Article 4.—INDIVIDUAL GAME RULES

**RULES FOR INSTANT GAME NO. 93
"KRAZY KASH"**

111-4-670. Name of game. The Kansas lottery shall conduct an instant winner lottery game entitled "Krazy Kash" commencing on or after January 16, 1995. The specific rules for the "Krazy Kash" game are contained in K.A.R. 111-3-1 *et seq.* and 111-4-670 through 111-4-673. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-1-26-95, Jan. 13, 1995.)

111-4-671. Definitions. The following definitions shall apply to the "Krazy Kash" instant lottery game:

(a) "Game symbols" are the numbers, letters, symbols, or pictures printed in the play area of each instant game ticket and which determine if the ticket bearer is entitled to a prize. In this instant game, the game symbols are printed in black ink in 15 point WGI Symbol font with matching captions in WGI Cap font. A game symbol appears in each of the nine play spots within the play area. Each game symbol for this instant game is one of the following: FREE - \$2.00 - \$5.00 - 10.00 - 20.00 - \$100\$ - \$1000.

(b) "Game symbol captions" are the words or portions of words, letters or numbers printed beneath each game symbol in the play area and are used to repeat or explain the game symbol. The game symbol caption associated with each game symbol is as follows:

Game Symbol	Game Symbol Caption
FREE	TICKET

\$2.00	TWO\$
\$5.00	FIVE\$
10.00	TEN\$
20.00	TWENTY
\$100\$	ONE-HUN
\$1000	ONE-THOU

(c) "Ticket validation number" means a unique number appearing on each ticket which is used to validate winning tickets. For this instant game, the ticket validation number is an 11-digit number which appears below the game symbols under the latex covering in the play area on the front of each instant ticket.

(d) "Book-ticket number" means the unique number appearing on each ticket which includes the number of the book from which it was removed and the serially assigned number of the ticket within that book. For this instant game, the book-ticket number is an 8-digit book number followed by a dash and then a 3-digit ticket number. The ticket numbers in each book start with 000 and end with 299. The book-ticket number is printed in black ink on the back of each instant game ticket below the bar code.

(e) "Retailer validation code" means the small letters found under removable covering in the play area of each instant game ticket. The retailer uses this code to verify and validate winners which are to be paid by the retailer. In this instant game, the retailer validation code is a three letter code printed and appearing in three of six varying locations among the game symbols. The codes and their meanings are as follows: FRE - FREE TICKET; TWO - \$2.00; FIV - \$5.00; TEN - \$10.00; TWY - \$20.00; HUN - \$100.00.

(f) "Bar code" means the 16-digit bar coded number appearing on the back of each ticket. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-1-26-95, Jan. 13, 1995.)

111-4-672. Determination of instant prize winners. An instant prize winner is determined for this instant game when the player removes or "scratches off" the removable layer of material covering the play area to reveal the nine game symbols and captions. This is a match three of nine game. If three of the nine concealed prize amounts match, the player wins the amount shown. No ticket will be eligible to win more than one prize. Prizes a player may win are as follows:

Get	Win
3 - FREE'S	Free ticket
3 - \$ 2.00	Two dollars
3 - \$ 5.00	Five Dollars
3 - \$ 10.00	Ten Dollars
3 - \$ 20.00	Twenty Dollars
3 - \$ 100.00	One hundred dollars
3 - \$1000.00	One thousand dollars

(Authorized by K.S.A. 74-8710(b), (c) and (8); implementing K.S.A. 74-8710(b), (c) and (i) and 74-8720 (b) and (d); effective, T-111-1-26-95, Jan. 13, 1995.)

111-4-673. Number and value of instant prizes. (a) There will be approximately 2,000,100 tickets ordered for this instant game. The expected number and value of the instant prizes are as follows:

Prizes	Expected Number of Prizes in Game	Expected Value in Game
3 - FREE'S	210,000	\$ 0
3 - \$2's	84,000	168,000

3 - \$1,000's	21	21,000
	<u>406,371</u>	<u>\$1,099,000</u>

(b) The executive director may terminate the sale of tickets prior to the complete sale of all tickets. In this event, the number and value of prizes will be approximately proportional to the number of tickets actually sold.

(c) All prizes are subject to deductions provided by law. (Authorized by K.S.A. 74-8710(b), (c) and (f); implementing K.S.A. 74-8710(b), (c) and (f); and 74-8720; effective, T-111-1-26-95, Jan. 13, 1995.)

(f) The Kansas lottery security official present shall review each ticket drawn to determine the validity of the

(continued)

(g) If a ticket is determined to be ineligible, it shall be discarded, and another ticket removed. This procedure will be repeated until valid selections are obtained.

(h) The person whose name appears on the back of the ticket on the entry drawn shall win the prize identified in K.A.R. 111-7-114, subject to validation by the lottery as set forth in these rules.

(i) After all 12 entries have been drawn and certified valid, four more entries will be drawn, one at a time, to serve as alternate entries. The alternate entries will be marked in order drawn, 1A, 2A, 3A and 4A. The alternate ticket entries will be used only if one or more of the original 12 winners cannot be located or declared ineligible. If an alternate entry is used, all other entries will be moved up, in the order drawn, to the appropriate prize level.

(j) All "Cash Lotto Third Chance Drawing" tickets remaining in the drum or receptacle on March 17, 1995, after all winners have been selected and certified shall be destroyed. (Authorized by and implementing K.S.A. 74-8710(b); effective, T-111-1-26-95, Jan. 13, 1995.)

Reg. 42,996 (1994), are hereby adopted by reference.

(b) Each applicant who has been given a conditional offer of employment for a commercial driver position shall be administered an alcohol and controlled substances test.

(c) For purposes of this regulation, a "conditional offer of employment" means the offer of a commercial driver position is contingent upon participating in the alcohol and controlled substances testing program established under the federal omnibus transportation employee testing act of 1991, 49 U.S.C. Appx. § 2717.

(d) Each applicant who has been given a conditional offer of employment shall be informed of the provisions of subsection (c) and (g) of this regulation in writing and shall sign a statement agreeing to participate in the testing prior to administration of the tests. Failure to accept this condition shall make the conditional offer of employment null and void.

(1) the methods of alcohol and controlled substances testing which may be used;

(2) the substances which may be identified;

(3) the consequences of a refusal to submit to an alcohol and controlled substances test or of a confirmed positive result; and

(4) the reasonable efforts utilized by the state to maintain the confidentiality of results and any medical information which may be provided.

(f) Procedures and testing personnel used in collecting, analyzing, and evaluating test samples shall meet the standards established by the director in accordance with 49 C.F.R., Part 40.

(g) (1) The conditional offer of employment shall be null and void and the applicant shall be subject to disqualification from commercial driver positions in accordance with K.S.A. 75-2940 and K.A.R. 1-6-7 for a period of one year from the effective date of the disqualification action in those instances in which:

(2) An alcohol test shall be considered "positive" when the alcohol concentration is 0.04 grams of alcohol per 210 liters of breath or greater. However, if the breath alcohol content is 0.02 grams of alcohol or greater and less than 0.04 grams of alcohol, the applicant shall not be allowed to begin performing safety-sensitive functions until a 24-hour period has elapsed, in accordance with 49 C.F.R., 382.505. For purposes of this regulation, "safety sensitive functions" shall be defined as in K.A.R. 1-9-25(c).

(h) In accordance with 49 C.F.R., 40.25(f)(10)(ii)(E), any applicant who receives a confirmed positive result on a controlled substances test may request a retest by the original or a different laboratory on the second half of the original specimen within 72 hours of being notified of the positive test result.

(i) Any applicant who intentionally tampers with a sample provided for alcohol or controlled substances testing, violates chain-of-custody or identification procedures or falsifies a test result shall have the conditional offer of employment withdrawn and shall be subject to disqualification for all positions in state service in accordance with K.S.A. 75-2940.

Article 9.—HOURS; LEAVES; EMPLOYEE-MANAGEMENT RELATIONS

1-9-25. Alcohol and controlled substances test for employees in commercial driver positions. (a) The provisions of 49 C.F.R., Part 382, as in effect on February 15, 1994, and 49 C.F.R. Part 40, as in effect on February 15, 1994, and amendments to Part 40, as published in 59 Fed. Reg. 42,996 (1994), are hereby adopted by reference.

(b) Any employee in a commercial driver position may be required to submit to an alcohol or controlled substances test in accordance with the federal omnibus transportation employees act of 1991, 49 U.S.C.3 Appx. § 2717, based upon reasonable suspicion of illegal controlled substance use or alcohol abuse by that employee or for the purposes of random testing, post-accident testing, return-to-duty testing or follow-up testing.

(c) For the purposes of this regulation, "safety-sensitive functions" means any duty required of an employee in a commercial driver position during the following periods:

(1) all time spent waiting to be dispatched at a state plant, terminal, facility or other state property or on any public property, unless the driver has been relieved from duty by the agency.

(2) all time spent inspecting equipment as required by 49 C.F.R., 392.7 and 392.8, as in effect on February 15, 1994, or otherwise inspecting, servicing or conditioning any commercial motor vehicle at any time.

(3) all driving time as defined in 49 C.F.R., 395.2 as in effect on February 15, 1994.

(4) all time, other than driving time, spent in or upon any commercial motor vehicle, except time spent resting in a sleeper berth;

(5) all time spent loading or unloading a vehicle, supervising or assisting in the unloading or loading, attending a vehicle being loaded or unloaded, remaining in readiness to operate the vehicle, or in giving or receiving receipts for shipments loaded or unloaded;

(6) all time spent performing the driver requirements relating to accidents as set out in 49 C.F.R., 392.40 and 392.41, as in effect on February 15, 1994; and

(7) all time repairing, obtaining assistance or remaining in attendance upon a disabled vehicle.

(d) (1) Each agency shall require each of its employees in commercial driver positions to submit to an alcohol or a controlled substances test when the agency has reasonable suspicion of illegal controlled substance use or alcohol abuse by that employee. Reasonable suspicion shall be based on a judgment which is supported by specific, contemporaneous, articulable observations regarding the employee's behavior, appearance, speech or body odor. Such testing may be conducted:

(A) only if the observations are made by a supervisor or other state official trained in accordance with 49 C.F.R., 382.603; and

(B) for alcohol testing, only if the observations are made during, just preceding or just after the period of the work day in which the employee is performing a safety-sensitive function.

(2) Each employee in a commercial driver position shall be subject to random testing for alcohol and controlled substances. Random testing for alcohol and controlled substances shall be unannounced and each employee in a commercial driver position shall have an equal chance of being selected for testing each time selections for testing are made. The number of employees selected for random testing each year shall be based on the percentage established by the federal highway administration under 49 C.F.R., 382.305. The process used to

(continued)

randomly select employees to be tested shall be a scientifically valid method. Random alcohol testing shall be conducted only during, just preceding or just after the period of the work day in which the employee is performing a safety-sensitive function.

(3) (A) Each employee in a commercial driver position who is involved in an accident shall be tested for alcohol and controlled substances if:

(i) the employee was performing a safety-sensitive function with respect to the vehicle and the accident involved the loss of human life; or

(ii) the employee was issued a citation under state or local law for a moving traffic violation arising from the accident. The post-accident testing shall be performed as soon as practicable following the accident.

(B) For purposes of this regulation, an accident is defined as an incident involving a commercial motor vehicle in which there is either a fatality, an injury treated away from the scene or a vehicle which is required to be towed from the scene.

(C) The driver shall remain available for testing and refrain from consuming alcohol for eight hours or until the driver undergoes a post-accident alcohol test. If the driver is not available, the agency may consider the driver to have refused to be tested. If the alcohol test is not administered within two hours following the accident, the employer shall maintain on file a record stating the reasons the test was not promptly administered. If the alcohol test is not administered within eight hours, the agency shall cease attempts to administer the test and shall prepare and maintain the same record. If the controlled substances test is not administered within 32 hours, the agency shall cease attempts to administer the test and shall prepare and maintain on file a record stating the reasons the test was not promptly administered.

(4) Each employee who is in a commercial driver position and who has violated one or more of the provisions of 49 C.F.R., Part 382, Subpart B, shall not return to duty requiring the performance of a safety-sensitive function until the employee undergoes a return-to-duty alcohol test with results indicating an alcohol breath content of less than 0.02 grams of alcohol per 210 liters of breath, a controlled substances test with a verified negative result, or both as appropriate.

(5) Each employee in a commercial driver position who violates one or more of the provisions of 49 C.F.R., Part 382, Subpart B, and who is identified by a substance abuse professional as needing assistance in resolving problems associated with alcohol or controlled substances, shall be subject to unannounced follow-up controlled substances testing, alcohol testing or both following the employee's return to duty. Such follow-up testing shall consist of at least six tests in the first 12 months following the driver's return to duty. Alcohol testing shall only be performed prior to, immediately after or while performing a safety-sensitive function.

(e) State agencies may ask a current employee in a commercial driver position to submit to alcohol and controlled substances tests under the provisions of paragraphs (d)(1) through (5) as a condition of employment. Refusal to comply with these requirements shall be con-

sidered the equivalent of receiving a confirmed positive result for referral or disciplinary actions.

(f) (1) Each employee required to submit to alcohol or controlled substances tests shall be notified of that requirement in writing. Each employer shall provide each current employee in a commercial driver position detailed materials containing information identified below in paragraph (f)(2). These materials shall be provided prior to the start of alcohol and controlled substances testing by the agency, and to each employee subsequently hired or transferred into a commercial driver position.

(2) The information provided to each employee in a commercial driver position shall include:

(A) the identify of the person designated by the agency to answer drivers' questions about the materials;

(B) the categories of drivers who are subject to the provisions of this regulation;

(C) sufficient information about the safety-sensitive functions performed by those drivers to make clear which periods of the work day the driver is required to be in compliance with this regulation;

(D) specific information concerning driver conduct that is prohibited by this regulation and Subpart B of 49 C.F.R., Part 382;

(E) the circumstances under which a driver will be tested for alcohol or controlled substances under this regulation;

(F) the procedures that will be used to test for the presence of alcohol and controlled substances, protect the driver and the integrity of the testing processes, safeguard the validity of the test results, and ensure that those results are attributed to the correct driver;

(G) the requirement that each driver submit to alcohol and controlled substances tests administered in accordance with this regulation;

(H) an explanation of what constitutes a refusal to submit to an alcohol or controlled substances test and the attendant consequences;

(I) the consequences for drivers found to have violated C.F.R., 382, subpart B, including the requirement that the driver be removed immediately from safety-sensitive functions, and the referral, evaluation and treatment procedures under 49 C.F.R., 382.605;

(J) the consequences for drivers found to have an alcohol concentration of 0.02 grams per 210 liters of breath or greater but less than 0.04 grams;

(K) information regarding post-accident procedures and instructions necessary for the employee to be able to comply with the post-accident testing requirements; and

(L) information concerning:

(i) the effects of alcohol and controlled substances use on an individual's health, work, and personal life;

(ii) signs or symptoms of an alcohol or a controlled substances problem, whether the driver's own problem or that of a co-worker; and

(iii) available methods of intervening when an alcohol or a controlled substances problem is suspected, including confrontation, referral to the state employee assistance program, referral to management, or a combination of these steps.

(g) Procedures and testing personnel used in collecting, analyzing, and evaluating test samples shall meet the

standards established by the director in accordance with 49 C.F.R., Part 40.

(h) In accordance with 49 C.F.R., 40.25(f)(10)(ii)(E), any employee who receives a confirmed positive result on a controlled substances test may request a retest by the original or a different laboratory on the second half of the original specimen within 72 hours of being notified of the positive test result.

(i) (1) An alcohol test shall be considered "positive" when the alcohol concentration is 0.04 grams of alcohol per 210 liters of breath or greater. However, if the breath alcohol content is 0.02 grams of alcohol per 210 liters of breath or greater and less than 0.04 grams of alcohol, the employee shall not be allowed to perform safety-sensitive functions until a 24-hour period has elapsed, in accordance with 49 C.F.R., 382.505. The agency shall not take action against the employee based solely on a test required by 49 C.F.R., Part 382 with a test result of less than 0.04 grams of alcohol.

(2) A permanent employee who receives a confirmed "positive" controlled substances test result or an alcohol test result with a concentration of 0.04 or greater or who violates any provision of 49 C.F.R., Part 382, Subpart B shall be removed from safety-sensitive functions until the employee has:

(A) been evaluated by a substance abuse professional;
(B) completed treatment, if required by the substance abuse professional; and

(C) taken a return-to-duty alcohol test, controlled substances test or both, as determined by the substance abuse professional, with results below 0.02 grams of alcohol per 210 liters of breath and a negative result for controlled substances.

(3) An employee shall not be subject to dismissal solely on the basis of a confirmed positive test result or a violation of any other provision of 49 C.F.R., 382, Subpart B if the employee has not previously had a confirmed positive result or the equivalent or other violation and the employee successfully completes an appropriate and approved alcohol and controlled substance assessment and any recommended education or treatment program, as provided in paragraph (i)(2). However, the employee shall be subject to dismissal in accordance with K.S.A. 75-2949f if the employee has previously had a confirmed "positive" result or the equivalent or other violation or if the employee fails to successfully complete an appropriate and approved alcohol and controlled substances assessment and recommended education and treatment program as prescribed by the substance abuse professional. This regulation shall not preclude the agency appointing authority from proposing disciplinary action in accordance with K.S.A. 75-2949d and K.A.R. 1-10-8 for other circumstances that occur in addition to a confirmed "positive" result and which are normally grounds for discipline.

(4) Any probationary employee who violates any provision of 49 C.F.R., Part 382, Subpart B and any employee who is on probation, other than for a promotional appointment, at the time the employee was given written notice of an appointment for an alcohol or controlled substances test and who has a confirmed positive result shall be subject to dismissal pursuant to K.A.R. 1-10-8.

(j) Any employee who intentionally tampers with a sample provided for alcohol or controlled substances testing, violates chain-of-custody or identification procedures or falsifies a test result shall be subject to dismissal pursuant to K.S.A. 75-2949f.

(k) If disciplinary action is warranted under the provisions of this regulation, the employee shall be afforded due process in accordance with K.S.A. 75-2949 and K.A.R. 1-10-6, if a permanent employee, and in accordance with K.A.R. 1-10-8, if a probationary employee.

(l) (1) Individual results and medical information shall be considered confidential and shall not be disclosed publicly. Each employee shall be granted access to the employee's information upon written request to the director, in accordance with 49 C.F.R., 382.405.

(2) (A) Each agency shall be responsible for maintaining strict security and confidentiality of the alcohol and controlled substances records in that agency. Access to these records shall be restricted to:

(i) the agency personnel officer, the agency appointing authority, the secretary of administration, the director, or any of their respective designees;

(ii) persons in the supervisory chain of command;

(iii) the agency legal counsel; or

(iv) the department of administration legal counsel.

(B) Further access to these records shall not be authorized without the express consent of the director.

(m) This regulation shall take effect on and after February 1, 1995. (Authorized by K.S.A. 75-3747, as amended by L. 1994, ch. 248, sec. 29; implementing K.S.A. 75-3746 and 75-3707; effective, T-1-1-26-95, Jan. 26, 1995.)

1-9-26. Pre-duty alcohol and controlled substances testing for employees in positions assigned commercial driver functions. (a) The provisions of 49 C.F.R., Part 382, as in effect on February 15, 1994, and 49 C.F.R. Part 40, as in effect on February 15, 1994, and amendments to Part 40, as published in 59 Fed. Reg. 42,996 (1994), are hereby adopted by reference.

(b) For purposes of this regulation, the term "safety sensitive function" shall be as defined in K.A.R. 1-9-25(c).

(c) When an agency assigns duties to an existing, filled position which would result in the position becoming a commercial driver position, the incumbent employee in the position shall be subject to an alcohol and controlled substances test and the provisions of 49 C.F.R., 382.413 regarding release of alcohol and controlled substances test information by previous employers.

(d) Each employee who is an incumbent in a position to which commercial driver functions are assigned shall be informed of the provisions of subsection (c) and (g) through (i) of this regulation in writing and shall sign a statement agreeing to participate in the testing prior to administration of the tests. Each employee required to submit to alcohol and controlled substances testing under this regulation shall be advised of:

(1) the methods of alcohol and controlled substances testing which may be used;

(2) the substances which may be identified;

(3) the consequences of a refusal to submit to an alcohol and controlled substances test or of a confirmed positive result; and

(continued)

(4) the reasonable efforts utilized by the state to maintain the confidentiality of results and any medical information which may be provided.

(e) Procedures and testing personnel used in collecting, analyzing, and evaluating test samples shall meet the standards established by the director in accordance with 49 C.F.R., Part 40.

(f) In accordance with 49 C.F.R., 40.25(f)(10)(ii)(E), any employee who receives a confirmed positive result on a controlled substances test may request a retest by the original or a different laboratory on the second half of the original specimen within 72 hours of being notified of the positive test result.

(g) If an incumbent employee fails to participate in the required alcohol and controlled substances test, refuses to sign the written authorization required under subsection (d) of this regulation or refuses to provide written authorization for release of alcohol and controlled substances test information by previous employers, the employee shall not begin performing the safety sensitive functions. A subsequent refusal to participate in the required testing or to sign the written authorization shall be grounds for discipline under K.S.A. 75-2949f.

(h)(1) If an incumbent employee receives a confirmed positive alcohol or controlled substances test result, the employee shall not perform any safety-sensitive functions until the employee has:

(A) been evaluated by a substance abuse professional;
(B) completed treatment, if required by the substance abuse professional; and

(C) taken a subsequent alcohol test, controlled substances test or both, as determined by the substance abuse professional, with results below 0.02 grams of alcohol per 210 liters of breath and a negative result for controlled substances.

(2) An incumbent employee with permanent status in a position to which commercial driver functions are assigned shall not be subject to dismissal solely on the basis of a confirmed positive test result if the employee successfully completes an appropriate and approved alcohol and controlled substance assessment and any recommended education or treatment program, as provided in paragraph (h)(1). However, the employee shall be subject to dismissal in accordance with K.S.A. 75-2949f if the employee fails to successfully complete an appropriate and approved alcohol and controlled substance assessment and recommended education and treatment program as prescribed by the substance abuse professional. This regulation shall not preclude the agency appointing authority from proposing disciplinary action in accordance with K.S.A. 75-2949d and K.A.R. 1-10-8 for other circumstances that occur in addition to a confirmed "positive" result and which are normally grounds for discipline.

(3) Any employee who was on probation, other than for a promotional appointment, at the time the employee was given notice of the assignment of commercial driver functions to the employee's position and written notice

of the associated alcohol or controlled substances testing requirement and who has a confirmed positive result shall be subject to dismissal pursuant to K.A.R. 1-10-8.

(4) An alcohol test shall be considered "positive" when the alcohol concentration is 0.04 grams of alcohol per 210 liters of breath or greater. However, if the breath alcohol content is 0.02 grams of alcohol or greater and less than 0.04 grams of alcohol, the applicant shall not be allowed to begin performing safety-sensitive functions until a 24-hour period has elapsed, in accordance with 49 C.F.R., 382.505.

(i) The provisions of paragraphs (h)(1) and (2) relating to a confirmed positive test shall apply if the information obtained from a prior employer under 49 C.F.R., 382.413 indicates that, within the preceding two years:

(1) the employee violated any of the provisions of 49 C.F.R., 382, Subpart B; and

(2) the employee failed to complete the requirements for returning to work under 49 C.F.R., 382.605, including an evaluation by a substance abuse professional, a return to duty alcohol test, controlled substances test or both, and completion of any rehabilitation or treatment program prescribed by the substance abuse professional.

(j) Any employee who intentionally tampers with a sample provided for alcohol or controlled substances testing, violates chain-of-custody or identification procedures or falsifies a test result shall be subject to dismissal pursuant to K.S.A. 75-2949f.

(k) If disciplinary action is warranted based on the provisions of this regulation, the employee shall be afforded due process in accordance with K.S.A. 75-2949 and K.A.R. 1-10-6, if a permanent employee, and in accordance with K.A.R. 1-10-8, if a probationary employee.

(l)(1) Individual results and medical information shall be considered confidential and shall not be disclosed publicly. Each applicant shall be granted access to the applicant's information upon written request to the director, in accordance with 49 C.F.R., 382.405.

(2)(A) Each agency shall be responsible for maintaining strict security and confidentiality of the alcohol and controlled substance records in that agency. Access to these records shall be restricted to:

(i) the agency personnel officer, the agency appointing authority, the secretary of administration, the director, or any of their respective designees;

(ii) persons in the supervisory chain of command;

(iii) the agency legal counsel; or

(iv) the department of administration legal counsel.

(B) Further access to these records shall not be authorized without the express consent of the director.

(m) This regulation shall take effect on and after February 1, 1995. (Authorized by K.S.A. 75-3747, as amended by L. 1994, ch. 248, sec. 29; implementing K.S.A. 75-3746 and 75-3707; effective, T-1-1-26-95, Jan. 26, 1995.)
