Notice to Private Activity Bond Applicants

Applications for allocation of 2003 Private Activity Bond (PAB) authority are now being accepted for qualified uses, as defined by the Internal Revenue Code of 1986, and amendments thereto.

The State of Kansas is projected to receive \$225,000,000 of federal authority for the issuance of PABs in calendar year 2003. Historically, the primary uses of this federal authority have included "qualified small issue bonds" used for construction and equipping of manufacturing facilities and beginning farmer programs; "exempt facility bonds" used by for-profit entities providing a public benefit, i.e., certain waste treatment facilities, qualified residential rental facilities, etc.; and "qualified mortgage bonds" issued to benefit first-time homebuyers. Allocations awarded by the Secretary of Commerce and Housing are subject to the provisions of K.S.A. 74-5060 et seq. and the limitations of the state volume cap.

Fees associated with PAB application and issuance are as follows:

(1) Application fee—A nonrefundable fee must accompany the application before the request can be processed. The application fee is determined as follows:

- \$250 for allocation requests up to \$5,000,000
- \$500 for allocation requests from \$5,000,001 to \$10,000,000
- \$1,000 for allocation requests \$10,000,001 and above

(2) Issuance Fee—An issuance fee for allocation amounts utilized, other than "Qualified Mortgage Bonds" issued, shall be due and payable to the Kansas Department of Commerce and Housing at bond closing. Issuance fees shall be determined as follows:

Allocation Used	Fee
● To \$2,000,000	5 basis points (.05%)
● \$2,000,001 and above	10 basis points (.10%)

"Qualified Mortgage Bond" programs will be assessed a fee, upon issuance of each mortgage loan assisted through the program, equal to .5% of the PAB allocation used.

Issuance fees shall be remitted within 30 days of bond closing. Checks for both the application and issuance fees should be made payable to the Kansas Department of Commerce and Housing Bond Fee Fund.

For more information or to obtain application materials, contact Mary Gerstner or Steve Kelly, Kansas Department of Commerce and Housing, 1000 S.W. Jackson, Suite 100, Topeka, 66612-1354, (785) 296-5298 or TTY (785) 296-3487.

Constitution of the State of Kansas—Legislative—Approval of Bills; Vetoes; Governor's Line-item Veto Power. Representative Lana Gordon, 52nd District, Topeka, October 2, 2002.

Based on the authority cited herein, it is our opinion that the Kansas appellate courts would interpret the term "item of appropriation of money" broadly enough to conclude that the veto of subsection 141(l) of 2002 Senate Bill No. 517 was within the spirit of the executive line-item veto power and constitutional. Public Health—Regulation of Nursing; Nurses—Definitions; Practice of Nursing; Unlawful Acts. Representative Willa DeCastro, 96th District, Wichita, November 5, 2002.

Attendant care services, such as medication administration, dressing changes and enteral tube feeding provided by an unlicensed attendant to an individual who is in need of and receiving in-home care, are exempt from the unlawful practice of nursing, provided the individual receiving the services has been approved by a registered nurse or a physician to self-direct his or her care pursuant to K.S.A. 65-6201. In order to be approved, the individual who directs the services must be functionally, not mentally, disabled and must be able to perform the services but for this disability, and the services include only those that may be safely performed in the home. Additionally, although attendants and home health aides perform some of the same services, attendants performing attendant care services pursuant to K.S.A. 65-6201 are exempt from the requirements of training and examination required of home health aides. Kansas Arts Commission

Notice of Grant Opportunities and
Grant-Writing Workshop

The Kansas Arts Commission is preparing its "Grant Programs for Organizations and Communities" booklet of guidelines and application forms for fiscal year 2004 to be distributed in January. Two program changes occur in the guidelines for FY 04 (July 1, 2003 - June 30, 2004):

- The new Kansas Visual Arts Program (KVAP) is being offered to enable arts organizations to mount visual art exhibitions by Kansas artists. KVAP grants will be offered only as a component of the Operational Support Program.
- The Arts In Education Program offers a new category for Arts-Based Early Education grants.

To assist Kansas applicants in requesting commission funds for art programs and projects, the Association of Community Arts Agencies of Kansas has scheduled a grant-writing workshop from 9 to 10:30 a.m. Tuesday, February 4, in the Florentine Room on the lobby level of the Jayhawk Tower, 700 S.W. Jackson, Topeka. Kansas Arts Commission program consultants will present information about grant eligibility, their respective grant programs for organizations, the application process and changes in the guidelines. Immediately following, there will be a KVAP exhibition development workshop from 10:30 a.m. to 4:30 p.m. at the same location.

The FY 04 application deadlines for the arts grant programs are as follows:

- Operational Support (including its Kansas Touring Program and KVAP components)—5 p.m. Monday, March 17.
- Arts In Education and Arts Project Support—5 p.m. Monday, March 31.
- Applications for Technical Assistance, Grassroots and separate Kansas Touring Program grants must be submitted prior to the start of your project. They will be considered on a first-come, first-served basis and will be awarded until available funds are exhausted.

Advisory panels will meet in April to consider Arts Project Support and Arts In Education applications. Because the grant amounts for the Operational Support Program are formula-based, there is no advisory panel consideration.

Operational Support, Arts Project Support and Arts In Education grants will be awarded by the commission in June.

All funding amounts are contingent upon the appropriation of state funds to the commission by the 2003 Kansas Legislature and of federal funds by the U.S. Congress.

The guidelines booklet includes the roster of more than 60 performing artists, ensembles and companies offered through the Kansas Touring Program. Categories are dance and movement theatre, storytellers and theatre, solo and ensemble classical music, jazz, traditional acoustic music, and vocal performance by singers and songwriters.

Copies of the fiscal year 2004 "Grant Programs for Organizations and Communities" booklet of guidelines and application forms may be obtained free of charge by contacting the Kansas Arts Commission, Suite 1004, Jayhawk Tower, 700 S.W. AZZ Inc., Fort Worth, Texas, owns and operates Atkinson Industries, which manufactures metal switch houses, gauging stations and power centers. The facility is located at 1801 E. 27th St. Terrace, Pittsburg, Kansas.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during the permit application review process is available for a 30-day public review during normal business hours at the KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka; and at the KDHE Southeast District Office, 1500 W. 7th, Chanute. To obtain or review the proposed permit and supporting documentation, contact Adam W. The written request must be submitted to Connie Carreno, Bureau of Air and Radiation, not later than the close of business February 3 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the 30-day public comment period, within which to object to

the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA 45-day review period. If the EPA waives its 45-day review period, the 60-day public petition period will start directly after the 30-day public comment period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Gary Schlicht, U.S. EPA, Region VII, Air Permitting and Compliance Branch, 901 N. 5th St., Kansas City, KS 66101, (913) 551-7097, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Request for Comments

The Kansas Department of Health and Environment and the U.S. Environmental Protection Agency, Region 7, are providing notice of intent to renew a Resource Conservation and Recovery Act (RCRA) permit for The Sherwin-Williams Company to perform post-closure care and remediation at the facility located at 1700 W. 4th St., Coffeyville. Sherwin-Williams is responsible under RCRA for the continued remediation and monitoring at this facility.

The facility obtained interim status as a hazardous waste treatment and storage facility in November 1980 and was assigned the following EPA identification number: KSD007163355. The RCRA permit requires Sherwin-Williams to continue the post-closure care and monitoring for the closed waste management units and fulfill the corrective action requirements. During the term of this permit, Sherwin-Williams is subject to inspection by KDHE and the EPA to determine compliance with the requirements of the permit.

In October 1985, the State of Kansas received final authorization from the EPA to implement its own hazardous waste management program in lieu of the federal program, except for the portions covered by the 1984 Hazardous and Solid Waste Amendments (HSWA). The KDHE portion of the permit (Part I) will be issued under the authority of K.S.A. 65-3431 (i) and 65-3431 (s). The EPA portion of the permit (Part II) will be issued under the authority of sections 3002 (b), 3004 (u) and (v), and 3005 of the RCRA.

Part I of the permit will require Sherwin-Williams to perform post-closure care and monitoring for the closed

waste management units within the Coffeyville facility, in accordance with the conditions of the permit. The EPA portion (Part II) of the joint permit will address corrective action requirements of HSWA.

The permit application, draft permit, related information and all data submitted by the applicant, as part of the administrative record, are available for public review from January 6-February 21, Monday through Friday, at the following locations:

The bonds shall be payable as to both the principal of and the interest thereon, in part, from the collection of special assessment taxes that have been levied against certain real properties in the county. To the extent the proceeds of such special assessment taxes are insufficient, the county is obligated to levy ad valorem taxes without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the county for the purpose of paying the bonds and the interest thereon.

Delivery of the Bonds

The bonds, duly printed, executed and registered, shall be furnished and delivered at the expense of the county on or before Thursday, January 30, 2003, to the successful bidder, or at its direction, to DTC for the account of the successful bidder or at such bank or trust company or other qualified depository in the State of Kansas or Kansas City, Missouri, as may be specified by the successful bidder. Official Statement

The county has prepared a preliminary official statement relating to the bonds, copies of which may be obtained from the county or the county’s bond counsel. The preliminary official statement is in a form “deemed final” by the county for the purpose of Securities and Exchange Commission Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in the final official statement. The county will provide the purchaser of the bonds or its designated agent, within seven business days after the date of the sale, copies of the county’s final official statement, in sufficient quantity to comply with the rules of the Securities and Exchange Commission and the Municipal Securities Rulemaking Board.

Continuing Disclosure

Securities and Exchange Commission Rule 15c2-12, as amended effective July 3, 1995, provides that brokers, dealers and municipal securities dealers must comply with certain requirements before acting as an underwriter in a primary offering of municipal securities with an aggregate principal amount of \$1,000,000 or more.
