State of Kansas
Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, December 2, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the respective borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond of acquiring the project or for the purpose of refunding a bond previously issued to finance the project. The project shall be located as shown:

Project No. 000618—Maximum Principal Amount: \$82,800. Owner/Operator: J. Duane Hanna. Description: Acquisition of 88 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is located in Section 21, Grove Township, Shawnee County, Kansas, approximately 5 miles north of Silver Lake on Valencia Road.

The bond, when issued, will be a limited obligation of the KDFFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the KDFFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFFA.

Any individual affected by the above-described project may, at or prior to the hearing, file a written request with the KDFFA that a local hearing be held on the proposal to issue a bond to finance said project. A local hearing, if

requested, would be conducted in the county where the project in question is located.

**Notice Concerning TANF Caseload
 Reduction Report**

Federal law requires that a specified percentage of recipients of Temporary Assistance for Needy Families (TANF) be engaged in work or work activities. In determining if a state meets its minimum work participation requirement, a state is allowed a credit for reducing the size of its TANF caseload.

The Department of Social and Rehabilitation Services has prepared a report on its caseload reduction estimates and the methodology used to arrive at the estimates. Copies of this report are available by contacting the Department of Social and Rehabilitation Services at (785) 296-3349. Comments on the estimates and/or methodology should be sent by December 27 to Phil Anderson, Department of Social and Rehabilitation Services, Room 681-West, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612. Comments also may be faxed to (785) 296-6960 or e-mailed to pca@srskansas.org.

Notice Concerning TANF State Plan

The state of Kansas will submit by December 31 an updated Kansas state plan and annual report for administration of the block grant to states for Temporary Assistance for Needy Families (TANF). TANF provides assistance to needy families with children and provides parents with job preparation and work and support services to enable them to leave the program and become self-sufficient. Only minor revisions are being made to the TANF State Plan.

Copies of the plan and annual report are available by contacting the Department of Social and Rehabilitation Services at (785) 296-3349. Comments should be sent by December 27 to Diane Dykstra, Department of Social and Rehabilitation Services, TANF Plan, Room 681-West, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612. Comments also may be faxed to (785) 296-0146 or e-mailed to ldd@srskansas.org.

Wildlife and Parks Commission

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted by the Wildlife and Parks Commission at 7 p.m. Thursday, January 20, at the Memorial Building Auditorium, 120 S.W. 10th Ave., Topeka, to consider the approval and adoption of proposed administrative regulations of the Kansas Department of Wildlife and Parks.

A workshop meeting on business of the Wildlife and Parks Commission will begin at 1:30 p.m. January 20 at the same location. The meeting will recess at 5:30 p.m., then resume at 7 p.m. at the same location for the regulatory hearing. There will be public comment periods at the beginning of the afternoon and evening meetings for any issues not on the agenda, and additional comment periods will be available during the meeting on agenda items. Old and new business also may be discussed at this time. If necessary to complete the hearing or other business matters, the commission will reconvene at 9 a.m. January 21 at the same location.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Sheila Kemmis, commission secretary, at (620) 672-5911. Persons with a hearing impairment may call the Kansas Commission on the Deaf and Hard of Hearing at 1-800-432-0698 to request special accommodations.

This 60-day notice period prior to the hearing constitutes a public comment period for the purpose of receiving written public comments on proposed administrative regulations.

All interested parties may submit written comments prior to the hearing to the chairman of the commission, Kansas Department of Wildlife and Parks, 1020 S. Kansas Ave., Suite 200, Topeka, 66612, or by e-mail to sheilak@wp.state.ks.us. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to the adoption of the proposed regulations. During the hearing, all written and oral comments submitted by interested parties will be considered by the commission as a basis for approving, amending and approving, or rejecting the proposed regulations.

The regulations that will be heard during the regulatory hearing portion of the meeting are as follows:

K.A.R. 115-18-1. This permanent regulation sets the application, reporting and general requirements of wildlife rehabilitation permits. The proposed amendments include minimum age for permittees, a base level of knowledge and experience, examination of applicants and con-

tinuing education, inspection of facilities, wildlife care requirements, transfer requirements, provisions for emergency care and transfer, record keeping and cancellation of permits.

Economic Impact Summary: The proposed amendments will have an impact on the department and current rehabilitation permittees. However, after implementation of the new program, impact to the department and permittees will diminish substantially.

K.A.R. 115-4-6. This permanent regulation delineates the boundaries of deer management units. Proposed changes include the exclusion of landowner deer management program areas and a minor expansion of Unit 19 to include a larger portion of the city of Leavenworth to assist in conducting urban deer management.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-4-6a. This new permanent regulation delineates the boundaries of new archery deer management units.

Economic Impact Summary: The proposed regulation is not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-15-1. This permanent regulation designates the endangered and threatened species within the boundaries of the state. The proposed amendments would add one new endangered species, the Silver chub, and remove two threatened species, the Texas night snake and White-faced ibis, from the list of species designated.

Economic Impact Summary: The economic impact of the proposed amendments is expected to be minimal due to a number of factors, including the current existence of other species in the same habitat that are already listed as threatened or endangered (concerning the Silver chub). To the extent the proposed amendments would lead to additional review of projects that would impact one of this species or its habitat, the economic impact would be anticipated to be small. State law requires a permit of such a project only if publicly funded or if a state or federal permit is already required. Of approximately 1,000 to 1,500 projects reviewed annually, only 20-30 require a permit, and less than 5 percent are required to perform additional mitigation. The proposed amendments would impose some cost on the department for the development and implementation of a recovery plan for the Silver chub. However, the plan would be developed based on a priority list of all listed species. No other economic impact on the public or other state agencies is anticipated.

K.A.R. 115-15-2. This permanent regulation designates species in need of conservation (SINC species) within the boundaries of the state. SINC species do not receive the same level of protection as threatened or endangered species. The proposed amendments would add the Night snake, Delta hydrobe, and Brindled madtom and remove the Red-shouldered hawk and Eastern chipmunk from the list of SINC species.

Economic Impact Summary: Listing a species as a SINC species provides no special protection or permit requirements other than a prohibition on the intentional taking

(continued)

of such species. Therefore, the proposed amendments would not be anticipated to have an economic impact of the public or other state agencies. Adding a new SINC species would create some cost to the department for the development of a recovery plan for that species.

K.A.R. 115-2-1. This permanent regulation sets the fee schedule for licenses, permits and other issues of the department. The proposed amendments would establish an elk permit application charge, an any-deer permit preference point service charge, a limited draw turkey permit preference point service charge, realign wild turkey permit fees, increase nonresident deer permit fees, increase lifetime hunting, fishing, combination and furharvesting license fees, establish a three-pole permit fee for fishing and create a nonresident bobcat permit as a subset of the nonresident furharvester license.

Economic Impact Summary: The proposed amendments for new services and issuances would generate approximately \$339,000 annually, all of which would accrue to the wildlife fee fund. The proposed amendments for lifetime license issuances would generate approximately \$371,000 annually, all of which would accrue to the wildlife conservation fund. The proposed amendment for nonresident deer permits would generate approximately \$1,200,000, all of which would accrue to the wildlife fee fund. Otherwise, the proposed amendments are not anticipated to have any further appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-3-2. This permanent regulation sets the legal equipment, taking methods and possession limits for rabbits, squirrels and hares. The proposed amendment would prohibit the use of night vision equipment when hunting these species.

Economic Impact Summary: The proposed amendment is not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-5-1. This permanent regulation sets the legal equipment, taking methods and general provisions for furbearers and coyotes. The proposed amendment would prohibit the use of night vision equipment when hunting these species.

Economic Impact Summary: The proposed amendment is not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-20-1. This permanent regulation sets the legal equipment, taking methods and possession limits for crows. The proposed amendment would prohibit the use of night vision equipment when hunting these species.

Economic Impact Summary: The proposed amendment is not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-20-2. This permanent regulation sets the legal equipment, taking methods, possession limits and license requirements for certain species. The proposed amendment would prohibit the use of night vision equipment when hunting these species.

Economic Impact Summary: The proposed amendment is not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-7-2. This permanent regulation contains general provisions for fishing. The proposed amendment would allow the use of a third pole while fishing pro-

vided the individual is in possession of a third-pole permit.

Economic Impact Summary: The proposed amendment is not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-25-14. This exempt regulation contains creel limits, size limits, possession limits and open seasons for fishing. The proposed amendment would add Moon Lake on Fort Riley to the list of designated trout waters.

Economic Impact Summary: The proposed amendment is not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-18-7. This permanent regulation contains application procedures, permit requirements and general provisions for the use of crossbows and locking draws for big game and wild turkeys. The proposed amendments would delineate wild turkeys from big game due to changes in the statutory status of wild turkeys as well as clarify certain provisions dealing with telescopic sights.

Economic Impact Summary: The proposed amendment is not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-4-11. This permanent regulation deals with big game and wild turkey applications. The proposed amendments would delineate wild turkeys from big game due to changes in the statutory status of wild turkeys as well as create a preference point system for limited wild turkey seasons. In addition, the proposed amendments would allow for the purchase of a preference point in a given year in lieu of applying for a limited deer, antelope or wild turkey permit.

Economic Impact Summary: The proposed amendment is not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-9-4. This permanent regulation deals with hunting or furharvesting license purchases. The proposed amendment would permit the attesting of bowhunting or furharvesting certificates of completion when purchasing permits to better accommodate a new automated licensing system.

Economic Impact Summary: The proposed amendment is not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-11-2. This permanent regulation deals with operational requirements for controlled shooting areas. The proposed amendments would delineate wild turkeys from big game due to changes in the statutory status of wild turkeys.

Economic Impact Summary: The proposed amendment is not anticipated to have any appreciable economic impact on the department, other agencies or the public.

Copies of the complete text of the regulations and their respective economic impact statements may be obtained by writing the chairman of the commission at the address above, electronically on the department's Web site at www.kdwp.state.ks.us, or by calling (785) 296-2281.

Article 17.—DIVISION OF VITAL STATISTICS

28-17-1. Definitions. (a) "Birth certificate" means a standard certificate of live birth, a delayed certificate of birth, or a foreign-born certificate.

(b) "Certification" means the action or process that attests to the authenticity of a copy or abstract of any record or certificate pertaining to any birth, adoption, legitimation, death, stillbirth, marriage, divorce, or annulment of marriage within the state of Kansas.

(c) "Delayed certificate of birth" means documentation filed six or more months after a live birth in Kansas that substantiates the birth.

(d) "Foreign-born certificate" means documentation substantiating the birth of either of the following:

(1) An individual who meets the following conditions:

(A) The individual was born outside the United States or trust territories of the United States;

(B) neither parent of the individual was a citizen of the United States; and

(C) the individual was adopted by a Kansas resident or through a Kansas court; or

(2) an individual who was born abroad, whose birth has not been registered as that of a United States citizen, and who was adopted by a Kansas resident or through a Kansas court.

(e) "Heirloom certificate" means a personalized keepsake certificate.

(f) "Medical data" means data or information that describes medical and anatomical conditions or characteristics of an individual, or both.

(g) "Personal data" means nonmedical data or information that describes the legal identity or attributes of an individual.

(h) "Registrant" means the individual named on a vital record for whom the vital record was established.

(continued)

(i) "Registration," as used in the definition of "vital statistics" in K.S.A. 65-2401 and amendments thereto and in these regulations, means the process of filing an original record or certificate.

(j) "Secretary" has the meaning specified in K.S.A. 65-2401, and amendments thereto.

(k) "Standard certificate of live birth" means documentation substantiating a live birth within the state of Kansas that is filed with the state registrar within six months of the date of birth as specified in K.S.A. 65-2409, and amendments thereto.

(l) "Verification" means a search of files and records maintained by the state registrar that authenticates the information on specified vital records. (Authorized by and implementing K.S.A. 65-2401, 65-2402, and K.S.A. 2003 Supp. 65-2418; effective Jan. 1, 1966; amended Oct. 22, 1990; amended, T-28-11-5-04, Nov. 5, 2004.)

28-17-6. Fees for copies, abstracts, and searches.

(a)(1) Subject to the requirements of K.S.A. 65-2417 and K.S.A. 65-2418 (a)(2) and amendments thereto, certified copies or abstracts of certificates or parts of certificates shall be furnished by the state registrar upon request by an authorized applicant and payment of the required fee.

(2) (A) The fees for making and certifying copies or abstracts of birth, stillbirth, marriage, and divorce certificates shall be \$12.00 for the first copy or abstract and \$7.00 for each additional copy or abstract of the same record requested at the same time.

(B) The fees for making and certifying copies or abstracts of death certificates shall be \$13.00 for the first copy or abstract and \$8.00 for each additional copy or abstract of the same record requested at the same time.

(b) For any search or verification of the files and records for birth, stillbirth, marriage, or divorce certificates if no certified copy or abstract is made, the fee shall be \$12.00 for each five-year period for which a search is requested, or for each fractional part of a five-year period. For any search or verification of files and records for death certificates if no certified copy or abstract is made, the fee shall be \$13.00 for each five-year period for which a search is requested, or for each fractional part of a five-year period.

(c) For any search of the files necessary for preparing an amendment to a birth, stillbirth, marriage, or divorce certificate or abstract already on file, the fee shall be \$12.00. For any search of the files necessary for preparing an amendment to a death certificate or abstract already on file, the fee shall be \$13.00.

(d) For non-certified copies or abstracts of certificates or parts of certificates requested for statistical research purposes, the following fees shall be charged:

(1)(A) \$7.00 for each copy of a birth, marriage, divorce, or stillbirth certificate, if the state certificate number is provided; and

(B) \$12.00 for each copy of a birth, marriage, divorce, or stillbirth certificate, if the state certificate number is not provided; and

(2)(A) \$8.00 for each copy of a death certificate, if the state certificate number is provided; and

(B) \$13.00 for each copy of a death certificate, if the state certificate number is not provided.

(e) For each certified copy of an heirloom certificate, the fee shall not exceed \$40.00. (Authorized by K.S.A. 2003 Supp. 65-2418; implementing K.S.A. 2003 Supp. 23-110, K.S.A. 65-2417, K.S.A. 2003 Supp. 65-2418 and K.S.A. 65-2422d, as amended by L. 2004, ch. 138, sec. 1; effective Jan. 1, 1966; amended Jan. 1, 1968; amended, E-78-18, July 7, 1977; amended May 1, 1978; amended May 1, 1983; amended, T-84-13, July 1, 1983; amended May 1, 1984; amended May 1, 1988; amended Oct. 7, 1991; amended, T-28-9-25-92, Sept. 25, 1992; amended Nov. 16, 1992; amended Aug. 16, 1993; amended, T-28-7-2-01, July 2, 2001; amended Oct. 12, 2001; amended, T-28-6-27-02, July 1, 2002; amended Oct. 18, 2002; amended, T-28-7-1-03, July 1, 2003; amended Oct. 17, 2003; amended, T-28-11-5-04, Nov. 5, 2004.)

28-17-20. Corrections to certificates and records.

Corrections to certificates and records may be made only as follows and only within the time limit indicated in each subsection.

(a) Amendments within 90 days.

(1) Within 90 days of receipt of an original vital record in the office of vital statistics, the following records in which an inaccuracy or an incomplete item is apparent on the face of the certificate may be changed to show the accurate and complete facts:

(A) Birth certificates;

(B) any part of a death certificate other than the section describing the cause of death;

(C) any part of a stillbirth certificate, other than the section describing the cause of death;

(D) marriage certificates; and

(E) divorce certificates.

(2) The changes specified in this subsection shall be made as follows:

(A) Any death or stillbirth certificate may be amended by drawing a single line through the incorrect information in the appropriate space or by inserting the correct information in the appropriate space, if left blank on the original certificate. For each amendment, the date of the amendment and the word "amended" shall be written or typed on the certificate. The process of amendment specified in this paragraph shall not be used more than one time for the same item.

(B) A new certificate shall be created if any item to be corrected is not left blank on the original certificate or if a death or stillbirth certificate item has already been amended. This process of amendment shall not be used more than one time for the same item unless accompanied by a court order, except when amending a death or stillbirth certificate.

(C) If the registrant is a minor, the birth certificate may be amended at the request of a parent to change an item or items by adding the name of a parent, correcting the name of either parent or of the child, or changing the child's last name to that of either parent. Any of these amendments may be made only pursuant to K.S.A. 38-1130, and amendments thereto.

(D) The process of amendment specified in paragraph (a)(2) shall be used when affidavits and supporting evidence have been furnished to the state registrar, as appropriate. The date of the amendment and the word

“amended” shall be placed on the original certificate or the newly created certificate.

(3) An amendment fee shall be required, except when changes are made within the first 90 days after receipt of a death certificate or a stillbirth certificate in the office of vital statistics.

(b) Amendments after 90 days. After 90 days of receipt of the vital record in the office of vital statistics, amendments may be made only as follows:

(1) Birth certificates.

(A) Birth certificate items may be amended upon the applicant’s submission of at least two documents that consistently substantiate each item to be amended and that are executed and dated at least five years before the request for the amendment or before the tenth birthday anniversary of the registrant, except that the following items may be corrected only as specified:

(i) The items recording the registrant’s sex may be amended if the amendment is substantiated with the applicant’s affidavit, or a parent’s affidavit if the registrant is under the age of 18, that the sex was incorrectly recorded, or with a medical certificate substantiating that a physiological or anatomical change occurred.

(ii) If the registrant is a minor, any request by a parent to change an item or items by adding the name of a parent, correcting the name of either parent or of the child, or changing the child’s last name to that of either parent shall be made only pursuant to K.S.A. 38-1130, and amendments thereto.

(iii) Any registrant who is of legal age may amend the order of the registrant’s given names if the amendment is substantiated with one of the documents specified in paragraph (b)(1)(A).

(iv) A registrant who is of legal age may place the registrant’s given name or names on the record only if there is no given name on the original certificate and if the amendment is substantiated with one of the documents specified in paragraph (b)(1)(A).

(v) A registrant who is of legal age may correct the registrant’s given name or names if the amendment is substantiated with one document established before the tenth birthday anniversary of the registrant.

(vi) A registrant who is of legal age may correct the spelling of the registrant’s last name if the amendment is substantiated with two documents established before the tenth birthday anniversary of the registrant. Changing the last name of the registrant shall not be deemed to be correcting the spelling of the registrant’s last name.

(vii) A registrant who is of legal age may correct the name of the registrant’s mother before her first marriage or the father’s or mother’s legal name, if one of the required documents specified in paragraph (b)(1)(A) is the marriage license or birth certificate of the parent or parents.

(viii) The registrant’s birth date on the certificate may be changed only if both required documents were executed and dated before the tenth birthday anniversary and if the change is consistent with the recorded filing date.

(B) When an amendment is made after 90 days, any item that has been previously amended may be changed only pursuant to a court order.

(C) The sufficiency of affidavits and supporting evidence shall be determined by the state registrar.

(D) Requests for an amendment to a birth certificate that do not require a court order shall be submitted by the parent or legal guardian of persons not of legal age, or by the registrant if of legal age. The person submitting the application shall execute a notarized affidavit stating the true facts to be recorded.

(2) Death certificates: personal data.

(A) Personal data may be amended without a court order if the request is made within the first six months after filing the original certificate.

(B) Requests for amendments to personal data may be made only by the funeral director or person acting as such who submitted the original certificate.

(C) When amendments to the personal data of a death certificate are made 90 or more days after the certificate is received in the office of vital statistics, the original certificate shall remain on file unchanged and shall be placed in a sealed file to be opened only by a court order. A new certificate shall be prepared by the funeral director or person acting as such or by the state registrar. The medical section shall again be completed, and the required signatures shall be secured whenever possible. The signatures may be typed if the required signatures are unattainable and a written statement of the reason is attached to the certificate. The certificate shall not be accepted if the stated reason for the typed signature is inadequate, as determined by the state registrar. Upon acceptance by the state registrar, the new certificate shall be marked “amended” and shall indicate the date of the amendment.

(3) Stillbirth certificates: personal data.

(A) Personal data may be amended upon the request of a parent and the submission of affidavits and supporting evidence to substantiate each item to be amended.

(B) Any item that was previously amended may be changed only pursuant to a court order.

(C) The sufficiency of affidavits and supporting evidence shall be determined by the state registrar.

(4) Marriage certificates: personal data.

(A) Personal data may be amended upon the request of the bride and groom and the submission of affidavits and supporting evidence to substantiate each item to be amended.

(B) Any item that was previously amended may be changed only pursuant to a court order.

(C) The sufficiency of affidavits and supporting evidence shall be determined by the state registrar.

(5) Divorce certificates: personal data.

(A) Personal data may be amended upon the request of either spouse and the submission of affidavits and supporting evidence to substantiate each item to be amended.

(B) Any item that was previously amended may be changed only pursuant to a court order.

(C) The sufficiency of affidavits and supporting evidence shall be determined by the state registrar.

(6) Original and amended certificates. If a new certificate is created to amend and replace an original certifi-

(continued)

cate, the original certificate shall remain unchanged and shall be placed in a sealed file to be opened only by a court order. The new certificate shall be marked "amended." The date of amendment shall be recorded on the new certificate. If a section of an original certificate contains a signature, the new certificate shall include the typed name of each person who signed the original certificate. The original certificate and any required affidavits shall be permanently filed by the state registrar.

(c) Amendments with no time limit.

(1) Death and stillbirth certificates: medical section data.

(A) Requests for amendments to the medical section data may be made only by the attending physician who signed the medical section on the original certificate or by the coroner in whose jurisdiction the death or stillbirth occurred.

(B) An amendment may be made to the medical section data at any time.

(C) Amendments to the medical section data may be made in either of the following ways:

(i) The original certificate shall remain on file unchanged, and the written statement or affidavit of the certifying physician or coroner shall be appended to the back of the original certificate. The original certificate shall be marked "amended" and shall indicate the date of the amendment.

(ii) A certifying physician or coroner may request the establishment of a new death certificate or stillbirth certificate if erroneous data has been entered in the medical section. In this case, the funeral director or person acting as such shall enter the personal data and forward the certificate to the certifying physician or coroner to sign the medical section. When all items have been completed, the new certificate shall be submitted to the office of vital statistics, and upon acceptance of the certificate, the certificate shall be marked "amended" and shall indicate the date of the amendment. The original death or stillbirth certificate shall be placed in a sealed file to be opened only by a court order. (Authorized by K.S.A. 65-2402 and 65-2422c; implementing K.S.A. 65-2422c; effective Jan. 1, 1966; amended May 1, 1987; amended May 1, 1988; amended Oct. 22, 1990; amended, T-28-9-25-92, Sept. 25, 1992; amended Nov. 16, 1992; amended Aug. 16, 1993; amended, T-28-11-5-04, Nov. 5, 2004.)

28-17-22. Enforcement of uniform vital statistics act. Each violation of K.S.A. 65-2401 et seq., and amendments thereto, and these regulations shall, upon discovery of the violation, be reported to the state registrar. Each reported case involving any such violation shall then be reported by the state registrar to the county attorney, the district attorney, or the official acting in that capacity for prosecution, as specified in K.S.A. 65-2434 and amendments thereto. (Authorized by and implementing K.S.A. 65-2402, 65-2406, and 65-2434; effective, T-28-11-5-04, Nov. 5, 2004.)

Division of Facilities Management

Notice to Architectural and Engineering Firms

The Kansas Department of Administration is inviting all firms interested in providing architectural (including landscape services) and/or engineering services for capital improvement projects to provide a statement of qualifications and performance data to the State Building Advisory Commission and the Division of Facilities Management, a division of the Department of Administration.

In order to be eligible, each proposing firm must have a professional architect or engineer who is registered with the State Board of Technical Professions in the discipline in which the firm is seeking work. This individual also must seal the original bid documents.

The statement of qualifications form must be a completed federal SF 330 Part II, submitted to Phyllis Fast, Division of Facilities Management, 900 S.W. Jackson, Suite 600, Landon State Office Building, Topeka, 66612-1311, by 5 p.m. January 31. For additional information, contact Phyllis Fast at (785) 296-5796, fax (785) 296-3456, or e-mail: Phyllis.Fast@da.state.ks.us.

Statutory Notice of Bond Sale
Unified School District No. 450
Shawnee County, Kansas
\$13,560,000
General Obligation Bonds

Bids

Bids for the purchase of \$13,560,000 principal amount of General Obligation Bonds of Unified School District No. 450, Shawnee County, Kansas (the issuer), hereinafter described, will be received by the undersigned district clerk on behalf of the Board of Education of the issuer at its administrative offices, 4401 S.E. Shawnee Heights Road, Tecumseh, KS 66542, until noon December 1, 2004. All bids will be publicly opened and read at said time and place and will be acted upon by the issuer immediately thereafter.

Bond Details

The bonds will consist of fully registered bonds without coupons in the denomination of \$5,000 or any integral multiple thereof. The bonds will be dated December 15, 2004, and will become due serially on September 1 in the years as follows (the bidder may elect any of the bonds maturing September 1, 2014, and thereafter to be designated as term bonds, which term bonds will be subject to mandatory redemption on the dates and in the principal amounts set forth below):

Year	Principal Amount
2007	\$ 270,000

2008	\$ 300,000
2009	\$ 340,000
2010	\$ 375,000
2011	\$ 420,000
2012	\$ 460,000
2013	\$ 510,000
2014	\$ 555,000
2015	\$ 610,000
2016	\$ 665,000
2017	\$ 725,000
2018	\$ 785,000
2019	\$ 850,000
2020	\$ 920,000
2021	\$ 990,000
2022	\$1,070,000
2023	\$1,150,000
2024	\$1,235,000
2025	\$1,330,000

The bonds will bear interest at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on March 1 and September 1 in each year, beginning March 1, 2006.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent.

The issuer will pay for the fees of the bond registrar for registration and transfer of the bonds and also will pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, or otherwise, will be the responsibility of the bondholders.

Book-Entry Bonds; Securities Depository

The bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no beneficial owner will receive certificates representing their respective interests in the bonds, except in the event the bond registrar issues replacement bonds.

Redemption of Bonds Prior to Maturity

At the option of the issuer, bonds maturing on September 1, 2014, and thereafter will be subject to redemption and payment prior to maturity on September 1, 2013, and thereafter in whole or in part on any interest payment date (bonds of less than a single maturity to be selected by lot in multiples of \$5,000 principal amount by the paying agent and bond registrar in such equitable manner as it shall designate), at the principal amount thereof, plus accrued interest to the redemption date, without premium.

Conditions of Bids and Bidders

Bids will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No interest rate shall exceed the index of 10-year treasury

bonds published by The Bond Buyer, in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 3 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No supplemental interest payments will be authorized. No bid of less than the entire principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the issuer during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the issuer on the basis of such bid. Each bid also shall specify the average annual net interest rate to the issuer on the basis of such bid. Bidders may be required to be qualified in a manner established by the issuer before submitting a bid.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the issuer, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the bid shall be adjusted to reflect the lowest net interest cost to the issuer. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the issuer shall determine which bid, if any, shall be accepted, and its determination shall be final.

Authorization, Purpose and Security for the Bonds

The bonds are being authorized and issued to permanently finance the costs to construct additional classrooms and facilities, and otherwise improve the district's facilities and sites, all under the authority of K.S.A. 72-6761, K.S.A. 75-2315 et seq., and Article 1 of Chapter 10 of the Kansas Statutes Annotated, all as amended and supplemented.

The bonds will be general obligations of the issuer payable as to both principal and interest from ad valorem taxes that may be levied, without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the issuer.

Tax Status of Interest on the Bonds

The Internal Revenue Code of 1986, as amended, imposes requirements on the issuer that must be met subsequent to the issuance of the bonds by the issuer and, as a result, the issuer will and does hereby covenant that it will diligently undertake those steps necessary to maintain the excludability of the interest on the bonds from gross income for federal tax purposes. Under present law, interest on the bonds also is excluded from the computation of Kansas adjusted gross income for individuals.

The issuer does **not** intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Robert J. Perry, Esq., Auburn, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the issuer, printed on the bonds and delivered to the successful bid-

(continued)

der when the bonds are delivered. Said opinion also will state that in the opinion of bond counsel, assuming continued compliance by the issuer with the provisions of the covenants authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is excluded from federal and state income taxation.

Delivery and Payment

The issuer will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or about December 18, 2004, through the facilities of the Depository Trust Company, New York, New York. Said bidder also will be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the issuer.

Good Faith Deposit

Each bidder shall, at or prior to the time of the sale, provide a surety bond or a cashier's or certified check drawn on a bank located in the United States in the amount equal to 2 percent of the par value of the bonds payable to the order of the issuer to secure the issuer from any loss resulting from the failure of the bidder to comply with the terms of its bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if its bid is not accepted. If a bid is accepted, said deposit shall be held by the issuer until the bidder shall have complied with all of the terms and conditions of this notice and its bid, at which time said deposit shall be returned to the successful bidder or deducted from the purchase price of the bonds, all at the option of the issuer. If a bid is accepted but the issuer shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said deposit shall be returned to the bidder and the issuer shall have no other obligation or liability to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice or its bid, the proceeds of such check or the surety bond shall be forfeited to the issuer, with the issuer reserving the right to pursue any consequential damages arising from such default.

Bid Forms

All bids must be made on forms that may be procured from the clerk of the issuer. No additions or alterations to such forms shall be made, and any erasures may cause rejection of any bid. The issuer reserves the right to waive any irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes or by telefacsimile at (785) 379-5810, addressed to the undersigned clerk and marked "Proposal for the Purchase of General Obligation Bonds, Series 2004," 4401 S.E. Shawnee Heights Road, Tecumseh, KS 66542, and must be received by the undersigned prior to noon December 1, 2004.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the issuer is \$172,563,989 (this includes motor vehicles). The total general obligation bonded indebtedness of the issuer as of the date of the bonds, including the bonds, is \$16,270,000.

Dated November 8, 2004.

State of Kansas**Department of Health
and Environment****Request for Comments**

The Kansas Department of Health and Environment and the Unified Government of Wyandotte County/Kansas City, Kansas Department of Air Quality are soliciting comments regarding a proposed air quality operating permit. Stericycle, Inc. has applied for a Class I operating permit in accordance with the provisions of K.A.R. 28-19-510 et seq. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted

from the facility; the emission limitations, standards and requirements applicable to each source; and the monitoring, record keeping and reporting requirements applicable to each source as of the effective date of permit issuance.

Stericycle, Inc., Lake Forest, Illinois, owns and operates a hospital/medical/infectious waste incinerator located at 3150 N. 7th St., Kansas City, Kansas.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during the permit application review process is available for a 30-day public review during normal business hours at the KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Topeka; and at the Department of Air Quality, 619 Ann Ave., Kansas City, Kansas. To obtain or review the proposed permit and supporting documentation, contact Brie Wilkins, (785) 296-6422, at the KDHE central office, or Natalie Blom, (913) 573-6700, at the Department of Air Quality. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the proposed permit to Natalie Blom, Department of Air Quality, 619 Ann Ave., Kansas City, KS 66101. In order to be considered in formulating a final permit decision, written comments must be received before the close of business December 20.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Brie Wilkins, Bureau of Air and Radiation, KDHE, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366, not later than the close of business December 20 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the 30-day public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. If the EPA waives its 45-day review period, the 60-day public petition period will start directly after the 30-day public comment period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Harriet Jones, U.S. EPA, Region VII, Air Permitting and Compliance Branch, 901 N. 5th St., Kansas City, KS 66101, (913) 551-7097, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Notice of Hearing on Proposed Administrative Regulations

The Kansas Department of Health and Environment, Center for Health and Environmental Statistics, will conduct a public hearing at 10 a.m. Friday, January 21, in the Heartland Conference Suite 130, Room 1C, Curtis State Office Building, 1000 S.W. Jackson, Topeka, to consider proposed permanent adoption of amended and new Kansas Administrative Regulations concerning vital records.

The time between publication of this notice and the scheduled hearing constitutes a 60-day public comment period for the purpose of receiving written public comments on the proposed regulatory action. Interested parties may submit written comments prior to the hearing to Lorne A. Phillips, Ph.D., Director and State Registrar, Center for Health and Environmental Statistics, Suite 110, Curtis State Office Building, 1000 S.W. Jackson, Topeka, 66612-2221. During the hearing, interested parties shall be given a reasonable opportunity to orally present views of the proposed regulatory action. To provide an opportunity for all parties to present their views, it may be necessary to require each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation to participate in the public hearing and may request a copy of the proposed amended and new regulations and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Lorne Phillips at (785) 296-1415.

A copy of the proposed amended and new regulations and the economic impact statement may be obtained by contacting Lorne Phillips or Robin Merrifield at (785) 296-1415. Questions regarding the proposed amendments should be directed to Lorne Phillips. A summary of the regulations and the economic impact statement follows:

Technical permanent amendments of **K.A.R. 28-17-1**, **K.A.R. 28-17-6** and **K.A.R. 27-17-20** are proposed to fa-

cilitate implementation of K.S.A. 65-2401; K.S.A. 65-2418, as amended by Chapter 151 of the 2003 Session Laws of Kansas; and K.S.A. 65-2422c.

Currently, Article 17 of Kansas Administrative Regulations of the Department of Health and Environment does not include definitions. To resolve this problem, permanent amendment of K.A.R. 28-17-1 is proposed to provide Article 17 definitions. However, K.A.R. 28-17-1 presently relates to enforcement of the Uniform Vital Statistics Act. To conform with Department of Administration policy regarding content and format of regulations, permanent amendment of K.A.R. 28-17-1 is proposed so that it relates to definitions instead of enforcement. Consequently, new permanent regulation **K.A.R. 28-17-22** is proposed to relate to enforcement for verbatim retention of provisions currently in K.A.R. 28-17-1.

Provisions of K.A.R. 28-17-6 relate to fees for vital record copies, abstracts and searches. Permanent technical amendment is proposed to clarify that search fees also are applicable for delayed birth, foreign born and still-birth record searches. There are no proposed increases relative to current fees.

Provisions of K.A.R. 28-17-20 relate to correction of certificates and records. A permanent technical amendment is proposed to clarify that delayed birth, foreign born and marriage records also may be corrected and/or amended. A permanent technical amendment also is proposed to clarify requirements and procedures relating to correction and/or amendment of each type of vital record.

Economic Impact: Since the purpose of the proposed technical amendments is to clarify and enhance implementation of applicable statutes and service to customers, private citizens and consumers, no discernable additional cost to these groups or to KDHE is anticipated.

Doc. No. 031333

State of Kansas

Department of Health and Environment

Notice Concerning Kansas Water Pollution Control Permits

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 15, 28-18a-1 through 32, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, draft permits have been prepared and/or permit applications have been received for discharges to the waters of the United States and the state of Kansas for the class of discharges described below.

The determinations for permit content are based on staff review, applying the appropriate standards, regulations and effluent limitations of the state of Kansas and the EPA, and when issued will result in a State Water Pollution Control Permit and National Pollutant Discharge Elimination System Authorization subject to certain conditions.

All Kansas Department of Health and Environment district office addresses and telephone numbers are listed below.

Public Notice No. KS-AG-04-321/322

Pending Permits for Confined Feeding Facilities

Name and Address of Applicant	Legal Description	Receiving Water
Clayborn Dairy Dennis Clayborn 22820 S.W. 500 Road Kincaid, KS 66039	NE/4 of Section 35, T22S, R19E, Anderson County	Neosho River Basin

Kansas Permit No. A-NEAN-M001

This is a new permit for a new facility for 80 head (112 animal units) of mature dairy cattle and 20 head (10 animal units) of cattle weighing 700 pounds or less, for a total of 100 head (122 animal units).

Name and Address of Applicant	Legal Description	Receiving Water
Triple "C" Farm Bruce Carselowey 12410 52nd Road Rock, KS 67131	SE/4 of Section 25, T30S, R04E, Cowley County	Walnut River Basin

Kansas Permit No. A-WACL-S011

This is a renewal and modified permit for an existing, downsizing facility for 136 head (54.4 animal units) of swine weighing more than 55 pounds each and 160 head (16 animal units) of swine weighing 55 pounds or less each, for a total of 296 head (70.4 animal units) of swine. The modification is the deletion of the portion of the facility that was not constructed.

Legal: Outfall 002 - NE¹/₄, S22, T3S, R18W, Phillips County

Facility Name: Phillipsburg Refinery

Facility Location: North Highway 183, Phillipsburg, Kansas

Facility Description: The proposed action is to reissue an existing permit for the operation of an existing wastewater treatment facility. This is a former petroleum refinery that closed operations in December 1991. Current activities include five groundwater remedial systems and storage and loading of asphalt and refined fuels. The remedial system wastewater discharges through two 5,000 barrel tanks used as oil/water separators operated in parallel, to the facility's wastewater treatment plant consisting of a primary and secondary clarifier, a former activated sludge aeration basin used for air stripping, a final clarifier to cell #5 of the lagoon system (Outfall 002), and a concrete sludge holding basin. The lagoon system is comprised of six cells. Additional flow entering the primary wastewater treatment system inlet includes vehicle and equipment maintenance wash-water, stormwater runoff, asphalt loading condensate and bulk terminal loading rack wastewater. Boiler blowdown is introduced to the wastewater system into the final clarifier. The proposed permit included limits for benzene and pH. Monitoring of chloride, total petroleum hydrocarbons (diesel range organics), lead, sulfate and flow also will be required. Contained in the permit is a schedule of compliance requiring the permittee to complete construction of improvements to reduce the potential for chloride contamination of the groundwater by November 1, 2005, and to develop and implement a stormwater pollution prevention plan (SWP3) within one year of the effective date of the permit. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Legal: SE¼, S3, T12S, R4E, Dickinson County
 Facility Name: P W Quarry
 Facility Description: The proposed action is to reissue an existing permit for the discharge of wastewater during quarry operation. This facility is a limestone quarry and crushing operation with no washing. Stormwater runoff is contained in the quarry and water in the pit drains to the point in the pit. Outfall 001 consists of stormwater runoff only. The permittee is required to sample for sulfates, a minimum of once per quarter, if a discharge of pit water occurs. The proposed permit also includes generic water-quality language to protect waters of the state. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Kansas Permit No. I-NE36-PO01		Federal Permit No. KS0000701

Legal: Parts of S10, 11, 16 and 21, T26S, R18E, Allen County
 Facility Location 449, 1200th St., Humboldt, KS 66748
 Facility Description: The proposed action is to reissue an existing permit for the discharge of wastewater during quarry and cement manufacturing operations. This facility manufactures Portland cement by heating a stoichiometric mixture of pulverized limestone and shale to 2800F in specially equipped kilns. There also are limestone and shale quarries contiguous to the facility. Cooling water, domestic wastes and stormwater runoff from the cement plant are directed to an emergency storage pond, which overflows to the Coal Creek impoundment before discharge (0.784mgd; treatment and disposal: sedimentation, evaporation and reuse). City water used in the shale plant scrubber and domestic wastewater is discharged to a concrete settling basin that drains into the main limestone quarry. The quarry impoundment effluent also is discharged to the Neosho River via Coal Creek via Coal Creek impoundment either directly through the emergency storage pond, or to the Neosho River via an earthen ditch (1.44 mgd; treatment and disposal: sedimentation, evaporation and reuse). There are numerous other quarry pit dewatering and stormwater discharges from the various quarries associated with this operation. The proposed permit includes limits for total suspended solids, biochemical oxygen demand, oil and grease, temperature and pH. Monitoring for fecal coliform, heavy metals, volatile organic

compounds and flow also will be required. The permittee shall be required to perform a chronic whole effluent toxicity test once in calendar year 2005. The proposed permit also includes generic water-quality language to protect waters of the state. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Legal: SE¼, SW¼, NE¼ and NE¼, NW¼, SE¼, S19, T23S, R1E, Harvey County
 Facility Location: 802 S.W. 14th, Newton, KS 67114

Facility Description: The proposed action is to modify and reissue an existing permit for operation of an existing wastewater treatment facility treating primarily domestic wastewater. This permit is being modified to incorporate the addition of an outfall line to Wetlands (Outfall 002B) and an outfall line to a golf course with landscape irrigation (Outfall 002C). Additional modifications are being incorporated to update the permit. The proposed permit includes limits for biochemical oxygen demand, total suspended solids, ammonia, fecal coliform, dissolved oxygen, chlorine residual and pH. Monitoring for chloride, total phosphorous, nitrate, nitrite, total Kjeldahl nitrogen, total nitrogen and effluent flow also will be required. In addition, the permittee is required to conduct a chronic whole effluent toxicity test annually and a priority pollutant scan once during the life of the permit. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

 Facility Name: Ottawa Municipal Power Plant
 Facility Location: 1000 W. 2nd St., Ottawa, KS 66067

Facility Description: The proposed action is to reissue an existing permit for operation of an existing power plant. This facility is an electric power generating station used for peaking and emergency power. This facility operates a total of five generating units (four dual fuel internal combustion engines and a combined natural gas and steam turbine generator). The flow rate from the STAGG (steam electric) Unit cooling tower blowdown is monitored separately. The remainder of all process flows is directed to the facility floor drain system that goes into the oil/water separator. Wastewater discharges to the oil/water separator consists of cooling tower blowdown from the internal combustion engine units, boil blowdown, miscellaneous low volume flows that drain to the floor drains throughout the facility and stormwater runoff. The proposed permit includes limits for free available oxidant, total suspended solids, oil and grease, and pH. Requirements for monitoring for the effluent for temperature and flow also are included. Contained in the permit is a schedule of compliance requiring the permittee to develop and implement a stormwater pollution prevention plan (SWP3) within one year of the effective date of the permit. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Facility Location: 1600 N.W. Button Road, Topeka, KS 66618

Facility Description: The proposed action is to reissue an existing permit for operation of an existing wastewater treatment facility treating primarily domestic wastewater. This facility is a mechanical treatment plant consisting of bar screens and vortex grit removal, primary clarification, complete mix activated sludge, final clarification and chlorine disinfection of effluent followed by dechlorination. The facility receives domestic wastewater from residential and commercial areas and industrial wastewater from local manufacturers. Sludge is thickened and dewatered prior to disposal. The proposed permit includes limits for biochemical oxygen demand, total suspended solids, ammonia, fecal coliform, total residual chlorine and pH. Monitoring of dissolved oxygen, nitrate, nitrite, total Kjeldahl nitrogen, total nitrogen, total phosphorus and effluent flow also will be required. The permittee also shall be required to perform an annual chronic whole effluent toxicity test as well as a priority pollutant scan between January 1, 2009 and June 30, 2009. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Facility Description: The proposed action is to reissue an existing permit for operation of wastewater discharges from an existing power plant. This station consists of a pressurized nuclear reactor steam supply system and an electric turbine-generator. The net turbine generator output is nominal 1,175 MWe. Wastewater discharge consists of circulation water, radwaste system, service and essential service water discharge via the essential service water discharge. The proposed permit includes limits for biochemical oxygen demand, total suspended solids, oil and grease, total residual oxidant, fecal coliform and pH. Monitoring of sulfate, ammonia, monoethanolamine, temperature, chloride, nitrate, sulfate, metals and effluent flow also will be required. The permittee also shall be required to perform an annual chronic whole effluent toxicity test. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Persons wishing to comment on or object to the draft permits and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments or objections considered in the decision making process. Comments or objections should be submitted to the attention of April Romero for agricultural permits or applications, or to the permit clerk for all other permits, at

the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft permit or application notice postmarked or received on or before December 18 will be considered in the formulation of final determinations regarding this public notice. Please refer to the appropriate Kansas permit number (KS-AG-04-321/322, KS-04-230/243) and name of applicant/application as listed when preparing comments.

If no objections are received during the public notice period regarding any proposed permit, the Secretary of Health and Environment will issue the final determination regarding issuance or denial of the proposed permit. If response to this notice indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). Media coordination for publication and/or announcement of the public notice or public hearing is handled by the Kansas Department of Health and Environment.

For agricultural permits and applications, a copy of the permit application, supporting documentation and a KDHE-developed fact sheet, if appropriate, is available for review at the appropriate district office:

- Northwest District Office, 2301 E. 13th, Hays, 67601-2651, (785) 625-5664
- North Central District Office, 2501 Market Place, Salina, 67401-7699, (785) 827-9639

Request for Comments

The Kansas Department of Health and Environment is proposing to issue a five-year permit to the following facilities pursuant to Title IV (Acid Deposition Control) of the Federal Clean Air Act and implementing regulations found at 40 CFR Parts 72 through 78. The effective date of the permits are from January 1, 2005 through December 31, 2009.

Each sulfur dioxide (SO₂) allowance authorizes the utility boiler to emit up to one ton of SO₂ during or after each of the years specified above. All facilities propose to comply with the Acid Rain Program emission requirements by holding enough allowances to cover all sulfur dioxide emissions. Issuance of this permit will not affect the responsibility of the facility to meet all other existing local, state and federal emission requirements.

All coal-fired units must comply with the Acid Rain Program nitrogen oxides (NO_x) emission requirements by not exceeding the Phase I (if an early elect unit (*) or a Phase I unit (^)) or Phase II emission limitation.

Order a custom-made loose-leaf binder for the Kansas Register!

Custom-made binders are available to attractively hold up to a year's worth of your copies of the Kansas Register for permanent use. The high quality, durable casebound swinge-hinge binders are manufactured by ABZ Binder. (A swinge-hinge binder has more capacity and allows for easier interfiling than standard ring binders.) The three-inch binder features dark blue supported vinyl covering and gold imprinting, with a label holder on the spine.

\$15 each, includes shipping and handling.

(Kansas residents must include an additional \$1.08 state and local sales tax.)
