to prohibit or to impose restrictions on smoking in the workplace.

**21-34-13. Direct threat; criteria for determination.** This regulation defines the term "direct threat" and sets forth the criteria for determining a direct threat.

**21-34-14. Essential function: criteria for determination.** This regulation defines the term "essential function" and sets forth the criteria for determining an essential function.

**21-34-15. Direct threat as qualification standard.** This regulation provides that an employer's "qualification standards" may include a requirement that an individual not pose a direct threat to the health or safety of that individual or others in the workplace.

(continued)

**21-34-16. Infectious and communicable diseases; food handling jobs.** This regulation provides that an employer, subject to certain restrictions, may refuse to assign or continue to assign an individual who is disabled by an infectious or communicable disease to a job involving food handling. However, if the individual is a current employee, the employer must consider whether the employee can be accommodated by reassignment to a vacant position not involving food handling.

**21-34-17. Substantially limit; criteria for determination.** This regulation defines the term "substantially limit" and sets forth the criteria for determining a substantial limitation.

**21-34-18. Substantially limit; definition with respect to the major life activity of "working"; criteria for determination.** This regulation defines the term "substantially limit" with respect to the major life activity of working and sets forth the criteria for determining such a substantial limitation.

**21-34-19. Undue hardship; definition; criteria for determination.** This regulation defines the term "undue hardship" and sets forth the criteria for determining an undue hardship.

**21-34-20. Exceptions to the definitions of "disability."** This regulation sets forth those conditions which are excepted from the definition of disability.

**21-34-21. Health insurance, life insurance, and other benefit plans.** This regulation provides that an insurer, hospital, medical service company, health maintenance organization, or similar organizations may underwrite risks, classify risks, or administer risks that are based on or not inconsistent with state law. A covered entity may establish, sponsor, observe or administer the terms of a bona fide benefit plan that are based on underwriting risks, classifying risks, or administering such risks that are based on or not inconsistent with state law. A covered entity may establish, sponsor, observe, or administer the terms of a bona fide benefit plan that is not subject to state laws that regulate insurance.

#### Summary of Economic Impact Statement

This proposed set of regulations implements the statutory prohibition against employment discrimination on the basis of disability (L. 1991, ch. 147). These implementing regulations explain and provide guidance on the statutory requirements.

It is not expected there will be any increase in costs to the Human Rights Commission, and after July 26, 1992, the commission could benefit by receiving additional funding from the Equal Employment Opportunity Commission.

It appears these proposed regulations will not have a significant economic impact on employers and other entities subject to the Kansas act against discrimination. However, covered entities could experience some increases in expenditures relating to the statutory requirements of reasonable accommodation. Other governmental units, private citizens and consumers will not be affected by these regulations.

Copies of the regulations and the economic impact statement may be obtained from the Kansas Human

Rights Commission at the address above, (913) 296-3206, TDD (913) 296-0245.

#### Notice to Contractors

Sealed proposals for the construction of road and bridge work in the following Kansas counties will be received at the office of the Chief of Construction and Maintenance, KDOT, Topeka, until 10 a.m. C.S.T. January 16, 1992, and then publicly opened:

#### District One—Northeast

**Atchison/Brown—159-106 K-4695-01—U.S. 159,** from the south junction of K-9, in Atchison County west and north to the south city limits of Horton in Brown County (excluding Effingham), 18.0 miles, overlay. (State Funds)

**Geary/Riley—177-106 K-4696—K-177** in Geary County 0.5 mile south of the Geary-Riley county line north to the Kansas River Bridge in Riley County, 7.8 miles, recycling. (State Funds)

**Johnson/Wyandotte/Miami—106 K-4743-01—Various** locations on: I-35, U.S. 56, K-10, U.S. 169 in Johnson County; U.S. 169 in Miami County and I-70 in Wyandotte County, 22.6 miles, pavement joint repair. (Federal Funds)

**Nemaha—66 C-2771-01—County road,** 0.8 mile north of Wetmore, then north 0.2 mile, grading and bridge. (Federal Funds)

**Marshall—36-58 K-1715-01—U.S. 36,** from the east city limits of Marysville, east to the junction of K-87, 15.9 miles, recycling. (State Funds)

**Marshall—36-58 K-4315-01—U.S. 36 (Center Street)** and 20th Street in Marysville, intersection improvement. (State Funds)

**Pottawatomie/Nemaha/Jackson—106 K-4694-01—K-16,** from the south junction of K-63 in Pottawatomie County east to the west city limits of Holton in Jackson County; K-63, from the Pottawatomie-Nemaha County line north to the east junction of U.S. 36 in Nemaha County; and K-79, from the junction of K-16 north to Circleville in Jackson County, 39.6 miles, overlay. (State Funds)

**Shawnee—70-89 K-3343-03—I-70 and I-470** new ramps and I-70 and U.S. 75 Interchange, 0.8 mile, seeding. (State Funds)

**Shawnee—470-89 K-3831-02—I-470,** from the junction of I-70, southeast to the junction of Wanamaker Road (U.S. 75), 1.3 miles, seeding. (Federal Funds)

#### District Two—Northcentral

**Geary—70-31 M-1648-01—I-70,** remodel eastbound Safety Rest Area 4.5 miles west of the junction of K-177, 4.5 miles. (State Funds)

**Lincoln**—53 C-2728-01—County road, 3.0 miles west and 1.0 mile south of Sylvan Grove, then north, 0.2 mile, grading and bridge. (Federal Funds)

**Saline**—85 U-0896-01—Crawford Street from Montrose Street to Ohio Street in Salina, 1.3 miles, grading and surfacing. (Federal Funds)

#### District Three—Northwest

**Cheyenne**—12 C-2823-01—County road, 7.5 miles east and 11.5 miles north of St. Francis, then northeast, 0.2 mile, grading and bridge. (Federal Funds)

**Trego**—147-98 K-4008-01—K-147, Smoky Hill River bridge 44 at the Cedar Bluff Reservoir, bridge deck. (State Funds)

#### District Four—Southeast

**Cherokee**—96-11 K-4576-01—K-96, from the Labette-Cherokee county line east to the west junction of U.S. 69, 13.6 miles, recycling. (State Funds)

**Elk/Greenwood**—99-106 K-4709-01—K-99, from the east junction of U.S. 160 in Elk County north to the west junction of K-96 in Greenwood County, 18.6 miles, overlay. (State Funds)

**Elk/Montgomery**—160-106 K-4706-01—U.S. 160, from the west junction of K-99 in Elk County east to the west junction of U.S. 75 in Montgomery County, 37.9 miles, overlay. (State Funds)

**Wilson**—75-103 K-4575-01—U.S. 75, 0.3 mile east of the east city limits of Neodesha to 0.3 mile north of the north junction of U.S. 75B, 8.9 miles, overlay. (State Funds)

#### District Five—Southcentral

**Butler**—96-8 K-4725-01—K-96, 4.3 miles east of U.S. 54 east 12.7 miles, concrete pavement patching. (State Funds)

**Comanche**—160-17 K-4717-01—U.S. 160, from the junction of K-1 north to the railroad crossing in Coldwater and from the north city limits of Coldwater north and east to the Comanche-Barber county line, 23.2 miles, overlay. (State Funds)

**Cowley**—15-18 K-4588-01—K-15, from the west junction of U.S. 166, north to the junction of K-38, 9.4 miles, overlay. (State Funds)

**Cowley**—77-18 K-4592-01—U.S. 77, from the Kansas-Oklahoma state line north 2.9 miles (northbound and southbound), overlay. (State Funds)

**Cowley**—18 C-2735-01—County road, 7.5 miles west of Burden, then north, 3.0 miles, surfacing. (Federal Funds)

**Harper**—2-39 K-4585-01—K-2, from the Barber-Harper county line east to the junction of K-44, overlay. (State Funds)

**Harper/Kingman/Sumner**—2-106 K-4710-01—K-2, in Harper County, 1.9 miles southwest of the Harper-Kingman county line northeast through Kingman County to the junction of K-42 in Sumner County, 9.0 miles, overlay. (State Funds)

**Sumner**—96 K-4713-01—U.S. 81, from the south city limits of Wellington south 3.0 miles; U.S. 160, from the east junction of K-49 east to the west city limits

of Wellington; and K-271, from the north city limits of Mayfield north to the junction of U.S. 160, the entire route in Sumner County, 12.8 miles, overlay. (State Funds)

**Sumner**—49-96 K-3149-01—K-49, Chikaskia River bridge 97, 6.8 miles north of U.S. 81, bridge replacement. (Federal Funds)

**Sumner**—177-96 K-3152-01—K-177, Shoo Fly Creek bridge 81, 2.4 miles north of the Oklahoma-Kansas state line, bridge replacement. (Federal Funds)

#### District Six—Southwest

**Finney**—83-28 K-3333-01—U.S. 83, from 2.9 miles north of FAS 247 north to the junction of U.S. 83B, 6.0 miles, recycling. (State Funds)

Proposals will be issued upon request to all prospective bidders who have been prequalified by the Kansas Department of Transportation on the basis of financial condition, available construction equipment, and experience. Also, a statement of unearned contracts (Form No. 284) must be filed. There will be no discrimination against anyone because of race, age, religion, color, sex, handicap, or national origin in the award of contracts.

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corporation submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This sworn statement shall be in the form of an affidavit executed and sworn to by the bidder before a person who is authorized by the laws of the state to administer oaths. The required form of the affidavit will be provided by the state to each prospective bidder. Failure to submit the sworn statement as part of the bid-approval package will make the bid nonresponsive and not eligible for award consideration.

Plans and specifications for the projects may be examined at the office of the respective county clerk or at the KDOT district office responsible for the work.

for Engineering Services**

Notice is hereby given of the commencement of negotiations for engineering services for Mineral Lake Dam repairs in the Mined Land Wildlife Area, Cherokee County. The Kansas Department of Wildlife and Parks wishes to have maps and drawings developed to repair the existing structure.

The scope of work will include providing cross sections, topographic maps and calculations of flood flows to obtain a Kansas Board of Agriculture, Division of Water Resources permit. Also required is the design of repairs to the dam and of recreational facilities. Cost estimates of the dam are also required.

Any questions or expressions of interest should be directed to Gerald R. Carter, AIA, Deputy Director, Planning and Project Management, Division of Architectural Services, 625 Polk, Topeka 66603, (913) 233-9367, on or before January 10. An original and four copies of the SF 255 form (plus attachments as required) should be submitted with letters of interest.

J. David DeBusman  
Director, Division of  
Architectural Services

**Notice Concerning Proposed Permit Action**

The Secretary of Health and Environment is proposing to issue a permit in accordance with K.A.R. 28-19-14 (permits required) to Republic Natural Gas Company to construct and operate a gas compressor station in Pratt County.

Written materials, including the permit application and information relating to the application submitted by Republic Natural Gas Company, draft permit, permit summary and analysis of KDHE describing the basis for the proposed permit, are available for public inspection during normal business hours through January 27 by contacting Dave Butler, KDHE, 1919 N. Amidon Road, Wichita 67203, (316) 838-1071. These materials also may be inspected by contacting Michael Parhomek at the KDHE office, Forbes Field, Topeka, (913) 296-1580.

K.S.A. 65-3008 provides that any person affected by the issuance of a permit can request a public hearing prior to its issuance. The request for hearing must be in writing and addressed to the secretary. If the secretary determines there is sufficient reason in the request, a public hearing will be conducted—the place, date and time of the hearing will be announced in this publication. A request for hearing or written comments on the proposed permit must be submitted to the Secretary, KDHE, Landon State Office Building, 900 S.W. Jackson, Topeka 66612, before January 27.

**Notice Concerning Kansas  
Water Pollution Control Permits**

In accordance with state regulations 28-16-57 through 28-16-63, 28-16-83 through 28-16-98, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, tentative permits have been prepared for discharges to the waters of the United States and the state of Kansas for the applicants described below. The tentative determinations for permit content are based on preliminary staff review, applying the appropriate standards, regulations and effluent limitations of the state of Kansas and the EPA, and when issued will result in a state water pollution control permit and national pollutant discharge elimination system authorization to discharge subject to certain effluent limitations and special conditions.

---	---	--

Description of Facility: This facility manufactures small buses for commercial use. Small parts are processed in a conversion coating process prior to being painted.

<p><b>Name and Address of Applicant</b>                  Westport Addition                  P.O. Box 729                  Great Bend, KS 67530                  Barton County, Kansas                  Kansas Permit No. P-UA16-0003</p>	<p><b>POTW</b>                  Great Bend                  MWWTP</p>	<p><b>Type of Discharge</b>                  Process                  wastewater</p>
--	---	--

Description of Facility: This industry manufactures a wide range of household cleaners and floor finishes and strippers. Metal mop handles are processed in a conversion coating process, which consists of a two-state phosphating process.

<p><b>Name and Address of Applicant</b>                  Gordon-Piatt Energy                  Group                  P.O. Box 650                  Winfield, KS 67156                  Barton County, Kansas                  Kansas Permit No. P-WA17-1002</p>	<p><b>POTW</b>                  Strother Field,                  Industrial Park                  MWWTP</p>	<p><b>Type of Discharge</b>                  Process                  wastewater</p>
---	---	--

Description of Facility: This facility manufactures combustion equipment for gas, oil and solid fuel burners. Steel parts for burners are processed in a three-stage conversion coating (phosphating) operation before they are painted. This operation discharges intermittently. This industry also has an intermittent discharge from a chem-film (chromating) operation, used to clean aluminum parts. A tumbling operation is located on-site, but is not connected to the sanitary sewer.

<p><b>Name and Address of Applicant</b>                  Oxwell, Inc.                  600 E. 15th                  Wellington, KS 67152                  Sumner County, Kansas                  Kansas Permit No. P-AR92-0001</p>	<p><b>POTW</b>                  Wellington                  MWWTP</p>	<p><b>Type of Discharge</b>                  Process                  wastewater</p>
--	---	--

Description of Facility: This facility manufactures, tests, and overhauls aircraft instruments, oil coolers and pumps. This facility performs chemical conversion coating on these parts.

<p><b>Name and Address of Applicant</b>                  Snorkel-Economy                  A Figgie International                  Company                  Elwood Facility                  P.O. Box 65                  Stockyards Station                  St. Joseph, MO 64504                  Doniphan County, Kansas                  Kansas Permit No. P-M005-0001</p>	<p><b>POTW</b>                  Elwood MWWTP</p>	<p><b>Type of Discharge</b>                  Process                  wastewater</p>
---	--	--

Description of Facility: This facility manufactures aerial lift platforms. This facility has a conversion coating (phosphating) operation used to treat steel parts prior to painting them.

Written comments on the proposed determinations may be submitted to Bethel Spotts, Permit Clerk, Kansas Department of Health and Environment, Division of Environment, Bureau of Water, Forbes Field, Topeka 66620. All comments received prior to January 24 will be considered in the formulation of final determinations regarding this public notice. Please refer to the appropriate public notice number (KS-91-229 and KS-PT-91-10/15) and the name of applicant as listed when preparing comments. If no objections are received, the Secretary of Health and Environment will issue the final determinations. If response to this notice indicates significant public interest, a public hearing may be held in conformance with state regulation 28-16-61. Media coordination (newspapers, radio) for publication and/or announcement of the public notice or public hearing is handled by the Kansas Department of Health and Environment.

The application, proposed permit, including proposed effluent limitations and special conditions, fact sheets as appropriate, comments received, and other information are on file and may be inspected at the Kansas Department of Health and Environment offices, Building 740, Forbes Field, Topeka, from 8 a.m. to 4:30 p.m. Monday through Friday. The documents are available upon request at the copying cost assessed by KDHE. Additional copies of this public notice also may be obtained at the Division of Environment.

Azzie Young  
 Secretary of Health  
 and Environment

## State of Kansas

## State Corporation Commission

## Notice of Hearing

The State Corporation Commission has directed that a hearing be conducted (pursuant to K.S.A. 1990 Supp. 55-603, 55-604, 55-703 and K.S.A. 55-703a) to allow the following to show cause as to why their basic proration orders should not be dissolved:

- In the matter of establishing a well spacing pattern in the Mississippi Oil Reservoir of the Eakin Northwest Field, Hodgeman County, Kansas, and for the establishment of appropriate allowables for wells drilled therein, affecting the S/2 of Section 08, the S/2 of Section 09, the S/2 of Section 10, and all of Sections 15, 16, 17, 20, 21 and 22, Township 21 South, Range 21 West, Hodgeman County, Kansas, Docket No. 72,211-C (C-10,462).
- In the matter of an order establishing a Basic Proration Order and well location restrictions in a common source of supply in the Mississippian formation in Sumner County, Kansas, herein referred to as Bates Pool, and for the establishment of appropriate allowables for wells drilled therein, affecting Sections 30 and 31, Township 30 South, Range 01 West; and the SE/4 of Section 25 and the E/2 of Section 36, Township 30 South, Range 02 West, Sumner County, Kansas. Docket 80,612-C (C-13,224).
- In the matter of establishing a well spacing pattern in the Simpson Oil Reservoir of the Interchange Field, Sumner County, Kansas, and for the establishment of appropriate allowables for wells drilled therein, affecting all of Sections 18 and 19, the W/2 of Sections 17 and 20, NW/4 of Section 29 and W/2 of Section 30, Township 32 South, Range 01 East; and the E/2 of Sections 13 and 24, and NE/4 of Section 25, Township 32 South, Range 01 West, Sumner County, Kansas. Docket No. 70,065-C (C-9791).
- In the matter of establishing rules and regulations relating to the production, sale and conservation of crude oil in the Upper Morrow Reservoir in the Berryman Field in Morton County, Kansas, affecting all of Sections 8, 9, 16, 17, 20 and 21, the SE/4 of Section 04, the NE/4 and W/2 of Section 10, W/2 of Section 15 and W/2 of Section 22, Township 33 South, Range 41 West, Morton County, Kansas. Docket No. 69,842-C (C-9715).
- In the matter of establishing rules and regulations relating to the production, sale and conservation of crude oil in the Mississippi (St. Louis) Reservoir of the Cimarron Valley SW Field in Morton County, Kansas, affecting all of Sections 17, 18, 19 and 20, Township 33 South, Range 40 West, Morton County, Kansas. Docket No. 76,878-C (C-11,960).
- In the matter of establishing rules and regulations relating to the production, sale and conservation of crude oil in the Morrow (Keyes) Reservoir of the Cimarron Valley Field in Morton County, Kansas, affecting in all of Sections 08, 09, 16 and 17, Township 33 South, Range 40 West, Morton County, Kansas. Docket No. 72-849-C (C-10,699).
- In the matter of establishing rules and regulations relating to the production, sale and conservation of crude oil in the Upper Morrow Reservoir of the Elkhart Field in Morton County, Kansas, affecting Section 14 and fractional Section 23, Township 35 South, Range 43 West, Morton County, Kansas. Docket No. 72,848-C (C-10,698).
- In the matter of establishing a well spacing pattern in the Interstate Purdy-Morrow Oil Pool of the Interstate Oil Field in Morton County, Kansas, and for the establishment of appropriate allowables for wells drilled therein, affecting all of Sections 8, 9, 16, 17, 20, 21, 28, 29, 30, 31 and 32, Township 34 South, Range 43 West; and all of Section 05 and the E/2 of Section 06, Township 35 South, Range 43 West, Morton County, Kansas. Docket No. 61,917-C (C-7515).
- In the matter of establishing rules and regulations relating to the production, sale and conservation of crude oil in the Lower Morrow Reservoir of the Wilburton Field in Morton County, Kansas, affecting Section 05, Township 35 South, Range 41 West, Morton County, Kansas. Docket No. 72,651-C (C-10,637).
- In the matter of establishing rules and regulations relating to the production, sale and conservation of crude oil in the Upper Morrow Reservoir of the Wilburton Field in Morton County, Kansas, affecting Sections 27 and 28, the E/2 and SW/4 of Section 29, Sections 32, 33 and 34, Township 34 South, Range 41 West; and Sections 3, 4, 5, 8, 9 and 10, Township 35 South, Range 41 West, Morton County, Kansas. Docket No. 73,954-C (C-11,047).
- In the matter of establishing rules and regulations relating to the production, sale and conservation of crude oil in the Morrow "C" Reservoir of the Wilburton Field in Morton County, Kansas, affecting Sections 27 and 28, the E/2 and SW/4 of Section 29, Sections 32, 33 and 34, Township 34 South, Range 41 West; and Sections 3, 4, 5, 8, 9 and 10, Township 35 South, Range 41 West, Morton County, Kansas. Docket No. 64,472-C (C-8242).
- In the matter of establishing rules and regulations relating to the production, sale and conservation of crude oil in the Morrow "C" Reservoir of the Wilburton Southwest Field in Morton County, Kansas, affecting Section 18 and fractional Section 19, Township 35 South, Range 41 West; and Section 13 and fractional Section 24, Township 35 South, Range 42 West, Morton County, Kansas. Docket No. 74,630-C (C-11,307).
- In the matter of an order establishing a well spacing pattern in the Morrow G Reservoir in an unnamed field believed to underlie portions of Morton County, Kansas, and for the establishment of appropriate allowables for wells drilled therein, affecting Section 10, Township 35 South, Range 41 West, Morton County, Kansas. Docket No. 82,383-C (C-13,799).
- In the matter of establishing rules and regulations relating to the production, sale and conservation of

- natural gas in the Tatlock Southwest Gas Field of Pratt, Edwards and Kiowa counties, Kansas, affecting all of Section 19; S/2 of Section 20; all of Section 29; all of Section 30; all of Section 31; all of Section 32, Township 26 South, Range 15 West; and all of Sections 5 and 6, Township 27 South, Range 15 West, Pratt County, Kansas; all of Sections 23, 24, 25, 26, 35 and 36, Township 26 South, Range 16 West, Edwards County, Kansas; and all of Section 01, Township 27 South, Range 16 West, Kiowa County, Kansas. Docket No. 57,517-C (C-6401).
- In the matter of establishing rules and regulations relating to acreage and well spacing for the production of natural gas in the Thach South Mississippi Gas Pool in Kiowa County, Kansas, affecting Sections 29, 30, 31 and 32, Township 29 South, Range 19 West; Sections 5 and 6, Township 30 South, Range 19 West; Sections 25 and 36, Township 29 South, Range 20 West; and Section 01, Township 30 South, Range 20 West, Kiowa County, Kansas. Docket No. 89,752-C (C-15,647).
  - In the matter of establishing rules and regulations relating to acreage and well spacing for the production of natural gas in the Thatch Mississippi Gas Pool in Kiowa County, Kansas, affecting Sections 3, 4, 5, 6, 7, 8, 9, 10, 15, 16, 17, 18, 19, 20, 21, 22, 27, 28, 29, 30, 31, and 32, Township 29 South, Range 19 West; Sections 12, 13, 23, 24, 25, 26 and 36, Township 29 South, Range 20 West; and Sections 5 and 6, Township 30 South, Range 19 West, Kiowa County, Kansas. Docket No. 77-235-C (C-12,132).
  - In the matter of an order establishing a well spacing order for the Mullinville Southwest Mississippian Gas Pool, in Kiowa County, Kansas, and establishing appropriate allowables for wells producing therefrom, affecting Section 15, and E/2 of Section 16, the NW/4 of Section 22, and the NW/4 of Section 21, Township 28 South, Range 20 West, Kiowa County, Kansas. Docket No. 142,799-C (C-20,671).
  - In the matter of an order establishing rules and regulations relating to the formation of drilling units, well spacing and location, production, sale and conservation of gas in the Mississippian formation in certain lands in Kiowa County, Kansas, affecting Sections 5, 6, 7, and 8, Township 28 South, Range 20 West, Kiowa County, Kansas. Docket No. 111,334-C (C-18,777).
  - In the matter of an order establishing a well spacing pattern and well location restrictions in the Mississippian Reservoir, being a separate common source of supply in Kiowa County, Kansas, affecting all of Sections 4, 5, 6, 7, 8 and 9, Township 29 South, Range 19 West; all of Sections 19, 20, 29, 30, 31, 32 and 33, Township 28 South, Range 19 West; all of Sections 24, 25 and 36, Township 28 South, Range 20 West; and all of Section 1, Township 29 South, Range 20 West, Kiowa County, Kansas. Docket Nos 89,273-C (C-15,572) and 90,260-C (C-15,777).
  - In the matter of an order establishing 40-acre oil spacing and 640-acre gas spacing for the Mule Creek Northeast Mississippi Oil and Gas Pool in Kiowa and Comanche counties, Kansas, affecting Sections 33, 34, 35 and 36, Township 30 South, Range 18 West, Kiowa County, Kansas; and Sections 1, 2, 3, 4, 9, 10, 11, 12, 13, 14, 15, 22, 23, 24, 26 and 27, the W/2 of Section 25, Township 31 South, Range 18 West, Comanche County, Kansas. Docket No. 81,364-C (C-13,450).
  - In the matter of a Basic Spacing Order in the Mississippi formation in Kiowa County, Kansas, affecting Sections 22, 23, 24, 25, 26, 27, 34, 35 and 36, Township 28 South, Range 19 West, Kiowa County, Kansas. Docket No. 80,645-C (C-13,245).
  - In the matter of an order establishing 320-acre well spacing and well location restrictions in the Mississippian formation, being a separate common source of supply in the Einsel Gas Pool located in Kiowa and Edwards counties, Kansas, affecting all of Section 5, 6, 7, 8, 17, 18, 19, and the N/2 of Section 30, Township 27 South, Range 20 West, Kiowa County, Kansas; and all of Sections 31, 32 and 33, Township 26 South, Range 20 West, Edwards County, Kansas. Docket No. 94,498-C (C-16,469).
  - In the matter of establishing rules and regulations relating to well density, production, and the conservation of natural gas in the Kinsler East Morrow Gas Pool, Morton County, Kansas, affecting Sections 30 and 31, Township 31 South, Range 39 West; Sections 6, 7, 8, 16, 17, 18, 19, 20, 21, 28, 29 and 30, Township 32 South, Range 39 West; Sections 10, 11, 14, 15, 23, 24, 25, 26, 27, 35 and 36, Township 31 South, Range 40 West; and Sections 1, 2, 11, 12, 13, 14, 23, 24, 25, 26 and 35, Township 32 South, Range 40 West, Morton County, Kansas. Docket No. 69,313-C (C-9506).
  - In the matter of an order establishing a Basic Spacing Order for the pool to be designated the Winter Upper Morrow Oil and Gas Pool for certain lands in Morton County, Kansas, affecting Section 13 and 24, Township 33 South, Range 43 West; and Sections 18 and 19, Township 33 South, Range 42 West, Morton County, Kansas. Docket No. 130,859-C (C-19,929).
- The hearing will be at 9 a.m. Thursday, January 16, in the third floor hearing room, 300 Colorado Derby Building, 202 W. 1st, Wichita. Further information can be obtained by contacting William J. Wix, Assistant General Counsel, State Corporation Commission, Conservation Division, 202 W. 1st, Wichita 67202, (316) 263-3238.

**Notice of Redemption  
City of Riley, Kansas  
First Mortgage Housing Revenue Bonds  
Series 1980  
Dated August 1, 1980**

Notice is hereby given pursuant to Article III of the Indenture dated as of August 1, 1980, and by and between the city of Riley, Kansas, all of the city's outstanding First Mortgage Housing Revenue Bonds, Series 1980, dated August 1, 1980, maturing on and after August 1, 1992, will be redeemed and paid on February 1, 1992 (the redemption date), prior to their respective maturities, subject to the provisions and limitations set forth herein and in said Indenture.

The 1980 Bonds to be redeemed on February 1, 1992, mature on August 1, 1992, and on August 1 in each year thereafter to and including August 1, 1996, and on August 1 in the years 2000, 2005 and 2010, respectively, as set forth in the Indenture.

This notice of redemption, and the payment of the principal of and interest on the aforesaid 1980 Bonds on the specified redemption date, are subject to the issuance and delivery by the city of its First Mortgage Housing Revenue Refunding Bonds on or before the redemption date in an amount sufficient to provide funds to pay the specified redemption price of the 1980 Bonds. In the event said refunding bonds have not been issued on or prior to the redemption date, this notice shall be null and void and of no force and effect, the 1980 Bonds delivered for redemption shall be returned to the respective owners thereof, and said 1980 Bonds shall remain outstanding as though this notice of redemption had not been given.

The principal amount of the above described 1980 Bonds shall become due and payable on February 1, 1992, at a redemption price equal to the par value of the principal amount thereof, plus accrued interest thereon to said redemption date, together with a premium equal to 2½ percent of the par value of the principal amount of the 1980 Bonds so called for redemption and payment.

On February 1, 1992, provided that funds are on hand to pay the specified redemption price, all the 1980 Bonds will be due and payable upon presentation and surrender of said 1980 Bonds with all unmatured coupons attached thereto at the principal offices of the trustee and paying agent, Highland Park Bank and Trust, 2100 S.E. 29th, P.O. Box 5228, Topeka, KS 66605, Attention: Trust Department; and from and after February 1, 1992, all interest on the 1980 Bonds will cease to accrue.

Under the provisions of the Interest Dividend Tax Compliance Act of 1979, paying agents making payments of interest or principal on corporate securities or making payments of principal on municipal securities may be obligated to withhold a 20 percent tax remittance to individuals who fail to furnish the paying agent with a valid taxpayer identification number. Holders of the 1980 Bonds who wish to avoid the imposition of this tax should submit certified taxpayer

identification numbers when presenting their bonds for payment.

Dated December 20, 1991.

Doc. No. 011430

(Published in the Kansas Register, December 26, 1991.)

**Notice of Call for Redemption  
to the holders of  
City of El Dorado, Kansas  
Hospital Revenue Bonds  
(Susan B. Allen Memorial Hospital)  
(Series of 1979)**

Notice is hereby given that pursuant to Section 5 of Ordinance No. S-633 of the city of El Dorado, Kansas, that all of the above mentioned bonds maturing on and after August 1, 1992, and all unmatured coupons appertaining to such of the bonds as are coupon bonds, have been called for redemption and payment on February 1, 1992, at the office of Bank IV Topeka, National Association (formerly First National Bank of Topeka), Topeka, Kansas (the paying agent).

CUSIP Nos.	Maturity Date	Principal Amount	Interest Rate
283164 AK7	08-01-92	\$265,000	7¾%
283164 AL5	08-01-93	285,000	7¾%
283164 AM3	08-01-94	310,000	7¾%

**Term Bonds**

283164 AN1	08-01-99	\$1,975,000	8.10%
------------	----------	-------------	-------

On such redemption date there shall become due and payable, upon the presentation and surrender of each such bond and unmatured coupons, at Bank IV Topeka, N.A., c/o Bank IV Wichita, N.A., 100 N. Broadway, 3rd Floor Exchange Place, Corporate Trust Operations, Wichita, KS 67202, the redemption price thereof equal to 102 percent of the principal amount of each bond together with interest accrued to the redemption date. Interest shall cease to accrue on the bonds so called for redemption from and after February 1, 1992, subject to the condition that sufficient funds for redemption are then on deposit with the paying agent from the proceeds of refunding bonds issued by the city.

Under the provisions of the Interest and Dividend Tax Compliance Act of 1983, paying agents making payments of interest or principal on corporate securities or making payments of principal on municipal securities may be obligated to withhold a 20 percent tax from remittances to individuals who have failed to furnish the paying agent with a valid taxpayer identification number. Holders of the Series 1979 Bonds who wish to avoid the imposition of the tax should submit certified taxpayer identification numbers when presenting the bonds for payment.

Dated December 26, 1991.

(Published in the Kansas Register, December 26, 1991.)

Summary Notice of Bond Sale

\$300,000

City of Winona, Kansas

General Obligation Gas System Bonds
(general obligation bonds payable from
unlimited ad valorem taxes)

Table with 2 columns: Denomination (15,000 to 35,000) and Year (2003 to 2011)

Details of the Sale

Subject to the terms and conditions of the complete official notice of bond sale dated January 7, 1992, of the city of Winona, Kansas, in connection with the city's General Obligation Gas System Bonds hereinafter described, sealed, written bids shall be received in the city clerk's office at Winona City Hall until 7 p.m. central time on Tuesday, January 7, 1992, for the purchase of the bonds. All bids shall be publicly opened, read aloud and considered on said date and at said time and shall be immediately thereafter acted upon by the governing body of the city.

No oral or auction bids for the bonds shall be considered, and no bids for less than the entire amount of the bonds shall be considered.

Bids shall be accepted only on the official bid form that has been prepared for the public bidding on these bonds, which may be obtained from the city clerk or from the city's financial advisor. Bids may be submitted by mail or may be delivered in person, and must be received at the place and no later than the date and time hereinbefore specified. Each bid shall be accompanied by a good faith deposit in the form of a certified or cashier's check drawn on a bank located within the United States and made payable to the order of the city, and shall be in an amount equal to 2 percent of the principal amount of the bonds.

Details of the Bonds

The bonds to be sold are in the aggregate principal amount of \$300,000. The bonds shall be issued as fully registered bonds in denominations of \$5,000, or any integral multiple thereof not exceeding the principal amount of bonds maturing in any year. The bonds shall bear a dated date of January 1, 1992. The bonds shall bear interest, payable as hereinafter set forth, at the rates specified by the successful bidder for the bonds. The bonds are not subject to redemption prior to their maturities.

Interest on the bonds shall be payable semiannually on March 1 and September 1 in each year, commencing March 1, 1993, and the bonds shall mature serially on September 1 in each of the years and principal amounts as follows:

Table with 2 columns: Principal Amount and Maturity Date

Payment of Principal and Interest

The Kansas State Treasurer shall serve as the bond registrar and paying agent for the bonds, and the principal of the bonds shall be payable upon surrender at the paying agent's principal offices in the city of Topeka, Kansas. Interest shall be paid by the mailing of a check or draft of the paying agent to the registered owners of the bonds.

Security for the Bonds

The bonds and the interest thereon shall constitute general obligations of the city, and the full faith, credit and resources of the city shall be pledged to the payment thereof. The city shall be obligated to levy ad valorem taxes without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city for the purpose of paying the bonds and the interest thereon.

Delivery of the Bonds

The bonds, duly printed, executed and registered, shall be furnished and delivered at the expense of the city to the successful bidder, or at its direction, on or about Thursday, January 30, 1992, at such bank or trust company or other qualified depository in the state of Kansas or Kansas City, Missouri, as may be specified by the successful bidder. Delivery elsewhere shall be made at the expense of the successful bidder.

Legal Opinion

The bonds will be sold subject to the legal opinion of Hinkle, Eberhart & Elkouri, Wichita, Kansas, bond counsel, whose fees will be paid by the city. Bond counsel's approving legal opinion as to the validity of the bonds will be printed on the bonds and will be delivered to the successful bidder upon delivery of the bonds. (Reference is made to the official notice of bond sale for a discussion of tax exemption and other legal matters.)

Financial Matters

The city's 1991 assessed valuation is as follows:

Table with 2 columns: Valuation Category and Amount

The city's outstanding general obligation bonded indebtedness at January 1, 1992, not including the bonds described herein, will be in the principal amount of \$74,000.

Official Statement

The city has prepared a preliminary official statement relating to the bonds, copies of which may be obtained from the city or the city's financial advisor. The pre-

liminary official statement is in a form "deemed final" by the city for the purpose of the Securities Exchange Commission's Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in the final official statement. Upon the sale of the bonds, the city shall furnish the successful bidder with a reasonable number of copies of the final official statement, without additional cost, upon request. Copies of the final official statement in excess of a reasonable number may be ordered at the successful bidder's expense.

1995	1,380,000
1996	1,435,000
1997	1,500,000

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on April 1 and October 1 in each year, beginning on April 1, 1992.

**Paying Agent and Bond Registrar**  
 Kansas State Treasurer, Topeka, Kansas.

**Good Faith Deposit**

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$163,500 (2 percent of the principal amount of the bonds).

**Delivery**

The school district will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or before January 30, 1992, at such bank or trust company in the state of Kansas or Kansas City, Missouri, as may be specified by the successful bidder.

**Assessed Valuation and Indebtedness**

The school district's equalized assessed tangible valuation for computation of bonded debt limitations for the year 1990 is \$1,750,380,154. The total general obligation indebtedness of the school district as of the date of the bonds, including the bonds being sold, is \$42,300,000.

**Approval of Bonds**

The bonds will be sold subject to the legal opinion of Gilmore & Bell, Overland Park, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the school district, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

**Additional Information**

Additional information regarding the bonds may be obtained from Connie Sue Brand, Supervisor of Finance, 7235 Antioch, Overland Park, KS 66204, (913) 831-1900; from the financial advisor, Ranson Capital Corporation, 120 S. Market, Suite 450, Wichita, KS 67202, Attention: Jeff Ray, (316) 262-4955; or from Gilmore & Bell, Bond Counsel, 6800 College Blvd., Financial Plaza II, Suite 150, Overland Park, KS 66211-1533, (913) 661-0001.

Dated December 19, 1991.

2006	20,000
2007	20,000

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on January 1 and July 1 in each year, beginning on July 1, 1992.

**Paying Agent and Bond Registrar**

Kansas State Treasurer, Topeka, Kansas.

**Good Faith Deposit**

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$4,000 (2 percent of the principal amount of the bonds).

**Delivery**

The issuer will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or before January 28, 1992, at such bank or trust company in the state of Kansas or Kansas City, Missouri, as may be specified by the successful bidder.

**Assessed Valuation and Indebtedness**

The equalized assessed tangible valuation for computation of bonded debt limitations for the year 1991 is \$8,915,037. The total general obligation indebtedness of the issuer as of the date of the bonds, including the bonds being sold, is \$640,000.

**Approval of Bonds**

The bonds will be sold subject to the legal opinion of Gilmore & Bell, Wichita, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the issuer, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

**Additional Information**

Additional information regarding the bonds may be obtained from the clerk, (913) 594-6427, or from the financial advisor, Hanifen, Imhoff Inc., 250 N. Rock Road, Suite 213, Wichita, KS 67206, Attention: Gale W. Doner, (316) 682-1001.

Dated December 9, 1991.

City of Baldwin City, Kansas

Doc. No. 011424

**State of Kansas****Department of Wildlife and Parks****Permanent Administrative Regulations****Article 1.—DEFINITIONS**

**115-1-1. Definitions.** (a) The following definitions shall apply to all department regulations:

(1) "Arrow" means a missile shot from a bow or a crossbow.

(2) "Bag limit" means the maximum number of any species, except fish and frogs, that may be taken by a person in a calendar day.

(3) "Bait fish" means a member of the minnow or carp family (*Cyprinidae*), sucker family (*Catostomidae*), top minnows or killifish family (*Cyprinodontidae*), shad family (*Clupeidae*), and sunfish family (*Centrarchidae*), but excluding black basses and crappie. Any fish listed in K.A.R. 115-15-1 or K.A.R. 115-15-2 shall not be considered as bait fish.

(4) "Bird dog" means a dog used to point, flush or retrieve game birds or migratory birds or both.

(5) "Bow" means a hand-held device with a cord that connects both of its two ends and designed to propel an arrow. This includes long, recurve and compound bows.

(6) "Bridle path" means an established, maintained and marked pathway for the riding of animals.

(7) "Camping" means an activity involving an overnight stay in association with a camping unit.

(8) "Camping unit" means any vehicle or shelter specifically used for sleeping upon a portion of department lands or waters.

(9) "Cast net" means a circular or conical weighted

net designed to be cast mouth downward by hand and withdrawn by lines attached to its margin.

(10) "Creel limit" means the maximum total number of any species of fish or frogs that may be taken by a person in a calendar day.

(11) "Crossbow" means a transverse mounted bow with a cord that connects the two ends and that is designed to propel an arrow, including compound crossbows. The arrow is released by a mechanical trigger.

(12) "Department lands and waters" means state parks, state lakes, recreational grounds, wildlife areas, sanctuaries, fish hatcheries, natural areas, historic sites and other lands, waters and facilities under the jurisdiction and control of the secretary through ownership, lease, license, cooperative agreement, memorandum of understanding, or other arrangement.

(13) "Depth finder" means an electronic device used to locate fish or determine underwater structures.

(14) "Dip net" means a hand held net with rigid support about the mouth and used to land fish.

(15) "Draft livestock" means horses, mules, donkeys, or oxen used singly or in tandem with other horses, mules, donkeys or oxen for pulling purposes.

(16) "Drag event" means a competitive event where hounds pursue a scent trail. The event may involve a caged pen-raised furbearer that is not released from the cage during the event.

(17) "Dryland set" means any trapping device which is placed or set on land or is not in contact with water.

(18) "Eyass" means a young of the year raptor not yet capable of flight.

(19) "Falconer" means the holder of a falconry permit.

(20) "Falconry" means the taking of wildlife with a trained raptor.

(21) "Field trial event for dogs" means a competitive event involving at least six dogs that are judged on hunting or running ability.

(22) "Firearm" means a rimfire or centerfire rifle, handgun, shotgun, a muzzleloading shotgun, rifle or handgun and a cap and ball pistol.

(23) "Firing" means an open-top, man-made fire retaining device.

(24) "Fireplace" means an enclosed, man-made fire retaining device.

(25) "Fishing line" means any hand-operated string or cord, utilizing hooks which may be used in conjunction with rods, poles, reels, bows or spearguns.

(26) "Fish trap" means a device for catching fish consisting of a net or other structure which diverts the fish into an enclosure arranged to make escape more difficult than entry.

(27) "Fully automatic firearm" means a rifle or handgun capable of firing more than one cartridge with a single trigger pull.

(28) "Gaff" means a hook attached to a rigid pole.

(29) "Gig" means a hand-operated spear with one or more prongs with or without barbs.

(30) "Haggard" means an adult raptor in mature plumage.

(31) "Hook" means a device with a single shaft and

one or more points with or without barbs used for catching fish and frogs.

(32) "Imping" means the repair of damaged feathers.

(33) "Moorage site" means a location designated for the fastening or securing of a vessel.

(34) "Nonsport fish" means carp, drum, white amur, threadfin and gizzard shad, goldfish, gar, suckers (including carpsuckers and buffalo), eel, sturgeon, goldeye and bowfin.

(35) "Orthopedic device" means a device that attaches to the body and is required to enable a handicapped person to walk.

(36) "Passage" means an immature raptor on first fall migration still in immature plumage.

(37) "Pen-raised wildlife" means any wildlife raised in captivity.

(38) "Pets" means dogs and cats.

(39) "Possession limit" means the maximum total number of a species that can be retained per person at any one time.

(40) "Raptors" means members of the order falconiformes or strigiforms and specifically falcons, hawks and owls.

(41) "Running" means the pursuing or chasing of furbearers with hounds, but not including the capturing, killing, injuring or possessing of furbearers or having a firearm or other weapon in possession while running, except during established furbearer hunting seasons.

(42) "Sanctioned or licensed coyote field trial" means a competitive event involving only sight or trail hounds, which has been advertised in one of the national fox hound journals not less than 30 days prior to the event.

(43) "Sanctioned or licensed furbearer field trial" means a competitive event in which dogs pursue unrestrained furbearers and which is sanctioned or licensed by any of the national kennel or field dog organizations for the express purpose of improving the quality of the breed through the awarding of points or credits toward specific class championships or other national recognition.

(44) "Seine" means a net with a float line and lead line designed to be pulled through the water for the purpose of catching fish.

(45) "Set line" means a string or cord anchored at one point, with not more than two hooks and not associated with a hand-operated mechanical reel.

(46) "Sight hound" means a dog used to pursue furbearers, rabbits, hares or coyotes by sight.

(47) "Skin and scuba diving" means to swim or dive equipped with a face mask or goggles allowing underwater vision and possibly involving an underwater breathing apparatus.

(48) "Snagging" means the hooking of a fish in any part of its anatomy other than the inside of the mouth.

(49) "Speargun" means a device used to propel a spear through the water by mechanical means or compressed gas.

(50) "Sport fish" means northern pike, walleye, saug-eye, sauger, yellow perch, striped bass, white bass,

(continued)

black bass (largemouth, spotted and smallmouth), striped bass hybrid, trout, muskellunge, tiger muskie, channel catfish, blue catfish, flathead catfish, paddlefish, and panfish (bullhead, black and white crappie, bluegill, redear sunfish, green sunfish, warmouth, rock bass).

(51) "State fishing lake" means a department facility which contains the words state fishing lake in the name of the area.

(52) "Tip-up" means an ice fishing device designed to signal the strike of a fish.

(53) "Total fish length" means the length as measured from the tip of the snout to the end of the tail with mouth closed and the tail lobes pressed together.

(54) "Trail hound" means a dog used to trail furbearers, rabbits, hares or coyotes by scent.

(55) "Transfer" as it applies to licenses, permits and other issues of the department, means to reassign, to exchange between individuals, or for one individual to carry another individual's license or permit on their person when the other individual is not present.

(56) "Trot line" means a string or cord anchored at one or more points with not more than 25 hooks and not associated with a hand operated mechanical reel.

(57) "Unattended fishing line" means any fishing line set to catch fish that is not marked or tagged as required by K.A.R. 115-7-2 or K.A.R. 115-17-11 and not immediately attended by the operator of the fishing line.

(58) "Wake" means the waves thrown by a vessel moving on water.

(59) "Water race" means a competitive event where hounds pursue a scent device or a caged pen-raised furbearer through water. The furbearer is not released during the event.

(60) "Water set" means any trapping device which has the gripping portion placed or set in flowing or pooled water and remains in contact with the flowing or pooled water.

(b) Exceptions to the above definitions include when the context requires otherwise or is specifically defined otherwise within the regulations. (Authorized by and implementing K.S.A. 1990 Supp. 32-807; effective Dec. 26, 1989; amended Feb. 10, 1992.)

#### Article 7.—FISH AND FROGS

**115-7-1. Fishing; legal equipment, methods of take and other provisions.** (a) Legal equipment and methods for taking sport fish are listed as follows:

(1) fishing lines with not more than two baited hooks or artificial lures per line;

(2) trotlines;

(3) setlines;

(4) tip-ups; and

(5) snagging for paddlefish in waters posted by the department as open to snagging of paddlefish, subject to the following requirements:

(A) Each paddlefish caught and landed shall be included in the creel and possession limit.

(B) Each individual fishing for paddlefish shall place all paddlefish caught on a stringer, cord, cable, chain,

basket, sack, cage or other holding device that shall be marked with the individual's name and address.

(C) Each individual with a filled creel limit shall cease all snagging activity in the paddlefish snagging area until the next calendar day.

(C) Each individual taking paddlefish during the snagging season shall transport each paddlefish taken to a check station established by the department, and each paddlefish shall be taken to the check station immediately upon the filling of the daily creel limit or upon cessation of the day's fishing activity.

(E) Each paddlefish checked shall have a numbered tag attached to its lower jaw at the check station.

(F) Each individual shall provide their name, address and fishing license number to the check station attendant.

(b) Legal equipment and methods for taking non-sport fish are listed as follows:

(1) fishing lines with not more than two baited hooks or artificial lures per line;

(2) trotlines;

(3) setlines;

(4) tip-ups;

(5) bow and arrow. Each arrow shall be equipped with a barbed head with a line attached from bow to arrow;

(6) spear gun, without explosive charge, while skin or scuba diving. The spear, without explosive charge, shall be attached to the speargun or person by a line;

(7) snagging in waters posted by the department as open to snagging; and

(8) gigging.

(c) Dip nets and gaffs may be used to land any legally caught or hooked fish.

(d) Fish may be taken by any method as designated by the secretary when a fish salvage order has been issued by the secretary through public notice or posting the area open to fish salvage.

(e) Fish may be taken with the aid of boats, depth finders, artificial lights, sound attracters, and scents.

(f) Fish may be taken by legal means from vehicles. (Authorized by K.S.A. 1990 Supp. 32-807; implementing K.S.A. 1990 Supp. 32-807 and K.S.A. 1990 Supp. 32-1002; effective Dec. 26, 1989; amended Feb. 10, 1992.)

#### Article 8.—DEPARTMENT LANDS AND WATERS

**115-8-9. Camping.** (a) Camping shall be allowed only in designated areas on department lands and waters and subject to provisions or restrictions as established by posted notice.

(b) All campers and camping units are limited to a stay of not more than 14 consecutive days unless otherwise established by posted notice.

(c) Upon completing 14 consecutive days, each person and all property of each person shall be absent from the campground of last use for not less than 5 days.

(d) One extended camping stay of not more than 14 additional consecutive days at the same campground may be granted through a written permit issued by the department if vacant camping sites are available.

Upon completing 28 consecutive days at the same campground, each person and all property of each person shall be absent from the department-managed area for not less than 5 days.

(e) Camping units, except those belonging to the department, shall not be left unoccupied in a campground in excess of 24 hours.

(f) Vehicles or other property shall not be left unattended upon department lands or waters in excess of 24 hours.

(g) Any property unoccupied or unattended in excess of 48 hours or property abandoned upon department lands or waters shall be subject to removal by the department and may be reclaimed by the owner upon contacting the department. (Authorized by K.S.A. 1990 Supp. 32-807; implementing K.S.A. 1990 Supp. 32-807 and K.S.A. 1990 Supp. 32-1015; effective March 19, 1990; amended Feb. 10, 1992.)

#### Article 12.—GAME BREEDERS

**115-12-3. Game breeder permit requirement; other wildlife.** (a) A game breeder permit shall be required to engage in the business of raising and selling the following wildlife:

(a) species of reptiles or amphibians that are native to or indigenous to Kansas;

(b) mountain lion, *Felis concolor* Linnaeus;

(c) wolf, *Canis lupus* Say;

(d) black bear, *Ursus americanus* Pallas; and

(e) grizzly bear, *Ursus arctos horribilis* Ord. (Authorized by and implementing L. 1991, Chapter 106, section 1; effective Feb. 10, 1992.)

#### Article 20.—MISCELLANEOUS REGULATIONS

**115-20-3. Exotic wildlife; possession, sale and requirements.** (a) Subject to federal or state law or rules and regulations, exotic wildlife species may be imported, possessed, sold, offered for sale or purchased, provided the exotic wildlife was legally captured, raised, exported, possessed, sold or purchased or any combination of these activities in its place of origin.

(b) Exotic wildlife may be possessed without limit in time and number.

(c) Exotic wildlife shall be confined or controlled at all times and shall not be released onto the lands or into the waters of this state.

(d) Exotic wildlife shall only include those wildlife species which are non-migratory and are not native or indigenous to Kansas, or do not presently exist in Kansas as an established wild population. (Authorized by K.S.A. 1990 Supp. 32-807; implementing K.S.A. 1990 Supp. 32-807 and K.S.A. 1990 Supp. 32-1002; effective Sept. 10, 1990; amended Feb. 10, 1992.)

**115-20-4. Possession of certain wildlife.** (a) Any person possessing one of the following animals shall be required to obtain a possession permit:

(1) mountain lion, *Felis concolor* Linnaeus;

(2) wolf, *Canis lupus* Say;

(3) black bear, *Ursus americanus* Pallas; and

(4) grizzly bear, *Ursus arctos horribilis* Ord.

(b) Any individual may apply to the secretary for a

possession permit. The applicant shall provide the following information:

(1) the name of the applicant;

(2) the address of the applicant;

(3) the telephone number of the applicant;

(4) the species and number of wildlife for which the possession permit is requested;

(5) the purpose for which the wildlife would be possessed;

(6) proof of purchase or receipt; and

(7) other information as requested by the secretary.

(c) Each permittee shall submit a report to the department describing changes in wildlife possession as authorized by the possession permit. The report shall be submitted within five days after the change occurred, except that the escape of any possessed wildlife shall be reported within 24 hours. Changes for which a report shall be required include:

(1) any possessed wildlife sold or otherwise disposed of;

(2) any wildlife purchased or otherwise acquired;

(3) the death of any possessed wildlife; or

(4) the escape of any possessed wildlife.

(d) Each permittee shall only possess wildlife species and numbers as authorized in the possession permit.

(e) The possession permit shall be valid from date of issue and shall expire upon request of the permittee or as so ordered by any legal authority.

(f) The possession of wildlife listed in subsection (a) shall be subject to all federal and state laws and regulations and to all local ordinances.

(g) The provisions of this regulation shall not apply to:

(1) zoos;

(2) licensed veterinarians;

(3) transportation of such wildlife through the state;

(4) possession of such wildlife when the possession shall not exceed five days; or

(5) such wildlife possessed for scientific, educational or display purposes by:

(A) a school or university; or

(B) a circus or other similar business enterprise offering public viewing opportunity. (Authorized by K.S.A. 1990 Supp. 32-807; implementing K.S.A. 1990 Supp. 32-807 and K.S.A. 1990 Supp. 32-1002; effective Feb. 10, 1992.)

Jack Lacey

**9-13-3.** (Authorized by and implementing K.S.A. 47-1712; effective Jan. 1, 1974; revoked, T-9-7-1-91, July 1, 1991; revoked, T-9-10-22-91, Oct. 22, 1991; revoked Feb. 10, 1992.)

**Article 18.—ANIMAL FACILITY INSPECTION PROGRAM—LICENSE AND REGISTRATION FEES**

**9-18-1. Fees.** (a) Each applicant for a license and each registrant under K.S.A. 47-1701 et seq., and any amendments thereto shall pay the application fee as set forth below:

- (1) License for animal dealer premises of a person licensed under 7 U.S.C. sec. 2131 et seq. .... \$150.00;
- (2) License for animal dealer premises of a person not licensed under 7 U.S.C. sec. 2131 et seq. .... \$300.00;
- (3) License for a pound or shelter..... \$200.00;
- (4) License for an operator of a pet shop licensed under 7 U.S.C. sec. 2131 et seq. .... \$150.00;
- (5) License for an operator of a pet shop not licensed under 7 U.S.C. sec. 2131 et seq. .... \$300.00;
- (6) License for an operator of a research facility licensed under 7 U.S.C. sec. 2131 et seq. .... \$150.00;
- (7) License for an operator of a research facility not licensed under 7 U.S.C. sec. 2131 et seq. .... \$300.00;
- (8) Registration of hobby kennel operators or boarding kennel operators ..... \$76.00.

(Authorized by and implementing K.S.A. 1990 Supp. 47-1721, as amended by L. 1991, Ch. 152, Sec. 23(a)(b); effective, T-9-7-22-89, July 27, 1989; amended Sept. 11, 1989; amended, T-9-7-1-91, July 1, 1991; amended, T-9-10-22-91, Oct. 22, 1991; amended Feb. 10, 1992.)

**Article 19.—ANIMAL DEALERS—FACILITY STANDARDS; ANIMAL HEALTH, HUSBANDRY AND OPERATIONAL STANDARDS**

**9-19-1. Housing facilities, general.** (a) Design and construction. Housing facilities for dogs and cats shall be designed and constructed so that they are structurally sound. They shall be kept in good repair, protect the animals from injury, contain the animals securely, and restrict other animals from entering.

(b) Condition and site. Housing facilities and areas used for storing animal food or bedding shall be free of any accumulation of trash, waste material, junk, weeds, and other discarded materials. Animal areas inside of housing facilities shall be kept neat and free of clutter. However, these areas may contain materials which are necessary for cleaning the area, as well as fixtures or equipment necessary for proper husbandry practices. Housing facilities shall be physically sepa-

rated from any other businesses. If a housing facility is located on the same premises as another business, it shall be physically separated from the other business so that animals the size of dogs, skunks, and raccoons are prevented from entering the housing facility.

(c) Surfaces.

(1) General requirements. The surfaces of housing facilities, including houses, dens and other furniture-type fixtures and objects within the facility shall be constructed in a manner and made of materials that allow them to be readily cleaned and sanitized, or removed or replaced when worn or soiled. Interior surfaces and any surfaces that come into contact with dogs or cats shall:

(A) be free of excessive rust which prevents cleaning and sanitization, or affects the structural strength of the surface; and

(B) be free of jagged edges or sharp points which may injure the animals.

(2) Maintenance and replacement of surfaces. All surfaces shall be maintained on a regular basis. Surfaces of housing facilities, including houses, dens and furniture-type fixtures and objects within the facility that cannot be readily cleaned and sanitized, shall be replaced when worn or soiled.

(3) Cleaning. Hard surfaces with which the dogs or cats come into contact shall be spot-cleaned daily and sanitized in accordance with K.A.R. 9-19-10 (b) to prevent accumulation of excreta and reduce disease hazards. Floors made of dirt, absorbent bedding, sand, gravel, grass or other similar material shall be raked and spot-cleaned with sufficient frequency so that all animals may avoid contact with excreta. Contaminated material shall be replaced whenever raking and spot-cleaning is not sufficient to prevent or eliminate odors, insects, pests or vermin infestation. All other surfaces of housing facilities shall be cleaned and sanitized when necessary to satisfy generally-accepted husbandry standards and practices. Sanitization may be performed using any of the methods provided in K.A.R. 9-19-10(b)(3) for primary enclosures.

(d) Water and electric power. Every housing facility shall have reliable electric power adequate for heating, cooling, ventilation, lighting and for carrying out other husbandry requirements. Every housing facility must provide adequate, running potable water for the dogs' and cats' drinking needs, cleaning the facility, and for carrying out other husbandry requirements.

(e) Storage. Supplies of food and bedding shall be stored in a manner that protects the supplies from spoilage, contamination and vermin infestation. Supplies of food and bedding shall be stored above the floor and away from walls to allow cleaning underneath and around the supplies. Foods requiring refrigeration shall be stored accordingly, and all food shall be stored in a manner that prevents its contamination and deterioration. All open supplies of food and bedding shall be kept in leakproof containers with tightly fitting lids to prevent contamination and spoilage. Only food and bedding that is currently being used may be kept in the animal areas. Substances toxic to dogs or cats but which are required for normal husbandry practices shall not be stored in food storage

and preparation areas, but may be stored in cabinets in the animal areas.

(f) Drainage and waste disposal. Housing facility operators shall provide for regular and frequent collection, removal and disposal of animal and food waste, bedding, debris, garbage, water, other fluids and wastes, and dead animals in a manner that minimizes contamination and disease risks. Housing facilities shall be equipped with disposal facilities and drainage systems constructed and operated so that animal waste and water are rapidly eliminated and animals stay dry. Disposal and drainage systems shall minimize odors, disease hazards and infestation by vermin, insects and other pests. All drains shall be properly constructed, installed and maintained. If closed drainage systems are used, they shall be equipped with traps to prevent the backflow of gases and the backup of sewage onto the floor. If the facility uses sump or settlement ponds or other similar systems for drainage and animal waste disposal, the system shall be located far enough away from the animal area of the housing facility to prevent odors, disease hazards and infestation by vermin, insects and other pests. Standing puddles of water in animal enclosures shall be drained or mopped up so that animals stay dry. Trash containers in housing facilities and in food storage and food preparation areas shall be leakproof and shall have tightly fitted lids on them at all times. Dead animals, animal parts and animal waste shall not be kept in food storage or food preparation areas, food freezers, food refrigerators, or animal areas.

(g) Washrooms and sinks. Washing facilities such as washrooms, basins, sinks, or showers shall be provided for animal caretakers and shall be readily accessible. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32(b); effective, T-9-10-22-91, Oct. 28, 1991; effective Feb. 10, 1992.)

**9-19-2. Indoor housing facilities.** (a) Heating, cooling and temperature. Indoor housing facilities for dogs and cats must be sufficiently heated and cooled to protect dogs and cats from temperature extremes and to provide for their health and well-being. The ambient temperature in the facility shall not fall below 50° F (10° C) when dogs and cats unacclimated to lower temperatures, unable to tolerate lower temperatures without stress or discomfort (such as short-haired breeds) or that are sick, aged, young, or infirm are present, except as approved by the attending veterinarian. Dry bedding, solid resting boards or other methods of conserving body heat shall be provided when temperatures are below 50° F (10° C). The ambient temperature shall not fall below 45° F (7.2° C) for more than four consecutive hours when dogs or cats are present, and shall not rise above 85° F (29.5° C) for more than four consecutive hours when dogs or cats are present.

(b) Ventilation. Indoor housing facilities for dogs and cats shall be sufficiently ventilated at all times when dogs or cats are present to minimize odors, drafts, ammonia levels, and moisture condensation. Ventilation shall be provided by windows, doors, vents, fans or air conditioning. Auxiliary ventilation

from fans, blowers, or air conditioning must be provided when the ambient temperature is 85° F (29.5° C) or higher. The relative humidity shall be maintained at a level that ensures the health and well-being of the dogs or cats housed therein, in accordance with the directions of the attending veterinarian and generally accepted professional and husbandry practices.

(c) Lighting. Indoor housing facilities for dogs and cats shall be lighted well enough to permit routine inspection and cleaning of the facility and observation of the dogs and cats. Animal areas shall be provided a regular diurnal lighting cycle of either natural or artificial light. Lighting shall be uniformly diffused throughout animal facilities and shall provide sufficient illumination to aid in maintaining good housekeeping practices, adequate cleaning of facilities, adequate inspection of animals, and for the well-being of the animals. Primary enclosures shall be placed so as to protect the dogs and cats from excessive light.

(d) Interior surfaces. The floors, walls and any other surfaces of indoor housing facilities in contact with the animals shall be impervious to moisture. The ceilings of indoor housing facilities shall be impervious to moisture or be replaceable (e.g., a suspended ceiling with replaceable panels). (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32(b); effective, T-9-10-22-91, Oct. 22, 1991; effective Feb. 10, 1992.)

**9-19-3. Sheltered housing facilities.** (a) Heating, cooling and temperatures. The sheltered part of sheltered housing facilities for dogs and cats shall be sufficiently heated and cooled when necessary to protect the dogs and cats from temperature extremes. The ambient temperature in the sheltered part of the facility shall not fall below 50° F (10° C) when dogs and cats unacclimated to lower temperatures, unable to tolerate lower temperatures without stress and discomfort (such as short-haired breeds) or that are sick, aged, young, or infirm are present, except as approved by the attending veterinarian. Dry bedding, solid resting boards or other methods of conserving body heat shall be provided when temperatures are below 50° F (10° C). The ambient temperature shall not fall below 45° F (7.2° C) for more than four consecutive hours when dogs or cats are present, and shall not rise above 85° F (29.5° C) for more than four consecutive hours when dogs or cats are present.

(b) Ventilation. The enclosed or sheltered part of sheltered housing facilities for dogs and cats shall be sufficiently ventilated when dogs or cats are present to minimize odors, drafts, ammonia levels, and moisture condensation. Ventilation shall be provided by windows, doors, vents, fans or air conditioning. Auxiliary ventilation from fans, blowers, or air conditioning, shall be provided when the ambient temperature is 85° F (29.5° C) or higher.

(c) Lighting. Sheltered housing facilities for dogs and cats shall be lighted well enough to permit routine inspection and cleaning of the facility and observation of the dogs and cats. Animal areas shall be provided a regular diurnal lighting cycle of either natural or

(continued)

artificial light. Lighting shall be uniformly diffused throughout animal facilities and shall provide sufficient illumination to aid in maintaining good housekeeping practices, adequate cleaning of facilities and adequate inspection of animals. Primary enclosures shall be placed so as to protect the dogs and cats from excessive light.

(d) Shelter from the elements. Dogs and cats shall be provided with adequate shelter from the elements at all times. The shelter structures shall be large enough to allow each animal to sit, stand, and lie in a normal manner and to turn about freely.

(e) Surfaces.

(1) The following areas in sheltered housing facilities shall be impervious to moisture:

(A) Indoor floor areas in contact with the animals;

(B) outdoor floor areas in contact with the animals, when the floor areas are not exposed to the direct sun, or are made of a hard material such as wire, wood, metal or concrete; and

(C) all walls, boxes, houses, dens, and other surfaces in contact with the animals.

(2) Outside floor areas in contact with the animals and exposed to the direct sun may consist of compacted earth, absorbent bedding, sand, gravel, or grass. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32(b); effective, T-9-10-22-91, Oct. 22, 1991.)

**9-19-4. Outdoor housing facilities.** (a) Restrictions.

(1) The following categories of dogs or cats shall not be kept in outdoor facilities, unless that practice is specifically approved by the attending veterinarian.

(A) Dogs or cats unacclimated to the temperatures prevalent in the area or region where they are maintained;

(B) breeds of dogs or cats unable to tolerate the prevalent temperatures of the area without stress or discomfort.

(C) Sick, infirm, aged or young dogs or cats.

(2) When their acclimation status is unknown, dogs and cats shall not be kept in outdoor facilities when the ambient temperature is less than 50° F (10°C).

(b) Shelter from the elements. Outdoor facilities for dogs or cats shall include one or more shelter structures that are accessible to each animal in each outdoor facility, and that are large enough to allow each animal in the shelter structure to sit, stand, and lie in a normal manner, and to turn about freely. In addition to shelter structures, one or more separate outside areas of shade shall be provided, large enough to contain all the animals at one time and protect them from the direct rays of the sun. Shelters in outdoor facilities for dogs or cats shall contain a roof, four sides, a floor, and shall:

(1) Provide adequate protection and shelter from the cold and heat;

(2) provide protection from the direct rays of the sun and the direct effect of wind, rain, or snow;

(3) be provided with a wind break and rain break at the entrance; and

(4) contain clean, dry, bedding material if the ambient temperature is below 50° F (10°C). Additional

clean, dry bedding material is required when the temperature is 35° F (1.7°C) or lower.

(c) Construction. Building surfaces in contact with animals in outdoor housing facilities shall be impervious to moisture. Metal barrels, cans, refrigerators, freezers and the like shall not be used as shelter structures. The floors of outdoor housing facilities may consist of compacted earth, absorbent bedding, sand, gravel, or grass, and shall be replaced if there are any prevalent odors, diseases, insects, pests, or vermin. All surfaces shall be maintained on a regular basis. Surfaces of outdoor housing facilities that cannot be readily cleaned and sanitized shall be replaced when worn or soiled. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32(b); effective, T-9-10-22-91, Oct. 22, 1991; effective Feb. 10, 1992.)

**9-19-5. Primary enclosures; minimum requirements for dogs and cats.** (a) General requirements.

(1) Primary enclosures shall be designed and constructed of suitable materials so that they are structurally sound. Primary enclosures shall be kept in good repair.

(2) Primary enclosures shall be constructed and maintained so that:

(A) they have no sharp points or edges that could injure the dogs and cats;

(B) they protect the dogs and cats from injury;

(C) they contain the dogs and cats securely;

(D) they keep other animals from entering the enclosure;

(E) they enable the dogs and cats to remain dry and clean;

(F) they provide shelter and protection from extreme temperatures and weather conditions which may be uncomfortable or hazardous to dogs and cats;

(G) they provide sufficient shade to shelter all dogs and cats housed in the primary enclosure at one time;

(H) they provide all the dogs and cats with easy and convenient access to clean food and water;

(I) all surfaces in contact with dogs and cats can be readily cleaned and sanitized in accordance with K.A.R. 9-19-10(b), or replaced when worn or soiled;

(J) they have floors constructed in a manner that protects the dogs' and cats' feet and legs from injury and does not allow the dogs' and cats' feet to pass through any openings in the floor. If the floor of the primary enclosure is constructed of wire, a solid resting surface or surfaces that in the aggregate, are large enough to hold all the occupants of the primary enclosure at the same time comfortably shall be provided; and

(K) they provide sufficient space to allow each dog and cat to turn about freely, stand, sit and lie in a comfortable, normal position and to walk in a normal manner.

(b) Additional requirements for cats.

(1) Space. Each cat housed in any primary enclosure shall be provided minimum vertical space and floor space as follows:

(A) Prior to February 15, 1994, each cat housed in

any primary enclosure shall be provided a minimum of 2½ square feet of floor space;

(B) on and after February 15, 1994, each primary enclosure housing cats shall be at least 24 in. high (60.96 cm). Cats up to and including 8.8 lbs. (4 kg) shall be provided with at least 3.0 square feet of space (0.28M<sup>2</sup>). Cats over 8.8 lbs. (4 kg) shall be provided with at least 4.0 square feet of space.

(C) Each queen with nursing kittens shall be provided with an additional amount of floor space based upon her breed and behavioral characteristics and in accordance with generally-accepted husbandry practices. The additional amount of floor space for each nursing kitten shall not be less than 5 percent of the minimum requirement for the queen.

(D) The minimum floor space required by this section is exclusive of any food or water pans. The litter pan may be considered part of the floor space if properly cleaned and sanitized.

(2) Compatibility. All cats housed in the same primary enclosure shall be compatible, as determined by observation. Not more than 12 adult nonconditioned cats may be housed in the same primary enclosure. Queens in heat may not be housed in the same primary enclosure with sexually mature males, except for breeding or when maintained in breeding colonies. Queens with litters may not be housed in the same primary enclosure with other adult cats. Kittens under four months of age may not be housed in the same primary enclosure with adult cats other than the dam or foster dam. Cats with a vicious or aggressive disposition shall be housed separately.

(3) Litter. In all primary enclosures, a receptacle containing sufficient clean litter shall be provided to contain excreta and body wastes.

(4) Resting surfaces. Each primary enclosure housing cats must contain a resting surface or surfaces that, in the aggregate, are large enough to hold all the occupants of the primary enclosure at the same time comfortably. The resting surfaces shall be elevated, impervious to moisture, easily cleaned and sanitized or easily replaced when soiled or worn. Low resting surfaces that do not allow the space under them to be comfortably occupied by the animal will be counted as part of the floor space.

(c) Additional requirements for dogs.

(1) Space.

(A) Each dog housed in a primary enclosure shall be provided a minimum amount of floor space, calculated as follows: Find the mathematical square of the sum of the length of the dog in inches (measured from the tip of its nose to the base of its tail) plus 6 inches; then divide the product by 144. The calculation is (length of dog in inches + 6) × (length of dog in inches + 6) = required floor space in square inches. Required floor space in inches/144 = required floor space in square feet.

(B) Each bitch with nursing puppies shall be provided with an additional amount of floor space, based upon her breed and behavioral characteristics and in accordance with generally accepted husbandry practices as determined by the attending veterinarian. The additional amount of floor space for each nursing

puppy shall not be less than 5 percent of the minimum requirement for the bitch.,

(C) On and after February 15, 1994 the interior height of a primary enclosure shall be at least 6 inches higher than the head of the tallest dog in the enclosure in a normal standing position.

(2) Dogs on tethers.

(A) Dogs may be only kept on tethers in outside housing facilities that meet the requirements of K.A.R. 9-19-4, provided that the tether meets the requirements of this paragraph. The tether shall be attached either to the front of the dog's shelter structure or to a post in front of the shelter structure and shall be at least three times the length of the dog as measured from the tip of its nose to the base of its tail. The tether shall allow the dog convenient access to the shelter structure and to food and water containers. The tether shall be of the type and strength commonly used for the size of dog involved and shall be attached to the dog by a well-fitted collar that will not cause trauma or injury to the dog. Collars made of materials such as wire, flat chains, chains with sharp edges, or chains with rusty or nonuniform links are prohibited. The tether shall be attached so that the dog cannot become entangled with other objects or come into physical contact with other dogs in the outside housing facility, and so the dog can roam to the full range of the tether.

(B) On and after February 15, 1994, dog housing areas where dogs are kept on tether shall be enclosed by a perimeter fence that is of sufficient height to keep unwanted animals out. Fences less than 6 feet high shall be approved by the livestock commissioner. The fence shall be constructed so that it protects the dogs by preventing animals the size of dogs, skunks, and raccoons from going through it or under it and having contact with the dogs inside.

(3) Compatibility. All dogs housed in the same primary enclosure shall be compatible, as determined by observation. Not more than 12 adult nonconditioned dogs may be housed in the same primary enclosure. Bitches in heat may not be housed in the same primary enclosure with sexually mature males, except for breeding. Except when maintained in breeding colonies, bitches with litters may not be housed in the same primary enclosures with other adult dogs, and puppies under four months of age may not be housed in the same primary enclosure with adult dogs, other than the dam or foster dam. Dogs with a vicious or aggressive disposition shall be housed separately.

(d) Innovative primary enclosures not precisely meeting the floor area and height requirements provided in this regulation, but that provide the dogs or cats with a sufficient volume of space and the opportunity to express species-typical behavior, may be used when approved by the livestock commissioner. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32(b); effective, T-9-10-22-91, Oct. 22, 1991; effective Feb. 10, 1992.)

**9-19-6. Compatible grouping.** Dogs and cats that are housed in the same primary enclosure shall be

(continued)

compatible, with the following restrictions: (a) Females in heat (estrus) may not be housed in the same primary enclosure with males, except for breeding purposes;

(b) any dog or cat exhibiting a vicious or overly aggressive disposition shall be housed separately;

(c) puppies or kittens four months of age or less may not be housed in the same primary enclosure with adult dogs or cats other than their dams or foster dams, except when permanently maintained in breeding colonies;

(d) dogs or cats may not be housed in the same primary enclosure with any other species of animals, unless they are compatible; and

(e) dogs and cats that have or are suspected of having a contagious disease shall be isolated from healthy animals in the colony, as directed by the attending veterinarian. When an entire group or room of dogs and cats is known to have or believed to be exposed to an infectious agent, the group may be kept intact during the process of diagnosis, treatment and control. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32(b); effective, T-9-10-22-91; Oct. 22, 1991; effective Feb. 10, 1992.)

**9-19-7. Exercise for dogs.** (a) Animal dealers shall develop, document, and follow an appropriate plan to provide dogs with the opportunity for exercise. In addition, the plan shall be approved by the attending veterinarian. The plan shall include written standard procedures to be followed in providing the opportunity for exercises. The plan shall be made available to the livestock commissioner upon request. The plan, at a minimum, shall comply with each of the following:

(1) Dogs housed individually. Dogs over 12 weeks of age, except bitches with litters, housed, held, or maintained by any dealer, shall be provided the opportunity for exercise regularly if they are kept individually in cages, pens, or runs that provide less than two times the required floor space for that dog, as indicated in K.A.R. 9-19-5(c)(1).

(2) Dogs housed in groups. Dogs over 12 weeks of age housed, held, or maintained in groups by any dealer do not require additional opportunity for exercise regularly if they are maintained in cages, pens, or runs that provide in total at least 100 percent of the required space for each dog if maintained separately. Such animals may be maintained in compatible groups, unless:

(A) In the opinion of the attending veterinarian, such housing would adversely affect the health or well-being of the dog(s); or

(B) any dog exhibits aggressive or vicious behavior.

(3) Methods and period of providing exercise opportunity.

(A) The frequency, method and duration of the opportunity for exercise shall be determined by the attending veterinarian and the livestock commissioner.

(B) Animal dealers, in developing their plan, should consider providing positive physical contact with humans that encourages exercise through play or other similar activities. If a dog is housed, held, or maintained at a facility without sensory contact with an-

other dog, it shall be provided with positive physical contact with humans at least daily.

(C) The opportunity for exercise may be provided in a number of ways, such as:

(i) Group housing in cages, pens or runs that provide at least 100 percent of the required space for each dog, if maintained separately under the minimum floor space requirements of K.A.R. 9-19-5(c)(1);

(ii) maintaining individually housed dogs in cages, pens, or runs that provide at least twice the minimum floor space required by K.A.R. 9-19-5(c)(1);

(iii) providing access to a run or open area at the frequency and duration prescribed by the attending veterinarian; or

(iv) other similar activities.

(4) Forced exercise methods or devices such as swimming, treadmills, or carousel-type devices are unacceptable for meeting the exercise requirements of this section.

(b) Exemptions. If, in the opinion of the attending veterinarian, it is inappropriate for certain dogs to exercise because of their health, condition, or well-being, the animal dealer may be exempted from meeting the requirements of this section for those dogs. Such an exemption must be documented by the attending veterinarian and, unless the basis for exemption is a permanent condition, shall be reviewed at least every 30 days by the attending veterinarian. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32(b); effective, T-9-10-22-91; Oct. 22, 1991; effective Feb. 10, 1992.)

**9-19-8. Feeding.** (a) Dogs and cats shall be fed at least once each day, except as otherwise might be required to provide adequate veterinary care. The food shall be uncontaminated, wholesome, palatable, and of sufficient quantity and nutritive value to maintain the normal condition and weight of the animal. The diet shall be appropriate for the individual animal's age and condition.

(b) Food receptacles shall be used for dogs and cats, be readily accessible to all dogs and cats, and shall be located so as to minimize contamination by excreta and pests and be protected from rain and snow. Feeding pans must either be made of a durable material that can be easily cleaned and sanitized or be disposable. If the food receptacles are not disposable, they shall be kept clean and shall be sanitized in accordance with K.A.R. 9-19-10 (b). Sanitization is achieved by using one of the methods described in K.A.R. 9-19-10 (b). If the food receptacles are disposable, they shall be discarded after one use. Self-feeders may be used for the feeding of dry food. If self-feeders are used, they must be kept clean and shall be sanitized in accordance with K.A.R. 9-19-10 (b). Measures shall be taken to ensure that there is no molding, deterioration, and caking of feed. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32(b); effective, T-9-10-22-91; Oct. 22, 1991; effective Feb. 10, 1992.)

**9-19-9. Watering.** If potable water is not continually available to the dogs and cats, it shall be offered to the dogs and cats as often as necessary to ensure

their health and well-being, but not less than twice daily for at least one hour each time, unless restricted by the attending veterinarian. Water receptacles shall be kept clean and sanitized in accordance with K.A.R. 9-19-10 (b), as well as before they are used to provide water to another dog or cat, or a social grouping of dogs or cats. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32(b); effective, T-9-10-22-91; Oct. 22, 1991; effective Feb. 10, 1992.)

**9-19-10. Cleaning, sanitization, housekeeping, and pest control.** (a) Cleaning of primary enclosures. Excreta and food waste shall be removed from the inside of primary enclosures daily and from under primary enclosures as often as necessary to prevent an excessive accumulation of feces and food waste, to prevent the soiling of the dogs or cats contained in the primary enclosures, and to reduce disease hazards, insects, pests and odors. When steam or water is used to clean the primary enclosure, whether by hosing, flushing, or other methods, dogs and cats shall be removed, unless the enclosure is large enough to ensure the animals would not be harmed, gotten wet, or distressed in the process. Standing water shall be removed from the primary enclosure, and animals in other primary enclosures shall be protected from being contaminated with water and other wastes during the cleaning. The pans under primary enclosures with grill-type floors and the ground areas under raised runs with wire or slatted floors shall be cleaned as often as necessary to prevent accumulation of feces and food waste and to reduce disease hazards, pests, insects and odors.

(b) Sanitization of primary enclosures and food and water receptacles.

(1) Used primary enclosures and food and water receptacles shall be cleaned and sanitized in accordance with this section before they can be used to house, feed, or water another dog or cat, or a social grouping of dogs or cats.

(2) Used primary enclosures and food and water receptacles for dogs and cats shall be sanitized at least once very two weeks using one of the methods prescribed in K.A.R. 9-19-10 (b), and more often if necessary to prevent an accumulation of dirt, debris, food waste, excreta, and other disease hazards.

(3) Hard surfaces of primary enclosures and food and water receptacles shall be sanitized using one of the following methods:

(A) Live steam under pressure;

(B) washing with hot water (at least 180 degrees) and soap or detergent, as with a mechanical cage washer; or

(C) washing all solid surfaces with appropriate detergent solutions and disinfectants, or by using a combination detergent/disinfectant product that accomplishes the same purpose, thoroughly cleaning the surfaces to remove all organic material and mineral buildup and to provide sanitization followed by a clean water rinse.

(4) Pens, runs, and outdoor housing areas using material that cannot be sanitized using the methods pro-

vided in K.A.R. 9-19-10 (b), such as gravel, sand, grass, earth, or absorbent bedding shall be sanitized by removing the contaminated material as necessary to prevent odors, diseases, pests, insects, and vermin infestation.

(c) Housekeeping for premises. Premises where housing facilities are located, including buildings and surrounding grounds, shall be kept clean and in good repair to protect the animals from injury, to facilitate the husbandry practices required in K.A.R. 9-19-10 (b), and to reduce or eliminate breeding and living areas for rodents and other pests and vermin. Premises shall be kept free of accumulations of trash, junk, waste products, and discarded matter. Weeds, grasses, and bushes shall be controlled so as to facilitate cleaning of the premises and pest control and to protect the health and well-being of the animals.

(d) Pest control. An effective program for the control of insects, external parasites affecting dogs and cats, and birds and mammals that are pests shall be established and maintained so as to promote the health and well-being of the animals and reduce contamination by pests in animal areas. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32(b); effective, T-9-10-22-91; Oct. 22, 1991; effective Feb. 10, 1992.)

**9-19-11. Employees.** Each person subject to K.A.R. 9-19-1 through 9-19-10 maintaining dogs and cats shall have enough employees to carry out the level of husbandry practices and care required in these regulations. The employees who provide for husbandry and care, or handle animals, shall be supervised by an individual who has the knowledge, background, and experience in proper husbandry and care of dogs and cats to supervise others. The licensee shall be certain that the supervisor and other employees can perform to these standards. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32(b); effective, T-9-10-22-91; Oct. 22, 1991; effective Feb. 10, 1992.)

#### Article 20.—PET SHOPS

**9-20-1. Facilities.** (a) Structures.

(1) Each pet shop shall:

(A) Be constructed of material that will provide for the establishment of a sound structure;

(B) be maintained in good repair; and

(C) protect animals housed inside from injury.

(2) Water and electrical power shall be available in each pet shop facility.

(3) Space shall be supplied in each pet shop to store the provisions necessary to adequately operate the pet shop.

(b) Operational procedures.

(1) Removal and disposal of animal, and all other food wastes, bedding, dead animals, and debris shall be done on a regular basis and at reasonable intervals. The disposal of these waste materials shall comply with federal, state and local laws and regulations relating to pollution control.

(2) The temperature for a pet shop shall be regulated

(continued)

by heating and cooling to sufficiently protect each animal housed inside from extremes of temperatures. Temperatures shall not be allowed to fall below or rise above ranges which would cause discomfort or health hazards to any animal.

(3) Ventilation for a pet shop shall be provided at all times by natural or mechanical means. Each pet shop facility shall be operated to provide fresh air by means of windows, vents, fans or air conditioning. Ventilation shall be established to minimize drafts, odors and moisture condensation.

(4) Each pet shop shall be provided with uniformly distributed lighting. Lighting shall be in an amount sufficient to permit routine inspection and cleaning and be arranged so that each animal is protected from excessive illumination.

(5) Each pet shop shall be provided with a drainage system which will effectively eliminate excess water from the pet shop unit. If drains are used, they shall be constructed in such a manner to avoid all foul odors and any backup of sewage. Drainage systems shall comply with federal, state and local laws and regulations relating to pollution control.

(c) Pens.

(1) Each pet shop shall be constructed to prevent the overheating and discomfort of any animal. Shade shall be supplied either by natural or artificial means. Each pet shop shall be constructed of acceptable materials and maintained in strict sanitary condition.

(2) Each pet shop shall be constructed and maintained so as to provide sufficient space for each animal housed and to permit normal postural and social adjustments, with freedom of movement for each animal. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32; effective, T-9-10-22-91; Oct. 22, 1991; effective Feb. 10, 1992.)

#### **9-20-2. Animal health and husbandry standards.**

(a) Animal food shall be wholesome, palatable, free from contamination and of nutritional value sufficient to maintain each animal in good health.

(b) Food receptacles shall be in sufficient number, of adequate size and so located as to enable each animal in the enclosure to be supplied with an adequate amount of food. Food receptacles shall be kept clean and sanitary.

(c) Excreta shall be removed from each enclosure as often as necessary:

(1) to prevent contamination of the animals contained therein;

(2) to prevent disease hazards; and

(3) to reduce odors. Cages, rooms and pens which contain any animal having any infectious or transmissible disease shall be washed each day, and after each occupancy, with hot water and detergent. Effective disinfectant shall be applied as an incident of each washing.

(d) An effective program for the control of insects, ectoparasites and other pests shall be provided and maintained.

(e) A program for disease prevention, parasite control, euthanasia and adequate veterinary care shall be

provided and maintained under the supervision of a veterinarian. Each animal shall be observed each day by the person in charge of the pet shop or by someone working under their direct supervision.

(f) Each animal shall be handled in a manner which will not cause discomfort, stress or physical harm to that animal.

(g) Water and food shall be provided to each animal at least once during each 24 hour period. Any animal with the nutritional need or disease condition shall be fed more frequently. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32; effective, T-9-10-22-91; Oct. 22, 1991; effective Feb. 10, 1992.)

**9-20-3. Records.** Each operator of a pet shop shall keep and maintain records for each animal purchased, acquired, held, transported, sold, or otherwise disposed of. The records shall include the following: (a) the name and address of the person from whom each animal was acquired.

(b) The date each animal was acquired.

(c) A description of each animal showing age, size, color marking, sex, breed and any vaccination information available. Records shall also include any other significant identification for each animal including any official tag number or tattoo.

(d) The name and address of the person to whom any animal is sold, given, bartered or to whom otherwise delivered. The record shall show the method of disposition. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32; effective, T-9-10-22-91; Oct. 22, 1991; effective Feb. 10, 1992.)

### **Article 21.—ANIMAL RESEARCH FACILITY**

#### **9-21-1. Animal research facilities.** (a) Structures.

(1) Each animal research facility shall:

(A) Be constructed of material that will provide for the establishment of a sound structure;

(B) be maintained in good repair; and

(C) protect animals housed inside from injury.

(2) Water and electrical power shall be available in each animal research facility.

(3) Space shall be supplied in each animal research facility to store the provisions necessary to adequately operate each such unit.

(b) Operational procedures.

(1) Removal and disposal of animal, and all other food wastes, bedding, dead animals, and debris shall be done on a regular basis and at reasonable intervals. The disposal of these waste materials shall comply with federal, state and local laws and regulations relating to pollution control.

(2) The temperature for an indoor animal research facility shall be regulated by heating and cooling to sufficiently protect each animal housed inside from extremes of temperatures. Temperatures shall not be allowed to fall below or rise above ranges which would cause discomfort or health hazards to any animal.

(3) Ventilation for an animal research facility shall be provided at all times by natural or mechanical means. Each animal research facility shall be operated

to provide fresh air by means of windows, doors, vents, fans or air conditioning. Ventilation shall be established to minimize drafts, odors and moisture condensation.

(4) Each animal research facility shall be provided with uniformly distributed lighting. Lighting shall be in an amount sufficient to permit routine inspection and cleaning and be arranged so that each animal is protected from excessive illumination.

(5) Each animal research facility shall be provided with a drainage system which will effectively eliminate excess water from the animal research facility unit. If drains are used, they shall be constructed in such a manner to avoid all foul odors and any backup of sewage. Drainage systems shall comply with federal, state and local laws and regulations relating to pollution control.

(c) Pens.

(1) Each animal research facility shall be constructed to prevent the overheating and discomfort of any animal. Shade shall be supplied either by natural or artificial means. Each animal research facility shall be constructed of acceptable materials and maintained in strict sanitary condition.

(2) Each animal research facility shall be constructed and maintained so as to provide sufficient space for each animal housed and to permit normal postural and social adjustments, with freedom of movement for each animal. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32; effective, T-9-10-22-91; Oct. 22, 1991; effective Feb. 10, 1992.)

**9-21-2. Animal health and husbandry standards.**

(a) Animal food shall be wholesome, palatable, free from contamination and of nutritional value sufficient to maintain each animal in good health.

(b) Food receptacles shall be in sufficient number, of adequate size and so located as to enable each animal, in the enclosure to be supplied with an adequate amount of food. Food receptacles shall be kept clean and sanitary.

(c) Excreta shall be removed from each enclosure as often as necessary:

(1) to prevent contamination of the animals contained therein;

(2) to prevent disease hazards; and

(3) to reduce odors. Cages, rooms and pens which contain any animal having any infectious or transmissible disease shall be washed each day, and after each occupancy, with hot water and detergent. Effective disinfectant shall be applied as an incident of each washing.

(d) An effective program for the control of insects, ectoparasites and other pests shall be provided and maintained.

(e) A program for disease prevention, parasite control, euthanasia and adequate veterinary care shall be provided and maintained under the supervision of a veterinarian. Each animal shall be observed each day by the person in charge of the animal research facility or by someone working under their direct supervision.

(f) Each animal shall be handled in a manner which

will not cause discomfort, stress or physical harm to that animal.

(g) Water and food shall be provided to each animal at least once during each 24 hour period. Any animal with the nutritional need or disease condition shall be fed more frequently. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32; effective, T-9-10-22-91, Oct. 22, 1991; effective Feb. 10, 1992.)

**9-21-3. Records.** Each operator of an animal research facility shall keep and maintain records for each animal purchased, acquired, held, transported, sold, or otherwise disposed of. The records shall include the following: (a) The name and address of the person from whom each animal was acquired.

(b) The date each animal was acquired.

(c) A description of each animal showing age, size, color marking, sex, breed and any vaccinal information available. Records shall also include any other significant identification for each animal including any official tag number or tattoo.

(d) The name and address of the person to whom any animal is sold, given, bartered or to whom otherwise delivered. The record shall show the method of disposition. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32; effective, T-9-10-22-91; Oct. 22, 1991; effective Feb. 10, 1992.)

**Article 22.—ANIMAL POUNDS AND SHELTERS**

**9-22-1. Animal pounds and shelters.** (a) Structures.

(1) Each animal pound and shelter shall:

(A) Be constructed of material that will provide for the establishment of a sound structure;

(B) be maintained in good repair; and

(C) protect animals housed inside from injury.

(2) Water and electrical power shall be available in each animal pound and shelter.

(3) Space shall be supplied in each animal pound and shelter to store the provisions necessary to adequately operate each such unit.

(b) Operational procedures.

(1) Removal and disposal of animal, and all other food wastes, bedding, dead animals, and debris shall be done on a regular basis and at reasonable intervals. The disposal of these waste materials shall comply with federal, state and local laws and regulations relating to pollution control.

(2) The temperature for each pound and shelter shall be regulated by heating and cooling to sufficiently protect each animal housed inside from extremes of temperatures. Temperatures shall not be allowed to fall below or rise above ranges which would cause discomfort or health hazards to any animal.

(3) Ventilation for a pound and shelter shall be provided at all times by natural or mechanical means. Each animal pound and shelter facility shall be operated to provide fresh air by means of windows, doors, vents, fans or air conditioning. Ventilation shall be established to minimize drafts, odors and moisture condensation.

(continued)

(4) Each animal pound and shelter shall be provided with uniformly distributed lighting. Lighting shall be in an amount sufficient to permit routine inspection and cleaning and be arranged so that each animal is protected from excessive illumination.

(5) Each animal pound and shelter shall be provided with a drainage system which will effectively eliminate excess water from the research animal pound and shelter unit. If drains are used, they shall be constructed in such a manner to avoid all foul odors and any backup of sewage. Drainage systems shall comply with federal, state and local laws and regulations relating to pollution control.

(c) Pens.

(1) Each animal pound and shelter shall be constructed to prevent the overheating and discomfort of any animal. Shade shall be supplied either by natural or artificial means. Each animal pound and shelter shall be constructed of acceptable materials and maintained in strict sanitary condition.

(2) Each animal pound and shelter shall be constructed and maintained so as to provide sufficient space for each animal housed and to permit normal postural and social adjustments, with freedom of movement for each animal. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32; effective, T-9-10-22-91, Oct. 22, 1991; effective Feb. 10, 1992.)

**9-22-2. Animal health and husbandry standards.**

(a) Animal food shall be wholesome, palatable, free from contamination and of nutritional value sufficient to maintain each animal in good health.

(b) Food receptacles shall be in sufficient number, of adequate size and so located as to enable each animal in the enclosure to be supplied with an adequate amount of food. Food receptacles shall be kept clean and sanitary.

(c) Excreta shall be removed from each enclosure as often as necessary:

(1) to prevent contamination of the animals contained therein;

(2) to prevent disease hazards; and

(3) to reduce odors. Cages, rooms and pens which contain any animal having any infectious or transmissible disease shall be washed each day, and after each occupancy, with hot water and detergent. Effective disinfectant shall be applied as an incident of each washing.

(d) An effective program for the control of insects, ectoparasites and other pests shall be provided and maintained.

(e) A program for disease prevention, parasite control, euthanasia and adequate veterinary care shall be provided and maintained under the supervision of a veterinarian. Each animal shall be observed each day by the person in charge of the animal pound and shelter or by someone working under their direct supervision.

(f) Each animal shall be handled in a manner which will not cause discomfort, stress or physical harm to that animal.

(g) Water and food shall be provided to each animal

at least once during each 24 hour period. Any animal with the nutritional need or disease condition shall be fed more frequently. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32; effective, T-9-10-22-91, Oct. 22, 1991; effective Feb. 10, 1992.)

**9-22-3. Records.** Each operator of an animal pound and shelter shall keep and maintain records for each animal purchased, acquired, held, transported, sold, or otherwise disposed of. The records shall include the following: (a) The name and address of the person from whom each animal was acquired.

(b) The date each animal was acquired.

(c) A description of each animal showing age, size, color marking, sex, breed and any vaccination information available. Records shall also include any other significant identification for each animal including any official tag number or tattoo.

(d) The name and address of the person to whom any animal is sold, given, bartered or to whom otherwise delivered. The record shall show the method of disposition. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32; effective, T-9-10-22-91, Oct. 22, 1991; effective Feb. 10, 1992.)

**Article 23.—HOBBY KENNEL OPERATORS**

**9-23-1. Hobby kennel operators.** (a) Structures.

(1) Each hobby kennel shall:

(A) Be constructed of material that will provide for the establishment of a sound structure;

(B) be maintained in good repair; and

(C) protect animals housed inside from injury.

(2) Water and electrical power shall be available in each hobby kennel.

(3) Space shall be supplied in each hobby kennel to store the provisions necessary to adequately operate each such unit.

(b) Operational procedures.

(1) Removal and disposal of animal, and all other food wastes, bedding, dead animals, and debris shall be done on a regular basis and at reasonable intervals. The disposal of these waste materials shall comply with federal, state and local laws and regulations relating to pollution control.

(2) The temperature for an indoor hobby kennel shall be regulated by heating and cooling to sufficiently protect each animal housed inside from extremes of temperatures. Temperatures shall not be allowed to fall below or rise above ranges which would cause discomfort or health hazards to any animal.

(3) Ventilation for a hobby kennel shall be provided at all times by natural or mechanical means. Each hobby kennel facility shall be operated to provide fresh air by means of windows, doors, vents, fans or air conditioning. Ventilation shall be established to minimize drafts, odors and moisture condensation.

(4) Each hobby kennel shall be provided with uniformly distributed lighting. Lighting shall be in an amount sufficient to permit routine inspection and cleaning and be arranged so that each animal is protected from excessive illumination.

(5) Each hobby kennel shall be provided with a drainage system which will effectively eliminate excess water from the hobby kennel unit. If drains are used, they shall be constructed in such a manner to avoid all foul odors and any backup of sewage. Drainage systems shall comply with federal, state and local laws and regulations relating to pollution control.

(c) Pens.

(1) Each hobby kennel shall be constructed to prevent the overheating and discomfort of any animal. Shade shall be supplied either by natural or artificial means. Each hobby kennel shall be constructed of acceptable materials and maintained in strict sanitary condition.

(2) Each hobby kennel shall be constructed and maintained so as to provide sufficient space for each animal housed and to permit normal postural and social adjustments, with freedom of movement for each animal. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32; effective, T-9-10-22-91, Oct. 22, 1991; Feb. 10, 1992.)

### 9-23-2. Animal health and husbandry standards.

(a) Animal food shall be wholesome, palatable, free from contamination and of nutritional value sufficient to maintain each animal in good health.

(b) Food receptacles shall be in sufficient number, of adequate size and so located as to enable each animal in the enclosure to be supplied with an adequate amount of food. Food receptacles shall be kept clean and sanitary.

(c) Excreta shall be removed from each enclosure as often as necessary:

(1) to prevent contamination of the animals contained therein;

(2) to prevent disease hazards; and

(3) to reduce odors. Cages, rooms and pens which contain any animal having any infectious or transmissible disease shall be washed each day, and after each occupancy, with hot water and detergent. Effective disinfectant shall be applied as an incident of each washing.

(d) An effective program for the control of insects, ectoparasites and other pests shall be provided and maintained.

(e) A program for disease prevention, parasite control, euthanasia and adequate veterinary care shall be provided and maintained under the supervision of a veterinarian. Each animal shall be observed each day by the person in charge of the hobby kennel or by someone working under their direct supervision.

(f) Each animal shall be handled in a manner which will not cause discomfort, stress or physical harm to that animal.

(g) Water and food shall be provided to each animal at least once during each 24 hour period. Any animal with the nutritional need or disease condition shall be fed more frequently. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32; effective, T-9-10-22-91, Oct. 22, 1991; effective Feb. 10, 1992.)

**9-23-3. Records.** Each operator of a hobby kennel shall keep and maintain records for each animal pur-

chased, acquired, held, transported, sold, or otherwise disposed of. The records shall include the following:

(a) The name and address of the person from whom each animal was acquired.

(b) The date each animal was acquired.

(c) A description of each animal showing age, size, color marking, sex, breed and any vaccination information available. Records shall also include any other significant identification for each animal including any official tag number or tattoo.

(d) The name and address of the person to whom any animal is sold, given, bartered or to whom otherwise delivered. The record shall show the method of disposition. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32; effective, T-9-10-22-91, Oct. 22, 1991; effective Feb. 10, 1992.)

## Article 24.—KENNEL OPERATORS

### 9-24-1. Kennel operators. (a) Structures.

(1) Each kennel shall:

(A) Be constructed of material that will provide for the establishment of a sound structure;

(B) be maintained in good repair; and

(C) protect animals housed inside from injury.

(2) Water and electrical power shall be available in each kennel.

(3) Space shall be supplied in each kennel to store the provisions necessary to adequately operate each such unit.

(b) Operational procedures.

(1) Removal and disposal of animal, and all other food wastes, bedding, dead animals, and debris shall be done on a regular basis and at reasonable intervals. The disposal of these waste materials shall comply with federal, state and local laws and regulations relating to pollution control.

(2) The temperature for an indoor kennel shall be regulated by heating and cooling to sufficiently protect each animal housed inside from extremes of temperatures. Temperatures shall not be allowed to fall below or rise above ranges which would cause discomfort or health hazards to any animal.

(3) Ventilation for a kennel shall be provided at all times by natural or mechanical means. Each kennel facility shall be operated to provide fresh air by means of windows, doors, vents, fans or air conditioning. Ventilation shall be established to minimize drafts, odors and moisture condensation.

(4) Each kennel shall be provided with uniformly distributed lighting. Lighting shall be in an amount sufficient to permit routine inspection and cleaning and be arranged so that each animal is protected from excessive illumination.

(5) Each kennel shall be provided with a drainage system which will effectively eliminate excess water from the kennel unit. If drains are used, they shall be constructed in such a manner to avoid all foul odors and any backup of sewage. Drainage systems shall comply with federal, state and local laws and regulations relating to pollution control.

(c) Pens.

(continued)

(1) Each kennel shall be constructed to prevent the overheating and discomfort of any animal. Shade shall be supplied either by natural or artificial means. Each kennel shall be constructed of acceptable materials and maintained in strict sanitary condition.

(2) Each kennel shall be constructed and maintained so as to provide sufficient space for each animal housed and to permit normal postural and social adjustments, with freedom of movement for each animal. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32; effective, T-9-10-22-91, Oct. 22, 1991; effective Feb. 10, 1992.)

**9-24-2. Animal health and husbandry standards.**

(a) Animal food shall be wholesome, palatable, free from contamination and of nutritional value sufficient to maintain each animal in good health.

(b) Food receptacles shall be in sufficient number, of adequate size and so located as to enable each animal in the enclosure to be supplied with an adequate amount of food. Food receptacles shall be kept clean and sanitary.

(c) Excreta shall be removed from each enclosure as often as necessary:

(1) to prevent contamination of the animals contained therein;

(2) to prevent disease hazards; and

(3) to reduce odors. Cages, rooms and pens which contain any animal having any infectious or transmissible disease shall be washed each day, and after each occupancy, with hot water and detergent. Effective disinfectant shall be applied as an incident of each washing.

(d) An effective program for the control of insects, ectoparasites and other pests shall be provided and maintained.

(e) A program for disease prevention, parasite control, euthanasia and adequate veterinary care shall be

provided and maintained under the supervision of a veterinarian. Each animal shall be observed each day by the person in charge of the kennel or by someone working under their direct supervision.

(f) Each animal shall be handled in a manner which will not cause discomfort, stress or physical harm to that animal.

(g) Water and food shall be provided to each animal at least once during each 24 hour period. Any animal with the nutritional need or disease condition shall be fed more frequently. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32; effective, T-9-10-22-91, Oct. 22, 1991; effective Feb. 10, 1992.)

**9-24-3. Records.** Each operator of a kennel shall

keep and maintain records for each animal purchased, acquired, held, transported, sold, or otherwise disposed of. The records shall include the following: (a) The name and address of the person from whom each animal was acquired.

(b) The date each animal was acquired.

(c) A description of each animal showing age, size, color marking, sex, breed and any vaccination information available. Records shall also include any other significant identification for each animal including any official tag number or tattoo.

(d) The name and address of the person to whom any animal is sold, given, bartered or to whom otherwise delivered. The record shall show the method of disposition. (Authorized by and implementing K.S.A. 1990 Supp. 47-1712, as amended by L. 1991, Ch. 152, Sec. 32; effective, T-9-10-22-91, Oct. 22, 1991; effective Feb. 10, 1992.)

Daniel Walker, D.V.M.  
Kansas Livestock Commissioner

Doc. No. 011407

**INDEX TO ADMINISTRATIVE REGULATIONS**

This index lists in numerical order the new, amended and revoked administrative regulations and the volume and page number of the *Kansas Register* issue in which more information can be found. This cumulative index supplements the index found in the 1991 Supplement to the *Kansas Administrative Regulations*.

**AGENCY 1: DEPARTMENT OF ADMINISTRATION**

Reg. No.	Action	Register
1-5-15	Amended	V. 10, p. 1688
1-5-27	Revoked	V. 10, p. 1688
1-5-28	Amended	V. 10, p. 1688
