Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, January 12, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the K DFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the respective borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond of acquiring the project or for the purpose of refunding a bond previously issued to finance the project. The project shall be located as shown:

**Project No. 000653—Maximum Principal Amount: \$233,200.** Owner/Operator: Julie D. and John H. Hower Jr. Description: Acquisition of 320 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is located at Section 33, Township 15 South, Range 9 (210 acres), approximately 4 miles east of Council Grove, Kansas, on Highway 56 and 3 miles north, and Section 30, Township 16 South, Range 8 (110 acres), approximately 4 miles west on Helmick Road, all located in Morris County.

The bond, when issued, will be a limited obligation of the K DFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the K DFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the K DFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the K DFA.

Any individual affected by the above-described project may, at or prior to the hearing, file a written request with the K DFA that a local hearing be held on the proposal to issue a bond to finance said project. A local hearing, if requested, would be conducted in the county where the project in question is located.

#### Article 25.—OFFICE REQUIREMENTS

**100-25-1. Definitions.** As used in this article, the following terms shall have the meanings specified in this regulation. (a) "General anesthesia" means a drug that, when administered to a patient, results in the patient's controlled state of unconsciousness accompanied by a loss of protective reflexes, including the loss of the independent and continuous ability to maintain the airway and a regular breathing pattern, and the loss of the ability to respond purposefully to verbal commands or tactile stimulation.

(b) "Local anesthesia" means a drug that, when administered to a localized part of the human body by topical application or by local infiltration in close proximity to a nerve, produces a transient and reversible loss of sensation. This term shall include lidocaine injections not exceeding seven milligrams per kilogram of body weight and also tumescent local anesthesia.

(c) "Medical care facility" has the meaning specified in K.S.A. 65-425 and amendments thereto.

(d) "Minimal sedation" means an oral sedative or oral analgesic administered in doses appropriate for the unsupervised treatment of insomnia, anxiety, or pain.

(e) "Minor surgery" means surgery that meets both of the following conditions:

(1) Any complication from the surgery requiring hospitalization is not reasonably foreseeable.

(2) The surgery can safely and comfortably be performed either on a patient who has received no anesthesia or on a patient who has received local anesthesia or topical anesthesia.

(f) "Office" means any place intended for the practice of the healing arts in the state of Kansas. This term shall not include a medical care facility, as defined by K.S.A. 65-425 and amendments thereto, that is licensed by the Kansas department of health and environment.

(2) could be grounds for disciplinary action by the board.

(j) "Sedation" means a depressed level of consciousness in which the patient retains the independent and continuous ability to perform the following:

- (1) Maintain adequate cardiorespiratory functioning;
- (2) maintain an open airway;
- (3) maintain a regular breathing pattern;

- (5) respond purposefully and rationally to tactile stimulation and verbal commands.

(k) "Special procedure" means any patient care service that involves any potentially painful contact with the human body, with or without instruments, for the purpose of diagnosis or therapy and for which the applicable standard of care necessitates any anesthesia to prevent or reduce pain. This term shall include a diagnostic or therapeutic endoscopy, invasive radiology, manipulation under anesthesia, and an endoscopic examination. This term shall include the conduct of pain management when performed using anesthesia levels exceeding local anesthesia.

(l) "Surgery" means a manual or operative method that involves the partial or complete excision or resection, destruction, incision, or other structural alteration of human tissue by any means, including the use of lasers, performed upon the human body for the purpose of preserving health, diagnosing or treating disease, repairing injury, correcting deformity or defects, prolonging life, terminating pregnancy, or relieving suffering, or for aesthetic, reconstructive, or cosmetic purposes.

Tumescent local anesthesia shall not include the concomitant administration of any sedatives, analgesics, or hypnotic drugs, or any combination of these, at any dosage that poses a significant risk of impairing the patient's independent and continuous ability to maintain adequate cardiorespiratory functioning, an open airway, a regular breathing pattern, and protective reflexes and to respond purposefully to tactile stimulation and verbal commands. (Authorized by K.S.A. 65-2865; implementing K.S.A. 65-2837; effective, T-100-8-22-05, Aug. 22, 2005; effective, T-100-12-20-05, Dec. 20, 2005.)
