Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9 a.m. Wednesday, June 5, in the conference room of the Secretary of State's Office, Room 120, Memorial Hall, 120 S.W. 10th Ave., Topeka, to consider proposed amended Kansas Administrative Regulations 7-23-13 and 7-37-2. These regulations pertain to transmission of voter registration data to the Secretary of State's Office and are proposed for adoption on a permanent basis.

K.A.R. 7-23-13 instructs the county election officer to transmit voter registration information to the Secretary of State and provides for the specific format of the data and the deadlines for the transmission of the data. The regulation is amended to reduce the size of the field for the Social Security number in accordance with statutory amendments requiring only the last four digits of the Social Security number on voter registration. The amended regulation also adds fields for "inactive designation," "suspended designation" and "reserved (blank)" designation. The regulation is further amended for grammar and stylistic changes.

K.A.R. 7-37-2 specifies the manner in which the Department of Revenue, Motor Vehicles Division, must transmit voter registration information to the Secretary of State. The regulation is amended to reduce the required transmittal field for the Social Security number from nine fields to four, corresponding to the recent statutory amendment requiring only the last four digits of the Social Security number on voter registration.

Both regulations will cause no economic impact on the state or the general public but will impact county election officials who may incur computer programming costs to implement the amended law and the accompanying regulations. The total estimated expense for all counties is expected to be \$15,000.

This 60-day notice of public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. Comments may be submitted prior to the hearing to Melissa Wangemann, Legal Counsel, Office of the Secretary of State, Room 140, Memorial Hall, 120 S.W. 10th Ave., Topeka, 66612-1594.

All interested parties will be given a reasonable opportunity at the hearing to present their views. It may be necessary to request each participant to limit any oral presentation to five minutes. Any person requiring visual or communication aid or assistance, building access assistance or other similar assistance should contact the Secretary of State's Office so appropriate arrangements can be made.

Copies of the regulations and the economic impact statement may be obtained at the address above or by calling (785) 296-2114.

Notice of Available Funding for Adult Education

Pursuant to assurances set forth in the Kansas Four-Year State Plan for Adult Education, notification of available state and federal funding for adult education and family literacy programs is announced. These funds are authorized by the Adult Education and Family Literacy Act (Title II of the Workforce Investment Act [WIA] of 1998).

Title II of WIA, the Adult Education and Family Literacy Act (AEFLA), provides federal financial assistance to states to assist, improve and/or expand existing local programs that serve adults and out-of-school youth age 16 and older, who meet one of the following conditions:

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 9 a.m. Tuesday, June 4, in the third floor conference room, Kansas Insurance Department, 420 S.W. 9th, Topeka, to consider the adoption of proposed changes in an existing rule and regulation.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to Rebecca Sanders, Kansas Insurance Department, 420 S.W. 9th, Topeka, 66612-1678. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Rebecca Sanders at (785) 296-7811.

A copy of the full text of the regulation and economic impact statement may be obtained by contacting Rebecca Sanders. A summary of the regulation and its economic impact follows:

K.A.R. 40-1-48. Risk-based capital instructions for managed care organizations. This regulation adopts by reference the National Association of Insurance Commissioner's 2001 health risk-based capital report, including overview and instructions for companies. The amendments are adopting the 2001 risk-based reports as required by K.S.A. 40-2d01(h). That section defines RBC instructions as "the risk-based capital instruction for managed care organizations promulgated by the NAIC which are in effect on December 31, 1999, or any later version as adopted by the commissioner in rules and regulations." This later version, the RBC instructions for 2001, is what the department is adopting by reference in these amendments.

There is no economic impact on companies or the department. These amendments are simply continuing the annual requirement of the companies to file risk-based capital reports. There is no economic impact on other local jurisdictions.
