Notice of Hearing on Proposed Administrative Regulations

A public hearing will be held at 10 a.m. Wednesday, November 15, in the Kansas Department of Credit Unions' conference room, Suite B, American Home Life Insurance Company Building, 400 S. Kansas Ave., Topeka, to consider the adoption of proposed permanent rules and regulations by the administrator of the Kansas Department of Credit Unions.

K.A.R. 121-5-1 and 121-5-3 prescribe a method for the administrator to deem a credit union to be in a deteriorating condition, provide for notice to the credit union of the existence of the condition and allow the credit union to provide information or a plan of corrective action for the administrator to review prior to making a determination of deteriorating condition. The regulations adopt by reference parts of 12 CFR 702 as in effect on November 29, 2002. The adoption by reference of parts of 12 CFR 702 will ensure that the requirements for determination of deteriorating condition for Kansas chartered credit un-

ions are similar to those required by the National Credit Union Share Insurance Fund (NCUSIF) administered by the National Credit Union Administration. All Kansas credit unions are required to maintain NCUSIF share insurance.

K.A.R. 121-5-2 is revoked and replaced by the provisions of 12 CFR 702, which is being adopted by reference.

K.A.R. 121-7-1 describes conditions that must exist for credit union activities to be defined as "incidental powers." The rule provides direction as to activities credit unions can conduct as "incidental powers" as the logical outgrowth of carrying out their mission or business.

K.A.R. 121-8-1 describes conditions that must exist in a credit union to be deemed "unsafe and unsound" practices. This rule provides guidance to credit unions as to what constitutes "unsafe and unsound practice."

There will be minimal economic impact on governmental agencies, credit unions and the general public as a result of the proposed rules and regulations.

This 60-day notice of public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. Comments may be submitted prior to the hearing to John P. Smith, Administrator, Kansas Department of Credit Unions, 400 S. Kansas Ave., Suite B, Topeka, 66603.

All interested parties will be given a reasonable opportunity at the hearing to present their views. Any person requiring visual or communication aid or assistance, building access assistance or similar assistance should contact the department so appropriate arrangements can be made.

Copies of the regulations and the economic impact statement may be obtained at the address above or by calling (785) 296-3021.
