Kansas Development Finance Authority
Notice of Hearing

A public hearing will be conducted at 9 a.m. Wednesday, December 24, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 000742—Maximum Principal Amount: \$160,000. Owner/Operator: Tyler B. Diepenbrock. Description: Acquisition of 150 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Tyler B. Diepenbrock and is located at the Southeast Quarter of Section 5, Township 18, Range 5, Marion County, Kansas, approximately 1 mile north of Lincolnville on Highway 77 and 3 miles east on 300th Road.

The bond, when issued, will be a limited obligation of the KDFFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the KDFFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFFA.

K.A.R. 97-1-1a. Definitions. This regulation defines the following terms: commission; discharge; executive director; furlough; KSH; KVH; licensed medical authority; pass; release; residence hall; state; superintendent; USDVA; and weapon.

K.A.R. 97-1-2a. Administrative oversight. This regulation defines administrative oversight to include the Kansas Soldiers' Home and the Kansas Veterans' Home by the Kansas Commission on Veterans' Affairs.

K.A.R. 97-1-3a. Eligibility. This regulation stipulates eligibility for admission to the Kansas Soldiers' Home and the Kansas Veterans' Home.

K.A.R. 97-1-4a. Application for membership. This regulation identifies the process and approval to be admitted

to the Kansas Soldiers' Home and the Kansas Veterans' Home.

K.A.R. 97-1-5a. Priority for admission. This regulation stipulates priority admission criteria.

K.A.R. 97-1-6a. Approval or denial of application, notification to applicant, and right of reconsideration; right of hearing; final decision. This regulation outlines the procedures to qualify for admission to the Kansas Soldiers' Home and the Kansas Veterans' Home.

K.A.R. 97-2-1a. Charges. This regulation outlines charges and requirement to notify the superintendents of the Kansas Soldiers' Home and the Kansas Veterans' Home within five business days of any decrease or increase in the member's income.

K.A.R. 97-2-2a. Comfort money. This regulation defines comfort money and how the amount is approved annually by the commission and the requirements to notify residents of a rate change within 45 days after the annual determination by the commission.

K.A.R. 97-3-1a. Personal conduct; guests. This regulation identifies specific prohibitive behavior that a member or guest cannot display.

K.A.R. 97-3-2a. Pets and service or therapeutic animals; hunting prohibition. This regulation provides requirements for maintaining pets on the premises of the Kansas Soldiers' Home and the Kansas Veterans' Home.

K.A.R. 97-3-3a. Passes. This regulation describes the processes for obtaining passes longer than 23 hours from the Kansas Soldiers' Home and the Kansas Veterans' Home.

K.A.R. 97-4-1a. Disciplinary actions; discharge. This regulation describes the procedure regarding complaints, investigation, notice, proceedings, final decision and vacating the premises of the Kansas Soldiers' Home and Kansas Veterans' Home.

Reason or reasons the proposed regulations are required, including whether or not the regulation is mandated by federal law:

The existing regulations were published in 1966, 1969, 1980 and 1984. The Kansas Veterans' Home came into existence with the signing of House Bill 2497 dated April 10, 1997. The home officially opened May 1, 2000. The Kansas Soldiers' Home has been in operation since 1898. With the adoption of the proposed changes, the Kansas Administrative Regulations will be current, fair, better organized, efficient and cost-effective enhancements for the two homes. They also will ensure that both homes fall under the same regulations.

Both KSH at Fort Dodge and KVH at Winfield participate in the United States Department of Veterans Affairs (USDVA) program of State Veterans Per Diem Reimbursement. Current per diem reimbursement (SFY 2008) is \$33.01 for domiciliary beds and \$71.42 for nursing care beds. In order to receive the USDVA reimbursement, following these regulations will be required to meet admission eligibility and standards of care. The proposed regulation changes do not exceed the applicable USDVA regulations (38 CFR parts 17 and 51), and the USDVA Manual M-5, Part III, dated November 4, 1992.

Economic Impact Statement:

In general, rescinding the old regulations and approving the new regulations will have no economic impact.

Failure to follow certain aspects of these regulations could result in significant reductions of federal funds if imposed. The Kansas Commission on Veterans' Affairs is a Kansas-regulated agency and is part of the executive branch. Due to out-of-date regulations, it was deemed necessary to bring the regulations current with USDVA requirements. It is the obligation of this state agency to keep the homes' regulations current before its patients and residents.

The state veterans' homes are funded with a combination of resident fee funds, VA per diem funds and state general funds. Money received from the USDVA state home per diem program helps reduce the amount of state general fund money that is needed to operate each home.

It should be further disclosed that both homes have received USDVA grant funds that have been used for construction or renovation of the homes' facilities. The USDVA has a restriction in that not more than 25 percent of the homes' residents can be nonveterans. Therefore, the number of spouses, particularly in the cottages at the Soldiers' Home, must be watched closely; there may be occasions when a veteran couple or a surviving spouse will have to be denied admittance in order not to exceed this threshold. In addition, the USDVA stipulates that no residents can be children in facilities constructed or renovated with federal funds, even though Kansas statutes allow some dependent children. No children currently reside in structures meeting the VA's restriction, but the superintendents must remain cognizant of this rule. Of concern are the KSH cottages. These were constructed with state funds many decades ago; now the KSH must ensure that federal funds are not used for any renovations on the small number of cottages in which dependent children may reside. If KSH should violate USDVA grant provisions (in certain cottages), the USDVA could impose significant reimbursement penalties.

Anticipated financial impact upon other governmental agencies and upon private business or individuals:

The only other governmental agency to be affected is the Kansas Department on Aging. Both the USDVA and the Department on Aging conduct annual surveys to ensure the two homes are providing quality care to meet compliance standards. Any adverse finding by either entity could affect the per diem reimbursement from the USDVA.

These regulations would not have a direct impact on the revenues of cities, counties or school districts. Indirectly, employees who work at these two homes will be spending their earnings in local and surrounding communities. The Governor's recommended payroll for SFY 2009 for the KSH is \$5.9 million and for the KVH is \$7.3 million.

Less costly or intrusive methods that were considered, but rejected, and the reason for rejection:

No other less costly or less intrusive methods were considered.
