Notice of Annual Registration for Architectural,
Engineering and Land Surveying Firms

Pursuant to K.S.A. 75-1252, as amended, "in the procurement of architectural, engineering or land surveying services, the secretary of administration shall encourage firms engaged in the lawful practice of their profession to submit to the secretary and to the state building advisory commission annually a statement of qualifications and performance data."

By statutory definition, "firm" means such individual, firm, partnership, corporation, association or other legal entity which is permitted by law to practice the profession of architecture, engineering or land surveying.

If your firm is interested in providing architectural, engineering or land surveying services on state of Kansas projects throughout the upcoming year, a Federal SF330, Part II form should be submitted to the Division of Facilities Management by December 12. In the transmittal or letter that accompanies the federal form, please indicate whether your firm has professional liability insurance. Transmittals should be sent to Phyllis Fast, Division of Facilities Management, Suite 102, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612.

Submittals should be on file with the division for use by the State Building Advisory Commission (SBAC) and the Secretary of Administration. Please note that the SBAC now requires an updated statement of qualifications form be included each time a firm proposes for an advertised project during the year. As a convenience to all firms, early submittals expressing interest in state work enables firms to receive updated information from this office throughout the year.

Department of Revenue

**Notice of Hearing on Proposed
Administrative Regulations**

A public hearing will be conducted by the Department of Revenue at 8:30 a.m. Tuesday, January 20, in the secretary's conference room, Room 230, Docking State Office Building, 915 S.W. Harrison, Topeka, to consider the adoption of two agricultural ethyl alcohol producer incentive regulations. Copies of these proposed regulations may be found at www.ksrevenue.org.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written comments from the public on the proposed regulations. All interested parties may submit written public comments on the proposed regulations prior to the hearing to Kathleen Smith, Tax Specialist, Office of Policy and Research, Room 230, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612, or through e-mail at kathleen_smith@kdor.state.ks.us.

All interested parties will be given a reasonable opportunity to present their views, either orally or in writing or both, concerning the adoption of the proposed regulations. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Kathleen Smith at (785) 296-3081 or TTY (785) 296-6461. Disabled parking is located in State Parking Lot No. 2, south of the Docking Building facing Harrison Street. The east entrance to the Docking Building is accessible.

These regulations are proposed for adoption on a permanent basis. A summary of the proposed regulations and the economic impact follows:

**Article 26.—AGRICULTURAL ETHYL ALCOHOL
PRODUCER INCENTIVE**

Amendment to **K.A.R. 92-26-1. Definitions.** This regulation defines fiscal year.

Economic Impact: This regulation creates no economic impact on other government agencies, private business and individuals.

Amendment to **K.A.R. 92-26-4. Filing of quarterly reports; deadline.** K.A.R. 92-26-4 includes the Kansas Qualified Agricultural Ethyl Alcohol Producer Incentive filing of quarterly reports and deadlines. This regulation also includes the timing of the payment to producers.

Economic Impact: The change to this regulation would result in no economic impact to the Kansas Department of Revenue or other government agencies.

There is a neutral financial impact upon private business or individuals due to the change of the timing of the incentive payment from quarterly to fiscal year. The industry has requested this change to create a more level playing field, which is an equitable distribution of the incentive funds. All producers will be paid the same proportional cents per gallon sold, based on the amount of money in the incentive fund for the fiscal year.

A copy of these regulations and the economic impact statements may be obtained from the Kansas Department of Revenue, Office of Policy and Research, Room 230, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612-1588, or via the department's Web site at www.ksrevenue.org.

The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The projects shall be located as shown:

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the KDFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the projects may be obtained by contacting the KDFA.

The second part consists of six "GAME CARDS" each containing 24 squares, plus a "FREE" space in the center of each "GAME CARD," for a total of 25 squares. Each square (excluding the FREE space in the center of each "GAME CARD") contains one number. The "GAME CARDS" are each covered by translucent blue scratch-off.

A player removes the scratch-off material from the areas on the ticket indicated by the words "CALLER'S CARD" and "BONUS NUMBERS" to reveal a total of 30 "Bingo" letter/number combinations. A player wins by matching the "CALLER'S CARD" and "BONUS NUMBERS" to the numbers on the four "GAME CARDS."
