A copy of the proposed regulations and its economic impact statement may be obtained by contacting the Office of General Counsel at the address above prior to the date of the hearing or by email to gc@ksde.org.

A summary of the proposed regulation and its economic impact follows.

K.A.R. 91-31-35

The amended regulation changes the minimum requirements that school districts must include in their graduation requirements for high school students. The changes include: at least one-half unit of the four units required of English Language Arts must be a Communication course; the previous requirement for a full unit of physical education is replaced by a minimum one-half unit of physical education and one-half unit of health education; an added requirement for one-half unit of financial literacy; and one unit of advanced science, technology, engineering, advanced math, or other similar course.

The amended regulation will reduce the number of elective courses from six units to four and one-half units. The amended regulation will require students to complete two or more accomplishments approved by the Kansas State Board of Education that demonstrate post-secondary success and will require students to complete the federal Free Application for Federal Student Aid unless that requirement is waived by the district's chief administrative officer.

The Kansas State Board of Education does not anticipate any significant financial or economic impact to this agency, other state agencies, or to the public as a result of these regulations.

(3) The ticket must not be altered or tampered with in any manner.

(4) The ticket must not be blank or partially blank, mis-cut, misregistered, defective, or printed or produced in error.

(6) The ticket must not be stolen nor appear on any list of omitted or stolen tickets and must be identified and accepted by the Kansas lottery's ticket validation system as a valid winning ticket.

(7) Play symbols must appear in the play area. Each play symbol must be exactly as described in specific game rules.

(8) Unless otherwise specified by individual game rules, each play symbol must have a play symbol caption underneath, and each play symbol caption must agree with its play symbol. Each play symbol caption must be exactly as described in specific game rules.

(9) Each of the play symbols and play symbol captions, if any, game number, ticket number, bar code, and bar code number must be present in its entirety, fully legible, right side up, not reversed in any manner, and correspond precisely to the artwork on file at the Kansas lottery or appearing in specific game rules approved by the Kansas lottery commission.

(10) The ticket must have a complete header and footer, each of which must be present to the extent that the lottery can determine whether the ticket is a winning ticket. Each header shall have a retailer identification number, the date and time the ticket was printed, two validation numbers, and a ticket serial number. Each footer shall have a validation number and a transaction identification number. All artwork must correspond precisely to the artwork on file at the Kansas lottery or appearing in specific game rules approved by the Kansas lottery commission.

(11) The ticket validation number of an apparent winning ticket shall appear on the Kansas lottery's official computer database of ticket validation numbers of win-

ning tickets and a ticket with that ticket validation number shall not have been paid previously.

(d) Subject to certain conditions, prize payment may be made for a fast play game ticket that is not received or not recorded by the lottery by applicable deadlines. The following conditions may constitute exceptions to the validation requirements previously identified in paragraphs (a), (b) and (c):

(1) Consideration will only be given to claimants with fast play game tickets that have been destroyed or lost during or following a validation attempt at an authorized retail location.

(2) A record of the event must be contained within the database of the lottery's central computer system accurately identifying the retailer, the validation attempt, the date, ticket validation number, the time of the event, the terminal number, and the prize amount.

(3) The claimant must present the claim to lottery headquarters in Topeka, be authorized to purchase a fast play game ticket, be eligible to claim a prize, and be the rightful recipient of the prize claimed as determined by the lottery.

(4) The claimant will complete and sign both a Kansas lottery claim form and an affidavit providing the following information: the prize amount claimed; the retailer name, address, and city where the ticket was purchased; the game played; the date of purchase; the time of purchase; the ticket number; the dollar value wagered; the retailer name, address, and city where the validation attempt occurred; the date and time the validation attempt occurred; the manner or means by which the ticket was destroyed or lost; if applicable a description of the clerk or retailer who performed the validation attempt and destroyed or lost the ticket; and any other information that will establish the validity of the claim.

(5) The lottery will enter information from the winner claim form and the affidavit into a database contained within the lottery's central computer system.

(6) Lottery security will conduct an investigation to determine if the claim is or is not supported by the investigation and will submit a report with a recommendation to that effect to the executive director of the lottery.

(7) If the executive director determines that the claim is otherwise supported by the investigation, and if no other claimant has presented the ticket in question, the prize will be validated through the lottery's central computer system on the last day of the expiration period. If the validation period expires on a weekend or on a holiday when the lottery is closed, the validation will be conducted on the next working day.

(8) Following expiration of the validation period, a valid claim will be paid. Such payment will be restricted to the original prize amount only.

(9) The final decision on whether a prize will be paid shall be made by the executive director. (Authorized by

K.S.A. 2023 Supp. 74-8710; implementing K.S.A. 2023 Supp. 74-8710 and K.S.A. 74-8720; effective, T-111-1-19-24, Dec. 13, 2023.)

111-20-9. Payment of prizes. The procedures for payment of monetary prizes to the winners of each fast play game are as follows:

(a) The executive director or his designee shall award the designated prize to the person entitled to a prize pursuant to K.A.R. 111-20-7 as soon as it is determined that all laws, regulations, and rules have been adhered to.

(b) Fast play game prizes of \$599.00 or less shall be paid as follows:

(1) Present the ticket to any retailer. Upon receipt and computer validation of the ticket, the retailer shall immediately make payment for the prize to the claimant. A retailer choosing not to make the payment shall not computer validate the ticket, and the claimant may claim the prize at another retailer location or may claim the prize in another manner prescribed in these rules. If the retailer cannot validate the ticket, the claimant shall fill out a claim form provided by the retailer and personally present or mail the completed form together with the ticket to the Kansas lottery headquarters. If the claim form and ticket are received and the ticket is validated, then payment shall be made to the claimant by mail.

(2) Bring the ticket to the headquarters of the Kansas lottery during the hours that such office is open to the public for business and complete a claim form provided by the lottery. Upon receipt and validation of the ticket, and receipt of the completed claim form, payment for such claim shall be made to the winner in the following manner:

(A) The prize for a validated free ticket winner redeemed in this manner shall be the purchase price of the ticket redeemed.

(B) The prize for other validated winners redeemed in this manner shall be paid by the lottery.

(3) Mail the ticket with a completed claim form in any envelope to the Kansas lottery headquarters. Claim forms can be obtained from any lottery retailer, the Kansas lottery website, or the headquarters of the Kansas lottery. Upon receipt of the ticket and claim form and validation of the ticket, the payment for such claim shall be made to the winner in the following manner:

(A) The prize for a validated free ticket winner redeemed in this manner shall be the purchase price of the ticket redeemed.

(B) The prizes for other validated winners redeemed in this manner shall be paid by the lottery.

(c) Fast play game prizes in excess of \$599.00 shall be paid by any one of the following methods:

(1) Bring the ticket to the headquarters of the Kansas lottery during the hours that such office is open to the public for business and complete a claim form provided by the lottery. Upon receipt and validation of the ticket and receipt of the completed claim form, the payment shall be made to the claimant by the executive director by any means deemed appropriate. Retailers shall not pay a prize in excess of \$599.00 but may validate any such winning ticket for the winner's convenience.

(2) Mail the ticket with a completed claim form in any envelope to the Kansas lottery headquarters. Claim forms

(continued)

may be obtained from any lottery retailer, the Kansas lottery website, or the headquarters of the Kansas lottery. Upon receipt of the ticket and completed claim form and validation of the ticket, the payment shall be made to the claimant by the executive director by any means deemed appropriate.

(d) Tickets submitted for payment of a prize shall become property of the lottery and shall not be returned to claimant and may not be entered into any drawing with physical fast play game ticket entries.

(e) All prizes are subject to deductions, withholding, and setoff provided by law. (Authorized by K.S.A. 2023 Supp. 74-8710; implementing K.S.A. 2023 Supp. 74-8710 and K.S.A. 74-8720; effective, T-111-1-19-24, Dec. 13, 2023.)

111-20-10. Responsibility for lost or stolen tickets. The Kansas lottery is not responsible for lost or stolen fast play game tickets. (Authorized by and implementing K.S.A. 2023 Supp. 74-8710; effective, T-111-1-19-24, Dec. 13, 2023.)

111-20-11. Disputes. In the event of a dispute between a ticket holder and the Kansas lottery concerning any fast play lottery game, and the drawings associated with any fast play game, the executive director shall determine the facts underlying the dispute and pay a prize to the holder of a valid winning lottery ticket. If the investigation of the dispute is inconclusive, the executive director may, solely at his or her option, reimburse the ticket holder for the cost of the disputed ticket. If the investigation of the dispute determines facts in favor of the Kansas lottery, the executive director shall deny any claim relating to the dispute. (Authorized by and implementing K.S.A. 2023 Supp. 74-8710; effective, T-111-1-19-24, Dec. 13, 2023.)

111-20-12. Termination of the game. (a) At any time, the executive director may announce a termination date for a game, announce a last date for sale of tickets in a game, or require one or more retailers to cease the sale of tickets for a game by a date certain. The executive director may make any such announcement for any reason permitted by the Kansas lottery act, including but not limited to: protecting the integrity of the game subject to the announcement; compliance with any other law, rule and regulation, or other legal obligation; and the orderly operation of the lottery.

(b) In the event the executive director orders cessation of the sale of tickets for a game by one or more retailers, affected retailers shall cease selling tickets for that game no later than the date instructed. No affected retailer shall resume selling tickets for that game until the executive director or his designee instructs the retailer to resume the sale of tickets for that game. (Authorized by and implementing K.S.A. 2023 Supp. 74-8710; effective, T-111-1-19-24, Dec. 13, 2023.)

111-20-13. Method of Entry. (a) The Kansas lottery may conduct drawings where the entry mechanism is a physical fast play game ticket or where the entry mechanism is manually entering or digitally scanning a fast play game ticket in the Kansas Lottery PlayOn program available at www.kslottery.com.

(b) When the Kansas lottery conducts a drawing with physical fast play game ticket entries, the entrant into any such drawing shall:

(1) Obtain a valid Kansas fast play game lottery ticket;

(2) complete the information form on the back of the ticket in a legible manner; and,

(3) mail the ticket to the address designated in the published rules for that drawing.

(c) When the Kansas lottery conducts a drawing with PlayOn entries, the entrant into any such drawing shall:

(1) Follow the hyperlink specifically designated for the purpose of accessing the drawing;

(2) enter the required data from the eligible ticket manually;

(3) if the player does not enter the ticket data manually, the player may scan, if available, the ticket to enter data to be used for entry into the drawings using a mobile device and a downloaded Kansas Lottery PlayOn mobile application; and,

(4) after the ticket data is successfully entered either manually or scanned using the app, the player will receive one entry into the drawing unless another number of entries is specified in the published rules for that drawing.

(d) There is no limit on the number of entries a person may make into any given drawing, but a person may only win one time in each drawing.

(e) All entrants in a Kansas lottery drawing must be at least 18 years of age to constitute a valid entry or win a prize. (Authorized by and implementing K.S.A. 2023 Supp. 74-8710; effective, T-111-1-19-24, Dec. 13, 2023.)

111-20-14. Certification of drawings. (a) All drawings with physical fast play game ticket entries shall be personally observed by a member of the Kansas lottery division of security designated by the executive director and by an employee of the Kansas lottery designated by the executive director as drawing manager.

(b) Upon completion of the drawing, the designated lottery security person shall issue a report certifying that the ticket or tickets selected is valid and that to the best of his or her knowledge the procedures required by these rules were followed in conducting the drawing.

(c) Tickets drawn and certified shall be secured by the designated lottery security person and retained for one year after the drawing. Non-winning entries shall be secured by the designated lottery security person and retained until all prizes associated with the drawing have been claimed.

(d) All drawings with PlayOn entries shall be conducted pursuant to K.A.R. 111-18-5. (Authorized by and implementing K.S.A. 2023 Supp. 74-8710; effective, T-111-1-19-24, Dec. 13, 2023.)

111-20-15. Selection of participants. (a) When the Kansas lottery conducts a drawing with physical fast play game ticket entries, the drawing shall be conducted by the following process, unless otherwise specified by published rules for that drawing:

(1) Kansas lottery personnel shall retrieve all entries mailed to the designated address.

(2) Lottery personnel shall transport the tickets to a secure area where they will be held until the time designated by the executive director for the drawing for which they are entered. Lottery security personnel shall then be responsible for transporting the tickets from the secure

area and placing them in the receptacle(s) or drum(s) to be used for the drawing.

(3) The selection process shall be held at the date and time specified in the published rules for that drawing. All drawings shall be held in a place accessible to the public and shall be open for public attendance and with lottery security personnel present. All drawings shall be video- and audio-recorded.

(4) An individual designated by the executive director shall pick at random the number of tickets specified by the rules and regulations of the drawing from the receptacle(s) or drum(s) using a bare-arm technique. Should the designated individual draw tickets identifying that person as the entrant, any such tickets shall be disqualified.

(5) The contents of the receptacle(s) or drum(s) shall be mixed thoroughly with a shovel or other means prior to the drawing, or rotated a minimum of 10 times to ensure random selection.

(6) If any ticket drawn is disqualified or determined to be ineligible, it shall be discarded and permanently marked "disqualified," and another ticket shall be drawn. This procedure shall be repeated until sufficient valid selections are obtained for the number of winners and alternates required by the published rules for the drawing.

(7) All tickets remaining in the receptacle(s) or drum(s) after valid entries have been selected shall be destroyed in accordance with K.A.R. 111-20-23.

(8) Valid entries shall be certified and secured in accordance with K.A.R. 111-20-14.

(9) If the deadline for receipt of entries or claims in a drawing falls on a day the lottery headquarters is not open for business to the general public, said deadline shall automatically be extended to the next day lottery headquarters is open for business to the general public.

(b) When the Kansas lottery conducts a drawing with PlayOn entries, the drawing shall be conducted by the following process, unless otherwise specified by published rules for that drawing:

(1) The entrant shall enter the drawing according to K.A.R. 111-18-1, *et seq.*, and the published rules of the drawing.

(2) Each entry shall be recorded in a digital file which shall be kept and maintained by the vendor responsible for providing and maintaining the Kansas lottery's player loyalty program.

(3) At the time designated in the published rules for the drawing, the drawing shall be conducted pursuant to K.A.R. 111-18-5.

(4) The list of winning and alternate entries shall be reviewed by a member of the Kansas lottery division of security designated by the executive director and by an employee of the Kansas lottery designated by the executive director as drawing manager.

(5) If any winning or alternate entries are determined to be invalid or ineligible, this process shall be repeated until sufficient valid selections are obtained for the number of winners and alternates required by K.A.R. 111-18-1, *et seq.*, and the published rules for the drawing. (Authorized by and implementing K.S.A. 2023 Supp. 74-8710; effective, T-111-1-19-24, Dec. 13, 2023.)

111-20-16. Winner validation. The following valida-

tion requirements shall apply to all drawings conducted pursuant to K.A.R. 111-20-1 *et seq.*, unless otherwise specified by the published rules for the drawing:

(a) Each ticket entered must be a valid Kansas fast play game lottery ticket from any game specified by the published rules for each drawing;

(b) Each ticket must have been issued by the Kansas lottery in an authorized manner and must not be counterfeit in whole or in part;

(c) Each ticket used as an entry must satisfy the validation requirements of K.A.R. 111-20-8.

(d) When the Kansas lottery conducts a drawing with physical fast play game ticket entries, the information form on the back of each physical ticket used as an entry must be filled out in a legible manner.

(e) When the Kansas lottery conducts a drawing with PlayOn entries, each entry must be made by a player account that meets all terms and conditions of the PlayOn program at the time of entry and at the time of the drawing. Each entrant shall also meet the eligibility requirements of K.A.R. 111-18-5.

(f) Any ticket or entry not passing each requirement in this regulation shall be void and shall not be eligible for drawings conducted pursuant to K.A.R. 111-20-1 *et seq.* (Authorized by and implementing K.S.A. 2023 Supp. 74-8710; effective, T-111-1-19-24, Dec. 13, 2023.)

111-20-17. Security of equipment. The receptacle or drum shall be stored in a secure area at all times when not in use. Prior to use, the drum shall be inspected by the Kansas lottery division of security to ensure it has not been tampered with and is in good working order. (Authorized by and implementing K.S.A. 2023 Supp. 74-8710; effective, T-111-1-19-24, Dec. 13, 2023.)

111-20-18. Rights of participants. Any Kansas fast play game ticket entered into a drawing conducted pursuant to K.A.R. 111-20-1 *et seq.* shall be disqualified from entry into any other Kansas lottery drawing. Any winning ticket entered into a drawing with physical fast play game ticket entries shall have its prize forfeited, except that a fast play game lottery ticket selected during such a drawing which is otherwise eligible for a prize may be paid by the lottery, unless otherwise specified by the published game rules for that fast play game. (Authorized by and implementing K.S.A. 2023 Supp. 74-8710; effective, T-111-1-19-24, Dec. 13, 2023.)

111-20-19. Awarding of prizes. (a) The executive director or his designee shall award the designated prize of each drawing to the appropriate person as soon as it is determined that all laws, regulations, and rules have been adhered to.

(b) All prizes are subject to deductions, withholding, and setoff provided by law. (Authorized by K.S.A. 2023 Supp. 74-8710 and implementing K.S.A. 74-8720; effective, T-111-1-19-24, Dec. 13, 2023.)

111-20-20. Payment of prizes to persons under 18 years of age. In the event a person entitled to a prize for any winning ticket by means of a gift or inheritance is under 18 years of age, the lottery may require:

(a) The claim form for all prizes of \$25 or more to be signed by the parent or legal guardian of the minor; and,
(*continued*)

(b) Payment by delivery of a warrant payable to the order of the minor to a parent or legal guardian of the minor.

(c) Where the prize exceeds \$5,000, payment shall be made for the benefit of the minor to the court appointed guardian or conservator, or as may otherwise be ordered by the court, upon receipt of written verification of the appointment of the legal guardian or conservator satisfactory to the executive director. (Authorized by and implementing K.S.A. 2023 Supp. 74-8710; effective, T-111-1-19-24, Dec. 13, 2023.)

111-20-21. Invalidation of tickets. No fast play game ticket shall be valid after its expiration date. An invalid ticket may not be entered into any drawing. (Authorized by and implementing K.S.A. 2023 Supp. 74-8710; effective, T-111-1-19-24, Dec. 13, 2023.)

111-20-22. Identification of winner. Any person whose ticket is selected at any drawing conducted by the lottery which requires that he or she be present to win,

shall have three minutes from the time of the announcement of the person selected to appear and identify himself or herself to the person conducting the drawing. If the person selected fails to appear within three minutes, the ticket will be disqualified and another ticket will be drawn. (Authorized by and implementing K.S.A. 2023 Supp. 74-8710; effective, T-111-1-19-24, Dec. 13, 2023.)

111-20-23. Destruction of tickets. Upon completion of each drawing, lottery security personnel shall return to the lottery headquarters all tickets remaining in the receptacle or drum.
