**Notice of Hearing on Proposed
Administrative Regulations**

A public hearing will be conducted at 9 a.m. Monday, February 26, in the Secretary of State's Office, Room 120, Memorial Hall, 120 S.W. 10th Ave., Topeka, to consider proposed new Kansas Administrative Regulations 7-44-1 through 7-44-7, which pertain to the address confidentiality program. The regulations are proposed for adoption on a permanent basis.

K.A.R. 7-44-1 defines terms used in the statutes and the regulations.

K.A.R. 7-44-2 requires enrolling agents to register with the secretary of state and outlines the registration process and the required information for registration.

K.A.R. 7-44-3 requires enrolling assistants, who work for the enrolling agent, to complete training provided by the secretary of state.

K.A.R. 7-44-4 outlines the process to be used by law enforcement to obtain access to the program participant's confidential files.

K.A.R. 7-44-5 describes the types of mail that the secretary of state will forward to program participants.

K.A.R. 7-44-6 describes the renewal process for the address confidentiality program.

K.A.R. 7-44-7 outlines the process for voter registration and voting for program participants.

These regulations could create some economic impact on governmental agencies by requiring state and local agencies to accept a post office box designated by the sec-

retary of state for an individual's address on public record.

This 60-day notice of public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. Comments may be submitted prior to the hearing to Melissa A. Wangemann, Legal Counsel, Office of the Secretary of State, Room 140, Memorial Hall, 120 S.W. 10th Ave., Topeka, 66612-1594, (785) 296-4801, MelissaW@kssos.org.

All interested parties will be given a reasonable opportunity at the hearing to present their views. It may be necessary to request each participant to limit any oral presentation to five minutes. Any person requiring visual, hearing or other communication aid or assistance, building access assistance or other similar accommodation should contact the Secretary of State's Office so appropriate arrangements can be made.

Copies of the regulations and the economic impact statement may be obtained at the address above or by calling Barb Dominguez at (785) 296-2114 or e-mail at BarbD@kssos.org.

Article 6.—PROFESSIONAL PRACTICE

66-6-4. Professional conduct. (a) For the purposes of this regulation, "licensee" shall mean an architect, a geologist, a landscape architect, a land surveyor, or a professional engineer licensed by the Kansas state board of technical professions.

(b) If any licensee's professional judgment has been disregarded under circumstances in which the safety, health, or welfare of the public is endangered, the licensee shall inform the employer or client of the possible consequences, and the licensee shall notify the authority who issued the building permit or otherwise has jurisdiction.

(c) The licensee shall not advertise to perform or undertake to perform any assignment involving a specific technical profession unless the licensee is licensed and qualified by education and experience in that technical profession, as defined in K.S.A. 74-7003, and amendments thereto.

(d) A licensee in any technical profession shall not affix a personal signature, seal, or both to any plan or document dealing with subject matter that is outside the licensee's field of practice as defined by K.S.A. 74-7003, and amendments thereto. Additionally, as provided in K.S.A. 74-7023 and amendments thereto, a licensee in any technical profession shall not affix a personal signature, seal, or both to any plan or document of any individual licensed in a technical profession in another state, unless the licensee has completed a detailed review and evaluation of the documents and both individuals are licensed in the same field of practice.

(e) If the competence of any licensee to perform an assignment in a specific technical field is at issue, the licensee may be required by the board to pass an appropriate examination.

(f) In all professional reports, statements, and testimony, each licensee shall meet the following criteria:

- (1) Be completely objective and truthful; and
- (2) include all relevant and pertinent information.

(g) When serving as an expert or technical witness before any court, commission, or other tribunal, each licensee shall express only opinions founded on the following:

- (1) An adequate knowledge of the facts at issue;
- (2) a background of technical competence in the subject matter; and
- (3) an actual, good-faith belief in the accuracy and propriety of the licensee's testimony.

(h) If a licensee issues any statements, criticisms, or arguments on public policy matters that are inspired or paid for by any interested party or parties, those comments shall be prefaced by and include disclosure of the following:

- (1) The identities of the party or parties on whose behalf the licensee is speaking; and
- (2) the existence of any pecuniary interest of the licensee.

(i) Each licensee shall disclose all known or potential conflicts of interest to employers or clients by promptly informing them of any business association, interest, or any other circumstances that could influence that licensee's judgment or the quality of the licensee's services.

(j) A licensee shall not accept compensation, financial or otherwise, from more than one party for services on the same project or for services pertaining to the same project, unless the circumstances are fully disclosed and agreed to by all interested parties.

(k) A licensee shall not solicit or accept financial or other valuable consideration, directly or indirectly, from either of the following:

- (1) Material or equipment suppliers for specifying their products; or
- (2) contractors, their agents, or other parties in connection with work for employers or clients for which the licensee is responsible.

(l) A licensee shall not solicit a contract from a governmental body on which a principal or officer of the licensee's organization serves as a member, except upon public disclosure of all pertinent facts and circumstances and consent of the appropriate public authority.

(m) A licensee shall not offer, directly or indirectly, to pay a commission or other consideration or to make a political contribution or other gift in order to secure work, except for payment made to an employment agency for its services.

(n) In all contacts with prospective or existing clients or employers, each licensee shall accurately represent the licensee's qualifications and the scope of the licensee's responsibility in connection with work for which the licensee is claiming credit.

(o) A licensee shall not be associated with, or permit the use of the licensee's personal name or firm name in, a business venture being performed by any person or firm that the licensee knows, or has reason to believe, is engaging in either of the following:

- (1) Business or professional practice of a fraudulent or dishonest nature; or
- (2) a violation of K.S.A. 74-7001 *et seq.*, and amendments thereto, or the regulations promulgated and adopted by the board, or both.

(p) Each licensee with knowledge of any alleged violation of K.S.A. 74-7001 *et seq.*, and amendments thereto, or the regulations promulgated and adopted by the board, or both, shall report the alleged violation to the board.

(q) Each licensee shall cooperate with the board in its investigation of complaints or possible violations of K.S.A. 74-7001 *et seq.*, and amendments thereto, and the regulations of the board. This cooperation shall include responding timely to written communications from the board, providing any information or documents requested within 30 days of the date on which the communication was mailed, and appearing before the board or its designee upon request.

(r) A licensee shall not assist any person in applying for registration if the licensee knows that person to be unqualified with respect to education, training, experience, or character.

(continued)

(s) Conviction of a felony or the revocation or suspension of a professional license by another jurisdiction, if for a cause that in the state of Kansas would constitute a violation of Kansas law or of these regulations, or both, shall be grounds for a charge of violation of these regulations.

(t) A licensee shall not violate any order of the board. (Authorized by K.S.A. 74-7013; implementing K.S.A. 74-7013, 74-7023, and 74-7026; effective May 1, 1978; amended May 1, 1984; amended May 1, 1985; amended May 4, 1992; amended Feb. 22, 1993; amended Feb. 13, 1995; amended Feb. 4, 2000; amended Feb. 9, 2001; amended Nov. 2, 2001; amended Feb. 4, 2005; amended Jan. 5, 2007.)

Article 8.—EXAMINATIONS

66-8-8. Examination standards acceptable to the board for reciprocity applicants. (b) Another jurisdiction's examination requirements may be accepted by the board if that jurisdiction did not require the national examination when the applicant was originally licensed.

(c) In order to meet the standard acceptable to the board, each applicant for a license by reciprocity as a land surveyor shall be required to demonstrate proficiency in Kansas land surveying laws and practices. This proficiency shall be presumed by the board upon the applicant's successful completion of the examination as specified in K.A.R. 66-8-4(a)(2). (c) The following requirements and provisions shall be used to assign credit for work experience.

(1) The applicant shall demonstrate four years of acceptable work experience.

(2) One year of credit toward the experience requirement may be given for a master's degree in engineering, unless the master's degree is used to satisfy the educational requirement described in K.A.R. 66-9-4(b).

(3) Teaching engineering at a college or university that offers an approved engineering curriculum of four years or more may be considered engineering experience.

(4) Work experience credit shall not be allowed for work performed before graduation.

(Authorized by K.S.A. 74-7013 and 74-7021; implementing K.S.A. 74-7021; effective May 1, 1984; amended April 9, 1990; amended May 4, 1992; amended Feb. 14, 1994; amended Feb. 13, 1995; amended Nov. 1, 2002; amended Feb. 3, 2006; amended Jan. 5, 2007.)

Order a custom-made loose-leaf binder for the Kansas Register!

Custom-made binders are available to attractively hold up to a year's worth of your copies of the Kansas Register for permanent use. The high quality, durable casebound swinge-hinge binders are manufactured by ABZ Binder. (A swinge-hinge binder has more capacity and allows for easier interfiling than standard ring binders.) The three-inch binder features dark blue supported vinyl covering and gold imprinting, with a label holder on the spine.

\$15 each, includes shipping and handling.
 (Kansas residents must include applicable state and local sales tax.)
