#### Notice of Hearing

The Kansas Department of Commerce, Division of Rural Development, will conduct a public hearing from 10:30 to 11:30 a.m. Monday, February 21, in Suite 530 of the Curtis State Office Building, 1000 S.W. Jackson, Topeka, on the proposed FFY 2012 Community Development Block Grant Program. The purpose of this hearing is to gain citizen input on the proposed changes to the federally funded CDBG program, as well as take comments on the performance of past administration of this program. No preregistration is required. Anyone needing special accommodations should contact the Kansas Department of Commerce at least five business days in advance of the hearing at (785) 296-3737, fax (785) 296-3776, or TTY 711.

Proposed changes listed below will be discussed at the public hearing:

#### 2012 Proposed Housing Changes

##### General changes

Allow air conditioning

(continued)

1. We cannot install or fix window unit (because it is not part of the permanent structure).
2. If central air were not already in the home, adding it as part of the rehab would not be allowable.
3. If central air exists, we can include as part of the rehabilitation.

#### Application changes

Target area must be under 200 homes, no matter the size of the city.

You are not required to code every home in the target area.

Required to have qualified pre-applications for each proposed home.

Map and housing log must identify proposed home and code that home.

#### Housing Point System

Project Strategy:	40
Past Effort:	15
Housing Log/Target Area	15
Readiness	15
Past Performance	15
<b>Sub-Total</b>	<b>100</b>
Site Visit	25
<b>Total</b>	<b>125</b>

Strategy — what we have now.

Past Effort — What has the city done in the past to improve city? This is where we would focus on how proactive they are in saving their town and assisting citizens.

Housing Log/Target Area — How realistic is it that project will be completed? Are homes acceptable size? Can we rehabilitate for 20,000? Does household's income qualify? How large is target area? Still want some impact, if possible.

Readiness — How many renovation firms are ready to work and have proper lead certifications? What is the commitment of the City Council/Commission? What permitting requirements are in place that will discourage contractors to participate?

Past Performance — This is tracking of administrators, inspectors and city. Maybe a chart for inspectors, and administrators that documents what they did in last 5 years and close dates.

#### 2012 Proposed Economic Development Changes

1. Switch from 12 monthly application rounds to an open window process running from January 1 to December 10.
2. Infrastructure Repayment Retail—Reduce from 100 percent of grant over 10 years at 0 percent to 50 percent of grant over 10 years at 0 percent.
3. Infrastructure Repayment Non-Retail—Reduce from 50 percent of grant over 10 years at 2 percent to 25 percent of grant over 10 years at 0 percent.
4. Allow two companies to participate in an infrastructure application. The payback through a special assessment would be shared by the two companies in the same proportion as the pledged jobs.

The Kansas Department of Health and Environment has reviewed an application from Howie's Enterprises, Inc. to operate a solid waste processing facility. The property, located at 625 S. 10th St., Manhattan, is approximately 2 acres and is used as a recycling facility. An approximate 40 ft. by 60 ft. concrete area has been set aside for separating recyclables from construction/demolition waste. The construction/demolition waste is then properly disposed off-site. The processing and sorting of the construction/demolition waste requires a solid waste processing facility permit from KDHE. KDHE has reviewed the application and found it to be in conformance with state solid waste statutes and regulations.

KDHE is providing public notice of its intent to issue a permit (Permit No. 0912) to Howie's Enterprises, Inc. for the proposed solid waste processing facility. A copy of the administrative record, which includes the draft per-
